ARTICLE I

Recognition

A. The Board hereby recognizes the LSEA as the exclusive bargaining representative as defined in Section 11 of Act 379, Public Acts of 1965, for those employees included in the unit for bargaining as set forth in the paragraph below. The term "teacher" when used hereinafter in this Agreement shall refer to all employees within the unit. The term "Board" when used hereinafter shall refer to the Board of Education of the Lansing School District, its administrative agents and supervisory personnel.

B. The following teacher personnel who hold valid contracts with the Lansing School District comprise this bargaining unit: preschool-12 classroom teachers, guidance counselors, librarians, School Psychologists, school social workers, physical therapists, occupational therapists, audiologists, program specialists, special education teachers, speech and hearing therapists, remedial reading teachers, advanced instruction teachers, Instructional Development team teachers, teacher consultants, teachers of the homebound or hospitalized, attendance officers, school nurses, coordinators, and all other personnel placed on the Teachers Salary Schedule but excluding: all ABE and High School completion teachers; per diem substitutes; E.I.P. intern teachers; supervisory and executive personnel, as well as any other certified and non-certified personnel employed by the Board.

C. Bargaining unit personnel shall not hire, transfer, suspend, layoff, recall, promote, discharge, assign or discipline other bargaining unit personnel. Any direction of personnel shall be initiated by the administrator in charge.

D. The Board agrees not to negotiate with any teachers' organization other than LSEA for the duration of this Agreement. Nothing herein is intended to prohibit the right of free communication between the Board or its representatives and the personnel included in the bargaining unit.

ARTICLE II

Association and Teacher Rights

A. Pursuant to Act 379 of the Public Acts of 1965, the Board hereby agrees that every teacher employed by the Board shall have the right freely to join and support the LSEA for the purpose of engaging in collective bargaining or negotiations. The Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by Act 379, or other laws of Michigan or the Constitutions of Michigan and the United States.

B. Nothing contained herein shall be construed to restrict or deny to any teacher rights they may have under any other laws.

C. LSEA announcements during duty hours shall be permitted only at the close of building faculty meetings. Association activities will in no way interfere with classroom or preparation time.
D. The Board recognizes and respects the right of citizens to make suggestions for the improvements of public schools, but maintains that no group can deny academic freedom to educators. The Board recognizes that the education profession has both the right and the responsibility to insist that children must be free to learn and teachers free to teach broad areas of knowledge, including those considered controversial. Thus, no special limitations shall be placed upon study, investigation, presentation and interpretation of facts and ideas, except that:

1. The teacher must exercise responsibility and prudence, and must realize that teaching in an elementary or a secondary school places special responsibility upon the teacher to carefully consider the maturity level of the student and the special circumstances that surround the teacher/learning relationship.

2. The teacher shall have the responsibility of keeping the principal informed of all controversial issues to be taught outside the accepted course of study.

If any group or individual brings charges against the teacher designed to impede the teacher's freedom to teach, and the teacher's position concurs with Board of Education Policy #6122, Study of Controversial Issues, and number 1 and 2 above, the Board shall provide without cost to the teacher, the necessary and sufficient leave of absence, legal assistance, and other support for the protection of academic freedom. Any amendment to Policy #6122 will be distributed by the Board to each teacher.

E. 1. The LSEA shall have the right to use building facilities at reasonable times and hours for teacher meetings outside their working day when an operating staff is on duty, provided this shall not interfere with or interrupt normal school procedures. Such use will be scheduled through the building administrator. When special custodial service is required, the Board will charge the LSEA for the actual charge involved.

2. Duly authorized officials of the LSEA shall be permitted to transact official LSEA business on school property at all reasonable times, provided it does not interfere with or interrupt or affect normal school operations or assigned duties. It is the responsibility of the above mentioned officials to report their presence to the office of the building principal before their conference with any teacher.

3. The LSEA, by its representatives, may, for LSEA purposes, enjoy the use of Board typewriters, calculating machines, duplicating equipment, audio visual and amplifying equipment at an annual rental fee of $155 per annum plus the cost of materials and supplies: provided, however, all such use shall be only when such equipment is not in use, for educational or instructional purposes as determined by the building administrator. LSEA agrees to indemnify and hold harmless the Board of and from any damage or cost of repair arising out of LSEA use.

4. The Board shall provide a bulletin board in each building, part or all of which shall be designated in writing by the building administrator for LSEA use.
5. The courier service may be used by the LSEA at its option. Service shall include a regular daily stop at the LSEA office, subject to the charge of one cent per posted unit picked up at the LSEA office. The LSEA shall also be entitled to utilize teacher mailboxes.

6. All of the foregoing are granted solely to the LSEA and shall not be utilized by any other teacher organization as contemplated by P.A. 379. The LSEA agrees to indemnify and hold harmless the Board against and from any and all costs, expenses or money judgments and agrees to pay the same in behalf of the Board to the extent that any costs, expense or judgment shall arise out of, or be incurred in any lawsuit or other action wherein any party claims to have been aggrieved as the result of any of the privileges in this Article being granted solely to the LSEA to the exclusion of any other teacher association.

7. The Board agrees to provide in the form in which it is available in the records of the District, upon written request of the LSEA President or Executive Directors, all financial and non-confidential personnel information relative to the District, excluding, however, any and all financial information or data which may be held not accessible to teacher bargaining units by any statute, state administrative or judicial body.

8. Teachers shall be entitled to the full rights of citizenship. Such rights of citizenship include the right to a personal and private life provided that said personal or private life does not have a negative impact on the Teacher's effectiveness.

9. No teacher shall be prevented from wearing insignia, pins, or other identification of membership in the United Profession either on or off the school premises. However, teachers may not attach or glue any types of membership insignia to any part of the building structure.

10. The provisions of this Agreement and the wages, hours, terms, and conditions of employment shall be applied without regard to race, creed, religion, color, national origin, age, sex, marital status, or membership in, or association with, any organization.

11. Upon appointment with the Personnel Office which may be made anonymously, teachers shall have access to their personnel files once each semester to review any document prepared by the teacher, college transcripts, progress evaluation forms prepared by the principal or supervisor, and other miscellaneous documents and information which are not received as privileged or confidential. Such records will be made available at the Personnel Office and will not be removed from said office.

12. Nothing herein shall require any teacher to be a member of, or participate in the activities of any organization.

13. The LSEA shall be entitled to a total of fifty (50) school days with pay per year to be utilized by the LSEA as needed (subject to cancellation due to emergency) provided, however, such time is to be utilized only for the necessary business purposes of the LSEA and is specifically denied for arbitration use. The LSEA shall bear the cost of substitutes required for any of these days.

The LSEA Executive Director must give notice for this request as early as possible but in any event no less than three (3) days prior to the leave to the Director of Personnel and the immediate supervisor of the affected teacher. No more than two (2) teachers may be absent under
the provision at one time except as approved by the Director of Personnel.

M. The Board and the LSEA recognizes the significance and priority of the goal established in the policy on Recruitment and Selection of Certified Personnel, and acknowledges the charge to the Superintendent and Director of Personnel to recommend appointments for staff positions on merit with increased racial and ethnic integration to approximate the racial and ethnic composition of the student population served by the Lansing School District. The Board and the LSEA shall promote an aggressive effort to recruit members of minority groups for employment in the schools. Annually, the LSEA and the District shall jointly survey teachers to determine the names and addresses of prospective minority teaching candidates in areas where it is anticipated hiring will occur. The Board shall deliver to the LSEA copies of State and Federally funded proposals including statements of assurances of compliance with State and Federal Civil Rights guidelines.

