AGREEMENT

THIS AGREEMENT, entered into by and between the **Associated General Contractors of Illinois**, hereinafter called the *Association*; and Laborers' Local #703 (Champaign) and Laborers' Local #159 (Decatur) of **The Southern and Central Illinois Laborers' District Council**, hereinafter called the *Union*.

ARTICLE 1 PURPOSE

In entering into this Agreement, it is the mutual desire and primary intent of the parties hereto to provide orderly collective bargaining relations and prompt and equitable disposition of grievances, to maintain fair wages, hours and other conditions of employment, to prevent strikes and lockouts, and to respect the legitimate rights and interests of management and labor, the construction industry and the general public.

The masculine gender has been used in this Agreement to facilitate ease of writing and editing and therefore the masculine gender shall include the feminine gender. Wherever any words are used in this Agreement in the masculine gender, they shall be construed as though they were also used in the feminine or neuter gender in all situations where they would so apply. Wherever any words are used in this Agreement in the singular form, they shall be construed as though they were also used in the plural form and wherever any words are used in the plural form, they shall be construed as though they were also used in the singular form in all situations where they would so apply.

ARTICLE 2 RECOGNITION

The Union recognizes the Association as the agent for collective bargaining for all Employers performing work covered hereunder who have so authorized the Association.

The Association recognizes the Union as the exclusive agent for purposes of collective bargaining with respect to wages, hours, and other terms and conditions of employment for all Laborer employees performing work which is within the jurisdiction of the Union and is covered by this Agreement, excluding the supervisory forces, clerical employees, technical employees, timekeepers, superintendents, master mechanics, or general foremen in charge of all classes of labor.

ARTICLE 3 SCOPE OF AGREEMENT

Section 1. Geographical Scope. This Agreement covers the following counties in the State of Illinois:

*Champaign, Clark, Coles, Cumberland, DeWitt, Douglas, Edgar, Macon,
Moultrie, Piatt, Shelby and Vermilion*

Section 2. Types of Construction Covered:

This Agreement covers all highway, heavy and utility construction such as described below, but does not cover building construction work.

This Agreement includes, but is not limited to, construction of private and public improvements such as roads, subways, tunnels, sewers, lift stations, disposal plants, alleys, streets, bridges, culverts, grade separations, subdivisions, airports, canals, levees, pavement, water mains, purification plants, pipelines, distribution and service lines, locks, docks, dams, clearing, telephone ducts, golf courses, and demolition work incidental to heavy or highway contract.

**ARTICLE 4
MANAGEMENT RIGHTS**

The Employer retains the right to manage its operations and direct the work forces; to be the judge of the number of employees required on any work; to assign employees as in the Employer's judgment the operations may require.

The Employer may discharge or lay off employees as it sees fit, provided no employee is discharged or discriminated against because of Union activities.

It is understood and agreed that when working in the jurisdiction of The Southern and Central Illinois Laborers' District Council, Highway District #5, signatory contractors shall have the right to direct Laborers to perform work as assigned.

**ARTICLE 5
MAINTENANCE OF STANDARDS**

The Union agrees that it will not willingly permit any organized laborer to work on any project or classification mentioned in Article 3, in any of the above-set-out counties for anyone at lesser rate of wages. The Union shall use all honorable and peaceful means to see that all work is done at a scale of wages not less than those set forth in this Agreement. Honorable and peaceful means shall include a legal picket. It shall not be a violation of this Agreement for any employee to refuse to work behind a legal picket line.

