ARTICLE I
PREAMBLE

This Agreement is between the Board of Education of the Memphis City Schools of the City of Memphis, hereinafter called the "Board", and the Memphis Education Association, an affiliate of the Tennessee Education Association and the National Education Association, hereinafter called the "Association"; the Board and the Association are sometimes hereinafter jointly referred to as the "Parties".

The Parties agree that teaching is a profession and that the purpose of this Agreement is to establish and maintain terms and conditions of employment which will provide fair working conditions, maintain professional relationships, and provide a procedure for amicable adjustments of disputes arising under this Agreement subject to the Board's authority to manage the school system. Furthermore, the Parties agree that the educational welfare of the students of the Memphis City Schools is paramount in the operation of the Memphis City Schools.

ARTICLE II
RECOGNITION

The Board recognizes the Association as the sole and exclusive bargaining representative with respect to wages, hours, and other conditions of employment for certificated classroom teachers, attendance teachers, special education teachers, librarians, guidance counselors, consumer home economic teachers, vocational teachers, and noncertificated vocational teachers, on contract, all hereinafter jointly referred to as "teachers". Excluded are all other professional, and all administrative, executive, and supervisory personnel, and all summer and evening school teachers, substitute teachers, part-time employees, and any other personnel not specifically set forth in Appendix A, and all classified (non-exempt) personnel.

ARTICLE III
ASSOCIATION SECURITY

Section A. The Board recognizes and will work with the accredited Association faculty representatives, President, and staff as provided by this Agreement. The Association shall be accorded faculty representatives as follows:

1. In a location of thirty (30) teachers or less, there shall be one (1) faculty representative.
2. In a location of thirty-one (31) to fifty (50) teachers, there shall be two (2) faculty representatives.
3. In a location of fifty-one (51) to seventy (70) teachers, there shall be three (3) faculty representatives.
4. In a location of seventy-one (71) teachers or more, there shall be four (4) faculty representatives.
Section B. A written list of the Association faculty representatives and their locations, Association officers and staff and their positions shall be furnished to the Board following their designation. The Association shall notify the Board of changes in this list.

Section C. The appropriate faculty representative within the school and the designated Association staff representatives shall handle and settle grievances at their respective grievance steps.

Section D.

1. Designated Association staff representatives, upon request by the Association, shall be admitted to the buildings and grounds of the Board for the purpose of assisting in the adjusting of grievances in accordance with the provisions of Article IV, Grievance Procedure, at Steps 2, 3, and 4, provided any such designated Association staff representative first reports the nature, location, and time of such visit to the superintendent's designated representative, who may designate a representative of the Board to accompany the designated Association staff representative to assist in the adjustment of the grievance. Upon arrival at the location, the designated Association staff representative shall contact the school principal, appropriate supervisor, or designated representative.

2. Association officers and designated Association staff representatives, upon request by the Association, shall be admitted to the grounds and buildings of the Board for the purpose of conducting legitimate Association business, excluding investigating or handling of grievances or complaints, provided such representatives first arrange such visit with the principal or the principal's designated representative.

3. Visits by Association officers and/or Association staff representatives shall not interfere with the normal work of the teachers at the location being visited. The rights of access contained in this section shall not be abused.

Section E. The Board agrees that upon written request of the Association to the superintendent's designated representative it will transmit to the Association copies of the adopted budget, the yearly audit, the June 30th Financial Report, a printout containing the names and addresses of all teachers covered by this Agreement, and a printout of their salaries, work locations, placement on the salary schedule, number of years employed by the Board, total years credited for salary purposes, sex, and race.

ARTICLE IV
GRIEVANCE PROCEDURE

Section A. A "grievance" is defined as an alleged violation or misapplication of any specific provision of this Agreement.
Section B. The term "grievant" is defined as any teacher in the bargaining unit including the Association President for organizational grievances.

Section C. The following are the supervisors referred to in Steps 1 and 2 of this article:

   Step 1 - Principal or Division Director, as appropriate.

   Step 2 - District Superintendent or Department Assistant Superintendent, as appropriate.

Section D. The standard grievance form, attached hereto as Appendix B, shall be the approved grievance form.

Section E. Hearings held under this article shall be conducted at times and places which will afford a fair and reasonable opportunity for all persons, including witnesses, who would be entitled to attend. Such hearings will be conducted during nonschool hours unless there is mutual agreement for other arrangements.

