to this professional staff agreement, the matter may proceed
to the fifth level within five (5) school days thereafter.
Otherwise, the decision of the School Board is final.

5-8-5 Fifth Level: Within said five (5) days, either party may
request arbitration. The parties shall, within ten (10) days
after the request to arbitrate, attempt to agree upon the
selection of an arbitrator. If no agreement on an arbitrator
is reached, either party may request the PERB to submit a list
of five arbitrators, providing such request is made within
twenty (20) days after request for arbitration. The parties
shall alternately strike names from the list of five until
only one name remains which shall be the agreed-upon arbitra­
tor. Failure to request a list of arbitrators from the PERB
within the time periods provided herein shall constitute a
waiver of the grievance.

5-9 Submission of Grievance: Upon appointment of the arbitrator, the
appealing party shall, within five (5) days after notice of appoint­
ment, forward to the arbitrator, with a copy to the School Board, a
statement outlining the nature of the grievance. The material shall
include the provisions in the Agreement allegedly violated, the
remedy requested and a copy of the written grievance. Copies of the
district's rulings at the preceding levels of the grievance proce­
dures shall also be provided to the arbitrator by the Federation.

The School Board may make a similar submission of information relat­
ing to the grievance within five (5) days after receipt of the above,
a copy of which shall be sent to the Federation.

5-10 Hearing: The grievance shall be heard by a single arbitrator and
both parties may be represented by such person or persons as they
may choose provided the selection is consistent with 5-2-2. The
parties shall have the right to a hearing at which time both parties
will have the opportunity to submit evidence, offer testimony and
make oral or written arguments relating to the issues before the
arbitrator. The proceeding before the arbitrator shall be a hearing
de novo.

5-11 Decision: The decision by the arbitrator shall be rendered within
thirty (30) days after the close of the hearing. Decisions by the
arbitrator in cases properly before the arbitrator shall be final and
binding upon the parties, subject, however, to the limitations to
arbitration decisions as provided by in the PELRA, as amended.
5-12 **Expenses:** Each party shall bear its own expenses in connection with arbitration including expenses relating to the party's representatives, witnesses and any other expenses which the party incurs in connection with presenting its case in arbitration. The parties shall share equally fees and expenses of the arbitrator. The cost of a transcript or recording, if requested, shall be borne by the requesting party(ies).

5-13 **Jurisdiction:** The arbitrator shall have jurisdiction over disputes or disagreements relating to grievances properly before the arbitrator pursuant to the terms of this procedure. The jurisdiction of the arbitrator shall not extend to proposed changes in terms and conditions of employment as defined herein and contained in this written agreement; nor shall an arbitrator have jurisdiction over any grievance which has not been submitted to arbitration in compliance with the terms of the grievance and arbitration procedure as outlined herein; nor shall the jurisdiction of the arbitrator extend to matters of inherent managerial policy.

5-14 **Appearance and Representation:** Hearings held under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons entitled to be present to attend. When such hearings are during school hours, all persons who are required to participate shall be excused with pay for that purpose and that time shall not be deducted from the teacher's personal leave. School hours are defined herein as the hours during which the teacher is assigned direct control of the students.

5-15 **Investigation of Grievances:** The investigation of grievances shall not interfere with the orderly process of education in District 281.

5-16 **Election of Remedies and Waiver:** A party instituting any action, proceeding or complaint in a federal or state court of law, or before an administrative tribunal, federal agency, state agency, or seeking relief through any statutory process for which relief may be granted, the subject matter of which may constitute a grievance under this Agreement, shall immediately thereupon waive any and all right to pursue a grievance under this Article. Upon instituting a proceeding in another forum as outlined herein, the teacher shall waive his/her right to initiate a grievance pursuant to this Article, or if the grievance is pending in the grievance procedure, the right to pursue it further shall be immediately waived. This section shall not apply to an action to compel arbitration as provided in this Agreement or to enforce the award of an arbitrator.
ARTICLE VI
WORKING CONDITIONS

6-1 District Required Information and Reports:

6-1-1 Personnel Information: Each teacher must submit a valid Minnesota teacher's license, a Teachers Retirement Fund Certificate, a Social Security number, an official transcript of all college credits and a Certificate of Birth. This material will be kept on file in the personnel office during the entire time that the teacher is employed in the school system.

6-1-2 License: Employment will be terminated for any staff member who cannot qualify for a Minnesota license, or who fails to submit a valid license by October 15 of the current school year in which the teacher is actively teaching, or who does not provide written evidence by this same date that an effort is being made to comply with licensure regulations and that application has not been rejected.

6-1-3 Health Reports: The School Board may require that a teacher furnish a certificate of good health from a licensed physician of the School Board's choosing and expense. If the report of the physician shows that the teacher is physically and mentally unable to continue teaching, the provisions of Minnesota Statute 125.12, Subdivision 7, may be invoked. The board may require such teacher to take a leave of absence until the physician's recommendation for return to duty is approved by the board. Required examinations for the staff, other than the requirement for employment, shall be at School Board expense.

6-2 Personnel Files:

6-2-1 Availability of Personnel File: The teacher's current personnel file shall be housed in the personnel office of District 281 and shall be available to the teacher at convenient times. All materials generated for such file shall be handled as stipulated in item 6-2-3, and no other teacher's personnel file shall be kept. Convenient time is understood to mean that the personnel or superintendent's office will arrange an appointment during regular business office hours or some other mutually convenient time when the teacher requests such an appointment. Current file will be defined as materials submitted and filed after September 1, 1970.

6-2-2 Confidential Material: Recommendations and confidential reports received on a teacher's application for initial employment or for promotions will not be available for inspection until such time that inspection of such materials is permitted by law.
Material Filed: The teacher shall be given an opportunity to read material contained in the teacher's personnel file, except confidential material as defined in 6-2-1 and 6-2-2. Notification in writing shall be given to a teacher when material which supports disciplinary action, as described in Article IX, is placed in the teacher's personnel file. The teacher shall sign the copy to be filed, with the understanding that this means that the teacher has read the materials, but not that the teacher necessarily agrees with its contents.

Right To Answer Material Filed: The teacher shall have the right to respond to any material filed and the teacher's response shall be attached to the file copy.

