II - Procedure - A

A. CONFERENCE AND NEGOTIATION

1. This agreement effective upon execution between the BOARD OF EDUCATION OF THE MADISON METROPOLITAN SCHOOL DISTRICT hereinafter referred to as the "Board of Education", and also referred to as "the Employer", or "Madison Public Schools", or "the District"; and MADISON TEACHERS INCORPORATED, hereinafter referred to as "Madison Teachers", and also referred to as "MTI", or "the Union".

2. The Board of Education and Madison Teachers each recognize its legal obligation imposed by Section 111.70 of the Wisconsin Statutes to meet for the purposes of negotiating in good faith at reasonable times in a bona fide effort to arrive at a settlement on questions of wages, hours and conditions of employment. Without limiting this legal obligation, the parties to this agreement agree as follows:

a. All terms initially proposed to be negotiated for the contract period commencing October 16, 1983 shall be submitted to the duly authorized agent of the other party in writing and according to the timetable set forth in this Agreement. The limitation of initially proposed items for negotiation to those in written form and in accordance with the attached timetable shall not prevent the unilateral introduction of new items by either party from time to time during the period of negotiation.

b. Timetable - All items initially proposed for negotiations shall be presented as follows:

1) The presentation of initial proposal for the succeeding Agreement shall be made on or about the 45th day prior to the expiration of the Agreement and shall be open to the public. Subsequent sessions shall be closed unless the parties mutually agree otherwise.

2) Ideally, agreement by the agents should be reached by October 1 preceding the expiration of the contract at which such time ratification by the principal parties will be considered. At such time as the Agreement is reached, the economic benefits agreed upon will be retroactively provided teachers to the beginning of the then current school year.
c. Each party to this agreement desiring to be represented by agents for negotiating agrees to furnish to the other party a list of its duly authorized agents for such purposes. Each party agrees to negotiate only with said agents and no others, including their principals, namely, the Board of Education or Madison Teachers, as the case may be, unless the latter as principals authorize negotiations with others or themselves.

d. If matters which are proper subjects of negotiations are brought, whether in the form of a grievance, petition or otherwise, to the attention of either of the parties to this agreement by any individual, group of individuals or organization other than the other party to this agreement or its duly authorized agents, such latter party shall be punctually informed of such action.

e. Each party to this agreement, at its own expense, may utilize the service of legal counsel, professional negotiators and other such expert persons, as well as clerical assistants, at negotiations.

f. The Board of Education agrees to furnish to Madison Teachers, upon reasonable request, all available public information concerning its financial resources.

g. Individual teacher contracts shall be deemed to incorporate all of the terms of agreements concerning wages, hours and conditions of employment made between the Board of Education and Madison Teachers, and no other terms except those imposed by law.

h. Madison Teachers recognize the legal obligation of the Board of Education to give to each teacher employed by it a written notice of renewal or refusal of his or her contract for the ensuing school year on or before March 1 of the school year during which said teacher holds a contract, pursuant to Section 118.22 of the Wisconsin Statutes. Preliminary notice shall be given at least 15 days prior should the Board be considering non-renewal. Such teachers have five days from the date of receipt of such notice to request a conference. In the event an agreement concerning wages, hours and conditions of employment has not been reached by the Board of Education and Madison Teachers by the date teacher contracts are given to said teachers, all such contracts shall be governed by the terms of any agreement concerning wages, hours and conditions of employment for said ensuing year subsequently reached by the parties to this agreement.

II - Procedure - B

B. GRIEVANCE PROCEDURE

1. The Board of Education and Madison Teachers Incorporated each recognize the legal right of any individual employee or any minority group of employees at any time, within the following terms, to present grievances to their employer in person or through representatives of their own choosing and the corresponding legal duty of the employer to confer with them in relation thereto, provided that Madison Teachers has been afforded the opportunity to be present in conferences concerning grievances and that any adjustment resulting from such conferences is not inconsistent with the conditions of employment established in any procedures, policies or agreements then in effect between the parties to this Agreement. Without limiting the preceding legal right and duty, the parties to this Agreement agree as follows:

2. The following grievance procedure is designed to insure prompt consideration and appropriate solution of grievances as hereafter defined at the lowest possible administrative level.

3. Definition:
   a. A "Grievance" is defined to be a dispute concerning the interpretation or application of any of the terms of any "written" agreement establishing salaries, hours, or other conditions of employment for the employees of the Board of Education for whom Madison Teachers is the collective bargaining representative. Aggrieved parties may be Madison Teachers or any such employees.
   b. "School Day" used herein shall mean weekdays during the summer months.
4. The time limits indicated at each level of the Grievance Procedure shall be considered maximum. However, the time limits may be extended or reduced in any case by mutual agreement, in writing, signed by the duly authorized representatives of the Board and Madison Teachers. If denied at a specific level, grievances not appealed to the next level within the prescribed time limits shall be considered withdrawn.

5. An aggrieved party must submit to the principal the alleged grievances within sixty (60) days after the aggrieved party knew of the act or condition on which the grievance is based, or the grievance will be deemed waived. If the act or condition reoccurs, the time limits will be renewed.

6. The procedural steps for Madison Teachers shall commence at Level 3. Organizational (Class) Grievance: Madison Teachers must submit the alleged grievance within sixty (60) days after Madison Teachers knew of the act or condition on which the grievance is based, or the grievance will be deemed waived. If the act or condition reoccurs the time limit will be renewed.

LEVEL 1:

a. An aggrieved party shall identify the grievance and attempt to resolve same through discussion with the principal or supervisor either by himself or with a representative of Madison Teachers or anyone else of his own choosing.

LEVEL 2:

a. If the grievance is not settled, Madison Teachers Incorporated may then act on behalf of the aggrieved party or the teacher, acting on his own, shall submit a written grievance giving a clear and concise statement of the facts to the principal.

b. Within ten (10) school days after receiving the written grievance the principal or supervisor shall deliver the written answer to the aggrieved and the Executive Director of Madison Teachers. The answer shall be reasonably clear and concise and shall contain the reasons therefore. Should the response not be made within the above period, the grievance will automatically proceed to the next level.

LEVEL 3:

a. Should the matter remain unresolved at the conclusion of Level 2, then Madison Teachers and only Madison Teachers may present grievances in writing on behalf of an aggrieved party or itself to the Superintendent or his designee.

b. The Superintendent or his designee shall meet with a representative of Madison Teachers within ten (10) school days from the date of receipt of the written grievance in an attempt to resolve same. The meeting shall be at a time and place mutually acceptable.

c. The Superintendent or his designee shall respond in writing within ten (10) school days after the aforementioned meeting to the Executive Director of Madison Teachers and the aggrieved party. The answer shall be reasonably clear and concise and shall contain the reasons therefore. Should the response not be made within the above period, the grievance will automatically proceed to the next level.

d. Any grievance not so referred to Level 3 within fifteen (15) school days after the receipt of the Level 2 answer shall be considered withdrawn.

e. Grievances initiated by Madison Teachers on behalf of bargaining unit members as a class or in an organizational grievance are commenced at this level of the procedure. Grievances as a result of alleged action/inaction by a principal/immediate supervisor and affecting only one teacher will be filed at Level 1.

LEVEL 4:

a. To the extent the grievance remains unresolved at the conclusion of Level 3, Madison Teachers may call for compulsory, final, and binding arbitration. Said call must be within fifteen (15) school days after the receipt of the answer at Level 3.
If mutually agreeable between the parties to this contract, the Wisconsin Employment Relations Commission shall appoint an arbitrator from their staff upon receipt of the letter.

b. If it is not mutually agreeable to utilize the Wisconsin Employment Relations Commission to arbitrate the matter, a copy of the letter calling for arbitration shall be forwarded by Madison Teachers to the Wisconsin Employment Relations Commission with a request for the names of five (5) arbitrators from which the parties may select a mutually acceptable arbitrator to hear and decide the issue. A copy of this letter shall be sent at the same time to the Board of Education. Said arbitrator shall be selected within five (5) school days after receiving suggestions from the Wisconsin Employment Relations Commission. Each party shall have the right to alternately strike two names from the list with the aggrieved party striking first. Madison Teachers and the Board of Education may then add one (1) representative to make a three (3) member arbitration panel. If the aggrieved party chooses to have a representative on the panel they must do so within five (5) school days after the neutral arbitrator is selected. The other party has five (5) school days to name a representative to the panel following the receipt of notice naming the aggrieved party's representative.

c. Each party shall be responsible for any costs which might arise from the employment of its own appointee, and the two parties agree to share equally the costs arising from the employment of the arbitrator mutually selected and all other costs of the arbitration proceedings.

d. The decision of the arbitration panel shall be final and binding on all parties except as forbidden by law and shall be rendered within thirty (30) days following the final day of hearings or receipt of briefs, whichever is later. Any brief not postmarked on or before the date set by the parties at the conclusion of the arbitration hearing as the date for submission of briefs shall not be considered or accepted by the arbitrator and shall be returned to the party submitting same with a letter of transmittal. The other party shall receive a copy of the letter of transmittal.

