A. CONFERENCE AND NEGOTIATION

1. 2. The Board of Education and Madison Teachers each recognize its legal obligation imposed by Section 111.70 of the Wisconsin Statutes to meet for the purposes of negotiating in good faith at reasonable times in a bona fide effort to arrive at a settlement on questions of wages, hours and conditions of employment. Without limiting this legal obligation, the parties to this agreement agree as follows:

a. All terms initially proposed to be negotiated for the contract period commencing October 16, 1985 shall be submitted to the duly authorized agent of the other party in writing and according to the timetable set forth in this Agreement. The limitation of initially proposed items for negotiation to those in written form and in accordance with the attached timetable shall not prevent the unilateral introduction of new items by either party from time to time during the period of negotiation.

b. Timetable - All items initially proposed for negotiations shall be presented as follows:

1) The presentation of initial proposal for the succeeding Agreement shall be made on or about the 45th day prior to the expiration of the Agreement and shall be open to the public. Subsequent sessions shall be closed unless the parties mutually agree otherwise.
2) Ideally, agreement by the agents should be reached by October 1 preceding the expiration of the contract at whichsuch time ratification by the principal parties will be considered. At such time as the Agreement is reached, the economic benefits agreed upon will be retroactively provided teachers to the beginning of the then current school year.

c. Each party to this agreement desiring to be represented by agents for negotiating agrees to furnish to the other party a list of its duly authorized agents for such purposes. Each party agrees to negotiate only with said agents and no others, including their principals, namely, the Board of Education or Madison Teachers, as the case may be, unless the latter as principals authorize negotiations with others or themselves.

d. If matters which are proper subjects of negotiations are brought, whether in the form of a grievance, petition or otherwise, to the attention of either of the parties to this agreement by any individual, group of individuals or organization other than the other party to this agreement or its duly authorized agents, such latter party shall be punctually informed of such action.

e. Each party to this agreement, at its own expense, may utilize the service of legal counsel, professional negotiators and other such expert persons, as well as clerical assistants, at negotiations.

f. The Board of Education agrees to furnish to Madison Teachers, upon reasonable request, all available public information concerning its financial resources.

h. Madison Teachers recognize the legal obligation of the Board of Education to give to each teacher employed by it a written notice of renewal or refusal of his or her contract for the ensuing school year on or before March 1 of the school year during which said teacher holds a contract, pursuant to Section 118.22 of the Wisconsin Statutes. Preliminary notice shall be given at least 15 days prior should the Board be considering non-renewal. Such teachers have five days from the date of receipt of such notice to request a conference. In the event an agreement concerning wages, hours and conditions of employment has not been reached by the Board of Education and Madison Teachers by the date teacher contracts are given to said teachers, all such contracts shall be governed by the terms of any agreement concerning wages, hours and conditions of employment for said ensuing year subsequently reached by the parties to this agreement.

II - Procedure - B

B. GRIEVANCE PROCEDURE

1. The Board of Education and Madison Teachers Incorporated each recognize the legal right of any individual employee or any minority group of employees at any time, within the following terms, to present grievances to their employer in person or through representatives of their own choosing and the corresponding legal duty of the employer to confer with them in relation thereto, provided that Madison Teachers has been afforded the opportunity to be present in conferences concerning grievances and that any adjustment resulting from such conferences is not inconsistent with the conditions of employment established in any procedures, policies or agreements then in effect between the parties to this Agreement. Without limiting the preceding legal right and duty, the parties to this Agreement agree as follows:

2. The following grievance procedure is designed to insure prompt consideration and appropriate solution of grievances as hereafter defined at the lowest possible administrative level.
3. Definition:

a. A "Grievance" is defined to be a dispute concerning the interpretation or application of any of the terms of any "written" agreement establishing salaries, hours, or other conditions of employment for the employees of the Board of Education for whom Madison Teachers is the collective bargaining representative. Aggrieved parties may be Madison Teachers or any such employees.

b. "School Day" used herein shall mean weekdays during the summer months.

4. The time limits indicated at each level of the Grievance Procedure shall be considered maximum. However, the time limits may be extended or reduced in any case by mutual agreement, in writing, signed by the duly authorized representatives of the Board and Madison Teachers. If denied at a specific level, grievances not appealed to the next level within the prescribed time limits shall be considered withdrawn.

