PREAMBLE

THIS AGREEMENT made and entered into this 20th day of May, 1981, by and between the Executive Branch of the COMMONWEALTH OF PENNSYLVANIA ("COMMONWEALTH") for and on behalf of itself, the Department of Education, the State Board of Education, the Council of Higher Education, the Board of State College and University Directors, the State Colleges and Indiana University ("COLLEGES") and their respective Boards of Trustees, of the first part and ASSOCIATION OF PENNSYLVANIA STATE COLLEGE AND UNIVERSITY FACULTIES ("APSCUF"), of the second part.

PURPOSE

APSCUF has been certified to represent, for purposes of collective bargaining, department chairpersons, full-time teaching faculty (including librarians with faculty status) part-time teaching faculty and librarians without faculty status and faculty members of the COLLEGES whose basic responsibilities lie outside of the classroom setting.

APSCUF and the COMMONWEALTH, desiring to cooperate each with the other in mutual respect and harmony, have agreed to the provisions of this Agreement in consideration of the following:

1. The COLLEGES exist for the common good of the citizens of the COMMONWEALTH, particularly the students who attend such COLLEGES. In a world of rapid change and recurring crises, all will be served best by an intellectual environment which encourages the search for truth.

2. APSCUF as the representative of the above named employees recognizes its obligation to permit all individuals and groups on each campus to be included in the consideration of matters relating to them.

3. The parties recognize that collective bargaining in good faith will further their common aim of offering the best possible educational opportunities at the COLLEGES and assert their intention to abide by the terms of this Agreement.

4. For the purposes of this Agreement, the following definitions shall be applied:

"ACADEMIC FACULTY"—The bargaining unit consisting of department chairpersons, full-time teaching faculty including librarians with faculty status, part-time teaching faculty, librarians without faculty status and faculty members whose basic responsibilities lie outside of the classroom setting who have, by certification of the Pennsylvania Labor Relations Board (PLRB), been designated as ACADEMIC FACULTY (PERA-R-775-C).

"ADMINISTRATIVE FACULTY"—The bargaining unit consisting of faculty members whose basic responsibilities lie outside of the classroom who have not been designated as ACADEMIC FACULTY (PERA-R-1354-C).

"APSCUF"—The Association of Pennsylvania State College and University Faculties, Inc.
"COLLEGES"—All institutions of the Pennsylvania State College System including Bloomsburg State College, California State College, Cheyney State College, Clarion State College, East Stroudsburg State College, Edinboro State College, Indiana University of Pennsylvania, Kutztown State College, Lock Haven State College, Mansfield State College, Millersville State College, Slippery Rock State College and West Chester State College; and their respective branch campuses.

"COMMONWEALTH"—The Executive Branch of the Commonwealth of Pennsylvania for and on behalf of itself, the Department of Education, the State Board of Education, the Council of Higher Education, the Board of State College and University Directors, the COLLEGES and their respective Boards of Trustees.

"FACULTY" or "FACULTY MEMBERS"—All members of the bargaining units described in PLRB cases Numbers PERA-R-775-C and PERA-R-1354-C.

"PROBATIONARY NON-TENURED FACULTY MEMBER"—A Faculty Member who is appointed to a tenure track position and who has not been granted tenure.

Article I
RECOGNITION

The COMMONWEALTH and the COLLEGES and each of them recognize APSCUF as the sole and exclusive bargaining agent for FACULTY MEMBERS in the bargaining units above described and certified by the Pennsylvania Labor Relations Board in Case Nos. PERA-R-775-C, and PERA-R-1354-C, with respect to the COMMONWEALTH's obligations both to "negotiate" and to "meet and discuss", as those terms are used in Sections 701 and 702, respectively, of the Public Employe Relations Act ("Act 195").

Article II
ACADEMIC FREEDOM

A. A FACULTY MEMBER is entitled to full freedom in research and in the publication of the results, subject to the adequate performance of his/her other academic or administrative duties. An ad hoc committee with an equal number of members from APSCUF and from the COMMONWEALTH/COLLEGES has been established by agreement between the parties to review and make a report and recommendations to the parties on issues concerning the application of the State Ethics Act and the Governor’s Code of Conduct to FACULTY MEMBERS. This report and the recommendations shall relate to the application of the Act and the Code to research or employment for pecuniary return which might ostensibly interfere with the satisfactory performance of the FACULTY MEMBERS duties to the COLLEGE. When this committee has completed its review and made its report and recommendations to the parties, the parties agree to reopen this Section of this Article for negotiations.

B. A FACULTY MEMBER is entitled to freedom in the classroom in discussing his/her subject, but he/she should be careful not to introduce
into his/her teaching controversial matter which has no relation to his/her subject.

C. A COLLEGE FACULTY MEMBER is a citizen and a member of a learned profession. When he/she speaks or writes as a citizen, he/she should be free from COLLEGE censorship or discipline, but his/her special position in the community imposes special obligations. As a person of learning he/she should remember that the public may judge his/her profession and his/her COLLEGE by his/her utterances. Hence, he/she should at all times be accurate, should exercise appropriate restraint, should show respect for the opinions of others, and should make every effort to indicate that he/she is not a spokesperson of the COLLEGE(S). Acts which interfere with the activities of the COLLEGE(S), acts which interfere with the freedom of movement on the campus, or acts which interfere with the freedom of all members of the academic community to pursue their rightful goals, are the antithesis of academic freedom and responsibility. So also are such acts which, in effect, deny freedom to speak, to be heard, to study, to teach, to administer and to pursue research.

D. 1. FACULTY MEMBERS are entitled to freedom in the selection of textbooks, audio-visual aids and other teaching aids.

2. There shall be no censorship of library materials.

3. With respect to 1 and 2 above, budgetary limitations may restrict the quantity of items to be purchased.

E. Since certain aspects of the information obtained by a FACULTY MEMBER in the course of his/her work can be considered privileged, no FACULTY MEMBER shall be required to disclose such information unless he/she deems it to be in the best interest of his/her student or his/her profession. The COLLEGE will immediately advise the FACULTY MEMBER of any effort, by action of law or otherwise, to secure records or other information obtained by the FACULTY MEMBER. In no event shall the COLLEGE exercise any disciplinary action against a FACULTY MEMBER because of his/her assertion of privilege with regard to information under his/her control.

F. The provisions of this Article shall not be construed so as to deprive the COLLEGE or its designees of its right of access to and/or possession of files, records or materials maintained by FACULTY MEMBERS in behalf of the COLLEGE, provided, however, that grade books shall remain in the possession of the FACULTY MEMBER so long as he/she remains on the campus.

Article III
FAIR PRACTICES

A. Neither party hereto nor any FACULTY MEMBER shall discriminate against any other FACULTY MEMBER or candidate for employment on the basis of race, creed, color, sex, family status, age, national origin, APSCUF membership or activity or lack thereof, or political belief and/or affiliation.
B. There shall be no discrimination by either of the parties hereto or any FACULTY MEMBER against members of the same family regarding concurrent employment at any COLLEGE.

C. If any provision of this Agreement is in conflict with Federal Executive Orders 11246 and 11375, as amended, and the Civil Rights Act of 1964, and all laws and rules relating to the Commonwealth's Affirmative Action Program, the provisions of such orders, laws and rules shall prevail.

D. The parties shall meet and discuss at the state level during the term of this Agreement on such aspects of this Article that are of mutual interest.

**Article IV**

**DUTIES AND RESPONSIBILITIES OF FACULTY MEMBERS**

A. The concept of academic freedom must be accompanied by an equally demanding concept of academic responsibility. The concern of the COLLEGE(S) and its members for academic freedom safeguards must extend equally to requiring responsible service, consistent with the objectives of the COLLEGE(S). The universal responsibility of the teaching FACULTY MEMBER is effective teaching.

B. A proper academic climate can be maintained only when members of the FACULTY meet their fundamental duties and responsibilities regularly. These duties and responsibilities include but are not limited to: reporting promptly, and in advance if possible, any changes in class hours or classrooms assigned; preparing for and meeting their assignments which would include timely notification of the proper authority and making a reasonable effort to insure that assignments can be covered in case of absences; making a reasonable effort to notify students of any changes in class hours or classrooms assigned; keeping current in their academic disciplines through continuing scholarly activity; keeping office hours in accordance with Article XXIII, WORKLOAD AND WORKLOAD EQUIVALENTS; conferring with and advising students and advisees; evaluating fairly and reporting promptly student achievement; rendering service to the COLLEGE which would include participating in group deliberations which contribute to the growth and development of the students and the COLLEGE(S); and reporting promptly, and in advance if possible, absence from any assigned duty in accordance with the provisions of Article XVII, SICK LEAVE. All members of the FACULTY also have the responsibility to accept those reasonable duties assigned to them within their fields of competence. Additionally, FACULTY MEMBERS have the responsibility to perform other tasks characteristic of the academic profession as described in Article XII, PERFORMANCE REVIEW AND EVALUATION OF FACULTY, Section 1. A. 1. and to attempt honestly and in good conscience to preserve and defend the goals of the COLLEGE(S) which includes the right to advocate change.
Article V
GRIVANCE PROCEDURE AND ARBITRATION

A. Intent

It is the declared objective of the COMMONWEALTH/COLLEGES and APSCUF to encourage the resolution of grievances. In order to effect a prompt resolution of grievances, the COMMONWEALTH/COLLEGES, APSCUF and the FACULTY shall make available one to the other all known relevant facts so as to enable the parties to resolve grievances. The parties further agree that the orderly processes hereinafter set forth below shall be the sole method used for the resolution of grievances.

A grievance may be filed by a FACULTY MEMBER, a group of FACULTY MEMBERS, or APSCUF. APSCUF may present a policy grievance (one which effects more than one (1) person) at any step of the grievance procedure prior to arbitration. Decisions involving the non-renewal of probationary non-tenured FACULTY MEMBERS shall be governed exclusively by the provisions pertaining thereto as contained in Article XIV, RENEWALS AND NON-RENEWALS.

B. Definitions

A "grievance" is an allegation by APSCUF or a FACULTY MEMBER or group of FACULTY MEMBERS that there has been a specific violation, misinterpretation or improper application of an Article(s) and Section(s) of this Agreement by the COMMONWEALTH/COLLEGES and a statement of the remedy being requested. It is understood and agreed between the parties that APSCUF will be allowed to make amendments to the grievance up to the submission at step 3. It is also understood that if such amendments are made to the grievance in the submission to step 3, either party may resubmit the grievance to step 2 for reconsideration.

C. Procedure

Step One APSCUF, a FACULTY MEMBER or a group of FACULTY MEMBERS shall present a grievance orally or in writing at the lowest management level having authority to dispose of the grievance. The management representative shall investigate the grievance as he/she shall deem appropriate and respond to APSCUF and/or the grievant orally or in writing.

Step Two No grievance may be processed at this step or any subsequent step unless it has been filed in writing within forty (40) calendar days of the occurrence giving rise to the grievance or within forty (40) calendar days of the date on which the grievant(s), learned or should have learned of such occurrence. It is understood and agreed between the parties that APSCUF will be allowed to make amendments to the grievance up to the submission at step 3. It is also understood that if such amendments are made to the grievance in the submission to step 3, either party may resubmit the grievance to step 2 for reconsideration. If the grievance has not been resolved at step 1, the grievant, group of grievants or APSCUF shall reduce the grievance to writing, stating the facts, and listing the Articles and Sections of this Agreement upon which the grievance is based. Such written grievance(s) shall be submitted to the President or his/her designee. The President or his/her designee shall have
twenty (20) calendar days following the receipt of such written grievance to investigate the matter as he/she shall deem appropriate, discuss the matter with the grievant, group of grievants and/or the local APSCUF grievance chairperson or his/her designee where appropriate, and to submit a written response to the grievant, group of grievants and APSCUF.

**Step Three** If the grievance has not been resolved at step 2, the grievant, group of grievants or APSCUF may, within fifteen (15) calendar days after the decision from the President at step 2 is due, submit a written appeal to the Secretary of Education. The Secretary of Education shall have thirty (30) calendar days following the receipt of such written appeal to submit a written response to the grievant, group of grievants and APSCUF.

**Step Four—Binding Arbitration**

If the grievance has not been resolved at step 3, APSCUF, but not an individual FACULTY MEMBER or group of FACULTY MEMBERS, has the sole right to refer a grievance to arbitration and to conduct the proceeding as a party, and shall within forty (40) calendar days of the receipt of the written response from step 3 submit a written notice to the COMMONWEALTH'S SECRETARY OF BUDGET AND ADMINISTRATION, or his/her designee of its intent to submit the grievance to binding arbitration. The written notice of appeal to arbitration shall have attached to it, a copy of the original grievance, the step 3 response and any correspondence or related material which was provided by APSCUF at step 3. It is understood that only APSCUF, or counsel for APSCUF, may present the case in support of any grievance at arbitration.

D. The parties shall have the right mutually to agree upon the arbitrator, but in the event they cannot so agree within fifteen (15) calendar days of receipt of the above notice, the matter shall forthwith be submitted to the Pennsylvania Bureau of Mediation (“Bureau”) and the Bureau shall be required to submit a list or lists of arbitrators for the selection of an impartial arbitrator. If the parties cannot mutually agree to select one (1) of the arbitrators on the list, they shall alternately strike one arbitrator from the list until one arbitrator remains, who shall be the arbitrator for the specific grievance. APSCUF shall strike first from the list. Individuals placed on lists by the Bureau should be familiar with all aspects of the academic environment. The arbitration proceeding shall be held at such time and place as is convenient to the parties, consistent with the circumstances of the case.

The decision of the arbitrator shall be final and binding upon the parties, except where the decision would require an enactment of legislation in which case the decision shall be binding only if and when such legislation is enacted. The arbitrator shall have no authority to add to, subtract from, or modify this Agreement. Each case shall be considered on its merits and this collective bargaining agreement shall constitute the sole basis upon which the decision shall be rendered. If there is a question as to whether the arbitrator has jurisdiction to hear a case, this question must be heard and decided by the arbitrator prior to his/her hearing and deciding the merits of the case. The arbitrator shall confine himself/herself to the precise issue the parties have
agreed to submit for arbitration and shall have no authority to determine any other issues not so submitted to him/her. The arbitrator shall be requested to issue his/her decision within thirty (30) calendar days after the hearing or receipt of the transcript of the hearing.

The arbitrator's fees and expenses shall be shared equally by APSCUF and the COMMONWEALTH, but each party shall bear its own cost of preparing and presenting its case to the arbitrator. Where one of the parties to this Agreement requests a postponement of a previously scheduled arbitration which results in a postponement charge, the postponing party shall pay such charge unless the postponement results in a settlement of the grievance, in which event the postponement charge shall be divided equally between the parties. A postponement charge resulting from a joint postponement request shall be shared equally by the parties. Either party to an arbitration may request that a transcript of the hearing be made. The requesting party shall pay the cost for the transcript and shall provide a copy free of charge to the arbitrator. In the event that the party who did not order a copy of the transcript at the hearing subsequently decides to order a copy of the transcript, that party shall share equally in the cost of the copy of the transcript provided to the arbitrator.

E. The failure of either party to demand compliance with or to comply with the time limits of steps 1 to 3 of Section C of this Article shall not bar either party from requiring that the stated time limits at step 4 be met.

F. A FACULTY MEMBER may, in accordance with the provisions of Article XV, TENURE, appeal any discipline or discharge for just cause at the second step of this grievance procedure. Any such appeal must be presented in writing within fifteen (15) calendar days after the occurrence giving rise thereto or within fifteen (15) calendar days of the date on which the grievant learned or should have learned of such occurrence, whichever is later. APSCUF shall be notified promptly by the COMMONWEALTH/COLLEGES of any discipline or discharge.

