ARTICLES OF AGREEMENT BETWEEN THE
BOARD OF EDUCATION AND THE TEACHERS
Represented by the
BOULDER VALLEY EDUCATION ASSOCIATION
of the
BOULDER VALLEY SCHOOL DISTRICT RE-2J

SECTION A: GENERAL PROVISIONS

A-1.1 ADHERENCE TO AGREEMENT: Both parties agree that during the term of this Agreement, adherence to the provisions contained herein will be an obligation and duty of each. There will be no strikes or other individual or concerted action designed to deprive the youth in the schools of the services of Unit B employees. Any employee who engages in such actions during the term of this Agreement shall be subject to severe disciplinary action. Such disciplinary action shall be subject to the Grievance Procedure contained in this Agreement, except where applicable the Colorado Tenure Act will apply. The Board of Education further agrees that it will not, during the term of this Agreement, officially adopt or implement any condition of employment contrary to the provisions of this Agreement.

A-2.1 SCHOOL BOARD RESPONSIBILITIES: Except as expressly provided in this Agreement, the determination and administration of school policy, the determination of school curriculum, the operation and management of the schools, and the direction of employee are vested exclusively in the Board of Education.

A-3.1 EFFECT OF AGREEMENT: The parties mutually agree that the terms and conditions set forth in this Agreement represent the full and complete understanding and commitment as of January 1, 1980 between the parties hereto which may be altered, changed, added to, deleted from, or modified only through the voluntary, mutual consent of the parties in an amendment hereto.

A-3.2 Should any part of this Agreement be declared illegal by a court of competent jurisdiction it shall be automatically deleted from this Agreement to the extent that it violates the law, but the remaining portion shall remain in full force and effect for the duration of the Agreement to the extent it is not affected by the deleted portion.

A-4.1 SAVINGS CLAUSE: In the adoption of this Agreement, the parties agree that nothing contained herein is intended to be construed to delegate or limit the powers, duties, discretions, and responsibilities of the Board of Education as prescribed by the Constitution and Laws of the State of Colorado. If any provision of this Agreement, or any application of the Agreement shall be found contrary to law, such provision or application shall have effect only to the extent permitted by law.

Nothing contained herein shall be construed to deny or restrict any rights an employee may have under the Laws and Constitution of the State of Colorado and the United States.
A-5.1 DEFINITIONS
"Teacher" shall mean for the purpose of this Agreement an employee who is a member of Unit B. Unit B shall consist of certificated teachers, librarians, counselors, reading specialists, psychologists, speech and language specialists, and social workers who are employed in such capacity on at least a half-time contract.

A-5.2 "Part-time Teacher" shall mean a teacher (as defined above) who normally performs services as an employee of this District in an amount of time less than 4 hours during each regular school day, and under the provisions of the Teacher Employment Dismissal and Tenure Act of 1967 is not eligible to acquire tenure.

A-5.3 "The Agreement" shall mean this document which is binding upon and inuring to the benefit of Unit B employees and the Boulder Valley School District for the period of January 1, 1980, through December 31, 1981, subject to contract opening under Section K-1.1 Future Conference and Terms.

A-5.4 For purposes of this Agreement, those teachers assigned to the middle schools are considered Secondary School Teachers.

A-6.1 RECOGNITION: Members of Unit B have the right to elect an organization to represent them in negotiations with the Board of Education on matters pertaining to salaries, hours, terms and conditions of employment, processing of alleged grievances, and on matters which both parties agree are proper subjects for negotiations.

A-6.2 The Board of Education hereby reaffirms recognition of the Boulder Valley Education Association as the exclusive representative of the members of Unit B for the effective dates of this Agreement and for such additional periods of time as its recognition may be extended under the policies and procedures of the Board of Education. All rights and privileges granted the Association under the terms and provisions of this Agreement are for the exclusive use of the Association.

A-7.1 ELECTION PROCEDURES: The election procedures of the Board of Education for the purpose of determining the appropriate representative of Unit B and other units is listed for informational purposes as Exhibit A.
SECTION B: NEGOTIATIONS PROCEDURE

B-1.1 SCOPE: The Board of Education representatives will meet with Unit B representatives to negotiate and reach agreements on matters pertaining to salaries, hours, terms and conditions of employment, procedures for the processing of alleged grievances, and on other matters which both parties agree are proper subjects for negotiations.

*B-2.1 REPRESENTATION AND LOGISTICS OF NEGOTIATIONS: At the time of request for negotiations the initiating party shall identify not more than five (5) persons who shall negotiate pursuant to the provisions of this Agreement. When responding to such request the recipient shall also identify not more than five (5) representatives. Either party may, if it so desires, use the services of outside consultants and may call upon proper representatives to participate in negotiations. When such meetings are held during school time, a maximum of three (3) Association negotiators shall receive pay from the District for such time lost. Other Association negotiators' time will be charged against BVEA days.

B-2.2 Both parties shall negotiate in good faith and in timely fashion.

B-3.1 INITIATION: A written request for negotiations shall be submitted by the party(ies) desiring negotiations no later than the 1st day of August.

B-3.2 Within ten (10) working days following the receipt of request for negotiations, the recipients shall make written acknowledgement of the request.

B-4.1 PROCEDURES: Packages containing proposals for changes shall be exchanged no later than September 1st. On contract reopening for 1981 each party shall be limited to contract items in Section E only. On contract reopening for 1982 each party shall be limited to five contract items (Section E and four items to be identifiable by section letter and first number).

B-5.1 OPEN NEGOTIATIONS: Formal negotiations meetings between the parties shall be conducted in open, public sessions. The first session shall be held no later than October 1st. During any session, either party may caucus in a closed meeting separately but not together. Public notice of all sessions shall be given at least 48 hours in advance, except in emergency situations. In emergency situations, as mutually agreed upon, the earliest possible notice will be given to the public. Mediation and fact finding shall be conducted in closed sessions.

B-5.2 During negotiations the proposal for change of either party may be modified or added to. Those sections of the Agreement which had no proposal for change by either party may also be deleted or modified.

*Identifies new or revised language.
During negotiations unilateral communications from the Board or administrators to Unit B members or from Unit B members to the Board or administration shall be limited to matters concerning normal conduct of district affairs. This does not preclude bilateral communication between Board members, district administrators and Association leadership on matters under negotiation.

The above stated procedures do not prohibit additional negotiations when the two parties mutually agree.

Tentative agreements reached during negotiations, including mediation or fact-finding, shall be reduced to writing, dated and initialed by both parties. Agreement on any matter in negotiations is reached only when the parties have tentative agreement on all matters in negotiations, subject to ratification by both parties.

Association requests for records, lists, or other data should be addressed to the Executive Director of Personnel and Employee Relations with a copy to the Superintendent. Association requests will be limited to the President of BVEA, the UNIServ Director, and the Chairman of the BVEA Negotiating Committee. The Executive Director of Personnel and Employee Relations shall respond to the request within five (5) school days in writing, either supplying the requested information or indicating how the information may be obtained and suggesting a time and procedure.

PROCEDURE FOR IMPASSE: In the event that tentative agreement cannot be reached on all items under negotiation by the negotiation teams, or negotiations have not been concluded by November 7, unless extended by mutual consent, an impasse shall exist, and the following procedure shall be followed:

Mediation: The issues in dispute shall be submitted to a mediator for the purpose of inducing the Board and the Association to make a voluntary agreement.

Unless both sides agree otherwise, the Board and the Association shall, within ten days of the declaration of impasse, submit a written request for a mediator to the Federal Mediation and Conciliation Service or the American Arbitration Association.

If the latter service is used, a request to them for assistance shall be made by each party or as required by F.M.C.S.

If the A.A.A. is to be used, such request should ask for the naming of seven qualified mediators to be submitted to the Board and the Association.

The A.A.A. mediator shall be selected by the Board and the Association 10 days after receipt of the names of the mediators. The procedure shall be (unless mutually agreed otherwise) for each party to strike alternate names from the list until only one name remains. This person shall then be asked to mediate the dispute. If he declines, the last two names to be stricken from the list shall be sent to the A.A.A. with the request to select the mediator from these two.
B-6.2.6 The form, dates and times of meetings shall be arranged by the mediator.

