ARTICLE XVI

SENIORITY POLICY

The principle of seniority, as defined below, shall be applied within each job classification among qualified employees, for the following types of personnel action:

1. Layoff and Recall

For the purposes of layoff and recall, seniority is defined as length of continuous service in the job classification in the Office Area.

For layoff because of lack of work, the employee with the least seniority in the Office Area shall be selected provided that an employee scheduled for layoff may be retained where he/she is performing duties which no more senior qualified employee is able to perform.

Recall to their Office Area of employees who are laid off will be made on the basis of greatest seniority. An employee who is laid off and recalled to his/her Office Area within four years shall regain the seniority he/she had and shall be credited with the sick leave to which he/she was entitled at the time he/she was laid off. An employee who is not recalled within four years shall be considered terminated.

An employee while on layoff from an Office Area shall be offered assignment to an opening in his title in any other Office Areas in the borough before any new applicants are assigned. An employee on layoff who accepts such assignment to another Office Area shall begin to earn Office Area seniority from the effective date of that assignment, and shall maintain recall rights back to his/her original Office Area in accordance with the recall provision of this Article.

For purposes of seniority the elementary, junior high and intermediate schools in each district shall constitute a separate Office Area.

For the high schools each borough shall constitute a separate Office Area and for the warehouse and distribution locations the Warehouse and Distribution Section shall constitute a single Office Area.
If an hourly senior school lunch helper is laid off, the employee shall regain seniority in their prior job classification, and have the right to bump those employees in the lower classification with less seniority provided the employee previously held a lower title.

Employees and the Union will be given ten days notice of layoff, except for compelling reasons. The Union will be given twenty days notice of a mass layoff at a work location, except for compelling reasons.

2. Promotion and Changes of Assignment

For the purpose of promotion and changes of assignment, seniority is defined as length of continuous service in the job classification in the district, or borough, or Warehouse and Distribution Section Area, within the work location.

For promotion from one job classification within a work location to a higher job classification within the work location the senior qualified employee in the Office Area at the work location in the next lower job classification shall be selected.

An employee who is promoted to a higher job classification within the bargaining unit will earn seniority in the higher classification starting with the effective date of such promotion. If, within three months following such promotion, the employee is returned to a position in the classification from which he was promoted, he/she will regain the seniority he/she had acquired in the lower job classification up to the effective date of his/her promotion.

For involuntary reassignment from one work location to another, the employee with the least seniority in the Office Area at the work location from which reassignment is made shall be selected.

For changes of regular assignment or changes of regular work schedules (number of hours of work) within a work location, the employee selected shall be the employee in the job classification at the work location with the greatest seniority in the Office Area if the change is voluntary or the employee in the job
classification at the work location with the least seniority in the Office Area if the change is involuntary.

Normal variation of duties within a regular assignment or temporary changes in assignment made to meet emergencies are not to be considered "changes of regular assignment" under this policy.

The work locations are defined as follows:

A. A school lunchroom.

B. The offices at Office of School Food Services headquarters, except that the Office of School Food Services payroll and accounting office is a separate work location.

C. An area office of the Office.

D. Warehouse and Distribution Section.

For the purposes of this Article, "continuous service" is defined as uninterrupted service in a job classification except that breaks of service caused by layoff not to exceed four years, or other approved leaves with or without pay, as provided in Article XIII shall not be deemed an interruption of service, but such limited period shall not be counted in the determination of length of continuous service.

3. The determination of qualifications for changes in the personnel status of employees shall be made by school lunch supervisors or the Office of School Food Services.

4. Exceptions to this Article, based on qualifications, shall have the prior approval of the Administrator of the Office of School Food Services. Grievances arising out of such exceptions shall be appealable directly to Step 3 of the grievance procedure under the Expedited Grievance Procedure. If a grievance arising from such exception is appealed to the Grievance Panel, such appeal shall take precedence over all other scheduled appeals.

If the Administrator of the Office of School Food Services approves such
exception specifically for the purpose of layoff or recall of a more or less senior employee that employee shall file a Step 3 grievance within two days of knowledge of that decision and the Board of Education shall schedule a hearing and render a decision within four school days. If the Step 3 award is unsatisfactory to the employee an arbitration hearing will be scheduled and a decision rendered within ten calendar days.
ARTICLE XVII

VACANCIES IN SCHOOL AIDE AND PARAPROFESSIONAL POSITIONS

1. School Aide Positions

Notice of vacancies in school aide positions in the regular day school pro-
gram will be posted in the school and hourly school lunch employees serving in
the school will be interviewed for employment in such positions if they apply in
writing. To the extent permitted by applicable law, the hourly school lunch appli-
cant with the highest seniority in the school who is found eligible and qualified
will be considered for employment in the school aide position in the school
before any applicant outside the school system is considered.