Reproduction of Material Filed: The teacher may reproduce any material in the teacher's file, except confidential material as defined in this Article.

Emergency Closings: When schools are closed due to inclement weather or other unforeseeable circumstances such as mechanical failure and such closure has been officially promulgated, teachers shall not be expected to report to work. If days lost by such emergencies result in the school year falling below the minimum required by law, teachers shall perform duties on such other days as specified in 6-3-2.

Energy Conservation: During extreme weather conditions the superintendent may authorize school closings as a measure to conserve energy.

If days lost by such energy closings result in the school year falling below the minimum required by law, teachers shall perform duties on such other days as specified in 6-3-2.

Make-up Days: The first day to be used as make-up shall be Thursday of the last week of school. The second day to be used as make-up shall be Friday of the last week of school. The third day to be used as make-up shall be Presidents' Day. The fourth day to be used as make-up shall be Easter Monday. Should more than four days of student contact be needed to meet the maximum state requirement, the school year shall be extended the required number of days.

Holidays: The following will be recognized as paid holidays: Labor Day, the third Friday in October (Teacher Conference Day), Thanksgiving Thursday and Friday, Dr. Martin Luther King Jr. Day, Presidents' Day and Memorial Day.
6-5 **Religious Holidays:** Two days may be granted for religious holidays. Teachers who wish to be granted time off for a religious holiday must make application giving full particulars to the personnel office previous to said holiday for approval to have such leave deducted from current sick leave or personal leave at the teacher's option. Notwithstanding 10-2-4, if the teacher specifies on the leave request form that the deduction should be made from personal leave, such days will not be deducted from sick leave. In the years that is is necessary for some staff members to have three school days for religious observances, an additional day may be granted upon application to the superintendent or the superintendent's representative for approval.

6-6 **School Calendar:** The School Board and the Federation accept the school calendar as set forth in Appendix I.

6-7 **Length of School Day and Student Contact Time:** The length of the school day for all full-time staff shall be seven hours and forty minutes (7 hours and 40 minutes). Thirty (30) minutes shall be allowed for lunch which time shall normally be uninterrupted and duty free. Classroom teachers shall not be required to engage in student contact more than an average of five hours and ten minutes (5 hours and 10 minutes) per day.

6-8 **Building Hours:** The specific hours at any individual building may vary according to the needs of the educational program of the school district. The specific hours for each building will be designated by the School Board.

6-9 **Additional Activities:** In addition to the basic school day, teachers shall be required to reasonably participate in school activities beyond the teacher's basic day as is required by the School Board or its designated representative. The normal duties for teachers include a reasonable share of extracurricular, cocurricular and supervisory activities, as determined by the principal, superintendent or School Board. All teachers are expected to contribute up to eighteen (18) hours per year.

6-10 **Vacancies and Postings:**

6-10-1 **Vacancy:** A vacancy shall mean an unfilled position within the bargaining unit which the School District elects to fill consisting of eighty (80) or more days of work during the school year, and for which no teacher returning from leave of absence has a claim or wishes to exercise a claim to the position.
6-10-2 **Other Vacancy:** In the event the district elects to fill a vacancy for a permanent position outside of the bargaining unit which requires a licensed person, such vacancy shall be brought to the attention of the licensed staff either through a special bulletin or through the **Personnel Report** or **Direct Line**.

6-10-3 **School Year Postings:** All teaching vacancies or new teaching positions constituting eighty (80) or more days of work per school year shall be posted on a Federation bulletin board in each school for a period of no less than three school days. This shall not apply in cases where teachers on unrequested leave have a right to eighty (80) day positions pursuant to 7-2-8. Licensed staff members may apply for said vacancies or new positions within three (3) school days of the initial posting date. Application shall be in writing to the personnel office. The effective date for such openings shall be as described in the posting.

6-10-4 **Summer Postings:** The district shall send summer postings to all teachers who indicate interest in receiving such notice by filing their names and mailing addresses with the personnel office prior to the last day of the school year for students. These teachers will receive all postings which occur after the last day of school for students and through the end of Transfer Pool 2. Teachers who desire to be informed of vacancies which occur between the close of Transfer Pool 2 and the end of the first week of school for students must complete a special form from the personnel office for this purpose. The form must be received by the personnel office by the date that Transfer Pool 2 closes. The district shall make an effort to contact by telephone persons who have properly indicated an interest in receiving information related to vacancies which occur during this time.

6-11 **Teacher Preparation Time:** Each teacher will be scheduled for an average of sixty (60) minutes per day planning time free from student contact. When a lyceum or planned school program falls at a time when a teacher is scheduled for planning time, the classroom teacher or the special subject teacher may be required by the administration to attend and supervise students at the program, but in no case shall teachers be required to perform such duty more than twice in a single month, and no more than a total of six (6) times per year. In the elementary schools the administration may set a general staff meeting at times when teachers are scheduled for planning time, but the number of such meetings shall not exceed two (2) per month with a maximum of twelve (12) per year.
6-12 **Department Chairperson's Pay:** The pay of department chairpersons shall be shown in Appendix B, Article V.

6-13 **Conference Time:** All elementary teachers shall have four (4) days and all kindergarten teachers eight (8) days for parent/teacher conferences. When elementary or secondary teachers are scheduled for conferences, they shall receive a nonduty compensatory day for each two (2) evenings of work in accordance with the approved calendar.

6-14 **Performance Improvement Program:** The School District and the Federation have agreed upon a procedure for teacher evaluation which shall be called the performance improvement program (PIP).

6-15 **Dismissal and Suspension of Teachers:** Procedures for dismissal and suspension of teachers are contained in Minnesota Statutes 125.12.

6-16 **Outside Tutoring Policy:** Teachers may not tutor for pay any pupil enrolled in District 281 public schools except as they are engaged for home instruction, or as approved by the administration.

6-17 **Staff Development:** The district agrees to maintain a staff development program, a component of which will be in-service classes offered for board credit. The Federation will be entitled to representation on the staff development advisory council.

6-18 **Right of Part-time Teachers to Return to Full-time Position:** Part-time teachers, who were at one time full-time teachers in District 281 shall have the right to return to full-time teaching for the subsequent school year by notifying the district personnel office on or before February 1.

