6.10.3 Placement on the Career Lattice

6.10.3.1 At the time of initial appointment to a regular aide position on the career lattice, the Classified Personnel Services Department will evaluate an employee's educational training to determine proper class placement with the limitation that no employee may be placed higher than the instructional assistant I level. Employees who meet the 10th grade training requirement, pass High School Proficiency Test and who have completed less than thirty (30) approved college units shall be placed in the instructional aide classification. Employees who have completed thirty (30) or more approved college units before the first day of required service shall be placed in the instructional assistant I classification.

6.10.3.2 When an employee is reassigned to a class on the career lattice, and the employee has been serving in a classification not on the career lattice which includes classroom duties and responsibilities (i.e., school community worker, teacher assistant-bilingual), the time served in the prior classification shall be considered for purposes of meeting experience requirements for the
instructional assistant II or teacher associate levels. All
time served in a Board-elected position shall be
considered for this purpose.

6.10.4 Promotional Advancement on the Career Lattice

6.10.4.1 Twice annually, on September 1 and April 1, the
Classified Personnel Services Department will review
employees' training and experience to determine eligibility
for movement on the career lattice. The deadline for filing
units and meeting experience requirements shall be
October 1 for the changes which will be made retroactive
to September 1 and the deadline for filing units and
meeting experience requirements shall be March 1 for the
changes in April. Employees who meet training and
experience requirements shall be reassigned to the next
higher step on the career lattice effective September 1 for
the September changes and April 1 for the April changes.

6.10.5 Types of Units Accepted

Acceptable units must meet the following requirements:

or four-year fully accredited college or university. Units
which are earned prior to an employee's date of hire and
which are otherwise acceptable for this career lattice,
shall be counted for placement on the career lattice.

6.10.5.2 The units are for courses which will improve the
employee's performance in his or her present position or a
position in the same or related classification sequence.

6.10.5.3 The units must not have been applied towards the
District's professional improvement program for classified
employees.

6.10.6 Prior Approval

Prior approval may be requested before undertaking any
course(s) or overall program of study if acceptability for
movement on the career lattice is doubtful. Prior approval
forms may be requested through the Classified Personnel
Services Department.

6.10.7 Filing of Units

Transcripts or official grade cards containing evidence of
units earned should be filed immediately upon completion,
but in no case can units be considered which are not
received by the Classified Personnel Services Department
by October 1 for changes which will be made retroactive
to September 1 and March 1 for changes in April.
Records filed will not be returned to the employee. At the
time of initial placement on the career lattice, employees
have a maximum of sixty (60) days from their first day of
required service in which to file units.
Salary Step Placement

An employee, upon initial appointment, shall be placed on the first step of the salary range of the classification to which they are appointed. 6.10.8.1 If eligible, the employee first shall be granted an earned increment on his/her previous range.

6.10.8.2 If the previous salary, including increment adjustment, is below the first step in the new range, the employee shall be placed on the step which most closely approximates a five percent (5%) salary increase.

6.10.8.3 If the previous salary, including increment adjustment, is found on the new range, the employee shall be placed one (1) step higher.

6.10.8.4 If the previous salary, including increment adjustment, is in between steps on the new range, he/she shall be placed two (2) steps higher.

6.11 Repayment of Money Owed to the District

If excess monies are paid or advanced to an employee, or monies are owed to the District for any reason, the employee is liable and responsible for repayment of the monies owed in the manner prescribed in 11.1 through 11.5 of this article following.

6.11.1 The District shall notify the employee of the amount and nature of the overpayment. This notification shall be given to the employee not less than 30 days prior to the deduction of the amount owed from the employee's paycheck and shall include the language set forth in Section 11.2 and 11.3 below. If the employee does not dispute the debt, the District may begin deducting from the next regular paycheck an amount equal to 5% of the total debt owed until the debt is repaid or $10 whichever is greater, but in no event shall the deduction exceed 5% of the employee's net paycheck. Nothing in this section shall preclude an employee from agreeing to repay the debt owed in larger increments, providing the agreement to do so is voluntary and is reduced to writing.

6.11.2 If the employee disputes the debt, information regarding the dispute shall be submitted, within ten working days of the notification of the debt owed, to the deputy superintendent, Business Services, for consideration.

This panel shall be comprised of one member chosen by the District, one member chosen by the Union, and a third member mutually agreed to by the representatives of the District and the Union. This panel shall review the information submitted by the District and the employee and render a decision as to whether the debt is owed by the employee. If the panel determines that the debt is owed, deduction from the employee's next regular paycheck shall begin in amounts set forth in Section 11.1.

The District shall be limited by applicable California statutes as to the time period for recovery of debts owed by employees.

In all cases, neither the District nor the employee shall be precluded from pursuing legally constituted methods of resolution of a dispute regarding the debt.

The District shall compensate employees in accordance with provisions of this Agreement and applicable statutes.

On the day of return the employee shall sign the form.