Section F. A grievant has a right to be accompanied, represented, and advised by an Association representative, if the grievant so desires, to assist in the resolution of grievances. At Step 1, representation may be by the grievant's faculty representative only. Beginning with Step 2 and above, such representation may be by an Association designated representative. In the event a grievant chooses not to be represented by the Association, the grievant shall state this in writing at the appropriate place on the grievance form at the time the grievance is initially filed. In such case, the Board will notify the Association prior to issuing the response at Step 2 and Step 3, as applicable, in order to give the Association the opportunity to discuss the grievance with the superintendent's designated representative prior to issuance of the response.

Section G. All grievance processing shall be handled exclusively in the following manner:

   Step 1. Within thirteen (13) working days after the occurrence, the grievance will be presented in writing (on the standard grievance form with all requested information provided) by the aggrieved teacher to the immediate supervisor. Said supervisor shall within six (6) working days of the receipt of the grievance, meet with the grievant and/or a faculty representative, if the grievant so desires, in an effort to resolve the grievance. If an adjustment is not made at this meeting, the supervisor will respond to the grievance in writing within six (6) working days after the date of said grievance meeting.

   By mutual agreement between the Association and the superintendent's designated representative, a grievance may be presented to the aggrieved teacher's immediate past supervisor and processed in accordance with Step 1 of the grievance procedure.

   Step 2. If a satisfactory agreement is not reached at Step 1, the grievance may be presented by the grievant to the appropriate supervisor within six (6) working days from the date of response of the Step 1
supervisor. Said supervisor shall within six (6) working days of the receipt of the grievance at Step 2, meet with the grievant and/or an Association representative, if the employee so desires, in an effort to resolve the grievance. If an adjustment is not made at this meeting, the Step 2 supervisor shall respond to the grievant in writing within six (6) working days after the date of the Step 2 meeting.

Step 3. If a satisfactory settlement is not reached at Step 2, the grievance may be presented by the grievant to the superintendent's designated representative, within six (6) working days from the date of response of the Step 2 supervisor. The superintendent's designated representative, within six (6) working days of the receipt of the grievance in Step 3, shall meet with the grievant and/or an Association representative, if the employee so desires, in an effort to resolve the grievance. If an adjustment is not made at this meeting, the superintendent's designated representative shall respond to the grievance in writing within six (6) working days after the Step 3 grievance meeting.

Step 4. If a satisfactory settlement is not reached in Step 3, the Association may, within ten (10) working days after the response at Step 3, submit the grievance to arbitration by submitting to the superintendent's designated representative a joint request form for a list of seven (7) arbitrators to be supplied by the Federal Mediation and Conciliation Service (FMCS). Within ten (10) working days of receipt of said form, the superintendent's designated representative shall direct the request as a joint request to the FMCS. Within ten (10) working days of receipt of the list of arbitrators, the Association shall advise the superintendent's designated representative that a representative of the Association is available to select an arbitrator to hear the grievance. The Parties shall select an arbitrator from the list by alternately crossing out names until only one (1) remains. Either Party may elect to reject the first panel.

Section H. The arbitrator shall be limited in making the determination as follows:

1. The arbitrator shall have no power or authority to add to, subtract from, change, modify, or alter in any way the provisions of this Agreement, or impose on any Party hereto a limitation or obligation not explicitly provided for in this Agreement.

2. The arbitrator shall have no power to rule on any matter involving teacher evaluation or teacher evaluation procedures.

3. The arbitrator shall have no power to change any practice, policy, or rule of the Board, nor to substitute the arbitrator's judgment for that of the Board as to the reasonableness of any such practice, policy, or rule.

4. The decision of the arbitrator shall be advisory but will be adopted unless specifically rejected by the Board within three (3) regularly scheduled meetings following its receipt.
Section I. All fees and expenses of the arbitrator shall be borne equally by the Parties. The grievant shall suffer no loss of pay or benefits which may be due for attendance at hearings conducted during normal school hours. Any salary which may be due for up to two witnesses who are called by the Association to testify at arbitration hearings conducted during normal school hours shall be shared equally by the Association and the Board if the witness is a member of the bargaining unit. All other expenses including salaries of any other witnesses called before the arbitrator shall be borne by the Party calling such witnesses or incurring such expenses.

Section J. It is understood that time is of the essence and the time limits provided for in this article will be strictly adhered to, subject to the following procedures:

1. Time limits provided in this article may be extended by signed mutual agreement of the Parties, not to exceed a total of one hundred eighty (180) calendar days at Step 4.

2. Failure of the appropriate supervisor at any step of the grievance procedure to comply with the specified time limits shall permit the grievant, or Association, as appropriate, to present the grievance at the next step of the grievance procedure.

3. Any grievance which is not presented within the time limits of the grievance procedure, as provided herein, and any grievance which is not advanced from one step to the next within the time limits provided for in that step, and the failure to initiate any action in Step 4 within the time limits specified, shall result in the grievance being considered void.