6-19 **Wellness Program and Employee Assistance Program:** The district agrees to maintain an employee assistance program, one component of which will be wellness. The Federation will be entitled to representation on the district's employee assistance advisory council.
ARTICLE VII

UNREQUESTED LEAVE, REINSTATEMENT AND SENIORITY

7-1 Unrequested Leave of Absence

7-1-1 Purpose: The purpose of this article is to set forth the plan negotiated pursuant to Minnesota Statute 125.12, Subd. 6a, providing the procedure whereby as many teachers as may be necessary may be proposed for placement on unrequested leave of absence and placed on unrequested leave of absence without pay or fringe benefits because of discontinuance of position, lack of pupils, financial limitations or mergers of classes caused by consolidation of districts.

7-1-2 Definitions: For the purpose of this article, the following shall apply:

7-1-2-1 **Probationary Teacher:** A teacher in the appropriate bargaining unit, who has not completed the probationary requirements as set forth in Minnesota Statute 125.12, Subd. 3, and as set forth in 12-11 shall be considered a probationary teacher.

7-1-2-2 **Continuing Contract Teacher:** Any bargaining unit employee who has complied with the requirements found in Section 7-1-2-1, above, shall be considered a continuing contract teacher.

7-1-2-3 **Teaching Area:** Teaching area is defined as the subject matter area to which a teacher is assigned in which the teacher possesses licensure.

7-1-2-4 **Seniority Date:** A teacher's seniority date shall be defined as the teacher's most recent date of hire by the School District as determined by the date of the letter sent to the teacher by the district personnel office stating that the teacher has been hired pending approval of the School Board. Seniority dates may be changed in accordance with 7-3-3.

7-1-2-5 **Full-time Teachers:** A full-time teacher is a teacher who is employed seven hours and forty minutes (7 hours and 40 minutes) per day for at least eighty (80) continuous working days during the school year.
7-1-3 Procedures for Placement on Unrequested Leave

7-1-3-1 Probationary Teachers: The School Board may place probationary teachers on unrequested leave from their teaching area and from any other fields to which they are assigned, in the inverse order of their employment.

7-1-3-2 Continuing Contract Teachers: The School Board may place continuing contract teachers on unrequested leave from their teaching area and from any other field to which they are assigned, in the inverse order of their employment.

In the case of equal seniority, the order in which continuing contract teachers shall be placed on unrequested leave of absence will be determined by the teacher's file folder number at the Minnesota Department of Education. The lower numbers shall be deemed to have more seniority.

7-1-3-3 Notification: Teachers proposed to be placed on unrequested leave of absence shall be notified by certified mail—return receipt requested—or shall be personally served.

7-1-3-4 Effect: Final placement on unrequested leave shall be completed by June 1 of the school year. All unrequested leaves shall become effective on the last contract day of each school year.

7-1-3-5 Bumping Rights: Any teacher proposed to be placed on unrequested leave may bump a less senior teacher from all or a portion of a position for which the more senior teacher is licensed.

7-1-3-6 Reassignment and Realignment: Prior to placing teachers on unrequested leave, the School District shall realign and reassign teachers in accordance with Minnesota Statute 125.12.

7-1-4 Changing Areas of Teaching: Subject to the November 15 requirement in 7-3-1, continuing contract teachers may change teaching areas:

7-1-4-1 In accordance with bumping rights in 7-1-3-5.

7-1-4-2 During internal building staffing by mutual agreement with the building principal.
7-1-4-3 During Transfer Pools 1 and 2, at a time when no teacher remains on unrequested leave (layoff) in the area to which the teacher desires reassignment.

The right to change teaching areas, described in 7-1-4-3, shall hold provided the teacher is licensed in the alternate area, notifies the District 281 personnel office by the notification deadline for Transfer Pool 1, and has taught in the alternate area of license within the last five (5) years or has taken at least six (6) quarter credits of course work in this area within the last five (5) years.

If the teacher has not, within the last five (5) years, taught or taken course work in the alternate teaching area, the teacher must satisfy this requirement by signing a written statement that provides that the teacher agrees to complete six (6) quarter hours of graduate or undergraduate course work in the alternate area, within one school year. The teacher may plan the course work, but prior approval based on appropriateness must be obtained from the directors of elementary, secondary or special education.

7-1-5 **Effect of Provisional License:** No teacher shall be entitled to exercise seniority rights in a teaching area for which the teacher holds only a provisional license, except as provided for in Minnesota Statute 125.12, Subd. 6b (c).

7-1-6 **Instructional Assistants:** When the number of instructional assistant positions are reduced, employees forced from such positions shall be placed on an instructional assistant, unrequested leave list. Calculations shall be according to 7-3-3, except that names shall remain on the instructional assistant, unrequested leave list for a maximum of five (5) years.

7-2 **Reinstatement:** Teachers placed on unrequested leave of absence shall be reinstated to available positions in the inverse order of seniority as determined by the district seniority list. Reinstated teachers shall have the right to return in subject matter areas or fields in which they are licensed unless they have voluntarily relinquished their right to return in a specific field or subject matter.

7-2-1 No appointment of a new teacher shall be made while there is available on unrequested leave a teacher who is properly licensed to fill such a vacancy.
7-2-2 When practicable, notification of recall shall be by certified delivery mail with return receipt requested.

7-2-3 It shall be the responsibility of teachers placed on unrequested leave of absence to maintain a current listing of their name, telephone number and mailing address with the District 281 personnel office (statutory provision). A teacher shall have seven (7) days from date of mailing, personal service or telephone notification, which will be verified in writing, of recall to advise the director of personnel services in writing of the intent to accept the offer or the intent to reject the offer. If a teacher does not respond in the seven (7) day period, the director of personnel services may terminate the teacher's employment.

Teachers on unrequested leave of absence who intend to be absent from their current mailing address for an extended period of time may file with the director of personnel services, on the designated form, their acceptance or rejection of a position vacancy if such vacancy were to occur during the period of their absence. In addition, teachers may designate an individual, on the prescribed form, with the authority to make a decision regarding any such vacancies that arise during the absence of the teacher.

7-2-4 If a teacher waives the right to re-employment in the position offered, the position shall be offered to the teacher with the next greater seniority, provided that teacher is licensed for the position.

7-2-5 Pending completion of the recall procedure, positions may be filled on a temporary basis.