7. Employment Complaint - An "Employment Complaint" is a complaint founded upon some incident of the employment relation not covered by any agreement between the parties to this Agreement but which involves a question of salaries, hours or other conditions of employment. Such complaints shall be processed through Level 3 only of the above grievance procedure upon presentation by an aggrieved party.

The District shall not be liable to MTI, its officers and/or agents for the remittance or payment of any sum other than that contributing the actual deductions made from the employee's wages. Any amount due MTI shall be paid by the District from the liquidated damages collected as a result of late resignation. Evidence of such credits must be received in the Office of the Division of Employee Services no later than 5:00 p.m., October 15 to effect a retroactive adjustment in the teacher’s salary for the first semester and no later than 5:00 p.m. February 1 to effect a retroactive adjustment in the teacher’s salary for the second semester. For those teachers having the necessary credits on file no later than 5:00 p.m., July 1, the salary adjustment will be reflected in the paycheck received on October 1.

2. A professional advancement credit may be:

a. An academic credit as evaluated by the University of Wisconsin, or

b. Such credit as is established by the Professional Advancement Study Committee.

3. Academic credits in addition to or in combination with professional advancement are accepted for vertical movement on the teachers' salary schedule. Either academic or professional advancement credits may be used for track transfer to Tracks 2, 3, 5, and 6 (exception BA + 48 route to Track 6).

4. All credits on loan must be repaid at full credit before crossing the next level.

5. Credits granted on initial employment because of proximity to improvement levels are:

a. 4th step schedule placement -- 6 credits (non required)

b. 3rd step schedule placement -- 4 credits (2 required)

c. 2nd step schedule placement -- 2 credits (4 required)

d. Procedures for advancement on the schedule are the same for between step placements as for the next highest step.

Such "granted" credits may be used for improvement level purposes only and not for horizontal or track transfer purposes.
6. Recommendation that a teacher cross an improvement level of salary schedule is made in accordance with the following:

a. The principal or supervisor submits to the Division of Employee Services a review and evaluation of the teacher's performance during the years of employment in the current improvement level bracket, and recommends that the teacher be or not be advanced to the next improvement level bracket.

b. In case the teacher is not recommended, the principal or supervisor shall notify the teacher by November 15 of the year preceding the issuance of a contract for which the teacher has met all other requirements for attaining a higher improvement level.

c. Notification shall also be sent to the President and to the Executive Director of Madison Teachers unless the teacher requests in writing that such action not be taken. Should the teacher choose not to notify Madison Teachers a copy of his/her request will be sent to the Executive Director of Madison Teachers by the principal or supervisor involved.

d. The teacher who is not recommended for advancement to the next improvement level may apply for a hearing before the Board of Education, and the Board of Education conducts the hearing in accordance with "Non-Renewal of Non-Probationary Teacher Contract" (Section IV, K).

e. The Board of Education decision is limited to the crossing of the teacher to the next improvement level in question and is not construed as relating to the teacher's right to continued employment at the teacher's attained level.

7. No professional advancement credits or academic credits earned previous to the first day of teaching service in the Madison Metropolitan School District are accepted for improvement level purposes on the salary schedule.

8. Academic credits earned prior to employment in the Madison Metropolitan School District may be accumulated for horizontal transfer placement (track transfer) purposes on the salary schedule.

9. A teacher in his/her first year of service in the Madison Metropolitan School District must obtain permission from the Director of Employee Services Division to take university courses.

10. A teacher after his/her first year of service in the Madison Metropolitan School District must obtain permission from the Director of Employee Services Division to take more than three semester hours of university courses per semester.

11. Credit to be acceptable for improvement level purposes must have a grade of "satisfactory" or "C" or better; a grade of "progress" is incomplete and not acceptable.

12. Credits which a teacher earns during a period of non-employment which follows a resignation are not consumed upon subsequent re-employment.

13. All credits for improvement level purposes are consumed when an improvement level is crossed; however, all credits earned can be accumulated for horizontal Track transfer where such credits can be applied. Evidence of such credits must be received in the Office of the Division of Employee Services no later than 5:00 p.m., October 15 to effect a retroactive adjustment in the teacher's salary for the first semester and no later than 5:00 p.m., February 1 to effect a retroactive adjustment in the teacher's salary for the second semester. For those teachers having the necessary credits on file no later than 5:00 p.m., July 1, the salary adjustment will be reflected in the paycheck received on October 1.

14. No additional time is allowed 12-month employees to earn improvement level credits.

15. Upon reaching the top of the schedule (15th step) a teacher shall be given a 5% incentive increase in salary every three years thereafter providing he/she earns four Professional Advancement Credits during the three years and receives the recommendation of his/her principal or supervisor.
16. A staff member inducted into or volunteering for military service is granted three improvement level credits for each year of military service; they are consumed upon crossing an improvement level and can be used for improvement level purposes only.

17. A teacher whose contract is going to place him/her at a new improvement level cannot earn credits toward the next improvement level before the contract date (on or before April 1). He/she may, however, use such credits toward a track transfer during the semester.

18. In totaling days taught for increment purposes, the same method of counting shall be employed as issued by the Business Services Office for State Teachers Retirement reporting.

Schedule increments (Salary schedule level advancements) shall reflect a teacher's year(s) of teaching experience as calculated below. Such shall be either full or half increments and are made annually. Teachers who are passed-over for the annual increment because of their failure to earn sufficient credits shall re-gain proper placement to reflect their years of service at such time as such credits earned are sufficient to warrant new placement. However, in such replacement the teacher shall have no claim to monies lost in the interim.

The replacement provision will become operative with the commencement of the 1977-78 school year. One-half increment is earned by teaching .3 or more time, but less than .7 for the full school term or by teaching full-time 60 days or more but less than 120 days. Any combination of tenths and days must equal the limits stated above.

In modular schedule schools full-time is established at 75 mods of twenty minutes length or the equivalent. .3 time - .7 time is defined as more than 22 assigned mods but less than 52 mods except for the full school term. The 60-120 day employment period applies to a full assigned 75 mod schedule.

One-half increments are normally one-half the scheduled increment except at improvement levels where one-half increment becomes 2.5% less than the full increment scheduled.

19. Credits from other colleges, especially those on the quarterly basis, are accepted on their rated value as determined by policies of the University of Wisconsin. Credits not acceptable to the University are not acceptable to the Salary Committee, except in such instances as the Superintendent shall rule them especially applicable and, therefore, acceptable.

20. When the salary of a teacher falls between the stated salaries as listed in the schedule, the teacher shall advance at the regularly scheduled increment except that such scheduled increment shall not permit the passage of unwarranted improvement levels or exceed the final salary on the schedule.

21. Any teacher who shall be assigned to teach an additional class beyond the full teaching load (5 classes per day, or 4 classes plus a study hall, or any combination thereof, or 75 mods per week in schools using modular scheduling) shall receive an additional 14% of his/her regular contract salary for the school year. For classes in addition to the above noted standard (that in parentheses) but less than five per week, the extra compensation shall be pro-rated.

22. The location of improvement levels and incentive levels is shown in "Salary Schedule".

23. Annual written notification of the number of credits required to cross an improvement level shall be noted on each individual teacher's contract.

3. There may be a number of beginning teachers each year who will be assigned to a teaching pool. Except where changing enrollments or changing patterns of instruction, or requests for transfer which have not been honored, make such action impossible, these teachers shall be withdrawn from this pool and assigned no later than the first week of school.

4. The contract for continuing teachers shall have the location of the teaching position they are being offered when it is issued on April 15. This assignment is contingent upon the school population and instructional program remaining substantially unchanged. Additionally, when practical, to provide greater preparation time designed to accommodate the individual needs of the pupil, teachers will be advised as to the pupils assigned to their classes by June 1 of the preceding school year.

5. The Superintendent may, within the first nineteen (19) school days of the then current semester, unilaterally transfer a teacher because of substantial change in the school's enrollment or substantial program change. Transfers made for any other reason shall be made only for just cause (the best interest of the District shall constitute just cause for such a transfer).

Transfers made per sentence one (1) in five (5) above shall be of the least senior teacher (per Section IV-P-1) in the grade level (i.e., unit, grade or grade combination e.g.: 1-2) and/or Department or subject (whichever is appropriate) from which the transfer must be made. Any teacher so transferred shall, when reasonably possible, be provided five school day's notice of the transfer unless the teacher waives the notice, or a portion thereof, in writing. The Superintendent, or his/her designee shall advise the Executive Director of MTI of such transfers and the reasons therefore when the transfer is made.