B-6.2.7 The mediator shall meet with representatives of the Board and the Association either separately or together.

B-6.2.8 If mediation fails in whole or in part, the mediator shall report the issues that remain in dispute to the Board and the Association.

B-6.2.9 The cost for services of the mediator or the A.A.A., including per diem expenses, if any, and necessary and actual travel expenses, shall be shared equally by the Board and the Association.

B-6.3.1 Fact-Finding: If the mediation procedure described above has failed to bring about agreement on all issues, either party through their representatives may request that the issues which remain in dispute be submitted to a fact-finder. Each side shall select one representative. These two representatives shall meet and choose the person to act as the fact-finder. This person will be selected within ten days after the request unless a mutually satisfactory later date is agreed upon.

B-6.3.2 The fact-finder will have authority to hold meetings and confer with any parties deemed advisable in seeking to uncover pertinent facts, but he will not have authority to incur any costs other than his own fee without prior agreement of the Board and the Association.

B-6.3.3 The fact-finder shall provide a written report to the two parties within 30 calendar days after the hearings have commenced.

B-6.3.4 Representatives of the Association and the Board shall meet within five days after receiving the report of the fact-finder to consider their positions in light of the findings of the fact-finder.

B-6.3.5 In the event that impasse still exists, the finding shall be reported to the Board at the next regularly scheduled meeting of the Board, or at a special meeting if the Board chooses to schedule one.

B-6.3.6 All costs incurred in the above process are to be shared equally by the Board and the Association.

B-7.1 ADOPTION AND RATIFICATION OF AGREEMENT: Tentative agreements reached as a result of negotiations shall be reduced to writing and presented to the Association membership for ratification. The association shall have fifteen (15) working days, exclusive of June 5th through September 5th, from the date that the tentative agreement has been presented in which to file a written statement accepting or rejecting the Agreement. Absence of such written statement within this allowed time shall constitute ratification. Following such ratification, the agreement shall be presented to the Board for its ratification.
B-7.2 The Board of Education shall, after public hearing, as required by law, submit to the appropriate tax levying body a request for such funds as shall be sufficient to fund the proposed operating budget. Final approval of this Agreement is contingent upon the adoption of a budget by the Boulder Valley Public Schools in compliance with the School District Budget Law and the appropriations therein of sufficient funds to meet the financial obligations contained in this Agreement. However, approval of this Agreement by the Board indicates that they intend to appropriate adequate funds to implement all provisions of the Agreement. It is expressly understood, however, that submission of the budget to referendum is the sole prerogative of the Board. Following the adoption of such budget and after the negotiated agreements are adopted by the Board, said agreements shall be entered as an addendum to the policies of the district.

B-8.1 INTERIM NEGOTIATIONS: It is recognized by the Board of Education and the Association that all situations and developments could not be anticipated at the time this Agreement was negotiated. Change(s) in the Agreement during its effective dates may be negotiated when the parties mutually agree that proposed change(s) are necessary. If as a result of such negotiations, agreement is reached on proposed change(s), such change(s) will be presented to the Association's Board of Directors and the Board of Education for ratification. If both parties ratify the proposed change(s), such change(s) will be signed by the Board and Association presidents and will become amendment(s) to the existing agreement. If the issue(s) under consideration in interim negotiations cannot be resolved, the issue(s) may become topics for the next negotiations.
SECTION C: DUTIES OF THE TEACHER

C-1.1 PROFESSIONAL DUTIES: State Statutes, found in Colorado Education Law, define certain requirements and responsibilities for both teachers and Boards of Education.

C-1.2 The teacher's individual contract concerns matters needing understanding between the Board and an individual before entering into the mutual commitment of employment.

C-1.3 The District Handbook of Bylaws, Policies and Procedures define most operational matters for teachers and other employees. Duties of the teacher include pupil registration, attendance-keeping and record-keeping, pupil discipline, reporting to parents, supervision of pupils, and the request for, care of and accounting for instructional materials and equipment.

C-1.4 If there is an inconsistency between an individual contract and this Agreement on a matter concerning hours, terms or conditions of employment, this Agreement shall govern.

C-1.5 This Agreement defines terms and conditions of employment that apply to all members of Unit B.

C-1.6 No conflict between the individual contract, administrative procedures, Board policies and the Agreement is intended. In cases where conflict may arise, such will be rectified.

C-2.1 BOARD POLICIES: The policies of the Board of Education are recognized as being of vital concern to employees affected by them. Consequently, for actions concerning policies not covered in this Agreement which affect employees in Unit B, the administration shall inform the Association at a reasonable time prior to the initiation of such change, in order to provide for consultation with organization members.

C-3.1 CONTRACT YEAR: The contract year for members of Unit B covered by the teacher salary schedule, shall consist of 183 scheduled days, of which 180 days are scheduled teaching days and three days are district orientation, in-service training or preparation.

C-4.1 SCHOOL CALENDAR: A tentative school calendar shall be developed by administrators and Association members for the academic year and shall be presented to the Board no later than January 10. At the meeting in February, the Board shall formally adopt this calendar or set a specific date for adoption of this or any revised calendar. The Board shall provide the BVEA with a copy of any revised calendar at least one month prior to adoption and the Association will have the opportunity at the next meeting to offer opinions, preferences and objectives.

C-5.1 TEACHING HOURS AND TEACHING LOAD: Teachers shall be on duty in their respective buildings 37 1/2 hours per week as arranged by the principal in cooperation with the faculty. The 37 1/2 hours per week shall be inclusive of (a) duty free planning time, (b) necessary travel time attributed directly to teaching schedule and (c) at least a 30 minute guaranteed daily, duty-free, lunch period.
**C-5.2**

A minimum of 4 1/2 hours on the secondary level and 3 1/2 hours on the elementary level of duty-free planning time will be provided per week. Every reasonable effort will be made to provide planning periods of meaningful length of 25 minutes or more but in no case less than 15 minutes.

**C-5.3**

For those school activities which occur outside the regular school day, and which require the presence of (a) teacher(s), an equitable master schedule shall be established by the principal in cooperation with the faculty and posted as early in the school year as possible.

**C-5.4**

Extra duty and other special assignments for which the teacher receives extra remuneration shall be in addition to the 37 1/2 hour week.

**C-5.5**

Teachers may leave the building during their lunch period but must advise the office of their intention to be absent.

**C-5.6**

In senior high schools, a teacher will be assigned no more than the equivalent of five instructional periods. In the junior high schools a teacher will be assigned no more than six periods of instruction per day inclusive of study halls. In all secondary schools, additional duty time needed during the school day to carry out Board approved programs and to maintain safety, order and welfare of the students, or for special programs developed by the faculty, will be equitably shared by the faculty members of the respective buildings as these needs arise.

**C-6.1**

ELEMENTARY CLASS SIZE: K-6 Grade Class Size. It is the goal of the School District to limit the size of kindergarten and first grade classes to a maximum of 26, of grades 2 and 3 to 29, and of grades 4, 5, and 6 to 31 pupils. In the event these goals cannot be met by adjusting classes within the building, the principal shall meet with the affected teacher, and every effort shall be made to grant assistance to such teacher through reallocations of building resources (e.g. aide time, additional materials, clerical assistance, and/or release duty time). Should such resources for assistance not be available at the building level, the Assistant Superintendent for Elementary Education shall meet with the affected teacher and the building principal to determine what assistance, if any, will be provided.

**C-6.2**

If children from educable mentally handicapped, perceptually or communicative disordered, emotional or behavior disordered, or physically handicapped classes are integrated into regular classes, the special teacher shall confer with the regular classroom teacher prior to such integration to determine the impact on the regular class and to determine what additional assistance, if any, is required in terms of the child's successful integration. Additional assistance will usually take the form of (1) special teacher monitoring the progress of the integrated child with respect to matters of programming, or (2) special teacher working individually with the regular classroom teacher to provide support for programming and implementation. If the special teacher and the regular classroom teacher do not agree on (1) or (2) above, the principal will meet with the teachers to resolve the matter.

C-6.3 At no time will children from regular classrooms be accepted in special education services for any purpose without completing the proper staffing procedure prior to such change.

C-6.4 When monolingual children (non-English speaking) are placed in regular classrooms, the teacher may request, through the principal, assistance from available district resources.