G. Time of the Essence
1. The filing of a grievance or appeal from any step of this grievance procedure or the notice of any intent to arbitrate shall be accomplished within the time limits specified and, in the event such is not done, the Administration’s decision at the prior step shall be final and binding upon the parties and shall not be subject to further appeal of any kind; provided, however, that the said time limits may be extended by written or oral mutual agreement, for any reason and reasonable requests for extensions shall not be arbitrarily denied; and, provided further, that a grievant shall not be penalized as to time if he/she has been misled by a representative of the COMMONWEALTH/COLLEGE(S).

2. Failure to communicate a decision at any step of this grievance procedure within the specified time limits shall permit it to be advanced to the next step of the procedure, unless a longer period is established by mutual consent.
H. Rights of APSCUF

1. APSCUF's representative(s) shall be advised of the existence of a grievance as soon as the COLLEGE Administration becomes aware of its existence. As early as possible and practical, copies of all transcripts, documents and correspondence filed with respect to a grievance shall be made available to APSCUF, and at APSCUF's request be provided to APSCUF. Costs of reproduction shall be borne by APSCUF should the COMMONWEALTH/COLLEGES request such payment.

2. Any individual FACULTY MEMBER or group of FACULTY MEMBERS shall have the right at any time to present grievances to the COMMONWEALTH/COLLEGES and have them adjusted without the intervention of APSCUF, as long as the adjustment is not inconsistent with the terms of this Agreement; and provided further that APSCUF has been given the opportunity to be present at such adjustment.

3. APSCUF's representative(s) shall be permitted to represent the grievant when requested to do so by the grievant and, in any event, to represent and speak on behalf of APSCUF's particular point of interest in connection with that grievance. In this regard, it is understood that the grievant has the right to represent himself/herself and APSCUF shall not interfere with that right.

I. Settlement

Any settlement, withdrawal or disposition of a grievance at any step below Step 3 in Section C, above, shall not constitute a binding precedent for the settlement of similar grievances in the future.

The President or his/her designee and a committee selected by the department shall designate the individual or individuals who is(are) mutually acceptable to serve in the post of department chairperson. The chairperson shall be elected (or rejected) by the majority secret ballot vote of the regular full-time FACULTY MEMBERS within the department from the individual or individuals designated. Except as provided in paragraph 4, below, this procedure shall apply with respect to the appointment of an interim or acting department chairperson.

2. Department chairperson election shall be convened no later than May 1, 1975 and thereafter every two (2) years. Newly elected department chairpersons shall take office June 1 of the year in which elected. Should vacancies occur during the term of office, a special election must be held under the terms described above with the newly elected chairperson serving until the next regularly scheduled round of departmental elections.

3. Where, in accordance with the COMMONWEALTH/COLLEGE regulations there is mutual agreement as to the need for an assistant department chairperson, that assistant shall be appointed by the chairperson so long as the proposed appointee receives the approval of the majority of the regular full-time FACULTY MEMBERS of the department and the approval of the President. Any such assistant shall serve at the pleasure of the chairper-
son, and in the event a new chairperson is selected for the department, the assistant chairperson's term shall terminate.

4. In the event there can be no agreement as to a mutually acceptable candidate for the office of department chairperson, the President shall have the right to appoint an interim chairperson for a period not to exceed two consecutive terms of three (3) months each, unless a longer period is mutually agreed upon; provided, however, that the President's appointee shall not be an individual previously rejected by the vote of the department.

5. When a department chairperson is not properly performing his/her duties in accordance with Article VI, DUTIES OF DEPARTMENT CHAIRPERSONS, the President may remove the chairperson from office. A majority of the regular full-time FACULTY MEMBERS of a department may request that the President remove the department chairperson and the President may, in his/her sole discretion, take such action. The request from the majority of regular full-time FACULTY MEMBERS must be in writing, must be signed by those FACULTY MEMBERS making the request, and must contain a statement of the reasons for the request. Where such action is taken by the President, the procedures set forth in Subsections 1 through 4 above shall be followed in order to fill the chairperson vacancy.

B. Other Academic Faculty Members

1. a. In the event the President approves the filling of an opening within a department, a candidate, who may be secured from any source, first must be recommended by the majority of the regular full-time department FACULTY in accordance with the procedure developed by that department FACULTY.

   b. The right of department FACULTY to recommend a candidate for hiring shall also include the right to recommend equivalencies in lieu of the qualifications specified in Act 182 (1963), as amended, for the purposes of hiring.

   c. If a candidate is not recommended by the department FACULTY, he/she shall not be hired. If a candidate is recommended to the department by management and is rejected by the department, the reasons therefore shall be given in writing to the President or his/her designee within fourteen (14) calendar days of such rejection.

2. The recommendation of the department FACULTY in accordance with the provisions of Section B. 1. A., above, then must be reviewed by the department chairperson.

3. After review by the department chairperson, the name of a candidate(s) recommended by the majority of regular full-time department FACULTY, irrespective of the recommendation of the department chairperson, shall be submitted to the President or his/her designee, together with the recommendations both of the majority of regular full-time department FACULTY and of the department chairperson. The President or his/her designee may accept or reject the recommendation of the department FACULTY, including the recommendation of the department chairperson, and that
decision shall be final; provided, however, that if the recommendation is re­
jected, the reasons therefore shall be given to the department FACULTY, if
requested; and provided further, that in the event of any such rejection, the
procedure specified above shall be repeated until a candidate shall have been
appointed to fill the opening.

4. If the President agrees with the majority of the regular full-time de­

the appointment of that candidate to such rank and at such salary as he/she
shall deem appropriate.

5. In the event there is no agreement between the President and the
majority of the regular full-time department FACULTY as to a mutually ac­

shall have the right to appoint a person to fill the opening on an interim
basis for a period not to exceed nine (9) months or one (1) academic year,
unless a longer period is mutually agreed upon. In no case may the President
appoint a person more than once under the provisions of this subsection.

Article XII

PERFORMANCE REVIEW AND EVALUATION OF FACULTY

Section 1. The following evaluation procedure shall apply to all FACUL­
TY MEMBERS at each COLLEGE.

A. Criteria for Performance Review

1. The criteria set forth below may be added to by mutual agree­
ment at local Meet and Discuss. Under no circumstances may
deletions be made. Under each criteria set forth below there are
listed some examples of data upon which judgments can be made
of the FACULTY MEMBER'S performance relative to the given
criteria. When evaluating the data, the appropriate evaluator(s)
shall give greater weight to the quality of the performance re­
lected in the data, than to the quantity of the data.

   a. Effective teaching. This will be indicated by such data as;
      student evaluations, peer evaluations, classroom visitations,
      quality of syllabi, and any other data deemed appropriate and
      agreed to by the FACULTY and Administration at local Meet
      and Discuss. Evaluation of teaching effectiveness will not be
      based on a single datum.

      A combination of all appropriate data will be used to give
      sufficient evidence for an overall judgment of teaching ef­
      fectiveness.

   b. Continuing scholarly growth. This will be indicated by
      such data as: development of experimental programs, papers
      delivered at national and regional meetings of professional so­
      cieties; regional and national awards; offices held in profes­
      sional organizations; invitational lectures given; participation
      in panels at regional and national meetings of professional or­
      ganizations; quality of applications for grants, grant acquisitions;
editorships of professional journals; publications record; participation in juried shows; program-related projects; quality of musical or theatrical performances; participation in one-person or invitational shows; and any other data agreed to by the FACULTY and Administration at local Meet and Discuss.
c. Contribution to the COLLEGE. This will be indicated by such data as: quality of participation in program, department, college, and university committees; quality of academic advising; quality of curriculum development; willingness to accept departmental work assignments; timely execution of work assignments; and any other data agreed to by the FACULTY and Administration at local Meet and Discuss.
d. Contribution to the Community. This will be indicated by such data as: voluntary membership in professionally oriented, community based organizations reasonably related to the FACULTY MEMBER'S discipline; lectures and consultations; consulting with local and area agencies and organizations; and any other data agreed to by the FACULTY and Administration at local Meet and Discuss.

Section 2. Procedure
A. Performance Review General Procedure
1. a. Each department shall select a committee to assist in the evaluation function. The department evaluation committee shall consist of at least three (3) members, and shall exclude the department chairperson. The manner of selection shall be determined by the FACULTY MEMBERS in each department. If necessary, or desirable, as determined by the department or President, individuals from the same or within related disciplines, mutually acceptable to the FACULTY MEMBER, department and COLLEGE, who are from outside the department or the COLLEGE(S) may be used in any or all parts of the evaluation process. Where a mutually acceptable individual cannot be agreed upon, the President shall provide the FACULTY MEMBER and the department with a list containing the names of at least three individuals who have the qualifications for the position held by the FACULTY MEMBER being evaluated. The FACULTY MEMBER shall have three (3) working days in which to select one individual from this list. If the FACULTY MEMBER fails to make a selection within the three (3) day period, the President, in consultation with the department chairperson and the department, shall designate one individual from this list to serve on the department evaluation committee. No FACULTY MEMBER or member of his/her immediate family (husband, wife, child, parent, parent-in-law, brother, sister, brother-in-law or sister-in-law) shall serve as a committee member on his/her own evaluation committee. The Committee shall announce the rules and procedures under which it will operate prior to the commencement of the evaluation process.
b. The Committee shall utilize the following materials in preparation of its written review and recommendation:

1. Student evaluations in all classes during the fall of the year of evaluation for tenured faculty, and twice each academic year in all classes for probationary non-tenured faculty. An instrument for student evaluation of faculty shall be approved by local APSCUF, the COLLEGE management, and the appropriate student government body as designated by the President. If, in any year, no approved procedure and/or instrument exists, the department chairperson shall administer a student evaluation. Reproduction and tabulation of the COLLEGE-wide student evaluation instrument will be the responsibility of the COLLEGE management.

2. Peer evaluations by the Department Evaluation Committee and the department chairperson, including reports of classroom visitation. There shall be at least two (2) such classroom visitations each semester by the department committee, and one such classroom visitation each year by the department chairperson for all non-tenured faculty. For all tenured faculty in the year of evaluation, there shall be one such classroom visitation each semester by the department committee and one such classroom visitation during the year by the department chairperson. Prior to putting a classroom visitation report in writing, there shall be a discussion of the observations with the FACULTY MEMBER. These reports shall not displace nor diminish the importance of other evidence of the degree to which the FACULTY MEMBER's responsibilities have been met during the evaluation period. The departmental committee shall designate the manner in which peer evaluations will take place.

3. An updated copy of the FACULTY MEMBER'S vita.

4. Any other pertinent data the FACULTY MEMBER wishes to submit (copies of articles published, letters from references, copies of grant applications, etc.).

5. Other data which the Committee may deem pertinent.

c. 1. The Committee shall provide the FACULTY MEMBER with a reasonable opportunity to discuss its report after which the committee shall submit its detailed written report and recommendation along with the above mentioned supportive materials enumerated in Section 2, A. 1. b. to the appropriate Academic Dean with a copy to the FACULTY MEMBER and the department chairperson. The FACULTY MEMBER may, if he/she disagrees with the committee's report, send to the Dean a written response to the Committee's report.

2. The department chairperson shall provide the FACULTY MEMBER with a reasonable opportunity to discuss his/her report after which the chairperson shall independently send a written report with recommendations to the appropriate
Academic Dean. The chairperson’s evaluation shall be based on his/her knowledge and personal observation of the FACULTY MEMBER’S performance, the results of the departmental committee’s report and recommendations and the materials submitted by the FACULTY MEMBER. The chairperson shall provide copies of his/her report and recommendations to the FACULTY MEMBER and the department committee.

3. The Dean shall provide a written performance review in accordance with Section 2, subsections B, C, and D of this Article. The FACULTY MEMBER shall be provided with an opportunity by the Dean to discuss the performance review and such discussion shall be specific and detailed and clearly set forth those areas of performance, if any, which require improvement. This review shall be based on the data supplied by the department committee, department chairperson and any other relevant and substantiated data gathered by the Dean.

2. The failure of a department, the department chairperson, or the department evaluation committee to carry out their duties and responsibilities shall not bar the President, the appropriate Academic Dean or other COLLEGE management personnel from conducting, in good faith, the performance evaluation reviews nor from taking action to non-renew a probationary non-tenured FACULTY MEMBER.

3. All evaluation reviews conducted by the President, appropriate Academic Dean or other COLLEGE management personnel shall be subject to the provisions of Article V, GRIEVANCE PROCEDURE AND ARBITRATION, but only to the extent that the evaluation review was conducted in an arbitrary or capricious fashion. Action or inaction by the department, department chairperson or department evaluation committee with regard to the provisions of this Article shall not be subject to the provisions of Article V, GRIEVANCE PROCEDURE AND ARBITRATION.

B. Evaluation of Probationary Non-Tenured Faculty

1. A newly appointed tenure track FACULTY MEMBER will have probationary status for a period of five years. Probationary faculty shall be made aware, by management in writing, at the time of their employment of the rules, regulations, procedures and objectives they are required to meet as FACULTY MEMBERS of the COLLEGE. A copy of each letter of appointment shall be sent to the local APSCUF President.

No later than February 15 of the first year of appointment, all probationary non-tenured FACULTY MEMBERS shall receive a performance review evaluation as provided for in Section 2 of this Article. The performance review evaluation shall contain a recommendation concerning renewal or non-renewal and shall specify any improvements which may be necessary.
Probationers in the second, third, fourth, or fifth year of employment will receive a performance review evaluation as provided for in Section 2 of this Article no later than December 15 of their second, third, fourth, or fifth year of probationary employment. This performance review shall contain a recommendation concerning renewal or non-renewal and shall specify any improvements in the performance which are recommended by the evaluator(s).

No evaluations will be required during the academic year in which a probationer is sent a notice of non-renewal by the President.

Probationary non-tenured FACULTY MEMBERS hired in January shall be given their first performance review evaluation in October of the next academic year. Commencing on December 15 of the following academic year performance review evaluations will be in accordance with the schedule set forth above in this section.

2. Procedures relating to retention of a probationary non-tenured faculty member will be in accordance with the provisions of Article XIV, RENEWALS AND NON-RENEWALS.

C. Evaluation of Tenured Faculty
1. Each tenured FACULTY MEMBER shall receive a performance review evaluation as provided in Section 2 of this Article no later than May 15 of his/her fifth year of appointment as a tenured FACULTY MEMBER and again no later than May 15 of every fifth year thereafter.

2. In the event that a tenured FACULTY MEMBER is on leave during any part of his/her evaluation year, he/she will be evaluated the first year following the leave.

3. Interim evaluations may be conducted, if judged necessary by the department or if required by the appropriate Academic Dean. These performance reviews must be provided in writing to the tenured FACULTY MEMBER.

D. Evaluation of Administrative and Non-Teaching Academic Faculty
1. The evaluation process for administrative and non-teaching academic faculty will be the same as that outlined in Section 2, subsections A, B, and C of this Article. The written performance review will be provided to the administrative and non-teaching academic FACULTY MEMBER by the appropriate management supervisor.

2. Criteria for the evaluation of administrative and non-teaching academic faculty shall be the same as for teaching faculty as set forth in Section 1 of this Article, except that performance of duties as described in the official position description will be used in lieu of effective teaching. In the case where a teaching assignment is made, the criteria for effective teaching shall be included.
Article XIII
PERSONNEL FILES

A. Each COLLEGE shall maintain one (1) confidential complete official personnel file for each FACULTY MEMBER. No anonymous material shall be placed in the official personnel file. A FACULTY MEMBER upon his/her request shall have the right to receive a copy of material placed in the personnel file by management personnel.

2. In addition, there may be one (1) official pre-employment file which shall be confidential and shall contain letters of reference and recommendations and/or material related thereto secured from sources outside the COLLEGE. At the time of the granting of tenure all letters of reference and recommendation shall be destroyed and academic credentials shall be transferred to the official personnel file, unless there is an Equal Employment Opportunity Commission action pending against the COLLEGE. If there is an Equal Employment Opportunity Commission action pending, the pre-employment file should be forwarded to the Office of the Chief Counsel for the Department of Education for inclusion in that Office’s litigation files or for destruction by that Office.