12.4

Medical Leave

A permanent employee of the classified service who has exhausted all entitlement to sick leave, vacation, compensatory overtime or other available paid leave and who is absent because of nonindustrial accident or illness may be granted additional leave, paid or unpaid, not to exceed six months. The Board may renew the leave of absence, paid or unpaid, for two additional six-month periods or such lesser leave periods that it may provide but not to exceed a total of 18 months.

An employee, upon ability to resume the duties of a position within the class to which he was assigned, may do so at any time during the leaves of absence granted under this section and time lost shall not be considered a break in service. He shall be restored to a position within the class to which he was assigned and, if at all possible, to his position with all the rights and benefits consistent with the provisions of this Agreement.

If at the conclusion of all leaves of absence, paid or unpaid the employee is still unable to assume the duties of his position, he shall be placed on a reemployment list for a period of 39 months.

At any time, during the prescribed 39 months, the employee is able to assume the duties of his position he shall be reemployed in the first available vacancy in any classification at the same or lower range for which he/she is qualified. The employee will, upon application, be referred for interview for any classification at a higher range for which qualified as a part of the 50% referred under Article 13, Section 3.4.1 (3), on the basis of seniority, regardless of his/her own seniority.
12.5 Industrial Accident or Illness Leave

12.5.1 All permanent and probationary personnel shall be granted industrial accident or illness leave with full pay for each such accident or illness, provided that the number of days taken does not exceed sixty (60) days on which service was required. Employees shall be eligible for such leave on and after the first day of required service.

12.5.2 Industrial accident or illness is defined as illness or injury which qualifies under State Worker's Compensation Insurance as being work connected, and is verified by a physician.

12.5.3 Industrial accident or illness leave shall commence on the first day of absence, shall be reduced by one (1) day for each day of authorized absence regardless of any temporary disability award, and shall not be accumulated from year to year.

12.5.4 During such leave of absence, the employee must remain within the State of California unless specifically authorized to travel elsewhere by the superintendent.

12.5.5 Upon termination of such leave of absence, the employee shall be entitled to regular sick leave benefits, provided that if temporary disability indemnity is continued, he/she may take only as much of the accumulated sick leave which, when added to temporary disability indemnity, will result in a payment of not more than full salary. In such cases, for each day of absence the employee's accumulated sick leave credits shall be reduced only by the amount necessary to provide a full day's wage or salary when added to temporary disability benefits.

12.5.6 During any paid leave of absence, the employee shall endorse to the District the temporary disability indemnity checks received on account of industrial accident or illness. The District, in turn, shall issue the employee appropriate warrants for the payment of not more than full salary and shall deduct normal retirement and other authorized contributions.

12.5.7 When entitlement to sick leave benefits is exhausted, if worker's compensation is still being received, an employee may elect to use any vacation, compensated time off, or other available leave provided by law or action of the Board, with the same provisions for reduction in such benefits and endorsement of disability payments as listed above.
When all entitlement to benefits outlined above, including health leave is exhausted, if the employee is not medically able to assume the duties of the position, he/she shall, if not placed in another position, be placed on a reemployment list for a period of thirty-nine (39) months. When physically qualified and available, during the thirty-nine (39) month period, he/she shall be employed in a vacant position in the class of his/her previous assignment over all other available candidates except for a reemployment list established because of lack of work or lack of funds, in which case he/she shall be listed in accordance with appropriate seniority regulations. When an employee has been placed on a reemployment list and has been medically released for return to duty, failure to accept an appropriate assignment results in a waiver of reemployment rights.

**Emergency Leave**

A maximum absence of three (3) days with full pay during any one (1) school year shall be authorized for the sudden and unexpected illness or injury requiring the presence of the permanent or probationary employee for emergency care or attendance of an ill or injured member of the immediate family.

12.12.4 During the parental leave, illness or disability related to childbirth for which accumulated sick leave could be used under District regulations will be paid upon proper application and certification by a physician.

12.12.5 In case of terminated pregnancy, an employee may return to service prior to the expiration date of the leave if she so desires and a position for which she is qualified is open, and upon the written statement of a physician that the employee is physically able to perform her normal duties. However, if the employee is sick and is under medical quarantine, the days of absence shall be counted against accumulated and current sick leave earnings. If the employee's illness develops after quarantine restrictions have been established, illness absence shall be charged against accumulated or current sick leave credit. A statement from a qualified physician or the public health authorities relative to the quarantine restrictions shall be required.
Leaves shall be granted to probationary and permanent employees with part pay for not more than three (3) days in any school year for the observance of religious holidays.

15.2.1 Documents of a derogatory, critical or negative nature shall not be filed unless and until the employee is given a copy of the material and the opportunity to review the material and to file a written comment about said material. The document or material may be filed on the tenth (10th) working day following the date the employee was notified of its existence. The employee's written response or comment shall be attached to the original document at the time it is submitted.

