AGREEMENT MADE AND ENTERED INTO by and between THE BOARD OF EDUCATION OF THE CITY SCHOOL DISTRICT OF THE CITY OF NEW YORK (hereinafter referred to as the "Board") and BOARD OF EDUCATION EMPLOYEES, LOCAL 372, DISTRICT COUNCIL 37, AMERICAN FEDERATION OF STATE, COUNTY and MUNICIPAL EMPLOYEES, AFL-CIO (hereinafter referred to as the "UNION").

WHEREAS, the Board has voluntarily endorsed the practices and procedures of collective bargaining as a peaceful, fair and orderly way of conducting its relations with its employees insofar as such practices and procedures are appropriate to the special functions and obligations of the Board, are permitted by law and are consonant with the paramount interests of the school children, the school system and the public; and

WHEREAS, the Board, on March 8, 1962, adopted a Statement of Policies and Practices with Respect to Representation of Pedagogical and Civil Service Employees for Purposes of Collective Bargaining with the Board of Education (hereinafter referred to as the "Statement of Policies"); and

WHEREAS, pursuant to the Statement of Policies and pursuant to the provisions of the Public Employees Fair Employment Act (Chapter 392 of the Laws of 1967 as amended by Chapter 24, 391 et seq. of the Laws of 1969), in a secret ballot election conducted among employees in the titles of Family Worker, Family Assistant, Family Associate and Parent Program Assistant, in Programs to Strengthen Early Childhood Education in Poverty Areas, Prekindergarten Classes in Poverty Areas, and More Effective Schools, to determine which labor organization they wished to represent them in collective bargaining with the Board, the Union received a majority of votes
and the Board issued a Certificate of Exclusive Bargaining Status to the Union on January 21, 1970; and

WHEREAS, after an appropriate showing of majority representation, the Board also certified the Union on April 6, 1971, as the representative of employees in these same titles in programs other than programs to Strengthen Early Childhood Education in Poverty Areas, Prekindergarten Classes in Poverty Areas, and More Effective Schools; and accordingly the Union became the exclusive bargaining representative of all employees in these titles; and

WHEREAS, the Board and its designated representatives have met with the representatives of the Union and fully considered and discussed with them, in behalf of the employees in the bargaining unit, changes in salary schedules, improvement in working conditions, and machinery for the presentation and adjustment of certain types of complaints; it is agreed as follows:
ARTICLE I
UNION RECOGNITION

The Board recognizes the Union as the exclusive bargaining representative of all employees employed in the titles of Family Worker, Family Assistant, Family Associate, Parent Program Assistant and Family Auxiliary (CETA), which is equated to the title of Family Worker. These persons and each of them are hereinafter referred to variously as "employees" or "employee," as "employees (or employee) in the bargaining unit," or "employees (or employee) covered by this Agreement," or "paraprofessional" or "paraprofessionals."

During the term of this Agreement should the Board employ a new title or category of employees having a community of interest with employees in an existing bargaining unit described herein, employees in such new title or category shall be included within the existing unit, and upon request of the Union the parties shall negotiate the terms and conditions of employment for such new title or category of employees; but nothing contained herein shall be construed to require re-negotiation of terms and conditions of employment applicable to employees in the existing bargaining unit as a result of the Board's redesignation of the title or category of employees in the unit.

Nothing contained herein shall be construed to prevent any Board official from meeting with any employee organization representing employees in this bargaining unit for the purpose of hearing the views and proposals of its members, except that, as
to matters presented by such organizations which are proper sub-
jects of collective bargaining, the Union shall be informed of the
meeting and, as to those matters, any changes or modifications
shall be made only through negotiation with the Union.

It is understood that all collective bargaining is to be
conducted at Board headquarters level. There shall be no negoti-
ations with the Union or with any other employee group or
organization at the school or any other level.

Nothing contained herein shall be construed to prevent any
individual employee from (1) informally discussing a complaint
with his immediate superior or (2) processing a grievance in
his own behalf in accordance with the complaint and grievance
procedures hereinafter set forth in Article XX.

Nothing contained herein shall be construed to deny to any
employee his rights under Section 15 of the New York Civil
Rights Law or under applicable civil service laws and regulations.
ARTICLE II
FAIR PRACTICES

The Union agrees to maintain its eligibility to represent all employees by continuing to admit persons to membership without discrimination on the basis of race, creed, color, national origin, sex or marital status and to represent equally all employees without regard to membership or participation in, or association with the activities of, any employee organization.

The Board agrees to continue its policy of not discriminating against any employee on the basis of race, creed, color, national origin, sex, marital status or membership or participation in, or association with the activities of, any employee organization.

WELFARE FUND and IN-SERVICE/CAREER TRAINING

A. WELFARE FUND and EDUCATIONAL PROGRAM

1. Effective January 1, 1976, the Board will provide funds at the rate of $350.00 per year on a pro-rata basis per month during the regular school year on behalf of each employee covered by this Agreement, whether a member of the Union or not, for the purpose of making available for each such employee supplemental welfare benefits, under a plan to be devised and established jointly by the representatives of the Board and of the Union.

2. Effective January 1, 1976, the Board will provide additional funds at the rate of $20.00 per year per employee whether a member of the Union or not, on a pro-rata basis per month during the regular school year for the purpose of making available monies for in-service/career under a plan to be devised and established jointly by the representatives of the Board and of the Union.

3. Effective July 1, 1977, the Board will continue to make payments for supplemental benefits at the rate of $370.00 per year on a pro-rata basis per month during the regular school year for ninety days from the day of layoff on behalf of each laid off employee.

4. Subject to a separate agreement between the Board and the Union, the Union shall be entitled to receive such separate contributions as may be provided in this agreement for welfare, training, and legal service benefits as a single contribution to be paid by the employer into a trustee Administrative Employee Benefit Fund. Such contributions shall be held by the trustees of that Fund for the exclusive purpose of providing, through other trustee funds, welfare, training, and legal services benefits for the employees so covered as well as any other benefits as the Board and the Union may agree upon. The Board shall continue to have the right to review and approve the distribution of funds to, and the level of, benefits provided by the Fund or individual funds.
B. IN-SERVICE/CAREER TRAINING

It is the joint purpose of the parties that employees in the bargaining unit be afforded an opportunity to qualify for advancement to professional positions with the Board of Education through experience and through appropriate undergraduate in-service/career training at an accredited college. To achieve this purpose, the Board will make available each school year to all employees covered by this Agreement, six semester hours of career training each semester and six additional semester hours of career training during the summer, each semester hour being equivalent to one credit, and it is further agreed that:

1. School-Year Training

   a. The Board will grant each college semester to bargaining unit employees having a work program of 27-1/2 hours per week released time of 2-1/2 hours per week with pay for study at an approved college or for high school equivalency training, provided that in that semester the employee is enrolled for and completes a total of at least five semester hours of such study or training.

   b. The Board will grant each college semester to bargaining unit employees having a work program of 30 hours or more per week released time of three hours per week with pay for study at an approved college or for high school equivalency training, provided that in that semester the employee is enrolled for and completes a total of at least six semester hours of such study or training.

   c. The Board will grant each college semester to bargaining unit employees having a work program of 25 hours per week released time of two hours per week with pay for study at an approved college
or for high school equivalency training, provided that in that semester the employee is enrolled for and completes a total of at least five semester hours of such study or training.

d. Employees in the bargaining unit having a work program of 20 hours per week will be paid for an additional two hours per week for time spent during a college semester in approved college study or high school equivalency training, provided that the employee is enrolled for and completes in the semester a total of at least four semester hours of such study or training.