4. For purposes of this article, a working day is defined as any day, Monday through Friday, on which schools are open during the normal school year. (The first working day to be counted shall begin at 8:00 a.m. the working day following the day on which the time limits are based). After the last day of the normal school year, a working day shall be defined (for purposes of this article) as Monday through Friday, when the administrative offices of the Board of Education are open.

ARTICLE V

FACILITIES

The Association shall be permitted reasonable use of school facilities, including the use of school bulletin boards and the regular intra-system mail, to distribute official Association materials. This use shall be subject to regulations established by the Board and the usual fees charged to the public for use of facilities for meetings after normal school hours.

These rights and other rights granted in this Agreement to the Association shall not be granted or extended to any other employee organization which represents or purports to represent members of this bargaining unit.
ARTICLE VI

DEDUCTION OF DUES

Section A. Deduction of dues shall be made and remitted to the Association only on the basis of voluntary individual authorization signed by the teacher and forwarded to the Board. The Association shall provide the Board with a list indicating the teachers' names, social security numbers, and other pertinent information necessary for payroll purposes. The payroll deductions shall be prorated over the regular pay periods from September through June. In order to provide for the regular payment of dues, the Association shall establish a fixed pay period amount of dues deductions which shall be certified to the Board by the Association on or before August 1 of each year. The signed voluntary dues deduction authorizations and the list from the Association, referred to above, must be received by the Board at least ten (10) days prior to the end of a teacher pay period for such deduction to be deducted from any teacher's pay check for that pay period.

Section B. The Association shall notify the Board at least thirty (30) days prior to the effective date of any change in the amount of dues deductions.

Section C. During the term of this Agreement, dues shall be deducted from teachers' paychecks in accordance with Sections A and B of this article and shall be transmitted to the Association, as soon as feasible, with an itemized statement showing the name of each teacher for whom such deductions are made.

Section D. In order for dues to be deducted, a teacher's earnings must be sufficient to cover the amount of the appropriate Association dues after other legal and required deductions are made. Any teacher who executes a written assignment authorizing payroll deduction prior to any authorized leave shall have his/her regular dues and one additional pay period of dues deducted from the last pay check received prior to the leave. The dues deduction will be resumed when the teacher returns from leave. When a teacher is in a nonpay status for an entire pay period, or is in a nonpay status for part of a pay period and his/her earnings are not sufficient to cover the deductions, no deduction shall be made for that pay period.

Section E. The Association will indemnify and hold the Board harmless against any claims made or against any suits instituted against the Board on account of payroll deductions or Association dues. Upon presentation of proper evidence thereof, the Association agrees to refund to the Board or the teacher, whichever is applicable, any amount paid to the Association in error because of the dues deduction provisions.

Section F. Authorizations shall be continuing except that during the period April 1 through August 1 of any year a member may revoke such authorization by providing written notice during said period to the Association and the Payroll Section of the Board of the member's desire to terminate the dues deduction. Such revocation shall be effective August 1 of the year of the revocation.

Section G. Payroll deduction shall be provided for voluntary purchase of Association sponsored and Board approved insurance.
ARTICLE VII

PROFESSIONAL COMMITTEE

The Parties agree to establish a committee composed of three (3) administrators appointed by the Board and three (3) persons appointed by the Association. This committee shall be called the Professional Committee and shall meet at least monthly, or more frequently by agreement, to discuss overall relations between the Parties, exchange information, receive suggestions, consider problems, and discuss improvements.

ARTICLE VIII

STUDENT BEHAVIOR

Section A. The Parties recognize that good discipline is needed to foster a warm and accepting school and classroom atmosphere in order that students may develop self-control and self-discipline. Both Parties further agree that the maintenance of discipline is necessary for an effective education program.

Section B. The Parties recognize the responsibility of the teacher to maintain discipline and a climate for good instruction, and the responsibility of the Board to give the teacher reasonable support with respect to student discipline.

Section C. A teacher may refer a student to the school office for disciplinary reasons. The teacher shall at the same time of the referral complete and submit to the principal the Discipline Referral Form. In case of emergency, it shall be submitted as soon as possible. Upon request of the teacher, the principal shall within a reasonable amount of time initiate a conference involving the administrator, the student, the teacher and, if applicable, the parent for the purpose of improving the behavior of the student.