IV - Individual Contract - G

G. VOLUNTARY TRANSFER OF ASSIGNMENT

1. Voluntary Transfer Where Vacancies Exist
   a. Vacant positions shall whenever practical be filled by the voluntary transfer of "teachers", except involuntary transfers made pursuant to Section IV-F.
   b. Minimum qualifications shall be established by the "Employer" and equally applied to all persons. Posted positions will be filled on the basis of qualifications as determined by the Employer. When same are relatively equal between "teachers", the senior teacher making the transfer request for the position shall be transferred.
   c. A teacher wishing to transfer applies to the principal of the building in which the vacancy exists, or to such other person indicated on the notice. Upon request of said principal or other appropriate individual, such transfer shall be made provided said teacher has greater seniority than the teacher in the surplus pool (IV-P) who is qualified for the same position for which the above mentioned teacher has applied.
   d. The teacher shall also file a statement with the Director of Employee Services requesting such transfer. The Director will, upon receipt of a principal or other appropriate individual request, process the transfer. This will occur so long as the instructional requirements of the school(s) are not disrupted. The Director of Employee Services will notify the teacher of the decision.
e. If any posted vacancy does not materialize due to a substantial change in the school's population or program, the transfer may not be implemented.

2. Vacancy Posting
   a. A building principal shall immediately notify the Director of Employee Services upon learning of a potential vacancy.
   b. Whenever a vacancy occurs, either as a result of termination, transfer (voluntary or involuntary), or the creation of a new position, and the employer intends to fill such position, notice of such vacancy shall be posted for five (5) working days prior to the date requests for transfers are due. However, vacant positions which the employer intends to fill by an involuntary transfer pursuant to Section IV-F need not be posted.
   c. Vacancy notices shall be posted in the office and faculty lounge(s) of each school immediately upon their receipt.
   d. Notice of vacancies occurring during the summer shall be sent, by the Director of Employee Services, to all individuals in the collective bargaining unit who have previously notified the Director of Employee Services in writing of their desire to transfer for the ensuing school year. Such notices shall be mailed five (5) days prior to the date requests for such transfers are due.
   e. Notices shall contain the location of the position(s), the date transfer requests are due and to whom the request for transfer shall be directed and any other pertinent data, including, but not limited to, minimum qualifications for the position.
   f. An updated list of vacancies may be examined by teachers at any time in the Office of the Division of Employee Services.
   g. Should a job become vacant which the employer does not intend to fill, the employer shall notify MTI that the position is being eliminated or the estimated period of time that the position will remain unfilled and the reasons therefore.

3. All factors being equal, the Madison staff members should be given preference for positions for which they have applied. Should it be mutually agreeable between the Director of Employee Services and a teacher under temporary contract, this provision (IV G) shall be applicable to the temporary contract teacher, provided no teacher under regular or Title contract has applied for said position.

4. School Closing
   In the event of a school building being closed all teachers assigned to the school shall move to other positions pursuant to the terms set forth for the re-assignment of "surplus" teachers Section IV-P.

IV - Individual Contract - H

H. PROBATIONARY PERIOD

A teacher contracted under regular or Title contract will serve a three (3) year probationary period, unless said teacher has taught previously for a minimum of three (3) years outside the employ of the Madison Metropolitan School District. In the case of the latter, said teacher shall serve a two (2) year probationary period in the District. At the conclusion of the probationary period, if the teacher's service is satisfactory, the teacher will have completed probationary status and will be awarded a regular annual contract. Such teachers will then hold nonprobationary status.

2. Teachers employed under temporary contract by the District will be subject to the terms above should they be issued a regular or Title contract in the same or immediately following semester, thereby providing continuous service between the two (2) contracts. However, in no case shall a teacher serve a probationary period of less than one year.
I. TEACHER EVALUATION

1. A staff member's effectiveness as a professional employee is evaluated by the principal or assistant principal of the building in which the staff member is employed.

2. A teacher of Art, of Music, or Physical Education, or a teacher supervised by the Specialized Educational Services Department is evaluated by the building principal in which the teacher is employed and by the teacher's supervisor.

3. An "Improvement of Teaching Worksheet" (IV-I-1) is completed for a probationary teacher by December 15.

4. The "Evaluation Scale" (IV-I-2) is completed each year for the probationary teacher.

5. A copy of the Improvement of Teaching Worksheet and Evaluation Scale is provided the probationary staff member by the administrator and a joint review of an evaluation by administrator and teacher is conducted.

6. Teachers are assessed by using the "Evaluation Scale" (IV-I-2). Following such assessment a joint review by the administrator and teacher will be conducted. Such evaluation when completed will be due no later than May 1 if it does not affect the continuing employment status, otherwise the evaluation will be due no later than February 1.

7. Should there be an evaluation of teachers holding temporary contract, the time designation specified on the forms IV-I-1 and IV-I-2 does not apply.

3. The principal or supervisor makes a final evaluation of a teacher on or about February 1st of each contract year and recommends renewal or non-renewal of a teacher's contract to the Board of Education. The evaluation is countersigned by the teacher and the teacher is provided a copy of the evaluation.

4. If prior to either of the mandatory evaluations of a teacher's performance or at any time between or after the evaluations, the performance of a teacher shall cause such dissatisfaction that the principal or supervisor shall deem that a recommendation of renewal for the teacher's contract may not be forthcoming, the principal or supervisor shall confer with the teacher and outline the nature of the dissatisfaction with the teacher's performance. The principal or supervisor shall then make and preserve a written memorandum of the substance of this conference which shall be dated and signed by the teacher. At the time the principal or supervisor makes the written memorandum mentioned above, a copy of the written memorandum shall be sent to the Executive Director of Madison Teachers unless the teacher requests, in writing, that such action not be taken. Should the teacher request that Madison Teachers not be notified, a copy of this request will be sent to the Executive Director of Madison Teachers by an agent of the Board.

7. This provision does not apply to temporary contract teachers.

IV - Individual Contract - K

K. NONRENEWAL OF NONPROBATIONARY TEACHER

2. It is the duty of the principal or supervisor to counsel teachers concerning the proper performance of the assigned duties of the teacher.

3. If the principal or supervisor deems that the teacher's performance is unsatisfactory because of:
   a. Inefficiency,
   b. Immorality,
   c. Willful and persistent violations of reasonable regulations of the governing body of the district,
   d. Other good cause,
the principal or supervisor shall confer with the teacher, outline the nature of the unsatisfactory performance and prepare a written memorandum of the substance of the conference. A copy of the memorandum shall be provided to the teacher and the Executive Director of Madison Teachers unless the teacher requests, in writing, that such action not be taken. Should the teacher request that Madison Teachers not be notified, a copy of this request will be sent to the Executive Director of Madison Teachers by an agent of the Board of Education. If the unsatisfactory performance continues, the principal or supervisor shall recommend to the Board of Education that the teacher's regular annual contract not be renewed.

A copy of the notice shall be forwarded to the Executive Director of Madison Teachers unless the teacher requests, in writing, that such action not be taken. Should the teacher request that Madison Teachers not be notified, a copy of this request will be sent to the Executive Director of Madison Teachers by an agent of the Board of Education.

6. If a teacher fails to file a written request for a private conference within five (5) days of receiving notice of consideration of nonrenewal to the Board of Education, the right to a private conference is waived.

7. On or before March 15 of the school year for which the teacher holds a contract, the Board of Education shall give the teacher written notice of renewal or refusal to renew the teacher's contract for the ensuing year.

8. Madison Teachers on behalf of the teacher, may appeal an adverse decision by the Board of Education to arbitration as per the grievance procedure set forth in this agreement provided a written request for referral to arbitration is filed with the Board within ten (10) days after receiving the notice of consideration for nonrenewal.

If the arbitrator determines the actions of the Board violated the provisions of the section, he shall, in addition to his determination of the issue, grant appropriate relief. The decision of the arbitrator shall be rendered within thirty (30) days of the receipt of the hearing transcript or briefs whichever is later.

11. Copies of the award of the arbitrator shall be submitted to the parties.

12. Nothing herein is intended to prevent the Board of Education from granting an individual teacher his right to due process with respect to his nonrenewal. If such be the case, the Board of Education shall notify Madison Teachers, in writing, in order that Madison Teachers may, as the bargaining representative, exercise its right to be present at the proceedings.