C-6.5 Upon request, the appropriate assistant superintendent and the Director of Special Education will meet with the teachers involved and the principal to assist in resolving any difficulties or problems that arise.

C-7.1 SECONDARY STUDENT LOAD: In all secondary teaching assignments, except physical education and music, every reasonable effort shall be made so that the total load shall not exceed a maximum of 775 students per week exclusive of study hall. This does not preclude a teacher from requesting an additional load beyond the maximum stated above.

C-7.2 There shall be a minimum of three teaching days between the end of a school quarter and the deadline for submitting grade reports at the building level.

C-7.3 Integration of handicapped children in the secondary classes shall be accomplished as per the provisions contained in C-6.2, 3, 4, and 5.

*C-8.1 DEPARTMENT OR DIVISION HEAD: Each secondary building principal, in consultation with the faculty, shall by May 1 of the school year develop building guidelines that provide for the number of departments or divisions in the building, and a method of selecting candidates from which the principals may appoint chairpersons for the departments or divisions. Released time or extra pay provisions of this agreement pertain only to content area or special education department chairpersons. In addition, the principal may appoint chairpersons in content areas and in support areas, such as library and guidance. A copy of the current plan for each building shall be provided the Assistant Superintendent for Secondary Education for approval.

C-8.2 Compensation for services as department or division chairperson may be either by release time or payment in excess of the salary schedule, according to the provisions of C-8.2.1, C-8.2.2, C-8.3, or E-17.5.

C-8.2.1 The total number of appointed or designated department chairpersons in content areas or special education shall not exceed eleven (11) persons in any building.

C-8.2.2 Chairpersons may be provided released time from within the teacher allocation for each school, up to five periods per week or equivalent, for those departments with six (full time equivalent or major fraction thereof) or more members, including the department chairperson. Released time will be determined in accordance with developed building guidelines. Chairpersons who do not receive released time as provided in C-8.2.2 may be compensated as outlined in E-17.5.

C-8.3 Variations from the provisions specified in C-8.2.1 and C-8.2.2 may be requested by a building principal and implemented with the approval of the Assistant Superintendent for Secondary Education. Allowances in excess of the amounts specified in E-17.5 may be approved by the Assistant Superintendent for Secondary Education for unique circumstances.

C-9.1 **STAFF MEETINGS:** Regular building staff meetings shall be scheduled as needed on Thursdays. Announcements, including major topics shall be made at least 24 hours in advance of the meeting. Special meetings may be called by the principal to deal with emergencies but such meetings shall be kept to a minimum and shall deal with only those emergency items for which the meeting was called. Every effort shall be made to keep all meetings as short as possible. Teachers shall attend all staff meetings unless excused by the principal.

C-10.1 **ADDITIONAL REQUIREMENTS:** Pre-School Sessions: Each teacher is to attend the pre-school session for all teachers. Each teacher is to attend the appropriate grade or departmental meetings and building faculty meetings.

C-10.2 **First Aid:** First aid policies shall be as stipulated by the Board of Education policy adopted August 23, 1976.

C-10.3 **Life Certificates:** Effective January 1, 1977, holders of Colorado Life Certificates are required to complete six hours of Board-approved work every five years.

If the holder of a life certificate does not comply with this requirement, this teacher will receive the same salary that he/she earned the previous school year. This salary freeze will remain in effect for the entire school year. If the six semester hours or Board-approved equivalent are completed by the beginning of the following year, the teacher will receive the appropriate salary increase. Increases lost through non-compliance with the negotiated agreement cannot be recouped.

C-11.1 **TEACHER ASSIGNMENTS:** Teachers shall be notified in writing of any change in their tentative assignments for the ensuing school year, including the schools to which they will be assigned, and the grade and/or subject they will teach, and any special or unusual course that they will have as soon as practicable, and under normal circumstances no later than June 1. If circumstances prohibit identifying the assignment, the teacher shall be notified in writing explaining the reasons by June 1.

C-11.2 In arranging schedules for teachers who are assigned to more than one school, the amount of inter-school travel will be held to a minimum. Such teachers shall be notified of any changes in their schedules as soon as practicable. Itinerant teachers who may be required to use their own automobiles in the performance of their duties and who are assigned to more than one school per day shall be reimbursed for inter-school travel at the current mileage allowance. (See Section E). For teachers assigned to more than one building, time needed for travel, lunch, and planning shall be allowed for in arranging schedules. Such traveling teachers will attend staff meetings in the building utilizing the greater percentage of the teacher's time. If such meetings require travel from another building, reimbursement for such travel will be paid at the current mileage allowance.

C-11.3 In the case of teachers employed prior to July 31, the original building assignment shall be made by the Executive Director of Personnel and Employee Relations as soon after initial appointment as practicable.
C-12.1 CLASSROOM VACANCIES: When vacancies in the classroom occur, and where it is not practical to secure a substitute, the principal may assign a regular teacher to cover the vacancy. If such an assignment is made by the principal, the teacher will be entitled to compensation at the rate agreed upon. (See Section E)

C-12.2 The above does not preclude voluntary arrangements between teachers as approved by the building principal. There shall be no extra pay for these voluntary arrangements.

C-12.3 Absences at the Request of the Administration. Teacher absences which are created by the school administration will be covered by substitutes. When it is not possible to provide a substitute, the absence will be covered as indicated in "classroom vacancies" above.

C-13.1 EDUCATIONAL PROGRESS, CLASSROOM CONTROL AND DISCIPLINE: In order to insure maximum educational benefits for all pupils, the teacher shall expect and demand of each pupil conformity with all rules and regulations of the school and classroom which are consistent with school district policies.

C-13.2 When the educational progress of a pupil reflects change of an extreme nature, the teacher will notify the pupil, parents and the principal's office. In those cases where the change is negative, the teacher shall try to help the student and will document such efforts.

C-13.3 When the behavior pattern of a pupil constitutes a problem in the classroom or when changes in behavior create a discipline problem or contribute to a decline in educational progress, the teacher shall try to help the pupil and will notify the pupil, parent and the principal's office. The teacher will provide the opportunity for the pupil to improve his/her behavior and/or his/her educational progress.

C-13.4 When it becomes evident to a teacher that a pupil needs additional attention, the teacher shall refer the pupil to the building principal or the appropriate building administrator. When such referral is made, the teacher must send written notification to the administrative office at the time of referral, and the pupil is to be sent to the principal's office. A pupil who is sent to the office by a teacher shall not be returned to class by the principal until the teacher has had the opportunity to discuss the situation with the principal and the pupil. Only a building principal or other administrator acting in his behalf has the authority to send a pupil from the school premises or to suspend a pupil.

C-13.5 A pupil shall be referred immediately to the principal or the appropriate building administrator when: there is "continued willful disobedience" or open and persistent defiance of proper authority; willful destruction of or defacing of school property; or behavior which is inimicable to the health, safety, welfare or morals or other pupils. If an administrator is not in the building, the teacher shall inform the secretary of the circumstances and ask the secretary to call the appropriate administrator as previously designated by the principal.
Boulder Valley Schools will give high priority to improving and expanding the opportunities available for helping a student whose behavior is a problem. Approaches to be considered are:

1) Conferences among teacher(s), administrators, counselors and others who might be able to contribute insight.

2) Referral to psychologist and/or Mental Health Center.

3) Special Education programs.

4) Preventive court, juvenile authorities and probation department.

5) Welfare agencies and/or Youth Services Bureau.

6) Homebound and correspondence work.

7) Adult Education and General Educational Development.

8) Project Hold and other School District programs as they become available.

9) Transfer to another school within the District.

10) Change in class assignment(s).

The above does not necessarily indicate a sequence that must be followed.

The teacher may be involved in determining what measures are used to assist the student in improving his/her behavior. If he is not involved, he/she shall be notified as to the action taken. In any case, the principal or appropriate building administrator will continue to work with the teacher, parents and other personnel in order to improve the student’s behavior.

USE OF PHYSICAL FORCE: A teacher may use reasonable and appropriate physical force upon a minor when and to the extent it is necessary and appropriate to maintain discipline or promote the welfare of the minor.