5. An aggrieved party must submit to the principal the alleged grievances within sixty (60) days after the aggrieved party knew of the act or condition on which the grievance is based, or the grievance will be deemed waived. If the act or condition reoccurs, the time limits will be renewed.

6. The procedural steps for Madison Teachers shall commence at Level 3. Organizational (Class) Grievance: Madison Teachers must submit the alleged grievance within sixty (60) days after Madison Teachers knew of the act or condition on which the grievance is based, or the grievance will be deemed waived. If the act or condition reoccurs the time limit will be renewed.

LEVEL 1:

a. An aggrieved party shall identify the grievance and attempt to resolve same through discussion with the principal or supervisor either by himself or with a representative of Madison Teachers or anyone else of his own choosing.

LEVEL 2:

a. If the grievance is not settled, Madison Teachers Incorporated may then act on behalf of the aggrieved party or the teacher, acting on his own, shall submit a written grievance giving a clear and concise statement of the facts to the principal.

b. Within ten (10) school days after receiving the written grievance the principal or supervisor shall deliver the written answer to the aggrieved and the Executive Director of Madison Teachers. The answer shall be reasonably clear and concise and shall contain the reasons therefore. Should the response not be made within the above period, the grievance will automatically proceed to the next level.

LEVEL 3:

a. Should the matter remain unresolved at the conclusion of Level 2, then Madison Teachers and only Madison Teachers may present grievances in writing on behalf of an aggrieved party or itself to the Superintendent or his designee.

b. The Superintendent or his designee shall meet with a representative of Madison Teachers within ten (10) school days from the date of receipt of the written grievance in an attempt to resolve same. The meeting shall be at a time and place mutually acceptable.

c. The Superintendent or his designee shall respond in writing within ten (10) school days after the aforementioned meeting to the Executive Director of Madison Teachers and the aggrieved party. The answer shall be reasonably clear and concise and shall contain the reasons therefore. Should the response not be made within the above period, the grievance will automatically proceed to the next level.

d. Any grievance not so referred to Level 3 within fifteen (15) school days after the receipt of the Level 2 answer shall be considered withdrawn.
e. Grievances initiated by Madison Teachers on behalf of bargaining unit members as a class or in an organizational grievance are commenced at this level of the procedure. Grievances as a result of alleged action/inaction by a principal/immediate supervisor and affecting only one teacher will be filed at Level 1. Grievances as a result of alleged action/inaction by a principal and affecting only teachers in that principal’s school building will also be filed at Level 1.

LEVEL 4:

a. To the extent the grievance remains unresolved at the conclusion of Level 3, Madison Teachers may call for compulsory, final, and binding arbitration. Said call must be within fifteen (15) school days after the receipt of the answer at Level 3.

If mutually agreeable between the parties to this contract, the Wisconsin Employment Relations Commission shall appoint an arbitrator from their staff upon receipt of the letter.

b. If it is not mutually agreeable to utilize the Wisconsin Employment Relations Commission to arbitrate the matter, a copy of the letter calling for arbitration shall be forwarded by Madison Teachers to the Wisconsin Employment Relations Commission with a request for the names of five (5) arbitrators from which the parties may select a mutually acceptable arbitrator to hear and decide the issue. A copy of this letter shall be sent at the same time to the Board of Education. Said arbitrator shall be selected within five (5) school days after receiving suggestions from the Wisconsin Employment Relations Commission. Each party shall have the right to alternately strike two names from the list with the aggrieved party striking first. Madison Teachers and the Board of Education may then add one (1) representative to make a three (3) member arbitration panel. If the aggrieved party chooses to have a representative on the panel they must do so within five (5) school days after the neutral arbitrator is selected. The other party has five (5) school days to name a representative to the panel following the receipt of notice naming the aggrieved party’s representative.

c. Each party shall be responsible for any costs which might arise from the employment of its own appointee, and the two parties agree to share equally the costs arising from the employment of the arbitrator mutually selected and all other costs of the arbitration proceedings.

d. The decision of the arbitration panel shall be final and binding on all parties except as forbidden by law and shall be rendered within thirty (30) days following the final day of hearings or receipt of briefs, whichever is later. Any brief not postmarked on or before the date set by the parties at the conclusion of the arbitration hearing as the date for submission of briefs shall not be considered or accepted by the arbitrator and shall be returned to the party submitting same with a letter of transmittal. The other party shall receive a copy of the letter of transmittal.

