It is intended that every right given to either Party under this Agreement shall be given individually to every one of the Individual Parties making up the Parties to this Agreement enforcing the same as though such party were named as the sole party to this Agreement.

ARTICLE I - PURPOSE AND PRINCIPLES

1. **THIS AGREEMENT** is entered into to prevent strikes and lockouts; to facilitate peaceful adjustment of grievances and disputes between Employer and Employee; to prevent waste, unnecessary and unavoidable delays and the results through them to the Employer of costs and expense and to the Employee of loss of wages; to enable the Employer to secure at all times sufficient forces of skilled workmen; to provide as far as possible for the continuous employment of labor; to provide that employment hereunder shall be in accordance with conditions and at wages herein agreed upon and by reason of this Agreement and the purpose and intent thereof, to bring about stable conditions in the Industry, keep costs of work in the Industry as low as possible consistent with fair wages and proper working conditions, as provided for hereunder; and further to establish and set up the necessary procedure for amicable adjustment of all disputes or questions that may arise between the Parties, or any of them, so that the foregoing purposes may be brought about and accomplished.

2. Both Parties to the Agreement believe that Uniform Agreement, if adopted by the Unions and the Employers engaged in *Heavy and Highway Construction* would further the interests of that Industry, and further believe that such a Uniform Agreement should contain the following principles:

- (b) That there shall be no restriction of the use of machinery, tools or appliances except as hereinafter modified by this Agreement.

(c) That no person shall have the right to interfere with the workmen during working hours.

(d) If any of the Parties of the First Part engage in any class of work not embodied in Heavy and/or Highway Construction as hereinafter defined, then this Agreement is of no force or effect on any such contract.

1. It is agreed that on the eighth (8th) day following the beginning of employment of a workman or the effective date of this Agreement, whichever is later, membership in the Union shall be a condition of employment. The hiring of new workmen and the discharging of employees upon the request of the Union shall be in accord with the Labor Management Relations Act of 1947, as amended.
2. In hiring new employees, the Employer shall give the Local Union equal opportunity with all other sources to refer suitable applicants.
3. Authorized representatives of the Union shall be allowed to visit jobs during working hours to interview Employer and Employees, but in no way shall interfere with or hinder progress of the work. Said representatives shall notify the field office, if possible, of their presence on the job.

ARTICLE IV - GRIEVANCE AND ARBITRATION PROCEDURES

1. During the term of this Agreement, neither Party shall order or permit any lockout, strike or other work stoppage or slowdown. Further, the Union will not aid, support or permit unauthorized strikes, slowdowns or work stoppages by its members.
2. Grievance Procedure: All grievances or disputes involving any controversy, dispute or misunderstanding arising as to the meaning, application or observance of any provisions of this Agreement shall be handled in the manner hereinafter set forth.

- Step 1. All grievances must be made known in writing to the other party within seven (7) working days after the reason for such grievance has occurred. An authorized representative of the Union shall first submit a written grievance to the Job Superintendent, or his duly authorized representative. The authorized representative of the Union of the Employee or Employees involved shall be present at any meeting between the Job Superintendent and such employee or employees. The Job Superintendent or his duly authorized representative must make a written disposition of the matter within forty-eight (48) hours after the submission of such written grievance thereto.
- Step 2. If the disposition of the matter by the Job Superintendent or his duly authorized representative is not satisfactory, the matter must be taken up by the Business Agent, and representative of the Employer with authority to act within forty-eight (48) hours of the written disposition set forth in Step 1.
- Step 3. If the disposition of the matter in Step 2 is not satisfactory, the Business Manager shall attempt to resolve the matter with the Assistant Managing Director, AGC within forty-eight (48) hours after Step 2.

3. Arbitration: If Step 3 is not successful, the grievant shall request a list of seven (7) arbitrators from any one of the following sources: (1) the panel arbitrators of the New York State Employment Relations Board; (2) the Federal Mediation and Conciliation Service or (3) the labor panel of the American Arbitration Association for final and binding decision. Such request shall be no later than seventy-two (72) hours after Step 3. Both parties agree to submit to such arbitration and be bound by and follow the decision rendered. Failure to do so on the part of the grievant shall deem the grievance as closed. The arbitrator shall be selected by alternately eliminating names from the seven (7) person list until one remains, the grievant or his representative shall strike the first name.