An hourly school lunch employee who is appointed as a school aide will be
compensated at the school aide rate of pay specified in the school aide agreement
which is most nearly comparable to his/her rate of pay as a school lunch employee.

2. In Paraprofessional Positions

In the event vacant paraprofessional positions in the school are not applied
for by school aides in the school, hourly school lunch employees in the school
will be interviewed for employment in such positions if they apply in writing. To
the extent permitted by applicable law, the applicant with the highest seniority
in the school who is found eligible and qualified will be considered for employment
in the paraprofessional position in the school before any applicant outside the
school system is considered.
ARTICLE XVIII

POLICY CONCERNING APPLICATIONS

FOR POSITIONS IN OTHER WORK LOCATIONS

Employees may apply for positions in their title in work locations other than the one in which they are serving. An employee with more than the equivalent of one school term of continuous service who applies in writing for an opening will be interviewed and, if deemed qualified, will be given preference over applicants outside the school system or employees on layoff for employment in another work location.

Hourly School Lunch employees serving in the day schools who apply in writing for hourly school lunch positions in Board summer programs will be interviewed and the senior qualified applicant will be selected. Hourly School Lunch positions in Board summer programs will be posted. The Union will be notified in writing when exceptions based on qualifications are made.

An "opening" is a vacancy created by the termination or transfer of a regularly employed employee or a new position to the work location or a position in a newly constructed work location, except that openings created by a transfer shall not be subject to the posting requirements of Article XXXII of this Agreement and shall be available only to those employees who have an existing application for transfer to the school in question on file with the Office of School Food Services. The determination of qualifications for employment in a particular work location shall be made by the supervisor in charge of the work location.

Exceptions to this Article, based on qualification must have the prior approval of the Office of School Food Services. Grievances arising out of such exception shall be appealable directly to Step 3 of the expedited grievance procedure. If a grievance arising from such exception is appealed to the Grievance Panel, such appeal shall take precedence over all other scheduled appeals.

For the purpose of this Article, continuous service shall be defined as uninterrupted service as an hourly school lunch worker except that breaks of service caused
by layoff, not to exceed four years, or other approved leaves with or without pay, as provided in Article XIII shall not be deemed an interruption of service, but such limited period shall not be counted in the determination of length of continuous service.

In the event two or more employees are eligible for an opening, the employee with the earliest date of application will be given preference.
ARTICLE XIX

ASSIGNMENT OF REGULAR WORK SCHEDULES

An employee whose daily schedule is less than four hours shall be offered employment to an existing four-hour vacancy in the school if found qualified. Selection for the vacancy shall be on the basis of seniority in the school.

In September, when the school is organized for the year, regular daily work schedules of no less than four hours without the use of split shifts, will be assigned to those employees with two or more years of continuous service as an hourly school lunch employee who do not choose an assignment to a shorter schedule that may be available except that those employed in work locations serving fewer than 100 lunches per day will have the option of (1) being transferred without loss of seniority to four hour vacancies that may be available in other work locations in the district or (2) remaining at their work locations in regular daily work schedules of less than four hours. Those who elect to transfer will be placed on a preferred list, in order of seniority in the district, for employment in four-hour vacancies that become available in the district.

It is understood that such vacancies will be filled first through recall of employees pursuant to Article XVI Seniority Policy.

Regular substitute employees shall become regular employees after 120 consecutive days of work and shall be given a regular assignment if there is a vacancy.
ARTICLE XIX-A

SERVICE BEFORE THE OPENING OF SCHOOL

Where the Administrator of the Office of School Food Services requires the presence of an hourly school lunch employee(s) on days before the opening of school in September, he/she shall select the most senior qualified employee(s) except where the type of work required was part of the assignment of an employee with less seniority during the preceding school year. Hourly School lunch employees shall be paid the hourly rates provided in Article III.

For the purpose of this Article, seniority is defined as length of service as a hourly school lunch employee in the district, or if in high school or special education, in the borough, within the school.

It is understood that this Article pertains to all work locations where hourly school lunch employees are employees of the Board of Education including non-public and alternative schools.

