INDIVIDUAL GRIEVANCE PROCEDURE

2-1. To promote, to the highest possible degree, harmonious employer-employee relations, it is essential that procedures to resolve grievances be established.

2-2. A grievance may be considered to exist when an employee believes that an administrative procedure or policy adversely affects his-her working conditions or his-her welfare or violates the terms of this Agreement or any subsequent agreement entered into pursuant to this Agreement.

2-3. In the wording of this statement of procedures, the term "employee" shall be taken to include all members of the bargaining unit.

2-3.1 Any aggrieved person may be represented at any stage of the grievance procedure by a representative selected or approved by the Association.

2-4 Any employee shall have the right to present his-her grievance through the steps described in the following paragraphs with assured freedom from restraint, interference, coercion, discrimination, or reprisal.

2-4.1. STEP I—Any employee who has a grievance shall first orally advise his-her principal (or immediate superior or department head, if applicable) of its existence. The principal shall meet with the employee within three (3) school days in an attempt to resolve the grievance at this level. Within three (3) school days after the discussion, the principal (or immediate superior or department head, if applicable) shall orally make known his decision to the employee.
2-4.2. **STEP IIA**—Should discussion at the level of STEP I not result in a satisfactory resolution, the employee may present his-her grievance within five (5) calendar days to the Grievance Evaluation Team of the JCEA. The JCEA Grievance Evaluation Team will render a decision within seven (7) calendar days of receipt of the grievance. If the decision is that the grievance has no merit, the person involved will be so notified, in writing, by the Chairman of the JCEA Grievance Evaluation Team.

2-4.3. **STEP IIB**—If the decision of the JCEA Grievance Evaluation Team is that the grievance does have merit, it shall, within the 12-calendar-day period referred to in Step IIA above, present a written statement of its position on the matter to the principal (or immediate superior or department head, if applicable) and to the aggrieved. The employee in further discussion of his grievance, may at this step, be accompanied and assisted by not more than two (2) representatives of the Association, designated by the JCEA Grievance Evaluation Team. The principal (or immediate superior or department head, if applicable) shall hold a meeting upon request of the JCEA Grievance Evaluation Team and render a written decision within five (5) school days of receipt of the written statement from the JCEA Grievance Evaluation Team. The principal’s (or immediate superior’s or department head’s, if applicable) decision shall be prepared in triplicate: one copy to the employee, one copy to the JCEA Grievance Evaluation Team, and one copy to the Superintendent of Schools.

2-4.4. **STEP III**—If the grievance is not resolved to the satisfaction of the employee at the level of STEP II, the employee may appeal, within ten (10) calendar days, to the Superintendent of Schools in a written statement, setting forth details and grounds on which the grievance is based and attaching all pertinent documents. The Superintendent or an Assistant Superintendent shall confer with the parties concerned, together or separately, within four (4) calendar days. He shall then, within six (6) school days, render his decision. A written statement of his decision and all supporting reasons shall be sent to the aggrieved, to the principal (or his immediate superior or department head, if applicable) and the JCEA Grievance Evaluation Team.
2-4.5. **STEP IV**—If the grievance is not resolved at Step III to the satisfaction of the employee, he/she may request a review by the Board of Education within seven (7) school days after the employee receives the written decision. This request shall be made in writing through the Superintendent of Schools, who shall attach all related documents and forward the request to the Board of Education. The Board shall review the case; shall hold a hearing with the employee, if requested by the employee; and shall render a decision in writing ten (10) calendar days of the receipt of the grievance. Copies of the decision of the Board of Education shall be sent to the aggrieved, to the Superintendent of Schools, and to the JCEA Grievance Evaluation Team.

2-5. An aggrieved employee shall institute action under the provisions hereof within fifteen (15) school days following the occurrence complained of. However, any aggrieved employee whose grievance deals with those items which are contained in the Annual statement, shall have fifteen (15) months following receipt of said statement to file his-her grievance.

