PREAMBLE

The Superintendent of the Albion Central School District and the Albion Central Schools Educational Support Staff have entered into this Agreement to establish wages, hours and other terms and conditions of employment for employees covered by the Agreement.

ARTICLE I Recognition

- 1.1 The Board of Education of the Albion Central School District ("Board") recognizes the Albion Central School District Educational Support Staff as the sole and exclusive representative of all clerks, typists, registered nurses, occupational therapists and teacher aides of the Albion Central School District.
- 1.2 It is agreed by and between the parties that any provision of this agreement requiring legislative action to permit its implementation by amendment of law or by providing the additional funds therefore, shall not become effective until the appropriate legislative body has given approval.

ARTICLE II Dues Checkoff and Payroll Deductions

- 2.1 The employer shall deduct and remit to the agent of the Association regular membership dues for those employees who have executed the appropriate authorization cards.
- 2.2 If a change in the amount of dues to be deducted occurs, the agent of the Association or employee shall notify the District of such change. The change shall be made within two (2) pay periods from the date of notification.
- 2.3 In addition to the above deductions, the employee shall be allowed the following deductions:
 - 2.3.1 Credit Union
The District will deduct from the salaries of its employees an amount individually and voluntarily authorized and transmit said amount to the Credit Union.
 - 2.3.2 Retirement System Loans
The Board shall deduct from the salaries of its employees an amount individually and voluntarily authorized for loan payments to the employees' retirement system and forward said monies to the system.

2.3.3 Tax Sheltered Annuity

The Board shall deduct from the salaries of its employees an amount individually and voluntarily authorized under a Tax Sheltered Annuity Plan. Employees must have a certified actuarial exclusion allowance calculation completed before such deduction can be authorized.

2.3.4 NYSUT Benefit Plans

The Board shall deduct from the salary of any employee amounts which the employee individually and voluntarily authorizes for purposes of program offered through the NYSUT Benefit Trust. Employees must have executed a Payroll Deduction Authorization prior to the deduction taking effect.

ARTICLE III Employment

3.1 Term of Employment

The Board of Education shall establish the term of employment for employees covered by this agreement.

3.2 Working Hours

Hours of work for all employees in the unit shall be 37.5 hours per week, except as listed.

- a. Employees covered by this agreement shall work 27.5 hours during July and August. (9:00 a.m. to 3:00 p.m. daily) unless alternative hours are approved by the principal and notification sent to the Superintendent of Schools.
- b. Employees covered by this agreement shall work from 9:00 a.m. to 3:00 p.m. daily (on non holidays) during Thanksgiving, Christmas, February and Spring breaks.
- c. Nurses, District Aides and Occupational Therapists are considered 10-month employees and follow the teachers' calendar. District Aides can end the year of employment when students are dismissed without penalty of deduct days, however they will not be paid for those days.
- d. No District Aide shall be scheduled before 7:00 a.m., nor later than 6:00 p.m. Hours shall be scheduled consecutively. Once the Aide's hourly schedule is established, it will remain in place for a school year.
- e. Employees funded by grants shall be assigned a term of employment based on available funding, not to exceed total hours worked by District Aides.

- 3.3 Employees shall be entitled to a one-half (1/2) hour lunch period beyond their work hours. Twelve-month employees shall be entitled to one-half (1/2) hour of lunch during breaks in which the hours are designated as 9:00 a.m. to 3:00 p.m. A one-time adjustment to the base salary will be made in the 2004-2005 year for twelve month employees whose lunch hour was decreased in the 2004-2008 contract.

- 3.4 Employees may be loaned or reassigned to another position within their classification.
- 3.5 Employees required by their building supervisor to work during emergency closings will be given compensatory time. Employees shall not be docked hours when school is closed for an emergency (i.e. snow day). Hourly employees will be compensated at their daily hours for emergency closings.

3.6 Personnel File

The District shall maintain a personnel file which shall contain copies of all information pertaining to a staff member. Each building principal will maintain a supervisory file for all support staff assigned to that building. The supervisory file shall contain all evaluation reports and copies of all memoranda of supervisory nature forwarded to the employee. The employee shall be entitled to reviews of the District and Supervisory files upon request and may have an Association representative present during this review if the employee chooses. The employee shall be provided with a copy of any material added to his or her file which is critical of performance or conduct. The member shall acknowledge receipt of a copy of the materials and shall have the right to submit a written answer which will be attached to the material(s) and placed in the file.

All Contractual benefits that refer to "days" shall be changed to an hourly accumulation. Current benefits shall be converted from days to hours as follows:

12 month employees:	1 day = 7.5 hours

- 4.5 The Association members agree that they will not willfully violate or misuse their sick leave, nor misrepresent any statement or condition. The Association Officers, moreover, will actively assist District Supervisors in insuring that leave benefits are not misused.
- 4.6 On an emergency basis, sick leave benefits can be used for cases of illness or serious injury of an employee's spouse or children which necessitates the employee's absence from work. An employee can also use up to three (3) days of accumulated paid sick leave per year on an emergency basis for cases of illness or serious injury for a parent who resides in the employee's household and for whose physical care the employee is principally responsible.
- 4.7 A non-use of sick leave incentive bonus shall be paid to each qualifying employee. The non-use of sick leave incentive bonus shall be 1.5% of the completed year's salary. Such leave shall be segregated on the employee's records from other absence and the employee may be charged directly for that portion of medical benefits or other costs incurred by the District during the period of absence. Leave must be taken on a consecutive basis.
- 7.2 Requests for long-term leaves of absence (from eleven (11) days to one [1] year) shall be submitted to the Board of Education through the Superintendent of Schools. They will be granted for only unusual situations and circumstances. Fringe benefits will not be provided.