N. A teacher may not be required to disclose communications received in confidence by the teacher from a student unless said disclosure has been determined to be required by law.

O. The Board shall support those teacher rights expressed in the Board Policy #5114, Code of Student Conduct for Elementary and Secondary Pupils as amended October 2, 1975.

ARTICLE III

Association and Teacher Responsibilities

A. Teachers shall be at their work station for the days contracted. Any unexcused absence may result in a loss of pay for the duty time missed, and an entry to that effect in the teacher's personnel file. Unexcused absence may be cause for disciplinary action up to and including dismissal.

B. No teacher on continuing tenure shall discontinue service with the Board except by mutual consent, without giving a written notice to said Board at least sixty days before September 1st of the ensuing school year. Any teacher discontinuing services in any other manner than as provided in this Section shall forfeit in accordance with the Act the rights to continuing tenure previously acquired under the Tenure Act.

C. Teachers are expected to indicate to the Board as soon as possible if they do not intend to return for the coming school year. Any teachers knowing on or before February 15 that they will not return the following school year shall file a notice of such intent with the Director of Personnel on or before such date. Teachers determining after such date that they will not return the following school year shall immediately upon knowing file a notice of such intent with the Director of Personnel. Recognizing the assistance such notice will be to teachers desiring transfers, the LSEA will send notices to each building encouraging compliance with the provision of this paragraph by its membership.

D. All teachers in the Lansing School District shall furnish, on a triannual basis, evidence of freedom from communicable tuberculosis.

Department of Health form K-7-8 or other official evidence, shall be presented to the Personnel Office and placed in the teacher's personnel file no later than 14 days after the first day of regular school sessions.
This form shall be available for examination by Public Health Department personnel. Failure to provide such statement to the Personnel Department shall result in automatic disqualification and suspension without pay.

Acceptable statements of evidence may date back no further than December 1 of the preceding year.

E. All Association materials intended for distribution or display in any property under the management of the Board shall be identified as Association material before display or distribution.

F. Teachers are responsible for maintaining a continuous high level of professional service to the welfare and benefit of the student body. Teachers, therefore, are responsible to discharge their teaching assignment with professional proficiency, to plan adequately and make conscientious efforts to meet, if necessary, with children, parents, and/or administrators.

ARTICLE IV

Grievance Procedure

A. A claim by a teacher, group of teachers or the Association that there has been a violation, misinterpretation or misapplication of any provision of this Agreement and/or written teacher personnel policies directly applicable to wages, hours or conditions of employment adopted by the Board may be processed as a grievance as hereinafter provided.

B. The LSEA shall maintain a Grievance Committee for the purpose stipulated in Section F of this Article. In the event that members of the Grievance Committee are a party in interest to any grievance they shall disqualify themselves.

C. The number of days indicated at each step of the Grievance Procedure are calendar days, excluding weekends and holidays, should be considered as maximum, and every effort should be made to expedite the grievance process. Any time limit may be extended by mutual consent.

D. The failure of an aggrieved person to proceed from one step of the Grievance Procedure to the next step within the time limits set forth shall be deemed to be an acceptance of the decision previously rendered and shall constitute a waiver of any future appeal concerning the particular grievance.

E. The failure of an Administrator to communicate the decision to the teacher within the specified time limits shall permit the teacher and/or Association to proceed to the next step in the Grievance Procedure.

F. In the handling and processing of a grievance the following procedure shall apply:

1. Step One
   Within fourteen (14) days of the date a grievance occurs, the teacher shall discuss the grievance with their immediate supervisor individually, together with the LSEA Building Association Representative and/or through another official LSEA Representative with the objective of resolving the matter informally. Within five (5) days after discussion of the grievance, the administrator or a designee shall give the disposition orally to the teacher.
2. Step Two
If the grievance is not resolved informally, the teacher shall, within five (5) days of receipt of the administrator's disposition, submit to the administrator a signed written "Statement of Grievance." The "Statement of Grievance" shall name the teacher involved, shall state the facts giving rise to the grievance, shall identify all the provisions of this Agreement alleged to be violated by appropriate reference, shall state the contention of the employee and of the Association with respect to these provisions, shall indicate the relief requested and shall be signed by the teacher involved.

The administrator or a designee shall give the teacher an answer in writing no later than five (5) days after receipt of the written grievance.

3. Step Three
If the grievance is not resolved at Step Two, the teacher shall immediately transmit the grievance to the Association's Grievance Committee. Within twelve (12) days of the date of disposition at Step Two, the Grievance Committee shall consider the merit of the grievance and in the event it is considered meritorious shall process the claim with the Director of Employee Relations. If the Grievance Committee determines the grievance to be without merit it shall so notify the claimant and the claimant may continue to process the claim without Association support within the same twelve (12) day time period.

Within twelve (12) days of receipt of the grievance, the Director of Employee Relations or a designee shall meet with the committee chairman or the grievant, whichever party is pursuing the grievance. If the committee pursues the grievance, the aggrieved may be present and shall be present at the request of either the Director of Employee Relations or the Association. A written answer shall be given within five (5) days after such meeting. Association grievances shall commence at this level and shall be filed within fifteen (15) days of the alleged occurrence of such grievance.

4. Step Four
If the grievance remains unresolved at the conclusion of Step Three, it may be submitted for binding arbitration at the request of the Association, provided written notice of the request for submission to arbitration is delivered to the Board and the American Arbitration Association within twenty (20) days after the date of decision under Step Three. Following the written notice of request for submission to binding arbitration, the arbitrator will be selected by the American Arbitration Association in accordance with its rules which shall likewise govern the arbitration hearing.

The fees and expenses of the arbitrator shall be shared equally by the Association and the Board. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expense of witnesses called by the other.
C. Powers of the Arbitrator

It shall be the function of arbitrators, and they shall be empowered, except as their powers are limited below, after due investigation, to make a decision in cases of alleged violation of the specific articles and sections of this Agreement.

a. The arbitrator shall have no power to add to, subtract from, disregard, alter, or modify any of the terms of this Agreement.
b. The arbitrator shall have no power to establish or alter salary schedules.
c. The arbitrator's powers shall be limited to deciding whether the Board has violated the express articles or sections of this Agreement, or policies as defined in paragraph A of this Article, it being understood that any matter not specifically set forth herein remains within the reserved rights of the Board.

H. Both parties agree to be bound by the decision of the arbitrator and agree that either party may enter judgment thereon in any court of competent jurisdiction.

I. Miscellaneous

1. The filing of a grievance shall in no way interfere with the right of the Board to proceed in carrying out its responsibilities, subject to the final decision of the grievance.

2. No reprisals of any kind shall be taken by or against any party of interest or any participant in the grievance procedure by reason of such participation.

3. All documents, communications, or records dealing with a grievance shall be filed separately from the personnel files of the participants.

4. The form "Statement of Grievance" can be obtained from an Association Representative or the LSEA office.

5. Access shall be made available to records of all unprivileged information used in the determination and processing of the grievance.