When absence arises as a result of performing his/her duty(ies), and not caused by his/her own negligence, the teacher shall be entitled to the salary and benefits up to a maximum of what would be earned if at work for the period of such absence. Such absences shall not be charged to regular sick leave.

The Board may reimburse a teacher for the cost in excess of insurance benefits received for medical, surgical, or hospital services incurred as a direct result of injury sustained in the course of his employment, if recommended by the Superintendent, but may not reimburse for consequential damages or for aggravation of pre-existing injuries and shall not exceed the amount of his/her current salary.

Teachers shall make every attempt to report as soon as possible, but no later than the following morning, cases concerning C-14.1 to their principal, or in his/her absence, some other district administrator.
C-15.1 LEGAL COUNSEL: The Board shall provide legal counsel of its selection, if recommended by the Superintendent, to teachers in actions arising out of disciplinary action involving a pupil of the school district while in the proper discharge of duties within the scope of his/her employment.

C-15.2 Teachers shall make every attempt to report as soon as possible, but no later than the following morning, cases of assault suffered by them in connection with their employment to their principal or in his/her absence some other district administrator.

C-16.1 TRANSPORTATION OF STUDENTS: Teachers shall not be required to transport pupils to activities which take place away from the school building.
SECTION D: EMPLOYMENT

D-1.1  NON-DISCRIMINATION: The School Board and the Association reaffirm that there shall be no discrimination against any employee because of race, age, marital status, creed, color, sex, national origin, or participation in any professional educational organization.

D-2.1  MEDICAL EXAMINATION: All instructional personnel must have a medical examination, including a tuberculin test, at their own expense, prior to entering the employ of the District, and must fulfill any other health requirements imposed by the state. A tuberculin test is also required every three years thereafter.

D-2.2  A special health examination may be required whenever a physical or mental condition interferes, or appears likely to interfere, with the health and safety of other employees or pupils or the educational progress of pupils. The costs for these special health exams shall be paid by the District.

D-3.1  PROBATION: Each year of the first three years of employment is considered a probationary year in the Boulder Valley Schools. During such three years, the teacher shall be given constructive leadership and guidance by the administrative and supervisory staff. The probationary teacher shall be evaluated twice each year. The first such evaluation shall be conducted during the first nine-week grading period of the school year and the second evaluation shall be conducted not later than two weeks after the end of the second nine-week grading period.

D-3.2  Probationary teachers employed after the beginning of the school year but prior to the end of the first semester shall have the initial evaluation after the full nine-week grading period following date of employment.

D-3.3  The principal shall discuss progress with each probationary teacher after the first full grading period following the date of employment, and the subsequent grading period, reduce the discussion to writing, and furnish a copy to the teacher. Procedure to be as in D-4 below.

D-3.4  Assistance may also be provided to teachers in need of it by a committee of two or more teachers appointed by the principal, if either the principal or teacher requests it.

D-3.5  No later than March 1, the principal shall advise the probationary teacher of his/her intent to recommend to the Board of Education renewal or nonrenewal of the teacher's contract.

D-3.6  A probationary teacher employed by the school district on a full-time basis shall be deemed to be re-employed for the succeeding academic year at the salary which he would be entitled to receive under the teachers' salary schedule unless the Board shall cause written notice to the contrary to be given to said teacher on or before the fifteenth day of April of the academic year during which said teacher is employed.
D-4.1 TENURE: The Board of Education policy concerning employment, dismissal, termination, and non-renewals of teachers shall be the Colorado Teacher Employment, Dismissal, and Tenure Act of 1967 and subsequent revisions thereof.

D-5.1 NON-TENURE TEACHER EVALUATION: Probationary teacher evaluations shall be made by the principal or immediate supervisor. The teacher shall be informed in advance of the evaluation and how such evaluation shall be conducted.

D-5.2 The evaluation shall include not less than two (2) separate first-hand observations in the classroom by the evaluator. These observations will be conducted openly and with the knowledge of the teacher being evaluated.

D-5.3 The classroom portion of the evaluation report shall include specific comments that pertain only to the observations made in the classroom, and positive suggestions for improvement where needed.

D-5.4 If the evaluator considers the alleged deficiencies to be such as to justify dismissal or non-renewal if not corrected or improved, the report shall so state. Constructive assistance and administrative aid shall be promptly available to the teacher involved. In such cases the teacher may request another evaluation and one shall be scheduled no later than March 1.

D-5.5 Initial discussion of the probationary teacher evaluation reports shall be in private between the teacher and the evaluator. During this discussion the teacher may ask for specifics and amplification concerning any evaluations made, and for suggestions on how to improve. The teacher shall have the right to have an association representative or fellow teacher in attendance during a subsequent discussion if one is scheduled. The evaluator shall be responsible for preparing a record of the evaluation discussions for the teacher's District Personnel File. The teacher shall sign this record as evidence that the contents have been reviewed and discussed. If the teacher disagrees with the evaluator's statements, he or she shall so note and within five (5) working days of the last discussion, prepare and return to the evaluator a signed supplemental statement to be attached to the record and filed with the record.

D-5.6 No evaluation shall reflect negatively on a teacher because of a shortage of books or materials or because of loss of, or damage to, materials or equipment by students which develop outside the teacher's control.

D-5.7 Any evaluation of extra-duty assignments shall be separate and apart from the evaluation of classroom teaching assignments.

D-5.8 No teacher shall be disciplined, reprimanded, reduced in rank or compensation, suspended, demoted, or adversely evaluated without just cause. In cases of transfer or termination the Colorado Tenure Act will apply.

D-6.1 TENURE TEACHER EVALUATION: Tenure teacher evaluations shall follow the guidelines for non-tenure teacher evaluation as described in paragraphs D-5.1 through D-5.8 of this Agreement.

D-6.2 Under normal circumstances tenure teachers shall be evaluated every three (3) years.

D-7.1 ADMINISTRATIVE TRANSFERS: A member of Unit B may be transferred upon the recommendation of the Superintendent of the School District from one school position or grade level to another within the school district if such transfer does not result in the assignment of the employee to a position of employment for which he/she is not qualified by virtue of academic preparation and certification.

*D-7.2 When the recommendation for transfer of an employee is initiated by the administration the employee shall be notified of such action and the reason(s) as soon as practicable. The employee may request that such reason(s) be outlined in writing.

D-8.1 NOTIFICATION OF VACANCIES: A list of all vacancies by position and school shall be compiled by the Executive Director of Personnel and Employee Relations and posted at least bi-monthly in all schools from March 1st to June 1st. From June 1st until July 15th, a list of current vacancies shall be posted weekly in the Personnel Office. Under normal circumstances, employee initiated transfers will not be permitted after August 1st each year.

D-9.1 REQUEST FOR REASSIGNMENT: Members of Unit B may make application to the Executive Director of Personnel and Employee Relations for reassignment to another position when a vacancy is posted. The employee shall provide the current principal with a copy of the application. Such request should include the reason(s) for making it. When unique needs or unusual circumstances would seem to require it, a member of Unit B may apply directly to the Executive Director of Personnel and Employee Relations for special reassignment considerations, even when specific openings are not available or posted.

D-9.2 Written requests for reassignment shall be filed in the Personnel Office by the date specified on the notification of vacancies posted in the schools and/or the Personnel Office. The Personnel Office will acknowledge receipt of all requests and will inform each applicant in writing of the disposition of the request as soon as it is practicable. If the teacher wishes to know the status of his or her application, the information shall be provided upon request by the teacher. The employee may also request an interview with the principal or Executive Director of Personnel and Employee Relations for an explanation of the reason(s) for not being reassigned as requested.

D-9.3 The Personnel Office will send a list of employees requesting reassignment to posted vacancies to those building principals where such vacancies exist.

D-10.1 FILLING VACANCIES: In determining the teacher to be assigned to a vacant position, the primary consideration is the good of the District and the students as determined by the principal of the school where the vacancy exists, and the principal at the school where the teacher seeks reassignment, following consultation, where appropriate, with the department or grade level teachers who will work with that teacher. When considering applicants, primary consideration shall be given to professional qualifications and the maintenance of a reasonable composition among the

*Identifies new or revised language.
employees with respect to age, sex, marital status, and ethnic origin. Professional qualifications shall be defined as major and minor fields of preparation, advanced degrees and credentials held, recency of training, and special skills desired in the position. When there is more than one applicant for the position in question and all of the above criteria are essentially equal, priority shall be given to the applicant with the most active permanent certificated service in the district.