7. Employment Complaint - An "Employment Complaint" is a complaint founded upon some incident of the employment relation not covered by any agreement between the parties to this Agreement but which involves a question of salaries, hours or other conditions of employment. Such complaints shall be processed through Level 3 only of the above grievance procedure upon presentation by an aggrieved party.

6. Recommendation that a teacher cross an improvement level of salary schedule is made in accordance with the following:
   a. The principal or supervisor submits to the Division of Employee Services a review and evaluation of the teacher's performance during the years of employment in the current improvement level bracket, and recommends that the teacher be or not be advanced to the next improvement level bracket.

   c. Notification shall also be sent to the President and to the Executive Director of Madison Teachers unless the teacher requests in writing that such action not be taken. Should the teacher choose not to notify Madison Teachers a copy of his/her request will be sent to the Executive Director of Madison Teachers by the principal or supervisor involved.

7. No professional advancement credits or academic credits earned previous to the first day of teaching service in the Madison Metropolitan School District are accepted for improvement level purposes on the salary schedule.

8. Academic credits earned prior to employment in the Madison Metropolitan School District may be accumulated for horizontal transfer placement (track transfer) purposes on the salary schedule.

12. Credits which a teacher earns during a period of non-employment which follows a resignation are not consumed upon subsequent re-employment.

13. All credits for improvement level purposes are consumed when an improvement level is crossed; however, all credits earned can be accumulated for horizontal Track transfer where such credits can be applied. Evidence of such credits must be received in the Office of the Division of Employee Services no later than 5:00 p.m., October 15 to effect a retroactive adjustment in the teacher's salary for the first semester and no later than 5:00 p.m., February 1 to effect a retroactive adjustment in the teacher's salary for the second semester. 18. In totaling days taught for increment purposes, the same method of counting shall be employed as issued by the Business Services Office for State Teachers Retirement reporting.

Schedule increments (Salary schedule level advancements) shall reflect a teacher's year(s) of teaching experience as calculated below. Such shall be either full or half increments and are made annually. Teachers who are passed-over for the annual increment because of their failure to earn sufficient credits shall re-gain proper placement to reflect their years of service at such time as such credits earned are sufficient to warrant new placement. However, in such replacement the teacher shall have no claim to monies lost in the interim. The replacement provision will become operative with the commencement of the 1977-78 school year. One-half increment is earned by teaching .3 or more time, but less than .7 for the full school term or by teaching full-time 60 days or more but less than 120 days. Any combination of tenths and days must equal the limits stated above.

In modular schedule schools full-time is established at 75 mods of twenty minutes length or the equivalent. .3 time - .7 time is defined as more than 22 assigned mods but less than 52 mods except for the full school term. The 60-120 day employment period applies to a full assigned 75 mod schedule.

One-half increments are normally one-half the scheduled increment except at improvement levels where one-half increment becomes 2.5% less than the full increment scheduled.

19. Credits from other colleges, especially those on the quarterly basis, are accepted on their rated value as determined by policies of the University of Wisconsin. Credits not acceptable to the University are not acceptable to the Salary Committee, except in such instances as the Superintendent shall rule them especially applicable and, therefore, acceptable.
20. When the salary of a teacher falls between the stated salaries as listed in the schedule, the teacher shall advance at the regularly scheduled increment except that such scheduled increment shall not permit the passage of unwarranted improvement levels or exceed the final salary on the schedule.

21. Any teacher who shall be assigned to teach an additional class beyond the full teaching load (5 classes per day, or 4 classes plus a study hall, or any combination thereof, or 75 mods per week in schools using modular scheduling) shall receive an additional 14% of his/her regular contract salary for the school year. For classes in addition to the above noted standard (that in parentheses) but less than five per week, the extra compensation shall be pro-rated.

22. The location of improvement levels and incentive levels is shown in "Salary Schedule".

23. Annual written notification of the number of credits required to cross an improvement level shall be noted on each individual teacher's contract.

O. REDUCTION IN STAFF

1. Seniority

   a. Regular or Title Contract Teacher

      1) Seniority except as noted below, within the Madison Metropolitan School District is established by the total years of continuous service as a teacher in the District under regular or title contract with such calculation commencing with the first day for which compensation was paid to the teacher by the District followed by continuous service. An approved leave of absence, for up to two (2) years, shall not constitute a break in seniority.

      A layoff for up to three (3) years, shall not constitute a break in seniority.