6. No grievance shall be filed for or by any teacher after the effective date of their resignation.

7. Any grievance filed during the life of this Agreement shall be processed through the steps of this procedure regardless of whether such time required may go beyond the expiration date of this document.

8. If any teacher has a grievance regarding any condition of employment covered by the Michigan Tenure Act, such grievance shall be dealt with exclusively through the provisions of said Act and the established procedures thereof.

9. Two or more grievances on the same subject may be handled by the Board as one grievance. When such a situation occurs, the Association shall be notified and the answer directed to the Association representative or the Association.
10. Nothing contained herein shall be construed to prevent any individual teacher from presenting a grievance and having the grievance adjusted without the intervention of the LSEA, if the adjustment is not inconsistent with the terms of this Agreement, providing that the LSEA has been given opportunity to be present at such adjustment.

11. Any grievance occurring during the period between the termination date of this Agreement and the effective date of a new Agreement shall not be processed.

12. Settlements of grievances reached at Step One of the grievance procedure shall not be considered precedent-setting nor shall they prejudice either party in either promulgating or responding to later grievances.

4. There shall be a functioning professionally staffed library in each school to supplement and complement the required curriculum. Staffing may be altered for programmatic reasons by approval of the staff.

C. Teachers assigned to support centers shall, to the extent reasonably practicable, be provided adequate space to carry out their work assignment. c. Whenever the classroom teacher and principal suspect that a student may require special services, they shall confer to determine what steps are appropriate to provide supportive help for the classroom teacher and/or student up to, and through the IEPC process.

d. A request to the building principal for an IEPC may be made at any time by any regular or special education teacher, as well as others as stated by the Mandatory Special Education Act. Any teacher may also request a change in an IEPC by notifying the principal in writing. The principal shall notify the teacher within ten (10) working days of the action to be taken. The IEPC shall be held as soon as possible.

ARTICLE VI
Teaching Assignments

A. Teachers shall not be assigned outside of their teaching certificates in the elementary schools or their major or minor fields of study in the high schools. Exceptions may be made for teachers with their written approval.

Only teachers with junior high or upper elementary teaching experience in the class(es) to be assigned or with a certified major or minor in the class(es) to be assigned shall be eligible for assignments to grade 7 and 8. Exceptions shall be made for teachers who apply to be placed on the grades 7 and 8 additional subject eligibility list.

Annually, during the month of September, teachers who desire to be on the grade 7 and 8 additional subject eligibility list for subjects beyond their subject certification or majors and minors shall indicate same in writing to the Director of Personnel including in such application the grade 7 and 8 subjects for which the applying teacher wishes to be approved. Such application shall also include a statement of all evidence the applying teacher deems relevant as to why approval should be granted. By November 1 of each year all teachers who make such application shall be informed of either the approval of their application or of a specific reasonable program they can follow to completion. Such program, if successfully completed, will make the applying teacher eligible for assignment the following school year to grades 7 and 8 subjects for which the teacher applied. Once a teacher has been accepted for the grade 7 and 8 additional subject eligibility list such approval shall continue from year to year.
B. No secondary teachers shall have more than three preparations a day; each modified, accelerated, and enriched class shall be considered a separate preparation. Exceptions may be made with the teacher's written approval.

C. Whenever practicable, returning teachers will be informed of the coming year's assignment by the close of the current school year. If changes in assignment are necessitated beyond that date, the principal will make a reasonable effort to notify the teacher. Every effort will be made to avoid reassigning probationary elementary school teachers to different grade levels except for extenuating circumstances.

D. No teacher shall be used as a substitute except in case of emergency, it being understood expressly that the failure of a substitute to arrive on time and the unavailability of an administrator shall be considered an emergency.

E. A teacher volunteering for extra duties shall be paid at a rate specified in Article XVIII except when waived by teacher.

F. Whenever schedules so allow, teachers assigned to more than one school shall not be required to drive during their duty free lunch hour or planning time.

G. Part-time Teachers

1. Secondary teachers shall be hired according to the number of class periods taught (i.e. 1/5, 2/5, etc.). Consideration will be given for scheduling their class periods consecutively.

2. Elementary teachers shall be hired by half-days.

H. In determining assignments, instructional requirements, student needs and district needs will be of primary consideration. Qualifications, requests of individual teachers and seniority will also be factors considered in determining assignments.

ARTICLE VII

Class Size

Because the pupil-teacher ratio is one important aspect of an effective educational program, the Board shall strive to keep class sizes below maximums. Further, when it becomes clear that within the capabilities of a given building that the leveling from one classroom to another would balance the class size or the overload without being detrimental to children, the Board will adjust class sizes within the class size maximums.

A. The school district shall level class sizes within a building to the nearest whole student equivalent count by dividing the number of classes in a specific grade level or course type by hour into the actual number of student count equivalent. Should the count exceed the class size maximum, overload relief shall be provided for the affected teacher subject to the conditions listed below.
B. For purposes of alternate staffing patterns, when a staff agrees to reduce the number of professional staff below the allocated number for a given building or program, the money released shall be determined by multiplying the number of teachers not hired by the district-wide average teacher's salary. The staff involved will determine how this money is to be spent.

C. In innovative or experimental programs, alternate staffing patterns or other cases where specific class size maximums do not apply, the ratio of students to teacher equivalent positions employed by the district shall not exceed the equivalent ratio of classroom teachers in regular or traditional programs.

D. Elementary Maximums (1981-82)

1. K - 26
2. One and two years out of Kindergarten 26 (Grades 1 and 2).

4. In a situation where the continuous progress concept is in use, the class size shall not exceed those of the respective grade level equivalents.
5. Teachers having combination grades in the same room shall have class sizes two below the respective grade level equivalents.
6. If class sizes exceed three pupils over the guidelines without the consent of the teacher or teachers involved, the staff of the building shall meet to review and attempt to resolve the problem.
7. When class size exceeds two pupils over the guidelines, the teacher shall be provided with one planning day during the month. Planning days shall be determined by using the first Monday of the month, October thru May.

Elementary Maximums (1982-83 and 1983-84)

1. K - 25
2. One and two years out of Kindergarten 25 (Grades 1 and 2).

4. In a situation where the continuous progress concept is in use, the class size shall not exceed those of the respective grade level equivalents.
5. Teachers having combination grades in the same room shall have class sizes two below the respective grade level equivalents.
6. If class sizes exceed three pupils over the guidelines without the consent of the teacher or teachers involved, the staff of the building shall meet to review and attempt to resolve the problem.
7. When class size exceeds two pupils over the guidelines, the teacher shall be provided with one planning day during the month. Planning days shall be determined by using the first Monday of the month, October thru May.

E. Elementary Overloads

1. Teachers shall be paid $5.00 per week per pupil in classes where there is one pupil over the maximum for elementary classes set forth above. Kindergarten classes shall be considered as separate units.
2. Overloads shall be determined by actual counts on the fifth Monday and each Monday thereafter of the first semester. During the second semester overloads shall be determined by actual counts on the third Monday and each Monday thereafter. Overloads shall not be paid for the first four weeks of the first semester or the first two weeks of the second semester. Overloads shall be paid at the end of each semester.

3. In order that payments can be made on the 21st pay check, the 16th Monday of the second semester shall serve as the actual count for the 17th, 18th, and 19th Monday.

