Preface

This report provides numerical listings and a subject index of bulletins and reports issued by the Bureau of Labor Statistics from 1978 through 1998. It updates BLS Report 863, containing similar information through 1995. Previous publications in this series are Bulletin 1749, which lists all BLS bulletins and reports from 1886 to 1971 and a subject index from 1915, and Bulletin 174 which contains a subject index of bulletins published before 1915.

Periodicals are not included in this publication. However, an annotated list of current periodicals is provided on page 116. Subject indexes for the *Monthly Labor Review* can be found in Bulletins 695, 696, 1080, 1335, 1746, and 1922. The latest *Review* index, covering the period 1976 through 1990 was published in 1991 as BLS Bulletin 2391. In addition, annual indexes are provided in each December issue of the *Review*.

Each quarter, the Bureau publishes *BLS Update*, which lists bulletins, reports, national news releases, and other publications issued during the quarter.

Bulletins still in print are for sale by the Superintendent of Documents, U.S. Government Printing Office, Washington, DC 20402-90325, or by the BLS Publica-

tions Sales Center, P. O. Box 2145, Chicago, IL 60690-2145. Reports are available free of charge, as long as supplies last, from the Bureau of Labor Statistics, Washington, DC 20212-0001, or its regional offices. All publications may be available for reference at leading public, college, and university libraries.

Nicole S. Padar, Office of Publications and Special Studies, Division of Editorial Services, prepared this report under the direction of Eugene H. Becker. Margaret Jones of the Office of Publications and Special Studies provided layout and design.

Annotated Listing of BLS Periodicals

BLS Update

Published four times a year, each issue provides a complete list of publications released by BLS for the period covered. Also provides information on new program developments at the Bureau.

CPI Detailed Report

This periodical provides a monthly report on consumer price movements, plus a comprehensive series of statistical tables, charts, and technical notes. Also included are quarterly articles on the reconciliation of two price measures, the Consumer Price Index for All Urban Consumers and the Bureau of Economic Analysis' Implicit Price Deflator for Personal Consumption Expenditures. In addition, it also includes occasional articles on improvements in CPI methods and procedures and other subjects.

Compensation and Working Conditions

Each quarterly issue provides a current, convenient, comprehensive, and economical source of information and data on compensation and workplace issues. Each issue contains analytical articles, summary information, and statistical tables on occupational pay, employee benefits, employer costs for employee compensation including costs for wages, salaries, and benefits, and occupational injuries and illnesses. Also included is a quarterly summary of the Consumer Price Index employment and unemployment movements.

Employment and Earnings

This monthly report covers employment and unemployment developments and includes an extensive array of statistical data on national, State, and area employment, hours, and earnings. Occasional articles provide information on seasonal adjustment factors for the establishment series and the household series, revision of the seasonally adjusted labor force series,

revisions in establishment-based employment estimates for States and areas, and other pertinent subjects.

Monthly Labor Review

The MLR includes analytical articles, reports on industrial relations, book reviews, significant decisions in labor cases, research summaries, and other features. In addition, the MLR contains 51 tables presenting information on the Bureau's principal statistical series, including data on the labor force; employment and unemployment; compensation; collective bargaining settlements; consumer, producer, and international prices; productivity; international comparisons of the labor force, employment, and unemployment; and injury and illness statistics.

Occupational Outlook Quarterly

Each issue helps persons who plan careers, guidance counselors, and others keep informed of changing career opportunities.

PPI Detailed Report

This monthly report includes an analysis of price movements for the month, annual and semiannual reviews of price movements, technical notes, and occasional articles of a technical nature. In addition, each month the report presents statistical measures of average changes in prices received by domestic producers of commodities in the three stages of processing: Finished goods; intermediate materials, supplies, and components; and crude materials for further processing.

Supplement to PPI Detailed report. The supplement provides monthly and annual averages for the previous year on the 1982=100 reference base. It also provides information on the relative importance of individual producer price components as of the end of the year.

Mailing lists

News releases. To receive *The Employment Situation* monthly, ask the national office to put your name on Mailing List J365.

Tapes and diskettes

BLS major data series are available on magnetic tape. The standard format is 9-track, 6250 bytes per inch (BPI) for magnetic tape and CD-ROM. To order BLS data files on tape or CD-ROM, write to Bureau of Labor Statistics, Division of Financial Planning and Management, Room 4135, 2 Massachusetts Ave., NE, Washington, DC 20212-0001. To order by telephone, call **Cheong Underwood, (202) 606-7789**. If you prefer cartridges at 38000 BPI, telephone **Russ Marshall (202) 606-7554**.

Users of BLS diskettes need an IBM compatible microcomputer to access the Bureau's data on employment, consumer expenditures, prices, productivity, injuries and illnesses, wages, and hours worked. Diskettes are sold singly, in some cases as a package, or as an annual subscription. To order a diskette or find out additional information on the subject matter of a diskette, contact BLS Division of Financial Planning and Management, Room 4135, 2 Massachusetts Ave., NE, Washington, DC 20212, or call **(202) 606-7554**.