      2) For teachers employed prior to 5/24/77, seniority shall be established by the total years of continuous service as a teacher
in the District with such calculation commencing as of the first (1st) day taught followed by continuous service. An approved leave of absence, for up to two (2) years, shall not constitute a break in seniority. A layoff for up to three (3) years, shall not constitute a break in seniority.

3) For teachers employed prior to 8/1/76, seniority shall be established as of the first (1st) day taught while employed by the District. A teacher, who was initially employed prior to 8/1/76 and who resigned his/her employment with the District, but who is subsequently re-employed after 10/16/78, shall have his/her seniority commence with the first day for which compensation was paid to said teacher by the District followed by continuous service. An approved leave of absence, for up to two (2) years, shall not constitute a break in seniority. A layoff for up to three (3) years, shall not constitute a break in seniority. If a teacher is re-employed before 10/16/78 his/her seniority shall be established as of the first (1st) day taught while employed by the District.

b. Temporary contract teachers

Teachers who are newly employed after August 23, 1977 under temporary contract and who subsequently are employed for the school semester immediately following the temporary contract period, under either regular or title contract, shall have their seniority date established commencing the first day compensated under temporary contract. Teachers who were employed during the 1976-77 school year under temporary contract and who were subsequently employed under temporary contract for the first semester of the 1977-78 school year, will be considered new employees per the above (IV-O-1-b).

c. No teacher shall receive credit toward his/her seniority based on temporary contract employment except as per IV-O-1-b.

d. Seniority for school nurses shall be established as of the first day worked while employed by the District, followed by continuous service. An approved leave of absence for up to two (2) years, shall not constitute a break in seniority. A layoff for up to three (3) years shall not constitute a break in seniority. The seniority date for any school nurse who was previously employed as a nurse by the City of Madison and was assigned to work within the Madison Metropolitan School District shall have his/her seniority established within the District as the first day worked for the City, with all other criteria contained in sub-section IV-O-1(d) above applicable.

2. Assignment to Surplus Pool.

a. A "surplus teacher" is defined as any teacher presently teaching on a regular full time or regular part time contract who has been declared by their principal to be above staff requirements. Surplus declarations shall be made on the following basis:

1) Elementary and Middle Schools

Teachers shall be declared surplus in the inverse order of seniority, as defined above, except where the instructional requirements of the school are disrupted. It is understood that in making the necessary adjustment in assignments within a school after declarations of surplus that prior experience, certification, seniority and qualifications of the remaining school staff will be duly considered.

2) High Schools

Teachers, within a department, shall be declared surplus based upon inverse seniority, as defined above, and certification.

b. When it becomes necessary to declare a teacher(s) surplus, volunteers shall first be requested. If no volunteers are available or if there is an insufficient number of volunteers, then the principal shall declare teacher(s) to be Surplus Teachers in the manner as set forth above. Should a person volunteering to be surplus result in the remaining teachers being uncertified to teach the remaining
assignments, the principal shall not be bound to accept the volunteer as surplus.

c. Declarations of surplus must be made by July 1 for the ensuing school year or the fall semester of the ensuing school year and by December 1 for the spring semester of the school year.

d. Any teacher(s) declared surplus under the provisions herein shall be provided written notice of same by the date set forth in (c) above. Notice(s) shall also be sent, on a timely basis, to the Executive Director of Madison Teachers by the Director of Employee Services regarding such declaration of surplus.

3. Reassignment From Surplus Pool

Teachers who have been declared surplus shall be permitted to declare their preference(s) for reassignment to position(s) for which they are certificated by listing same with as much specificity as the teacher desires, i.e., instructional level, attendance area, school, grade or grade combination, subject area. The District shall make every reasonable effort to assign surplus teachers to vacant positions in accordance with their preference(s) on or before 30 days prior to the first day of compensation for the school year/December 15 (for the second semester), provided, of course, such vacancies become available.

The District shall not be obligated, however, to make reassignments in accordance with such preference(s) after 30 days prior to the first day of compensation for the school year or December 15 for the second semester, or under the following circumstances.

1) Where a part-time teacher prefers reassignment to a full-time position, and where the honoring of such preference for reassignment would cause the District the inability to assign the remaining full-time surplus teachers due to a lack of available full-time vacancies, or the inability to assign the remaining part-time surplus teachers to available part-time vacancies.