Exceptions to this Article, based on qualifications, shall have the prior approval of the Administrator of the Office of School Food Services. Grievances arising out of such exception shall be appealable directly to Step 3 of the grievance procedure. If a grievance arising from such exception is appealed to the Grievance Panel, such appeal shall take precedence over all other scheduled appeals.
ARTICLE XX

COMPLAINT AND GRIEVANCE PROCEDURES

POLICY

It is the policy of the Board to encourage discussion on an informal basis between a supervisor and an employee of any employee complaint. Such discussion should be held with a view to reaching an understanding which will dispose of the matter in a manner satisfactory to the employee, without need for recourse to the formal grievance procedure. An employee's complaint should be presented and handled promptly and should be disposed of at the lowest level of supervision consistent with the authority of the supervisor.

Upon request to the head of the school or to the appropriate supervisor in the Office of School Food Services, a Union staff representative shall be permitted to meet with employees in the unit during their non-working time, within the school or on Office premises, for the purpose of investigating complaints and grievances, under circumstances which will not interfere with the school lunch program or other school activities. A Union staff representative or shop steward shall be permitted to investigate grievances and complaints during working time only if such grievances require inspection of working conditions at the work place and the inspection does not interfere with the school lunch program or other activities. When necessary, any employee in the unit who is a shop steward in the work location in which the aggrieved employee is assigned will be given time off to represent the employee in the presentation of his grievance.

INFORMAL COMPLAINT PROCEDURE

It is desirable that any employee having a complaint should discuss it informally with his/her immediate supervisor or with any other appropriate level of supervision at the school.

The employee should request an opportunity to discuss the matter, and the supervisor should arrange for the discussion at the earliest possible time. At
such informal discussion, the employee may be accompanied by a Union representative or by another employee in the unit who is not an official or agent of another employee organization. The Union representative shall be the steward at the school or a Union staff representative.

The objective should be to dispose of the majority of employee complaints in this manner.

**FORMAL GRIEVANCE PROCEDURE**

If the matter has not been disposed of informally, an employee having a complaint concerning any condition of employment within the authority of the Board of Education may, within a reasonable period not to exceed 90 days following the action complained of, present such complaint as a grievance in accordance with the provisions of this grievance procedure. Complaints concerning matters which are not within the authority of the Board should be presented in accordance with the review procedure of the agency having authority over such matters.

The grievance procedure does not apply to complaints concerning out-of-title work except that a complaint by an employee that he/she has been assigned continuously after September 1, 1974 for three months or more to the general duties and responsibilities prescribed for a higher school lunch title is subject to the grievance procedure. Other complaints as to out-of-title work are to be referred to the Executive Director, Division of Personnel. It is understood, however, that complaints of employees in title against out-of-title assignments made to other employees are subject to the grievance procedure.

If a group of employees has the same complaint, a member of the group may present the grievance in the group’s behalf under this procedure.

The Union has the right to initiate or appeal a grievance involving alleged violation of any term of this agreement. Such grievance shall be initiated within a reasonable period of time with the Administrator of the Office of School Food Services, or with such other Board official as may be appropriate.
Grievances arising from the action of officials other than the head of a school shall be initiated with and processed by such officials in accordance with the provisions of Step 2 of this grievance procedure.

**Expedited Grievance Procedure**

Grievances arising out of exceptions to seniority for layoff and recall shall be filed by the aggrieved employee within two days from knowledge of the decision and the Board of Education shall schedule a hearing and render a decision within four school days. If the Step 3 award is unsatisfactory to the employee he/she may file for arbitration and a hearing will be scheduled and a decision rendered within ten calendar days.

Following is the procedure for presentation and adjustment of grievances:

**Office of School Food Services (Steps 1 and 2)**

1. An employee who is employed by the Office of School Food Services shall initiate the grievance at Step 1 with the Office of School Food Services area supervisor.

2. If the grievance is not resolved at the first step, the employee may then appeal the grievance to the Administrator of the Office of School Food Services within 15 school days of receipt of the Step 1 decision.

**High Schools (Steps 1 and 2)**

1. An employee who is employed by the high schools shall initiate the grievance at Step 1 with the borough supervisor of the Office of School Food Services.

2. If the grievance is not resolved at the first step, the employee may then appeal the grievance within 15 school days of receipt of the Step 1 decision to the Administrator of the Office of School Food Services.