2. Summer Training

a. In the summer the Board will make available to all employees covered by this Agreement having a high school or high school equivalency diploma, a six-week college summer career training program. For those employees not having a high school or high school equivalency diploma, the Board will make available a six-week high school equivalency summer in-service/career training program.

b. The Board will pay a stipend of $40.00 per week to each employee who regularly works 27-1/2 hours per week during the spring semester or who is recalled from layoff to such an assignment during the spring semester for satisfactory attendance in the summer in-service/career training program.

The Board will pay a stipend of $40.00 per week to each employee who regularly works 30 hours per week during the spring semester or who is recalled from layoff to such an assignment during the spring semester for satisfactory attendance in the summer in-service/career training program.
c. Employees who work for the Board of Education while in attendance in the summer in-service/career training program shall not receive the stipend.

d. Effective with the summer of 1977, a paraprofessional who enrolls in the high school equivalency summer in-service/career training program for two summers and does not pass the examination shall not be eligible for the stipend in the succeeding summers for the high school equivalency summer in-service/career training program.

e. The stipend for satisfactory attendance in the college in-service/summer career training program shall be paid to employees who enroll for six credits during the summer.

3. Other Provisions

a. Paraprofessionals who enroll for and complete at least three semester hours of study or training during the Fall 1976 and/or Spring 1977 semesters shall be reimbursed the difference, if any, between their tuition and fees for such study or training and the amount of tuition assistance received by them or on their behalf.

b. Beginning with the Summer 1977 in-service/career training program, the following shall apply:

1. Paraprofessionals must enroll for and complete at least three credits of study during each semester in which they enroll in the program.

2. Paraprofessionals must apply for available tuition assistance applicable to the semester in which they are enrolled in the in-service/career training program, provided that, in so doing,
the cost of the program to the Board will be reduced. The amount of tuition assistance received by paraprofessionals or on their behalf shall be paid to the Board.

3. The Board shall provide $140.00 per semester for each enrollee in the college in-service/career training program, provided that the paraprofessional makes a good faith effort to complete the course or courses in which he is enrolled.

4. Unless there are extenuating circumstances, the Board shall be entitled to recover from a paraprofessional who fails to apply for tuition assistance, except when he is excused from applying under the terms of paragraph 2 above, or who fails to complete the course or courses in which he is enrolled, the amount of the expenses incurred by the Board and attributable to the incompleted course or courses, or attributable to the failure to apply for the tuition assistance.

5. The Union shall administer the in-service/career training program. However, the Board shall maintain the right of access to any and all information and facilities as may be necessary to insure compliance with this Agreement.
ARTICLE IX
OPPORTUNITY FOR SUMMER WORK

Summer work at their regular schedule of hours which may be available in their titles in the district shall be given to applicants in the bargaining unit in order of seniority.

For the purpose of this Article, seniority is defined as length of service as a paraprofessional employee in the bargaining unit in the district.

Summer work shall be paid at the rates specified in Article III.

ARTICLE X
HEALTH INSURANCE

A. The Board will provide employees covered by this Agreement who regularly work 20 hours or more a week from September through June and who return to work the following September with health insurance coverage on a 12-month basis.

B. Effective July 1, 1977, employees who are laid off and who are covered by a health and hospital insurance plan at the time they are laid off shall continue to be so covered for ninety days from the day on which they are laid off, and the Board will pay the full cost of such coverage.
ARTICLE XI

SICK LEAVE

a. Employees will be granted one-day's sick leave with pay for each month of work during the regular school year. Unused sick leave shall be cumulative from month to month during the school year and from year to year up to a maximum of 145 days.

b. Employees whose sick leave allowance is exhausted shall have the right to apply to the Personnel Board to borrow against future sick leave in accordance with applicable administrative regulations.

c. Information on accumulated sick leave will be given to each employee, in writing, once a year.

d. Paraprofessionals serving in schools shall not suffer loss of sick leave days for absence due to illness from the following children's diseases: rubeola measles), epidemic parotitis (mumps), and varicella (chicken pox). It is understood that this paragraph does not apply to rubella (German measles).

e. Employees with two years of service who leave for reasons of illness shall, subject to approval of the Medical Board, be entitled to return within one year on the basis of seniority and shall regain the seniority and other rights they had before leaving.

f. Employees who work during the summer will be granted one day of sick leave with pay for each month of work or major portion thereof. Sick leave days so earned are cumulative from month to month during the summer. Unused sick days earned during the summer shall be carried over to the regular school year up to the 145 day maximum.

g. Sick leave may be used in units of one hour.
ARTICLE XII
LAYOFF AND RECALL

A. Definitions

Seniority shall be defined as length of service as a paraprofessional employee in the bargaining unit in the district or in the case of high schools in the borough.

Should there be any program operated under the purview of the City Board (other than high schools or Special Education), a separate city-wide seniority list shall be established for that program for the purposes of layoff and recall.

An "available position" as used herein is a new or vacant position or the position of a paraprofessional on leave.

Employees who have served as School Aides, Film Inspection Assistants or Hourly School Lunch Helpers, and who are accepted for positions covered by this Agreement in the same district or borough (if a high school) shall be credited with their accumulated seniority in their previous titles up to one year for purposes of layoff and recall only.

B. Layoff and Excessing

In the event of layoff of employees in the bargaining unit because of lack of work, the employee with the least seniority in the district, or in the case of high schools in the borough, shall be selected for layoff except that an employee who would otherwise be laid off on the basis of seniority may be retained only if and so long as he is performing duties which no other more senior employee is qualified to perform.

When two or more employees with an identical seniority date in the bargaining unit are scheduled for layoff or recall, a lottery
drawing shall be held to determine selection of the employee to be laid off. The Union representative shall be present at the lottery drawing. Only one such lottery drawing shall be necessary to determine seniority for the list.

If the need should arise to excess employees from one location to another, the employee or employees selected for that action will be the employee or employees with the least seniority in the district, or in the case of high schools or special education, in the borough, from the group of employees in the location where the excessing is to take place.

C. Recall

Recall of employees who are laid off because of lack of work shall be made to available positions in the bargaining unit in the district, or in the case of high schools in the borough, on the basis of greatest seniority except that:

(1) Available positions as Parent Program Assistant shall be offered first to employees who had the title of Parent Program Assistant at the time of layoff on the basis of greatest seniority in that title, and

(2) An employee with less seniority may be recalled if he is required to perform duties that a more senior employee on layoff is not qualified to perform.

D. Retention of Seniority

An employee in the bargaining unit who is laid off because of lack of work and who is recalled within four years shall regain the seniority he had and shall be credited with the accumulated
sick leave to which he was entitled at the time he was laid off.

An employee who is not recalled within four years shall be con-
sidered terminated.

E. Notice of Layoff

Employees and the Union will be given ten working days notice
of layoff except for compelling reasons. The Union will be given
twenty working days notice of a mass layoff at a school except
for compelling reasons.

F. Exceptions to this Article, based on qualifications, shall
have the prior approval of the Community Superintendent or for the
high schools of the appropriate Assistant Superintendent. Grievances
arising out of such exception shall be appealable directly to Step
3 of the expedited grievance procedure. If a grievance arising from
such exception is appealed to the Grievance Panel, such appeal shall
take precedence over all other scheduled appeals.

G. If the Community Superintendent or the Executive Director of
the Division of High Schools approves such exception specifically
for the purpose of layoff or recall of a more or less senior
employee that employee shall file a Step 3 grievance within two days
of knowledge of that decision and the Board of Education shall
schedule a hearing and render a decision within four school days.
If the Step 3 award is unsatisfactory to the employee an arbitration
hearing will be scheduled and a decision rendered within ten calendar
days.