3. A FACULTY MEMBER shall have the right to make such additions or responses to the material contained in his/her official personnel file as he/she shall deem necessary. Only material which is directly related to the FACULTY MEMBER’s work performance shall be included in the confidential personnel file.

B. 1. A FACULTY MEMBER shall have access to his/her official personnel file during regular office hours, provided that there shall be no undue interference with the normal routine of the office. Under no circumstances shall the official personnel file be removed from the office by the FACULTY MEMBER, and his/her access to the file shall be only in the presence of someone in authority in the office.

2. In addition to the FACULTY MEMBER, only the agency head, President and his/her designees shall have access to the official personnel file without the express written approval of the FACULTY MEMBER. The President and his/her designee shall be responsible for the placement of material in, and the removal of material from, the official personnel file.

3. The FACULTY MEMBER shall have no right of access to the official confidential pre-employment file.

4. APSCUF shall have access to the official personnel file of a FACULTY MEMBER at reasonable times during regular office hours, after having given reasonable notice, provided APSCUF first shall have obtained the express written approval of that FACULTY MEMBER.

5. Departmental and COLLEGE-wide tenure and promotion committees shall have access to the official personnel file of any FACULTY MEMBER who is being considered for tenure and/or for promotion who, at the time of application, gives approval in writing. The application form of each COLLEGE shall include a statement giving the applicant an option either to submit or to withhold the file.
C. If the official personnel file is duly subpoenaed in accordance with law, the FACULTY MEMBER shall be notified at the earliest possible time.

Article XIV

RENEWALS AND NON-RENEWALS

A. Procedure

1. Probationary non-tenured faculty appointments are for one (1) year at a time and are subject to renewal or non-renewal. The total period of unbroken full-time service in a probationary non-tenured faculty position at the same COLLEGE prior to applying for tenure will be four and one-half (4½) years.

2. In the case of each probationary non-tenured FACULTY MEMBER, a determination must be made each year whether to renew the appointment of the probationer or non-renew the probationary non-tenured FACULTY MEMBER'S appointment. A probationary non-tenured FACULTY MEMBER in his/her fifth year of probationary employment may apply for tenure by December 31 (May 1 for FACULTY MEMBERS with January anniversary dates). Failure to apply for tenure shall result in the sixth year being the terminal year of employment.

3. The evaluation procedures for probationary non-tenured FACULTY MEMBERS are delineated in Article XII, PERFORMANCE REVIEW AND EVALUATION OF FACULTY.

4. Notice of Renewal and Non-Renewal
   a. Probationers appointed at the start of the academic year.
      1. Probationers in their first year:
         No later than April 1, first year probationers will be notified, in writing, by the President of renewal or non-renewal. The non-renewal will be effective at the end of that academic year. Reasons for non-renewal shall be supplied to the FACULTY MEMBER, in writing, if requested.
      2. Probationers in their second through fourth year:
         Notice of renewal or non-renewal of second, third, and fourth year probationers will be sent by the President no later than January 30 of the second, third, or fourth year of probationary employment. Non-renewals will be effective at the end of the academic year in which the non-renewal notice is sent. Reasons for non-renewal shall be supplied to the FACULTY MEMBER, in writing, if requested.
      3. Probationers in their fifth year:
         Notice of renewal or non-renewal of fifth year probationers will be in accordance with the provisions of Article XV, TENURE.
   b. Probationers appointed at mid-year (January)
      1. For probationers in their first year of probationary employment, notice of renewal or non-renewal for mid-year appointees shall be sent by the President no later than November 15 of their first year of probationary employment, and such non-renewal shall be effective at the end of that semester.
2. For probationers in their second, third, and fourth year of probationary employment, notice of renewal or non-renewal for mid-year appointees shall be sent by the President no later than January 30 of the third, fourth, or fifth year of probationary employment. Such a non-renewal notice shall be effective at the end of the spring semester of the third, fourth, or fifth year of probationary employment.

3. Notice of renewal or non-renewal of fifth year mid-year appointees shall be in accordance with the provisions of Article XV, TENURE.

5. An individual probationary non-tenured FACULTY MEMBER in the first through fourth year of probationary employment shall have the right to grieve, in accordance with Article V, GRIEVANCE PROCEDURE AND ARBITRATION, non-renewal only as to himself/herself and then only with respect to failure to observe the time limits set forth in Section A (4) of this Article. Action or inaction by FACULTY MEMBERS of the bargaining unit relating to renewals and non-renewals shall not be grievable and shall not bar the President from taking actions which he/she deems to be either appropriate or required.

B. Resignation

Any FACULTY MEMBER who does not intend to return for the following ACADEMIC YEAR shall so notify the President at the earliest possible time, but not later than March 31 of the then current year.

The COMMONWEALTH/COLLEGES shall have no obligation to provide letters of reference to any FACULTY MEMBER who fails to comply with the provisions of this section.

Article XV
TENURE

A. Definition

Tenure shall mean the right of a FACULTY MEMBER to hold his/her position and not to be removed therefrom except for just cause as herein-after set forth in this Article or except as provided elsewhere in this Agreement.

B. Beginning July 1, 1981, there shall be a probationary period of five (5) full academic years at the COLLEGE (From the most recent date of appointment) for each FACULTY MEMBER. During the probationary period, the FACULTY MEMBER shall be observed and evaluated in accordance with the provisions of Article XII, PERFORMANCE REVIEW AND EVALUATION OF FACULTY. Only full-time employment at the COLLEGE in a non-temporary position shall be counted in computing the probationary period, except that time spent in a temporary or regular part-time, temporary full-time or regular full-time position at any COLLEGE(S) may, on the recommendation of the department and the approval of the President, be counted toward the required probationary period. No FACULTY MEMBER will be
granted tenure unless he/she has met the minimum qualifications for the rank of assistant professor as set forth in applicable laws.

C. Each COLLEGE President shall, by October 1 (February 1 for FACULTY MEMBERS with January anniversary dates), send a notice to all fifth year probationers with copies to the appropriate department chairperson, notifying the fifth year probationer that he/she has until December 31 (May 1 for FACULTY MEMBERS with January anniversary dates) of that year to apply for tenure. By December 31 (May 1 for FACULTY MEMBERS with January anniversary dates) of the fifth year of the probationary period, a FACULTY MEMBER may apply for tenure. The request for tenure shall be submitted to the President, with a copy to the appropriate department. This request shall include a statement of the reasons why the FACULTY MEMBER believes he/she should be granted tenure. By May 31 (December 31 for FACULTY MEMBERS with January anniversary dates) of the fifth year of probationary employment, the President shall either grant tenure to the probationer or the probationer’s sixth year of employment shall be a terminal year of employment.

If a fifth year probationary FACULTY MEMBER fails to apply for tenure, that probationer’s sixth year of employment shall be a terminal year.

D. All present FACULTY MEMBERS who hold tenure as the result of procedures established at their respective COLLEGES shall continue in that status.

The length and conditions of the probationary period of FACULTY MEMBERS who were on the payroll during the spring semester of the 1980-81 Academic Year and who have been in continuous employment with the COLLEGE shall be the same in all respects as the length and conditions which were in effect at the time of their initial continuous employment at the COLLEGE.

E. The procedure for granting tenure shall be:

1. A department committee, which shall include tenured FACULTY MEMBERS, if available, shall recommend to the COLLEGE-wide tenure committee, elected by and from the FACULTY, the names of those eligible fifth-year probationary non-tenured FACULTY MEMBERS of the department who have applied for tenure and whom they consider to be qualified for tenure; provided, however, that the department chairperson shall make an independent recommendation to the COLLEGE-wide tenure committee regarding those other than himself/herself who may have been recommended by the department committee. The recommendation of the department committee and of the department chairperson shall be completed no later than March 1 (October 1 for FACULTY MEMBERS with January anniversary dates), and by that date, the department chairperson shall submit the full list provided by the department committee together with his/her recommendation, in writing, with respect to each eligible member, to the COLLEGE-wide tenure committee, and a copy of the full list shall be forwarded to the President. In no case shall a FACULTY MEMBER take part in the consideration of tenure for himself/herself.
2. The COLLEGE-wide tenure committee shall review all tenure applications and recommendations received from the departments and shall, by April 1 (November 1 for FACULTY MEMBERS with January anniversary dates), submit its recommendations (positive and negative), together with the data upon which those recommendations are based, to the President or his/her designee.

3. The President shall grant tenure effective as of the beginning of the next academic term to those FACULTY MEMBERS whom he/she approves and such decisions shall not be subject to the provisions of ARTICLE V, GRIEVANCE PROCEDURE AND ARBITRATION. However, if at least two of the three recommendations (department committee, COLLEGE-wide committee, department chairperson) are positive with respect to the granting of tenure and the President denies tenure, the FACULTY MEMBER shall have the right to grieve the denial of tenure in accordance with the terms of ARTICLE V, GRIEVANCE PROCEDURE AND ARBITRATION.

4. The President shall notify in writing each eligible FACULTY MEMBER, who applied for tenure in accordance with the above, of either the positive or the negative decision made with respect to the granting of tenure. The President shall make his/her decision by May 31 (December 31 for FACULTY MEMBERS with January anniversary dates). In the event that the President does not grant tenure to a FACULTY MEMBER who has been so recommended by the COLLEGE-wide tenure committee, the reasons therefore shall be given to such committee and the affected FACULTY MEMBER(s), if requested in writing.

5. The President shall act independently if the committee(s) fail to act within the time limits specified. Action or inaction by FACULTY MEMBERS of the bargaining unit relating to tenure is not grievable and will not bar the President from taking actions he/she deems to be either appropriate or required.

6. Representatives of local APSCUF shall have the right to meet with the department and COLLEGE-wide tenure committees for the purpose of explaining the duties and responsibilities of committee members.

F. 1. A tenured FACULTY MEMBER may be terminated, suspended without pay for a period not to exceed sixty (60) days, or otherwise disciplined only for just cause. In the event the President believes such just cause exists, he/she shall give written notice, specifying the reasons, to the affected FACULTY MEMBER and APSCUF, and that FACULTY MEMBER shall have the right to grieve solely by means of and in compliance with all provisions of the procedure provided for in Article V, GRIEVANCE PROCEDURE AND ARBITRATION; provided, however, that this procedure must be initiated by the FACULTY MEMBER at step 2, within fifteen (15) calendar days of the sending of the written notice to the FACULTY MEMBER and APSCUF.

2. A probationary non-tenured FACULTY MEMBER may be terminated, suspended without pay for a period not to exceed sixty (60) days, or otherwise disciplined at any time prior to the expiration of his/her five year probationary period. The President shall give written notice to the af-

23
fected non-tenured probationary FACULTY MEMBER and APSCUF, specifying the reasons for the discipline, and that non-tenured probationary FACULTY MEMBER shall have the right to grieve where the non-tenured probationary FACULTY MEMBER asserts that the discipline is discriminatory or arbitrary and capricious, but such assertions shall be processed solely by means of and in compliance with all provisions of the procedure provided for in Section C of Article V, GRIEVANCE PROCEDURE AND ARBITRATION; provided, however, that this procedure shall be initiated by the probationary FACULTY MEMBER at step 2 within fifteen (15) calendar days of the receipt of the written notice to the probationary non-tenured FACULTY MEMBER and APSCUF. This subsection does not apply to non-renewal actions.

G. If a FACULTY MEMBER is terminated and a grievance is filed contesting the termination, all pay and benefits shall continue for a period of ninety (90) days from the effective date of termination, which date shall be determined solely by the President in his/her discretion. At the end of this ninety (90) day period all pay shall cease; all benefits likewise shall cease, with the exception of life insurance, and Blue Cross/Blue Shield/Major Medical coverage, which shall continue until the date the grievance is resolved or the date the arbitration decision is issued on the grievance, whichever occurs first.

The President, in his/her sole discretion, may extend the termination date of a FACULTY MEMBER and may assign the FACULTY MEMBER the same or other academic or administrative duties if the President in his/her sole discretion determines that such assignment will not be detrimental to the operation of the COLLEGE. The FACULTY MEMBER may, at the President’s sole discretion, be offered these same or other duties and may continue on the payroll of the COLLEGE but only for the remainder of the then current academic semester and at the rate of pay of the position from which the FACULTY MEMBER was terminated.

If a terminated FACULTY MEMBER contests his/her termination by filing a grievance, such grievance will be handled in an expeditious fashion in the steps of the grievance procedure. If the grievance is not resolved by the third step of the grievance procedure and APSCUF requests that the grievance be submitted to arbitration, the parties will make a good faith effort to schedule the grievance for hearing before an arbitrator within ninety (90) days, or sooner if possible, of the date the request for arbitration is received by the COMMONWEALTH/COLLEGES.

H. Prior to July 1, 1982, a FACULTY MEMBER’S tenure automatically shall terminate when he/she reaches age sixty-five (65) and he/she may be offered and may voluntarily accept a year-to-year contract, in accordance with the provisions of Article XX, RETIREMENT. Subsequent to July 1, 1982, a FACULTY MEMBER’S tenure automatically shall terminate when he/she reaches age seventy (70), after which the FACULTY MEMBER may be offered and may voluntarily accept a year to year contract, in accordance with the provisions of Article XX, RETIREMENT.

LEAVES OF ABSENCE

A. Sabbatical Leaves

1. A leave of absence for a period not to exceed eighteen (18) COLLEGE calendar weeks with full pay in accordance with current scheduling practice,
or a leave of absence for a period not to exceed thirty-six (36) COLLEGE calendar weeks with half pay, in accordance with current scheduling practice, for restoration of health, study, travel or other appropriate purposes, may be requested by a FACULTY MEMBER and may, at the discretion of the President, be granted to any FACULTY MEMBER of any COLLEGE who has submitted a request for consideration for a sabbatical leave and who has completed seven (7) or more years of satisfactory service as a FACULTY MEMBER of one (1) or more of the COLLEGES, as specified below. Library FACULTY MEMBERS who were granted academic faculty rank shall accrue credits towards sabbatical leave only from the date the academic faculty rank was granted.

2. At least five (5) consecutive years of such service shall have been rendered to the COLLEGE from which the leave is sought. A FACULTY MEMBER who has been granted an approved leave without pay shall not be deemed to have had his/her consecutive service interrupted; provided, however, that time spent on such leave shall not count as service toward a sabbatical leave nor towards the accumulation of sick leave.

3. If the COLLEGE operates on a system of units other than semesters, the FACULTY MEMBER may, at his/her option, be granted a sabbatical leave corresponding to one (1) or more of these units so long as the restriction set forth in subsection 1. above, concerning total weeks of sabbatical leave which can be granted in each such leave, is met.

4. One (1) sabbatical leave may be requested, considered and granted in accordance with the procedures set forth in this Article for each additional seven (7) years of service. Leaves shall be accumulated so that no one shall lose entitlement to consideration for a sabbatical leave because of failure to use leave due to scheduling practices at a particular COLLEGE, but no one shall be entitled to be considered for or use more than thirty-six (36) weeks of the accumulated leave as part of any one (1) sabbatical leave.