4. Teachers absent for a period of ten consecutive work days or longer shall not be paid overload for that period of time.

F. Secondary Maximums

Class size maximums are set forth in Appendix C.

G. Secondary Overloads

1. Teachers shall be paid $2.00 per week per pupil in classes where there is one pupil over the maximum for secondary classes set forth in Appendix C. Fractional overloads shall be paid on the first 3/4th and every 1/4th thereafter.

2. Overloads shall be determined and paid each semester by using the average of four count dates. In 1981-82 the dates to be used the first semester shall be October 5, November 2, November 30 and January 4. The dates to be used the second semester shall be February 15, March 15, April 19 and May 10. In 1982-83 the dates to be used the first semester shall be October 4, November 1, November 29 and January 3. 4. Teachers absent for a period of ten consecutive work days or longer shall not be paid overload for that period of time.

H. Special Education

1. If a handicapped student's instructional program is the primary responsibility of a regular education teacher (spends half time or more in regular education) that student shall be counted as a general education student for class size purposes.

Any combination of special education students whose total time in general education equals or exceeds 2 hours and 45 minutes shall be counted as one student for the purposes of determining class size.

2. Special Education class sizes in elementary and secondary schools shall not exceed state rules and regulations unless a deviation is obtained from the Department of Education. In such cases LSEA shall receive prior notification of the deviation request and shall have the opportunity to attach a statement of support or dissent.
3. Secondary

In secondary schools, when handicapped students are scheduled into regular education classes in accordance with the I.E.P., an effort will be made to equalize the distribution within courses appropriately selected for mainstreamed students.

The student's special education teacher will have the responsibility to contact the teachers of handicapped students scheduled into regular education classes for the purpose of sharing pertinent information and discussing special needs of these students.

When the regular classroom teacher of a special education student is faced with a situation which requires a disproportionate amount of time or a specific teaching technique with which he/she is unfamiliar to provide the regular instruction which the student requires, the teacher will apprise the special education coordinator, counselor or building/program administrator (as appropriate) of the situation.

As soon as practicable, but in no case longer than five school days, the responsible person will make every reasonable effort to provide appropriate assistance to the teacher for the benefit of the student and the classroom. This assistance may include, but is not limited to:

a. Providing instructional assistance by the building special education staff,

b. re-scheduling the student into a more appropriate classroom, either regular or special education,

c. counseling services to the student and/or
d. contacting and seeking consultant support.

e. Reduce class size.

The regular teacher and the principal will work out a suitable remedy for the situation in cooperation with the building special education staff and in accordance with the I.E.P.

Protection of Teachers

A. While the building administrator bears the primary responsibility for maintaining proper control and discipline within the school building and grounds, each teacher bears the primary responsibility for maintaining proper control and discipline within the classroom. Teachers also share responsibility for the maintenance of proper control and discipline in other areas of the school building and grounds. The Board recognizes its responsibility to give support and assistance to teachers with respect to the maintenance of control and discipline in the classroom. Disciplinary actions and methods shall be reasonable, just and in accordance with policies and procedures of the district (Policy #5114) and building discipline codes.

B. The principal or assistant and the teacher will cooperatively endeavor to achieve correction of pupil behavior through whatever avenues are available, in accordance with established Board policies and discipline codes.

1. A teacher may exclude a pupil from the classroom temporarily when the grossness of the offence, the persistence of the misbehavior or the disruptive effect of the violation makes the continued presence of the pupil in the classroom intolerable. In such cases the teacher will furnish the administration full particulars of the incident(s) as promptly as teaching obligations will allow, but in no case later than the end of the teacher day unless extenuating circumstances dictate otherwise. Before the principal or assistant returns the pupil to the classroom, he/she shall inform the teacher, with a personal contact or in writing, of the corrective measures taken.
2. Whenever it appears to the teacher and principal that a particular pupil requires the attention of counselors, social workers, law enforcement personnel, physicians, or other professional persons, the Board will take immediate steps to provide such supportive help for the teacher.

3. A pupil may be permanently removed from the class when the teacher and principal concur that disruptions by said pupil may impede the education of the balance of the class and the following courses of action have proved to be ineffective:

a. Personal consultation with the pupil concerning his/her conduct.

b. Referral of the pupil to the building administrator.

c. Parental conferences or notification of the conduct concerned.

If a request to remove a pupil is denied, the teacher shall have a right to pursue the appeal process set forth in District Policy #5114. The removal of the pupil is subject to the policies and procedures of the district and building discipline codes.

C. 1. The Board agrees to indemnify and hold harmless any teacher to the extent held pecuniarily liable in excess of $150,000 for any claim for damages to persons or property that arise out of an incident related to employment and further agrees to provide a defense against any such action excepting, however, such coverage will not be provided in those cases of willful and wanton misconduct by the teacher.

2. Any case of employment related assault and battery upon a teacher shall be immediately reported to the immediate supervisor. The Board shall provide legal counsel to advise the teacher of any rights and obligations in connection with handling of the incident by law enforcement and judicial authorities.

3. Any teacher who is absent because of an injury suffered from a physical assault as a result of employment related activity, shall receive from the Board the difference between the teacher's weekly income and the amounts to which the teacher is entitled under provisions of Worker's Compensation laws for a period up to 30 weeks. Beyond 30 weeks such payments would be charged against compensable leave on a pro-rate basis computed on the relationships of the differential pay to the teacher's regular weekly pay until the compensable leave is exhausted.

4. The Board will repair or reimburse teachers the current value of any clothing or other personal property damaged or destroyed as the result of an accident or assault and/or battery upon them suffered in the course of their employment unless such loss is covered by insurance or reimbursement is obtained from other sources. The content of any evaluation is not subject to the grievance procedure, however, nonadherence to procedures set forth in the Appraisal of a Professional handbook by administrative or supervisory evaluators shall be grievable.

B. Non-Probationary Teachers

The Board reserves the right to evaluate non-probationary teachers in accordance with the following conditions:

1. All monitoring or observation of the work of a teacher shall be conducted openly and with knowledge of the teacher.

2. Test results of academic progress of students shall not be used as the sole criteria of the quality of a teacher's service or fitness for retention. Any review of the success rate of program objectives as provided in the Special Education Code and Vocational Education Code shall not be utilized as the only basis to evaluate the quality of a teacher's service or fitness for retention.

3. The initial observation shall be preceded by a pre-observation conference between the administrator and the teacher so that the administrator can be apprised of the teacher's objectives, methods, and materials planned for the teaching-learning situation during which the teacher is to be observed. The initial observation shall take place by December 1 of the current contract year for those on a normal 5 year rotating basis.
4. An observation of the teacher shall be for not less than thirty minutes.

5. The administrator shall prepare and submit a written report and recommendations to the teacher within ten working days of the observation. The evaluation process may include more than one observation.

7. In any area in which the administrator feels improvement is needed, the reasons therefore shall be set forth in specific terms as shall an identification of the specific ways in which the teacher is to improve. The teacher will have the opportunity to review the plan prior to implementation. Assistance will be given by the administrator and/or other staff members.

8. A teacher who disagrees with an observation may submit a written answer which shall be attached to the file copy of the observation. If an improvement plan is required, the teacher may request a re-evaluation by another administrator prior to implementation of the plan. The teacher may request that the administrator remain involved to verify the completion of the plan.