H. Temporary Assignment

Employees who are laid off in a district shall be considered
for temporary employment in programs operated centrally before any
new employee is hired in such programs, until they are recalled.
Upon being recalled to their district they shall regain only the
seniority they had when they were laid off.

Lists of laid off employees will be disseminated to the
districts.
ARTICLE XIII

POLICY CONCERNING APPLICATIONS FOR POSITIONS

A. Employees may apply for positions in the bargaining unit in schools within the district, or in the case of high schools and Special Education schools in the borough, other than the one in which they are serving. An employee with more than the equivalent of one school term of continuous service who applies in writing for an opening will be interviewed and, if deemed qualified, will be given preference over applicants outside the school system or employees on layoff for employment in another school.

An "opening" is a vacancy created by the termination or transfer of a regularly employed employee or a new position to the work location or a position in a newly constructed work location, except that openings created by a transfer shall not be subject to the posting requirements of this Article and shall be available only to those employees who have an existing application for transfer to the school in question on file with the District office, or for High schools with the Division of Personnel, and for Special Education with the Division of Special Education.

Exceptions to this Article, based on qualification must have the prior approval of the Community Superintendent or for high schools of appropriate Assistant Superintendent. Grievances arising out of such exception shall be appealable directly to Step 3 of the expedited grievance procedure. If a grievance arising from such exception is appealed to the Grievance Panel, such appeal
shall take precedence over all other scheduled appeals.

In the event two or more employees are eligible for an opening, the employee with the earliest date of application will be given preference.

All openings in the district shall be posted in each school in the district for seven school days.

B. Employees in the bargaining unit are to be given consideration for filling vacancies in Instructor of Addiction positions.
ARTICLE XIV

DAMAGE OR DESTRUCTION OF PROPERTY

A. Employees shall not be held responsible for loss of school property when such loss is not the fault of the employee. This does not exonerate the employee from responsibility for school property in his charge.

B. The Board will reimburse paraprofessionals for loss or damage or destruction, while on duty in a school or district office, of personal property of a kind normally worn to or brought into a school or district office. Paraprofessionals will also be reimbursed for loss or damages or destruction, while on official duty on field assignments, of personal property of a kind normally worn or carried on duty when such loss results from force or violence reported to the police.

Reimbursement will be limited to a total of $100.00 in any school year; will only be made when the paraprofessional has not been negligent; and will be granted to the extent that such loss is not covered by insurance.

The term "personal property" shall not include cash. The terms "loss," "damage" and "destruction" shall not cover the effects of normal wear and tear and use.
ARTICLE XV

ASSAULT AND INJURY IN LINE OF DUTY

A. Disability Benefits

A leave of absence with pay and without charge to time allowance, for a period not to exceed one calendar year, shall be granted, subject to established administrative practices, upon the determination of the Chancellor that the employee has been physically disabled because of an assault made upon him during the performance of his official duties, or because of injury in the line of duty.

B. Assistance in Assault Cases

1. The principal shall report as soon as possible but within 24 hours to the Office of Legal Services and to the Chief Administrator of School Safety that an assault upon a paraprofessional has been reported to him. The principal shall investigate and file a complete report as soon as possible to the Office of Legal Services and to the Chief Administrator of School Safety. The full report shall be signed by the paraprofessional to acknowledge that he has seen the report and he may append a statement to such report.

2. The Office of Legal Services shall inform the paraprofessional immediately of his right under the law and shall provide such information in a written document.

3. The Office of Legal Services shall notify the paraprofessional of its readiness to assist the paraprofessional as follows: by obtaining from police and from the principal relevant information concerning the culprits;
by accompanying the paraprofessional in court appearances; and by acting in other appropriate ways as liaison between the paraprofessional, police and the courts.

This assistance is intended solely to apply to the criminal aspects of any case arising from such assault.

4. Should the Office of Legal Services fail to provide an attorney to appear with the paraprofessional in Family Court, the Board will reimburse the paraprofessional if he retains his own attorney for only one such appearance in an amount up to $40.00.

5. An assaulted paraprofessional who presses charges against his assailant shall have his days of court appearance designated as non-attendance days with pay.
EXCUSABLE ABSENCES WITH PAY

Employees will be excused with pay as follows for absence during working hours subject to established administrative practices:

1. Absence not to exceed four working sessions in the case of death in the immediate family. The Personnel Board may excuse additional absence when such absence is necessary because of the attendance at the funeral of a relative in the immediate family at a place remote from the City of New York. The term "immediate family" includes a parent, child, brother, sister, grandparent, grandchild, husband, wife or parent of a husband or wife, or any relative residing in the employee's household.

2. Absence for Jury Duty: the employee excused for jury duty shall endorse the check for services rendered as a juror to the Administrator of Business Affairs. Otherwise there shall be deducted from his salary an amount equal to the sum he is entitled to receive from the appropriate governmental agency for his performance of such jury duty.

3. Absence of no more than one session for each of the following purposes: receiving a degree from a college or university; attending the graduation of an employee's child from an eight-year elementary school, or from a junior high school, or from a high school or from a college. Absence for attendance at graduations which occur during working hours only will be excused.
ARTICLE XVII

An employee with two or more years of service who leaves for reasons of maternity and returns to employment in the district within two years shall regain the seniority she had at the time she left, and shall be credited with the accumulated sick leave to which she was entitled at the time she left less the sick days used while on absence for maternity.

Employees shall be covered by the regulations governing leaves of absence for maternity and/or child care for members of the administrative (non-pedagogical) staff.

Employees with two or more years of service who leave for reasons of illness shall, subject to approval of the Medical Board be entitled to return within one (1) year on the basis of seniority and shall regain the seniority and other rights they had before leaving including such accumulated sick leave as was not used for the illness from which they return. Employees with two (2) or more years of service who leave for reason of illness in the immediate family shall be entitled to return within one (1) year on the basis of seniority and shall regain the seniority and other rights they had before leaving including such accumulated sick leave as was not used prior to the leave of absence. For the purpose of this paragraph the term "immediate family" includes a parent, child, spouse, or parent of a spouse.
All applications pursuant to the foregoing provisions of this Article shall be forwarded to the Personnel Board for approval with proper medical documentation attached.

B. An employee with three or more years of service who leaves for approved study and returns to employment in the district within one year shall regain the seniority he had at the time he left and shall be credited with the accumulated sick leave to which he was entitled at the time he left.
ARTICLE XVIII
RETIREMENT CREDIT

The Board will adopt a resolution recommending to the Teachers' Retirement Board and to the Board of Education Retirement System that employees in the bargaining unit who become teachers in the New York City school system and members of the Teachers' Retirement System of the City of New York or who become administrative employees in the Board of Education and members of the Board of Education Retirement System be given pension credit for their prior service with the Board as paraprofessional employees.

The Board will recommend to the Mayor that employees in the bargaining unit who become eligible for membership in a retirement system of any mayoral or other city agency be given pension credit for their prior service with the Board as paraprofessional employees.
ARTICLE XIX

SAFETY

Paraprofessionals will be covered by the safety plan developed for the school and by the appeal procedures as described below.

The principal shall render his decision within 24 hours after receiving the complaint.

If the paraprofessional is not satisfied with the decision of the principal, he may appeal in writing as promptly as possible to the community superintendent or the assistant superintendent, as may be appropriate.

The community superintendent or assistant superintendent shall render his decision in writing to the paraprofessional within 24 hours after receiving the appeal.