D-10.2 Final determination of assignments shall be made by the Superintendent of Schools through his designated representative.

D-11.1 POSITIONS FILLED BY TEMPORARY TEACHERS: Positions filled by temporary teachers before or during a given school year for reasons other than an employee's leave of absence shall be posted as vacancies before a subsequent school year commences and district employees permitted to request reassignment to the position. Such reassignment requests shall be considered under the provisions of D-9.1 before the position is filled on a regular basis.

D-11.2 The voluntary transfer of teachers during their probationary period will be discouraged.

D-12.1 REDUCTION IN BUILDING STAFF: When it becomes necessary to transfer employees between schools because of an over-teachered situation, the immediate administrator of the school shall decide in which grade level or subject area the over-teachered conditions exist. After the conditions of the Colorado Tenure Act have been met, seniority in the District will govern the administrator's determination of the teacher(s) to be retained in the building, provided however, the teacher(s) has/have demonstrated the skills necessary to maintain the building's programs.

D-12.2 An employee may volunteer to be displaced from an over-teachered school and be assigned to a school which has need for the employee's services, provided such voluntary displacement involves the concurrence of the employee, the current principal, and the receiving principal and may be effected even though a regular transfer request has not been submitted.

D-12.3 Each teacher subject to layoff under building staff reductions will be reassigned to another program or position for which qualified if there is a vacancy. If no vacancy exists, the provisions of D-13.4 shall govern.

D-13.1 REDUCTION IN FORCE: When it becomes necessary for the Board of Education to reduce the professional staff in Unit B, the Board of Education shall notify the Association of the intended reductions and the reasons therefore. As soon as practical after such notification, representatives of the Board and the Association shall meet to discuss the proposed reduction in force.

D-13.2 Announcement of the probable number of elementary and secondary personnel to be affected by the contemplated reduction in force will be made no later than March 1 of the school year. Announcement of the classifications and probable numbers to be affected will be made no later than May 15 of the school year. Notification of specific personnel affected by the reduction in force will contain the reason(s) for such reduction and will be made as soon as possible.
D-13.3 If the Board votes to reduce the number of certificated personnel, after consideration of Affirmative Action guidelines, the provisions of the Colorado Teachers Employment, Dismissal, and Tenure Act, and qualifications, reduction in force will occur in the following order:

(a) normal attrition (retirements and resignations)
(b) termination of non-tenure personnel with strong consideration given to the inverse order of seniority
(c) termination of tenure personnel as outlined in D-13.4

D-13.4 If no vacancy exists within the school district for tenured teachers to be laid off from a given building, the following procedure will apply:

(a) tenured teachers with the least seniority in the classification affected will be the first to be removed,
(b) a tenured teacher removed under (a) will displace the teacher with the least seniority in a similar job classification within the district,
(c) a tenured teacher who cannot displace another teacher in a similar job classification because he/she does not have sufficient seniority will displace the teacher with the least seniority within the district whose assignment he/she is qualified to perform, and
(d) a tenured teacher displaced by another teacher under this procedure shall follow the same procedure in displacing another teacher.

D-13.5 Reduction in force personnel who wish to be considered for reemployment will provide written notification to the Executive Director of Personnel and Employee Relations which will include area(s) of qualification, position desired, address, and telephone number. Such information must be kept current by the individuals so affected. When position vacancies occur for which these individuals have the required qualifications, they will be notified and offered contracts, with strong consideration given to seniority.

D-13.6 Personnel who are offered reemployment under these circumstances will have ten (10) school days from date of notification to accept or reject the offer. If the offer of reemployment is rejected, such personnel will forfeit the rights described in D-13.5.

D-13.7 Reduction in force personnel will retain accumulated leave status (providing reimbursement for accumulated leave has not been made), position on the salary schedule, tenure status, and shall also have the option to maintain medical and life insurance at their own expense for a period not to exceed two years.

D-13.8 No new certificated personnel will be hired for a period of two years unless all teachers dismissed due to a reduction in force have been given the opportunity to fill openings for which they have the necessary qualifications.
*D-13.9 SENIORITY: In the event two or more staff members have the same starting employment date, the date their first contract was signed shall govern. In the exercise of seniority in the reduction of staff, the employee must have the qualifications necessary to perform the assignment involved. A seniority list shall be completed by December 31 of the school year. A copy of such list shall be provided each building in the District and the Association. Annual updating of such list shall be the responsibility of the Personnel Office.

D-13.10 QUALIFICATIONS: Qualifications shall include certification by the Colorado Department of Education and/or endorsement by the North Central Association or equivalent, and specific job qualifications and training where they are established prerequisites of the district. In unusual circumstances where an employee's qualifications, personal or professional, are questioned, representatives of the Association and the employee concerned shall meet with the appropriate executive director and the Executive Director of Personnel and Employee Relations to discuss the question. The employee will be subsequently notified of the decision by the Executive Director of Personnel and Employee Relations.

D-14.1 RESIGNATION AND REEMPLOYMENT: An employee who resigns from the Boulder Valley Schools and later applies for a new appointment may count previous Boulder Valley experience at the rate of local credit, with the limitation that for each year of absence from Boulder Valley Schools, the person loses one year of local credit. The years of local credit that are subtracted may be added to experience outside of the District to the maximum of outside experience allowed (five years).

D-15.1 SUMMER SCHOOL: Summer school openings will be publicized and posted by the Personnel Office no later than the preceding April 1, and teachers will be notified of the action taken by June 1 in all cases where assignments can be determined and as soon thereafter as possible in cases where enrollment is in question.

D-15.2 Positions for summer school will be filled first by regularly employed teachers in the Boulder Valley School District whenever qualified.

D-15.3 In filling such positions, consideration will be given to a teacher's area of competence, major and/or minor field of study, quality of teaching performance, attendance record, length of service in the Boulder Valley School District, and teacher experience.

*D-15.4 The number of teachers employed will be dependent upon enrollment in the summer school program. Class size will be held to 30. Classes larger than this may be requested by the teacher. If a class is cancelled and the teacher is not notified prior to the first day of class, the teacher will be paid for one day. If the class is cancelled after the first day of class the teacher will be paid for all days in attendance.

D-15.5 Each teacher's salary shall be determined on the basis of the hourly rate shown in Section E.

*Identifies new or revised language.
Summer school teachers shall be entitled to one sick leave day for the initial 20 days worked. A second sick leave day will be granted for the days worked beyond the initial 20 provided, however, the teacher completes the assigned session. Unused sick leave shall be added to contract year sick leave but not to subsequent summer school sick leave.

Summer school teachers shall be paid in two equal installments, one at mid-term and the final one on or before the Friday of the week following the end of the summer session. One-session teachers working four weeks or less shall be paid in one installment on or before the Friday of the week following that summer school session.

SUBSTITUTE TEACHERS: A list of qualified substitute teachers shall be available at all times during the school year and shall be provided the building principal for his and faculty use. Teachers may recommend to the Personnel Office, from the approved list, the name of a specific substitute as a replacement during their absence. If that substitute is available, the Personnel Office will honor that request.

STUDENT TEACHERS: After consultation with the principal, a teacher may refuse the assignment of a student-teacher if, in the teacher's judgement, his classes will suffer from having a student teacher.

ADMINISTRATIVE POSITIONS: Building faculty shall be included in the selection of building administrators as prescribed in Board policy. A copy of the current policy is included as exhibit B for informational purposes only.

Lateral transfer of building administrators is exempt from this provision, however, committee recommendations are advisable.

LEARNING MATERIALS: Learning materials that require Board approval shall be evaluated by a committee prior to adoption. The number of persons on the committee shall be determined by the Deputy Superintendent. At least two-thirds of the members shall be classroom teachers in the appropriate subject areas. The remaining members may be appointed by the Deputy Superintendent.

Reference and supplementary materials may also be evaluated by a committee if the Deputy Superintendent determines it is advisable.

The Board may accept or reject the learning materials selected by the evaluation committees or ask for further recommendations.