- 11.2 Any member retiring after July 1, 2000 shall continue their health insurance plan and deductible in effect as of their date of retirement as offered through Orleans/Niagara BOCES Health Care Consortium as set forth in Article IX of this agreement. With ten (10) years of service to the District, the employee may purchase one year of single, two person or family coverage of the plan in effect on the date of retirement, for each 165 hours of accumulated sick time for a maximum of ten (10) years coverage. For Federal Aides with fifteen (15) years of service to the District, the employee may purchase one year of single, two-person or family coverage of the plan in effect on the date of retirement for each 110 hours of accumulated sick time for a maximum of ten (10) years. The employee does not have to be actively enrolled in the insurance plan at the point of retirement to invest in the program.

- 11.3 Retirees will be provided the prescription plan and/or dental plan at cost.
- 11.4 Upon retirement, an employee may vest his/her accrued sick leave and may purchase health insurance using the negotiated formula at a future day if such coverage is not needed at the time of retirement.
- 11.5 Unit members not participating in any other local Retirement Incentives may qualify for an Early Notice Incentive. A unit member will receive a \$1,000 incentive payment if he/she submits in writing by September 30 that the member will be retiring on June 30 of the same school year. This applies to any employee eligible to retire and who has at least 10 years of service with the Albion Central School District. This will apply retroactively to any active member of the Unit giving notice within 30 days after ratification of the contract of pending retirement on or before June 30, 2004. The Early Notice Incentive is in effect for the life of this contract.

ARTICLE XII
Designation of Positions

- 12.1 The Board shall designate all positions. Positions may be created or abolished within a fiscal year by action of the Board of Education. The District shall notify the Association President within ten (10) days of Board action hiring new bargaining unit employees.

ARTICLE XIII
Seniority

- 13.1 Seniority shall be determined for members of the bargaining unit on the basis of the total number of actual months of service rendered to the District within each seniority unit (District or Federal) and then within each job classification, calculated from the first day of actual service following appointment by action of the Board.

In the event that the matter is not resolved to the satisfaction of the Supervisor within a five (5) day period, either party may request a formal hearing before the Superintendent of Schools.
- 16.4 A record will be made of the hearing. The employee will be entitled to representation and will, moreover, be entitled to confront any and all witnesses and be provided with an opportunity to review all documents and data during the course of the hearing.
- 16.5 The Superintendent of Schools will render a decision, within ten (10) days. If an employee covered by Section 75(i) of the Civil Service Law appeals the decision pursuant to Civil Service Law Section 76, the Superintendent may suspend such employee pursuant to the provisions of Civil Service Law Section 75 (3). The decision of the Superintendent may then be appealed to the Board of Education by either party within a ten (10) day period. The Board of Education shall review all available documents and data and render a decision within ten (10) days.

ARTICLE XVII
Layoff and Recall Provision

- 17.1 For the purposes of layoff of competitive and noncompetitive employees, the employee(s) with the least seniority within a seniority unit (District or Federal) shall be the first to be laid off within the title, until the total number of employees required to decrease forces shall be established. Recalls shall be in the inverse order of layoff within a funding category.

The first step shall consist of a written presentation to the supervisor describing the violation and specifying the Article and Section of the agreement which has been violated. The supervisor shall respond in writing within a seven (7) day period following receipt of the grievance. The written presentation and response must be signed and filed with the Superintendent of Schools.
- B. Stage Two:
The second step shall consist of a written request by the employee or the Association for a review. The Superintendent or his designee shall hold a formal grievance hearing at which the employee, representatives of the Association, and the supervisor will present oral and/or written statements and recommendations. The Superintendent or his designee shall render a finding statement of resolution within ten (10) days.

C. Stage Three:

The third step shall be a request by the Association for review by the Board of Education. Such request shall be in writing and filed with the Clerk of the Board of Education within ten (10) days of the receipt of the Superintendent's decision. The Board will review the transcripts of the hearing and act upon the grievance at the next regular meeting of the Board of Education. The Board may rule upon the matter or refer the matter to a follow-up inquiry and hearing by a committee selected by the Board. The decision of the Board or committee will be binding upon all parties. Such committee shall consist of three members of the Board of Education selected by the total membership of the Board. The decision of the committee must be rendered within fifteen (15) days of the time of the meeting.

ARTICLE XIX
Complete Agreement

19.1 The parties acknowledge that this Agreement establishes the terms and conditions of employment for employees within its coverage and supersedes any rules or regulations or practices which are contrary to or inconsistent with its terms. The parties further acknowledge that the provisions of this Agreement may be altered, modified, supplemented or deleted only by written amendment executed by the parties.