9. The evaluation process shall be completed by May 1 of the current contract year unless the teacher is on a mandatory plan.

C. Non-adherence of any of the procedures in Section B above or any Board Policies, instruments, or administrative guidelines concerning evaluation of non-probationary professional staff shall be subject to the grievance procedure.

D. Any changes in the evaluation handbooks will be by mutual agreement between the LSEA and the Board.

E. Non-probationary teachers shall be given a formal evaluation a minimum of once every five years.

ARTICLE XI

A. The Board may adopt rules and regulations not in conflict with the terms of this Agreement governing the professional conduct of teachers. A current copy of these rules and regulations shall be available in each building.

B. The Board and the LSEA recognize a mutual responsibility for promoting professional conduct that encourages quality in the educational process and reflects favorably upon the teaching profession and the Lansing School District. Breaches of professional conduct are subject to disciplinary procedure. Such breaches include but are not limited to: abuses of sick leave and other leaves, tardiness, willful deficiencies in professional performance, violation of Board policies, regulations and administrative directions not inconsistent with the terms of this Agreement, and violation of the terms of this Agreement. Alleged breaches of professional conduct shall be reported promptly to the offending teacher.
C. Disciplinary action shall be defined as any written reprimand, suspension or discharge.

D. Before any meeting is called from which disciplinary action may result, the teacher shall be notified and shall be entitled to have present an Association Representative(s). If an Association representative is requested to be present, no longer than two (2) days may lapse before such meeting is held.

E. In case of a reprimand which could be construed as detrimental to an employee's future promotion, transfer or job status the reprimanded employee shall be notified in writing of the reprimand. After a period of three (3) years from the date of occurrence, if there has been no recurrence of conduct similar to that which caused the reprimand then this reprimand shall not affect this employee in matters of promotion, transfers or job status.

F. Whenever the result of a reprimand, or disciplinary action for any infraction of discipline, or delinquency in professional performance is reduced to writing by the Administrator, the findings and decisions of the Administrator shall be filed, in writing, in the teacher's personnel file, and a copy thereof given to the teacher.

G. Discharge of a probationary teacher shall not be subject to the grievance procedure; however, upon written request made not more than seven (7) calendar days following said discharge, the affected probationary teacher shall receive a hearing before the Board.

H. No teacher shall be disciplined without just cause.

ARTICLE XII
Vacancies, Transfers, Co-Curricular Assignments

A. Vacancies

1. A vacancy is an unoccupied position for which there are no unassigned teachers certified for the position.

2. Vacancies, positions on an instructional development team and Coordinator positions shall be posted for not less than 7 working days on a designated bulletin board in each building, with a copy to the LSEA. During vacation periods vacancies shall be posted in the Personnel Office, with a copy to the LSEA. All postings shall include the job description, necessary qualifications and the date by which applications must be received.

3. The applicants shall be evaluated based upon experience, competency, qualifications and seniority. When experience, competency and qualifications are relatively equal, the applicant with greater seniority shall be given preference. In awarding the position, the proper balance of race and/or sex shall be a factor.

4. The Board may fill the vacancy on a temporary basis (not to exceed one semester) pending evaluation of the applicants or when required to maintain efficient operations.
B. Transfers

The Board and the Association recognize that it may be necessary for the administration to accomplish inter-building transfers. By way of example but not limitation, transfers may become necessary to meet load conditions, to accommodate school closings, to meet instructional requirements, to maintain a balance of experienced and inexperienced teachers on a particular staff and to facilitate balance of race and/or sex.

1. Voluntary Transfers

Requests by a teacher for voluntary transfer to a different building or position may be made at any time. Such requests shall be made in writing to the Personnel Office. The application shall set forth the school, grade, or position sought and the applicant's qualifications. The Personnel Office shall acknowledge receipt of transfer applications within five (5) working days.

2. Involuntary Transfers

a. When involuntary transfers are affected and lay-offs will not result, the least senior teacher in the effected building and having the applicable certification shall be moved first, provided that the move is consistent with the purpose of the transfer. (Example, if the least senior teacher is a minority, and the move of that teacher would disrupt the racial balance of the staff, the next least senior teacher will be moved, if consistent with the purpose.)

b. When involuntary transfers are necessitated, the problems shall be presented by the principal or supervisor to the affected building staff or department in an effort to find a volunteer. If a mutually agreed transfer is not possible the procedure described in Paragraph 2a above shall then be used to determine which teacher shall be transferred.

c. If an involuntary transfer occurs during the semester, the transferred teacher shall be given two (2) working days released time to prepare for the new assignment.

C. Co-Curricular Assignments

1. In the event the Personnel Office is notified before June 1 that a teacher occupying both a curricular and a co-curricular position is leaving both positions, a notice of such open positions shall be posted in all buildings for 5 days. Teacher applicants from within the district for both positions will be interviewed and evaluated based upon prior experience, competency, qualifications and seniority. When all factors except seniority are relatively equal, the applicant with the most seniority shall be given preference.

2. In the event the personnel office is notified before June 1 that a teacher occupying a co-curricular position is leaving that position, a notice of such open position shall be posted in all buildings for 5 days. Teacher applicants will be interviewed and evaluated on the same criteria as in 1 above, provided that applicants assigned to the building in a curricular post shall be given preference. Otherwise seniority shall be given preference.

3. If any co-curricular position is not filled through 1 or 2 above, all applicants will be evaluated.
4. It is recognized that tenure does not apply to any co-curricular assignments.

D. None of the terms of this Article shall be construed in such a way as to prohibit the Board from providing a racially or sexually balanced staff in each building for the purposes of implementing or maintaining an affirmative action program.

ARTICLE XIII

Layoff and Recall

A. Except as to Administrators and Naturalists as set forth below, seniority is defined as the length of continuous employment within the bargaining unit and shall be measured from the first working day of such employment.

For Administrators and Naturalists currently employed by the school district seniority is defined as the length of continuous employment with the school district whether or not such employment has been within the bargaining unit plus only such employment beyond the effective date of this Agreement as is within the bargaining unit.

No later than thirty (30) days following the ratification of this Agreement, and by every September 30 thereafter, the Board shall prepare a seniority list. All teachers shall be ranked on the list in the order of their first day of work in the district. In the event more than one teacher has the same first working day, their relative seniority shall be determined through a drawing. The Association and all teachers so affected shall be notified in writing of the date, place and time of the drawing. The drawing shall be conducted openly and at a time and place which will reasonably allow affected teachers and representatives of the Association to be present. A teacher shall lose seniority upon resignation, retirement, discharge, or layoff for a period of two (2) years.

B. If for any reason the Board anticipates a reduction of staff, it shall, prior to taking formal action, consult with the LSEA to receive recommendations regarding priorities and procedures to be followed.

C. In the event it becomes necessary to reduce the number of teachers through layoff from employment or to reduce the number of teachers in a given subject area, field or program, or to eliminate or consolidate positions, the following procedure shall be followed:

1. The Board shall determine the positions to be eliminated and shall notify the LSEA.

2. The Board shall identify the least senior teachers equal in number to positions to be eliminated (hereinafter referred to as "least senior teachers").

3. The least senior teachers in the positions to be eliminated who are also in the group of least senior teachers shall be laid off.