The arbitrator shall not have jurisdiction or authority to add to, modify, detract from, or alter in any way the provisions of this Agreement or any amendment or supplement thereto or to add new provisions of this Agreement or any amendment or supplement thereto. If the arbitrator should determine that the grievance is not covered by this Agreement, he shall return the grievance to the parties without decision and the grievance shall be closed. In such a case, the costs, if any, shall be borne by the grievant.

4. Violations concerning wages, hours, and all fringe benefit payments shall not be subject to the grievance procedure. In such cases, the Union shall give three (3) working days notice to the Employer that the Union will withdraw its men from the Employer's service. If the Employer contends there is a question of fact regarding the alleged violation, he may file for arbitration within the aforesaid three (3) working days. When a request for arbitration has been initiated, there shall be no work stoppage pending resolution of the dispute pursuant to this Article. Work jurisdiction, that is, disputes with respect to whether one group of employees or another group of employees shall perform certain work on the project is expressly not arbitrable under this contract.

5. The costs of arbitration, which shall include the fees and expenses of the arbitrator shall be borne by the Company in case its principal contention is rejected by the arbitrator, and by the Union in case its principal contention is rejected by the arbitrator, except, however, that each party shall pay all the fees of its own representatives and witnesses. Any dispute as to whose principal contention is rejected shall be determined by the arbitrator. In the case that both parties' principal contention is upheld in part, the arbitrator shall designate what part of the costs are to be borne by which party according to the relative merits of each party's position.

1. If the Union enters into any agreement with any individual Employer or group of Employers performing work covered by the terms of this Agreement and that Agreement provides for more favorable wages, hours or conditions to any other Employer, the Employers signatory hereto, after sending written notice of such intention, shall be afforded the privilege to adopt such advantageous terms and conditions.

2. This clause shall not apply to isolated or emergency situations which may occur from time to time under regular job conditions, nor shall this clause apply to any project agreement that is put in place before the bid.

ARTICLE XIX - JURISDICTIONAL DISPUTES

1. The parties hereto mutually agree that if the Employer receives written notification from two (2) or more Unions contesting a work assignment, the Employer shall maintain his work assignment until the dispute has been resolved in accordance with the following procedure.

(a) Contesting Unions and the Employer shall attempt to resolve disputes. If unable to do so within forty-eight (48) hours (Saturday, Sunday and Holidays excluded) then;

(b) The parties to this Agreement shall meet for the purpose of resolving the dispute. If unable to resolve said dispute within forty-eight (48) hours (Saturday, Sunday and Holidays excluded) then;

(c) The parties to this Agreement will refer said dispute to their International Union and National AGC. If they are unable to resolve said dispute within five (5) days (Saturday, Sunday and Holidays excluded) then;

(d) The parties to this Agreement shall have exhausted their internal remedies and may then seek resolution through the NLRB and/or the Courts. No legal action may be initiated before such internal remedies are exhausted.

2. Neither party shall order or permit any lockout, strike, or other work stoppage or slowdown. Further, the Union will not aid, support or permit unauthorized strikes, slowdowns or work stoppages by its members with respect to a jurisdictional dispute.

ARTICLE XX - DURATION

This Agreement shall remain in full force and effect from April 1, 2004 to March 31, 2008. It shall be renewed from year to year unless either party serves written notice that it desires to modify or terminate the Agreement at least sixty (60) days prior to March 31, 2008, or sixty (60) days prior to March 31 of any year thereafter.

ARTICLE XXI - SAVINGS CLAUSE

In the event that any State or Federal Statute or Law shall supersede or invalidate any clauses in this Agreement, such Statute or Law shall prevail over any such clause; however, the other provisions of this Agreement shall be valid and remain in full force and effect. In the event that any section or portion thereof shall be declared invalid, it is further agreed that the parties hereto shall meet within a period of sixty (60) days to redraft a new section or portion thereof, which shall be valid and which shall replace that section or portion thereof declared invalid.

ARTICLE XXII - FUND CONTRIBUTIONS

1. (a) The Employer agrees to contribute to the following funds in the proper amount hereinafter set forth in Article XXX for each actual hour paid:

1. Local 106 Training Fund
2. Engineer's Joint Welfare Fund
3. Engineer's Joint Pension Fund
4. Central Pension Fund
5. Personal Account Plan

Such contributions are to be remitted to the proper above mentioned Funds, all of which are located at 101 Intrepid Lane, Syracuse, New York, 13205 in the mode and manner as determined by the Board of Trustees of each respective fund, pursuant to the terms of Agreements and Declarations of Trusts between the Labor Relations Division, Associated General Contractors of America, New York State Chapter, Inc., and Local Unions 17, 106, 463, 545, and 832 of the International Union of Operating Engineers.