2) Where a teacher has been declared surplus in a given subject area, but prefers reassignment to another subject area for which that teacher also happens to be certified, and where the honoring of such preference for reassignment would cause the District the inability to assign the remaining surplus teachers to available vacancies due to their certifications.

Preference(s) for said reassignment shall be based upon seniority in the Madison Metropolitan School District among those surplus teachers with prior experience in the grade level and/or department and/or program in the available vacancy. Should the teacher have no preference(s) among the available vacancies, said teacher may be reassigned in accordance with Section IV-E (Involuntary Transfer) to any position for which they are certificated. Full-time teachers shall not be reassigned to positions which are less than full time. For teachers holding part-time contracts, every reasonable effort shall be made to reassign them to positions of at least the same percentage of contract currently held.

Teachers from the surplus pool who get reassigned to positions which were formerly held by teachers on sabbatical leave or medical leaves of absence, shall be returned to the surplus pool for reassignment pursuant to the procedure set forth herein, upon return of the teacher from leave to his/her former position.

Teachers shall have the right to refuse assignment from the surplus pool to Shabazz/City High School and/or the Work and Learning Center without jeopardizing their contract rights or seniority provided however if all qualified teachers refuse the assignment, the District shall assign the most qualified certified individual to fill the vacant position.

4. Layoff

a. If the District determines to reduce the number of "teachers" employed by the District for the ensuing school year, such reduction shall occur as follows: The Board may release the necessary number of teachers, by providing them with notice of layoff on or before ten
(10) school days before the last day of school. However, such action can only be taken via the inverse order of seniority, as defined above, within the instructional level, grade level or subject area. A teacher, who is laid-off as herein set forth shall be permitted to replace (bump) the teacher with the least seniority in a position for which she/he is certificated. A teacher who replaced (bumped) another teacher shall be actually assigned to the position into which the teacher bumped; however, the teacher who bumps in the position shall remain subject to transfer under the terms and conditions of the Collective Bargaining Agreement. Twenty percent (20%) of the positions subject to layoff may be excluded from the layoff procedure in order to accommodate the District's Affirmative Action Program. Such twenty percent (20%) shall not be less than five (5) persons. The latter provision may be implemented at any time the minority population of this Collective Bargaining Unit falls below the community norm.

The Superintendent shall select from among those certificated teachers, with appropriate certification, in relation to the vacancy who have the same Seniority and who are eligible for layoff pursuant to the above.

The District shall provide in writing to MTI the information it used in making layoffs pursuant to this subsection 4(a) at the same time the teachers are provided with notice of layoff. Within fifteen (15) days of receipt by MTI of said information, the District and MTI shall meet for the purpose of reviewing the information and procedures used by the District in making the layoffs, if such a meeting is requested by MTI. Alleged violations of this subsection 4(a) may be processed through Section II-B (Grievance Procedure), with such grievances commencing at Level 3 of the procedure.

b. Recall - Any additional employment by the District following the layoff will be first offered to those previously laid-off in the order of seniority of those on layoff status, should they still wish to resume employment in the Madison Metropolitan School District provided they hold proper certification for the position. A laid-off teacher shall be entitled to recall for a period of three (3) years from the date of the notification of layoff, unless said teacher thereafter affirmatively notifies the District annually by May 1 that he/she wishes to remain on the recall list.

1) An "overload" assignment must first be offered, on the basis of seniority, to those teachers on layoff who hold certification appropriate to teach classes contractually provided for as "overloads".

2) The District shall have the option, based upon the needs of the District, to increase the percentage of contract of those currently employed under part-time contract or to assign teachers on lay-off under such circumstances.

3) Of those teachers on layoff status, a full-time teacher may refuse any offer of employment as a teacher with the District at less than a full-time contract and still retain recall rights for future offers of employment. A part-time teacher on layoff may refuse any offer of employment as a teacher with the District on a full-time contract basis and still retain recall rights for future offers of employment. However, a part-time teacher on layoff who refuses any offer of any part-time employment as a teacher with the District forfeits all recall rights for future offers of employment. A full-time teacher on layoff who refuses any offer of any full-time employment as a teacher with the District forfeits all recall rights for future offers of employment. However, a full-time teacher on layoff may refuse any offer of employment for teaching positions in certification areas in which he/she has not taught during the last three years and still retain, via this Recall Procedure, rights for future offers of employment.