4. The least senior teachers in the positions to be eliminated who are not in the group of least senior teachers shall be placed by descending order of seniority in a position previously held by one of those teachers in the least senior group provided the teacher is certificated for the position or, if the position is a non-certificated position, qualified.
5. Following the implementation of #3 and #4 above the Board shall effect involuntary transfers so as to insure the retention of the most senior teachers.

6. Following the implementation of #3, #4 and #5 above teachers for whom there is no assignment available shall be laid off.

7. In the event there are unfilled positions after implementing #6 above, said positions shall be filled with the least senior teachers identified for lay-off in #2 above said teachers shall be placed by descending order of their seniority on the unfilled positions for which they are certificated or, if a non-certificate position, qualified.

8. In the event there are unfilled positions after implementing #7 above, they shall be filled with the following persons in descending order of their seniority, where applicable;

   a. Tenured teachers on lay-off who are certificated for the position or, if a non-certificated position, qualified.

   b. Probationary teachers on lay-off who are certificated for the position or, of a non-certificated position, qualified.

   c. New hires.

9. In determining the order of lay-off the following factors shall take precedence over seniority:

   a. Tenured teachers shall be laid off only after all probationary teachers have been laid off, provided that positions requiring the special qualifications of either a particular probationary or tenured teacher exception may be made.

   b. Tenured teachers having received disciplinary action from failure to satisfactorily complete a required improvement plan within the time specified by the plan shall be laid off before any other tenured teachers.

   c. Racial minority teachers shall be retained in order to maintain a percentage of racial minority teachers equal to the percentage of racial minority students in the district at the time of the first lay-off.

D. The Board shall endeavor to give forty-five (45) calendar days notice of lay-off to the individual involved, and in any event, thirty (30) calendar days notice shall be given in all cases.

E. The Board shall place the laid off teacher on a Preferred Substitute list at the teacher's request.

F. The Board shall give written notice of recall from layoff by sending a certified letter to said teacher, at the last known address. It shall be the responsibility of each teacher to notify the Board of any change in address. The teacher's address as it appears on the Board's records shall be conclusive when used in connection with layoffs, recall, or other notice to the teacher. If a teacher fails to report to work within ten (10) calendar days from date of sending of the recall, unless an extension is granted in writing by the Board, said teacher may be considered as a voluntary quit and shall thereby terminate the individual's employment contract and any other employment relationship with the Board.
G. No new teachers shall be employed by the Board while there are teachers of the district who are laid off, unless there are no laid off teachers with proper certification and qualifications to fill any vacancy which may arise.

H. The Payroll Office shall not be required to honor for any month's deduction any authorizations that are delivered to the Payroll Office later than two weeks prior to the distribution of the payroll from which the deductions are to be made.
3. No later than October 15, the Board shall provide the LSEA with a list of those employees who have authorized fee deductions. The Board shall provide the LSEA monthly with any additions to or deletions from such lists.

4. So long as a teacher remains on the payroll, the authorized deductions shall be continued.

5. The Board agrees to promptly remit to the Association all monies so deducted, accompanied by a list of the teachers' names from whom such deductions have been made and the amount of the deduction. The Board assumes no responsibility for such deduction if notice of termination is given after the final check has been issued.

6. In the event that a teacher shall not pay such Representation Benefit Fee directly to the Association or authorize payment through payroll deductions, as provided for Professional Dues, the Board shall cause the termination of employment of such teacher. The parties expressly recognize that the failure of any teacher to comply with the provisions of this article is just and reasonable cause for discharge from employment.

7. The procedure in all cases of discharge for violation of this article shall be as follows:

   a. The Association shall notify the teacher of non-compliance by certified mail, return receipt requested. Said notice shall detail the non-compliance and shall provide ten (10) days for compliance, and shall further advise the recipient that a request for discharge may be filed with the Board in the event compliance is not effected.

   b. If the teacher fails to comply, the Association may file charges in writing, with the Board, and shall request termination of the teacher's employment. A copy of the notice of non-compliance and proof of service shall be attached to said charges.

   c. The Board, only upon receipt of said charges and request for termination, shall conduct a hearing on said charges, and to the extent that said teacher is protected by the provisions of the Michigan Tenure of Teachers Act, all proceedings shall be in accordance with said Act. In the event of compliance at any time prior to discharge, charges may be withdrawn. The Association, in the processing of charges, agrees not to discriminate between various persons who may have refused to pay the Professional Dues and/or Representation Benefit Fees.

8. The Association agrees to assume the legal defense of any suit or action brought against the Board regarding this article of the collective agreement. The Association further agrees to indemnify the Board for any costs or damages which may be assessed against the Board as the result of said suit or action, subject to the following conditions:

   a. The damages have not resulted from the misfeasance or malfeasance of the Board or its agents.

   b. The Association has the right to decide whether or not to appeal the decision of any court or other tribunal regarding the validity of the section or the defense which may be assessed against
the Board by any court or tribunal.

c. The Association has the right to choose the legal counsel to de­
defend any said suit or action.

d. The Association shall have the right to compromise or settle any
claim made against the Board under this section.

C. The LSEA agrees to reimburse the Board $225 for the cost incurred in ad­
ministering this Article.

D. Payroll deductions and reductions are also available for the following
purposes upon written authorization of the teacher:

1. U.S. Savings Bonds and/or Freedom Shares
2. United Fund Contributions
3. Capital Area School Employee Credit Union
4. Provided there are at least ten applications for one company, the Board
shall deduct for tax sheltered annuities and shall distribute such
deductions to the company.
5. Other purposes approved by the Board.

miles logged and reported each month. The mileage rate shall be
adjusted in accordance with past practice.

C. Teachers to be employed in the system with previous teaching experience
may be given up to eight (8) years credit, at the Board's discretion,
and placed at the appropriate step on the salary schedule.

Any former teacher of the Lansing School District who is re-employed
within a period not exceeding five years shall be placed on the salary
schedule at the next step above the one on which the salary was based
when the teacher left the Lansing School District, or shall be given
credit for teaching experience as provided in this section, whichever
is greater.
D. 1. Retirement

a. Having reached the age requirement of the Michigan Teacher's Retirement Act and having completed at least fifteen years of service with the Lansing School District, the teacher upon retirement shall receive a lump sum payment of $100 for each year of service in the Lansing School System up to a maximum of $3,000.

Should the number of applicants exceed 45, priority will be given to those with highest seniority, subject, however to the paragraph immediately following.

The Board of Education may deny or limit the number of retirees from an academic area or age group. Where the number of successful applicants is limited, priority will be given to those with the highest seniority.

The Board of Education will reimburse retirees the actual cost of Health Insurance not to exceed $75.00 per month. Reimbursement will be made bi-annually only during February and August provided that written paid receipt of such premium is delivered to the Office of the Director of Finance of the Lansing School District on or before February 1 and August 1 respectively.

Limitations and Restrictions

No subsequent contract negotiations shall alter benefits awarded retirees under this plan nor shall such benefits be subject to negotiations.

All benefits shall cease upon the last pay period of the month in which the retiree becomes 65 years of age or the month of the retiree's death whichever occurs first.

Retirees eligible to be covered by their spouse's health insurance shall not be eligible to receive such benefits from the Board until they are no longer eligible to be covered by said insurance. If a retiree is eligible for or receiving health insurance coverage through any employer, they shall not be eligible for health insurance reimbursement until they are no longer eligible for or covered by said insurance.