Section D. The Board shall establish an advisory committee on student behavior in each school, and said committee shall elect a member of the committee as chair each school year. At least one member of the committee shall be an accredited faculty representative. It shall be the primary objective of every such committee of student behavior to advise concerning a code of student behavior for the school and/or school sponsored activities and to recommend the same to the principal and/or chief administrator of said school. In addition, the advisory committee on student behavior may by mutual agreement between the committee and the principal and/or chief building administrator discuss, explore, advise, and recommend on other matters of mutual concern within the building. This article shall in no way diminish the responsibility of the principal as chief administrative officer of the school over conduct within the school and for the establishment and publishing of rules and regulations pertaining to student conduct.
ARTICLE IX
TEACHER EVALUATION

Section A. Professional evaluation is the systematic procedure described in the Board document entitled Evaluation of Teaching Service.

Section B. During the term of this Agreement any proposed changes in the Evaluation of Teaching Service will be discussed with a teacher evaluation committee established by the Board. The teacher members of the committee appointed by the Board shall be made up of a majority of representatives selected by the Association.

Section C.

1. On or about October 1 of each year, all teachers shall be informed of their evaluator(s), the general criteria, the administrative procedures, and the instrument(s) concerning professional evaluation.

2. Any written evaluation will be confidential and will be reviewed in private by the evaluator and the teacher.

3. Written evaluations shall be based on information gathered openly during formal or informal observations and other general criteria referred to in Paragraph 1 of this section.

4. If a teacher is teaching outside his/her area of certification, the evaluator shall note this fact on the evaluation form.

5. If the teacher disagrees with the evaluation, the teacher may submit a written statement which must be attached to all file copies.

6. The teacher and the evaluator shall sign the evaluation form. The signature of the teacher does not indicate approval of the evaluation but only that the teacher has reviewed and received a copy of the evaluation (if requested by the teacher) at the meeting.

Section D. Teacher evaluations or teacher evaluation procedures shall not be grievable or arbitrable except that alleged violations of the provisions of Section C of this Article IX shall be grievable through the 3rd Step of the grievance procedure.

ARTICLE X
PERSONNEL FILES

Section A. Definition, Contents, and Use

1. A teacher's personnel file is defined as the teacher's record maintained in the Division of Employment and Placement.
2. The personnel file shall include, but is not limited to, a teacher's initial employment records, academic records, placement and assignment records, state certification, evaluation forms, transfer records, disciplinary records, letters of commendation and recommendations, and other employment data. Grievances, grievance answers, and materials directly associated with those grievances shall not be included in such file.

Section B. Teachers shall be mailed or given a copy of any adverse material when it is placed in the teacher's personnel file. All materials placed in the teacher's personnel file shall be stamped with the date such material was received in the Division of Employment and Placement.

Section C. Teachers may review material compiled in their personnel file except for pre-employment references and reports provided that the Division of Employment and Placement is notified at least one (1) day in advance. At the request of the teacher, an Association representative may accompany the teacher during the review of his or her personnel file. Any anonymous complaint in a teacher's personnel file will be removed by the Board if requested by that teacher provided such complaint occurred prior to July 1, 1978, and provided the complaint was not related to a disciplinary action against that teacher.

Section D. No material placed in the teacher's personnel file, including any evaluation of the teacher, shall be used to discipline the teacher unless a copy is shown to the teacher prior to the discipline. At the teacher's request, a copy of the material will be provided to the teacher.

Section E. If individual teacher files are maintained in the offices of local schools, teachers may review such material provided the teacher asks for such a review in advance. At the request of the teacher, a faculty representative may accompany the teacher during the review of said file. This section does not apply to notes, memoranda, and other aids to memory personally maintained by a supervisor and/or administrator for professional purposes.

ARTICLE XI

COMPLAINTS AGAINST TEACHERS

When an administrator receives a complaint, including any anonymous complaint, concerning the action of any teacher, before the administrator determines whether or not to take action with respect to that teacher, the administrator shall discuss the nature and substance of the complaint with the teacher in a confidential meeting. If the complaint is written, the administrator shall give a copy of said complaint to the teacher. The teacher shall be given an opportunity to respond to the complaint, either orally or in writing at that time. If the administrative investigation of the complaint proves to be groundless, the complaint shall be discarded. If a copy of the complaint is to be placed in the personnel file of the teacher, the teacher shall be given an opportunity to respond in writing when the complaint is forwarded for filing. The response of the teacher shall be attached to the complaint in the teacher's personnel file.
ARTICLE XII
DUE PROCESS AND DISCIPLINARY PROCEDURES

Section A. Disciplinary action shall be for just cause and may include:

1. Oral reprimand
2. Written reprimand
3. Suspension
4. Discharge of a tenure teacher
5. Discharge of a nontenure teacher during the school year

Section B. The type of discipline, as outlined above, administered to any teacher shall be determined on the basis of the seriousness of the offense involved and the teacher's employment record. Disciplinary action shall be conducted in private whenever feasible. It is understood that if any teacher does not receive any written disciplinary action for a period of three (3) consecutive years said disciplinary action administered prior to the three (3) year period shall not be used in connection with any disciplinary action subsequent to said three (3) year period.