7-2-6 Full-year, Full-time Position: Reinstatement for a full-year, full-time position which is refused by an employee shall constitute a resignation. For the purposes of this paragraph, full-year, full-time employment means employment of at least 170 days per year and receipt of salary equivalent to 1.0 times the figure on the salary schedule appropriate for the individual's correct step and lane. Full-time teachers may refuse recall to positions which constitute less than a full-year, full-time position.

7-2-7 Newly Acquired Areas of Licensure: Regardless of seniority, licensure acquired while on unrequested leave of absence shall not be used for reinstatement if any other teacher who held appropriate licensure upon placement on unrequested leave of absence claims such position.
Right to Available Positions: Individuals whose names appear on the unrequested leave list possess reinstatement rights to positions constituting 80 or more working days per year. When hired to these positions, they shall receive a rate of pay based on their proper step and lane. In addition, they may place their names on the District 281 reserve (substitute) list and accept hourly rate or reserve positions.

Seniority: The district shall maintain a current seniority book containing seniority lists by license to teach full-time and with each teacher's current teaching area designated on each list. The book shall also contain a master seniority list of all staff eligible to teach in the teachers' bargaining unit chronologically by seniority date. This list will be published annually in February and will be available in all schools each year.

The last possible date for filing the license in the District 281 personnel office is November 15 of each year in order to have seniority rights to a position in that area of licensure.

Any teacher who disagrees with the accuracy of any of the information on the final seniority list shall have fifteen (15) working days to initiate a challenge through the grievance procedure as set forth in this Agreement.

Length of Service: The length of service for all teachers shall be calculated from the most recent date of hire. Changes in seniority dates which were adjusted because of the length of service, Reduced Load Clause (5-21-4-2 in 1977-79 contract) in the pre-1979-81 Collective Bargaining Agreements, shall stand and not be retroactively corrected. These shall be the only deviations from hire dates permitted in the calculation of seniority rights, except for the correction of errors or acceptance of a leave under 10-1-7.

Seniority List: A teacher shall be listed on all seniority lists for which the teacher holds a license to teach full-time unless a teacher voluntarily removes his/her name according to 7-3-5.

Voluntary Removal of Name from Seniority List: A teacher may voluntarily remove his/her name from any District 281 seniority list by completing the proper district form and returning this form to the director of personnel services by November 15 of any year. The teacher's name will be removed from the designated seniority list, as posted by the district, and shall continue to be excluded from such list thereafter until replaced by the teacher as outlined below.
7-3-5 continued

The teacher may voluntarily replace his/her name on the designated seniority list by notifying the director of personnel services by November 15 of the calendar year preceding the year the teacher desires to have his/her name replaced on the designated seniority list.

7-3-6 **Lead Teachers in Special Education:** A separate seniority list shall be maintained for lead teachers in special education.

7-3-7 **Medical Leave:** The length of service for teachers on medical leave under 10-1-8 shall include up to two years of time spent on medical leave.

7-3-8 **Federation and Governmental Leave:** The length of service for teachers granted Federation leave or governmental leave under 10-1-6 shall include the time spent on Federation or governmental leave.

7-3-9 **Science Teachers:** Science teachers who possess a "science all" license shall be listed on each science seniority list and shall have the right to remove their name from any particular seniority list as provided in 7-3-5. No "science all" seniority list will appear in the seniority book.

7-4 **Termination of Rights:** A teacher's reinstatement rights shall be terminated based on any of the following events:

1. Voluntary removal by a teacher from a specific seniority list, in accordance with 7-3-5.
2. Resignation.
3. Retirement.
4. Discharge or termination of the teacher.
5. Expiration or revocation of valid teaching license.
6. Refusal or failure to return following recall.
7. A teacher on unrequested leave of absence who has not filed by April 1 of any year a written statement requesting reinstatement in accordance with Minnesota Statute 125.12, Subd. 6. The district shall inform teachers of this requirement at least thirty (30) days prior to the April 1 deadline.
ARTICLE VIII
ASSIGNMENTS AND TRANSFERS

8-1 Definitions:

8-1-1 Transfer: The term transfer, as applied in this section, means the transfer of teachers between school buildings or work sites.

8-1-2 Voluntary Transfer: A voluntary transfer is a transfer initiated by a teacher.

8-1-3 Involuntary Transfer: An involuntary transfer is a transfer initiated by the district due to the staff reduction, building closings, changing building enrollments, unsatisfactory work on the part of the teacher or programmatic needs on the part of the district.

8-1-4 Internal Building Staffing: The term internal building staffing or building settling refers to the process used by a principal in determining internal building assignments for the ensuing school year.

8-1-5 Displacement from Building: Displacement from building refers to the involuntary transfer of a teacher from a building when an excess of staff occurs in a particular department following unrequested leave and internal building staffing determinations.

8-2 Voluntary Transfers:

8-2-1 Transfers Effective for the Ensuing School Year: Teachers who wish to transfer from the school building to which they are assigned to another school building for the ensuing school year must follow the procedures described in Section 8-4.

8-2-2 Transfers Effective for Current School Year: Teachers who wish to transfer during the current school year may apply for vacancies which occur. Any such transfer shall be subject to the requirements in 6-10-1 and the final decision to approve such a transfer shall be retained by the school district.

8-3 Involuntary Transfers:

8-3-1 Involuntary Transfers Which Are Not Administrative Transfers: Except for involuntary transfers described in 8-3-2, involuntary transfers shall be made on the basis of district-wide seniority and area of licensure. All teachers involuntarily transferred shall follow the procedures in 8-4-4.
Administrative Transfers: This is a transfer which is initiated by the administration. Administrative transfers may be made for three reasons:

1. Changes in school enrollments which differ from projections made by the administration prior to the operation of the transfer pools (included in this category are changes in class enrollments which result from actual student registrations);

2. Unsatisfactory work on the part of the teacher;

3. Programmatic needs of the district.

8-3-2-1 Administrative Transfers Due to Changes in School/Class Enrollments: When transfers between schools are initiated on the basis of changes in school enrollments, or changes in projected secondary class enrollments, the teacher to be transferred shall be that person in the building who possesses the least district-wide seniority by area of licensure, or a teacher in the building who voluntarily agrees to the transfer.