15.2.2 An employee has the right to appeal the contents of a document of a derogatory, critical or negative nature. Said appeal must be filed with the supervisor or administrator who initiated the document within ten (10) working days following the date the employee received said document. The supervisor or administrator shall meet with the employee within ten (10) working days concerning any request for reconsideration of the contents of such a document in an attempt to resolve the appeal.
informally. If the employee is not satisfied with the result of the informal appeal, he/she may then appeal the contents of said document to the Office of Human Resources within ten (10) working days of the date of the informal appeal referenced above.

An appeal, conducted by the Human Resources Office, shall be held within twenty (20) working days of the date the appeal was filed. The document in question shall not be placed in the employee's personnel file until a decision has been rendered to place the document in the employee's personnel file. If the appeal favors the employee, the questioned document shall be rendered null and void and shall not be placed in the employee's file. The decision rendered upon the appeal shall be final and binding and shall not be a subject of the grievance procedure.

15.2.3 Once a document is placed in a personnel file specifying discipline for a specific offense, other documents may not be filed which would extend the discipline for that same offense. Filed disciplinary documents may be used when disciplinary action is being taken on subsequent offenses.

15.2.4 A single incident of conduct which is the subject of a document of a critical, derogatory or negative nature, an oral warning, a written reprimand, a suspension for three (3) or fewer days with or without pay, shall not be the basis in whole or in part of a special performance evaluation unless at least sixty (60) working days have elapsed between the discipline imposed and the special performance evaluation. This sixty (60) day period is intended as a time during which the employee may demonstrate correction of the conduct which gave rise to the discipline.

15.2.5 An incident which results in an informal reprimand or warning can be followed by a written document from the employee's immediate supervisor, detailing the subject and date of said reprimand or warning for placement in the employee's personnel file. An employee shall have the right to appeal procedures as stated in Section 2.1 and 2.2 of this Article.

15.2.6 The person who causes materials to be placed in the personnel file shall sign and date them. Anonymous documents, letters or other materials shall not be placed in the file.

15.2.7 An employee may elect to be represented at each appeal level provided in Article 2.2 by a representative of his/her choice.

15.2.8 An employee may request a special evaluation after one (1) year from placement of documents of a derogatory, critical or negative nature. Such evaluation would be attached to such documents.

16.2 Safety Committee

16.2.1 To insure employer/employee recognition of the importance of a safe working environment and conditions, a District Safety Committee shall be constituted.

16.2.2 The Safety Committee shall make recommendations to the superintendent's designee. The Safety Committee shall research, identify, and prioritize such recommendations based on a majority vote of a quorum of the committee. Recommendations shall include documented findings supported by authoritative evidence identifying the safety problem/hazard. Extensive use shall be made of recognized and authoritative agencies (e.g., CAL/OSHA, State Department of Industrial Relations, Sacramento Safety Council, Schools Insurance Authority, California Federation AFL/CIO, etc.). The deputy superintendent, Business Services, will report a decision regarding the disposition of the recommendations in writing within thirty (30) days of the receipt of same.

16.2.3 The District Safety Committee shall meet monthly during the academic year, or scheduled as needed, to review and make recommendations on the following items:

16.2.3.1 Accident reports filed by employees during the intervening period to review the cause and develop a follow-up procedure for correction, if possible.

16.5 Police Officer Equipment

16.5.1 The District agrees to purchase safety vests for individual officers who request them.

16.5.2 Because police officers may have personal preferences concerning equipment, the District will follow guidelines established by the Sacramento City Police Department.

16.6 Safety Classes

16.6.1 The District agrees to compensate any employee who is required by the District to attend safety classes and first-aid classes outside of his/her normal workday.
16.7 **Personal Property**

The District shall reimburse employees for any damage or destruction of clothing or other items of personal property, except vehicles and money brought in and removed each day while on duty in the school/site, on the school/site premises or at a District-sponsored activity, as per District policy.

16.8 **Assault**

16.8.1 In case of assault or assault and battery, the District shall advise the assaulted party and shall assist, if possible, the affected employee.

16.8.2 Any information in the possession of the District not privileged under the law and relating to the assault will be made available to the employee upon request.

In case of an accident on the job, the District shall make available the necessary accident reports and assist the employee to complete these forms.

Each classified employee shall be provided with a copy of the on-site emergency and disaster plan which has been developed for the school to which he/she is assigned.

16.11 **Procedures for Loiterers**

All probationary and permanent employees are eligible to participate. This does not include temporary, short-term or substitute employees, although such personnel may take coursework to be "stock-piled" in the event they are later elected on a regular basis.

17.3 Methods of Credit

17.3.1 College, University and District-Sponsored Courses or Workshops

In-service growth credit may be earned by successful completion as certified by official grade cards or transcripts for coursework taken from any of the following:

17.3.1.1 Four-year colleges accredited by an accrediting association recognized by the Federal Department of Education.

17.3.1.2 Universities accredited by an accrediting association recognized by the Federal Department of Education.

17.3.1.3 Junior or community colleges accredited by an accrediting association recognized by the Federal Department of Education.

