ACTION: Notice of public meeting.

**SUMMARY:** The Commission on the Future of Worker-Management Relations was established in accordance with the Federal Advisory Committee Act (FACA) Public Law 92-463. Pursuant to section 10 (a) of FACA, this is to announce that the Commission will meet at the time and place shown below:

AGENDA: The agenda for the meeting is as follows:

The day will be devoted to presentations on the questions posed in the mission statement of the Commission which are:

- 1. What (if any) new methods or institutions should be encouraged, or required, to enhance workplace productivity through labor-management cooperation and employee participation?
- 2. What (if any) changes should be made in the present legal framework and practices of collective bargaining to enhance cooperative behavior, improve productivity, and reduce conflict and delay?
- 3. What (if anything) should be done to increase the extent to which workplace problems are directly resolved by the parties themselves, rather than through recourse to state and federal courts and government regulatory bodies?

Presentations will be made on these questions in the morning by representatives of organizations of business, including small business. Also in the morning, a representative of the Women's Bureau will report on recent studies on women in the workplace.

In the afternoon, presentations will be made on the same questions by representatives of labor organizations that are in industries with small business.

The sessions will include questions and exchanges of views with the Commission Members with additional discussion by the Commission members at the conclusion of the presentations.

**PUBLIC PARTICIPATION:** The Commission will be in session from 10 a.m. to 12 noon when it will recess for lunch and will return at 2 p.m. Seating will be available to the public on a first-come, first-served basis.