**ARTICLE 6

All present employees who are or become members of the Union shall remain members as a condition of their employment. All present employees who are not members of the

Union, and all employees who are hired hereafter, shall become and remain members of the Union as a condition of such employment, after seven (7) days following the beginning of their employment or the effective date of this contract, whichever is the later, as authorized in Section 8(a)(3) of the Labor Management Relations Act of 1947, as amended, and Section 705 of the Labor Management Reporting and Disclosure Act of 1959. Upon written notice from the Union notifying the Employer of the failure of any employee covered by this contract to complete or maintain his membership because of non-payment of dues and initiation fees, the Employer shall, within twenty-four (24) hours of such notice, discharge said employee; provided further that no Employer nor the Union shall discriminate against any employee to whom membership was not available on the same terms and conditions generally applicable to other members of the Union, or if the membership was denied the employee for reasons other than the failure of the employee to tender the periodic dues and initiation fees uniformly required as a condition of acquiring membership. The Construction Craft Laborer is recognized as an apprenticeshipable craft and all new members must make application through the Apprenticeship Program.

ARTICLE 7 REFERRAL PROCEDURE

Section 1. The Employer shall obtain applicants for employment through the Referral Office of the Union in accordance with the non-discriminatory provisions governing the operation of the Union's Referral Office as set forth herein, and as provided for in the Amended Job Referral Rules, and said employment shall be granted regardless of race, creed, color, sex, age, national origin, religion, disability, Vietnam-era veterans, disabled Veterans, or any other characteristic protected by law.

When an Employer calls the Referral Office for Laborers, they shall be dispatched in a non-discriminatory manner as follows:

- (1) Registration and referral of applicants shall be on a non-discriminatory basis, and shall in no way be affected by Union membership, bylaws, rules, regulations, constitutional provisions or any other aspect or obligation of Union membership, policies or requirements.
- (2) The Referral Office shall maintain the following lists on which persons in the Highway and Heavy construction industry may register for referral any time during the hours the Referral Office is open for registration of applicants.

- (5) The Employer shall recognize the Union's Referral Office in the geographical area covered by this Agreement.

Section 2. An applicant seeking a referral to a job must file with the Local Union a signed and dated referral form providing name, telephone number and social security number stating skills the member possesses and the jobs the member is able to perform, including any relevant licenses, certifications, and the designated Local Union geographical jurisdiction applicants are willing to work in. Blank referral forms will be available at the Local Union. The Local Union will compile an out-of-work list, consisting of the members who have registered their availability for referral. The Local Union may confirm any prior employment, licenses, or certifications listed by the member.

In dispatching, the Referral Office shall dispatch those on List A provided there are any in the classification called for by the Employer who are registered and available for work and thereafter those on List B provided there are any in the classification called for by the Employer who are registered and available to work and thereafter, those on List C provided there are any in the classification called for by the Employer who are registered and available to work.

All registrants shall be dispatched in accordance with their experience and ability in the construction industry, i.e., the most experienced and able first, which experience and ability is established by the written statement of the registrant, such registrant having the right to submit any dispute to the Joint Arbitration Board, as set up in this Article, Section 9. The name of the registrant so dispatched shall be stricken from the list if the job to which the registrant is dispatched lasts long enough for the dispatched registrant to receive five (5) days' pay at straight time if employed.

Section 3. If an applicant is incapacitated by illness or injury and upon appropriate substantiation, hours worked in the previous (12) twelve months prior to incapacitation, shall be used to determine referral list eligibility.

Section 4. Employers may request former employees for referral to a job or project in writing and the Referral Office shall refer said former employees to the job or project, provided they are properly registered applicants in the Referral Office, are available for employment at the time of request, and have been employed by the requesting Employer under the terms of this or previous agreements in the geographical area of the Referral Office within twenty-four (24) months prior to the request; and provided further, that no employees shall be laid off or discharged to make room for such employees.

Section 5. The Employer retains the right to reject any job applicant referred. The Employer shall have the right to determine the qualifications of employees and shall have the right to hire and discharge for cause accordingly. Hiring of employees shall be on a non-discriminatory basis, and shall in no way be affected by Union membership, bylaws, rules, regulations, constitutional provisions or any other aspect or obligation of Union membership, policies or requirements.

Section 6. The Employer, in requesting referrals, shall specify to a Union (a) the number of employees required, (b) the location of the project, (c) the nature and type of construction, demolition, etc., involved, (d) the work to be performed, and (e) such other information as is deemed essential by the Employer in order to enable the Referral Office to make proper referral of qualified applicants.