4) Teachers who get recalled to positions which were formerly held by teachers on sabbatical leave or medical leave of absence will be placed in the surplus pool for reassignment pursuant to the
terms of this Section IV-O should the teacher on such a leave return to teaching after the expiration of his/her leave. Should the teacher temporarily vacating the position not return to his/her former assignment, the teacher reemployed from the layoff list who fills such assignment shall continue in that assignment.

c. A teacher, while on layoff, may, at his/her option, be placed in the substitute pool.

1. The school year shall be 192 days (38.4 weeks) and is delineated for teachers in their first year in Madison as follows:

   a. Required attendance days for teachers during the first year of employment ........................................ 186 days

   c. Paid legal holidays that do not fall in a scheduled vacation period (Labor Day, Thanksgiving Day and Memorial Day) ......................................................... 3 days

   TOTAL ........................................ 192 days

2. Teachers beyond their first year of employment in Madison have 183 days of required attendance to which the 3 paid convention, 3 paid legal holidays and 3 voluntary days are added, totalling 192 paid days. The paid voluntary attendance days are defined as the days shown as "new teachers" day in the appended daily calendar.

3. The distribution and identification of the required attendance days is outlined in the calendar. Special inservice days, parent teacher conferences, exam schedules, recording days, and/or other special days, are included in the 192 days total and are announced by building principals acting under guidelines established by the Superintendent of Schools.

   a. The schedule of the first three days of school is as follows:

      1) A.M. Kindergarten will be dismissed one hour early.

      2) Grades K-5 will operate on a regular Monday schedule. This provides for a one-hour early dismissal in the afternoon.
3) The regular time schedule will be assumed the third day.

4) Full day schedules will be in effect in Middle and High Schools.

b. The last Friday afternoon of the first semester and the last morning of the final calendar day of the second semester are utilized for recording and reporting days by the teacher. Students are not present during these sessions.

b. Teachers shall be compensated for such day in their regular monthly payroll check. However, if it is necessary to extend the school year to enable the District to qualify for state aid, because of school being closed due to inclement weather, power failures or other circumstances, then the school year may be extended to a maximum of two days. Such days will be the week days immediately following the final day of the calendar of the school year. Any extension necessary beyond the two days noted above will be determined by mutual agreement between MTI and the District.

VI - Factors - Personal - A

1. Commencing with the beginning of the 1984-85 school year a new teacher shall be advanced ten days sick leave at the time of hire. A teacher who has had sick leave advanced under this provision shall not be able to earn sick leave during the first year of employment. Thereafter, sick leave is earned at the rate of one (1) day per payroll period for each teacher provided that the teacher receives pay for one-half or more of the days included in the payroll report period. Sick leave is not advanced. Sick leave may not be used prior to the time it is earned.

2. Staff members employed to teach in the six weeks summer school sessions will earn one day sick leave. This shall be cumulative with their regular sick leave. These teachers may also use sick leave accumulated during the regular school term during the summer school session. However, a day of sick leave during the summer session shall consume a full day of accumulated sick leave. No other summer employment qualifies for sick leave benefits.

3. The following absences will be without loss of salary provided an adequate balance exists in the teacher's personal sick leave account.

F. TAX DEFERRED ANNUITY

Employees, upon written request to the Secretary of the Board of Education, may participate in a group tax deferred annuity program of their choice from plans authorized by the Secretary and on file in the School District's Business Services Department. New agents wishing to market tax deferred annuity programs must apply to the Secretary for authorization to solicit employees. In order to be considered and approved, an agent must be licensed in Wisconsin and maintain an office and residence in the Madison Metropolitan Area (or be affiliated with a licensed company with an office located in the Madison Metropolitan Area). The School District reserves the right to reject any new company for which additional services are required by such company's operating procedures beyond those provided for companies already authorized. The following rules shall govern said annuity programs:

1. There shall be no solicitation of employees during working hours by the authorized agents.

Employees in said school may then complete an application requesting individual presentation. Such meetings may be held only after the contracted teaching day.

This provision may be invoked if the number of participating companies reaches thirty (30) and it is determined that the provision is necessary for efficiency of operation.

For employees paid bi-weekly, a deduction will be made from each paycheck with the exception of those employed on a 10-month basis. Such employees will have deductions from each check except the four bi-weekly payrolls during the summer. The School District shall deduct the authorized amount from each participant's regular salary check and forward such directly to the company.

9. Employees transferring into the Madison Metropolitan School District who have been enrolled in a tax deferred program in another school system may be permitted to continue said program with the approval of the Secretary of the Board of Education subject to the provision noted in #4 above.