17.3.1.4 District-sponsored in-service courses or workshops.

17.3.2.3.5 Other governmental organizations.
17.3.2.4 Credit shall be given for these activities, which may be combined, on the following basis:

<table>
<thead>
<tr>
<th>Total Hours of Attendance or Effort</th>
<th>Semester Unit Equivalents</th>
</tr>
</thead>
<tbody>
<tr>
<td>15</td>
<td>1/2</td>
</tr>
<tr>
<td>30</td>
<td>1</td>
</tr>
<tr>
<td>45</td>
<td>1-1/2</td>
</tr>
<tr>
<td>60</td>
<td>2</td>
</tr>
</tbody>
</table>

17.3.2.5 Participation in such activities must be certified in writing by appropriate officials on forms provided by the Personnel Services Office.

17.3.3 Travel

17.3.3.1 Credit may be authorized for approved travel which can be demonstrated to have benefit and a direct relationship to the employee's current assignment at the rate of one (1) semester unit per each week of such travel to a maximum of three (3) semester units.

17.3.3.2 Determination of credit shall be based upon a written report which shall contain a daily itinerary, a statement of the educational values derived, and an appraisal of how the travel contributed to the employee's professional improvement as it relates to his/her duties and responsibilities and general education.

17.3.4 Special Projects and Study

17.3.4.1 Credit may be authorized for completion of special projects and study which can be demonstrated to have benefit and a direct relationship to the employee's current assignment and general education.

17.3.4.2.4 Educational materials.
17.3.4.3 Credit shall be authorized on the basis of one (1) semester unit per forty (40) hours of time and effort expended. Upon completion of the project, the employee must submit the project itself or a detailed description of the project, including time spent and the employee’s evaluation of its worth. Credit cannot be authorized for work of this type which is performed during an employee’s regular duty hours.

17.4 Approval Procedures

17.4.1 All requests for prior approval of professional growth credits for proposed courses, programs, travel or special projects shall be submitted to the employee’s unit administrator, or designee, for review and written approval. The employee shall have the right to appeal the decision of the unit administrator to the director, Classified Personnel Services.

17.4.2 Approval by the director, Classified Personnel Services, prior to beginning any professional growth activities is required except for those activities listed in Section 3.1; however, it is advised since it provides protection to the employee against taking a course and later finding that it is not acceptable for salary credit.

17.4.3 Plans for Professional Growth

Plans for professional growth which include more than one (1) course or other activity listed in 17.3.1, 17.3.2, 17.3.3 and 17.3.4 may be submitted to the Classified Personnel Director for prior approval, thus eliminating the need for separate approval action on each course or activity undertaken.

17.5 Restrictions

17.5.1 Job-Related Courses

At least fifty percent (50%) of the professional growth credits shall be directly related to the employee’s duties as defined by job classification specifications and/or related to other District positions for which the employee seeks to qualify for transfer and/or promotion.

17.5.2 General Education Courses

The other fifty percent (50%) of the professional growth credits may be "general education" units which shall be certified as appropriate by the Classified Personnel Director. Courses which are avocational, hobby type or are taken for personal pleasure or amusement are not certifiable.
17.5.3 No On-Duty Credit

Professional growth credits cannot be given for courses or activities undertaken while an employee is required to be on duty.

17.5.4 Aides' Credit and Career Lattice

Units earned by personnel in the Aide-Paraprofessional Unit cannot be used for this program if used for movement on the career lattice.

17.5.5 Credits During Employment

Only units completed after employment with the District may be considered for professional growth credit.

17.5.6 Courses Taken Prior to Adoption

No professional growth credit shall be given for activities or courses completed prior to the adoption by the Board of this program on October 29, 1973.

17.6 Salary Allowable

Properly approved course work or activities are paid for by adding $4.75 per month, effective October 1, 1989, and $5.00 per month, effective July 1, 1990, per semester unit of credit earned up to a total of twenty-eight (28) units for 1988/89, and thirty-two (32) units for 1989-90. Personnel employed for less than twelve (12) months or on a part-time basis shall receive professional growth compensation on a pro rata basis.

17.6.1 No salary credit shall be granted until the employee has served three (3) full consecutive years in the District, although units may be earned immediately after employment. In determining total service, prior service of an employee who resigns and is reemployed within one (1) year shall be counted as consecutive.

17.6.2 After three (3) years served in the District, the employee may receive salary credit for not more than six (6) units per year. "Stockpiling" of units (earning units in advance) prior to eligibility to receive salary credit shall be limited to nine (9) units.

17.6.3 The term "per year" as used herein refers to the fiscal year, July 1 to June 30.

17.6.4 Verification of units earned for in-service salary credit shall be submitted as they are earned to the Classified Personnel Services Department. Twice annually, on September 1 and April 1, the Classified Personnel Services Department will review employees' length of service and accumulated units to determine eligibility for
receiving in-service salary credit. The deadline for filing units and meeting experience requirements shall be August 1 for the changes effective September 1 and March 1 for changes effective April 1. Compensation for in-service growth credit shall be retroactive to September 1 for units filed by the August 1 deadline and retroactive to April 1 for units filed by the March 1 deadline.