CURRICULUM DEVELOPMENT: The Board of Education and the Association agree to a continuation and an expansion of the present policy of involving teachers in curriculum development.

Released time and/or payment for such work shall be provided at the Curriculum Development rate.

New programs and curricular changes will be preceded by appropriate in-service education of teachers. Materials and equipment to support such programs will be provided before the new program is scheduled to begin.

*Identifies new or revised language.
D-21.1 PERFORMANCE CONTRACTING: The Board of Education agrees that no organization will be employed to provide any student instruction which would result in the dismissal of any teacher now employed.

D-22.1 SALARY NOTIFICATION AND CHANGES: The Personnel Office will provide all Unit B employees with a checklist of any items needed for their personnel file. This list will be initialed by a personnel clerk as each item is received. An incomplete checklist will constitute a reason for withholding a paycheck.

D-22.2 If any employee has not been notified as provided in D-22.1, the employee shall receive a paycheck as soon as practicable.

D-22.3 Each Unit B employee shall receive a letter or other written notification prior to a salary change explaining how the salary under each new contract or column change is to be computed; such letter or other written notification to be in the hands of the teacher at least one week prior to the effective pay date.

EXTRA PAY FOR EXTRA DUTY
January 1, 1980

E-17.1 Extra pay for extra duties and responsibilities shall be provided in accordance with the extra pay for extra duty schedule providing that such duties and responsibilities are in addition to a full teaching assignment. Teachers with released time or class time to assume assigned responsibilities will not be entitled to extra duty pay. Certification of teachers contracted for extra duty shall be by the building principal and the Assistant Superintendent for Secondary Education. Extra pay is determined by the extra duty assignment and the years of service in the assignment.

E-17.2 The minimum extra pay allowance (step 1) for extra duty is computed by multiplying the stated percentage by the base salary. Steps two through eight are computed by multiplying the stated percentage by the dollar amounts in steps two through eight in the BA column of the teachers salary schedule. The eight steps are experience steps.

E-17.3 Teachers newly appointed to an extra duty assignment shall be placed on step one. Teachers already employed in an extra duty assignment will be placed on the appropriate experience step. Experience in another extra pay assignment or in another school district does not apply.

**Related Work Experience:** Effective January 1, 1980, add .04 index points for each year up to six (6) years (maximum of .24)

One year = 2000 hours.
Guidelines for outside experience. Teaching experience in regular accredited public schools, state approved or recognized or accredited private K-12 schools, public or private junior and community colleges, colleges, universities, vocational-technical schools, state approved post secondary vocational schools and proprietary schools that are approved by the State Board for Community Colleges and Occupational Education or the similar state agency if from outside Colorado, will count as credit on the Vo-Tech Salary Schedule to a maximum of five years for new personnel employed on or after the beginning of the 1974-75 school year.

Partial years of ninety (90) or more teaching days of such experience shall be counted as full years of experience in giving outside experience.

HEALTH, HOSPITALIZATION AND LIFE INSURANCE: The Board of Education will pay the employee premium for Health, Hospitalization and Life Insurance plans (in effect during 1979) in the amount of $29.13 per month for the year 1980. In the event of any increase in premium the District will pay such additional premium only during 1980.

LONG-TERM DISABILITY INSURANCE: The Board of Education shall pay the full premium for a Long-Term Disability Insurance plan at least comparable in benefits to the plan provided in 1979 and will continue such payment for the duration of this Agreement.

DENTAL INSURANCE: The Board of Education shall provide a Dental Insurance plan at a maximum of $7.75 per month per employee. Such coverage shall take effect June 1, 1980. The content of the plan shall be mutually agreed upon by the Association and the Board of Education.

LIABILITY INSURANCE. A liability insurance policy in the usual form shall be purchased by the Board of Education. Employees of the District acting within the scope of their employment shall be named as insured parties under the policy. A copy of this policy shall be provided to the Association.

PERA and Workman's Compensation as established by the status of the State of Colorado shall be provided members of Unit B by the Boulder Valley School District.

During the term of this Agreement either party may request up to two meetings per year to meet and confer regarding general contractual insurance matters. Additional meetings may be held upon mutual agreement of the parties. Each party may appoint two representatives for these discussions. The District Insurance Consultant may be requested to attend such meetings.

SICK LEAVE: Subject to the provisions hereinafter set forth, leave with pay will be granted all permanent employees who are not able to render service due to illness, quarantine, temporary disability, (including pregnancy, childbirth and recovery therefrom), serious illness or death in one's immediate family, for essential treatments, or examination for diagnostic purposes, when such treatment or examination cannot reasonably be made other than during the employee's work day.

*Identifies new or revised language.
Sick leave for personnel who average four or more working hours per day will accrue on the following basis:

- 183 to 200 contract day employee - 10 days per year
- 201 to 220 contract day employee - 11 days per year
- 221 to 243 contract day employee - 12 days per year

Sick leave will accrue without limit. Sick leave will accrue on a proportional basis for part-time employees working less than a full day and/or a full year.

Sick leave will be granted regardless of how or where illness, quarantine or disability occurs even though the employee may become ill, quarantined or disabled while on vacation.

Anyone on leave, without pay, will retain sick leave accumulated but will not accrue further sick leave until he returns to work at which time his sick leave will begin accruing on the first day of the current month and accrue at the regular rate.

Accumulated sick leave earned while in the employ of former school districts now comprising Boulder Valley School District No. Re 2, shall be retained by all employees who have continuously been employed by the Boulder Valley Re 2 School District.

A covered employee who is absent due to serious illness and/or death in his/her immediate family, may have such absence charged to his/her accumulated sick leave. "Immediate family" as used here shall be interpreted to include husband, wife, son, son-in-law, daughter, daughter-in-law, father, father-in-law, mother, mother-in-law, sister, sister-in-law, brother, brother-in-law, grandparents or grandchildren of employee or any relative living in the immediate household of the employee. Exceptions to this interpretation will be made by the immediate supervisor and the Executive Director of Personnel and Employee Relations only in very unusual cases.

An employee may be required to provide a statement of physical condition from a qualified physician and to present such report of the illness to the appropriate supervisor following absences of more than five cumulative days or in cases where there is reason to question the validity of such illness. The employee may also be required to have a written report from a qualified physician showing that he/she is physically capable of doing the work required of his/her position when the employee returns from sick leave. Cost of such required physical examination or statements shall be borne by the District.

For an absence of one-half working day or less due to illness, quarantine or disability, a deduction of one-half day sick leave will be made; for an absence of more than one-half day, a full day's deduction will be made. Employees who work on an hourly basis will have their sick leave accumulation charges recorded in hours. A teacher must count a planning period the same as an instruction period when considering the number of periods in a full day or half day.

Identifies new or revised language.
An employee who does not serve his/her complete contract year will have the number of days of sick leave that corresponds with the number of months of the contract not fulfilled, deducted from his/her accumulated sick leave. If he/she does not have enough sick leave accumulated, salary for the number of days not covered will be deducted from his/her final paycheck.

After the accumulated sick leave has been used the employee will receive no pay for additional working days if absent because of illness, quarantine, disability, or bereavement. Deduction shall be made from his/her salary in an amount equal to his/her annual salary divided by the number of actual working days in the employee's year.

ADDITIONAL SICK LEAVE: If the absence is continuous for more than ten consecutive working days after his/her accumulated sick leave has been used, however, additional sick leave will be granted beginning with the eleventh consecutive working day of absence. Full pay will be made from the eleventh working day until and including the sixtieth calendar day of the absence.

A maximum of 31 additional sick leave days will be granted to a teacher within any one school year.

INJURY LEAVE: Injury leave may be granted to protect an employee against temporary loss of salary when he/she sustains an injury arising out of, or in the course of, the actual performance of his/her job. Such injuries may entitle an employee to benefits under the Workman's Compensation Act.

In order to receive these benefits, injured employees are required to report the injury without delay to their immediate supervisor; report to a duly qualified physician and have a verification of the injury made to the district; and file an application for Workman's Compensation benefits within two working days in the Personnel Office.