13. This provision does not apply to temporary contract teachers.

IV - Individual Contract - L

M. SUSPENSION

1. Suspension Procedure: The Superintendent of Schools may suspend a staff member with pay, if and when, in the judgment of the Superintendent, a condition or situation warrants such emergency action. The meeting shall be held within 21 days from the date of suspension. The Superintendent shall forward a copy of said charges to the suspended staff member by certified mail. A copy of these charges shall be sent to the Executive Director of Madison Teachers and to the Grievance Committee, unless the teacher requests in writing that such action not be taken. If in the performance of the duty of the principal or supervisor in the counseling of the teacher concerning the discharge of the duties of the teacher and following such counseling with the teacher, the principal or supervisor shall deem the performance of the teacher to be so unsatisfactory that it may be necessary to recommend the dismissal of the teacher prior to the end of the school year, the principal or supervisor shall confer with the teacher and outline the rationale for the proposed recommendation for dismissal during the contract year and preserve a written memorandum of such conference.

However, charges will be filed no later than twenty-one (21) days from the date of the recommendation by the principal. The Superintendent shall forward a copy of the charges to the staff member by certified mail. A copy of the charges shall be forwarded to the Executive Director of Madison Teachers unless the teacher requests, in writing, that such action not be taken. IV - Individual Contract - P

P. REDUCTION IN STAFF

1. Seniority
   a. Regular or Title Contract Teacher
      1) Seniority except as noted below, within the Madison Metropolitan School District is established by the total years of continuous service as a teacher in the District under regular or title contract with such calculation commencing with the first day for which compensation was paid to the teacher by the District followed by continuous service. An approved leave of absence, or layoff for up to two (2) years, shall not constitute a break in seniority.
2) For teachers employed prior to 5/24/77, seniority shall be estab-
lished by the total years of continuous service as a teacher in the
District with such calculation commencing as of the first (1st)
day taught followed by continuous service. An approved leave of
absence, or layoff for up to two (2) years, shall not constitute
a break in seniority.

3) For teachers employed prior to 8/1/76, seniority shall be estab-
lished as of the first (1st) day taught while employed by the
District. A teacher, who was initially employed prior to 8/1/76
and who resigned his/her employment with the District, but who is
subsequently re-employed after 10/16/78, shall have his/her seniority
commence with the first day for which compensation was paid to said
teacher by the District followed by continuous service. An approved
leave of absence, or layoff for up to two (2) years, shall not
constitute a break in seniority. If a teacher is re-employed
before 10/16/78 his/her seniority shall be established as of the
first (1st) day taught while employed by the District.

b. Temporary contract teachers

Teachers who are newly employed after August 23, 1977 under temporary
contract and who subsequently are employed for the school semester
immediately following the temporary contract period, under either
regular or title contract, shall have their seniority date established
commencing the first day compensated under temporary contract. Teachers
who were employed during the 1976-77 school year under temporary con-
tract and who were subsequently employed under temporary contract for
the first semester of the 1977-78 school year, will be considered new
employees per the above (IV-P-1-b).

c. No teacher shall receive credit toward his/her seniority based on
temporary contract employment except as per IV-P-1-b.

2. Assignment to Surplus Pool.

a. A "surplus teacher" is defined as any teacher presently teaching on a
regular full time or regular part time contract who has been declared by
their principal to be above staff requirements because of reduced pupil
enrollment or substantial change in the instructional program. Surplus
declarations shall be made on the following bases:

1) Elementary and Middle Schools

Teachers shall be declared surplus in the inverse order of seniority,
as defined above, except where the instructional requirements of
the school are disrupted. It is understood that in making the
necessary adjustment in assignments within a school after declarations
of surplus that prior experience and certification of the remaining
school staff will be duly considered.

2) High Schools

Teachers, within a department, shall be declared surplus based upon
inverse seniority, as defined above, and certification.

b. When it becomes necessary to declare a teacher(s) surplus, volunteers
shall first be requested. If no volunteers are available or if there is
an insufficient number of volunteers, then the principal shall declare
teacher(s) to be Surplus Teachers in the manner as set forth above.
Should a person volunteering to be surplus result in the remaining
teachers being uncertified to teach the remaining assignments, the
principal shall not be bound to accept the volunteer as surplus.

c. Declarations of surplus must be made by July 1 for the ensuing school
year or the fall semester of the ensuing school year and by December 1
for the spring semester of the school year.

d. Any teacher(s) declared surplus under the provisions herein shall be
provided written notice of same by the date set forth in (c) above.
Notice(s) shall also be sent, on a timely basis, to the Executive
Director of Madison Teachers by the Director of Employee Services
regarding such declaration of surplus.
3. Reassignment From Surplus Pool

Teachers who have been declared surplus shall be permitted to declare their preference(s) for reassignment to position(s) for which they are certificated by listing same with as much specificity as the teacher desires, i.e., instructional level, attendance area, school, grade or grade combination, subject area. The District shall make every reasonable effort to assign surplus teachers to vacant positions in accordance with their preference(s) on or before 30 days prior to the first day of compensation for the school year/December 15 (for the second semester), provided, of course, such vacancies become available.

The District shall not be obligated, however, to make reassignments in accordance with such preference(s) after 30 days prior to the first day of compensation for the school year or December 15 for the second semester, or under the following circumstances.

1) Where a part-time teacher prefers reassignment to a full-time position, and where the honoring of such preference for reassignment would cause the District the inability to assign the remaining full-time surplus teachers due to a lack of available full-time vacancies, or the inability to assign the remaining part-time surplus teachers to available part-time vacancies.

2) Where a teacher has been declared surplus in a given subject area, but prefers reassignment to another subject area for which that teacher also happens to be certified, and where the honoring of such preference for reassignment would cause the District the inability to assign the remaining surplus teachers to available vacancies due to their certifications.

Preference(s) for said reassignment shall be based upon seniority in the Madison Metropolitan School District among those surplus teachers with prior experience in the grade level and/or department and/or program in the available vacancy. Should the teacher have no preference(s) among the available vacancies, said teacher may be reassigned in accordance with Section IV-F (Involuntary Transfer) to any position for which they are certificated. Full-time teachers shall not be reassigned to positions which are less than full time. For teachers holding part-time contracts, every reasonable effort shall be made to reassign them to positions of at least the same percentage of contract currently held.

Teachers from the surplus pool who get reassigned to positions which were formerly held by teachers on sabatical leave or medical leaves of absence, shall be returned to the surplus pool for reassignment pursuant to the procedure set forth herein, upon return of the teacher from leave to his/her former position.

4. Layoff

a. Should it become necessary to reduce the number of teachers employed by the District for the ensuing school year due to a substantial decrease in pupil population within the District, or lack of funding, the Board may release the necessary number of teachers, by providing them with notice of layoff on or before March 15. However, such action can only be taken via the inverse order of seniority, as defined above, within the instructional level, grade level or subject area. A teacher, who is laid-off as herein set forth shall be permitted to replace (bump) the teacher with the least seniority in a position for which she/he is certificated. Twenty percent (20%) of the positions subject to layoff may be excluded from the layoff procedure in order to accommodate the District's Affirmative Action Program. Such twenty percent (20%) shall not be less than five (5) persons. The latter provision may be implemented at any time the minority population of this Collective Bargaining Unit falls below the community norm.

The Superintendent shall select from among those certificated teachers, with appropriate certification, in relation to the vacancy who have the same Seniority and who are eligible for layoff pursuant to the above.
The District shall provide in writing to MTI the information it used in making layoffs pursuant to this subsection 4(a) at the same time the teachers are provided with notice of layoff. Within thirty (30) days of receipt by MTI of said information, the District and MTI shall meet for the purpose of reviewing the information and procedures used by the District in making the layoffs, if such a meeting is requested by MTI. Alleged violations of this subsection 4(a) may be processed through Section II-B (Grievance Procedure), with such grievances commencing at Level 3 of the procedure.

b. Recall - Any additional employment by the District following the layoff will be first offered to those previously laid-off in the order of seniority of those on layoff status, should they still wish to resume employment in the Madison Metropolitan School District provided they hold proper certification for the position.

1) An "overload" assignment must first be offered, on the basis of seniority, to those teachers on layoff who hold certification appropriate to teach classes contractually provided for as "overloads".

2) The District shall have the option, based upon the needs of the District, to increase the percentage of contract of those currently employed under part-time contract or to assign teachers on layoff under such circumstances.

3) Of those teachers on layoff status, a full-time teacher may refuse any offer of employment as a teacher with the District at less than a full-time contract and still retain recall rights for future offers of employment. A part-time teacher on layoff may refuse any offer of employment as a teacher with the District on a full-time contract basis and still retain recall rights for future offers of employment. However, a part-time teacher on layoff who refuses any offer of any part-time employment as a teacher with the District forfeits all recall rights for future offers of employment. A full-time teacher on layoff who refuses any offer of any full-time employment as a teacher with the District forfeits all recall rights for future offers of employment.