If the paraprofessional is not satisfied with the decision of the community superintendent or assistant superintendent, he may appeal in writing to the Chief Administrator of School Safety and request a hearing, as promptly as possible after receiving the decision of the community superintendent or assistant superintendent.

The Chief Administrator of School Safety shall render his decision in writing to the paraprofessional within 48 hours after receiving the appeal. If a hearing is requested, it shall be held within 48 hours and the decision shall be rendered within 48 hours after the close of the hearing. The decision of the Chief Administrator of School Safety shall be final and binding.

Where all paraprofessionals in the school are affected, the Union may initiate a complaint on behalf of all paraprofessionals.
ARTICLE XX
COMPLAINT AND GRIEVANCE PROCEDURES POLICY

It is the policy of the Board to encourage discussion on an informal basis between a supervisor and an employee of any employee complaint. Such discussion should be held with a view to reaching an understanding which will dispose of the matter in a manner satisfactory to the employee, without need for recourse to the formal grievance procedure. An employee's complaint should be presented and handled promptly and should be disposed of at the lowest level of supervision consistent with the authority of the supervisor.

Upon request to the head of the school, a Union staff representative shall be permitted to meet with employees in the unit during their non-working time, within the school, for the purpose of investigating complaints and grievances, under circumstances which will not interfere with school activities. A Union staff representative or shop steward in the school shall be permitted to investigate grievances and complaints during working time, only if such grievances require inspection of working conditions at the school and the inspection does not interfere with the paraprofessional program or with school activities. When necessary, any employee in the unit who is a shop steward in the school in which the aggrieved employee is assigned will be given time off to represent the employee in the presentation of his grievance.
INFORMAL COMPLAINT PROCEDURE

It is desirable that any employee having a complaint should discuss it informally with his immediate supervisor or with any other appropriate level of supervision at the school.

The employee should request an opportunity to discuss the matter, and the supervisor should arrange for the discussion at the earliest possible time. At such informal discussion, the employee may be accompanied by a Union representative or by another employee in the unit who is not an official or agent of another employee organization. The Union representative shall be the steward at the school or a Union staff representative.

The objective should be to dispose of the majority of employee complaints in this manner.

FORMAL GRIEVANCE PROCEDURE

If the matter has not been disposed of informally, an employee having a complaint concerning any condition of employment within the authority of the Board of Education may, within a reasonable period not to exceed 100 days following the action complained of, present such complaint as a grievance in accordance with the provisions of this grievance procedure. Complaints concerning matters which are not within the authority of the Board should be presented in accordance with the review procedure of the agency having authority over such matters.

The grievance procedure does not apply to complaints as to out-of-title work. Complaints as to out-of-title work are to be referred to the Executive Director of Personnel or his designee.
If a group of employees has the same complaint, a member or the group may present the grievance in the group's behalf under this procedure.

The Union has the right to initiate or appeal a grievance involving alleged violation of any term of this Agreement. Such grievance shall be initiated with the community or assistant superintendent, or with such other Board official as may be appropriate.

Grievances arising from the action of officials other than the head of a school shall be initiated with and processed by such officials in accordance with the provisions of Step 2 of this grievance procedure.

**Expedited Grievance Procedure**

Grievances arising out of exceptions to seniority for layoff and recall shall be filed by the aggrieved employee within two days from knowledge of the decision and the Board of Education shall schedule a hearing and render a decision within four school days. If the Step 2 award is unsatisfactory to the employee he may file for arbitration and a hearing will be scheduled and a decision rendered within ten calendar days.

Following is the procedure for presentation and adjustment of grievances:

**School Level (Step 1)**

The employee shall initiate the grievance at Step 1 with the head of the school as the Board representative.
District Level (Step 2)

If the grievance is not resolved at the first step, the employee may then appeal the grievance within 15 school days after receipt of the Step 1 decision to the community superintendent as the Board representative at Step 2 (for elementary and junior high schools) or to an assistant superintendent in the Office of High Schools or to the Executive Director.

Board Level (Step 3)

If the grievance is not resolved at Step 2, the employee may then appeal the grievance to the Chancellor within 15 school days after receipt of the Step 2 decision. The appeal at Step 3 shall be accompanied by the letter of appeal and decision at Step 2.

Representation

At each step, the employee may be accompanied by a Union representative and a shop steward or by an employee in the bargaining unit who is not an official or agent of another employee organization. At Step 1, the Union representative shall be the steward at the school or a Union staff representative, or both. At Steps 2 and 3 the Union representative may be a Union staff representative or the steward who represented the employee at Step 1, or both.

Conferences and Decisions

At each step of this grievance procedure, a conference shall be arranged by the Board representative, or his designee, with the aggrieved employee and his representative, if any. Conferences held under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons entitled to be present to attend. When such conferences are held during working hours, employees who participate shall be excused with pay for that purpose.
Every attempt should be made to reach a mutually satisfactory resolution of the grievance at the conference held under this procedure. If the grievance is not resolved at the conference, then a decision must be rendered by the Board representative. The decision at each step should be communicated to the aggrieved employee and his representative within the following time limits:

1. At Step 1, within five school days after the grievance is initiated;
2. At Step 2, within ten school days after the appeal is received;
3. At Step 3, within ten school days after the appeal is received.

If the grievance is presented in writing, the decision will be given in writing.

If a satisfactory resolution is not reached or if a decision is not rendered within the time limit at Step 2, 2 or 3, the employee may appeal the grievance to the next higher step.

A Union-initiated grievance may be appealed by the Union to the next higher step of the grievance procedure.

APPEALS TO THE GRIEVANCE PANEL (STEP 4)

A grievance which has not been resolved by the Chancellor at Step 3 may then be appealed by the Union to the Grievance Panel within 20 school days of the receipt of the Step 3 decision.

The Panel shall be composed of one representative of the Board, one representative of the Union and one other person, selected by mutual agreement of the Board and the Union, who shall be the chairman.
Any costs relating to the participation of the Chairman shall be shared equally by the parties to the dispute.

The Panel shall set a hearing date for the appeal that is within 30 days following receipt of the appeal and issue an award within 30 days following the close of the hearing.

Appeals involving exceptions to seniority based on qualifications shall take precedence over all other appeals.

With respect to grievances which involve the application or interpretation of the provisions of this Agreement the Grievance Panel shall be without power or authority to make any decision:

1. Contrary to, or inconsistent with, or modifying or varying in any way, the terms of this Agreement or of applicable law or rules or regulations having the force and effect of law;

2. Involving Board discretion or Board policy under the provisions of this Agreement, under Board By-Laws, or under applicable law, except that the Panel may decide in a particular case that such policy was disregarded or that the attempted application of any such term of this Agreement was so discriminatory, arbitrary or capricious as to constitute an abuse of discretion;

3. Limiting or interfering in any way with the powers, duties, and responsibilities of the Board under its By-Laws, applicable law, and rules and regulations having the force and effect of law.
With respect to grievances which involve the application or interpretation of the provisions of this Agreement, the decision of the Grievance Panel, if made in accordance with its jurisdiction and authority under this Agreement, will be accepted as final by the parties as to the dispute and both will abide by it.

With respect to all other grievances, if the grievance is not resolved by unanimous agreement of the Panel members and the employee at the conference, then a report and majority recommendation of the Panel shall be transmitted by the chairman to the Chancellor. No minority report shall be transmitted by Panel members. Within ten school days after the date the report and recommendation are received by the Chancellor, he shall indicate whether he will accept the Panel's recommendation. Unless the Chancellor disapproves the recommendation within ten school days after the date it is received by him, the recommendation shall be deemed to be his decision.