17.6.5

No less than one-half (1/2) unit of credit may be submitted at any one time.

17.7

Appeal Procedures

Employees whose requests for prior approval or for acceptance of completed work have been denied by the director, Classified Personnel Services, may appeal such decisions to the Professional Growth Program Appeal Committee. Members of the committee, to be selected by management, shall be a school principal, a member of the management team responsible for directing the work of employees in the same classification as the appellant, a supervisor who is responsible for supervising the work of employees in the same classification as the appellant, and the assistant superintendent, Personnel Services, who shall chair the committee and who shall vote only in the event of a tie. Members of the committee representing classified non-management employees shall be three (3) individuals selected by the appellant from a list of twenty (20) prepared by the Union which shall include employees from each bargaining unit and job sector. The decisions of the appeal committee shall not be subject to the grievance procedure.

17.7.1

The superintendent or designee shall review upon appeal by the employee the written record of the appeal committee. The superintendent or designee may or may not, after reviewing the written record, reconvene the parties. The decision of the superintendent or designee shall be final and shall not be subject to the grievance procedure.
ARTICLE 18--GRIEVANCE PROCEDURE

Definitions

18.1 A "grievance" is a claim by one or more named employees or the Union of an alleged violation, misinterpretation or misapplication of a provision of this Agreement which directly affects the grieving employee or group of grieving employees.

18.1.1 A "working day" is any day in which the central administrative offices of the Sacramento City Unified School District are open for business.

18.1.2 A "grievant" is a named person asserting a grievance or the Union.

18.1.3 A "party in interest" is the person or persons making the claim of grievance and any person who might be required to take action or against whom action might be taken in order to resolve the grievance.

18.1.4 An "employee" is a classified employee in any of the represented bargaining units.

Purpose

18.2.1 The purpose of this grievance procedure is to process a claim of grievance and to secure, at the administrative level closest to the grievant, solutions to problems which may from time to time arise under this Agreement. This grievance procedure shall not be construed as in any way hindering, discouraging or denying the settlement of grievances or problems within the normal administrative channels of the District.

Level I Local Problem Solving

18.3.1 Preamble. The purpose of Level I shall be to solve the specific allegation(s), issue(s) or problem(s) as framed by the grievant at the site or lowest possible level. The grievant and principal or unit administrator should attempt to resolve the grievance either informally or formally at Level I. The parties are encouraged to work out a solution that is consistent with the Contract. Solutions reached at Level I are considered non-precedential.

18.3.2 Informal Track. A grievance may be discussed orally with grievant's principal or unit administrator with the objective of resolving the matter informally, without the filing of the grievance form. However, nothing shall preclude the filing of a written grievance prior to or during the informal hearing. The informal process may include the SEIU as grievance representative.
a. The intent of the meeting is to focus on solution. The parties shall attempt to define the issue, discuss interests, explore options and, if possible, agree to an outcome. Upon request, the solution, if any, will be reduced to writing.

b. If through formal or informal means, resolution is reached in writing or other mutually acceptable manner, all grievance documents may be destroyed.

c. Solutions that require implementation beyond the school site or unit level shall first be reviewed for implementation by the appropriate District-level administrator. Solutions that do not require review and are accepted will be implemented by the principal or unit administrator.

In the event the grievant is not satisfied with attempted resolution by informal means, and the grievant wishes to file a formal grievance, the grievant must submit the grievance in writing to the principal or unit administrator upon forms provided by the District.

Formal Track. If a formal grievance has been filed, the grievant may:

a. discuss the grievance personally, or

b. request that a designated grievance representative accompany the grievant to the meeting to discuss the grievance.

The meeting should be held within ten (10) working days after filing the grievance.

Within ten (10) working days following the meeting to discuss the grievance, the principal or unit administrator shall render the decision and the reasons therefor, in writing, to the grievant and to the exclusive representative. Information copies of the decision at this level shall be sent to the superintendent's designee for employee relations and the appropriate District administrator having responsibility for the organizational segment with which the grievance was processed.

The written grievance should include:

a. a description of the specific grounds of the grievance;

b. a listing of the specific article or section of the Agreement alleged to have been violated;

c. a listing of specific actions requested of the principal or unit administrator which will remedy the grievance.
Conduct of the Level I Meeting

a. The intent of the meeting is to focus on a solution to the specific allegation(s), issue(s) or problem(s). The parties shall attempt to define the issue, discuss interests, explore options and, if possible, agree to an outcome.

b. If through formal or informal means, resolution is reached in writing or other mutually acceptable manner, all grievance documents may be destroyed.

c. Solutions that require implementation beyond the school site or unit level shall first be reviewed for implementation by the appropriate District-level administrator. Solutions that do not require review and are accepted will be implemented by the principal or unit administrator.