Benefits shall be reduced by the amount of worker's compensation paid to the retiree, directly or indirectly, by the Board.

Duration

In the event the Board of Education lays off 10 or more tenured teacher between June 15 and July 30, 1983, this Plan, will, upon approval of the LSEA, be extended to include persons whose ERI applications were received on or before April 1, 1983. The Board will determine by August 15, 1983 the persons to be granted ERI benefits.

In the event this Plan is extended, the wage increase scheduled to be implemented for the 1983-84 school year shall be reduced by one percent (1%). The benefits payment schedule of this Early Retirement Incentive Plan shall be the 1982-83 salary schedule i.e., salary as of 6-30-83.
In the event the minimum number of lay-offs do not take place as set forth above, the Plan shall not be implemented in 1983.

In the event this Plan or any part thereof is found, by final judgement or order, by a court or other tribunal of competent jurisdiction, to be unlawful, the entire Plan shall be void and those persons who have retired pursuant to the Plan shall be deemed to have been on leave of absence, renewed annually by the Board as necessary, which expires on June 30 of the year immediately following the final judgement of the court or tribunal. The remedy of any retiree shall be limited to rights as set forth in Article XIV (J) of the Master Agreement.

3. Insurance Protection

Pursuant to the authority set forth in Section 617 of the School Code of 1955, as amended, the Board agrees to furnish to all teachers the following insurance protection, subject to the other terms of this Agreement.

a. The Board shall provide a choice of full family health insurance at the teacher's option, from among the following programs:

(1) MESSA SM2 Program (In effect July 1, 1981)
(3) The Health Central, Inc. plan known as "high option" and that the plan shall include plan riders known as "extended nursing home days," "0 drug co-pay rider," and "extended mental health." The monthly cost to the Board shall not exceed the cost of the monthly premium of whichever is higher of the BC/BS MVF II or MESSA Super Med II program.
(4) The Lansing School District Medical/Option Plan (Effective as a health insurance option October, 1982.)

The Board of Education of the Lansing School District will provide each full-time employee with a hospital/medical benefit program comparable to Super Med II as those benefits existed as of June 30, 1981.

(a) A supplemental severance/retirement account will be created for each eligible employee which, at the beginning of each insurance contract year, will be credited as follows:

<table>
<thead>
<tr>
<th></th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Single insured</td>
<td>$300.00</td>
</tr>
<tr>
<td>Two person</td>
<td>$400.00</td>
</tr>
<tr>
<td>Full Family</td>
<td>$500.00</td>
</tr>
</tbody>
</table>

If an employee has hospital/medical benefit coverage in addition to that provided under this plan, the employee's account will be initially credited with $200.00 per insurance contract year, unless the employee pays the full premium for such additional benefits, in which case the full sum in the applicable category mentioned above will be credited.
In the event an employee incurs eligible medical expenses during the insurance contract year, the Board of Education will reimburse the employee the deductible amount up to but not to exceed $500.00 per year. As such reimbursement takes place, a corresponding amount will be deducted from the supplemental severance/retirement account of the individual employee. In any insurance contract year, the account will not be reduced by more than the amount credited to that account for that insurance contract year. For example, assuming a full family credit of $500.00 for the first insurance contract year and no eligible medical expenses incurred during that year, the account will have a $500.00 balance. Another $500.00 will be credited for the second insurance contract year. Should the employee incur eligible medical expenses during the second insurance contract year, the account will not be reduced by more than $500.00.

All unused sums credited to the account will remain and accumulate until the employee terminates employment with the Lansing School District.

(b) Withdrawal

Except as provided below, upon termination of employment with the Lansing School District, the employees may withdraw the accumulated funds from their supplemental severance/retirement account as follows:

<table>
<thead>
<tr>
<th>Completed Years of Employment</th>
<th>Amount Which May Be Withdrawn</th>
</tr>
</thead>
<tbody>
<tr>
<td>Under the Plan</td>
<td>50%</td>
</tr>
<tr>
<td>1</td>

</tr>
<tr>
<td>2</td>
<td>70%</td>
</tr>
<tr>
<td>3</td>
<td>90%</td>
</tr>
<tr>
<td>4</td>
<td>100%</td>
</tr>
</tbody>
</table>

In the event an employee retires under the Michigan Teachers Retirement Act or is on lay-off in excess of two (2) years, 100% of the account may be withdrawn.

In the event an employee dies before termination or retirement, 100% of the account will be payable to the employee's designated beneficiary.

At the time of withdrawal, the employee will hold the Lansing School District harmless from any and all outstanding eligible medical expenses not previously submitted for either the current or any previous insurance contract year.

(c) Optional Benefits

If an employee elects not to be covered through this Hospital/Medical Benefits program, such employee's supplemental severance/retirement account will be initially credited with the sum of $500.00 per insurance contract year which will be reduced to the extent that the employee chooses the optional insurance benefits set forth below:
(a) Group hospital confinement  
(b) Group short term disability  
(c) Group long term disability  
(d) Group additional term life  
(e) Group dependent life  
(f) Group survivor income  
(g) Group basic term life  

For example, should the employee choose none of the optional benefits, the credited amount of $500,00 will remain in the supplemental severance/retirement account. Should the employee choose optional benefits requiring a premium of $300.00 per year, the supplemental severance/retirement account will be reduced by $300.00 during that insurance contract year, the employee will receive the insurance benefits and will conclude the year with the $200.00 balance in the supplemental severance/retirement account.

(d) Part-time Teachers

Provisions of this Agreement shall apply to regular part-time teachers on an equal ratio basis.

b. For those not selecting a health insurance benefit the Board shall provide $40.00 per month to be applied to the following program:

(1) The group insurance options available through MESSA. MEALS I Program will be included in the option group. The premium for MEALS I Program shall be deducted prior to deductions for other options.

(2) Beginning with the 1982-83 school year teachers eligible for benefits under Article XVIII, D, 3, b, (1) above, may continue those benefits or select, instead, the optional benefit plan in the Lansing School District Medical Option Plan, (Section D, 3, a, (4) (c) of this Article).

c. The Board’s insurance contributions shall begin in September of each year and continue for twelve (12) full months.

d. The Board shall provide a $15,000 group life insurance benefit with accidental death and waiver of premium provision to all full and part-time teachers who regularly work 20 or more hours per week.

e. Dental

The Board shall provide full family group dental insurance, Delta Dental Plan E to all full-time and part-time teachers who regularly work 20 or more hours per week. Beginning in September of 1982 coverage shall include the orthodontic rider (07).

f. Vision (Effective September, 1983)

Vision care will be provided to all employees and their dependents (children 19 to 25 are covered provided they are full-time students or meet Federal IRS rules for dependency).
Coverage: The vision insurance will pay 80% of reasonable and customary services for examinations, frames, lens, or contact lenses following cataract surgery, or when visual acuity cannot be corrected to 20/70 in the better eye.

Contact lenses for cosmetic purposes are not covered. However, if you choose contacts in lieu of glasses, an allowance of $80.00 will be made towards their cost, including examinations.

The vision care benefit will be provided once in the 12 month policy year for eligible persons.

g. During the first year of this Agreement, representatives of the Board and LSEA shall develop through data processing capabilities a format for providing each teacher with a written statement of benefits provided by the Lansing School District.