Section 7. If a registrant, referred for employment in regular order, refuses to accept such referral for employment, the registrant's name shall be placed at the bottom of the list. Neither the Union, its agents, nor the Referral Office undertakes or assumes any

obligation to locate or search for any applicant whose name appears on the registration or referral lists, if such applicant is not available when referrals are made.

Section 8. In the event that the referral facilities maintained by the Union are unable to fulfill the request of an Employer for a qualified employee within twenty-four (24) hours after such request for referral is made by such Employer (Saturdays, Sundays, and holidays excepted), the Employer may employ applicants directly. In such event, the Employer shall notify the Union Office of the name(s) of the person(s) employed and the date of hiring. Such notice shall be given within forty-eight (48) hours of the hiring.

Section 9. In the event that any applicants shall claim discrimination, they may, within ten (10) days following the occurrence of the event that constitutes the basis for the applicant's claim, file with the parties so charged, a written complaint clearly and specifically setting forth the discrimination charges. The other party shall be notified immediately and given a copy of the complaint. A board consisting of a representative for the Employer and a representative of the Union and an impartial chairman appointed by the Employer and the Union jointly, shall consider the complaint, and within three (3) days, render a decision and settlement, which shall be final and binding recognizing the individual responsibility of the Union and the Employer. The Board is authorized to make and issue procedural rules for the conduct of its business, but it is not authorized to add to, subtract from, or modify any of the provisions of this Article, and its decisions shall be in accord with the Labor Management Relations Act, as amended.

Section 10. Signatory contractors shall be permitted to transfer two (2) key men between the Local Unions in The Southern and Central Illinois Laborers' District Council as the second (2nd) and fourth (4th) men per project. Key men must have a minimum of six (6) months work experience with The Southern and Central Illinois Laborers' District Council. Any additional number of key men shall be determined in a pre-job conference or an agreement between the Employer and the Business Representative of the Union.

(A) There shall be unrestricted movement of concrete specialists between Local Unions in The Southern and Central Illinois Laborers' District Council except when the Employer has brought the second person as a key man in which case the Local Union where the work is being performed has first right to provide the concrete specialist if it has any available.

Section 11. It is understood and agreed that any employee covered by an Employer under the terms of this Agreement may continue in the employment of that Employer at any location or on any project within the jurisdiction of the referring Local Union without going through the hiring procedure again so long as his employment is continuous whether or not such continuing employment results in displacement of another employee.

Section 12. It is understood and agreed by and between the parties hereto that upon sixty (60) days written notice sent by registered mail, given by one of the parties to the

other party prior to any yearly anniversary date of this Agreement for changes in the Referral Procedure as contained in this Article, the parties agree to meet, discuss and negotiate for changes.

Section 13. This shall in no way be construed to invalidate or modify in any manner any other part or section of this Agreement. It is further agreed that the liability of the Employer who accepts, adopts or signs this Agreement, or a facsimile thereof, shall be several and not joint, and the liability of the Laborers' Local Unions who accept, adopt, or sign this Agreement, or facsimile thereof, shall be several and not joint.

ARTICLE 8 REPORTING AND SHOW-UP TIME

Section 1. When an Employer orders a certain number of Laborers and these Laborers appear on the job or shift at the time requested, then they must be put to work or be paid two (2) hours' show-up time.

Section 2. When an employee employed on a job finishes his day's work, and returns to work on the following day, he shall be allowed two (2) hours' show-up time, unless he has been notified the day before that there would be no work.

Section 3. It is agreed, however, that the Employer will not be required to pay the show-up time as enumerated in Sections 1 and 2 on account of bad weather, equipment breakdown or for conditions beyond the control of the Employer. The Employer agrees to call employees at least one (1) hour before starting time if no work will be available for said day.

Section 4. If the employee is not to report to work because of weather, he shall be notified not less than one (1) hour before starting time. If work is shut down after start because of weather or equipment breakdown, the Laborer shall be paid actual hours worked or a minimum of two (2) hours.