At the elementary schools where this procedure would necessitate bumping in the building, the administration may choose to transfer the least senior teacher assigned to the grade level in which a position is to be eliminated rather than the least senior teacher in the building. The least senior teacher, as elsewhere in this Agreement, refers to the teacher possessing the least amount of district-wide seniority.

Transfers due to changes in school/class enrollments shall be initiated by the administration in the following manner:

Secondary transfers shall be initiated on or before the tenth (10th) student school day of each semester.

Elementary transfers shall be initiated on or before the fifth (5th) student school day after the following natural breaks:

a) the beginning of the school year for students;
b) parent/teacher conference day in the fall;
c) the end of the winter recess.
8-3-2-2 Administrative Transfers Due to Unsatisfactory Work on the Part of a Teacher: Except in unusual circumstances, when transfers are initiated on the basis of unsatisfactory work, the following steps will be taken:

Step 1: The principal shall complete a written evaluation of the teacher and shall make reasonable efforts to assist the teacher to improve performance.

Step 2: If the teacher's work performance remains unsatisfactory, the principal shall notify the teacher in writing, stating the reasons for the principal's dissatisfaction with the teacher's performance. The teacher shall have ten (10) teaching days in which to respond in writing to the principal's notice. A copy of the notice shall be sent to the elementary, secondary or special education director and director of personnel services who may offer in writing further corrective steps to be taken by the teacher after consultation with the teacher and the principal.

Step 3: After notice has been given to the teacher, and after corrective steps have been attempted, if the teacher's work does not improve to the satisfaction of the principal and appropriate administrator, and if in the judgment of the appropriate administrator a change in placement and assignment indicates a possibility for satisfactory work, a transfer to another building may be made before the end of the school year normally to become effective at the beginning of the next school year.

Step 4: The receiving principal shall be informed within a reasonable time in advance of the teacher's transfer and shall be informed of the steps taken or to be taken in attempting to assist the teacher to make a satisfactory adjustment.

8-3-2-3 Administrative Transfers Due to Programmatic Needs of the District: Transfers may be initiated on the basis of programmatic needs when:

(1) the course offering is required by the Minnesota Department of Education rules and/or regulations;
(2) the course offering is an elective and the offering is retained by the administration in the building curriculum;
(3) there exists a serious imbalance in the ratio of male/female teachers in physical education within a particular school so student locker room supervision cannot be provided by a teacher of the same sex based on current staffing. Transfers will be implemented by district-wide seniority and licensure.
8-4 Staffing Process

8-4-1 Internal Building Staffing: Internal building staffing occurs after the district determines its district-wide staffing needs by licensure area and before positions are posted in the transfer pools. Internal building staffing may occur again after the transfer pools are closed.

Assignments within a building and/or department shall be made by the building principal following consultation with the RFT chief building representative and the parties involved before any vacancies are openly declared. The principal has the final authority to determine placement within the building.

The dates for internal building staffing are set by the School Board, based upon the recommendation of the educational policies committee.

A full-time teacher assigned to more than one building is considered assigned to that building which is the largest portion of their total assignment. If the largest portions are equal, among and between buildings, the teacher must designate which of their buildings is to be their assigned building for the school year by October 1 of the school year. This does not apply to part-time teachers, even if the teacher possesses the right to retain a full-time position as outlined in 6-18.

8-4-2 Displacement of Teachers from Buildings: After internal staffing occurs, it may be necessary to displace some teachers from one or more buildings. If this occurs, the teacher or teachers with the least district-wide seniority shall be displaced from the buildings by area of licensure and their names placed in Transfer Pool 1.

8-4-3 No Bumping: No teacher may use the transfer provisions of the contract to bump from a building another teacher with similar licensure and area of teaching who may have less seniority in the district.

8-4-4 Transfer Pools: There shall be two transfer pools. The first pool to begin in a contract year shall be entitled Transfer Pool 1, and the second pool to begin in a contract year shall be entitled Transfer Pool 2. Teachers wishing to voluntarily transfer for the ensuing school year may place their names in either of the two pools. Teachers involved in involuntary transfer shall have their names placed in Transfer Pool 1 and if a position is not secured during the period of the first pool, shall have their names placed in Transfer Pool 2.
8-4-4 continued

A teacher may voluntarily join Transfer Pool 2 by notifying the director of personnel services, in writing. Assignments for teachers whose names are in Transfer Pool 2 are determined on the basis of seniority and area of licensure. A teacher who chooses to join Transfer Pool 2 automatically gives up the teacher's building assignment.

8-4-4-1 **Transfer Pool 1**: Transfer Pool 1 will contain the names of the following:

d. Withholding of a salary increase or increment;
e. Suspension without pay;
f. Discharge in accordance with 9-6.

9-2 Meeting at Which Disciplinary Action Is Taken: Disciplinary action taken pursuant to this Article shall be administered at a meeting called for such purpose. The teacher shall receive written or oral notice of the meeting and except in the case of an oral reprimand, shall be entitled to Federation representation. In unusual circumstances, when warranted, disciplinary action may be taken immediately by the administration. In such situations, a meeting will be scheduled thereafter when practicable to discuss the matter with the employee.

9-3 Notice: Except in the case of an oral reprimand, the affected teacher and the Federation shall be provided a written copy of the disciplinary action imposed.

9-4 Appeal to Grievance Procedure: Except as noted in Section 9-5 below, disciplinary action taken pursuant to this Article may be appealed to the grievance procedure as contained in Article V of this Agreement. Except in the case of a written reprimand, grievances shall be initiated at Step III and shall be subject to the arbitration provisions of the grievance procedure.

9-5 Reprimands: Oral reprimands shall not be subject to the grievance procedure. Written reprimands, under normal circumstances, shall be presented to a teacher in person at a meeting called for this purpose. The teacher shall be requested to sign a copy of the reprimand to be filed in the teacher's personnel file with the understanding that this means that the teacher has read the reprimand, but not that the teacher necessarily agrees with its contents or accuracy. If a teacher refuses to sign the reprimand, it may be placed in the teacher's personnel file by the administration with a notation indicating the date the meeting was held to review the reprimand and the fact that the teacher refused to sign the copy placed in the file. The teacher shall be afforded up to 14 calendar days to respond in writing to the reprimand and the teacher's response shall be attached to the file copy of the reprimand.