5. NO FACULTY MEMBER who resigns or who is retrenched, terminated or for any other reason leaves employment with the COMMONWEALTH/COLLEGES shall be entitled to request or be considered for the grant of a sabbatical leave. No sabbatical leave shall be granted unless the FACULTY MEMBER shall agree in writing to return to his/her employment with the COLLEGE for a period of not less than one (1) year immediately following the expiration of such leave of absence. Where a FACULTY MEMBER has requested, been considered for, been granted and scheduled for a sabbatical leave in accordance with provisions of Section F.1. of Article XXIX, RETRENCHMENT, and that FACULTY MEMBER thereafter receives a notice of retrenchment in accordance with the terms of that same Article, the FACULTY MEMBER will be entitled to be returned to his/her former position but only for that period of time which preceeds the effective date of the retrenchment. Nothing in this Agreement shall prevent the COMMONWEALTH/COLLEGES from providing FACULTY MEMBERS who are on approved sabbatical leaves with notice of retrenchment in accordance with Article XXIX, RETRENCHMENT.
6. No sabbatical leave of absence shall be considered a termination or breach of the contract of employment and the FACULTY MEMBER on sabbatical leave shall be returned to the same position he/she occupied prior thereto. Where a FACULTY MEMBER has requested, been considered for, been granted and scheduled for a sabbatical leave in accordance with the provisions of Section F.1. of Article XXIX, RETRENCHMENT, and that FACULTY MEMBER thereafter receives a notice of retrenchment in accordance with the terms of that same Article, the FACULTY MEMBER will be entitled to be returned to his/her former position but only for that period of time which precedes the effective date of the retrenchment.

7. If a FACULTY MEMBER is granted a sabbatical leave during two summer periods the FACULTY MEMBER shall receive five (5) bi-weekly checks for each of the two summer periods. However, a FACULTY MEMBER granted such a sabbatical leave shall not be eligible for a summer school contract.

8. Every FACULTY MEMBER while on sabbatical leave of absence shall be considered to be in regular full-time daily attendance in the position from which the leave is being taken during the period of said leave, for the purpose of determining the FACULTY MEMBER’S length of service and the right to receive increments as provided by law or contract.

9. Every FACULTY MEMBER on sabbatical leave shall retain the right to make contributions as a member of the State Employees’ Retirement Fund, the Public School Employees’ Retirement Fund or TIAA-CREF and continue his/her membership therein.

10. Nothing in this Section shall be construed to prevent any FACULTY MEMBER on sabbatical leave from receiving a grant for further study from any institution of learning other than the COLLEGE which employes him/her.

12. a. A committee chosen by and from the FACULTY at each COLLEGE shall receive applications for sabbatical leaves at a time and in a manner which it shall determine and announce.

b. The committee shall review applications and forward the full list of applicants, with such recommendations, in priority order to the President or his/her designee at least eleven (11) months before the leave is to commence.

c. Should the President or his/her designee reject in whole or in part the recommendations of the committee, the committee shall be notified in writing and the chairperson of the committee shall be given an opportunity to discuss the matter with the President or his/her designee, but the President shall make and announce his/her decision with respect to the granting of sabbatical leaves not later than eight (8) months prior to the beginning of the time when the leave will commence.

d. As authorized by law, the President of each COLLEGE shall have the right to consider requests for and make the determination concerning the grant of sabbatical leaves as he/she in his/her sole discretion deems
appropriate and to make such regulations as he/she may deem necessary to make sure that a FACULTY MEMBER on sabbatical leave utilizes such leave properly for the purpose for which it was granted, including requiring reports from the FACULTY MEMBER in such manner as the President may deem necessary.

e. (1) An individual FACULTY MEMBER shall have the right to grieve, in accordance with the procedures of Article V, GRIEVANCE PROCEDURE AND ARBITRATION, sabbatical leave decisions but only as to himself/herself and then only with respect to failure to observe the specific procedures set forth above.

(2) APSCUF shall have the right to grieve in accordance with the procedures of said Article V, with regard to a substantial change in the pattern of granting sabbatical leaves at a specific COLLEGE.

A. A FACULTY MEMBER who sustains a work-related injury during the period of this Agreement, as the result of which the employe is disabled, if so determined by a decision issued under the operation of the Workers' Compensation Insurance program, shall be entitled to work-related disability leave. Work-related disability leave is a leave of absence for which the FACULTY MEMBER will be paid full pay reduced by an amount that yields a net pay, including Workers' Compensation and Social Security Disability Benefits, that is equal to the FACULTY MEMBER's net pay immediately prior to the injury. Net pay prior to injury is defined as gross base pay minus federal, state, and local withholding and Social Security and retirement contributions. Work-related disability leave shall be payable for an aggregate of twelve (12) months or for the duration of the disability, whichever is the lesser. In no case, however, will the aggregate of twelve (12) months extend beyond three (3) calendar years from the date the injury occurred.

B. There shall be no reduction in credited service under the State Employees' Retirement Code during the period of time that the FACULTY MEMBER is on work-related disability leave.

C. A FACULTY MEMBER who qualifies for work-related disability leave shall not be entitled to use sick, annual or personal leave during the period of eligibility. If the disability continues sick leave accumulation may
be taken at the expiration of the eligibility period to the extent of such ac­cumulation, or ninety (90) days in a calendar year whichever is less. Ef­fective July 1, 1981, sick leave and annual leave shall be earned on thirty­four per cent (34%) of the work-related disability leave hours used. Personal leave shall not be earned during work-related disability leave.

D. In no case shall a FACULTY MEMBER be entitled to full pay and Workers’ Compensation and/or Social Security for the period of eligibility. The Employer shall recover any amount in excess of the FACULTY MEM­BER’s work-related disability leave amount. Failure to apply for or report Social Security or other applicable disability benefits to the Employer will result in the termination of work-related disability leave.

E. State paid coverage for life insurance and for hospital and medical insurance under the BC/BS/MM Plan as provided in Article XXI, FRINGE BENEFITS, will continue for the period of time that the employe is on work-related disability leave.

F. A FACULTY MEMBER has the right to return to a position in the same department and at the same rank held before being disabled for a period of up to three (3) years from the date the injury occurred, provided the FACULTY MEMBER is fully capable of performing the duties of that position, subject to the provisions of Article XXIX, RETRENCHMENT. This guarantee expires if the disability ceases prior to the expiration of the three (3) year period and the FACULTY MEMBER does not return to work im­mediately or if the FACULTY MEMBER retires or otherwise terminates employment. During the period of time between the end of the work-related dis­ability leave and the end of the guarantee in this Section, the FACULTY MEMBER will be on leave without pay unless the employe is using sick leave in accordance with Section C of this Article.

G. The compensation for disability retirement arising out of work-related injuries shall be 70% of the final average salary less Workers’ Compen­sation and Federal Social Security benefits.

H. A FACULTY MEMBER who sustains a work-related injury during the period of this Agreement, if so determined by a decision issued under the operation of the Workers’ Compensation Insurance program, may be absent from work with pay on ten (10) occasions without use of sick, annual, or per­sonal leave for the purpose of continued medical treatment of the work­related injury for a period of three (3) years from the date the injury oc­curred. Each absence shall not exceed one (1) work day or the minimum amount of time necessary to obtain the medical treatment, whichever is less, and must be substantiated by a doctor’s certificate verifying that the medical services were necessary and related to the work injury. FACULTY MEMBERS shall make reasonable efforts to schedule medical appointments during non­work hours. Verification of the length of the medical appointment may be required. This Section is not applicable to any absence for which Workers’ Compensation is payable.
Article XX

RETIREMENT

A. FACULTY MEMBERS shall have the option to elect retirement under the State Employe's Retirement Fund or TIAA-CREF in accordance with COMMONWEALTH rules and regulations then obtaining. In addition, they shall continue to enjoy those other retirement benefits that are currently provided under applicable laws. The amount to be contributed by the COMMONWEALTH (in the event of a selection of TIAA-CREF) shall be calculated at the rate actuarially determined exclusively by the State Employes Retirement Board to be payable to the State Employes Retirement Fund for each such FACULTY MEMBER.

B. The parties shall meet and discuss during the term of the Agreement aspects of the COMMONWEALTH's retirement program that are of mutual interest.

2. Effective July 1, 1981, the COMMONWEALTH/COLLEGES shall make the following improvements to the BC/BS/MM Plan:
   a. Blue Cross basic home care benefits shall be increased to cover up to sixty (60) home care visits in a 90-day period.
   b. Blue Cross in-patient hospitalization benefits in Blue Cross non-member hospitals outside of Pennsylvania shall be increased to pay for 100 percent of reasonable covered charges.
   c. The Blue Cross and Blue Shield Major Medical mental claim maximum shall be increased to a $25,000 non-renewable lifetime maximum for each eligible employe and dependent.
   d. Blue Cross basic ambulance benefits shall be increased to pay for 100 percent of reasonable charges for medically necessary ambulance services.
3. Eligible FACULTY MEMBERS shall be provided a choice between enrollment in the BC/BS/MM Plan and a Health Maintenance Organization (HMO) or similar health plan with which the COMMONWEALTH/COLLEGES has made contractual arrangements. Eligible FACULTY MEMBERS shall be those active, full-time, permanent FACULTY MEMBERS who are not enrolled in Medicare and who have no dependents enrolled in Medicare. The choice between the BC/BS/MM Plan and the HMO Plan shall be operated as follows:

a. The option to elect the coverage in the HMO shall be made available to those FACULTY MEMBERS who reside within the service area of the HMO.
b. The amount and kind of benefits available to the FACULTY MEMBERS shall be those offered by the HMO and contracted for by the COMMONWEALTH/COLLEGES.
c. The Health and Welfare Fund contribution rate will not be affected as a result of offering the HMO option.
d. The option to elect coverage under an HMO or to return to coverage under the BC/BS/MM Plan shall be available during annual open enrollment periods designated by the COMMONWEALTH/COLLEGES, the HMO and BC/BS/MM. FACULTY MEMBERS who are newly hired or transferred into the HMO service area may elect either option at that time. FACULTY MEMBERS who leave the service area or who are dissatisfied with an HMO may convert their coverage back to the BC/BS/MM Plan.
e. The COMMONWEALTH/COLLEGES shall contribute to the HMO for each FACULTY MEMBER subscriber an amount not to exceed that which he/she would pay under subsection 1 above based on the regular BC/BS/MM individual or multi-party rate component appropriate for the geographic area in which the HMO is located. Additional costs, if any, of an HMO shall be paid for by the FACULTY MEMBER through payroll deductions.
f. If FACULTY MEMBER payroll deductions are required and FACULTY MEMBERS are placed on sick or childbirth leave without pay, benefits may be continued for up to six (6) months only if the FACULTY MEMBERS continue to pay their share of the premium. If the FACULTY MEMBERS do not pay their share of the premium, their coverage under the HMO will be cancelled and they will be permitted to convert to the regular subscription agreement then being offered by the HMO or BC/BS/MM on a direct pay basis.

4. The COMMONWEALTH/COLLEGES shall provide permanent part-time FACULTY MEMBERS who are expected to be in an active pay status at least fifty percent of the time every pay period of the academic year or full year, as appropriate, for each FACULTY MEMBER'S position, with fifty percent COMMONWEALTH/COLLEGES paid coverage under the BC/BS/MM Plan as provided for in 1 and 2 above. In addition, it shall provide fifty percent COMMONWEALTH/COLLEGES paid dependency coverage where the dependents of the FACULTY MEMBER qualify under such Plan.
5. a. Regular full-time FACULTY MEMBERS who are granted leave without pay due to sickness or child birth will be eligible to continue to receive benefits under the BC/BS/MM Plan for up to six (6) months.

b. Regular part-time FACULTY MEMBERS and those permanent full-time FACULTY MEMBERS who are placed on suspension or who are granted leave without pay for any reason for sickness or child birth for longer than one (1) full pay period or who are on leave without pay longer than six (6) months, will be permitted to convert their regular Subscription Agreements then being offered by Blue Cross and Blue Shield on a direct pay basis.

c. The COMMONWEALTH/COLLEGES shall continue to pay the entire premium for permanent full-time FACULTY MEMBERS for the period of time for which they are entitled to benefits under subsection 5. a. above.

6. a. The COMMONWEALTH/COLLEGES shall allow each FACULTY MEMBER who was eligible as an active FACULTY MEMBER under the BC/BS/MM Plan or the HMO Plan to elect coverage upon retirement under the present Retired Employes’ BC/BS/MM Plan. In addition, dependency coverage shall be allowed where the dependents of the annuitant qualify under such Plan.

b. The COMMONWEALTH/COLLEGES shall pay the entire cost of coverage for annuitants who retire under the provisions of subsections (1), (2), or (3) below and who have elected coverage under the Retired Employes’ BC/BS/MM Plan:

(1) Retirement at or after superannuation age with at least five (5) years of credited service in the State and/or public school retirement systems, except that a FACULTY MEMBER who leaves Commonwealth employment through resignation, discharge or retrenchment prior to superannuation age, vests retirement benefits and does not retire until at or after superannuation age must have had on the date of resignation, discharge or retrenchment, twenty-five (25) years of credited service in the Commonwealth and/or public school system. A FACULTY MEMBER who is retrenched prior to superannuation age, vests his/her retirement benefits and subsequently retires at or after superannuation age during the furlough period must have ten (10) or more years of credited service in the state and/or public school retirement system. For purposes of this subsection, superannuation under TIAA/CREF shall be sixty (60) years of age with at least five (5) years of Commonwealth and/or public school service;

(2) Disability Retirement, which requires at least five (5) years of credited service in the state or public school retirement system. For purposes of this subsection, retirement under TIAA/CREF shall be considered disability if the retiree applies for and is granted a waiver of the Commonwealth’s group life insurance premium;

(3) Other retirement including retirement under TIAA/CREF with at least twenty-five (25) years of credited service in the Com-
monwealth and/or public school retirement systems, and who have elected coverage under the State Employe Program.

B. Life Insurance

1. The COMMONWEALTH/COLLEGES shall continue to assume the entire costs of the insurance coverage for eligible FACULTY MEMBERS as set forth in the currently existing life insurance plan. The amount of insurance is based on the FACULTY MEMBERS annual pay rate in effect on the preceding January 1, rounded to the nearest $1,000, but not to exceed $20,000. The amount will be reduced to 65 percent on the date the insured individual reaches age 65, and the amount will be reduced to 50 percent on the date the insured individual reaches age seventy (70).

2. The COMMONWEALTH/COLLEGES shall continue to provide each FACULTY MEMBER who is covered under the currently existing life insurance plan with fully paid accidental death benefits for work-related accidental deaths. The amount of coverage is $10,000, unless the surviving spouse or minor children are entitled to benefits under Act 101 of 1976.

Section C. Holidays

1. The following days shall be recognized as major holidays for ADMINISTRATIVE FACULTY MEMBERS who are on twelve-month (12) contracts:

- New Year’s Day
- Memorial Day
- Independence Day
- Labor Day
- Thanksgiving Day
- Christmas Day

Monday shall be recognized as a holiday for all holidays occurring on a Sunday, and Friday for all holidays occurring on a Saturday. An ADMINISTRATIVE FACULTY MEMBER on a twelve (12) month contract shall be paid for any holiday listed above provided he/she was scheduled to work on that day and was in an active pay status on the last half of the ADMINISTRATIVE FACULTY MEMBER’S scheduled work day immediately prior and the first half on the ADMINISTRATIVE FACULTY MEMBER’S scheduled work day immediately subsequent thereto.

2. The following days shall be recognized as minor holidays for ADMINISTRATIVE FACULTY MEMBERS on twelve (12) month contracts and shall be scheduled by the President of each COLLEGE. At the request of local APSCUF, the President or his/her designee(s) shall meet and discuss concerning the matter of rescheduling the following minor holidays:

- Martin Luther King Jr.’s Birthday
- President’s Day
- Primary Election Day
- Flag Day
- Columbus Day
- Veterans’ Day
- General Election Day
3. An ADMINISTRATIVE FACULTY MEMBER on a twelve (12) month contract shall earn a minor holiday provided he/she was scheduled to work the actual day a minor holiday is celebrated and was in an active pay status on the last half of the ADMINISTRATIVE FACULTY MEMBER'S scheduled work day immediately prior and the first half of the ADMINISTRATIVE FACULTY MEMBER'S scheduled work day immediately subsequent to the actual day a minor holiday is celebrated. An ADMINISTRATIVE FACULTY MEMBER who earns a minor holiday and subsequently terminates employment prior to taking the rescheduled day off with pay shall be compensated for such holiday. In the event the earning of a minor holiday(s) is anticipated and an ADMINISTRATIVE FACULTY MEMBER terminates employment prior to actually earning the anticipated holiday(s), such ADMINISTRATIVE FACULTY MEMBER shall reimburse the COMMONWEALTH/COLLEGES for the holiday(s) taken but not earned. If a holiday is observed while an eligible ADMINISTRATIVE FACULTY MEMBER on a twelve (12) month contract is on sick, annual, or other paid leave status, the ADMINISTRATIVE FACULTY MEMBER will receive pay for the holiday and the day will not be charged against other paid leave.