**Step 3**

If the grievance is not resolved at Step 2, the grievance may then be appealed to the Chancellor within 15 school days of receipt of the Step 2 decision. The appeal at Step 3 shall be accompanied by the letter of appeal and the decision at Step 2.
Representation

At each step, the employee may be accompanied by a Union representative and a shop steward or by an employee in the bargaining unit who is not an official or agent of another employee organization. At Step 1, the Union representative shall be the steward at the work location or a Union staff representative, or both. At Steps 2 and 3, the Union representative may be a Union staff representative or the steward who represented the employee at Step 1, or both.

Conferences and Decisions

At each step of this grievance procedure, a conference shall be arranged by the Board representative, or his/her designee, with the aggrieved employee and his/her representative, if any. Conferences held under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons entitled to be present to attend. When such conferences are held during working hours, employees who participate shall be excused with pay for that purpose.

Every attempt should be made to reach a mutually satisfactory resolution of the grievance at the conference held under this procedure. If the grievance is not resolved at the conference, then a decision must be rendered by the Board representative. The decision at each step should be communicated to the aggrieved employee and his/her representative within the following time limits:

1. At Step 1, within five school days after the grievance is initiated;
2. At Step 2, within ten school days after the appeal is received.
3. At Step 3, within ten school days after the appeal is received.

If the grievance is presented in writing, the decision will be given in writing. If a satisfactory resolution is not reached or if a decision is not rendered within the time limit at Step 1, 2 or 3 the Union may appeal the grievance to the next higher step. A Union initiated grievance may be appealed by the Union to the next higher step of the grievance procedure.
APPEALS TO THE GRIEVANCE PANEL (STEP 4)

A grievance which has not been resolved by the Chancellor at Step 3 may then be appealed by the Union to the Grievance Panel.

The Panel shall be composed of one representative of the Board, one representative of the Union and one other person, selected by mutual agreement of the Board and the Union, who shall be the chairman.

Any costs relating to the participation of the Chairman shall be shared equally by the parties to the dispute.

The Panel shall set a hearing date for the appeal that is within 30 days following receipt of the appeal and issue an award within 30 days following the close of the hearing.

Appeals involving exceptions to seniority based on qualifications shall take precedence over all other appeals.

With respect to grievances which involve the application or interpretation of the provisions of this agreement the Grievance Panel shall be without power or authority to make any decision:

1. Contrary to, or inconsistent with, or modifying or varying in any way, the terms of this agreement or of applicable law or rules or regulations having the force and effect of law;

2. Involving Board discretion or Board policy under the provisions of this agreement, under Board By-Laws, or under applicable law, except that the Panel may decide in a particular case that such policy was disregarded or that the attempted application of any such term of this agreement was so discriminatory, arbitrary or capricious as to constitute an abuse of discretion.

3. Limiting or interfering in any way with the powers, duties,
and responsibilities of the Board under its by-laws, applicable law, and rules and regulations having the force and effect of law.

With respect to grievances which involve the application or interpretation of the provisions of this agreement the decision of the Grievance Panel, if made in accordance with its jurisdiction and authority under this agreement, will be accepted as final by the parties to the dispute and both will abide by it.

If the Grievance Panel finds that a grievance as to out-of-title work should be sustained the Chancellor shall discontinue such out-of-title assignment as promptly as possible. The Grievance Panel shall have no authority to award back pay for out-of-title assignments.

With respect to all other grievances, if the grievance is not resolved by unanimous agreement of the Panel members and the employee at the conference, then a report and majority recommendation of the Panel shall be transmitted by the chairman to the Chancellor. No minority report shall be transmitted by Panel members. Within ten school days after the date the report and recommendation are received by the Chancellor, he shall indicate whether he will accept the Panel's recommendation. Unless the Chancellor disapproves the recommendation within ten school days after the date it is received by him, the recommendation shall be deemed to be his decision.

A recommendation of the Panel which has been approved by the Chancellor, or which has not been disapproved by the Chancellor within the ten-day limit specified above, shall be communicated to the Union. If the Chancellor decides to disapprove a recommendation of the Panel, he shall notify the Union and the Panel of his decision.

* * *

The provisions of the formal grievance procedure outlined above shall not be available for the use of employees with less than the equivalent of one school term of continuous service.
ARTICLE XXI

DISCHARGE REVIEW PROCEDURES

It is the policy of the Board that the discharge of an employee should be
based on good and sufficient reason and that action should be taken by the supervisor having such authority only after he has given due consideration to the matter.

If an employee with more than the equivalent of one school term is discharged, he shall be given a written notice of discharge at the time of such action, except where circumstances warrant an immediate discharge, in which case such notice and reasons shall be given within two school days after such discharge. Such employee will also, upon his request, be afforded an opportunity for a prompt and careful review of the discharge in accordance with the provisions of the complaint and grievance procedure as stated in Article XIX of this Agreement.