2-5.1 The annual statement referred to in 2.5 above shall include the following information:

2-5.2. Annual salary, step on guide, prior service pay, longevity pay, column on guide, extra compensation and number of sick leave days in accumulated sick leave bank as of September 1 next following the annual statement, and Hospital Plan in which the employee is enrolled.

2-6.3. In the event no decision is forthcoming within prescribed time limits at any step, the aggrieved may, upon notice, proceed to the next step.
2-6.4. Any of the time limits specified may be extended by mutual agreement.

2-6.5. In the event a grievance is brought up for consideration at the end of a school year, and if the principal (or immediate superior or department head, if applicable) is not available after the closing of school for procedures outlined in Step II, the employee may proceed directly to Step III, if the JCEA Grievance Evaluation Team contends that there is merit to the matter.

2-6.6. If the grievant is not satisfied with the disposition of the grievance at Step IV, the grievant shall have the right to request arbitration pursuant to the rules and regulations established by the American Arbitration Association. A request for arbitration shall be made not later than fifteen (15) school days after the disposition of the grievance at Step IV.

The arbitrator shall proceed with a hearing and submit a written decision in the shortest possible time setting forth his findings of fact, reasoning and conclusions on the issue(s) submitted. The decision of the arbitrator shall be submitted to the Board and the Association and shall be final and binding on both parties. The arbitrator shall be without power to alter, amend or modify the terms of this Agreement. In addition, the arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of this Agreement. The cost of arbitration shall be paid by the unsuccessful party.

2-7. The function of these procedures is to assure equitable and proper treatment under existing rules, policies, procedures and contractual agreements which relate to or affect the employee. They are not to be used for changing existing rules, policies, procedures, and contractual agreements or for establishing new ones.

2-8. If, in the judgment of the JCEA Grievance Evaluation Team, a grievance affects a group or class of teachers, the GET may submit such grievance, in writing, to the Superintendent directly, and the processing of such grievance shall be com-
menced at Step III. The GET may process such a grievance through all levels of the grievance procedure, even though the aggrieved person does not wish to do so.

2-9. All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representatives.

TRANSFERS

This article is subject to the New Jersey Supreme Court decision, August 2, 1978 (Ridgefield Park Education Association vs. the Board of Education of Ridgefield Park.)

17-1. The Board and the Association believe that frequent transfers of teachers from one school to another are inimical to the educational process and interfere with optimum teacher performance. Only true vacancies caused by establishment of new positions, resignation, retirement, termination or death shall be filled by transfers. Therefore, they agree as follows:

17-2. In all cases of transfer, the following shall apply:

17-2.1. In cases of Voluntary transfer, seniority begins when the teacher assumes the new position.

17-2.2. In cases of Involuntary transfer, the teacher shall retain all accrued seniority.

17-2.3. For the purposes of this Article, promotional and extra compensation positions applied for shall be deemed voluntary transfers.

17-3. Voluntary Transfers

A teacher seeking transfer to another school shall submit a written request to the Superintendent of Schools no later than March 1st of the current year. The teacher shall state the reasons for the request, the school, grade and/or subject to which the teacher seeks transfer. Three (3) choices, in order of preference, if there be preference, shall also be stated. If none of the choices is available then the written request shall be deemed withdrawn,

17-3.1. In cases of voluntary transfer the following criteria shall be applied.

A. Availability of vacancies.
B. Seniority in the Jersey City Public Schools as a regular teacher.
C. Seniority as a regular teacher in the school from which the transfer is requested.
17-3.2. Transfers from any school shall not exceed 5% of the teaching staff in that school so that maximum stability may be maintained in every school.

17-3.3. Convenience and wishes of the teacher requesting transfer will be honored when they do not conflict with the instructional requirements and the best interest of the school system.

17-3.4. When a request for transfer is not granted, the teacher shall be notified in writing by the office of the Superintendent of Schools.

17-3.5. A list of all transfers shall be made available to the Association immediately upon request.

17-4. Involuntary Transfers

17-4.1. The teacher involved shall be notified at a meeting with the principal or immediate superior of the intention to request the transfer and of the reasons therefore.