D. Personal Leave Days

1. FACULTY MEMBERS shall be eligible for two personal days per calendar year.

2. One personal leave day shall be earned the first half of each calendar year (January 1 to June 30) and one personal leave day shall be earned the second half of each calendar year (July 1 to December 31).

3. The FACULTY MEMBER must have thirty (30) days service in pay status in each half calendar year to earn the personal leave entitlement under (2) above.

4. Personal leave shall be scheduled and granted for periods of time requested by the FACULTY MEMBER subject to management's responsibility to maintain efficient operations. Requests for personal leave by an ACADEMIC FACULTY MEMBER must be accompanied by evidence that the classes of the ACADEMIC FACULTY MEMBER are covered by a qualified colleague of the ACADEMIC FACULTY MEMBER and, in addition, such leave shall not result in overload costs to the COMMONWEALTH/COLLEGES. If the nature of the work makes it necessary to limit the number of FACULTY MEMBERS on personal leave at the same time, the FACULTY MEMBER with the greatest seniority as it relates to total years of continuous service at the institution shall be given his/her choice of personal leave in the event of any conflict in selection.

5. Personal leave to which an ADMINISTRATIVE FACULTY MEMBER may become entitled during the calendar year may be granted at the President's discretion before it is earned. An ADMINISTRATIVE FACULTY MEMBER who is permitted to anticipate such leave and who subsequently terminates employment shall reimburse the COLLEGE for those days of personal leave used but not earned.
6. Personal leave days shall be noncumulative from calendar year to calendar year. If a FACULTY MEMBER is required to work on his/her scheduled personal leave day and is unable to reschedule his/her personal day during the calendar year due to the demands of his/her work, the calendar year shall be extended for ninety (90) days for rescheduling purposes.

7. A FACULTY MEMBER who becomes ill while on personal leave will not be charged personal leave for the period of illness provided he/she furnishes a satisfactory proof of such illness to the COLLEGE upon his/her return to work.

E. VACATIONS

1. An ADMINISTRATIVE FACULTY MEMBER on a twelve-month contract shall be eligible for annual leave after 30 days of service with the COLLEGE. ADMINISTRATIVE FACULTY MEMBERS shall earn leave credits as of their date of hire. Leave shall be earned according to the following schedule:

<table>
<thead>
<tr>
<th>Service</th>
<th>Annual Leave Entitlement</th>
</tr>
</thead>
<tbody>
<tr>
<td>Less than 12 months</td>
<td>10 days</td>
</tr>
<tr>
<td>12 months to 180 months</td>
<td>15 days</td>
</tr>
<tr>
<td>181 months to 299 months</td>
<td>20 days</td>
</tr>
<tr>
<td>300 months or more</td>
<td>25 days</td>
</tr>
</tbody>
</table>

ADMINISTRATIVE FACULTY MEMBERS shall earn annual leave credits for each month in which they are in compensable status ten or more working days.

2. Vacation pay shall be the ADMINISTRATIVE FACULTY MEMBER'S regular rate of pay in effect for the payday immediately preceding the ADMINISTRATIVE FACULTY MEMBER'S vacation period.

3. Vacations shall be scheduled and granted for periods of time requested by the ADMINISTRATIVE FACULTY MEMBER subject to management's responsibility to maintain efficient operations. If the nature of the work makes it necessary to limit the number of ADMINISTRATIVE FACULTY MEMBERS on vacation at the same time, the ADMINISTRATIVE FACULTY MEMBER with the greatest seniority as it relates to total years of continuous service with the COLLEGE shall be given his/her choice of vacation periods in the event of any conflict in selection.

4. If a holiday occurs during the work week in which vacation is taken by an ADMINISTRATIVE FACULTY MEMBER, the holiday shall not be charged to annual leave.

5. An ADMINISTRATIVE FACULTY MEMBER who becomes ill during his/her vacation will not be charged annual leave for the period of illness provided he/she furnishes satisfactory proof of such illness to the COLLEGE upon his/her return to work.

6. If an ADMINISTRATIVE FACULTY MEMBER is required to work during his/her scheduled vacation period and is unable to reschedule his/her
vacation during the calendar year due to the demands of his/her work, the calendar year shall be extended for ninety (90) days for rescheduling purposes.

7. Any ADMINISTRATIVE FACULTY MEMBER separated from the service of the COLLEGE for any reason prior to taking his/her vacation shall be compensated in a lump sum for the unused vacation he/she has accumulated up to the time of separation.

8. Unused annual leave shall be carried over from one calendar year to the next provided that in no case shall the amount thus carried over exceed forty-five (45) days.

9. ADMINISTRATIVE FACULTY MEMBERS who have one or more years of service since their last date of hire may anticipate annual leave to which they become entitled during the then current calendar year unless the President has reason to believe that they have been abusing their leave privileges. ADMINISTRATIVE FACULTY MEMBERS with less than one year of service since their last date of hire may not anticipate annual leave. Annual leave may only be anticipated within the current academic year.

10. An ADMINISTRATIVE FACULTY MEMBER who is retrenched and is not employed in another position within fourteen (14) calendar days of the effective date of retrenchment will receive a lump sum payment for all earned, unused annual leave unless the ADMINISTRATIVE FACULTY MEMBER requests in writing before the end of the fourteen (14) calendar days to freeze all earned, unused annual leave. An ADMINISTRATIVE FACULTY MEMBER may subsequently change a decision to freeze the earned, unused annual leave by submitting a written request for a lump sum payment for the annual leave. Payment will be made within thirty-five (35) days of the date on which the request is received by the COLLEGE and will be at the rate of pay in effect on the last day of employment prior to the date of retrenchment. If the ADMINISTRATIVE FACULTY MEMBER is reemployed during the recall period, annual leave which was frozen will be reinstated. If the ADMINISTRATIVE FACULTY MEMBER is not reemployed prior to the expiration of the recall period, the ADMINISTRATIVE FACULTY MEMBER shall be paid off in lump sum for all frozen earned, unused annual leave at the rate of pay in effect on the last date of employment prior to the date of retrenchment.

2. The salaries payable to all FACULTY MEMBERS for the academic year 1983-1984 shall be determined by means of a contract reopener.

3. Effective the first day of the 1981-1982 academic year, each ADMINISTRATIVE FACULTY MEMBER in an active pay status during the academic year 1980-1981 will be placed on the combined FACULTY pay schedule set forth above. Placement on the combined FACULTY pay schedule shall be determined as follows:

The ADMINISTRATIVE FACULTY MEMBER shall be placed on the 1980-1981 ACADEMIC FACULTY pay schedule at the same rank as he/she holds and at the step which is equal to or closest to, but not less than their 1980-1981 salary. This pay step shall then be the basis for the salary increases and annual increments provided in Sections A, B, and D of this ARTICLE.

B. Annual Increments
In addition to the above listed general pay increases, a FACULTY MEMBER below Step G shall be entitled to his/her annual service increment on his/her anniversary date as defined by COMMONWEALTH/COLLEGE rules and regulations. Such annual service increments, Steps A through G, shall be granted solely on the basis of service.

C. Administrative Increments
A minimum increment of ten dollars ($10) per biweekly pay period during the academic year or calendar year, as applicable, has been included for all ADMINISTRATIVE FACULTY MEMBERS in the combined pay schedule set forth above, and shall automatically be included in the bi-weekly pay of all ADMINISTRATIVE FACULTY MEMBERS.

D. Procedure
Pursuant to the COMMONWEALTH/COLLEGES Compensation Plan, general pay increases, as set forth in Section A above, and annual service increments (if applicable) shall be applied in that order. An employe on leave without pay shall, upon return to active pay status, be entitled to the above general pay increases.

E. Payment for Department Chairpersons
A FACULTY MEMBER who performs the duties and responsibilities of a Department Chairperson in accordance with Article VI, DUTIES OF DEPARTMENT CHAIRPERSONS, of this Agreement shall receive a payment in accordance with the following schedule:

1. Part-time ACADEMIC FACULTY MEMBERS shall be paid on the basis of one-twenty-fourth (1/24) of a full-time academic year’s salary for each semester credit hour taught.

2. Part-time ADMINISTRATIVE FACULTY MEMBERS shall be paid on a pro-rata basis.

G. The parties shall meet and discuss during the term of the Agreement, aspects of this Article that are of mutual interest.

Article XXIII
WORKLOAD AND WORKLOAD EQUIVALENTS

A. Academic Faculty
1. For all ACADEMIC FACULTY MEMBERS, the full work load for the academic year shall not exceed twenty-four (24) academic credit hours (with twelve (12) academic credit hours as standard for a term). In no event shall more than fifteen (15) academic credit hours be assigned in any one (1) academic term unless overload as provided for in this Agreement is paid. Laboratory, studio, clinics, field and activity courses shall be equated on the basis of three (3) contact hours being equal to two (2) academic credit hours for that period of time which is actually spent in such work. Where such types of courses also include lecture hours, each hour of scheduled lecture is to be considered an academic credit hour.

However, each contact hour in laboratories in chemistry, biology, physics, allied health science and earth science shall be assigned one (1) academic credit hour.

2. No more than three (3) preparations per academic term shall be assigned unless such additional preparations are compensated in accordance with the formula contained in Article XXV, Section D, OVERLOAD. Preparations shall be defined and assigned in accordance with the definition of preparation contained in Article XXV, Section D, OVERLOAD. However, where an overload course(s) is assigned in accordance with paragraph 1, above, the additional course(s) assigned may carry an additional preparation(s).

3. A FACULTY MEMBER who teaches graduate courses shall have the following considered a maximum full work load in any academic term, beyond which overload shall be paid:
   a. Nine (9) credit hours if only graduate courses are taught; or
   b. Twelve (12) credit hours for any combination of graduate and undergraduate courses involving less than nine (9) credit hours of graduate courses.

Supervision of three (3) Master's theses or one (1) Doctoral dissertation shall be equated with one (1) graduate credit hour. Graduate credit for such
supervision shall be cumulative until it reaches three (3) graduate credit hours and then it shall be counted toward the FACULTY MEMBER'S workload.

4. If a calendar system other than the two (2) academic term systems of fifteen (15) teaching weeks each is established by appropriate means during the term of this Agreement, a mathematical equivalent shall be established for the above workload requirement.

5. A college supervisor of student interns or cooperative education students shall supervise a maximum of seventy-two (72) students during a year. When an ACADEMIC FACULTY MEMBER carries a mixed load of teaching and supervision of student interns/cooperative education students the ACADEMIC FACULTY MEMBER'S workload shall be calculated on the basis of each student intern/cooperative education student being equivalent to one-third (1/3) of an academic credit hour. However, no credit hour equivalency or workload equivalency shall be granted unless the internship program/cooperative education program has been approved by the Curriculum Committee and the President.

B. Library FACULTY

1. Subject to the provisions hereof, all members of the professional library staff shall enjoy full faculty status with all the rights, privileges and responsibilities pertaining thereto. For administrative purposes, the professional librarians shall constitute a department.

2. Library FACULTY in the performance of their duties shall be scheduled for no more than thirty-five (35) hours per week; and, Library FACULTY also shall be expected, as are other FACULTY members, to assume committee assignments and other campus responsibilities.

3. A Library FACULTY MEMBER'S schedule shall be based on library needs as determined by the President or his/her designee in consultation with members of the library faculty.

4. APSCUF shall conduct an election among all of the members of the library faculty to designate a chairperson who shall act in a representational role for the department. The chairperson shall reflect the view of the members of the library FACULTY in their consultations with the President or his/her designee on matters of appointment of FACULTY, renewal and non-renewal of FACULTY, FACULTY development and evaluation, promotion, tenure, and Library FACULTY MEMBER'S schedules.

This chairperson shall not be subject to provisions of Article XI, APPOINTMENT OF FACULTY, Section A, 1a: Article XXII, SALARIES, Section E and Section H of this Article.

C. Supervisors of Student Teachers

1. A COLLEGE supervisor of student teachers shall supervise up to a maximum of forty-five (45) student teachers during a two (2) semester academic year, and be responsible for practicum, where applicable. The maximum shall not exceed twenty-five student teachers during any one (1) semester of the academic year. In making an actual assignment, the President or his/her
designee shall, in consultation with the student teacher supervisors, take into consideration the number of schools involved and the distances required to be traveled from one to another by the student teacher supervisor.

A student teacher supervisor’s actual schedule of days to be worked during the academic year shall be determined by the President or his/her designee. It is contemplated that such days shall not necessarily be limited by the COLLEGE calendar, but rather, the President shall take into consideration the needs of student teachers being supervised and of the school district(s) involved.

2. A student teacher supervisor shall be provided with a vehicle when available in accordance with COMMONWEALTH regulations. When a State vehicle is not available, he/she must use his/her own vehicle, and he/she shall be reimbursed according to prevailing COMMONWEALTH travel regulation mileage rates. Even when a State vehicle is available, if, in the opinion of the President or his/her designee, because of the student teacher supervisor’s employment requirements, it is more appropriate for him/her to use his/her own vehicle and he/she is so authorized, he/she shall, likewise, be reimbursed at the mileage rates according to prevailing COMMONWEALTH travel regulations.

3. A student teacher supervisor who is customarily and regularly required by the COMMONWEALTH/COLLEGE(S) to travel fifteen (15) miles or more from his/her regular campus or work site, and whose work assignment requires that he/she remain away therefrom during his/her normal lunch period, shall be reimbursed for actual out-of-pocket lunch expenses not to exceed two dollars and twenty cents ($2.20) (excluding sales taxes). The maximum amount, including sales tax, shall be increased to two dollars and thirty-five cents ($2.35) on July 1, 1982.

D. Laboratory School Teachers

1. Laboratory school teachers shall have faculty status and rank in the same manner as any other FACULTY MEMBER.

2. Laboratory school teachers’ workload and academic year assignments shall be made by the President or his/her designee in consultation with the laboratory school teachers and shall be consistent with the needs of the students in the laboratory school and the requirements of the school district(s) involved. Laboratory school teachers shall be expected, as are other FACULTY MEMBERS, to assume committee assignments and other campus responsibilities.

3. Laboratory school teachers shall have a lunch period of at least one-half (½) hour, which shall be free of all other duties.

4. By mutual consent, evidenced by a written document duly executed by the parties to this Agreement, the provisions of this Section may be modified or changed.

E. Department Chairpersons and Assistants

Department chairpersons and their assistant chairperson(s) shall be granted academic credit hour equivalents in accordance with Section H below.

G. Office Hours

Teaching FACULTY MEMBERS shall maintain a minimum of five (5) office hours per week on no fewer than three (3) different days at such times as will accommodate to the needs of the students. The schedule of office hours for each FACULTY MEMBER shall be posed in such manner so as to be easily observed by the students.

FACULTY MEMBERS assigned full-time to supervision of student teachers shall be available for office consultations for five (5) hours per week. The place of the office consultation may be the school where the student is assigned provided that this arrangement is approved by the appropriate Dean prior to each academic semester assignment.

H. Department chairpersons shall be granted workload equivalents in accordance with the following schedule:

<table>

In departments of sixteen (16) or more, assistant department chairpersons may be appointed when such appointment is approved by the President. Assistant chairpersons shall be granted a work load equivalent of up to 25% as approved by the President, in consultation with the chairpersons and assistant chairpersons.