Such procedure will initiate at Step 2 of the Expedited Grievance Procedure.
ARTICLE XXII

PERSONNEL FOLDERS

Employees shall receive a copy of any evaluatory statement of their work performance or conduct which is placed in their permanent personnel folder. Employees shall be given an opportunity to answer any such evaluatory statement placed in their folder, and their written answer shall be attached to the evaluatory statement in the folder. Any evaluatory statement with respect to the employee's work performance or conduct a copy of which is not given to the employee may not be used in any subsequent disciplinary action against the employee.
ARTICLE XXIII

DAMAGE OR DESTRUCTION OF PROPERTY

1. Employees shall not be held responsible for loss of Board property when such loss is not the fault of the employee. This does not exonerate the employee from responsibility for Board property in his/her charge.

2. The Board will reimburse employees, in an amount not to exceed a total of $100 in any school year, for loss or damage or destruction, while on duty in a school, district or Central Board office, of personal property of a kind normally worn to or brought into a school when the employee has not been negligent, to the extent that such loss is not covered by insurance.

The term "personal property" shall not include cash. The terms "loss," "damage" and "destruction" shall not cover the effects of normal wear and tear and use.
ARTICLE XXIV

SAFETY

While working in a school, employees will be covered by the safety plan developed for the school and by the appeal procedures as described below.

Within ten days of the opening of school in September of each year, the principal will have a copy of the safety plan for the school posted on the bulletin board provided employees covered by this agreement. A copy will also be given to each employee upon request.

A complaint by an employee that there has been a violation of the plan as to him/her, may be made to the principal, orally or in writing, as promptly as possible.

The principal shall render his/her decision within 24 hours after receiving the complaint.

If the employee is not satisfied with the decision of the principal, he/she may appeal in writing as promptly as possible to the community superintendent or the assistant superintendent, as may be appropriate.

The community superintendent or assistant superintendent shall render his/her decision in writing to the employee within 24 hours after receiving the appeal.

If the employee is not satisfied with the decision of the community superintendent or assistant superintendent, he/she may appeal in writing to the Chief Administrator of School Safety and request a hearing, as promptly as possible after receiving the decision of the community superintendent or assistant superintendent.

The Chief Administrator of School Safety shall render his/her decision in writing to the employee within 48 hours after receiving the appeal.

If a hearing is requested, it shall be held within 48 hours and the decision shall be rendered within 48 hours after the close of the hearing. The decision of the Chief Administrator of School Safety shall be final and binding.

Where all school lunch employees in the school are affected, the Union may initiate a complaint on behalf of all school lunch employees.
ARTICLE XXV

PAY PRACTICES

A. The Board will recommend to the Comptroller of the City of New York that he itemize more fully employee pay checks and that he provide accompanying explanations when lump sum payments are made.

B. Employees shall be given 15 minutes off to cash paychecks when they are scheduled to work until 3 P.M. on a pay day.

ARTICLE XXVI

BULLETIN BOARDS

A bulletin board shall be reserved at an accessible place in each school or other work location for the exclusive use of the Union for purposes of posting material dealing with proper and legitimate Union business concerning employees in the unit.
ARTICLE XXVII

STORAGE OF EMPLOYEE'S PROPERTY

Employees shall be provided with lockers to store their personal belongings while working in the school.

ARTICLE XXVIII

IDENTIFICATION CARDS

The Board shall furnish identification cards to all employees who have served continuously for three months. The loss of an identification card shall be reported immediately, and the card shall be replaced at cost to the employee. Upon separation from service an employee shall not receive his/her final paycheck until he/she has returned his/her identification card, or has submitted an appropriate affidavit of loss.
ARTICLE XXIX

CHECK-OFF

A. Exclusive Check-Off Privilege

The Board will honor, in accordance with their terms, only such written authorizations as are properly executed by employees in the unit covered by this agreement for the deduction of their dues in behalf of the Union.

B. Dues Check-Off on Transfer

The Board will honor, in accordance with their terms, the written authorizations for the deduction of dues in behalf of the Union, properly executed by individuals while employed by the City of New York, who thereafter transfer directly to employment with the Board in the unit covered by this agreement.