The first seven days of absence due to an injury sustained on the job is chargeable to sick leave. In those cases where the Industrial Commission assumes liability, the injured employee may, beginning with the eighth day of absence due to such injury, receive his/her full salary from the school district less the amount of any Workmen's Compensation pay received for a period of time not to exceed thirty (30) working days. In such case the absence would not be charged to the employee's sick leave.

After the end of the described thirty (30) work days, the employee has two options:

1) He/she may use accumulated sick leave and be paid at his/her full salary less the amount of Workmen's Compensation pay. In such cases the absence is charged against the employee's accumulated sick leave.

2) He/she may accept only workmen's compensation pay in which case sick leave will not be charged.

In cases where the Industrial Commission fails to assume any liability, all absences may be charged under the regular sick leave provisions.
PAYMENT FOR UNUSED SICK LEAVE

Part I: A teacher with 15 or more years of full-time service in the District who severs employment with the District and is less than 60 years of age will receive payment according to the following formula:

\[
\text{Rate} = \text{Accumulated sick leave} \times \text{BA Base Salary} \times \frac{75\%}{183 \text{ days}}
\]

G-1.1 DEFINITIONS: A "grievance" shall mean a complaint by a member or group of members of Unit B that there has been a violation, a misinterpretation, or inequitable application of any of the provisions of this Agreement, or of any policy concerning terms and conditions of employment. The term "grievance" and the procedure relative thereto shall not be deemed applicable in the case of the failure or refusal of the Board to renew the contract of a non-tenure employee or in case of dismissal procedures or other matters governed solely by the Employment, Dismissal and Tenure Act of 1967 as it now exists or may hereafter be amended.

G-1.2 The written grievance shall refer specifically to the provision(s) of this Agreement or policy as referred to in G-1.1, which it is alleged has been violated, misinterpreted or unreasonably or inequitably applied. A grievance which does not contain this information may be summarily denied.

G-1.3 A "grievant" is the employee or employees in Unit B making the claim.

G-1.4 A "party in interest" is an employee who might be required to take action or against whom action might be taken in order to resolve a grievance.

G-1.5 "Day" or "days" where used in this Grievance Procedure shall mean, unless otherwise indicated, working days for members of Unit B.

G-1.6 "LEVEL" as used in this Grievance Procedure shall mean the separate and distinct stages to be followed in sequential order in the processing of grievances.

G-1.7 "Association" where used in this Grievance Procedure shall mean the recognized negotiating organization for Unit B.

G-2.1 PURPOSE: The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems which may, from time to time, arise. Both parties to this Agreement agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

G-3.1 PROCEDURE: Grievances should be processed as rapidly as possible. The number of days indicated at each level shall be considered as a maximum, and a good faith effort shall be made to expedite the process. The time limits may be extended by mutual agreement. No grievance shall be recognized by the Association or the Board of Education unless it shall have been presented at the appropriate level within fifteen (15) days after the aggrieved knew, or should have known, of the act or condition on which the grievance is based, and if not so presented, the grievance will be considered waived. If a grievance is filed which might not be finally resolved at LEVEL FOUR under the time limits set forth herein prior to the end of the school year, the time limits set forth herein will be reduced so that the grievance procedure will be concluded prior to the end of the school year, or as soon thereafter as is practicable.
If, in the judgment of the Association, a grievance affects a group of Unit B members and two or more principals or no principal, the Association may submit such a grievance in writing to the appropriate level Executive Director or assistant superintendent and the processing of the grievance shall begin at LEVEL TWO.

No grievance may be filed regarding any matter for which the method of review is prescribed by law or in which the Board of Education is without authority to act.

Neither the Board of Education nor any member of the administration will take reprisals of any nature against any grievant, party in interest, Association representative, or any other participant in the Grievance Procedure because of participation in the Grievance Procedure.

During the processing of a grievance through the various levels of the procedure, timely filing must be made or the grievance will be considered waived.

If a member of Unit B elects to pursue any legal or statutory remedy for a grievance, such election will bar any further or subsequent proceedings for relief in said grievance under the provisions of this Grievance Procedure.

All written or printed matter dealing with any grievance will be filed separately from any other records maintained by the District and will not become a part of the personnel file of any grievant.

The Board of Education will make available to any aggrieved person and/or representative(s) all pertinent information not privileged under law in its possession and control and which is relevant to the issues raised by the grievance.

The rights and professional reputation of all parties in interest are to be protected by all means possible and the interruption of classroom activities and the involvement of students are to be avoided wherever possible in all phases of the Grievance Procedure.

The filing or pendency of any grievance shall in no way operate to interfere with the right of the Board of Education and/or the administration to continue the contested action.

When it is necessary for employees of the District to attend a meeting or hearing called to resolve a grievance, such employees shall be provided released time without loss of pay for such time as their attendance is required at such meeting or hearing subject to the following limitations:

- Level One - The grievant, and if requested, one Association representative and/or not more than one other employee.
- Level Two - The grievant, the Association representative and not more than two other employees.
- Level Three - The grievant, the Association representative and not more than two other employees.
- Level Four - The grievant, the Association representative and such number(s) of other witnesses as may be mutually agreed to by both parties.

Notification to such employees' immediate supervisor will be made by the appropriate level administrator. Necessary arrangements will be made to avoid interruption of the regular school duties of such employee(s).
LEVEL ONE: A grievance will first be discussed with the aggrieved person's immediate supervisor with the objective of resolving the matter informally, at which time the aggrieved person (1) may discuss the grievance personally, (2) may request that the Association's representative or some other person be in attendance, or (3) may request that the Association's representative or some other person act in the grievant's behalf. If not resolved, the immediate supervisor will provide a written answer to the grievance within five (5) days and will provide a copy of that decision to the Association, the Grievant, the Executive Director of Personnel and Employee Relations and the appropriate assistant superintendent.

LEVEL TWO: If the grievance has not been resolved at LEVEL ONE, it may be appealed in writing by the Association to the appropriate level Executive Director or assistant superintendent within ten (10) days after receipt of the written decision from LEVEL ONE.

The Executive Director or assistant superintendent and/or representative(s) will meet with the aggrieved person and/or representative(s) within five (5) days of the receipt of the written grievance from the Association in an effort to resolve the grievance.

Within ten (10) days after hearing the grievance, the Executive Director or assistant superintendent will render a written decision and either present it or send it by U.S. mail to the Grievant and to all parties in interest officially present at the hearing, as well as to the President of the Association.

LEVEL THREE: If the grievance has not been resolved at LEVEL TWO, or if no decision has been rendered in writing within ten (10) days after the hearing, and the Association deems to do so, the grievance may be appealed to the Superintendent within five (5) days after receipt of the written decision or the ten (10) day period in which no decision was rendered.

The Superintendent and/or representative(s) will meet with the grievant and/or representative(s) within ten (10) days after receipt of the written grievance in an effort to resolve the grievance.

Within ten (10) days after hearing the grievance, the Superintendent will render a written decision and either present it or send it by U.S. mail to the Grievant and to all parties in interest officially present at the hearing, as well as to the President of the Association.

LEVEL FOUR: If the grievance has not been resolved at LEVEL THREE, or if no decision has been rendered in writing within ten (10) days after the Superintendent heard the grievance, and the Association deems to do so, the Association may demand arbitration. Such demand must be made within fifteen (15) days after receipt of the Superintendent's response or the ten (10) day period of no response. Within ten (10) days of the demand for arbitration, the Board and/or representative(s) and the Association and/or representative(s) will select an arbitrator. In the event the parties are unable to agree on an arbitrator, selection shall be made in the manner provided by the current Negotiations Procedure for selecting a mediator.
G-7.2 The arbitrator will have the authority to hold hearings and make procedural rules. All hearings held by the arbitrator shall be in closed sessions and no news releases shall be made concerning progress of the hearings.

G-7.3 The arbitrator will submit a written report not more than fifteen (15) days after the last hearing date or if hearings have been waived, not more than fifteen (15) days after receipt of briefs filed in the case. Copies of the report will be sent to the Association, the Board of Education and the Grievant and will set forth findings of fact, reasoning, conclusions and recommendations on the issue(s) submitted. The arbitrator shall not amend, take away, add to, or change any of the provisions of this Agreement and may consider only the issue(s) submitted in writing by the Board and the Association. The arbitrator's decision(s) shall be based solely on the interpretation of the terms of this Agreement and shall be advisory only and binding neither on the Association or the Board of Education.