Section C. A fact-gathering conference shall be held at the District and/or Central Office with the teacher prior to a suspension or discharge. The teacher will be entitled to at least two (2) hours notice of the fact-gathering conference, when feasible; shall be advised of the purpose of the conference; and shall have the right to have an Association representative present, provided that the Association representative attending such conference shall not participate in the conference and shall be present only as an observer. Following this conference, a teacher who disagrees with the facts shall have two (2) working days (or longer by mutual agreement) to respond to the facts and such response shall be in writing.

Section D. When the findings of the fact-gathering conference warrant, the teacher shall be entitled to a staff conference conducted by the Division of Employment and Placement. Prior notice of this conference will be given, allowing at least three (3) working days following the fact-gathering conference before the date of the staff conference, or a different period of time if by mutual agreement. At said conference, the teacher may be accompanied by an Association staff representative. In cases warranting immediate separation from the school system, the Board shall have the discretion to impose a suspension pending an investigation prior to the staff conference in accordance with Tennessee Code Annotated 49-5-511.

Section E. A teacher shall be notified, in writing, of any suspension or discharge. Such notice shall set forth the reason(s) for the action.

Section F. Grievances involving the suspension or discharge of a teacher shall begin at Step 3 of the grievance procedure.

Section G. A regular teacher who is being discharged or not being re-elected shall have the option of allowing the grievance concerning this action to be submitted by the Association to arbitration, in which case the teacher shall waive his/her right to a hearing before the Board in accordance with Tennessee
Code Annotated 49-5-512. A regular teacher who is being discharged or not being re-elected shall have the option to a hearing before the Board in accordance with Tennessee Code Annotated 49-5-512, in which case the teacher shall have waived his/her option and likewise the Association shall have waived its option to submit the grievance concerning this action to arbitration.

Section H. The failure to re-employ any probationary teacher may be processed only in accordance with the grievance procedure through Step 3 but not including arbitration. Such teachers shall be notified in writing of non-renewal after having been apprised of the reason(s) for nonrenewal.

ARTICLE XIII

1. In this Agreement, "regular teacher" is defined as one in the bargaining unit who is on "permanent tenure" or "limited tenure" with the Board.

2. In this Agreement, "probationary teacher" is defined as a teacher in the bargaining unit who is not on either "permanent tenure" or "limited tenure" with the Board. After attaining "permanent tenure" or "limited tenure", such teacher shall be a "regular teacher".

3. "Seniority" shall be defined as the length of a teacher's continuous service in the bargaining unit from the most recent date of permanent employment.

When the Memphis Board of Education assumes control of annexed schools, all teachers of the Shelby County School System who become teachers employed by the Memphis Board of Education as a result of such annexation shall be granted seniority from the most recent date of continuous permanent employment by the Shelby County Board of Education. The most recent date of continuous permanent employment by the Shelby County Board of Education shall be determined by information furnished by the Shelby County Board of Education at the time of annexation.

Section B. CURRENT EMPLOYEES

The seniority order (systemwide) for presently employed teachers who remain continuously employed shall be the seniority list as published by the Board on September 25, 1985. Said list shall be updated annually. Teachers with identical dates of hire shall have their order on the seniority list
established by random computer placement on the next seniority list published following their employment. That order shall be established and shall remain permanent as long as they are continuously employed.

Section C. SENIORITY LIST

A seniority list (systemwide) shall be prepared and provided to the Association and posted on all teacher bulletin boards on or about September 30 of each school year. The validity of the seniority list shall become final and no longer subject to grievance upon the forty-fifth (45th) day of posting.

Section D. LOSS OF SENIORITY

Seniority shall end upon resignation, failure to be re-elected, retirement, failure to return to work at the expiration of a leave of absence, failure to be recalled from layoff within eighteen (18) months from the date of layoff, or termination of employment for any other reason.

ARTICLE XIV
TRANSFER AND ASSIGNMENT

Section A. DEFINITION

1. A "transfer" is defined as a change from one location to another.

2. An "assignment" is defined as primary grade levels (K-3), intermediate grade levels (4-6), or subject(s) to be taught by a teacher, and duties assigned in a particular academic year at a school or other location and "reassignment" is defined as a change in assignment.

Section B. VOLUNTARY TRANSFERS

1. Except as otherwise stated in this article, in voluntary transfers, systemwide seniority shall be the controlling factor provided that certification, race, and coaching assignments are met, unless the Board asserts experience, curriculum needs and/or accreditation requirements as determining factors; however, if these factors are substantially equal, systemwide seniority shall control.