E. Teachers' Salary Schedule (See Appendix A)

1. Any professional staff member who has completed 23 term hours on an approved program as a candidate for a Master's degree shall qualify for the BA+ schedule.

Exceptions to the hourly rate may be made upon mutual agreement of the LSEA and the Board. Those presently on an hourly rate shall receive the same percentage increase as reflected in the base salary for each year.

ARTICLE XIX

Responsible Autonomy

The staff (principal and teachers) of each school shall be given the responsibility to develop and annually review the building budgetary priorities, instructional priorities and range plans.

A. Under the direction of the building principal, a building advisory committee composed of teachers selected by the teaching staff, and teachers selected by the principal shall be established in each building by September 30 of each year to assist in the development of building priorities. All meetings shall be open to the staff and announced.

B. The principal shall have the responsibility to develop a planning and decision-making process which takes place as much as possible in a climate of mutual trust, respect and consensus. The principal shall also be responsible for insuring that all planning and decision making properly acknowledges staff and budget limitations, State and Federal regulations, goals, priorities and policies of the Lansing School District, and provisions of this Agreement.

C. The teaching staff is responsible for insuring that their knowledge, perceptions and recommendations are made available during the development and review process in an open, timely and constructive manner. Staff members are also responsible for carrying out the final plan in a cooperative and productive fashion.

D. The committee recommendations shall be presented to the entire staff at least once each year for review.

E. The committee shall assist in the development of the methods which are to be used in pursuing building level programs that will be implemented.

1. The committee will address how funding is to be secured and apportioned to support the planned program.

2. The committee will review the staffing program for the building. Staffing programs which fall outside of the class size provisions of this agreement must be approved by a majority of the teaching staff.

3. In the event a principal wishes to initiate a building level program, it shall first be reviewed by the committee and later discussed in a meeting with the total staff.

4. If the principal decides to implement a plan that does not have the support of the committee and/or staff, the principal will provide oral and/or written rationale for that decision.

5. If the principal does not agree to implement a plan approved by the committee and staff, the principal will provide oral and/or written rationale for the decision.

F. The final approval of any program remains the responsibility of the Board of Education.
ARTICLE XX

Contract Administration

A. Negotiating Procedures

1. At least by March 1st of the year of expiration of this Agreement, the LSEA and the Board will begin negotiations for a new agreement covering wages, hours, terms, and conditions of employment of teachers employed by the Board.

2. Neither the LSEA nor the Board shall have any control over the selection of the negotiating or bargaining representatives of the other party and each party may select its representatives from within or outside the school district. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the Board and by a majority of the membership at large of the LSEA who cast votes, but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations or bargaining, subject only to such ultimate ratification.

B. Contract Maintenance

1. Special conferences for important matters will be arranged between the LSEA President and the Director of Employee Relations, or a designated representative, upon the request of either party. Such meetings shall be between the LSEA representatives and representatives of the Board. Arrangements for such special conferences shall be made in advance and an agenda of the matters to be taken up at the meeting shall be presented at the time the conference is requested. Matters to be taken up in special conference shall be confined to those included in the agenda.

2. Whenever possible, conferences shall be held between the hours of 7:00 P.M. and 11:00 P.M. If conferences are called by the Board at other hours, the member of the LSEA shall not lose time or pay for time spent in such special conferences.

3. This Agreement shall supersede any rules, policies, regulations or practices of the Board which shall be contrary to, or inconsistent with, its terms. The provisions of this Agreement shall be incorporated into and be considered part of the established policies of the Board.

4. Copies of this Agreement shall be printed at the joint expense of the Board and the LSEA and presented to all teachers now employed or hereafter employed by the Board.

5. If any provision of this Agreement or any application of the Agreement to any teacher or group of teachers shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

6. Contracts for non-tenure teaching personnel including those recommended for tenure will be issued after April 15 of each year. The contract will contain the current year's salary position until the new Agreement and salary schedule have been negotiated.
Salary agreements for all tenure personnel will be issued only with the consent of the Association while negotiations are pending. It is understood that all individual contracts for the 1976-77 school year and future individual contracts shall be made expressly subject to the terms and conditions of this Agreement or any successor Agreement between the Board and the Association.

The Association guarantees that it will not interfere with the performance of this section of the Agreement.

ARTICLE XXI

Continuity of Operations

A. The Association agrees that neither it nor its members nor any persons acting on its behalf will cause, authorize, support or take part in any strike (i.e., the concerted failure to report for duty, or willful absence of a teacher from the teaching position, or stoppage of work or abstinence, in whole or in part, from the full, faithful, and proper performance of the teacher's duties of employment) to occur during the life of this Agreement for any purpose whatsoever.

B. In the event of any action in violation of the foregoing, the Association agrees to post notices immediately at any or all schools affected, or otherwise communicate with persons violating this provision by all means at its disposal, that said activity is contrary to law, unauthorized by the Association and in violation of this Agreement and shall advise such persons to discontinue immediately said activity, and the Association, further, will use every other means at its disposal to assist in the immediate termination of such activity.

C. The Association will not directly or indirectly take reprisals against a teacher who continues, or attempts to continue, their contractual duties, or who refuses to participate in any of the activities prohibited by this Article.

D. The Board will have the right to all remedies available at law for violation of this Article, including injunctive relief and/or damages against any person, group or organization violating this Article.

ARTICLE XXII

Rights of the Board

A. Nothing contained herein shall be considered to deny or restrict the Board of its rights, responsibilities, and authority under the Michigan General School Laws or any other laws or regulations.

B. Except as expressly abridged by the provisions of this Agreement, it is agreed that all rights which ordinarily vest in and have been exercised by the Board shall continue to vest exclusively in and be exercised exclusively by the Board. Such rights shall include, by way of illustration and not by way of limitation, the right to:

1. Manage and control its business, its equipment, and its operations.

2. Continue its rights, policies, and practices of assignment and direction of its personnel, and scheduling.
3. Direct the working forces, including the right to hire, promote, discipline, transfer and determine the size of the work force.

4. Determine the services, supplies, and equipment necessary to continue its operations.

5. Adopt reasonable rules and regulations.

6. Determine the qualifications of employees, including health conditions.

7. Determine over-all goals and objectives as well as the policies affecting the educational programs.

8. Determine the number and location or relocation of its facilities, including the establishment or relocations of new schools, buildings, departments, divisions or subdivisions thereof and the relocation or closing of offices, departments, divisions or subdivisions, buildings or other facilities.

9. Determine the size of the management organization, its functions, authority, amount of supervision and the table organization.

10. Determine the financial policies, including all accounting procedures, and all matters pertaining to public relations.

ARTICLE XXIII
Duration of Agreement

A. This Agreement incorporates the agreement reached by the parties on all agreed issues which were subjects of negotiation. This Agreement may be altered, changed, added to, deleted from, or modified only through the voluntary, mutual consent of the parties in writing and signed by both parties as an amendment to this Agreement.

B. This Agreement shall be effective as of September 8, 1981, and shall continue in effect until July 31, 1984. This Agreement shall not be extended orally and it is expressly understood that it shall expire on the date indicated. No other organization may ask for exclusive bargaining rights during the fixed term of this Agreement.
