ILR Memory Book Series

From time to time, on-line memory books are made available on the web site of Cornell University's ILR School as a way for past students, colleagues, and friends to post their recollections of faculty and distinguished staff members.

This series collects the comments left by visitors to these memory books.

Patsy Sellen

Patsy Sellen has worked at Cornell for 30 years and is saying "it is time to go" on January 3, 2007.

Patsy started in Dairy Herd Records in 1976, from there moving to the Hotel School in 1979, Human Ecology in 1987, and finally ILR. She has worked in Students Services since February 2001 and says ILR has been a perfect place to end her Cornell career.

Patsy will have her retirement filled with gardening, grandchildren and volunteering – and maybe working some time in to travel with her husband.

The following submissions were made by visitors to the memory book from December 11, 2006 to December 18, 2006.

Dear Patti, Best of luck to you. I will miss bumping into you at lunch time. Keep walking and stay healthy. Wishing you the best retirement! Angie

Hi Patsy, We are going to miss you a whole lot... it is your very kind presence that I think of most - I also think of your candy basket!!!! But it has always been great to have you at the helm of the student service ship, you will always help if you are able, you always see that a message is delivered and I know that you are thoughtful and caring in your dealings with students. I also think of our school luncheons and the laughs we have had. Hope you enjoy your retirement and please know that I, in particular, will miss you a great deal. Let's get thin! Best to you always, Mary

- Mary Van Arsdale, 216 Ives Hall Dec 11 2006

I wish you much happiness and the best of health in the coming years. Fran

I will miss our chats, but, will always remember the chats and laughs from our commute 'not so long ago'. Hi Patsy, What a wonderful resource, and friend, you were when I first came to ILR. We sure had our share of fun times tracking the many past and present scholarship recipients, following up on student thank you letters and spending the special alumni gifts didn't we :) It's only appropriate that I made my move to Executive Education before you left as it simply wouldn't have been the same without you! I send with you my very best wishes for an amazing retirement... you deserve it! Fondly, Christine

- Christine Cotton, Executive Education (previously with AA&D) Dec 14 2006

Dear Patsy, I will miss you and your great charm. You always gave 150% and I know the times you and I worked together were wonderful. Graduation just won't be the same without you here to give us direction and keep us on the correct path. Think of us with a smile and wish us luck as we will need it without your presence. I wish you Godspeed with this new chapter in your book of life. I am sure you and your husband will add some great tales to this Chapter. Do take care and have an absolute ball! Blessings, Ann

- Ann Herson, Ithaca, NY Dec 15 2006