G-7.4 Within ten (10) days of the receipt of the arbitrator's report, a meeting between Association and Board representatives will be held to discuss the report. No public release may be made until after such meeting.

G-7.5 The Board shall take official action on the report of the arbitrator not later than at the next regularly scheduled meeting of the Board subsequent to the meeting described in G-7.4.

G-7.6 The costs for the services of the arbitrator, including per diem expenses, necessary travel and subsistence expenses, shall be shared equally by the Board and the Association.

G-7.7 Either party may request that an official stenographic record of the testimony at the hearings be made. The party requesting such record shall pay the costs thereof except that if the other party shall request a copy of any transcript, it shall share the entire cost of making the stenographic record.
SECTION H: TEACHER AIDES

H-1.1 The Board reaffirms the important role aides play in assisting the faculty in the educational program of the District. It further agrees to provide aides in both the elementary and secondary schools as determined by sound educational and staffing requirements.

H-1.2 Priority for teacher aide time will be given: (1) to relieve class overloads; (2) to staffing of resource centers and: (3) to meet unique and/or unusual needs of a particular school as those needs arise.

H-1.3 Assignment of teacher aides at the building level shall be made by the principal in cooperation with the faculty. This time will be assigned on the priority basis outlined in H-1.2.

H-1.4 The small attendance centers of Gold Hill and Jamestown shall be assigned five hours of instructional aide time per day.
SECTION I: ADVISORY COUNCIL

I-1.1 TEACHERS' ADVISORY COUNCIL: The Teachers' Advisory Council shall continue for the purpose of improving communications and providing an opportunity for the discussion of items of concern to teachers and to the administration.

I-1.2 The function of the Council is advisory. As a result of agenda items discussed, the Council shall make recommendations to the superintendent of schools, assistant superintendent, or appropriate director for their consideration.

I-1.3 The Council shall be composed of 11 members of Unit B and 4 administrators: 4 elementary classroom teachers, 4 secondary classroom teachers, and 3 specialists, of which one must be a Special Education Specialist; 1 elementary principal, 1 secondary principal, 1 central office administrator, and the Superintendent of Schools or his designee. The Association vice-president shall serve as an ex-officio member. Such membership to be effective September 1, 1977.

I-1.4 Teacher members of the Council shall be selected by the organization representing Unit B for a 2 year term. The terms of Unit B members shall be staggered so that approximately 50% of the members carry over from one year to the next.

I-1.5 The Chairperson of the Teachers' Advisory Council shall be elected by the Council from the teacher membership. The operating rules shall be established by the Council.

I-1.6 Meetings shall be held once monthly September through May according to the schedule set by the current members of the Council and the Superintendent. Meeting dates may be changed or additional meetings scheduled when necessity requires, by mutual agreement.

I-1.7 Items for the agenda are to be written and mailed to the Council chairperson and the Superintendent for inclusion on the agenda. Minutes will be kept and distributed appropriately. The Council shall consider only those items that have not been or cannot be resolved through proper administrative channels. Items shall not be included on the agenda if they are in the process of negotiations or in any step of the grievance procedure. The fact that any item is on the agenda or has been considered by the Council does not mean that it cannot also be proposed for the negotiations package by either the Board or the negotiating unit. Items may be added to the agenda at any meeting by majority vote of the Council.

I-1.8 The administration shall respond to the Council on the status of any recommendation made by the Council within 20 days or at the next regularly scheduled Council meeting, whichever is first.

I-1.9 Agenda items may be submitted by an certificated employee or group of certificated employees providing the item or items meet the qualifications for the agenda as established above.

I-1.10 Inquiries concerning duplication of record lists or the gathering of data where administrative guidance might be needed should be submitted to the appropriate department head in writing, with a copy to the Superintendent. The department head shall within five (5) days respond to the inquiry in writing, either supplying the information or indicating what would be involved in obtaining the information and suggesting a time and procedure.
SECTION J: PROFESSIONAL RELATIONSHIPS

J-1.1 FACULTY AFFAIRS COMMITTEE: If a building faculty establishes a Faculty Affairs Committee, the principal shall attend meetings when requested by the committee (given adequate notice) and respond to questions and recommendations posed by the committee.

J-2.1 BUILDING AND REMODELING PLAN: Professional personnel affected by new facilities shall be represented on advisory planning committees. Teachers may recommend to the appropriate assistant superintendent a committee of representatives from among their number to serve on these committees. The assistant superintendent will select at least two thirds of the teacher members for each such committee from the list submitted. The teachers serving on such committees shall be given released time as determined by the assistant superintendent to perform duties related to the committee's work. Final plans and specifications shall be available to the committee for review and recommendations. Before final approval by the Board of Education, the assistant superintendent shall meet with the committee to consider their questions and recommendations concerning the final plans, and shall inform the Board of them. It is understood that recommendations from such committees are advisory only.

J-3.1 SCHOOL VISITATION: Principals and counselors shall confer with the teacher before scheduling parent conferences, except in cases of emergency.

J-3.2 A teacher at his/her discretion may bar a visitor from his/her classroom until a conference is held with the principal. This provision is not intended to discourage parents of children in a classroom from visiting the classroom.

J-4.1 OTHER MATTERS: Teacher concerns not covered in Section G-1 should be discussed with the principal or appropriate supervisor and then may be filed with the Association, and the Association shall have the right to meet with the appropriate principal or supervisor in an effort to resolve the issue.
SECTION K: FUTURE CONFERENCE AND TERM

K-1.1 This Agreement shall be in full force and effect from its execution, with the exception of Section E, to and including December 31, 1981. Section E shall be in full force and effect from its execution to and including December 31, 1980. Further, this Agreement shall automatically continue in full force and effect annually from year to year unless either of the parties hereto shall terminate the same in accordance with the procedures outlined in K.2.

K-1.2 If either party shall desire to change any of the provisions of this Agreement, it shall give written notice as outlined in B-3.

K-1.3 If the parties have not reached an agreement on or before the end of the Contract or reopening term, all provisions of this Agreement shall remain in effect unless specifically terminated in accordance with the following procedure.

K-2.1 TERMINATION OF AGREEMENT: Ten (10) or less days prior to the termination date of this Agreement on the first anniversary date or at any time thereafter, if no Agreement on the questions at issue has been reached, either party may give written notice to the other party terminating the Agreement in not less than ten (10) days after receipt of notification by registered mail. Such notice shall state the date and hour of such termination. All provisions of the Agreement shall remain in full force and effect until the specified time has elapsed. During this period, attempts to reach an Agreement shall be continued.

K-2.2 If the parties have failed to resolve their differences by the specified date, all obligations under this Agreement are automatically cancelled.

ADDENDUM

LIMITED TERM OR TEMPORARY CONTRACT:

Limited term or temporary contracts will be used at the careful discretion of the administration. Under normal circumstances their primary uses will include:

1. Contractual arrangements for all individuals employed in less than a full-time basis.

2. Contractual arrangements for individuals employed to replace a member of Unit B who is on a leave of absence.

3. Contractual arrangements for members of Unit B employed on or after the first day of the school year.

4. Contractual arrangements for members of Unit B employed to serve in a state, federal, or specially funded project and/or pilot program.

5. Contractual arrangements for members of Unit B employed in a building where a known staff reduction must be made at the beginning of the succeeding school year. These positions will be identified by the Executive Director of Personnel and Employee Relations who will notify the BVEA of this status prior to the filling of the position.

When limited term or temporary contracts are used the following conditions shall govern:

1. Time accumulated by teachers employed pursuant to a temporary or limited term contract will count for the acquisition of tenure, provided that such accumulated time would otherwise qualify the teacher for tenure.

2. Teachers employed on a temporary basis will have their employment expire at the end of the term set forth with in the temporary or limited term contract. Thus teachers so employed will waive the right to automatic renewal unless they are completing their third year of qualified employment.

3. Once a member of Unit B receives regular contract status, their seniority shall originate from the date of the original hire, including the time on temporary contract, providing the service is not interrupted.

Employees who are hired under limited term contracts and who distinguish themselves by outstanding performance shall receive priority consideration for regular teaching positions in the district.