A recommendation of the Panel which has been approved by the Chancellor, or which has not been disapproved by the Chancellor within the ten-day limit specified above, shall be communicated to the aggrieved employee. If the Chancellor decides to disapprove a recommendation of the Panel, he shall notify the aggrieved employee and the Panel of his decision.

* * *

The provisions of the formal grievance procedure outlined above shall not be available for the use of employees with less than the equivalent of one school term of continuous service.
ARTICLE XXI

DISCHARGE REVIEW PROCEDURES

It is the policy of the Board that the discharge of an employee should be based on good and sufficient reason and that action should be taken by the supervisor having such authority only after he has given due consideration to the matter.

If an employee with more than the equivalent of one school term of continuous service is discharged, he shall be given a written notice of discharge and a statement of the general reasons for such action, at the time of such action, except where circumstances warrant an immediate discharge, in which case such notice and reasons shall be given within two school days after such discharge. Such employee will also, upon his request, be afforded an opportunity for a prompt and careful review of the discharge in accordance with the provisions of the complaint and grievance procedure as stated in Article XX of this Agreement.

Such procedure will initiate at Step 2 of the Expedited Grievance Procedure.
ARTICLE XXII
PERSONNEL FOLDERS

Employees shall receive a copy of any evaluatory statement of their work performance or conduct which is placed in their permanent personnel folder. Employees shall be given an opportunity to answer any such evaluatory statement placed in their folder, and their written answer shall be attached to the evaluatory statement in the folder.

Any evaluatory statement with respect to the employee's work performance or conduct a copy of which is not given to the employee, may not be used in any subsequent disciplinary action against the employee.

ARTICLE XXIII
PAY PRACTICES

The Board will recommend to the Comptroller of the City of New York that he itemize more fully employee pay checks and that he provide accompanying explanations when lump sum payments are made.

In the event that any payment is not paid on the date due under the Coalition Economic Agreement such payment when made shall be paid retroactive to such date.
ARTICLE XXIV

B. A copy of the updated district seniority list for employees in the bargaining unit shall be posted in each school in the district within four weeks of the start of the term. A copy shall be given to the Union steward, and to the Union district representative.
ARTICLE XXV

The Board will honor, in accordance with their terms, only such written authorizations as are properly executed by employees in the unit covered by this Agreement for the deduction of their dues in behalf of the Union.

B. DUES CHECK-OFF ON TRANSFER

The Board will honor, in accordance with their terms, the written authorizations for the deduction of dues in behalf of the Union, properly executed by individuals while employed by the City of New York, who thereafter transfer directly to employment with the Board in the unit covered by this Agreement.

C. DUES CHECK-OFF INFORMATION

The Board shall provide monthly to the Union a complete and up-to-date list of all employees in the bargaining unit who have properly executed written authorization for the deduction of dues in behalf of the Union. The Board shall also furnish to the Union such other reasonably available information as may be necessary to the Union for maintaining appropriate check-off records.
ARTICLE XXVI
CONSULTATION WITH UNION COMMITTEE

A. Appropriate representatives at Board headquarters level and representatives of the Union shall meet once a month during the school year or at the request of the Union to consult on matters of paraprofessional policy and on questions relating to the implementation of this Agreement and affecting employees covered by this Agreement.

B. The Community or Assistant Superintendent, or his designee, will meet with Union representatives at reasonable times during the year upon request of the Union to consult on matters of mutual concern relating to paraprofessional policy.

ARTICLE XXVII
UNION MEETINGS

Upon request to the head of the school, members of the Union who are in the bargaining unit shall be permitted to meet within the school under circumstances which will not interfere with the paraprofessional program or other school activities. Such meetings may be held only during the employees' lunch period or before or after the employees' working hours, at a place to be assigned by the head of the school, where other employees or children are not present. Union officials may attend such meetings.
ARTICLE XXVIII

RESTRICTION ON UNION ACTIVITIES

A. No employee shall engage in Union activities during the time he is assigned to duty, except that members of the Union's negotiating committee shall, upon proper application, be excused without loss of pay for working time spent in negotiations with the Board or its representatives.

B. The paraprofessional chapter chairman shall be allowed one day per week for investigation of grievances and for other appropriate activities relating to the administration of this Agreement and to the duties of his office.

ARTICLE XXIX

MATTERS NOT COVERED

With respect to matters not covered by this Agreement which are proper subjects for collective bargaining, the Board agrees that it will make no changes without appropriate prior consultation and negotiation with the Union.
ARTICLE XXX
CONFORMITY TO LAW - SAVING CLAUSE

A. If any provision of this Agreement is or shall at any time be contrary to law, then such provision shall not be applicable or performed or enforced, except to the extent permitted by law and any substitute action shall be subject to appropriate consultation with the Union.

B. In the event that any provision of this Agreement is or shall at any time be contrary to law, all other provisions of this Agreement shall continue in effect.

C. If the Board delegates any of its authority or functions to a community school board, the terms of this Agreement, insofar as applicable, shall be binding upon the community board to the extent permitted by law.
ARTICLE XXXI

COPY OF AGREEMENT

The parties will have available copies of this Agreement upon request.

ARTICLE XXXII

NO-STRIKE PLEDGE

The Union and the Board recognize that strikes and other forms of work stoppages by employees are contrary to law and public policy. The Union and the Board subscribe to the principle that differences shall be resolved by peaceful and appropriate means without interruption of the school program. The Union therefore agrees that there shall be no strikes, work stoppages, or other concerted refusal to perform work by the employees covered by this Agreement, nor any instigation thereof.

COALITION ECONOMIC AGREEMENT

Memorandum of Economic Agreement ("this Agreement"), made and effective as of June 5, 1978, by and between the undersigned coalition of unions ("the Unions"), and the City of New York and the undersigned employers (collectively "the Employers").

WHEREAS, the continued economic and fiscal crisis affecting the City of New York makes it desirable that the Employers and the Unions reach a memorandum of economic understanding covering the nature and subject matter for successor contracts to those which have expired on December 31, 1977; or will expire on June 30, 1978, or September 8, 1978, or October 1, 1978, or any other labor contracts which required Emergency Financial Control Board approval (which prior contracts are collectively referred to as "Existing Separate Unit Agreements"); and

WHEREAS, Section 1176 of the New York City Charter requires that, so far as practicable, each collective bargaining agreement covering employees of the Employers shall be executed prior to the commencement of the fiscal year during which its provisions shall first be in effect; and

WHEREAS, the parties recognize that various New York State and New York City borrowing programs and federal legislation concerning future financing for New York City are vital for the well being of the City, its employees, its retirees, its citizens and the Nation; and

WHEREAS, it is in the mutual interest of the parties to avoid labor strife and its disastrous impact upon the City of New York, its citizens and its employees; and

WHEREAS, the parties desire to enter into collective bargaining agreements, including this Agreement and separate agreements hereafter to be negotiated and entered into by and between each of the Unions and their respective Employers ("the Separate Unit Agreements"), which Separate Unit Agreements shall include
the City-Wide agreement, to cover the employees represented by the Unions ("Employees"); and

WHEREAS, the parties intend by this Agreement to cover those economic matters which are common to all the Unions, and that this Agreement shall be incorporated into the Separate Unit Agreements,

NOW, THEREFORE, it is AGREED as follows:

1. Term
   a. The term of each Separate Unit Agreement shall be two (2) years from the date of the expiration of the applicable Existing Separate Unit Agreement.
   b. The term of this Agreement shall be, in the case of each Union and respective Employer, from the effective date hereof to the execution of the Separate Unit Agreement between such Union and Employer.