4) Teachers who get recalled to positions which were formerly held by teachers on sabbatical leave or medical leave of absence will be placed in the surplus pool for reassignment pursuant to the terms of this Section IV-P should the teacher on such a leave return to teaching after the expiration of his/her leave. Should the teacher temporarily vacating the position not return to his/her former assignment, the teacher reemployed from the layoff list who fills such assignment shall continue in that assignment.

c. A teacher, while on layoff, may, at his/her option, be placed in the substitute pool.

   b. at a school sponsored function off school premises, or
   c. on the way to and from school.
H. USE OF PHYSICAL FORCE

1. The Board of Education does not condone the use of physical force when dealing with pupils; however, the Board of Education recognizes that it may be necessary for school personnel to use reasonable and appropriate physical force to prevent a breakdown of discipline or to stop a continuing breach of discipline by pupils.

2. School discipline is the guidance of the conduct of pupils in a way which permits the orderly and efficient operation of the school.

3. The areas in which disciplinary control of pupils is exercised are:
   a. while on school premises,
   b. while in proximity to school premises,
   c. while going to and from school,
   d. while on school buses, and
   e. while engaged in school related activities.

4. Physical force is used only after other means for preventing a breach of discipline or stopping the continuance thereof have been ineffective.

5. In determining what is reasonable and appropriate with respect to the use of physical force, all circumstances surrounding the given situation are taken into consideration—such as age, sex, previous history, and maturity of the pupil, and the seriousness of the breach of discipline.

6. Physical punishment is not to be used in relation to any breach of discipline which has been completed. Action taken after the completion of a breach of discipline may be conference, referral, suspension, court action, expulsion, or exemption.

7. The teacher reports use of physical force to the principal; the principal reports use of physical force to the appropriate Area Director.

8. The Board of Education will support the action of any teacher, custodian, supervisor or administrator which is within the scope necessary to prevent disruption of any function of the school system.

I. TEACHER MAILBOX

1. The only materials which may be placed in a teacher's mailbox are:
   a. Official school communications
   b. materials of noncommercial and nonpartisan political nature placed by representatives of Madison Teachers
   c. other materials authorized by the Board of Education
   d. U.S. mail

2. A copy of all publications mailed shall be sent to the Superintendent of Schools.

J. SOLICITATION OF TEACHERS

1. Solicitation of teachers by any organization is not permitted in the schools; exception is made for the following organizations during the teacher's non-teaching time:
   a. United Way
   b. Red Cross
   c. Blood Bank
   d. U.S. Savings Bonds
   e. Madison Teachers Incorporated
   f. Parent Teachers Association
K. CLASS COVERING

1. When it is necessary or desirable to have a teacher cover a class assignment to permit another scheduled teacher to be absent for one or two hours, arrangements may be made as follows:
   a. If the teacher requests such temporary substitute service and the principal or supervisor agrees that it is desirable, it is the teacher's responsibility to arrange the time with other teachers subject to the principal's or supervisor's agreement.
   b. If the administration requests such temporary absence from assignment, it is the principal's or supervisor's responsibility to procure a paid substitute teacher with no time loss to the teachers excused or to make inter-staff arrangements as needed and with no time loss to the teacher excused.

2. Regular teachers substituting pursuant to §1 (b) above shall be paid at the rate of $5.60 per hour.

3. Unusual circumstances involving situations not governed by Item 1 (a) or (b) will be given special consideration.

4. However, under no circumstances will a teacher be required to cover a class and/or accept the responsibility for students of an absent teacher, except as provided herein.

L. HOURS OF SCHOOL

1. Elementary
   a. The school day for all elementary school teachers shall be determined as starting 15 minutes before school is scheduled to begin, and terminate 30 minutes following the close of school.
   b. Special education teachers shall be governed by such hours as the principal shall file with the Director of Special Education concerning their special duties in relation to the normal operation of the school.
   c. Elementary principals, in setting student hours, shall conform to the following standards on minutes of the teacher's responsibility with students.

The school principal and faculty may adjust the beginning and ending time of the regular school day to meet the needs of the community; however, the total number of minutes per day as listed above shall be maintained.

Elementary principals shall establish all elementary school teachers' hours as conforming to the 5th grade schedule with the teachers' day commencing 15 minutes prior to the 5th grade and terminating 30 minutes following the time of the 5th grade dismissal as per Tuesday through Friday above. Principals shall schedule each teacher's entire class into their special classes whenever possible to provide the classroom teachers additional planning time.

The Monday early dismissal time may be used, at the option of the teachers, for parent-teacher conferences, elementary teacher planning, and staff development (inservice); and the monthly staff meeting when the principal deems such meeting necessary. Staff members shall be required to attend such meeting. Such meetings should conclude by the end of the regular school day.
Kindergarten teachers will be provided one (1) hour released time for each four (4) kindergarten pupils, or major fraction thereof. Such time shall be used for the purpose of conducting parent-teacher conferences. The early Monday afternoon dismissal will fulfill the afternoon required released time.

d. A teacher is to be in his assigned building continuously when school is in session unless excused by the principal.

2. Senior and Middle

a. Middle and Senior High School hours are 8:00 - 4:00. Schools may make adjustment to these times, but the total time shall be maintained. Lunch hours will vary from school to school and Middle and Senior High staff meetings are governed by the rules outlined above.

b. School may be dismissed in middle and high schools one hour prior to the dismissal of students during the regular school day for the purpose of staff development in the middle and high school and parent-teacher conferences in the middle school. The Area Director must approve such early dismissal. Staff members shall be required to attend such meetings. Such meetings should conclude by the end of the regular school day.

c. A teacher is to be in his assigned building continuously when school is in session unless excused by the principal.

It is further agreed that the Madison Metropolitan School District will continue to follow the 1973-74 Contract terms relative to "Hours of School" and "Parent-Teacher Conferences" should the 13 standards developed as Department of Public Instruction Administrative Code to implement Chapter 90 of the Wisconsin Statutes be inoperative.

V - Factors Relating to Employment - Classroom - M

M. DUTY FREE LUNCH

1. All members of the professional staff shall be provided with a daily duty-free lunch period of at least 30 continuous minutes.

2. The principals of the schools shall seek to employ adequate and responsible lay personnel to supervise the lunch period.

3. If it is not possible to employ such adequate and responsible lay personnel, and if individual teachers employed at the school do not volunteer to serve in a supervisory capacity during the noon lunch period, then -

   a. The principal shall declare a condition of emergency and shall appeal to the Area Director for relief.

   b. The Area Director, in consort with the Superintendent of Schools, shall review the problem and in no less than five school days shall seek solutions in meetings with the Executive Director of Madison Teachers, school staff and the principal.

   c. If, in the opinion of the Superintendent, following this review no solution can be reached, then, the Superintendent shall have the authority to order the principal to assign all teachers employed in the school to serve lunch duty on a rotating basis.

   d. Such lunch duty shall be compensated for at the agreed upon rate and shall not replace the guaranteed 1/2 hour duty-free lunch. (Payment will be computed in 1/2 hour lots.)
V - Factors Relating to Employment - Classroom - N

N. SCHOOL CALENDAR

1. The school year shall be 192 days (38.4 weeks) and is delineated for teachers in their first year in Madison as follows:
   a. Required attendance days for teachers during the first year of employment .......... 186 days
   b. Paid WEA and SWEIO Convention days (Attendance at the WEA and SWEIO Convention is permitted if not changed by the Master Agreement. Should a teacher not choose to attend such convention(s) the teacher is assigned to his/her school for these three days) ........ 3 days
   c. Paid legal holidays that do not fall in a scheduled vacation period (Labor Day, Thanksgiving Day and Memorial Day) .......... 3 days

   TOTAL 192 days

2. Teachers beyond their first year of employment in Madison have 183 days of required attendance to which the 3 paid convention, 3 paid legal holidays and 3 voluntary days are added, totalling 192 paid days. The paid voluntary attendance days are defined as the days shown as "new teachers" day in the appended daily calendar.

3. The distribution and identification of the required attendance days is outlined in the calendar. Special inservice days, parent teacher conferences, exam schedules, recording days, and/or other special days, are included in the 192 days total and are announced by building principals acting under guidelines established by the Superintendent of Schools, or as dictated by this Collective Bargaining Agreement between the Board of Education and Madison Teachers Incorporated.

   a. The schedule of the first three days of school is as follows:
      1) A.M. Kindergarten will be dismissed one hour early.
      2) Grades K-5 will operate on a regular Monday schedule. This provides for a one-hour early dismissal in the afternoon.
      3) Lunch will be served in all schools.
      4) The regular time schedule will be assumed the third day.
      5) Full day schedules will be in effect in Middle and High Schools.

   b. The last Friday afternoon of the first semester and the last morning of the final calendar day of the second semester are utilized for recording and reporting days by the teacher. Students are not present during these sessions.