10. New enrollments are permitted anytime during the calendar year if the proper form is filed with the Secretary of the Board of Education. Forms must be received by the School District at least twenty (20) working days prior to a paydate in order for deductions to begin.

11. The Madison Metropolitan School District rules for making a change are as follows:

   a. One change in a salary reduction agreement (either an increase or a decrease) is permitted each calendar year. This may be accomplished at anytime during the calendar year but the proper form must be received by the School District at least twenty (20) working days prior to a paydate on which the change in deduction is to be implemented.

   b. If a tax sheltered annuity program is begun during a calendar year, no other change is permitted for the remainder of that year. Also, for a program starting on January 1, no other change may be made for the remainder of that year.

   c. For employees who have been in a tax deferred annuity program for at least one calendar year (or a partial calendar year following first enrollment), one and only one change is permitted from January 1 through December 1. For example, a participant could make a change effective in October each calendar year with no other changes permitted. Another might choose to make a change in January each year.
d. A salary reduction agreement may be stopped during a calendar year at anytime if the proper form is submitted to the School District at least twenty (20) working days prior to a paydate on which the deduction is to be stopped. A new agreement may be started in a subsequent calendar year.

12. Employees eligible to participate in the State Teachers Retirement System may participate in the Teachers Retirement tax deferred annuity program in addition to one tax deferred private company annuity program if they so desire. If two programs are selected, the salary reduction agreements for both programs must be combined to determine if the total is within the legally allowable maximum deposit. (Those not eligible for participation in the State Teachers Retirement System may participate in only one tax deferred annuity program approved by the Secretary of the Board of Education.)

1. Definitions:

a. Long Term Disability, hereinafter referred to as LTD, is an income protection insurance program provided under this Agreement.

b. Disability, as reported by a physician and defined by the LTD Insurance Contract.

c. Sick Leave, shall mean earned personal illness leave. The sick leave days remaining at the end of any school year shall be known as "earned" and "accumulated" sick leave. Same shall be accumulated in accordance with Section VI-A, except as modified by this Section VII-H.

d. Personal Sick Leave Account, hereinafter referred to as PSLA, is an individual teacher's accumulation of sick leave days which may be used for any disability up to a maximum of fifty-five (55) sick days or for any reason(s) as authorized by this Agreement, except as herein modified.

e. Sick Leave Bank, hereinafter referred to as SLB, is defined as a reserve of sick leave days, beyond any individual accumulations, which is deposited by teachers for use by any eligible teacher as defined herein, during periods of extended disabilities.

f. Retirement Health Insurance Account, hereinafter referred to as RHIA, is an account established from unused sick leave days for the sole purpose of providing health and life insurance coverage as provided by this Agreement, at no cost to the retiring teacher and his/her eligible dependents.

2. Sick Leave Bank

a. Eligibility: Teachers will participate in the SLB after their first year of employment with the Madison Metropolitan School District.* Teachers who are returning to teaching in the Madison Metropolitan School District after a termination will participate in the SLB beginning in their first year after returning to the Madison Metropolitan School District. Participation in the SLB is mandatory for all eligible teachers.

* Sick leave deposits made by part-time teachers shall be on a pro-rata basis. However, such deposits shall be accounted for in the SLB on a full-term basis. Teachers on approved leave shall not be assessed sick leave for deposits in the SLB.

b. Balance: The minimum SLB balance for the first year of operation shall be established by the rules governing initial deposits into the SLB as described herein. The maximum SLB balance shall be equal to eight (8) days per eligible teacher for any year in which the SLB is in operation.

c. Deposits:

1. Three (3) sick leave days per eligible teachers, as defined above, shall be deposited in the SLB upon the establishment of said bank. Annually thereafter, on September 1, one (1) sick leave day per eligible teacher shall be deposited in the SLB until the maximum SLB balance as defined above is reached. Such deposits cease when said balance is reached to the nearest one year deposit. When the SLB drops below the minimum balance as defined above, one (1) sick leave day per eligible teacher shall be deposited into the SLB.