17-4.2. This meeting shall be held, under normal circumstances, three (3) days before the end of the school year.

17-4.3. The reason or reasons for the request shall also be set forth in writing and presented to the Superintendent of Schools and to the teacher.

17-4.4. In cases of involuntary transfer, the following criteria shall apply:

A. For good cause
B. Seniority in the Jersey City Public Schools as a regular teacher.
C. Seniority as a regular teacher in the school from which the transfer is requested.

17-5. The teacher involved in an involuntary transfer may, if aggrieved, use the Grievance Procedure commencing at Step III.

17-6. Transfers made during the summer vacation by the Superintendent of Schools shall be governed by the methods and criteria applicable to involuntary transfer.
ARTICLE 18

18-2. It is the responsibility of administrators to support the teacher in this role.

18-3. Teachers have the right to recommend the suspension of pupils from their classes.

18-4. This procedure shall not contravene any statutory provision affecting the right of the principal to suspend.

18-5. When, in the judgment of a teacher, a student is by his behavior seriously disrupting the instructional program to the detriment of other students, the teacher may send the student to the principal. In such cases, the principal shall arrange as soon as possible—and under normal circumstances not later than the conclusion of the following school day—a conference among himself, the teacher, the parent, and possibly an appropriate specialist, to discuss the problem and to decide upon appropriate steps for the child’s return.

ARTICLE 19

ARTICLE 20

TEACHING CONDITIONS

(Preparation-on-call periods)

20-1. PREPARATION PERIOD—Each teacher is to have an uninterrupted preparation period each day, when possible. The practice of using a regular teacher as a substitute, thereby depriving him of his preparation period, is undesirable and shall be done only in an emergency where regular substitutes are not available. Regular teachers shall first be assigned on a voluntary basis during their non-teaching time, prior to assignment on a rotating basis.

20-2. HIGH SCHOOL—Secondary teachers shall not be assigned to more than two (2) subject matter teaching preparations per day without full and sufficient cause.

20-2.1. The normal academic load of a teacher in the high schools shall consist of five (5) teaching periods, a home room, and a special assignment. In Physical Education, Industrial Arts, and other double-period subject areas, variation from the normal must occur.
20-2.2. Teaching periods will be spread out over the eight-period day so that, with the exception of teachers of double-period subjects, a teacher will normally teach no more than two periods consecutively. In all instances, efficient utilization of the school facilities and personnel must be accorded the highest priority to insure proper scheduling.

20-3. ELEMENTARY SCHOOLS—The Board and Association agree to strive for a goal of three (3) on-call periods per week in the elementary schools. This program shall be implemented by relieving teachers of classroom responsibilities when such specialists as teachers of art, music, industrial arts, home economics and physical education take over classes. Principals shall be encouraged to work toward this goal when scheduling specialists to assure uniform preparation time among each building faculty. The Board and Association agree that in cases of emergencies affecting the normal operation of the school, teachers may be called upon to cover classes. In such emergencies, available teachers will be selected from a rotating list to insure equitable distribution of such assignments.

20-4. In the event a classroom teacher is required to cover for an absent teacher, he-she shall be compensated per the following formula:

20-4.1. One day shall be added to the sick leave bank for every five (5) periods, (study, assigned duty or recitation) taken in the high schools.

Assumption of a Home Room assignment in the high schools shall be considered equal to one-half of a study, assigned-duty, or recitation period.

20-4.2. In the elementary schools, a teacher shall be given one additional sick leave bank day for every (5) on-call periods given to covering service.

20-4.3. A teacher shall be given an additional sick leave bank day for every five (5) days on which he-she takes extra pupils into his-her room.

20-4.4. All teachers who are not under tenure shall be required to submit lesson-plan books.

20-4.5. All teachers shall be required to have available emergency lesson plans to provide direction to substitute teachers.
20-4.6. All teachers shall plan their work and have such plans ready for presentation to authorized personnel at the time of supervisory visitations.