I. Administrative Faculty

1. ADMINISTRATIVE FACULTY who are on academic-year contracts shall not have to be present on campus during periods when the COLLEGE(S) are not in session unless they have specific assigned professional responsibilities. The assignment of such responsibilities shall be based on the needs of the COLLEGE as determined by the President or his/her designee in consultation with the ADMINISTRATIVE FACULTY MEMBERS. The President shall make appropriate workload reduction for those ADMINISTRATIVE FACULTY MEMBERS who are assigned to teach a course in accordance with Article VII, PERFORMANCE OF BARGAINING UNIT WORK.

2. ADMINISTRATIVE FACULTY MEMBERS in this unit shall not be subject to any workload or overtime compensation provisions contained in this Agreement, except as provided in the last sentence of Section I.1. above.

For the purpose of this exhibit, an intercollegiate sport is defined as a sport that is recognized by the COLLEGE President as having varsity or junior varsity status and whose teams engage in competition with similar teams at other institutions.

If any intercollegiate sport as defined in the first paragraph above is established by a COLLEGE, a workload equivalent of 25% will be granted for the head coach of that sport.

Should the President or his/her designee decide, based on comparability of sport, and/or based on the existence of an inequitable opportunity for participation in the intercollegiate sport program—as defined by the Final Title IX Implementing Regulations, that there is a need for an assistant coach in any intercollegiate sport sponsored by the College, a workload equivalent of 20% will be granted for the assistant coach of that sport.

The President or his/her designee shall have the right to vary up or down all or any of the above percentages by as much as 20% of the percentages listed. In addition, the President or his/her designee shall have the additional flexibility of changing the percentages in a particular term, so long as a deficit in one term is made up on the other. As an example, a head football coach is listed as being entitled to a 50% workload equivalent in the fall term and a 25% workload equivalent in the spring term. In the event he/she performs such duties in both terms, the President or his/her designee has two (2) options, as follows: (1) he/she can reduce or increase each or both percentages by 20% of that which is listed—10% in the fall term and 5% in the spring term; or (2) he/she may, with respect to those amounts, grant even less in the fall term, so long as the deficit is made up in the spring, or grant more in the fall term, so long as the spring amount is appropriately reduced.
K. Workload Equivalents To Be Granted For Directing Music Activities.

In developing a plan for granting workload equivalents for directing music activities, a distinction is to be made between a music school in which a given activity is part of the regular instructional program in the music curriculum, and a non-music school in which the activity is actually extra-curricular or outside the curriculum.

1. If the activity is recognized as part of the regular curriculum, the director shall be granted workload equivalents under the plan adopted for determining teaching workloads for classroom or laboratory instruction.

2. If a music activity is actually extra-curricular, the following workload equivalents shall be granted:

<table>

M. With respect to Section K(2) and L, above, the President or his/her designee shall determine the amount of time to be spent on the activity by the FACULTY MEMBER each week, and the FACULTY MEMBER shall have the right to choose between the workload equivalent alternatives.

N. Instead of offering a workload equivalent to the FACULTY MEMBER for any of the above, the President or his/her designee shall have the right, in consultation with the FACULTY MEMBER and APSCUF to assign the work on an overload basis.

O. Variances to the workload equivalencies listed in paragraphs J, K, and L of this Article may be made by agreement between local APSCUF and the President provided such variances are discussed at and approved by both parties at state level Meet and Discuss prior to implementation.

55
P. The parties shall meet and discuss during the term of this Agreement at the state level aspects of this Article that are of mutual interest.

Q. The State President of APSCUF shall receive a 100% workload reduction. APSCUF shall reimburse the COMMONWEALTH/COLLEGES for all salary, benefit and related costs arising from this arrangement.

Article XXIV

SUMMER EMPLOYMENT

A. Summer contracts shall be offered no later than May 1. A summer contract may be either a firm contract or a contingency contract at the discretion of the President.

If a firm contract is offered by May 1 and accepted by the FACULTY MEMBER by May 15, it shall be mutually binding.

If a contingency contract is offered by May 1 and accepted by the FACULTY MEMBER by May 15, the following conditions shall apply:

1. The COLLEGE may cancel the contract at any time before the second class meeting if the number of students is insufficient to cover the direct and indirect costs to the COLLEGE.

2. The FACULTY MEMBER may cancel the contract if the FACULTY MEMBER provides notice to the COLLEGE three (3) weeks before the course is scheduled to begin.

B. Subject to the approval of the President or his/her designee, summer assignments shall be made by the chairpersons of the departments, giving prior consideration to members of the department who have the qualifications and experience to do the work planned.

C. During the term of this Agreement, compensation shall be paid for summer employment in the same manner as has been the practice prior to the execution of this Agreement, unless changed by mutual consent.

Article XXV

B. Student Teacher Supervisor Overload

1. Overload for student teacher supervisors shall be paid at the rate of one-forty-fifth (1/45) of the academic year’s salary for each student teacher assigned to him in excess of forty-five (45) in an academic year or twenty-five (25) in any term of an academic year.

D. Preparation Overload

1. One and one-half percent of the FACULTY MEMBER’S current academic year’s salary per course credit hour shall be paid for each preparation beyond three (3) per academic term to each FACULTY MEMBER who is eligible under the provisions of Article XXIII, WORKLOAD AND WORKLOAD EQUIVALENTS. The course(s) with the least number of credit hours shall be used when applying this “Compensation Formula”.

2. Where preparations beyond three are assigned and, coincident with such assignment, credit hours beyond the standard of Article XXIII, WORKLOAD AND WORKLOAD EQUIVALENTS, Section A.1., are assigned, the pay shall be determined by application of the “Compensation Formula” or the formula contained in Section A, of this Article, whichever is greater.

3. In the following instances one or more courses identified with a single course number and/or course title shall be recognized as one preparation for the FACULTY MEMBER:

   b. A combination of the lecture and laboratory portions of a chemistry, biology, physics, allied health science and earth science course.
   c. The laboratory portion of a chemistry, biology, physics, allied health science or earth science course if the FACULTY MEMBER does not also have responsibility for the lecture portion.

4. In the following instances one or more courses identified with a single course number and/or course title shall be recognized as one half preparation:

a. Any activity for which the faculty member is granted a reduction in teaching load.

b. Part-time assignment to supervision of student teaching which does not include responsibility for the practicum.

6. Further general stipulations:

a. If two or more disparate or different courses are taught at one time and one place by a given FACULTY MEMBER each course shall be recognized as a half preparation.

b. A course in which students may earn either graduate or undergraduate credits shall be treated as a single course if taught at the same time and place by a single instructor.

Article XXVI
INDEPENDENT STUDY AND INDIVIDUALIZED INSTRUCTION

A. Requirements for Independent Study Payment

A FACULTY MEMBER engaged with students in independent study shall be paid in accordance with Section B of this Article when the following requirements have been met:
1. The FACULTY MEMBER'S assigned workload is one credit less than a full workload for that semester in accordance with Article XXIII, WORKLOAD AND WORKLOAD EQUIVALENTS, Section A.1. For independent study occurring during the summer the FACULTY MEMBER'S assigned workload is three (3) or more academic credit hours or equivalents in the session when the independent study occurs.

2. An independent study program within a department must be listed in the COLLEGE catalogue with an accompanying course description or must have received approval for inclusion in the catalogue.

3. Prior to the granting of academic credit, the department shall approve the course of study undertaken by the student.

4. The acceptance of independent study students shall be voluntary on the part of the FACULTY MEMBER, however, when such students are accepted, at least five (5) hours of FACULTY time per credit offered shall be made available upon the request of each student. This time shall be outside the periods already allocated by the FACULTY MEMBER to classroom and office commitments.

5. The offering of independent study courses by the department shall be governed by the same credit hour constraints consistent with COLLEGE policy.

6. Management will not approve nor should a FACULTY MEMBER accept students for more than nine (9) academic credit hours of independent study per semester. There will be no payment for independent study for more than three (3) academic credit hours of independent study per summer session.

B. Independent Study Payment Formula

When the above requirements have been met, independent study shall be paid according to the following formula:

Average full time semester salary of bargaining unit x .0055 = payment per independent study credit (rounded to next highest dollar)

C. Individualized Instruction

A FACULTY MEMBER engaged in individualized instruction shall be paid in accordance with Section B of this Article when the following requirements have been met:

1. The course must be a regular COLLEGE catalogue course.
2. The course is not scheduled to be taught in the particular semester.
3. The course assignment must be approved in accordance with the procedure outlined in Article VI, DUTIES OF DEPARTMENT CHAIRPERSONS before the assignment is undertaken.

Article XXVII
CONTINUING EDUCATION

In instances in which credit bearing courses are offered through continuing education, the following shall apply:
1. If enrollment in the continuing education course is sufficient to cover the costs of the assigned FACULTY MEMBER’S compensation, as determined by Article XXIV, SUMMER EMPLOYMENT, the course shall be offered and not counted as part of the FACULTY MEMBER’S workload as provided for in Article XXIII, WORKLOAD AND WORKLOAD EQUIVALENTS.

2. If enrollment in the continuing education course is insufficient to cover the costs of the assigned FACULTY MEMBER’S compensation, as determined by Article XXIV, SUMMER EMPLOYMENT, of this Agreement, then the FACULTY MEMBER, a representative of local APSCUF and the President, or his/her designee, may agree upon the compensation to be paid, so long as the compensation does not exceed that provided for in the above referenced articles.

3. The FACULTY MEMBER, the local APSCUF representative and the President or his/her designee shall agree upon the compensation for each course separately.

4. The compensation agreed upon by the FACULTY MEMBER, the local APSCUF representative and the President or his/her designee shall be at a rate that will permit the course to be offered on at least a break-even basis for the COLLEGE.

Article XXVIII
MAINTENANCE OF MEMBERSHIP AND CHECK-OFF

A. Maintenance of Membership

ALL FACULTY MEMBERS who are members of APSCUF as of the date of ratification of this Agreement or who, thereafter, during its term become members of APSCUF, shall, as a condition of continued employment, maintain their membership in APSCUF for the term of this Agreement; provided, however, that any such FACULTY MEMBER may resign from membership in APSCUF by sending a certified letter (return receipt requested) to APSCUF headquarters, Harrisburg, Pennsylvania, and a copy to his/her personnel office. The letter shall be postmarked between June 16 and June 30, 1984, inclusive, and shall state that the employee is resigning his/her membership and, where applicable, is revoking his/her check-off authorization. The payment of dues and assessments while he/she is a member shall be the only requisite employment condition.

B. Check-off

1. The COMMONWEALTH agrees to deduct in bi-weekly installments the regular annual dues of APSCUF from the pay of those FACULTY who individually request in writing that such deductions be made. The amount(s) to be deducted shall be certified in writing by APSCUF to the COMMONWEALTH and the aggregate deductions from all FACULTY MEMBERS shall be remitted monthly to APSCUF, together with an itemized statement containing the names of the FACULTY MEMBERS from whom the deductions have been made and the amount so deducted from each one. The aforesaid
remittance shall be made by the last day of the month following the month in which such deductions have been made. Each FACULTY MEMBER'S written authorization shall be irrevocable for the term of this Agreement but may be revoked at the expiration thereof, as provided in Section A above.

2. APSCUF shall indemnify and hold the COMMONWEALTH harmless against any and all claims, suits, orders, or judgments brought or issued against the COMMONWEALTH as a result of the action taken or not taken by the COMMONWEALTH under the provisions of this Article.

Article XXIX
RETRENCHMENT

A. The COMMONWEALTH/COLLEGES shall meet and discuss with APSCUF or its designee regarding any changes, including those involving curriculum and programs, which will lead to retrenchment, and thereby impact wages, hours and terms and conditions of employment, as required by Section 702 of Act 195. In connection with such duty to meet and discuss, accurate information, statistics or financial data related to any such proposed change shall be made available to APSCUF. This shall not be construed to require the COMMONWEALTH/COLLEGES to compile such material in the form requested which is not already compiled in that form, unless mutually agreeable.

B. Retrenchment because of financial considerations, program curtailment, elimination of courses or other reasons shall be applied as hereinafter set forth.

1. If and when retrenchment is to occur, the COMMONWEALTH/COLLEGES shall, to the extent practicable, make plans to permit the process of attrition to be utilized to effect the required reduction of FACULTY.

2. When in the opinion of the COMMONWEALTH/COLLEGES retrenchment becomes necessary and it cannot be accomplished totally by attrition, APSCUF and the affected FACULTY MEMBERS shall be notified prior to implementation, and retrenchment shall be made as circumstances require, provided that the following order shall be utilized to the extent feasible in the department or program where retrenchment is occurring.
   a. temporary, part-time
   b. temporary, full-time
   c. regular, part-time
   d. regular, full-time

C. 1. With respect to the application of paragraph B2 above, retrenchment shall be made in inverse order of length of service from the most recent date of employment at the COLLEGE ("seniority"), within a department or program, provided the remaining ACADEMIC FACULTY MEMBERS have the necessary qualifications to teach the remaining courses or perform the remaining duties. ACADEMIC FACULTY MEMBERS shall be responsible for keeping their Academic Dean informed of all their qualifications.
2. With respect to the application of paragraph B2 above, retrenchment shall be made within the affected administrative unit in inverse order of length of service from the most recent date of employment at the COLLEGE ("seniority"), provided the remaining ADMINISTRATIVE FACULTY MEMBERS have the necessary qualifications to perform the remaining duties. ADMINISTRATIVE FACULTY MEMBERS shall be responsible for keeping their appropriate management supervisor informed of all their qualifications.

D. 1. Before retrenching an ACADEMIC FACULTY MEMBER, the COLLEGE shall make a reasonable effort to place him/her in another position within the bargaining unit. Where an ACADEMIC FACULTY MEMBER has been a member of more than one (1) department and he/she is retrenched from his/her current department, he/she shall have the right to return to a previous department as follows:

a. If he/she left the previous department less than five (5) years prior to his/her retrenchment from his/her current department, he/she shall have the right to return, if qualified; and

b. If he/she left five (5) or more years prior to his/her retrenchment, he/she shall have a right to return, if qualified, but only with the approval of the department or the President.

2. Before retrenching an ADMINISTRATIVE FACULTY MEMBER, the COLLEGE shall make a reasonable effort to place him/her in another position within the bargaining unit. Where an ADMINISTRATIVE FACULTY MEMBER has occupied a position in more than one administrative unit, he/she shall have the right to return to a previous administrative unit and displace an ADMINISTRATIVE FACULTY MEMBER with less seniority.

E. The FACULTY MEMBERS in the department, program or administrative unit where retrenchment notices have been issued shall be given the opportunity to reach voluntary agreement among themselves as to the order of retrenchment, if the FACULTY MEMBERS who remain in the department, program or administrative unit have the qualifications to teach the remaining courses or perform the remaining duties. Where such voluntary agreements are made, the date of the original notice of retrenchment to the FACULTY MEMBERS in the department, program or administrative unit shall be considered the date of notice to the FACULTY MEMBER who has voluntarily agreed to be retrenched. The opportunity to reach voluntary agreement shall end sixty (60) days after notice is given. Those who are retrenched by voluntary agreement in accordance with the foregoing shall have the same rights as if involuntarily retrenched.

F. 1. The FACULTY MEMBERS to be retrenched shall be given notice in accordance with the following:

a. First-year probationary non-tenured FACULTY MEMBER — March 1

b. Second-year probationary non-tenured FACULTY MEMBER — December 15

c. Probationary non-tenured FACULTY MEMBERS beyond the second year — December 1

d. Tenured FACULTY MEMBERS — October 30
A retrenchment shall not be considered a non-renewal and a FACULTY MEMBER so retrenched shall not be permitted to grieve that action as if it were a non-renewal. If a FACULTY MEMBER had been scheduled for a sabbatical leave, he/she shall not be deprived of his/her sabbatical leave because he/she is subject to being retrenched.