4. In the elementary schools, pupils will receive their grade cards on the first day of the second semester and the final afternoon of the last calendar day of the second semester. In both the elementary schools and those schools which send grade reports by mail, teachers are expected to be in full attendance on the days outlined above.

5. Snow Days
   a. School closing
      1) Should it become necessary for the Board of Education or its authorized agent to close school due to snow, such notice shall be delivered prior to 6:30 a.m. to those in the bargaining unit over all radio stations whose broadcast studios are located within the city limits of the City of Madison.
2) Teachers shall be compensated for such day in their regular monthly payroll check. However, if it is necessary to extend the school year to enable the District to qualify for state aid, because of school being closed due to inclement weather, then the school year may be extended to a maximum of two days. Such days will be the week days immediately following the final day of the calendar of the school year. Any extension necessary beyond the two days noted above will be determined by mutual agreement between MTI and the District.

b. School opening delayed

1) Should the opening of school be delayed due to snow, the members of the Collective Bargaining Unit shall be notified pursuant to item 5a. above as to the time they are expected to report.

P. COLLECTION OF MONEY

1. Whenever feasible, a teacher is not assigned to the collection of and accounting for money brought or sent to the school for any reason.

Q. SPECIAL TEACHERS IN KINDERGARTEN

1. It shall be the policy of the Board of Education within the limitations of budget to provide additional staff in the special subject fields (art, music, physical education) in order that these special teachers may be used to supplement the kindergarten curriculum.

R. DISRUPTIVE BEHAVIOR

1. The President of Madison Teachers and the Superintendent of Schools shall each appoint three representatives to a Joint Committee on Disruptive Behavior.

2. The Joint Committee shall then study all aspects of the problem of disruptive behavior by pupils in the Madison Metropolitan School District and shall analyze applicable aspects of the Wisconsin Statutes to determine the obligations of the District in providing the necessary assistance to correct such behavior, and to explore the avenues available to the District in developing methods to deal with such behavior.

3. The Joint Committee shall have available to it resources such as continual involvement on the Social Agency Coordinating Committee, so long as committee is in existence, as well as other resources determined necessary by the Committee.

4. The Joint Committee shall report to the negotiation teams of Madison Teachers Incorporated and the Board of Education its findings and recommendations for inclusion in the Collective Bargaining Agreement and/or Board of Education Policy not later than October 15, 1976. Bargaining will commence at the time such report is submitted. Such provisions shall become effective when they are agreed upon.

5. Until such time as other criteria is agreed upon for inclusion in the Collective Bargaining Agreement in this regard, the District shall make available to teachers the Disturbing Behavior Referral Form for use in seeking assistance for pupils exhibiting disruptive behavior.

S. EMERGENCY SITUATION

1. Teachers shall report suspicious object(s) or person(s) to the Principal or his designee.

2. Teachers shall not be required to search for suspicious object(s) or person(s).

T. PLANNING TIME

Effective August 1, 1976, in addition to the hour of planning time provided by early dismissal on Mondays, all full-time elementary teachers and all full-time Special Education Services teachers assigned to elementary and middle schools shall have one hour per day of planning time on Tuesday through Fridays within the established school day for teachers. Such planning hour shall be scheduled in at least one-half hour lots.
It shall not be a violation of this provision if a teacher loses planning time due to schedule changes made necessary by reason of emergencies or has voluntarily surrendered such planning time.

VI - Factors - Personal - A
A. ABSENCE ALLOWANCE

1. Sick leave is earned at the rate of one (1) day per payroll period for each teacher provided that the teacher receives pay for one-half or more of the days included in the payroll report period. Sick leave is not advanced. Sick leave may not be used prior to the time it is earned.

2. Staff members employed to teach in the six weeks summer school sessions will earn one day sick leave. This shall be cumulative with their regular sick leave. These teachers may also use sick leave accumulated during the regular school term during the summer school session. However, a day of sick leave during the summer session shall consume a full day of accumulated sick leave. No other summer employment qualifies for sick leave benefits.

3. The following absences will be without loss of salary provided an adequate balance exists in the teacher's personal sick leave account.
   a. Personal illness.
   b. Death in the immediate family not to exceed five school days per year for each death in the immediate family; immediate family interpretation for this subsection shall be limited to the following relatives of the employee or his spouse:
      1) Father or Mother
      2) Husband or Wife
      3) Child (including foster and step child)
      4) Son or Daughter-in-law
      5) Brother or Sister
      6) Brother or Sister-in-law
      7) Grandfather or Grandmother
      8) Grandfather or Grandmother-in-law
      9) Aunt or Uncle
      10) Aunt or Uncle-in-law
      11) First Cousin

   Requests for any other funeral leave must be submitted by the teacher for approval to the Employee Services Department. In the absence of written approval, pay will be deducted for the absence.

   c. Attendance required by an officer of a court (and/or summoning of a governmental agency such as Internal Revenue or the draft board).

   d. Severe illness in the immediate family requiring the presence of the teacher not to exceed five days in any school year; immediate family interpretation of this subsection shall be limited to the following relatives of the employee:
      1) Husband or Wife
      2) Child (including foster and step child)
      3) Son or Daughter-in-law
      4) Father or Mother of employee or spouse
      5) Brother or Sister
      6) Brother or Sister-in-law
      7) Grandmother or Grandfather
e. Absences not covered in items a. through d. may be approved by the Board of Education on recommendation of the Superintendent of Schools.

4. The following absences will not be deducted from the PSLA:
   a. Personal leave days (Section VI A-5).
   b. Teachers who are required to serve on jury duty shall receive full pay from the MMSD during the period of such service. Such teacher shall, however, remit to the Board of Education an amount equal to the compensation received for jury duty upon receipt of same.

5. Personal leave

Five personal leave days shall be permissible as follows:

1) Teaching personnel will be permitted to be absent from school responsibilities for any purpose without pay. Such absence will be in at least one half (½) day increments and shall be for a reason which necessarily cannot be met outside the school day.

   The teacher will be expected to notify the school principal at least three (3) days prior to such absence.

   Personal leave will not be granted during the first or last two weeks of any semester except under extenuating circumstances which may be approved by the Superintendent.

2) Teaching personnel will be permitted to be absent for two days per year from school responsibilities for certain purposes without loss of compensation. The purposes will be defined basically as legal reasons, i.e., adoption proceedings, settlement of wills, certain court actions, real estate closings. The teacher will be expected to notify the school principal at least three days prior to such absence.

   The teacher will be expected to be absent only as long as necessary and the school principal will provide class covering as determined by the principal.

6. A teacher earns sick leave during a period of personal illness, however, this is subject to the maximum sick leave in force.

7. By October 3rd, the Board of Education shall provide each teacher with written notification of his accumulated sick leave as of the end of the prior school year.

VI - Factors - Personal - B

B. UNPAID LEAVES AND ABSENCES

1. A leave of absence shall be granted to a member of the professional staff, provided:
   a. The teacher has completed his/her probationary period. (This provision does not apply to teachers who take a leave due to medical reasons.)
   b. A request for a leave of absence, or a request to extend a leave of absence, is made in writing through the Principal/Supervisor, to Employee Services for its approval, at least 30 calendar days before the leave is to become effective for the commencement of the first or second semester. (This provision does not apply to teachers who take a leave due to medical reasons, or for the purpose of adopting a child when it would be impracticable to provide such notice. Moreover, a medical leave, or unpaid leave for the purpose of adoption, or an unpaid leave that is taken in connection with a pregnancy leave, may become effective during the term of a semester.)
c. The reason(s) for the leave request are stated on the leave request form.

2. Leaves, and leave extensions, are granted to teachers under either (a) or (b) below:

a. Initial request: One (1) semester
   Extensions: The first extension will be for the semester following the semester of the initial leave. A second extension, if so requested, will be for the following two (2) semesters or full school year.

b. Initial request: Two (2) semesters or one (1) full school year.
   Extensions: One (1) extension consisting of the following two (2) semesters or full school year.

No leave shall exceed two (2) consecutive school years or four (4) consecutive semesters. Upon the expiration of a leave of absence, a teacher must return to teaching or resign his/her employment with the District.

3. Teachers who take a medical leave of absence, must support their leave request with medical certification from their physician, in order to:
   a. be paid their unused accumulated personal illness days while medically disabled.
   b. retain the right to be returned to the position formerly held at the time the leave was requested up to two (2) years.
   c. not be limited in the number or length of extensions as outlined above.