ARTICLE X
LEAVES OF ABSENCE

10-1 Leaves of Absence Without Pay:

10-1-1 Military Leaves:

10-1-1-1 Involuntary Service: Faculty members involuntarily called for military service shall receive credit for experience and seniority as if they had been on staff.

10-1-1-2 Reserve Service: Any teacher who is a member of a reserve component of the armed forces who is required to perform active, full-time duty shall be granted leave from the teacher's teaching duties for such purpose.

10-1-1-3 Physical Handicaps: Every effort will be made to place returning teachers with physical handicaps.

10-1-2 Child Care Leave: Child care leave will be granted because of the need to prepare and provide parental care to a natural-born or adopted child or children. In the case of natural birth, child care leave may be utilized separately or in conjunction with pregnancy-related disability described in 10-1-2-3-4.

10-1-2-1 Initiation of Leave: A teacher making application for child care leave shall submit a written request to the director of personnel services at least two (2) calendar months before commencement of the intended leave. A pregnant teacher will also provide at the time of the leave application a statement from her physician indicating the expected date of delivery.
The School District may adjust the proposed beginning or ending date of a child care leave so that the dates of the leave are coincident with some natural break in the school year; i.e., winter vacation, spring vacation, semester break, or quarter break, end of a grading period, end of the school year or the like.

10-1-2-2 Return: The anticipated date of return shall be stipulated at the time leave is requested. In stating beginning and returning dates, teachers shall keep in mind the importance of continuity of instruction. The return date may be changed at a later time by mutual agreement of the teacher and the director of personnel services. Upon return the teacher shall be assigned the position previously held by seniority and license or a comparable position.

10-1-2-3 Length of Leave: Each child care leave shall not exceed two (2) full school years. The school year in which the leave begins is to be counted as one of the two years. Teachers on child care leave may apply for an additional year of leave under 10-1-7-3.

10-1-2-4 Failure To Return: Failure of the teacher to return pursuant to the dates determined under this section shall constitute grounds for termination unless the School District and the teacher mutually agree to an extension in the leave. This provision does not apply to an initial twelve-month leave.

10-1-2-5 Probationary Teachers: The time a teacher spends on child care leave shall not be counted in determining the completion of the teacher's probationary period.

10-1-2-6 Sick Leave Benefits: Pregnancy-related disability shall be treated the same as any other disability. At the teacher's discretion the provisions of this section may be utilized separately or in conjunction with the child care leave provisions described in 10-1-2. The sick leave provisions described in 10-2-2 shall be available for pregnancy-related disability.

A licensed physician's statement, submitted at the time a pregnant teacher requests sick leave benefits, will determine a reasonable period of time in which the patient is judged by medical criteria to be unable to perform employment responsibilities.
The individual in question may choose not to use the sick leave provision in Section 10-2-2, in which case the individual would have the right to request a leave of absence as provided in this section.

A teacher may choose to use a combination of sick leave for a reasonable length of time as determined by a licensed physician's statement and leave of absence for a further extended period of time.

10-1-3 **Federal Programs:** Teachers enlisting or participating in federal programs may be granted leaves of absence of up to two years with credit for these years of experience on the salary schedule and seniority lists. Teachers who elect to take a year or more of leave to teach in another school district in this country, or abroad, aside from experiences in federal programs set forth above, shall receive no credit for those years of experience on the District 281 salary schedule or the seniority list.

10-1-4 **Part-time Teaching Provision for Teachers with 20 or More Years of Allowable Minnesota TRA Service:** The district may, at its discretion, grant such leaves in accordance with Minnesota Statute 354.66. Teachers granted such leave shall be solely responsible for all retirement contributions. Approval of the teacher's principal or immediate supervisor and the personnel office is required. Applications for this type of part-time employment must be received by the district personnel office no later than February 1 of the school year prior to that which it would apply. Exceptions to the February 1 deadline may be granted by the School District at its discretion.

10-1-5 **Extended Leaves of Absence:** The district may, at its discretion, grant extended leaves of absence consistent with Minnesota Statute 125.60. Teachers granted such leaves shall be solely responsible for all retirement contributions. Approval of the personnel office is required. Applications for extended leaves must be received by the district personnel office no later than February 1 of the school year prior to that which it would apply. Exceptions to the February 1 deadline may be granted by the School District at its discretion.

10-1-6 **Federation or Government Services:** Leaves will be granted for teachers who apply for such leave because they are elected or appointed to perform service for the federation or who are elected to a state or federal office in government. The leave shall extend for the entire time needed to complete the assignment and teachers granted such a leave shall retain their original date of hire.
10-1-7 Other Leaves of Absence Without Pay:

10-1-7-1 **Purpose:** Leaves of absence without pay will be considered for the following purposes: study, teaching in a foreign country, accompanying spouse on temporary assignment out of the area, rest, travel, recuperation or other purposes approved by the School Board.

10-1-7-4 **Seniority:** Teachers who are granted a leave under Section 10-1-7 do not accrue seniority for the time of the leave.

10-1-8 **Medical Leave:** A teacher may request in writing to be placed on medical leave. Teachers granted such leave shall continue to accrue seniority in accordance with Section 7-3-7.

10-2 Leaves of Absence With Pay:

10-2-1 **Sabbatical Leaves:** The School Board will grant a number of sabbatical leaves which is equal to .8 of one (1%) percent of the number of full-time equivalencies (FTEs) included in the teachers' bargaining unit provided the program submitted by each applicant meets the criteria established by the educational policies committee and administered by the sabbatical leave committee.

10-2-1-1 **Qualifications:** Teachers shall be eligible for sabbatical leave after each seven consecutive years of teaching in District 281. Time spent on authorized leaves of absence neither contributes to nor interrupts the accumulation of consecutive years of teaching.