2. A retrenched FACULTY MEMBER shall be entitled to such unemployment compensation benefits as authorized by law.

G. 1. A FACULTY MEMBER retrenched from his/her COLLEGE shall within a period of time equal to his/her length of service at that COLLEGE, or three (3) years from his/her date of retrenchment ("furlough period"), whichever is less, be given preference with respect to a FACULTY opening which is covered by this collective bargaining agreement for which he/she applies at another COLLEGE, if deemed qualified by the receiving department. His/her name then shall be forwarded to the President of the receiving college who shall consider whether or not he/she is qualified. If the President of the receiving COLLEGE determines such FACULTY MEMBER to be qualified, he/she shall be appointed. The FACULTY MEMBER shall be considered for appointment by the President of the receiving COLLEGE before, and independent of, all other applicants. Notice concerning openings at a particular COLLEGE shall be posted at that COLLEGE and a copy of such notice shall be sent to APSCUF headquarters in Harrisburg and to the Secretary of Education. Retrenched FACULTY MEMBERS must indicate their interest in any such opening for which they feel they are qualified by sending a letter of application, together with other appropriate documentation, to the President of the COLLEGE where the opening exists within sixty (60) calendar days of the date the notice of the opening is posted. If more than one (1) retrenched FACULTY MEMBER applies to fill an opening at another COLLEGE during this initial sixty (60) calendar day notice period, they shall be given the preference consideration specified above, in order of seniority; provided, however, that the process of considering all such retrenched applicants shall not exceed thirty (30) calendar days from the end of the sixty (60) calendar day notice period. Letters of application to the President of the COLLEGE with the opening which are received after the end of the sixty (60) calendar days following the initial notice of such opening, shall receive no preference rights with respect to the opening, but shall be considered along with and in the same fashion as all other applicants for the opening.

A retrenched FACULTY MEMBER appointed at another COLLEGE in accordance with the foregoing shall be appointed at the rank stated in the notice of opening. The President may, however, make the appointment at any pay step within that rank which the President deems appropriate, except that in no case shall the retrenched FACULTY MEMBER be appointed at a rank or step greater than he/she held at the time of receipt of his/her notice of retrenchment.

2. When a retrenched FACULTY MEMBER applies for consideration for an opening at another COLLEGE in accordance with subsection G. 1. above, the normal search and screen process shall not apply to retrenched applicants.
H. Any retrenched FACULTY MEMBER who receives an appointment at another COLLEGE shall have seniority at that other COLLEGE beginning with the date of that appointment. If appointed within his/her furlough period, he/she shall retain accumulated sick leave and sabbatical leave credits and he/she shall not be considered a new employee for purposes of fringe benefits provided for FACULTY MEMBERS covered by this Agreement. If at the time of retrenchment, he/she had been a participant in the State Employees' Retirement Plan and thereafter withdrew his/her contributions, he/she shall have the right to repurchase his/her past service in accordance with the State Employees Retirement Board regulations.

I. A retrenched FACULTY MEMBER who receives an appointment at another COLLEGE within his/her furlough period shall, if he/she did not have tenure at the COLLEGE from which he/she was retrenched, be required to comply fully with the provisions of Article XV, TENURE, at the new COLLEGE as a new FACULTY MEMBER. If he/she did have tenure at the COLLEGE from which he/she was retrenched, he/she shall, nevertheless, be required to serve one (1) full year at the new COLLEGE before being granted tenure at that COLLEGE. The FACULTY MEMBER shall be observed and evaluated pursuant to the provisions of Article XII, PERFORMANCE REVIEW AND EVALUATION OF FACULTY, and the decision as to tenure shall be made within such one-year period. In the event tenure is denied, the FACULTY MEMBER shall be so notified by May 31, and the following academic year shall be his/her terminal year.

J. A FACULTY MEMBER who receives a notice of retrenchment from a COLLEGE shall be placed on a preferred rehiring list. Each COLLEGE shall have a separate rehiring list. The least senior FACULTY MEMBER shall be the first name placed on such list. He/she shall be retained on the preferred rehiring list for a period equal to his/her furlough period. An employee on the preferred rehiring list shall not be entitled to any of the benefits provided by this Agreement after the effective date of his/her retrenchment and while on such list. At the COLLEGE where retrenchment is occurring, no new FACULTY MEMBER will be hired to fill a vacancy for which a retrenched FACULTY MEMBER on the preferred rehiring list is qualified, as determined by the President of the college in his/her sole discretion, unless the vacancy first is offered in writing to all such qualified FACULTY MEMBERS on that list, for recall in reverse order of placement. Such offer (which shall be made by registered mail to the last known address of the FACULTY MEMBER and to APSCUF) to qualified FACULTY MEMBERS shall remain open for a period of fifteen (15) calendar days. During the period that a FACULTY MEMBER is on a preferred rehiring list, he/she shall keep the COLLEGE from which he/she was retrenched and the Secretary of Education informed of any permanent or temporary change in his/her address. In the event a FACULTY MEMBER rejects in writing an offered position in accordance with the foregoing, or in the event he/she does not respond in writing within said fifteen (15) calendar day period, his/her name shall be passed over, but he/she shall remain on the preferred rehiring list. If a FACULTY MEMBER either rejects in writing two (2) offered positions or fails to respond in writing within the above stated time limits to two (2) offered
positions, his/her name shall be removed from the preferred rehiring list and all preference rights under this Article shall cease. Part-time FACULTY MEMBERS shall have recall rights only with respect to part-time positions but shall be considered for full-time positions in accordance with Article XI, APPOINTMENT OF FACULTY.

K. In the event a FACULTY MEMBER is recalled in accordance with the provisions of Section J above, he/she shall receive the same rank and step which he/she had when he/she was retrenched. In addition, he/she shall retain all sick leave accumulations, credits for tenure and sabbatical leave, and shall be entitled to repurchase past service credits for retirement in accordance with COMMONWEALTH regulations. Furthermore, he/she shall not be considered a new employe for purposes of fringe benefits provided for FACULTY MEMBERS covered by this Agreement.

L. If a program at one (1) COLLEGE is moved to another COLLEGE, whether or not a similar program existed at that other COLLEGE, FACULTY MEMBERS who receive appointments at the other COLLEGE with respect to that program will be considered as having been transferred and not retrenched. As such, the FACULTY MEMBERS affected shall be entitled to all rights and privileges of transferred employes, including transportation and moving expenses, subject to COMMONWEALTH rules and regulations pertaining thereto. Such transferred employes shall not be reduced in rank or step.

M. The COLLEGES shall, on or before November 1 of each year, provide the local APSCUF President and state level APSCUF with a seniority list for each COLLEGE. In addition, a copy of such list shall be sent to the department chair-person for posting in each department. All such lists shall reflect each FACULTY MEMBER’S most recent date of appointment at the COLLEGE (first day on the payroll) and within his/her current department. Positions on such list shall be considered final unless a question is raised with respect thereto by an individual FACULTY MEMBER within a period of sixty (60) days from the date of delivery of the list to APSCUF.

N. 1. Nothing contained within this Article shall be construed as requiring a COLLEGE to retain more ACADEMIC FACULTY MEMBERS in a department or program or more ADMINISTRATIVE FACULTY MEMBERS in an administrative department or unit than the President deems to be needed in that department or unit.

2. Nothing contained in this Article shall prohibit ADMINISTRATIVE FACULTY MEMBERS from assuming full-time teaching positions in accordance with Article VII, PERFORMANCE OF BARGAINING UNIT WORK, of this Agreement.

O. All preference rights under this Article shall cease upon acceptance by a FACULTY MEMBER of a permanent position under the provisions of Sections D or G or J of this Article.

P. The parties shall meet and discuss during the term of the Agreement aspects of this Article that are of mutual interest.
Q. The parties agree that any grievances relating to retrenchment issues will be handled in an expeditious fashion in the steps of the grievance procedure. The parties also agree that if APSCUF requests that any such grievances be submitted to arbitration, the parties will make a good faith effort to schedule the arbitration hearings during the academic year in which the notices of retrenchment are issued.

R. If an arbitrator should find that the meet and discuss requirements of this Article have been violated by management, the arbitrator’s remedy shall be limited to ordering additional meet and discuss between the parties, and the arbitrator may not insert himself/herself into that process. If an arbitrator should find that a FACULTY MEMBER was improperly retrenched, the arbitrator’s remedy shall be limited to determining whether or not reinstatement is appropriate and whether or not full or partial back pay, seniority and fringe benefits should be awarded.

Article XXX

HEALTH AND WELFARE

A. A jointly-administered Health and Welfare Fund has been established under the provisions of an Agreement and Declaration of Trust executed by and between APSCUF and the COMMONWEALTH/COLLEGES. This Health and Welfare Fund shall conform to all existing and future federal and Commonwealth statutes and regulations controlling such Health and Welfare Funds. Said Agreement and Declaration of Trust provides and shall continue to provide equal representation on the Board of Trustees by and between APSCUF and the COMMONWEALTH/COLLEGES.

B. The Board of Trustees of the Health and Welfare Fund shall determine in their discretion and in accordance with the terms of this Agreement and the terms of the Agreement and Declaration of Trust, health and welfare benefits which may be extended by the Health and Welfare Fund to FACULTY MEMBERS and their dependents.

C. For the period of time between July 1, 1981 and June 30, 1983, the Commonwealth shall make three payments to the Health and Welfare Fund at the rate of $213.50 for each full-time FACULTY MEMBER in an active pay status as of February 15, 1982, October 15, 1982 and February 15, 1983. Payments to the Health and Welfare Fund for the period from July 1, 1983, to June 30, 1984, are subject to a reopener.

D. The Commonwealth shall remit its contribution to the Health and Welfare Fund together with an itemized statement within approximately thirty (30) working days of the eligibility determination dates noted in Section C above.

E. Contributions on behalf of part-time FACULTY MEMBERS shall be made on a proportionate basis with the calculations based on the workload provisions of Article XXIII, WORKLOAD AND WORKLOAD EQUIVALENTS.
F. 1. The contributions made by the Employer to the Health and Welfare Fund as indicated in Section C above shall not be used for any purpose other than to provide health and welfare benefits in accordance with the terms of this collective bargaining agreement and the Agreement and Declaration of Trust and to pay the operating and administrative expenses of the Fund.

2. All benefits extended by this Health and Welfare Fund must be designed to be excludable from the "regular rate" definition of the Fair Labor Standards Act.

3. No benefits extended by this Health and Welfare Fund shall be paid for in whole or part by employees through payroll deductions.

4. No dispute over a claim for any benefits extended by this Health and Welfare Fund shall be grievable or in any fashion subject to any grievance and arbitration procedure established in any collective bargaining agreement between the COMMONWEALTH/COLLEGES and APSCUF.

G. It is expressly agreed and understood that the COMMONWEALTH/COLLEGES does not accept nor is it in any manner to be charged with hereby any responsibility connected with the determination of benefits for, nor with any liability to any FACULTY MEMBER claiming under any of the benefits extended by the Health and Welfare Fund. It is expressly agreed that the COMMONWEALTH/COLLEGES liability in any and every event with respect to benefits extended by the Health and Welfare Fund shall be limited to the contributions indicated under Section C above.

A FACULTY MEMBER who is authorized by the COMMONWEALTH/COLLEGES to travel on official business shall be paid for expenses actually incurred in accordance with the Commonwealth's Travel Expense Regulations.

Every reasonable effort will be made to process travel expenses promptly.

Travel expenses incurred by FACULTY MEMBERS when traveling or attending “Meet and Discuss” or other Association related matters shall not be reimbursed by the COMMONWEALTH/COLLEGES.

Article XXXIII

AGREEMENT AGAINST STRIKES AND LOCK-OUTS

A. During the term of this Agreement there shall be no strike, as that term is defined in the Public Employe Relations Act, by any FACULTY MEMBER. It is also understood that no officer, representative or official of APSCUF shall in any fashion authorize, assist or encourage any such strike during the term of this Agreement.

B. Neither the COMMONWEALTH nor the COLLEGE(S) shall lockout any FACULTY MEMBER(S) during the term of this Agreement.

C. Should a strike occur during the term of this Agreement, APSCUF shall, within 24 hours of the start of such strike or the request of the COMMONWEALTH/COLLEGES:

1. Publicly disavow the strike action by the FACULTY MEMBERS in all available communications media;

2. Advise the COMMONWEALTH/COLLEGES in writing that such FACULTY MEMBER action has not been authorized or sanctioned by APSCUF;
3. Advise FACULTY MEMBERS at the COLLEGE(S) where the strike is taking place that it has not sanctioned and has disapproved of the strike action; and APSCUF shall instruct the FACULTY MEMBERS to return to work immediately.

D. The COMMONWEALTH/COLLEGES reserves the right in its sole discretion to discipline, suspend, or discharge any FACULTY MEMBER(S) who violate the provisions of Section A of this Article.

E. Compliance with the foregoing provisions of this Article shall be deemed full compliance with APSCUF's obligations under this Article. APSCUF shall have no other obligations or liabilities to the COMMONWEALTH/COLLEGES under this Article.

Article XXXIV

INTERCOLLEGE TRANSFERS

A. Among other purposes, it is the intent of this Article to assist in alleviating potential staffing problems at the COLLEGES and the UNIVERSITY by providing for the voluntary transfer of FACULTY MEMBERS among the thirteen state COLLEGES and the UNIVERSITY. It is specifically understood that the provisions of this Article are intended to deal solely with intercollege transfers and that they do not convey any other powers to the Department of Education that it does not already have. The terms of this Article shall not apply to a FACULTY MEMBER who has been retrenched from his/her COLLEGE/UNIVERSITY. When a FACULTY MEMBER has been retrenched, the provisions of Article XXIX, RETRENCHMENT, shall apply.

B. 1. When the Secretary of Education becomes aware of the possible need for transfers, he/she shall take appropriate steps to determine the availability of vacant faculty positions within the Pennsylvania State College and University System (PSCU) system that might be filled through the transfer of FACULTY MEMBERS and shall notify all institutions within the PSCU system of the existence of such vacancies and of the qualifications required of candidates for the positions.

2. The Presidents of the PSCU institutions shall take steps, in accordance with B-3, B-4 and C below, to provide the Secretary of Education with the names and qualifications of FACULTY MEMBERS who could be considered for transfer if the President of an institution determines that there may be a need to alleviate staffing problems.

3. The President of an institution from which transfers are contemplated shall, after notifying the Secretary of Education in accordance with B-2 above, request the department, program or administrative unit from which transfers are contemplated to provide written recommendations to the President regarding the effect of transfers on the quality and extent of existing programs. These recommendations shall be provided to the President within fourteen (14) calendar days of the request.
4. The President, taking into account the recommendations made in accordance with B-3 above, shall then determine, as provided in C below, the number of FACULTY MEMBERS who could be transferred from a department, program or administrative unit and shall forward the names and qualifications to the Secretary of Education with the request that they be considered for transfer to other institutions.

5. Upon receipt of the names and qualifications as provided in B-4 above, the Secretary of Education shall make a reasonable effort to transfer the FACULTY MEMBER(S) to an available position at another institution in accordance with C below.

C. 1. With respect to the application of paragraphs B-3 and 4 above, to ACADEMIC FACULTY, consideration for transfers shall be by program or department, in inverse order of length of service from the most recent date of employment at the college ("seniority"), provided that the remaining ACADEMIC FACULTY MEMBER(S) in the department or program have the necessary qualifications in the opinion of the President to teach the remaining courses or perform the remaining duties. It is understood by the parties that such COLLEGE-wide seniority is to be applied within the affected program or department in order to determine which FACULTY MEMBER(S) within the program or department is to be considered for transfer.