2. Any regular teacher may make a request for transfer in writing to the Director of Employment and Placement on a form provided by that Division. A request for transfer must be filed by June 1 for the following school year, and all requests for transfer will expire the following May 31. Refiling of expired requests will be necessary if further consideration is desired. Such request for transfer represents consent within these stipulations without further consultation with the teacher, provided that the teacher may withdraw such request in writing prior to the Board's granting the transfer request. In the request for transfer, the teacher may list up to five (5) locations and the assignment to which he/she wishes to be transferred. All requests made under this section shall be kept on file in the office of the Division of Employment and Placement. Voluntary transfers will
be made (1) between the end of the school year and the opening of school and (2) between the end of the first semester and the beginning of the second semester and at such times will have priority in filling vacancies within the bargaining unit except as covered in Section E, Administrative Transfers, and Section F, 3, and Section F, 4.

3. A teacher who receives a voluntary transfer shall not be eligible for another voluntary transfer for a period of three (3) years.

4. In the case of a vacancy in an 11 months' or 12 months' position or a newly created job classification within the bargaining unit, a notice of such opening shall be posted on employee bulletin boards for five (5) consecutive workdays during the regular school year and at the Employment and Placement office and Area offices during June, July, and August, during which time teachers within the bargaining unit may apply in writing to fill the position. The Board shall fill the opening in accordance with Section B, 1.

Section C. INVOLUNTARY TRANSFER AND SURPLUSING

1. The principal/administrator may exercise his/her authority to make reassignments of teachers to other subjects or grades before declaring positions vacant. While recognizing the primacy of the education of the students and the principal's ultimate authority to make reassignments, such reassignments shall not be for arbitrary and capricious reasons. Teachers shall be advised in writing of any change in teaching assignments as soon as feasible.

2. To accomplish staff reductions for positions that have been declared surplus in a school or location, the principal/administrator shall notify teachers that volunteers will be considered and when feasible in the interest of the school system said volunteers shall be surplused. Such volunteers shall submit their requests in writing.

3. Teacher surplusing shall be by assignment in accordance with Section B, 1. Teachers shall be advised of surplusing in writing one day in advance, if feasible and practicable. The determination of surplus teachers shall not be for arbitrary reasons.

4. a. Any teacher(s) affected by a staff reduction (including teachers from a school or location being closed) requiring movement to another location in the current or the ensuing school year shall be transferred if a vacancy exists for which the teacher meets the criteria under Section B, 1.

b. If vacancies are available, the Board shall make up to three (3) offers to the teacher who is eligible for such vacancy under Section B, 1, if requested by the teacher. If the teacher fails to accept one (1) of the bona fide offers made by the Board, the Board thereafter shall have the right to place such teacher in an appropriate vacancy. Consideration will be given to location preference when available.
Section D. BUMPING, LAYOFF AND RECALL

1. In layoffs and in recalls, systemwide seniority, certification, and coaching assignments (major sports) will be considered. If the requirements of certification and coaching are fulfilled, systemwide seniority shall prevail.

2. a. In the event no vacancy exists for which the teacher affected by staff reduction meets the criteria, the teacher may exercise systemwide seniority to bump the teacher with the least amount of systemwide seniority in the school system in any assignment for which the teacher meets the criteria.

   b. Teachers bumped under 2, a. of this Section D, may exercise seniority to bump the teacher with the least amount of seniority in any assignment for which the teacher meets the criteria, and this process will continue until it is no longer possible to bump a teacher with a less amount of seniority at which time the teacher will be placed on layoff.

3. As vacancies arise, a laid-off teacher will be recalled to the first available vacancy for which the teacher meets the criteria with the most senior teacher being recalled for such vacancy first. A teacher being recalled will be notified by certified or registered mail or telegram sent to the teacher's current address on file with the Division of Employment and Placement. It shall be the teacher's responsibility to furnish the Division of Employment and Placement his/her current address. If a laid-off teacher refuses to accept the first available position offered, the teacher shall be placed at the bottom of the list existing at the time of refusal. Failure to accept the next two positions offered shall result in termination.

Section E. ADMINISTRATIVE TRANSFERS

The Superintendent shall have the right at his discretion to make administrative transfers and assignments in accordance with Tennessee law, and said transfers and assignments shall take precedence over all other transfers and assignments.

Section F. GENERAL

1. Due recognition shall be accorded to the number, the interrelated nature and complexity of personnel actions required; to the complex nature of teachers' professional qualifications; and to the Board's ultimate responsibility for operating the school system in the public interest.