2. The above-mentioned deposits shall be made from each eligible teacher's "accumulated" and "earned" sick leave days. Sick leave days which are deposited in a manner set forth above are nonrefundable. Upon death or resignation of a teacher, twenty-five (25) percent of said teacher's unused PSLA and Retirement Health Insurance (RHIA) shall be deposited in the SLB.
d. Withdrawals:

1. Eligible teachers may request the use of sick leave days from the SLB for any medically approved disability as defined herein for which the teacher is expected to be off work for more than fifteen (15) consecutive work days. Before receiving sick leave day(s) from the SLB, however, such teachers must first have exhausted their individual PSLA or utilized fifty-five (55) days of sick leave from the PSLA, whichever comes first. Requests for use of sick leave from the SLB shall be made in writing by the teacher when capable and/or his/her representative to the Benefits Manager of the Madison Metropolitan School District and shall be accompanied by said teacher's doctor report identifying the teacher's disability and the anticipated length of such disability. Withdrawals shall not exceed forty (40) consecutive work days.

2. The Benefits Manager of the Madison Metropolitan School District shall notify the teacher on a timely basis if his/her SLB withdrawal request has been approved or disapproved.

e. Appeal Procedure: A SLB withdrawal request which is denied by the Benefits Manager may be appealed to the Superintendent of Schools by the teacher so denied or if the teacher desires, by MTI on behalf of said teacher. Should the Superintendent sustain the action of the Benefits Manager by denying said appeal, MTI may appeal such denial as per the grievance procedure contained in this Agreement, Section II-B.

f. Notification and Reporting:

1. A copy of any denial as described above shall be sent by the Benefits Manager to the teacher so denied and to the Executive Director of Madison Teachers Incorporated at the time of such denial.

2. Thirty (30) days following the completion of one year of SLB operation and annually thereafter the Benefits Manager of the Madison Metropolitan School District shall send to the Executive Director of Madison Teachers Incorporated a report showing SLB usages and balances for the operating year.

g. The Employee Services Department shall administer the SLB per the terms set forth herein.

3. Personal Sick Leave Account - Accumulation

a. A teacher may accumulate a maximum of seventy (70) days in his/her PSLA (the purpose is so that fifteen (15) days may be reserved after the first 55 days are used). Such accumulation shall be according to the procedures contained in this Agreement except as herein modified.

b. If, in any school year a teacher uses more personal illness leave days than are earned, such days used shall be deducted from his/her PSLA, in addition to days used in making required deposits into the SLB pursuant to this Section VII-H. If the teacher's PSLA is exhausted, the teacher may withdraw sick leave days from the SLB in accordance with the procedures set forth herein.

4. Retirement Health Insurance Account

a. Balance: Sick leave days which are not deposited in either the SLB or in a teacher's PSLA and which are in excess of maximums established for same shall be deposited, up to a maximum of one-hundred twenty (120) days, in the teacher's RHIA. Immediately upon retirement, 25% of the teacher's PSLA balance will be transferred to his/her RHIA to a maximum of 120 days. All such sick leave days in the teacher's RHIA shall then be converted into a dollar amount based upon the teacher's daily rate at the time of his/her retirement. Seventy-five (75) percent of said amount shall be applied to future premium payments commencing at the time of retirement for health and/or life insurance coverage in effect at the time of the teacher's retirement. Such premiums will be paid up to the last month in which the full premiums
can be paid with the teacher's RHIA balance, realizing that the total number of such months may be reduced as a result of an increase in premium rates. In the event a new health insurance program is established for teachers employed by the Madison Metropolitan School District, retired teachers shall be eligible to participate in same with their premiums being paid from their RHIA.

b. Eligibility: Teachers who retire after reaching age 55 and who have 10 years of service in the Madison Metropolitan School District are eligible to use their RHIA.

5. Implementation of SLB/PSLA/RHIA

a. Establishment of the SLB, PSLA and RHIA shall be created for eligible teachers from accumulated sick leave. Each eligible teacher, as described in 2a above shall contribute three (3) days of earned sick leave to establish the SLB. Seventy percent (70%) of the next 100 days, i.e., up to a maximum of 70 days, rounded up to the next whole day, shall be deposited in each eligible teacher's PSLA. The remaining sick leave days, if any, up to a maximum of 120 days, shall be deposited in each eligible teacher's individual RHIA. The above shall be accomplished by the beginning of the 1981-82 school year contingent upon the computerization of the sick leave bank. This would apply to any and all accumulations of sick leave as of August 5 of the year that computerization is completed.

b. Annual Deposits: Annually thereafter, on or about September 1, each eligible teacher shall donate one (1) day to the SLB until SLB maximum of eight (8) days per teacher is reached.