2. Applicability
   The economic terms of Existing Separate Unit Agreements shall continue except as to economic modifications to be made by or pursuant to this Agreement. Reductions in wages, fringe benefits, and other savings, contained in Existing Separate Unit Agreements shall not be carried forward into the Separate Unit Agreements, except where the reduction of such wages, fringe benefits, and other savings do not have a restoration date or term certain. The cost-of-living adjustment ("COLA") provisions in Existing Separate Unit Agreements shall not continue except as provided in this Agreement.

3. "Old COLA"
   Current compensation commonly known as "Old COLA" or "COLA I", whether now being received or deferred, shall be continued and paid at the present rate in all applicable titles held by the Employees. Where such COLA was previously paid in a lump sum, it shall be paid in equal shares in each regular paycheck received by the Employee. Commencing the first day of the thirteenth month following the effective date of each Separate Unit Agreement, the aforesaid
"Old COLA" or "COLA I" shall be equalized for all applicable titles at the rate of $441 per annum. Commencing the effective date of each Separate Unit Agreement, the compensation provided for in this paragraph 3 shall be included in the base rate for all purposes, including, but not limited to, pension, incremental salary levels, and minimum and maximum rates, except as otherwise hereinafter expressly provided in paragraph 6c of this Agreement.

4. Unpaid Productivity COLA

As promptly as legally possible after the ratification of this Agreement by the Unions, the full unpaid balance of any productivity COLA based on the 0.4 point formula in the applicable Existing Separate Unit Agreements shall be paid in full in a lump sum payment. For each period such unpaid productivity COLA was to be paid pursuant to the applicable Existing Separate Unit Agreements, the annualized rate of the payment provided for in this paragraph 4 shall be deemed to be in the base rate of the applicable titles for all purposes, except pension and as otherwise expressly provided in paragraph 6c of this Agreement.

5. Non-Pensionable Cash Payment

a. A cash payment shall be earned and paid to qualifying employees for services rendered during the City's fiscal years ending June 30, 1978, and June 30, 1979, as described below:

(1) (a) An Employee in active service who is employed by an Employer continuously for a period of one year commencing July 1, 1977, shall be entitled to receive all or a pro rata share of $1,000.00 to be based upon the portion of the period of the first 16 months of the applicable Separate Unit Agreement during which the Employee is in active service.

(b) A new Employee who begins her/his employment on a date after July 1, 1977, and who remains employed continuously in active service thereafter to the last day
before the effective date of the applicable Separate
Unit Agreement, shall receive a pro rata share of
$1,000.00 for the period so employed prior to such
effective date, and said pro rata share shall be
further prorated on the basis of the portion of the
period of the first 16 months of the applicable
Separate Unit Agreement during which the Employee is
in active service.

(c) The sum herein provided shall be paid in equal shares
in each regular paycheck received by the Employee.

(2) (a) An Employee in active service who is continuously
employed by an Employer for a period of one year
commencing July 1, 1978, shall be entitled to receive
all or a pro rata share of $500.00 to be based upon
the portion of the period of the last 8 months of the
applicable Separate Unit Agreement during which the
Employee is in active service.

(b) A new Employee who begins her/his employment on a date
after July 1, 1978, and who remains employed con­
tinuously in active service to the last day of the
12th month of the applicable Separate Unit Agreement,
shall receive a pro rata share of $500.00 for the
period so employed to such last day, and said pro rata
share shall be further prorated on the basis of the
portion of the period of the last 8 months of the
applicable Separate Unit Agreement during which the
employee is in active service.

(c) The sum herein provided for shall be paid in equal
shares in each regular paycheck received by the Employee.
b. (1) An Employee who has been in inactive service for the period July 1, 1977, to June 30, 1978, or who has been in inactive service for a portion of that period and active service during the balance of that period
(a) shall receive a pro rata share of $750.00 based on the period of active service during the first twelve months of the applicable Separate Unit Agreement; and/or
(b) shall receive a pro rata share of $750.00 based on the period of active serving during the second twelve months of the applicable Separate Unit Agreement.

(2) An Employee who has been in inactive service for the period July 1, 1978, to June 30, 1979, or who has been in inactive service for a portion of that period and active service during the balance of that period shall receive a pro rata share of $750.00 based on the period of active service during the second twelve months of the applicable Separate Unit Agreement.

(3) Inactive service is defined for purposes of this paragraph 5b as including the following Employees:
(a) Those who are on a preferred or recall list (but this shall not apply to Employees whose placement on such list is part of the normal periodic process resulting from a normal work year which is less than a full calendar year),
(b) Those who are on approved leave.
(4) An Employee on a preferred or recall list whose normal work year is less than a full calendar year and who qualifies for any payments under paragraph 5b shall, notwithstanding any other provisions, not receive such payments under such paragraph if they qualify for and receive payments under paragraph 5a.

(5) The sums provided for in this paragraph 5b shall be paid in equal shares in each regular paycheck received by the Employee.

c. An Employee who is a part time, hourly, per diem, per session or seasonal Employee or whose normal work year is less than a full calendar year shall be deemed eligible under paragraphs 5a and 5b, provided, however, that such an Employee shall have the non-pensionable cash payment hereunder prorated on the basis of computations heretofore utilized by the parties.

d. For the purposes of this paragraph 5 an Employee whose normal work year runs from the first day of a school year to the last day of a school year, shall be deemed to be in a service status from July 1 to June 30 of that fiscal year. This provision shall not convert an Employee who normally has less than 12 months pay status into an Employee with 12 months pay status hereunder.

e. If an Employee entitled to payment hereunder shall not receive a paycheck during the period that any portion of such sum is payable pursuant to this Agreement, then such accrued and unpaid portion of that sum shall be paid to the Employee in a lump sum.
f. The payments provided for in this paragraph 5 shall be included in the base rate of the applicable titles for all purposes, except pension and as otherwise expressly provided in paragraph 6c of this Agreement.
g. Except as otherwise provided, any payments due under this paragraph 5 shall be paid as promptly as legally possible after the ratification of this Agreement by the Unions.
h. In no case shall the amount of cash paid under paragraphs 5a and 5b combined exceed $1,500.00 except for an Employee who holds an equivalent of more than one full time job.
i. For purposes of this paragraph 5, an Employee who has been suspended:
   (1) shall be deemed in active service if suspended with pay;
   (2) shall be deemed in active service if she/he shall receive back pay for the period of such suspension; and
   (3) shall be deemed in inactive service if she/he does not receive pay or back pay for the period of such suspension.

6. General Wage Increase
   a. Effective at the beginning of the fourth month following the effective date of the applicable Separate Unit Agreement, the Employees shall receive a general increase of 4% or $400.00 per annum, whichever is greater. In the event that a Separate Unit Agreement is not ratified by the appropriate Union on or before the beginning of the fourth month after the effective date of the commencement of that Agreement, the increase here provided for shall be paid after such ratification retroactive to the effective date of the increase provided for in this paragraph 6a.
b. Effective at the beginning of the sixteenth month following the effective date of the applicable Separate Unit Agreement, the Employees shall receive an additional general increase of 4% or $400.00 per annum, whichever is greater.

c. The increases provided for in this paragraph 6 shall be calculated as follows: (1) the increase in paragraph 6a shall be based upon the base rates (which shall include salary or incremental schedules) of the applicable titles in effect on the first day the applicable Separate Unit Agreement, exclusive of any payment required by paragraph 3, 4, or 5 of this Agreement; and (2) the increase in paragraph 6b shall be based upon the base rates (which shall include salary or incremental schedules) of the applicable titles in effect on the last day of the 15th month of the applicable Separate Unit Agreement, including the payments required by paragraphs 3 and 6a of this Agreement, but exclusive of any payment required by paragraphs 4 or 5 of this Agreement.

d. The increases provided for in this paragraph 6 shall be applied to the base rates, incremental salary levels and the minimum and maximum rates, if any, fixed for the applicable titles.

e. The increases provided for in this paragraph 6 shall be subject to revision or modification in the Separate Unit Agreements, provided, however, that such revision or modification in wages or fringe benefits shall not result in any current or future cost increase or decrease as compared with the cost required to pay the increases provided for in this paragraph 6.