C. Agency Shop Fee

Effective the September 1977 payroll period or as soon thereafter as practicable, the Board shall deduct from the wage or salary of employees in the bargaining unit who are not members of the Union the amount equivalent to the dues levied by the Union and shall transmit the sum so deducted to the Union, in accordance with Chapters 677 and 678 of the Laws of 1977 of the State of New York. The Provision for agency fee deduction shall continue in effect so long as the Union establishes and maintains such procedure.

The Union shall refund to the employees any agency shop fees wrongfully deducted and transmitted to the Union.

The Union agrees to hold the Board harmless against claims arising out of the deduction and transmittal of agency shop fees where there is a final adjudication by a court or arbitrator that said agency shop fees should not have been deducted and/or transmitted to the Union.

The agency shop fee deductions shall be made following the same procedures as applicable for dues check-off, except as otherwise mandated by law or this Article of the Agreement.
ARTICLE XXX

INFORMATION TO THE UNION

A. Dues Check-Off Information

The Board shall provide monthly to the Union a complete and up-to-date list of all employees in the unit who have properly executed written authorizations for the deduction of dues in behalf of the Union. The Board shall also furnish to the Union such other reasonably available information as may be necessary to the Union for maintaining appropriate check-off records.

B. Copies of all official Office of School Food Services circulars and directives shall be sent to the Union.

C. Notices regarding employee promotions shall be sent to the Union.
ARTICLE XXXI

PRINCIPLES TO GOVERN CERTAIN PERSONNEL ACTION

In the event that adverse personnel action affecting employees in the unit covered by this agreement is made necessary by reason of a Board decision to effect a major change in methods of operation of the school lunch program, such as technological changes, the Board and the Union will meet and confer with a view to reaching agreement on the principles governing such personnel action.

ARTICLE XXXII

All official Board of Education circulars which deal with the working conditions or the welfare of employees shall be posted promptly and a copy given to the Union.

All openings in the district shall be posted in each school in the district for seven school days.

ARTICLE XXXIV

UNION MEETINGS

Upon request to the head of the school or to the appropriate supervisor in the Office of School Food Services, the Union's units at each work location shall be permitted to meet within the school or other work location under circumstances which will not interfere with the school food program or other school activities. Such meetings may be held only during the employees' lunch period or before or after working hours, at a place to be assigned by the head of the school or the supervisor, where other employees or children are not present. Union officials may attend such meetings.

If such meetings involve units from more than one work location the Union shall have the right to hold such meetings pursuant to the limitations found in paragraph 1, provided however, that if such meetings generate additional custodial fees, such fees shall be paid by the Union. It is understood that where another activity has already been scheduled in the school or other work location, there shall be no charge to the Union.

ARTICLE XXXV

RESTRICTION ON UNION ACTIVITIES

No employee shall engage in union activities during the time he is assigned to duty, except that members of the Union's negotiating committee shall, upon proper application, be excused without loss of pay for working time spent in negotiations with the Board or its representatives.

ARTICLE XXXIX

The parties will have available copies of this agreement upon request.
ARTICLE XL

The Union and the Board subscribe to the principle that differences shall be resolved by peaceful and appropriate means without interruption of the school program. The Union therefore agrees that there shall be no strikes, work stoppages, or other concerted refusal to perform work, by the employees covered by this agreement, nor any instigation thereof.

Dear Messrs. Glenn and Hughes: 

During the negotiations for the 1980-1982 agreement covering School Aides, Hourly School Lunch Workers, and Film Inspection Assistants it was agreed as follows: 

1. In a memorandum, principals of high schools will be encouraged to utilize school aides to the fullest extent possible, consistent with the needs of the school, during end-of-term reorganization. 

2. In a memorandum, principals of all schools will be encouraged to consider weather factors where assigning school aides to outside patrol (i.e. cold weather). 

3. The Office of School Food Services will, to the limit of its capability, correct ventilation problems (excessive heat) in cooking areas, and to bring to the attention of the Division of School Buildings problems requiring possible modification of the facility. 

4. The Office of Labor Relations will recommend to principals that smocks or aprons be provided school aides who are assigned to operate duplicating equipment (rexograph, mimeograph etc.). 

5. The Board agrees to maintain its present practice with respect to holidays in the case of employees working in parochial schools, and also agrees that this practice conforms to the language of Article V of the Hourly School Lunch Agreement.
6. The phrase "consecutive days of work" in Article XIX of the Hourly School Lunch Agreement is interpreted to mean that the absence of a substitute, which has been approved by his supervisor, shall not be deemed to have interrupted the continuity of service, but shall not be included in the total of the 120 days of service required to acquire regular employee status.

Very truly yours,

Thomas P. Ryan
Director