Level II

If the Union is not satisfied with the disposition of the grievance at Level I, the Union may file a request for a Level II meeting within ten (10) working days of the receipt of the Level I decision. Grievants not complying with the above time constraints for filing at Level II will be deemed to have waived their rights to a Level II meeting. The party filing for a Level II meeting will forward the written grievance and the Level I decision to the Office of Employee Relations. The written grievance should include:

18.4.1.1 A description of the specific grounds of the grievance, including names, dates and places necessary for an understanding of the grievance;

18.4.1.2 A listing of the specific article or section of the Agreement alleged to have been violated;

18.4.1.3 A listing of specific actions requested of the school district which will remedy the grievance.

18.4.2 The Level II form for appeal shall be considered a formal request for a meeting and a written decision by the superintendent or his/her designee. The meeting should be held within twenty (20) working days from receipt of the grievance by the Office of Employee Relations.

18.4.2.1 The District and SEIU agree to make every effort to schedule Level II grievance meetings twice a month. The intent of the parties is to hear all grievances within 40 working days of time of appeal as postmarked.
There shall be two tracks to solve the problem. The Union shall reserve the right to choose either:

a. the Mediation Track as described in Sections 4.4.3 through 4.4.3.8, or

b. the Interest-Based Track as described in Sections 4.4.4 through 4.4.4.3.

Under either track, the parties understand that mutual agreements secured at Level II are precedent setting unless the parties stipulate otherwise.

Release time will be provided for the employee(s) participating at Level II meetings upon the written request of the Union.

Mediation

Grievances appealed to Level II may be submitted to mediation. Mediation shall take place on the first and third Thursday of each calendar month. Subsequent days for mediation will be scheduled, if necessary. The parties agree to mutually develop a Level II grievance calendar for each year at the same time mediators are selected as per 18.4.3.3.

Under no case shall the adjustment or resolution of grievances at this level exceed forty (40) working days from the date of their appeal at Level II, unless extended by mutual agreement of the parties. If not extended, the Union may appeal the grievance to Level III.

Mediators who have been selected by the parties to mediate grievance disputes at Level II will be scheduled on a rotating and available basis.

The parties agree to meet annually in May to review the mediators listed above. The list of mediators for the subsequent year shall be mutually agreed upon, but should the parties be unable to agree on a new list, the previous list will continue until such time as a new list is agreed to.

All costs of the mediator, if any, shall be borne equally by the parties. No party shall purposely withhold information at this level but shall disclose all information relevant to the grievance for consideration by the other party.

Mediation Procedures

The mediation procedure shall be entirely informal in nature; however, copies of exhibits upon which either party bases its case shall be shared with the other party. The relevant facts should be elicited in a narrative fashion to the extent possible, rather than through examination.
and cross-examination of witnesses. The rules of evidence will not apply and no record of the proceedings will be made. All persons involved in the events giving rise to the grievance should be encouraged to participate fully in the proceedings, both by stating their views and by asking questions of the other participants at the mediation hearing.

18.4.3.6

The primary effort of the mediator shall be to assist the parties in settling the stated grievance in a mutually satisfactory fashion. In attempting to achieve a settlement, the mediator is free to use all of the techniques customarily associated with the mediation process, including private conferences with only one party. If settlement is not possible, the mediator shall provide the parties within an immediate bench opinion, based on the stated grievance and the Collective Bargaining Agreement, as to how the grievance would be decided if it went to arbitration. That opinion would not be final or binding, but would be advisory. It would be delivered orally and would be accompanied by a statement of the reasons for the mediator's opinion. The advisory opinion may be used as the basis for further settlement discussions or for withdrawal or granting of the grievance. If the grievance is not settled, granted or withdrawn, the parties are free to arbitrate. If they do, the mediator shall not serve as arbitrator, and no offers or concessions made by the parties or the mediator during mediation can be used against a party during arbitration.

Neither attorneys nor court reporters or any other type of notetaker shall be allowed to be present at the proceedings.

18.4.3.7

If the parties agree to be bound by a mediator's recommendation, the subsequent agreement shall be reduced to writing and signed by the parties.

18.4.3.8

Any grievance not resolved within twenty (20) working days of the initial mediation session with no subsequent mediation session(s) scheduled and which the Union wishes to pursue may be appealed by the Union to Level III. Any grievance not resolved at the initial mediation session or additional mediation session(s) and which the Union wishes to pursue may be appealed by the Union to Level III within forty (40) working days of its submission by the grievant or the Union at Level II. Any such appeal shall be made within ten (10) working days of the appropriate above-mentioned deadline.