Section 5. Members of this bargaining unit shall be paid not less than two (2) hours pay if they report to work. If they are on the job over two (2) hours they shall receive four (4) hours pay. The employee shall remain on the job unless released by the Employer's supervision. If a job is shut down for reasons other than the weather or equipment breakdown, the employee will receive not less than four (4) hours pay.

ARTICLE 9 WORKDAY, WORKWEEK, OVERTIME, SHIFT WORK AND HOLIDAYS

Section 1. Eight (8) Hour Schedule. Five days of eight hours each from Monday 7:00 a.m. until Friday 4:30 p.m. will constitute a regular forty (40) hour workweek, excepting

work that must be performed according to specifications, all work necessary previous to or after starting major crew or machinery, which shall be performed at the regular rate. All time worked before the regular scheduled starting time and after the regular scheduled quitting time shall be paid at the overtime rate of one and one-half (1 1/2) times the regular rate. A full half-hour lunch period shall be given near the midpoint of the shift. No man shall be required to work more than five (5) hours without a full half-hour lunch period. Any employee who is required to work more than five (5) hours without his lunch period, and who has not had his lunch shall receive a full half-hour and shall be paid the overtime rate. No man shall be required to work more than six (6) hours without a full half-hour supper period or a half-hour's pay.

If it is mutually agreed between the representatives of the Union and the Contractors, the starting time can be advanced to eliminate working in the heat of the day or for some unusual operating condition.

Section 2. Ten (10) Hour Day Schedule. Where not prohibited by law, and upon forty-eight (48) hour notification to the Union, the Contractor may choose the option of working four (4) ten (10) hour days, Monday through Thursday, at straight time. Overtime is to be paid at the rate of one and one-half (1 1/2) times the basic wage rate for all hours worked over ten (10) in a day or over forty (40) in a week. There will be no pyramiding of overtime in this Agreement. In the event inclement weather or equipment breakdown causes a loss of time during those four (4) days, Friday may be used to make up the remaining hours. Hours in excess of forty (40) hours for the workweek will be paid at the applicable overtime rate.

The Employer agrees that when using this option it shall be for the duration of the job or until the Employer notifies the Business Agent, one (1) week in advance, that the Employer elects to return to a five (5) day, eight (8) hour schedule for the duration of the job, and cannot be changed again unless mutually agreed upon by the Business Agent and the Employer.

Section 3. Shift Work. A joint agreement must be reached between the Employer and the Union before a job can be classified as a shift job. It shall not be less than a minimum of five (5) days.

If an emergency situation should arise, both parties shall have a mutual agreement on the shift hours.

Where two or more shifts are worked, five (5) days of seven and one-half (7 1/2) hour shifts, from Sunday midnight to Friday midnight, shall constitute a regular week's work. The pay for a full shift period shall be a sum equivalent to eight times the basic hourly rate and for a period less than the full shift shall be the corresponding proportional amount that the time worked bears to the time allocated to the full shift period. Any time worked from Friday midnight to Saturday midnight, or in excess of regular shift hours shall be paid

for at one and one-half (1 1/2) times the basic rate of wages.

Special Shift. With prior notification by the Employer to the Business Manager of the Local Union, if a special shift is required by an owner and/or if the Employer needs to perform work which cannot be performed during regular working hours, employees may work a special shift and receive \$1.50 an hour over base rate for eight (8) hours work plus thirty (30) minutes unpaid lunch after the fourth hour. No employee may work on a special shift if he has performed bargaining unit work that day during the regular working hours. The Employer's request for this special shift must include the starting date, the approximate number of employees involved and the estimated conclusion date. Other terms and conditions may be agreed to between the Business Manager and the Employer.

Section 4. Holidays. Double time shall be paid for all work performed on Sunday and the following seven holidays:

New Year's Day	Memorial Day
Fourth of July	Thanksgiving Day
Labor Day	Christmas Day
Veteran's Day (to be celebrated the day after Thanksgiving)	

Furthermore, if a holiday falls on a Sunday, it shall be celebrated on the following Monday.