20-5. **NON-TEACHING DUTIES:** A joint committee of the Association and the Central Administration shall continue to study the feasibility of implementing an aide program to relieve teachers from non-teaching chores such as:

- keeping attendance register
- hall and playground duty
- lunchroom supervision

Recommendations of this committee shall be forwarded to the Association and the Board from time to time.

20-6. The in-school work day for all teachers shall consist of not more than five (5) hours and forty-five (45) minutes which shall exclude a duty-free lunch period as guaranteed to teachers as follows:

20-7. **LUNCH PERIOD—HIGH SCHOOL:** All teachers in the high schools shall have a duty-free lunch period of at least forty-five (45) minutes, except in instances where temporary scheduling (e.g. assembly days) may lessen the time for both pupils and teachers.

20-7.1. **LUNCH PERIOD, ELEMENTARY SCHOOL**—All teachers in the elementary schools shall have a duty-free lunch period of at least sixty (60) minutes, except for court duty which shall not exceed ten (10) minutes at the end of the lunch hour and shall be scheduled on a rotating basis.

20-7.2 Teachers of all Special Education classes shall have a duty-free lunch period of one-half hour. Lunchroom aides will be employed to effectuate the above.

**ARTICLE 21**

**CLASS SIZE**

21-1. The Board will continue to move toward attainment of the desired goal, class-size reduction, through its program of increased physical facilities.
21-2. The desirable median class size in elementary and secondary schools shall be 30 pupils, exclusive of health and physical education classes. Insofar as special education and kindergarten are concerned, State guidelines shall be followed, and these classes will not be used in computations to arrive at the median class size stated above.

ARTICLE 22

PROTECTION OF TEACHERS, STUDENTS, AND PROPERTY

22-1. The Board will provide such legal services as may be necessary to any teacher on whom any assault and/or assault and battery is made during the course of his-her employment.

22-2. When absence arises out of or from assault or injury while acting in discharge of duties, the teacher shall be entitled to full salary and other benefits for the period of such absence but shall not forfeit any sick leave or personal leave.

22-3. Teachers shall immediately report cases of assault, physical or verbal, suffered by them in connection with their employment to their principal or other immediate superior.

22-3.1. Such notifications shall be immediately forwarded to the Superintendent, who shall comply with any reasonable request from the teacher for information in the possession of the Superintendent relating to the incident or the persons involved, and shall act in appropriate ways as liaison between the teacher, the police, and the courts.

22-4. If criminal or civil proceedings are brought against a teacher alleging that he-she committed an assault in connection with his-her employment, the Board of Education shall furnish legal counsel to defend him-her in such proceedings.

22-5. Whenever any civil or administrative action has been or shall be brought (except an action, civil or administrative, instituted by the Board) against the teacher for any act or omission arising out of and in the course of the performance of his or her duties,
the Board shall defend such action and shall save harmless and protect such person from any financial loss resulting therefrom.

22-6. Should any criminal action be instituted against any such teacher for any such act or omission and should such proceeding be dismissed or result in a final disposition in favor of such teacher, the Board of Education shall reimburse such teacher for the cost of defending such proceeding, including reasonable counsel fees and expenses of the original hearing or trial and all appeals.

22-7. As specified in NJS 18A:6-1, a teacher may, within the scope of his employment, use and apply such amount of force as is reasonable and necessary: to quell a disturbance threatening physical injury upon the person or within the control of the pupil, for the purpose of self-defense; and for the protection of persons or property.

22-8. The Board shall reimburse teachers for the reasonable cost of any clothing or other personal property damaged or destroyed as a result of an assault suffered by a teacher while the teacher was acting in the discharge of his-her duties within the scope of his-her employment.

22-9. The Board of Education and the Association mutually agree that teachers shall not be required to work under unsafe or hazardous conditions. Any such conditions must be reported at once for correction to the principal or other responsible authority.

22-10. The Board and the Association shall develop mutually acceptable programs to guarantee the safety of students, teachers, and property immediately upon recognition of such a need.

28-1. In our representative democracy, in which ultimate power is retained by the people and exercised through delegation of authority, the Board and the Association advocate the realization of the full potential of each individual by recognition of and respect for his-her dignity.