7. The increases provided for in this Agreement when applied to other than full-time, per annum employees, shall be applied in the same manner as heretofore utilized by the parties.
8. The continuation or extension of any prior wage deferral agreement referred to in the attached stipulation dated June 2, 1978, shall be subject to arbitration/impasse pursuant to the terms of that stipulation.

9. It is agreed that, except as provided in paragraph 6e and 10 hereof, neither party shall make any other economic demands during the term of this Agreement, or in connection with the Separate Unit Agreements.

10. In the event that, by way of agreement, award, judgment or otherwise ("non-signatory agreement"), any labor organization representing uniformed forces personnel employed by an Employer, which labor organization is not a signatory to this Agreement ("non-signatory organization"), shall receive during the term of the applicable Separate Unit Agreement aggregate increases (wages, fringes, and all other benefits) or changes in rates, the cost of which shall exceed the cost of the aggregate increases or changes in rates provided in this Agreement for uniformed force Employees represented by a Union which is a signatory hereto, such Union shall have the option to re-open its applicable Separate Unit Agreement. For the purposes of determining whether an excess of costs has been incurred hereunder, the cost resulting from applying to the personnel represented by a non-signatory organization the increases, new benefits, and change in rates as provided for in this Agreement shall be compared to the costs resulting from applying the non-signatory agreement to such personnel. A uniformed force Union shall, in addition to the option set forth above, also have the option to re-open its applicable Separate Unit Agreement in the event that the non-signatory agreement provides a higher going-out rate than that provided by this Agreement and the Separate Unit Agreement, but if such option is exercised for the reason set forth in this sentence and a new Separate Unit Agreement entered into, such new Separate Unit Agreement shall not increase the Employer's costs for the term of the applicable Separate Unit Agreement. This paragraph 10 shall apply to a non-signatory agreement which provides for aggregate increases during the term of
this Agreement irrespective of when such non-signatory agreement has been finalized.

11. The attached "Addendum A" is incorporated, but not merged herewith, by reference as a part of this Agreement. In the event of any variance between this Agreement and said "Addendum A" the provisions of "Addendum A" shall govern.

12. This Agreement shall be incorporated into the Separate Unit Agreements.

13. The above provisions shall apply to the Council of Supervisors and Administrators if an addendum covering 1977-78 is approved by the Emergency Financial Control Board.

14. This Agreement and the Separate Unit Agreements are subject to approval in accordance with applicable law.

Agreement shall be submitted to the dispute resolution provisions of such applicable Separate Unit Agreement.

16. In the event that any payment is not paid on the date due under this Agreement, such payment when made shall be paid retroactive to such date due.

AGREEMENT

1. Except as modified herein and by Paragraph 2 of the Coalition Economic Agreement the economic terms of the 1977-1978 Contract are continued.

2. This Agreement shall be incorporated in the applicable unit agreement covering employees in the paraprofessional titles, which shall expire on September 9, 1980.

3a. During the first year, January 1, 1979 - December 31, 1979, of the Contract, previous rates of pay are hereby continued for 1215.5 hours in accordance with the attached Schedule I. The rates in Schedule I reflect the non-pensionable cash payment to be paid at 35.7 cents hourly rate in accordance with the provisions of the Coalition Economic Agreement. In addition, as reflected in the Schedule, on September 9, 1979 there shall be an added payment of 9 cents to 12 cents per hour in accordance with the attached Schedule I.

3b. During the period January 1, 1980 to September 9, 1980 previous rates of pay are continued at an hourly rate. The rates shown in Schedule I reflect the non-pensionable cash payment to be paid at 35.7 cents hourly rate in accordance with the provisions of the Coalition Economic Agreement and include the equalization of "Old COLA" on January 1, 1980.

3c. Each year of the Agreement there shall be two summer payments, one for July and one for August. These payments shall be based on the above rates of pay provided during the preceding school year.

The July and August payments shall each be in accordance with the attached Schedule II and shall be pro-rated on the basis of the number of school days paid as a percentage of the number of school days during said year. Entitlement for purposes of this Agreement for COLA, NPCP, Lump Sum payments or General Wage Increase, shall be the same as that enjoyed by the employees on December 31, 1978.
4. "Summer stipends" shall be reduced to the rate of $40 per week for a maximum total of six (6) weeks.

5. During the second year of the Agreement, the Employer shall contribute $16,000 to the D.C. 37 Health and Security Fund.

6. The Union shall execute Appendix A and all employees shall sign the appropriate attached agreements in order to be eligible to receive the benefits provided herein.

7. Based on the payment provided in Paragraph 3c above, employees shall not be entitled to receive unemployment insurance during the summer periods and the Board of Education shall so notify both the employees and the New York State Unemployment Insurance Board. The Board of Education shall contest any request for Unemployment Insurance Benefits for the summer period made by an employee receiving payments pursuant to paragraph 3c above. In order to receive any August summer payment, the employee shall be required to sign an affidavit stating that he or she did not request nor receive Unemployment Insurance Benefits for the summer period for the year for which the summer payment is made. The Union shall indemnify the Board of Education for any Unemployment Insurance Benefit payments made to employees receiving payments pursuant to said paragraph 3c.

8. For the purpose of this Agreement, "summer period" shall mean the period from the third to last weekday of June until the Wednesday following Labor Day.

9. Employees who are laid off prior to fifteen weeks of continuous service shall not be entitled to summer payments for the summer following the period worked.

10. This Agreement is subject to approval of the Financial Control Board. Payments of the 1979 summer period shall be made upon approval of this Memorandum of Agreement by the Financial Control Board. The general wage increase shall not be paid until the separate unit contract embodying this Memorandum of Agreement has been approved by the Financial Control Board.

A. All employees subject to this Unit Agreement shall continue to have, with respect to position attributes determining eligibility to become a member of a public retirement system, the same status as such employees had immediately prior to January 1, 1979 and all persons who during the term of this Unit Agreement become employees subject thereto shall have, with respect to such position attributes, the same status as the employees subject to this Unit Agreement had immediately prior to January 1, 1979 and nothing contained in this Unit Agreement shall be construed as changing such status of any employee referred to in this paragraph.

B. On and after September 9, 1980 all employees who are subject to this Unit Agreement at the time of expiration thereof shall continue to have with respect to such position attributes determining eligibility to become a member of a public retirement system, the same status as they had immediately prior to January 1, 1979, until the effective date of any new Unit Agreement providing for different position attributes determining eligibility to become a member of a public retirement system which may be executed by the Board and the Union for a term commencing after the term of the instant Unit Agreement. Each person who, on or after September 9, 1980 is appointed to a position the title of which is included in the bargaining unit to which the instant Unit Agreement applies shall have, with respect to position attributes determining eligibility to become a member of a public retirement system, the same status as employees subject to the instant Unit Agreement had immediately prior to January 1, 1979, unless and until a different status becomes effective for such person under a Unit Agreement executed by the Board and the Union for a term commencing after the term of the instant Unit Agreement.