18.4.4

Interest-Based Track

18.4.4.1

The interest-based approach is intended to utilize any or all of the six-step, interest-based, problem-solving model and appropriate individuals needed to reach a mutually acceptable solution.
18.4.4.2 The six-step model shall include the following:

a. Selecting an Issue
b. Describing the Situation
c. Identifying Interests
d. Generating Options and BATNAS (alternatives)
e. Identifying Criteria for the Decision
f. Deciding on the Outcome

18.4.4.3 Any grievance not resolved shall be treated per the timeline provisions of 18.4.3.8 of the article.

18.5

**Level III—Arbitration**

18.5.1 **Appeal**

If the grievant is not satisfied with the disposition of the grievance at Level II, the Union may request, in writing, a hearing before an arbitrator. Such written request shall be filed in the Office of Employee Relations within ten (10) working days after receipt of the written decision of the superintendent, or his/her designee.

18.5.2 **Selection of Arbitrator**

When arbitration has been requested, the parties shall contact the California Conciliation Services for a list of arbitrators. The grievant and the representative of the Office of Employee Relations shall alternatively strike names from such list until only one (1) name remains.

18.5.3 **Costs of Arbitration**

18.5.3.1 Each party shall bear the full costs for its representation in the arbitration. The arbitrator’s fees and charges shall be divided equally between the Union and the District.

18.5.3.2 A certified court reporter shall be employed to record verbatim the entire arbitration hearing, if requested by either the grievant or the District. In any case in which a court reporter is involved, the parties shall share equally the cost of such reporter, including per diem, mileage, and other out-of-pocket expenses. If the arbitrator requests a court reporter, the parties shall likewise share equally the cost of such reporter. The cost of transcripts shall borne by the party ordering such transcripts.
18.5.4  Function of Arbitrator

18.5.4.1  The function of the arbitrator shall be:

  a. to hold a hearing concerning the grievance, and

  b. to render an advisory award within thirty (30) days after the close of the hearing.

18.5.5  Hearings

Once the arbitrator has been selected, hearings shall commence and be held at the convenience of the arbitrator.

18.5.6  Limitations

18.5.6.1  Neither the District nor the grievant shall be permitted to assert any grounds or evidence before the arbitrator which was not previously disclosed to the other party. The arbitrator shall consider only those issues which have been properly carried through prior steps as required by the provisions of this grievance procedure.

18.5.6.2  The arbitrator shall not render any award which conflicts with or alters this Agreement.

18.5.6.3  It is understood, however, that the arbitrator shall interpret the Agreement in accordance with acceptable rules of contract construction.

18.5.7  Decision

18.5.7.1  The arbitrator is empowered to include in any award such financial reimbursements or other remedies as judged to be proper; however, no award of back pay beyond twenty (20) days prior to the filing of the grievance will be allowed.

18.5.7.2  The decision of the arbitrator will be binding upon both parties, except in the case of disciplinary appeals which are processed pursuant to the sideletter Agreement between the parties.

18.6  General Provisions

18.6.1  No grievance shall be recognized unless it shall have been presented at the appropriate level within twenty (20) working days after the grievant knew or should have known of the act or condition and its aggrieveing nature that forms the basis of the grievance, and if not so presented, the grievance will be considered as waived.

18.6.2  A decision rendered at any level shall be considered final unless an appeal is registered within the time limits specified.
18.6.3 Time allowances set forth at each level may be extended by mutual written consent of the grievant and the District.

18.6.4 Should the processing of any grievance require that an employee be released from his/her regular assignment, he/she shall be released without loss of pay or benefits.

18.6.5 No reprisals of any kind shall be taken by or against any participant in the grievance procedure by reason of such participation.

18.6.6 All documents, communications and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.

18.6.7 All parties to the grievance shall make available to other parties involved all pertinent information not privileged under the law in its possession or control which is relevant to the issues raised by the grievance.

18.6.8 Any grievance occurring during the period between the termination date of this Agreement and the effective date of a new Agreement shall not be processed. Any grievance which arose prior to the effective date of this Agreement shall not be processed.

18.6.9 A grievant may be represented by the Union at any level of the grievance procedure. No party shall be required to discuss any grievance if his/her representative is not present.

18.7 **Grievance Form**

All formal grievances shall be filed on a District grievance form which shall be designed and agreed upon by the District and the Union.
ARTICLE 19--EFFECT OF AGREEMENT

19.1 Agreement Supersedes Past Practices

This Agreement terminates and supersedes all past practices, agreements, procedures, traditions and rules or regulations concerning the matters herein.

19.2 Negotiations

The parties agree that during the negotiations which culminated in this Agreement, each party enjoyed the right and opportunity to make demands and proposals or counter proposals with respect to any matter not reserved by policy or law from compromise through negotiations, and that the understandings and agreements arrived at after the exercise of that right and opportunity are set forth herein.

19.3 Changes or Amendments

The parties agree, therefore, that the other shall not be obligated to meet and negotiate with respect to any subject or matter whether referred to herein or not even though subject or matter may not have been in the contemplation or knowledge of either or both of the parties at the time they negotiated or signed this Agreement. The terms and conditions of this Agreement may be altered changed, added to, deleted from or modified only through the voluntarily mutual intent of the parties in a written amendment, executed in the same manner as this Agreement.