10-2-1-2 **Time To Apply:** Applications for sabbatical leave must be made on forms available in the office of the superintendent on or before February 1. Successful applicants will be notified on or before April 1.
10-2-1-3 **Salary:** The sabbatical salary for a teacher with seven to 10 years of experience in District 281 shall be 50 percent and a teacher with 10 or more years 60 percent of the salary to which the teacher would be entitled for full-time work during the sabbatical year payable on the regular payroll schedule. Upon request from the teacher on sabbatical at 50 percent of the salary, the School Board will pay 75 percent of the teacher's regular salary during the sabbatical year. The year following the sabbatical, 25 percent of the previous year's salary will be deducted from the teacher's regular salary. Upon request from a teacher on sabbatical leave at 60 percent of salary, the School Board will pay 80 percent of the teacher's regular salary during the sabbatical year. The year following sabbatical, 20 percent of the previous year's salary will be deducted from the teacher's regular salary.

10-2-1-4 **Requirements:** (1) The teacher will undertake a program which is designed to help the teacher better perform the teacher's professional duties upon return, (2) the teacher with less than an MA degree must have been accepted in a graduate school and have attained at least a BA degree; (3) the teacher must submit for approval a summary of plans for study, research and/or travel; (4) if a sabbatical leave is granted solely for study, the recipient will earn a minimum of 30 quarter hours during the sabbatical year and one summer or equal work by writing a thesis or other work as approved by the teacher's graduate adviser and the superintendent.

10-2-1-5 **Supplemental Compensation:** The teachers on sabbatical leave may augment their sabbatical salary with aids, fellowships, scholarships or other stipends up to an amount which when added to the sabbatical salary will not exceed the amount of their basic salary.

10-2-1-6 **Return Requirement:** The teacher must agree to serve as assigned in District 281 schools for two years after the sabbatical leave or repay to the district all compensation and fringe benefits received from this district while on sabbatical leave within a period of two years.
10-2-1-7 Return Privileges: A teacher returning from sabbatical leave shall have the right to return to the same building and position vacated with the provisions that (1) the building is still open; and (2) the teacher is entitled to the position by seniority date. The teacher shall notify the personnel office by December 1 of the intent to return to the original position. If the number of teachers in a building department or elementary grade level from which a teacher is granted a sabbatical leave is reduced effective for the year the teacher is scheduled to return, the teacher in that building department or elementary grade level to be transferred out of the building would be the one who transferred in during the year the teacher was on sabbatical leave.

10-2-2 Sick Leave: Sick leave of 10 days will be granted for each school year and shall accumulate without limit. All absences pertaining to illness, medical or dental appointments shall be deducted from sick leave.

10-2-2-1 Critical Illness: Five days of sick leave may be used by a teacher for critical illness or surgery in the immediate family which shall be defined as spouse, child, parent and legal guardian. Requests to have such leaves deducted from sick leave are to be directed through the principal's office to the personnel office. All leaves will be deducted from salary unless approved by the personnel administrator.

10-2-2-2 Sick Leave Pool: The School Board agrees to maintain a sick leave pool. Sick leave pool bylaws will appear in the faculty manual.

10-2-3 Bereavement Leave: A leave of absence with pay, not to exceed five (5) days, shall be granted because of the death in the teacher's immediate family, which shall be defined as spouse, child, parent or legal guardian.

Up to three (3) days shall be granted because of death in the family, which shall be defined as sister, sister-in-law, brother, brother-in-law, parent-in-law, son or daughter-in-law, grandparents and grandchildren.

In addition to the leave specified in this section, teachers may use up to three (3) days personal leave for death.

10-2-4 Personal Leave: Each teacher shall be granted up to three (3) days of personal leave per year without salary deduction. Each day used for personal leave will be deducted from sick leave.
Teachers may use one of the three days without providing a reason as long as the day used falls within one of the stated thirteen reasons listed below. To be eligible to take a personal day without providing a reason, the teacher must have used three (3) or fewer sick leave days the previous year.

Personal leave shall be granted for the following reasons only:

1. Attendance at the funeral of a close friend.
2. Attendance at the funeral of a relative NOT in the immediate family. (Requests for attendance at the funeral of the immediate family should be submitted on the form entitled, Family Emergency Leave Application.)

12. Religious Holidays. (See Section 6-5.)
13. Inclement weather, where the main avenue of travel is closed by the state highway department or where travel by automobile is otherwise impossible. This provision does not cover a teacher who is traveling from a residence or within the seven-county metropolitan area. A travel advisory or warning is not sufficient to establish that travel is impossible.
The Following Situations Are Not Covered Under Personal Leave:

1. Absence connected with a second income.
2. Absence involving personal recreation, social activities, or attendance at a convention or meeting with a spouse.
3. Interviews and examinations for employment other than that approved in number 6 above.

ARTICLE I - SALARY CALCULATIONS AND GENERAL PROCEDURES

1-1 **Salary:** Salary is determined by multiplying the ratio times the dollar figure listed on step 10 of the MA lane of the teachers' salary schedule as outlined in 1-1-1 and 1-1-2.

1-1-1 **Athletic Sections:** Calculations of 1987-88 and 1988-89 salaries for positions listed in the Athletic Sections of Articles II, III, IV shall be based on $36,885, which is the dollar figure listed on Step 10 of the MA lane of the 1986-87 teachers' salary schedule.

1-1-2 **Fine Arts, Other and District-wide Activities:** Calculations of 1987-88 salaries for positions listed in the fine arts and other sections of Articles II, III, and IV and for positions listed in the district-wide activities Section in Article V, shall be based on a dollar figure of $36,885, which is the dollar figure listed of Step 10 of the MA lane of the 1986-87 teachers' salary schedule. Calculations of 1988-89 salaries for these same positions shall be based on $38,176 which is the dollar figure listed on Step 10 of the MA lane of the 1987-88 teachers' salary schedule.

1-2 **Experience:** Beginning with the ninth year of experience as coach or director in the same activity, the salary as calculated shall be multiplied by 1.1. Experience shall be defined as the cumulative number of years spent directing or coaching in the same activity whether the activity is men's or women's, the position head or assistant, or the level elementary, junior or senior high school.

1-3 **Reports and Payment:**

a. The sponsor of each activity which has a fee attached shall make a report in duplicate to the principal. One copy shall be forwarded to the coordinator of athletics.

b. Payment of extracurricular salaries shall be made as scheduled in the District 281 faculty handbook. The first payment for directors or coaches of year-long activities shall be made prior to November 1.