In addition, teachers on leave of absence for medical reasons must have their physician complete a Return-to-Work Form before they can resume teaching.

4. Teachers, other than teachers on medical leaves, who receive leaves of absence, pursuant to this Section VI-B, shall be entitled to return to the position held at the time the leave was granted, if the leave is for one semester. If the leave is for more than one semester, the teacher will be returned to the position previously held, should the position be filled by a teacher under temporary contract. If the former position is filled by a teacher under regular contract, the returning teacher will be placed in the surplus pool for reassignment in accordance with Section IV-P.

5. No leave will be granted which allows a teacher to continue to work part time. A teacher wishing to work less time than he or she presently works must reduce his/her individual teaching contract by seeking the approval of the Board.

6. The year leave of absence is not credited as a year of experience on the salary schedule.

7. The teacher on leave without pay may continue insurance benefits provided via this Agreement if premiums for such coverage are paid monthly in advance by the teacher to the Madison Metropolitan School District.

   The Board shall continue to pay such premiums on insurance provided via this Agreement for the teacher who is drawing compensation via current and/or accumulated personal illness leave.

8. Teachers on temporary contract may be granted such leave(s), however, such leaves may not extend beyond the date of expiration of the temporary contract.
VI - Factors - Personal - C

C. ACCIDENT LEAVE/WORKER'S COMPENSATION

1. If a certified employee of the Board of Education becomes entitled to worker's compensation pursuant to Chapter 102 of the Wisconsin Statutes, the Board of Education continues to pay the employee's full salary during the period of disability, whether or not such period extends beyond the employee's term of employment, up to a maximum of 180 teaching days; however, such payment of full salary shall be reduced by an amount equal to the amounts paid to the employee as worker's compensation. The reduction shall be in the amount of the weekly worker's compensation disability benefits only; not payments for physician and/or hospital treatments.

2. If a worker's compensation claim is contested, the Board of Education continues to pay the employee's full salary during the period of disability up to a maximum of the number of teaching days following the date of the accident equal to the number of sick leave days then accumulated by such employee providing the employee files a written request for such payment with the Board of Education. When the contested claim is settled in favor of the employee, the provisions of the preceding paragraph are retroactively applicable and the number of sick leave days consumed is restored to the credit of the employee.

3. Upon the implementation of the Sick Leave Bank (Section VII-I), benefits payable under this Section VI-C shall be funded via the Sick Leave Bank up to a maximum of 180 teaching days per participant. Such compensation shall be charged against the SLB by converting the Supplemental Workers' Compensation paid to the teacher into sick leave days as per the formula below and deducting such days from the current SLB balance.

\[ \text{Sick Leave Days} = \frac{\text{Supplemental Workers Compensation}}{\text{Teachers Daily Salary}} \]

* Rounded up to the next whole day.

VI - Factors - Personal - D

D. MILITARY LEAVE PEACE CORPS/VISTA

1. A military leave of absence is granted to the teacher for induction into or voluntary enlistment into the armed forces by filing a request for such a leave in writing in the office of the Division of Employee Services.

2. Each approved year of military leave of absence is credited as a year of teaching experience on salary schedule.

3. The teacher retains accumulated personal illness leave but does not accumulate additional personal illness days.

4. Upon return from military leave the teacher is assigned to his/her former assignment or a position of like status providing he is qualified for said assignment.

5. The teacher must indicate his/her intention for reemployment within six months of his/her armed forces termination date; if the teacher is hospitalized for a service-connected disability during the six month period, he/she must indicate his/her intention for reemployment within six months of the hospitalization release date.

6. The teacher retains his right to continue insurance protection provided by insurance programs sponsored by the Board of Education, providing the teacher maintains the premiums required by such insurance.

7. The aforementioned provisions shall also apply to teachers for service in the Peace Corps or VISTA.

8. Teachers on temporary contract may be granted such leave(s), however, such leaves may not extend beyond the date of the expiration of the temporary contract.
E. ABSENCE REQUIRED BY PREGNANCY
AND MATERNITY LEAVE

1. Pregnancy will be treated as any other temporary medical disability in accordance with the Federal Civil Rights Act of 1964, as amended, and Subchapter II, Chapter III, Wisconsin Statutes. Thus a teacher may, with her doctor's consent, teach as long as she is physically and emotionally capable of performing her professional duties. The teacher shall provide the Director of Employee Services and the principal a physician's statement as to the anticipated date of birth of the child and projected period of temporary disability. Such form, furnished by the Director of Employee Services, is entitled "Physician's Pregnancy Confirmation". Medical information will be required by the District to support a teacher's disability should the teacher's physician certify disability in excess of six (6) weeks. A teacher absent for such disability is expected to return to her professional duties when medically capable of returning. For the period the teacher is considered by her physician to be temporarily disabled due to pregnancy, said teacher shall be entitled to receive, at her option, compensation and fringe benefits in accordance with the Agreement until said teacher's current and accumulated personal illness leave has been exhausted.

2. A teacher may request an unpaid leave of absence in conjunction with her pregnancy disability leave pursuant to Section VI-B.

3. Teachers on temporary contract may be granted such leave(s), however, such leaves may not extend beyond the date of the expiration of the temporary contract.

VI - Factors - Personal - F

F. SABBATICAL LEAVE

1. The Board of Education budgets $30,000 for sabbatical leaves for non-supervisory, certificated personnel for the purpose of advanced study and research.

2. Certificated personnel shall have served at least five consecutive years in the Madison schools in order to establish service eligibility for sabbatical leave.

3. Either one year's leave at half pay or one semester's leave at full pay may be granted.

4. The recipient of a sabbatical leave must agree by contract to return to the Madison system and render at least two full years of service following the sabbatical leave, or to repay the sabbatical leave fund amounts received as stipulated in the contract.

5. Should the Superintendent sustain the action of the Benefits Manager by denying said appeal, MTI may appeal such denial as per the grievance procedure contained in this Agreement, Section II-B.

f. Notification and Reporting:

1. A copy of any denial as described above shall be sent by the Benefits Manager to the teacher so denied and to the Executive Director of Madison Teachers Incorporated at the time of such denial.

2. Thirty (30) days following the completion of one year of SLB operation and annually thereafter the Benefits Manager of the Madison Metropolitan School District shall send to the Executive Director of Madison Teachers Incorporated a report showing SLB usages and balances for the operating year.

g. The Employee Services Department shall administer the SLB per the terms set forth herein.

3. Personal Sick Leave Account - Accumulation

a. A teacher may accumulate a maximum of seventy (70) days in his/her PSLA (the purpose is so that fifteen (15) days may be reserved after the first 55 days are used). Such accumulation shall be according to the procedures contained in this Agreement except as herein modified.

b. If, in any school year a teacher uses more personal illness leave days than are earned, such days used shall be deducted from his/her PSLA, in addition to days used in making required deposits into the SLB pursuant to this Section VII-I. If the teacher's PSLA is exhausted, the teacher may withdraw sick leave days from the SLB in accordance with the procedures set forth herein.

4. Retirement Health Insurance Account

a. Balance: Sick leave days which are not deposited in either the SLB or in a teacher’s PSLA and which are in excess of maximums established for same shall be deposited, up to a maximum of one-hundred twenty (120) days, in the teacher’s RHIA. Immediately upon retirement, 25% of the teacher’s PSLA balance will be transferred to his/her RHIA to a maximum of 120 days. All such sick leave days in the teacher’s RHIA shall then be converted into a dollar amount based upon the teacher’s daily rate at the time of his/her retirement. Seventy-five (75) percent of said amount shall be applied to future premium payments commencing at the time of retirement for health and/or life insurance coverage in effect at the time of the teacher's retirement. Such premiums will be paid up to the last month in which the full premiums can be paid with the teacher's RHIA balance, realizing that the total number of such months may be reduced as a result of an increase in premium rates. In the event a new health insurance program is established for teachers employed by the Madison Metropolitan School District, retired teachers shall be eligible to participate in same with their premiums being paid from their RHIA.
b. Eligibility: Teachers who retire after reaching age 55 and who have 10 years of service in the Madison Metropolitan School District are eligible to use their RHIA.

5. Implementation of SLB/PSLA/RHIA

a. Establishment of the SLB, PSLA and RHIA shall be created for eligible teachers from accumulated sick leave. Each eligible teacher, as described in 2a above shall contribute three (3) days of earned sick leave to establish the SLB. Seventy percent (70%) of the next 100 days, i.e., up to a maximum of 70 days, rounded up to the next whole day, shall be deposited in each eligible teacher's PSLA. The remaining sick leave days, if any, up to a maximum of 120 days, shall be deposited in each eligible teacher's individual RHIA. The above shall be accomplished by the beginning of the 1981-82 school year contingent upon the computerization of the sick leave bank. This would apply to any and all accumulations of sick leave as of August 5 of the year that computerization is completed.

b. Annual Deposits: Annually thereafter, on or about September 1, each eligible teacher shall donate one (1) day to the SLB until SLB maximum of eight (8) days per teacher is reached.