2. The Board shall determine vacancies and surpluses.

3. Vacancies related to the establishment of new locations will be filled at the discretion of the Board; however, the Board shall endeavor to assign its own employees to such positions and to do so in accordance with this Article.
4. Temporary, summer school, evening school, and special projects will be filled at the discretion of the Board; however, the Board shall endeavor to assign its own employees to such positions.

5. The yearly term of employment of a teacher, whether two hundred (200) days, 11 or 12 months, is a condition of employment, and the yearly ending and beginning of such employment shall not be regarded as layoffs or recalls. It is further understood that yearly term of employment refers only to the number of days or months within the calendar year that a teacher is scheduled to work.

6. The filling of positions outside the bargaining unit and the hiring of teachers shall be within the sole discretion of the Superintendent and shall not be subject to the grievance and arbitration procedure.

7. Until a vacancy has been filled under the procedure set forth in this article, the Board may make temporary assignments without regard to the criteria in Section B, 1.

ARTICLE XV

4. The teacher on leave under this section shall return to his/her previously assigned full-time position. If the previously assigned position does not exist, the teacher shall be assigned to a comparable position. All rights and privileges of this article are
contingent upon the employee's return to the system upon expiration of the leave.

Section B. SICK LEAVE

The Local Sick Leave Plan and the State Sick Leave Plan are programs which provide different leave benefits for specific purposes as described below. Teachers shall be covered by either the State Sick Leave Plan or the Local Sick Leave Plan in accordance with the eligibility requirements contained in the applicable plan.

Teachers covered under the Local Sick Leave Plan at the time of execution of this Agreement shall have the option of selecting sick leave provisions as provided for in the State Sick Leave Plan in Subsection 2 of this section. It is understood and agreed that all such teachers shall make known their choice, to either select the State Sick Leave Plan or remain under the Local Sick Leave Plan, to the Payroll Section, Division of Finance, within thirty (30) calendar days after execution of this Agreement. Normally, the certificate verifying illness or injury will be required where there may be a reason to believe that sick leave is excessive or being abused.
(2) Teachers shall be paid for such absences for days normally worked by the teacher at the teacher's regular rate of pay less sick leave deduction for a specified period of time not to exceed one (1) calendar year. This pay will begin the first day or hour, as appropriate, of absence with deduction at the rate (rounded to the nearest dollar) of one and forty-two one-hundredths (1.42) percent per day of the base salary at Step 0 of the Bachelor's Degree Teacher's Schedule.

In the event of unanticipated early confinement or related illnesses the thirty (30) day notice may be waived upon a written statement of a licensed physician indicating the inability of the teacher to give such notice. A teacher who becomes physically disabled during pregnancy shall be granted sick leave in accordance with the provisions of Section B, 1, a, (1) and (2) of this article for the period of time certified by a physician that she is physically disabled from performing her normal duties. Should the Board require such examination from a physician of its choosing, the examination will be paid for by the Board.

3. Where the fact of an on-the-job injury has been established, medical expenses shall include the reasonable and necessary repair or replacement of required prescription eyeglasses directly resulting from the injury, not to exceed one hundred fifty dollars ($150.00). Total payments by the Board for said medical expenses incurred following date of injury and not reimbursable through any personal or group insurance coverage the teacher may have shall not exceed five thousand dollars ($5,000) during such period of time as is deemed necessary, but in no event shall the period of time exceed that stipulated under the provisions of the Workmen's Compensation Law of the State of Tennessee and amendments thereto. In computing hospital room costs, the allowance shall not exceed the semi-private rate unless the physician orders a private room. In case of said injury, the Board reserves the right to have the teacher examined by a physician designated by the Board at such time or times as it may determine in its discretion to assist in ascertaining the nature and extent of disability attributed to the injury. After the first six (6) months of disability, the teacher shall be entitled to the appropriate regular sick leave pay for scheduled work days. No compensation shall be paid for disability in excess of one (1) year.

2. "Disability" as used herein shall mean the total inability of the teacher to carry out his or her duties. The Board may require that a certificate of a licensed physician, including a physician practicing a particular specialty as designated by the Board, be furnished by the teacher in all cases deemed proper by the Board. The Board may also require such certificate from a licensed physician of its own choosing. Should the Board require such examination from a physician of its own choosing, the examination will be paid for by the Board.
3. The Board will pay for necessary and reasonable medical expenses for personal injury in the amount of such expense incurred during the calendar year immediately following the date of injury and not reimbursable through any personal or group insurance coverage the employee may have; provided that the total payments by the Board for such medical expenses shall not exceed five thousand dollars ($5,000). In computing hospital room costs, the allowance shall not exceed the semi-private rate unless the physician orders a private room. In case of such injury, the Board reserves the right to have the teacher examined by a physician designated by the Board in its discretion to assist in ascertaining the nature and extent of disability attributed to the injury. Should the Board require such examination from a physician of its own choosing, the examination will be paid for by the Board.