1-4 **Pay for Participation in Post-season Tournaments:** A salary of $200 per week will be paid to head coaches (assistants $150) of athletic activities listed in Article II if their team or individuals on their team are involved in post-season playoffs. A week consists of three or more days.
1-5 **Junior High Schools:** All appointments to positions under Article III Junior High Schools, shall be made by the junior high school building principal.

Because we have three junior high school buildings, we wish to maintain some degree of uniformity in the programs offered to the student body in each building. Close cooperation between building principals and the central office must be maintained.

The sponsor of each activity which has a fee attached thereto must make a report at the end of the session to the building principal. These reports will be submitted in duplicate and one copy shall be forwarded to the coordinator of athletics. They will include a schedule of the number of games played, scores, number of students participating throughout the season and complete evaluation of the entire extra activity program annually.

A complete list of all appointments made by the principal under this schedule shall be filed in duplicate with the coordinator of athletics the end of the first week of school.

1-6 **Scheduled Levels:** Where more than one scheduled level of an activity is mandated by the high school league, where at least two-thirds of the Lake Conference schools are offering that level and where a coach is available and where sufficient students exist to support each level; then such scheduled levels shall be provided by District 281 high schools, unless the specific level or entire program has been eliminated by the School Board.

1-7 **Junior High Schools:** Beginning in 1988-89 the term junior high school will read middle school.

1-8 **Joint Federation/District Study Committee:** The Federation and District agree to form a joint committee to study extracurricular pay. The charge of the committee shall be to review pay schedules in Lake Conference schools, to recommend ratio changes, when appropriate, in the extracurricular section of the Collective Bargaining Agreement and to suggest additions or deletions from the District 281 extracurricular program. The committee shall provide a report to a joint meeting of the Federation and district negotiation teams no later than June 1, 1989.

**Posting Extracurricular Positions:**

1. When a vacancy occurs in an extracurricular position, the principal shall make it known to the building staff through the **Principal's Bulletin**. The principals may also make the vacancy known to the district staff through the **Direct Line** or the **Personnel Report**.
Posting Extracurricular Positions – continued

2. If the position is not filled by a member of the building staff the principal shall publish notice in the Direct Line or the Personnel Report.

3. The principal may also advertise the position to people other than the District 281 staff by any means of communication.

4. If the position is not filled by a building staff member, it will not be filled until at least three (3) school days following notice in the Direct Line or the Personnel Report. As the Direct Line or the Personnel Report is not published during vacation periods, (summer, winter, spring), the three school days waiting period shall not apply; however, the principal will make an effort to inform people who might be interested.

Filling Vacancies: The principal is given final authority to fill all positions listed in the extracurricular portion of the collective bargaining agreement unless directed not to by the School Board or the coordinator of athletics.

In filling extracurricular positions, the principal shall normally choose bargaining unit employees over nonbargaining unit employees, and when selecting a bargaining unit employee, shall normally choose one assigned to the principal's building during the regular school day over one who is assigned elsewhere. Should the principal choose a nonbargaining unit employee for an extracurricular position for which one or more bargaining employees have applied, the principal shall inform the bargaining unit employee(s) as to the reasons, but only when requested to do so by the bargaining unit employee(s). The reason(s) shall be either verbal or written based upon the employee's request.

If neither the School Board nor the coordinator of athletics have ordered a principal not to fill a certain position listed in the collective bargaining agreement, and yet the principal has chosen not to fill the position, a teacher, parent or student may appeal to the coordinator of athletics.
ARTICLE II -- SENIOR HIGH SCHOOL ACTIVITIES

2-1 **Athletic:** The beginning and conclusion of the season will be as outlined in the *Minnesota State High School League Handbook*.

It is understood by the Federation and the district that all provisions of the Collective Bargaining Agreement except Sections 6-3, 6-4, 6-5, 6-6, 6-7, 6-8, 6-9, 6-10, 6-11, 6-12, 6-13, 6-14, 6-18, 10-1-4, 10-1-5, 10-2, as well as all of Articles VII, XII, and XIII apply to that class of employees referred to as Creative Play teachers. If there is any deviation from this understanding, it is either noted in the specific Article and Section, or is delineated below in this Appendix.

It is understood that because the program is dependent upon parent fees for staff salaries, enrollment plays a significant role in the number of hours worked per week, as well as the offering of specific classes.

1. **Seniority:** Creative Play teachers shall accrue seniority on the date the teacher is hired to work as a Creative Play teacher.

2. **Staff Reduction:**

   A. **Release:**

      1. When it is necessary to reduce the number of Creative Play teachers at the beginning or end of the school year, a teacher with the least seniority shall be laid off first.

      2. If during the school year a reduction in staff becomes necessary in Creative Play, the teacher whose class is affected shall be the one to be laid off.

   B. **Recall:** Recall shall be in seniority order. The teacher with the most seniority shall be recalled first from the layoff list.

3. **Holidays:** Creative Play teachers scheduled fifteen (15) hours per week or more, are eligible for two (2) paid holidays during the school year. Teachers scheduled for nine (9) hours per week or more, are eligible for one (1) paid holiday during the school year. Holiday leave may be taken subject to mutual agreement between the teacher and the supervisor and may be used for religious holidays.

4. **Insurance:** Creative Play teachers may participate in the insurance programs provided in this Agreement. These include: hospitalization/major medical (13-1), long-term disability (13-2), term life insurance (13-3), and dental (13-4). The amount of board participation is described in 13-7-2. In order for a teacher to be eligible to participate in the above-noted programs, the employee must work the requisite number of hours required by the program for participation (20) hours per week for hospitalization/major medical, life and dental, 25 hours per week for long-term disability.
5. **Sick Leave:** Creative Play teachers scheduled for fifteen (15) hours per week or more, are eligible for three (3) paid sick leave days during the school year. Sick leave may be used by the teacher for religious holidays.

6. **Professional Leave:** Professional leave may be granted to teachers scheduled fifteen (15) hours per week or more to attend meetings, seminars, school visitation, etc. for the purpose of improving the educational proficiency of the teacher. One day can be scheduled each year; request for such leave must be submitted at least one week in advance to the program director.

7. **Workshop Attendance:** Creative Play teachers will be paid their regular hourly rate for time spent in attendance at approved in-service training and staff meetings required by the School District or their supervisors.

8. **Snow Days:** Teachers will be paid up to one (1) snow day per school year if classes in District 281 are canceled.