D. Factors Relating to Employment - Personal

a. No deduction of salary is made for absence for the following reasons:

   1) Death in the immediate family not to exceed five days per year for each death in the immediate family; immediate family interpretation for this subsection shall be limited to the following relatives of the employee or his/her spouse.

      a) Father or Mother
      b) Husband or Wife
      c) Child (including foster and step child)
      d) Son or Daughter-in-law
      e) Brother or Sister
      f) Brother or Sister-in-law
      g) Grandfather or Grandmother
      h) Grandfather or Grandmother-in-law
      i) Aunt or Uncle
      j) Aunt or Uncle-in-law
      k) First Cousin

      Any other absence for funeral leave must be approved by the Superintendent of Schools. In the absence of such approval, pay will be deducted.
2) Attendance required by an officer of a court (and/or summoning of a governmental agency such as Internal Revenue or the draft board). Employees who are required to serve on jury duty shall receive full pay from the MMSD during the period of such service. Such employees shall, however, remit to the Board of Education an amount equal to the compensation received for jury duty upon receipt of same.

3) Severe illness in the immediate family requiring the presence of the employee not to exceed five days in any year; immediate family interpretation of this subsection shall be limited to the following relatives of the employee.
   a) Husband or Wife
   b) Child (including foster and step child)
   c) Son or Daughter-in-law
   d) Father or Mother of employee or spouse
   e) Brother or Sister
   f) Brother or Sister-in-law
   g) Grandmother or Grandfather

4) Personal illness leave not to exceed twelve days in any year, except as provided in b. below.

5) Absences not covered in items 1) through 4) may be approved by the Board of Education on recommendation of the Superintendent of Schools.

6) Personal Leave

Five personal leave days shall be permissible as follows:

a) Other related professionals will be permitted to be absent from work responsibilities for any purpose without pay. Such absence will be in at least one half (1/2) day increments and shall be for a reason which necessarily cannot be met outside the work day.

   The employee will be expected to notify his/her supervisor at least three (3) days prior to such absence.

b) Other related professionals will be permitted to be absent for two days per year from work responsibilities for certain purposes without loss of compensation. The purposes will be defined basically as legal reasons, i.e., adoption proceedings, settlement of wills, certain court actions, real estate closings. The employee will be expected to notify his/her supervisor at least three days prior to such absence. The employee will be expected to be absent only as long as necessary. Any legal leave taken by an employee will be deducted from accumulated personal leave.

b. Other related professional employees shall earn and accumulate up to 180 days paid personal illness leave at the rate of 12 days per year, i.e., one day per month for the months of July through June. In accumulating personal illness leave, all absences except absences for a total of 2 days under 2) above and/or for death of mother, father, sister, brother, child or spouse, shall be deducted from the personal illness allowance and remaining personal illness days shall be added to any previously accumulated days on file.
c. An employee earns personal illness leave allowance during a period of personal illness, however, this is subject to the maximum personal illness leave in force.

d. No deduction shall be made from any previously accumulated sick leave for any of the absences covered in Part a. for causes other than personal illness.

e. By October 3rd, the Board of Education shall provide each employee with written notification of his/her accumulated personal illness leave as of the end of the prior school year.

2. Absence Required by Pregnancy and Maternity Leave

a. Pregnancy will be treated as any other temporary medical disability in accordance with the Federal Civil Rights Act of 1964, as amended, and Subchapter II, Chapter III, Wisconsin Statutes. Thus an employee may, with her doctor's consent, work as long as she is physically and emotionally capable of performing her professional duties. The employee shall provide the Director of Employee Services and her Supervisor a physician's statement as to the anticipated date of birth of the child and projected period of temporary disability. Such form, furnished by the Director of Employee Services, is entitled "Physician's Pregnancy Confirmation". An employee absent for such disability is expected to return to her professional duties when medically capable of returning. For the period the employee is considered by her physician to be temporarily disabled due to pregnancy said employee shall be entitled to receive, at her option, compensation and fringe benefits in accordance with the Agreement until said employee's current and accumulated personal illness leave has been exhausted.

b. An other related professional employee may receive, upon request, unpaid maternity leave of absence in conjunction with her pregnancy leave. Such request shall be submitted to the Director of Employee Services. Pregnancy and maternity leave together may not exceed six months; however, such may be extended upon approval by the Director of Employee Services.

c. An other related professional employee on leave without pay may continue insurance benefits provided via this Agreement, if premiums for such coverage are paid monthly in advance to the District by the employee.

3. Educational Release Time

Other Related Professional Employees may be released to pursue education course work during regular work hours with or without pay as approved by the Director of Employee Services, or his/her designee, or may be granted a leave of absence.

4. Holidays

a. Other Related Professional Employees shall be entitled to the following days off with pay or a compensatory day off in lieu thereof. Should an employee be required to work on any of the holidays listed in paragraph b, such employees shall receive double time for hours worked in addition to holiday pay or compensatory time off at a straight time rate. All employees who work in the pay period in which the holiday falls and work their last scheduled shift before, and their first scheduled shift after the holiday, or are off on account of an excused absence, shall be entitled to regular holiday pay.

b. Holidays:

1) New Year's Day; 2) Memorial Day; 3) Independence Day; 4) Labor Day; 5) Thanksgiving Day; 6) Day after Thanksgiving; 7) Christmas Day; 8) Good Friday.
c. Other Related Professional Employees shall be given one-half (1/2) day off on Good Friday afternoon, the day of December 24 and the day of December 31, provided these days fall on Monday through Friday. Should December 24 and December 31 fall on a Saturday or Sunday, the previous Fridays will be days off. Employees who are required to work on any of these above listed days or 1/2 days shall receive extra pay or other days off at a straight time rate.

d. In the event that any of the holidays listed in paragraph b. "1" through "7" fall on a Sunday, the following Monday shall be the declared holiday. If any of the holidays listed in paragraph b "1" through "7" fall on a Saturday or the employee’s scheduled day off, the employees shall be given another day off at a time which is agreeable to the employee and the Department or Division Head.

e. In the event that any employee is on vacation when any of the days listed in paragraphs b or c occur, that employee shall receive equivalent day(s) off at a time agreeable to the employee and the Department or Division Head.

5. Leave of Absence Without Pay

a. Employees may, upon submission of written request to the Director of Employee Services, receive leaves of absence for periods up to six (6) months. Such leave authorization shall be in writing with copies to:

1) the employee; 2) the employee’s personnel file; and 3) the Union. During the first six (6) months leave that may be granted under this provision the employee on leave shall be entitled to return to the position held at the time the leave was granted. Should additional consecutive leaves of absence be granted the employee shall no longer have the right to the job previously held but shall be entitled to return to a vacant position provided that they shall have greater seniority than any other applicant and are qualified.

b. Other related professionals covered by the terms of the leave shall be accorded unused accumulated personal illness leave salary during such leave and disability, and

1) May, at the option of the employee, be paid unused accumulated personal illness leave salary during such disability.

2) Other related professionals on leave without pay may continue insurance benefits provided, via this Agreement, if premiums for such coverage are paid monthly in advance by the employee to the District.

6. Snow Days or Emergency Situations

Should there be extreme weather conditions causing a "snow day" each employee is expected to arrive at his work station as scheduled. Tardiness on such days not to exceed one hour will be permitted without penalty. Tardiness in excess of one hour will result in the employee losing pay for the period of tardiness in excess of the first hour. Tardiness or absence from work for a period in excess of one hour may be compensated by the employee’s request in writing to the Employee Services to use vacation or compensatory time.
State Teachers' Convention

a. When the Wisconsin Education Association and the American Federation of Teachers state conventions are scheduled on different dates, the certified bargaining agent for the employees employed by the Board of Education shall designate, subject to legal limitations, which convention is to be the official convention.

b. An Other Related Professional who does not attend the official convention shall work in his/her assignment at professional work.

c. Other Related Professionals may, at their option, attend other appropriate professional conventions/conferences as determined by the parties to this Agreement so long as such consume no more than three days. Such, if so utilized will be in lieu of the days set forth for attendance at the WEAC and/or SWEIO Convention(s).

d. No more than three (3) days per year are provided for convention purposes.

8. Vacation

a. Other related professional employees shall be provided 20 days of vacation allowance per year.

b. Employees shall be entitled to use vacation during the year in which it is earned. Unused vacation credits may not be accumulated and used in a subsequent year unless agreed by Employee Services.