ARTICLE 10 DISPUTE PROCEDURE

There shall be no strikes or lockouts during the term of this Agreement except as expressly provided for in violation of Articles 13 and Article 22. Any dispute (other than jurisdictional) that may arise between the parties hereto, or any particular Employer or Local Union covered by this Agreement, which cannot promptly and satisfactorily be resolved by this agreement, shall be resolved in the following manner.

1. A committee consisting of four members - two appointed by The AGC of Illinois, and two appointed by The Southern and Central Illinois Laborers' District Council - shall meet and hear and consider the matter, and, in good faith and to the best of their ability attempt to reach a majority decision on the merits of the dispute, which decision shall be final and binding.

2. In the event that the Committee fails to reach a majority decision within a brief and reasonable period of time, the AGC of Illinois and The Southern and Central Illinois Laborers' District Council shall mutually select an impartial umpire, who shall conduct a hearing and shall issue an award, which shall be dispositive of the dispute and shall be final and binding.

3. The fee and expenses of the impartial umpire shall be shared equally by the parties to the dispute.

4. Jurisdictional disputes may be resolved in accordance with Section 10 (K) of the National Labor Relations Act, as amended.

ARTICLE 11 FOREMAN

Section 1. It is agreed that all Laborer Foremen designated by the Employer shall be members in good standing for no less than six (6) months of the Local Union for which work is being performed.

Section 2. A Laborer Foreman will be designated when five (5) or more Laborers are required on any given crew. When the crew requires twelve (12) or more Laborers, a second Laborer Foreman will be designated. When the crew requires eighteen (18) or more Laborers, a third Laborer Foreman will be designated. When a crew requires three (3) or more Laborer Foremen, one shall be designated as General Foreman. When there are eighteen (18) or more Laborers working under the General Foreman, the General Foreman's duties will be strictly confined to supervision.

Section 3. Laborer Foremen shall receive seventy-five cents (\$.75) per hour more than the highest paid Laborer under their supervision.

Section 4. When three (3) or more Foremen are required, one shall be appointed General Laborer Foreman and shall receive seventy-five cents (\$.75) per hour more than the highest paid Laborer under his supervision.

Section 5. The Superintendent shall consult with the Laborer Foreman in the placing of Laborers on any work covered by this Agreement

ARTICLE 12 PAYMENT OF WAGES, WAITING TIME

The Contractor shall pay the employees once every week on the regular weekly payday established by the Contractor. The employee shall be paid immediately on payday or be paid the current wage rate for such time he is required to wait. The payday shall be in cash or payroll check and the Contractor shall not hold back more than five (5) days to make up the payrolls.

If an employee is laid off or discharged, and the employer does not have facilities at the job site to prepare payroll checks, the employer shall mail the employee's paycheck to the home address provided to the employer on the next business day, excluding weekends

and Holidays.

When payday falls on a holiday, the employees shall be paid on the day before such holiday, prior to quitting time.

If there is no work on payday, the paychecks shall be given to the employees by 12:00 noon.

The Contractor shall maintain and furnish a record of hours worked, overtime, deductions, etc.

ARTICLE 13 WAGE RATES, CONTRIBUTIONS AND DEDUCTIONS

Section 1. Each Employer agrees to make the contributions set forth in Addendum A and to accept the terms and conditions of the Trust Agreements establishing the following funds provided said Trust Agreements and Plans are established and maintained in compliance with Section 302(c) of the Taft-Hartley Act, ERISA, other applicable laws, and provided that such Funds receive and maintain a tax qualified status with the Internal Revenue Service:

It shall be the obligation of the Local Union Business Manager to get signed authorizations from the employees for such deductions. The Employer will not be requested to make such deductions except from the employees who have, by written consent, authorized same.

If an Employer fails to pay into the above-said funds, the arbitration procedure herein provided for shall become inoperative and the Union shall be entitled to resort to all legal and economic remedies, including the right to strike and picket until such failure to pay has been corrected.