C. (1) The provisions of the instant Unit Agreement shall not apply to any employee who, as of the date of execution of the instant Unit Agreement holds, or who, between January 1, 1979 and such date of execution held, a position the title of which
is included in the bargaining unit to which the instant Unit Agreement applies and who has failed to execute an individual Agreement with the Board containing the terms and conditions set forth in the sample individual Agreement attached hereto as Exhibit "A" and such employee, unless he executes such individual Agreement, shall be governed by and be subject to the terms and conditions which are set forth in the Unit Agreement which was in effect on December 31, 1978, modified as follows: (a) 35.7 cents per hour for NPCP for 1978-79 and 1979-80 (pursuant to CEA) for 1215.5 hours (b) 21 cents per hour for 1978-79 and 1979-80 for 1215.5 hours for continuation of OOLA (c) 21.89 cents per hour additional compensation in 1978-79 and 1979-80.

(2) Until the effective date of any Unit Agreement providing otherwise which may be executed by the Board and the Union for a term commencing after the term of the instant Unit Agreement:

(i) each person who, at any time after the execution of the instant Unit Agreement, is appointed to a position, the title of which is included in the bargaining unit to which the instant Unit Agreement applies, shall, at the time of his appointment, execute an individual Agreement with the Board containing the terms and conditions set forth in the sample individual Agreement attached hereto as Exhibit "B", and

(ii) unless and until any such person shall execute such an individual Agreement, he shall not be governed by or subject to the instant Unit Agreement but shall instead be governed by and subject to the terms and conditions which are set forth in the Unit Agreement which was in effect on December 31, 1978, modified as provided for in items (a), (b) and (c) of subparagraph (1) of this paragraph C; provided, however, that if such person shall execute such individual Agreement, he shall be governed by and subject to the terms and conditions set forth in the instant Unit Agreement, effective from the date of his appointment.
D. If any employee subject to the provisions of the instant Unit Agreement shall become eligible to become a member of a public retirement system by reason, in whole or in part, of:

(1) any provision of the instant Unit Agreement establishing attributes of his position which affect his eligibility to join such retirement system and which are different from the attributes of the same position under the provisions of the Unit Agreement in effect on December 31, 1978; or

(2) any action taken under any such instant Unit Agreement provision referred to in subparagraph (1) of this paragraph D; and such employee becomes a member of such retirement system on or before September 9, 1980, all pay provisions of the instant Unit Agreement, so far as they apply to such employee, shall, upon the commencement of such membership of such employee, terminate and become void, and until the effective date of any Unit Agreement providing otherwise covering such employee which may be executed by the Board and the Union for a term commencing after the term of the instant Unit Agreement, such employee shall, upon the commencement of such membership, immediately revert to governance by and shall become and remain subject to the pay provisions which are set forth in the Unit Agreement which was in effect on December 31, 1978, modified as provided for in items (a), (b) and (c) of subparagraph (1) of paragraph C of this Article; provided, however, that the compensation payable to such employee after the commencement of such membership and during any fiscal year or portion thereof wherein such employee is governed by such reversionary provisions, as so modified, shall be reduced for the same fiscal year or portion thereof (after such commencement of membership) by the pension costs incurred by the Board with respect to such employee for the same period. If any such commencement of retirement system membership of any such employee by reason in whole or in part of any such provision referred to in subparagraph (1) of this paragraph or any such action referred to in subparagraph (2) of this paragraph occurs after September 9, 1980, all of the provisions of the Unit Agreement in effect at the time of such commencement of membership, so far as they apply to such employee, shall terminate and become void and until the effective date of any Unit Agreement providing otherwise covering such employee which may be executed by
the Board and the Union for a term commencing after the term of the instant Unit Agreement, such employee shall immediately revert to governance by and shall become and remain subject to the terms and conditions which are set forth in the Unit Agreement which was in effect on December 31, 1978, modified as provided for in items (a), (b) and (c) of subparagraph (1) of paragraph C of this Article; provided, however, that compensation payable to such employee after such commencement of membership and during any fiscal year or portion thereof wherein such employee is governed by such reversionary provisions, as so modified, shall be reduced for the same fiscal year or portion thereof (after such commencement of membership) by the pension costs incurred by the Board with respect to such employee for the same period.

E. The Union shall not at any time, initiate, support or assist the bringing of any claim, action or proceeding or the taking of any other action which seeks to establish, through use of or reliance in whole or in part on:

(1) any provision of the instant Unit Agreement establishing attributes of the position of any employee affecting his eligibility to become a member of a public retirement system, which attributes are different from the attributes of the same position under the provisions of the Unit Agreement in effect on December 31, 1978, or

(2) any action taken under any such instant Unit Agreement provision referred to in subparagraph (1) of this paragraph E, that such employee was or is eligible to become a member of a public retirement system and the Union, in any circumstances wherein its views with respect to any such matter are requested or given, shall maintain the position that any such instant Unit Agreement provision referred to in subparagraph (1) of this paragraph or any action referred to in subparagraph (2) of this paragraph does not confer eligibility to become a member of a public retirement system. The provisions of this paragraph E shall be construed as continuing after the expiration of the instant Unit Agreement until the effective date of any Unit Agreement providing otherwise which may be executed by the Board and the Union for a term commencing after the term of the instant Unit Agreement.

3. If I become eligible to become a member of a public retirement system by reason, in whole or in part, of:

   (ii) any action taken under any such subject Unit Agreement provision referred to above in subparagraph (i) of this paragraph 3;

and I become a member of such retirement system on or before September 9, 1980, all pay provisions of the subject Unit Agreement, so far as they apply to me, shall, upon the commencement of my membership in such retirement system, terminate and
become void, and until the effective date of any Unit Agreement providing otherwise covering me which may be executed by the Board and the Union for a term commencing after the term of the subject Unit Agreement, I shall upon the commencement of such membership, immediately revert to governance by and shall become and remain subject to the pay provisions which are set forth in the Unit Agreement which was in effect on January 1, 1979, modified as follows: (a) 35.7 cents per hour for NPCP for 1978-79 and 1979-80 (pursuant to CEA) for 1215.5 hours (b) 21 cents per hour for 1978-79 and 1979-80 for 1215.5 hours for continuation of COLA (c) 21.89 cents per hour additional compensation in 1978-79 and 1979-80 provided, however, that the compensation payable to me after the commencement of such membership and during any fiscal year or portion thereof wherein I am governed by such reversionary provisions, as so modified, shall be reduced for the same fiscal year or portion thereof (after such commencement of membership) by the pension costs incurred by the Board with respect to me for the same period. If any such commencement of retirement system membership on my part by reason in whole or in part of any such provision referred to above in subparagraph (i) of this paragraph 3 or any such action referred to above in subparagraph (ii) of this paragraph 3 occurs after September 9, 1980, all of the provisions of the Unit Agreement in effect at the time of such commencement of membership, so far as they apply to me, shall terminate and become void and until the effective date of any Unit Agreement providing otherwise covering me which may be executed by the Board and the Union for a term commencing after the term of the subject Unit Agreement, I shall immediately revert to governance by and shall become and remain subject to the terms and conditions which are set forth in the Unit Agreement which was in effect on December 31, 1978 modified as provided for in items (a), (b) and (c) above set forth in this paragraph 3; provided, however, that compensation payable to me after such commencement of membership and during any fiscal year or portion thereof wherein I am governed by such reversionary provisions, as so modified, shall be reduced for the same fiscal year or portion thereof (after such commencement of membership) by the pension costs incurred by the Board with respect to me for the same period.