4. In order to qualify for benefits under this section, a teacher must give notice on the day of the occurrence to the teacher's immediate supervisor unless the teacher is prevented by disability incurred from the result of the occurrence from giving such notice; in which event notice should be given as soon as possible.

Section C. MALICIOUS PROPERTY DAMAGE

The Board will reimburse a teacher for cost of repairs or replacement of personal property damaged or destroyed in line of duty as a result of malicious acts and without the fault of the teacher, provided, in the case of a vehicle, such vehicle is being used on authorized school system business or is parked or driven on or adjacent to school system premises or at the site of authorized school system activities and provided the following stipulations are applicable:

1. No reimbursement will be made for loss through theft of personal property or a vehicle or for damage resulting from collision of a vehicle, except that consideration will be given to claims resulting from theft of such parts of a vehicle as are essential to the functioning of said vehicle.

2. Maximum payment for any one loss will not exceed two hundred dollars ($200), except in the case of a vehicle, where maximum payment will not exceed five hundred dollars ($500).

3. The Board will assume only costs in excess of those covered by any personal or group insurance such teacher may have.

4. Depreciation will be prorated on all claims.

5. In order to qualify for reimbursement under this section, notice must be given to the teacher's immediate supervisor on the day of the occurrence. The teacher shall make a good faith effort to give such notice on the day of the occurrence; however, if it is impossible to give such notice on the day of the occurrence, notice shall be given as soon as possible. The teacher must present a written statement to the Board within ten (10) calendar days of the occurrence stating the circumstances of loss and the repair or replacement cost.
Section D. The decision of the Board in regards to Sections A, B, and C of this article shall not be subject to arbitration.

Section E. The use of personal automobiles by teachers to transport children on approved activities shall not be required by the Board. However, if a teacher's personal automobile is voluntarily used for approved events and the use has been authorized by the appropriate principal/administrator, the teacher shall be protected by a blanket liability insurance maintained by the Board in the amount of three hundred thousand dollars ($300,000.00), if the teacher has his/her own liability insurance. Such Board insurance shall take effect following the initial liability of the teacher's personal insurance coverage.

When the teacher is driving a Board-owned vehicle, the teacher shall be covered by Board liability insurance.

ARTICLE XX

RETIREMENT

All teachers hired during the life of this Agreement shall be enrolled in the Tennessee Consolidated Retirement System, except for those teachers who are rehired by the Board and who have retained membership in the Memphis Local Retirement System. All teachers enrolled in either the Memphis Local Retirement System or the Tennessee Consolidated Retirement System shall be subject to the terms and conditions as specified by the applicable system. Controversies under either retirement system which arise from matters that are the responsibility of the Tennessee Consolidated Retirement System or the Memphis Local Retirement System shall be resolved according to the terms and conditions as specified by the applicable system. Responsibilities of the Board are to be limited to notification, enrollment procedures, and transmittal of retirement contributions.

ARTICLE XXIII

EFFECT OF AGREEMENT

The Parties acknowledge that during negotiations which resulted in this Agreement each had the ultimate right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the Parties after the exercise of that right and opportunity are set forth in this Agreement. The Parties, therefore, agree that negotiations will not be reopened on any item contained in this Agreement during the life of this Agreement except as specifically provided in Article XVIII, General, Section A.

1. New or former teachers entering the system will be placed on the beginning step of the appropriate salary schedule. Section D. RE-EVALUATION

The service of any employee (prior plus Memphis City School service earned after July 1) will be re-evaluated in July following employment if it would be monetarily beneficial to the employee.

Section E. CHANGE IN POSITION ON SALARY SCHEDULE

1. In the event of a change in training status during the school year, the applicable numerical service step on the Memphis salary schedule will be applicable upon filing in the Employment and Placement Division an amended teaching certificate that verifies the acceptance of the additional training by the State Department of Education. The effective date of the change will be either the date that the degree was conferred or the date that all requirements were met for receiving the degree if they were met prior to one month or more before the date of graduation. These salary adjustments are not retroactive beyond the current fiscal school year.
Section F. Effective September 15, 1985, teachers shall be paid an annual salary prorated on a twice-a-month basis under one of the two plans outlined below. Section H. The salary of teachers covered by this Agreement as set forth in Appendix C indicates salary for ten (10) month teachers and is the monthly salary for a ten (10) month period. Eleven (11) and twelve (12) month teachers shall have their salaries prorated proportionately.