(b) It is further agreed that the Employers signatory hereto agree to contribute to the Engineer's Central Pension Fund the proper amounts hereinafter set forth in Article XXX for each actual hour paid.

2. Notwithstanding any other provision contained in this Agreement, the parties agree that any Employer who becomes delinquent in the payment of contributions due to the Funds after notice has been served upon such delinquent Employer and the Association, the Employer shall be liable for not only the amount of contributions due, but in addition thereto, any such Employer agrees to pay interest, costs and fees of collection, legal fees not in excess of twenty percent (20%) of the amount of said delinquency and the costs of an audit if auditing procedures are necessary to ascertain the amount of the delinquencies. The failure of any Employer to make timely and proper contributions and remittances to the Funds shall not relieve any other Employer from making such payments.

3. It is further agreed between the parties hereto that in addition to the provision contained in the preceding paragraph, the Union is granted the unequivocal right, with respect to any delinquent Employer, to declare this Agreement breached and at the option of the Union said Agreement may be considered terminated upon seventy-two (72) hours notice to any such delinquent Employer. In the event that the Unions exercise such option under this section, such delinquent Employer agrees to pay as liquidated damages, each of said Employer's employees in the collective bargaining unit of the Unions, their regular rate of pay for all time lost from work as a result of the Employer's delinquency to the above listed Funds.

4. The parties hereto recognize that the Unions, the Funds, and/or any affiliated Fund may make contributions to the respective Funds for and on behalf of their employees. Such contribution shall be in the same amount and payable in the same manner as are made by other contributing Employers.

5. The parties agree that effective July 1, 2000, \$1.20 per hour of the Engineers Joint Welfare Fund's hourly contribution shall be allocated into a Personal Account Plan administered by the Trustees of the Engineers Joint Welfare Fund.

Such Agreements and Declarations of Trust and Policies, together with any amendments to the Trusts or Policies, are hereby incorporated herein by reference as if fully set forth herein.

7. The parties to this Collective Bargaining Agreement hereby agree that the signing of this Agreement shall constitute an obligation to be bound by the terms and conditions of said Agreements and Declarations of Trust of the Funds, the Collection Policy, the Withdrawal Policy, and the Mistaken Contribution Policy, as if said Agreements and Declarations of Trust of the Funds and Policies were fully set forth herein and made a part thereof.

8. In the areas of the operation and administration of the Funds and any other areas of responsibility or authority delegated to or reserved to the Funds' Trustees under the Employee Retirement Income Security Act of 1974 ("ERISA"), including, but not limited to, collection of delinquencies, return of contributions, and the rights and remedies of the Funds when collecting

delinquencies, if the terms of this Agreement conflict with the Agreements and Declarations of Trust of the Funds and/or the Policies, the terms and provisions of the Agreements and Declarations of Trust and the Policies will govern and supersede any inconsistent provision of this Agreement.

ARTICLE XXIII - SUBCONTRACTING

1. It is agreed by and between the parties hereto, that if the Association, parties hereto, subcontract job site work falling within the terms of this contract, provisions shall be made in each subcontract for the compliance by said subcontractor with terms, conditions of employment, wage supplements and wage rates not less than those contained herein. It is further agreed that prior to the subcontractor starting work, said subcontractor shall be in contractual relations with the Union and will meet with the Union for a pre-job conference if requested. It is fully intended to protect Contractors and the Operating Engineers that they employ.

2. A subcontractor is defined as any person, firm, partnership, self-employed person or corporation who agrees, under contract, with the general contractor or his subcontractor to perform on the job site any part or portion of the work covered by this Agreement, including the operating of equipment, performance of labor and installation of materials.

3. Notwithstanding anything contained in this Article, the provisions hereof shall not be applicable to a serviceman of a secondary Employer on the job site for the purpose of performing work on any new construction equipment which is covered by a warranty only for a reasonable period of time with respect to the warranty as to such equipment.

4. An owner-operator renting his machine to a contractor, shall be on said contractor's payroll as an employee and shall be governed by the terms and conditions of this Agreement. Separate checks shall be paid to the owner-operator for wages and leasing of such equipment.