2. With respect to the application of paragraphs B-3 and 4 above, to ADMINISTRATIVE FACULTY, consideration for transfer shall be by program, department or affected administrative unit in inverse order of length of service from the most recent date of employment at the COLLEGE ("seniority"), provided the remaining ADMINISTRATIVE FACULTY MEMBERS in the department, program or administrative unit have the necessary qualifications in the opinion of the President to perform the remaining duties. It is understood by the parties that such COLLEGE-wide seniority is to be applied within the program, department or administrative unit in order to determine which ADMINISTRATIVE FACULTY MEMBER(S) within the program, department or administrative unit is to be considered for transfer.

3. The transfer of the FACULTY MEMBER(S) shall be made by department, program or administrative unit in order of length of service from the most recent date of employment at the COLLEGE ("seniority"), so long as the FACULTY MEMBER with the greatest seniority who is available for transfer has the necessary qualifications to perform the duties of the available position at the receiving COLLEGE. The decision as to whether the FACULTY MEMBER(S) being considered for transfer has the necessary qualifications to perform the duties of the available position at the receiving COLLEGE shall be made by the President of the receiving COLLEGE. If the most senior of those FACULTY MEMBERS being considered for transfer from the department, program or administrative unit does not have the necessary qualifications to perform the duties of the available position,
the next most senior FACULTY MEMBER being considered for transfer who has the necessary qualifications will be transferred.

D. The President of the receiving COLLEGE may make the appointment at any step within the rank held by the transferred FACULTY MEMBER which the President deems appropriate.

E. The following procedure shall be utilized in the transfer process for FACULTY MEMBERS.

1. When a FACULTY MEMBER is transferred, the regular full-time FACULTY MEMBER(S) of the receiving COLLEGE department shall have the right to determine by a simple majority vote the acceptability of the FACULTY MEMBER being transferred. Such vote shall be taken in accordance with the accepted voting practice or procedure of the affected department unless it is in conflict with this Agreement; in which case the procedure shall be revised to conform with this Agreement.

2. The initial vote on acceptability by the receiving department shall be held before the end of the semester immediately prior to the semester in which the transfer is to be effective. This vote shall be held and the results determined in sufficient time to allow the President of the receiving college to notify the FACULTY MEMBER being considered for transfer of the results of that vote at least forty-five (45) days before the end of the semester in which the vote is taken. The FACULTY MEMBER being considered for transfer shall notify the Presidents of both the current COLLEGE/UNIVERSITY and the receiving COLLEGE/UNIVERSITY of his/her acceptance or rejection of the transfer within ten (10) days of the receipt of the results of the vote or at least thirty-five (35) days before the end of the semester in which the vote was taken, whichever comes first. A reasonable effort shall be made to insure that the FACULTY MEMBER is given the full ten (10) days in which to make his/her decision to accept or reject transfer. Failure by the FACULTY MEMBER to notify the Presidents of the COLLEGES/UNIVERSITY involved of his/her decision on acceptance or rejection by the end of the ten (10) day period shall be considered a rejection of transfer. The time limits of this subsection may in individual cases be modified by mutual agreement, in writing, of the parties to this Agreement. The acceptance of a transfer by a FACULTY MEMBER shall be final and binding and shall preclude any right or return to the former COLLEGE/UNIVERSITY by that transferred FACULTY MEMBER.

3. The department of the receiving COLLEGE shall have the following options in considering and voting on the acceptance of the FACULTY MEMBER proposed for transfer into the department.

   a. The department can approve the transfer of the FACULTY MEMBER into its department. Upon such approval and acceptance of the transfer by the FACULTY MEMBER under consideration, the transferred FACULTY MEMBER shall be received into the department and COLLEGE/UNIVERSITY. If the FACULTY MEMBER is tenured, his/her tenure status shall be carried over
to the receiving COLLEGE/UNIVERSITY and he/she shall receive COLLEGE-wide seniority credit at the receiving COLLEGE/UNIVERSITY of three (3) years or, where the President and the receiving department agree, additional COLLEGE-wide seniority may be granted, up to the full amount accrued at the former COLLEGE/UNIVERSITY. A probationary non-tenured FACULTY MEMBER shall receive full credit for prior service toward tenure but shall receive no COLLEGE-wide seniority credit, unless the President and the receiving department agree, in which case COLLEGE-wide seniority may be granted up to the full amount accrued at the former COLLEGE/UNIVERSITY.

Sabbatical leaves shall be granted, and credit for sabbatical leaves shall be earned in accordance with Article XIX, LEAVES OF ABSENCE, Section A. In addition, the FACULTY MEMBER shall retain accumulated sick leave and he/she shall not be considered a new employe for purposes of fringe benefits or other benefits provided to FACULTY MEMBERS covered by this Agreement; or

b. The Department may provisionally approve the transfer of the FACULTY MEMBER into its department. Transfers which have been given provisional approval by the department shall be for an interim period of one academic year (2 semesters). Prior to the end of the interim academic year, the department shall vote either to fully accept the transferred FACULTY MEMBER or to reject the transferred FACULTY MEMBER. If a provisionally approved transferred FACULTY MEMBER fails to receive a vote of approval at the end of the first interim academic year, the President of the receiving COLLEGE/UNIVERSITY shall not be barred from retaining the transferred FACULTY MEMBER in the position in the department to which he/she was transferred for not more than one (1) additional academic year. This does not obligate the President to find another position for the transferred FACULTY MEMBER at the receiving COLLEGE/UNIVERSITY after the end of this second year. If the provisionally approved FACULTY MEMBER is tenured, his/her tenure status shall be carried over to the receiving COLLEGE. A provisionally approved probationary non-tenured FACULTY MEMBER shall receive full credit for prior service toward tenure. Sabbatical leaves shall be granted, and credit for sabbatical leaves shall be earned in accordance with Article XIX, LEAVES OF ABSENCE, Section A. In addition, the provisionally approved FACULTY MEMBER shall retain accumulated sick leave and he/she shall not be considered a new employe for purposes of fringe benefits or other benefits provided to FACULTY MEMBERS covered by this agreement. Upon final approval and acceptance of the transferred FACULTY MEMBER by vote of the receiving department at the end of the interim academic year: A tenured FACULTY MEMBER shall receive COLLEGE-wide seniority credit of three (3) years at the receiving COLLEGE/UNIVERSITY or, where the President and the receiving department agree, additional COL-
LEGE-wide seniority may be granted up to the full amount accrued at the former COLLEGE/UNIVERSITY; and, a probationary non-tenured FACULTY MEMBER shall receive no COLLEGE-wide seniority credit, unless the President and the receiving department agree, in which case COLLEGE-wide seniority may be granted up to the full amount accrued at the former COLLEGE/UNIVERSITY; or

c. The department may reject the transfer of the FACULTY MEMBER into its department. Although the department has voted to reject the FACULTY MEMBER being considered for transfer, the President of the receiving COLLEGE may at his/her discretion, and where he/she believes that the FACULTY MEMBER being considered for transfer meets the credentials requirements of the available position, convert the rejection to a provisional approval. Where the President converts the rejection to a provisional approval, the transfer shall be for an interim period of one (1) academic year (2 semesters). Prior to the end of the interim academic year, the department shall vote either to accept fully the transferred FACULTY MEMBER or to reject the transferred FACULTY MEMBER. If a provisionally approved transferred FACULTY MEMBER fails to receive a vote of approval at the end of the first interim academic year, the President of the receiving COLLEGE/UNIVERSITY shall not be barred from retaining the transferred FACULTY MEMBER in the position in the department to which he/she was transferred for not more than one (1) additional academic year (2 semesters). This does not obligate the President to find another position for the transferred FACULTY MEMBER at the receiving COLLEGE/UNIVERSITY after the end of this second year. If the provisionally approved FACULTY MEMBER is tenured, his/her tenure status shall be carried over to the receiving COLLEGE/UNIVERSITY. A provisionally approved probationary non-tenured FACULTY MEMBER shall receive full credit for prior service toward tenure. Sabbatical leaves shall be granted and credit for sabbatical leaves shall be earned in accordance with Article XIX, LEAVES OF ABSENCE, Section A. In addition, the provisionally approved FACULTY MEMBER shall retain accumulated sick leave and he/she shall not be considered a new employee for purposes of fringe benefits or other benefits provided to FACULTY MEMBERS covered by this agreement. Upon final approval and acceptance of the transferred FACULTY MEMBER by vote of the receiving department at the end of the interim academic year, a tenured FACULTY MEMBER shall receive COLLEGE-wide seniority credit of three (3) years at the receiving COLLEGE/UNIVERSITY or, where the President and the receiving department agree, additional COLLEGE-wide seniority may be granted, up to the full amount accrued at the former COLLEGE/UNIVERSITY; and, a probationary non-tenured FACULTY MEMBER shall receive no COLLEGE-wide seniority credit, unless the President and the receiving de-
partment agree, in which case COLLEGE-wide seniority may be granted up to the full amount accrued at the former COLLEGE/UNIVERSITY.

F. When FACULTY MEMBERS are transferred in accordance with the above provisions, the Secretary of Education shall require the FACULTY MEMBER to change his/her residence from one place in Pennsylvania to another such place, and the faculty member shall receive the expenses of moving his/her household goods to his/her new residence in accordance with applicable Commonwealth rules and regulations. Where the FACULTY MEMBER meets the above requirements for payment of moving expenses, it is understood that the move by the FACULTY MEMBER shall be made within six (6) months, and the request for payment of moving expenses will be made no later than six (6) months from the date of acceptance of the transfer. Moving expenses shall be paid by the COLLEGE from which the transfer occurs.

G. Where a FACULTY MEMBER transfers from a COLLEGE or the UNIVERSITY within the system to a different COLLEGE or the UNIVERSITY within the system for personal reasons or reasons other than those set forth in B-2 above, only sections D and E of this Article will apply.

H. An individual FACULTY MEMBER who is transferred for the purposes set forth in B-2 above, or APSCUF on his/her behalf, shall have the right to grieve in accordance with Article V, GRIEVANCE PROCEDURE AND ARBITRATION, but only as to himself/herself and then only with respect to failure to observe the grievable portions of the procedures set forth in A through F above. A FACULTY MEMBER who is transferred for personal reasons or reasons other than those set forth in B-2 above, or APSCUF on his/her behalf, shall have the right to grieve in accordance with Article V, GRIEVANCE PROCEDURE AND ARBITRATION, but only as to himself/herself and then only with respect to failure to observe the grievable portions of the procedures set forth in D and E above.

I. Upon the request of either of the parties to this Agreement, the parties shall meet and discuss aspects of this Article that are of mutual interest.

Article XXXV

LEGISLATIVE ACTION

A. In the event that any provision of this Agreement requires legislative action to become effective, including, but not limited to, amendment of existing statutes, the adoption of new legislation, the passage of the COMMONWEALTH/COLLEGES budget or the granting of other appropriation, the provision shall become effective only if such legislative action is taken. The Parties, however, mutually agree that each will make such appropriate but separate recommendations to the Legislature which each deems necessary to give force and effect to the provisions of this agreement. It is agreed by the parties that the provisions of this section shall not be subject to the provisions of Article V, GRIEVANCE PROCEDURE AND ARBITRATION, of this Agreement.
B. The Commonwealth and APSCUF shall each separately and in good faith attempt to have introduced and support legislation which each party independently deems is necessary to implement a provision of this Agreement. Where the parties mutually agree upon the need for implementing legislation and the form and language of that legislation they will lend full support to the introduction and passage of such mutually agreed upon legislation. It is agreed by the parties that the provisions of this section shall not be subject to the provisions of Article V, GRIEVANCE PROCEDURE AND ARBITRATION, of this Agreement.

C. In the event that legislation which both parties mutually agree is necessary is not passed with respect to a specific subject matter, the parties hereto shall have the right to re-negotiate regarding the subject matter.

Article XXXVI
SEPARABILITY

In the event that any provision of this Agreement is found to be inconsistent with statutes or ordinances, the provisions of such statutes or ordinances shall prevail and, if any provision herein is determined to be invalid and unenforceable by a court or other authority having jurisdiction, such provision shall be considered void, but all other valid provisions hereof shall remain in full force and effect.

Article XXXVII
TOTALITY OF AGREEMENT

The parties acknowledge that this Agreement represents the results of collective negotiations between said parties conducted under and in accordance with the provisions of Act 195 and constitutes the entire agreement between the parties for the term of said Agreement or any extensions thereof. Each party waives his/her right to bargain collectively with the other with reference to any other subject, matter, issue or thing, whether specifically covered here or wholly omitted herefrom, whether or not said subject was mentioned or discussed during the negotiations preceding the execution of this Agreement.

Article XXXVIII
SUCCESSORS

This Agreement shall be binding upon the parties hereto, and their heirs, executors, administrators, successors and assigns of each, in accordance with applicable labor law. The COMMONWEALTH/COLLEGES shall notify APSCUF in writing at least thirty (30) days in advance of any sale, lease, transfer or assignment of any of the state colleges to other political subdivisions or bodies, corporations or persons.
Article XXXIX
TERM OF AGREEMENT

This Agreement shall be effective as of July 1, 1981 and shall remain in full force and effect to and including June 30, 1984, except as provided below. This Agreement shall automatically be renewed from year to year thereafter unless either party shall notify the other party in writing of their intent to renegotiate all or parts of this contract by such time as would permit the parties to comply with the collective bargaining schedule established in the Public Employe Relations Act. The following Articles or Sections of Articles of this Agreement may be reopened for the period from July 1, 1983 to June 30, 1984 by either party notifying the other party in writing of their desire to reopen negotiations on these Articles or Sections of Articles by such time as would permit the parties to comply with the collective bargaining schedule established in the Public Employe Relations Act:

1. Article VII, PERFORMANCE OF BARGAINING UNIT WORK, Section D.2.
2. Article XX, SALARIES
3. Article XXI, FRINGE BENEFITS
4. Article XXX, HEALTH AND WELFARE, Section C.
In Witness Whereof, the parties to this Agreement intending to be legally bound by its provisions have signed and executed this Agreement on May 20, 1981.

AMENDMENTS TO APPROVED STATEMENT OF PROMOTION POLICIES AND PROCEDURES

In 1975 the Collective Bargaining Agreement created an AD-HOC Committee to review and approve a STATEMENT OF PROMOTION POLICIES AND PROCEDURES for each of the COLLEGES. The AD-HOC Committee was dissolved when this task was completed. No procedure currently exists for a COLLEGE to modify its policy statement. The COMMONWEALTH and APSCUF have therefore agreed that the following procedure will be used to approve modifications to a COLLEGE'S STATEMENT OF PROMOTION POLICIES AND PROCEDURES.

1. After a modification has been developed at the college level and mutually agreed to between the COMMONWEALTH and APSCUF at local Meet and Discuss, the President will forward the policy in revised form to the Chief of the Labor Relations Division of the Pennsylvania Department of Education.

2. The Chief of the Labor Relations Division of the Pennsylvania Department of Education and the other members of the Commonwealth's state-wide Meet and Discuss Team will review the proposed modification for the sole purpose of insuring its compliance with the Collective Bargaining Agreement and the "Guidelines for Preparation of a Statement of Promotion Policies and Procedures" (hereinafter, Guidelines).

3. The Chief of the Labor Relations Division of the Pennsylvania Department of Education will transmit a copy of the proposed modification to the Chairperson of APSCUF's state-wide Meet and Discuss Team. The Chairperson and the other members of APSCUF's state-wide Meet and Discuss Team will review the proposed modification solely for the purpose of insuring its compliance with the Collective Bargaining Agreement and Guidelines.

4. The proposed modification will then be placed on the agenda of the next Meet and Discuss session at which meeting the proposed modification will either be approved or disapproved.

5. Approval will require the agreement of both the COMMONWEALTH/COLLEGES and APSCUF Meet and Discuss Teams. Both the Commonwealth team and APSCUF's team each retain the sole discretion to disapprove a proposed modification.