19.4 Savings Clause

Should any article, section or clause of this Agreement be declared illegal by court of competent jurisdiction, said article, section or clause, as the case may be, shall be automatically deleted from this Agreement to the extent that it violated the law. The remaining articles, sections and clauses shall remain in full force and effect for the duration of the Agreement if not directly affected by the deleted article, section or clause.

19.5 No Reprisals

Each party agrees that they will neither take, nor threaten to take, any reprisals, directly or in-directly, against the other party or any members thereof regarding any action taken on the part of such persons in the exercising of their rights and responsibilities under this Agreement.

19.5 Right to Meet and Consult

Nothing contained in this Agreement shall preclude the parties from meeting and consulting on items not contained in the Agreement.
Exemptions from Contract

The parties mutually agree to print certain items at the same time and in the same document in which the employer/employee contract is printed.

The parties further agree that the items concerning layoffs, reduction in force and discipline procedures are not part of the employer/employee Agreement and are not annexed to that Agreement but are printed in this document only as a convenience to employees and administrators of the District, SEIU officials and members of the Sacramento community who have access to the document.

Contract Reorganization for Clarity

Upon completion of ratification and execution of this contract by affixing the signatures of the principals thereon, the Union and the District will jointly reorganize this contract for the purpose of clarity. No changes will be made in the language or intent of the contract.
ARTICLE 20—SUCCESSION AGREEMENT

20 The Board agrees to enter into negotiations with the Union over a successor agreement no later than thirty (30) days after the public meeting of the Board at which time the Union's successor agreement proposals are presented to the Board as per the requirements of Senate Bill 160. The Union agrees that its proposals for a successor agreement will be presented to the Board in writing at one of its regularly scheduled March meetings of the year the existing Agreement expires. Any agreements so negotiated shall be reduced to writing after the ratification by the parties.
ARTICLE 21—DURATION

21 Effect

This Agreement shall be effective after ratification by the Board and by the Union.

21.1 Duration

This Agreement shall be effective upon ratification by the parties, and shall continue through June 30, 1995.

21.2 Reopening Provisions for 1993-94 and 1994-95

The parties agree to automatically reopen negotiations on Articles 6 and 7 (Salaries and Benefits), and two articles of each party's choice, if selected by either party. Nothing in this provision shall limit the ability of the parties to reopen negotiations on any matter of mutual agreement.

There shall be a separate and distinct reopening on the above matters for both 1993-94 and 1994-95. The parties will provide each other with specific written proposals by no later than April 1 of each year.

21.3 Special Provisions for 1992-93

21.3.1 The parties will engage in mini-factfinding. This will be followed by limited negotiations for the purposes of restoring any of the agreed upon cuts in program or compensation, and/or for discussing those matters recommended by the factfinder.

21.3.2 The factfinding process shall involve:

a. Making factual determinations on:

   (2) Actual dollars spent on classified bargaining-unit health and welfare premiums by medical, dental, vision and life (one list for active, one for retirees).

   (3) Unit positions vacated (bargaining unit) and not filled 1991-92 and 1992-93.

   (4) Savings for part-time employees converting to TSA's.

21.3.3 The factfinder shall be selected mutually by the parties. If no agreement can be reached by December 1, 1992, then the selection shall be made by alternatively striking names from a list provided by PERB. The parties will utilize the
interest-based model to the extent practicable on matters other than factual determinations. The order of the process shall be:

a. an informal presentation by the parties; then,

b. mediation by the neutral in order to facilitate an agreement; then

c. written findings and recommendations of the neutral in the absence of agreement.

The factfinding process is expected to begin during the month of December and be completed before February 15, 1993.

Subsequent to the issuance of the factfinding report, the parties will engage in negotiations limited to:

a. the matters described in 21.3.1 and 21.3.2 above; and

b. the definition of vesting of retiree benefits.

If no agreement is reached, the status quo, as defined in the contract, will be maintained.
The agreement is effective on the date ratification is completed by the Board of Education of the Sacramento City School District and Local 22, of the Service Employees International Union, AFL-CIO-CLC.

In Witness Whereof the union has caused this agreement to be signed by its representatives and the board has caused this agreement to be signed by its president, attested by its clerk.

ARTICLE 22—NO STRIKE

22 The Union and the District agree that differences between the parties shall be settled by peaceful means as provided in this Contract. For the duration of this Contract, the Union, in consideration of the terms and conditions provided herein, will not engage in, instigate or condone any strike or work stoppage of members of the bargaining unit. This prohibition shall not apply in 1993-94 or 1994-95 only if the parties reopen negotiations over salary and complete statutory impasse procedures without reaching agreement.
RULES AND REGULATIONS OF THE SALARY SCHEDULE

1

Placement on the Schedule

An employee shall be placed on the first step of the appropriate salary range except for a maintenance employee who is paid on a flat hourly or monthly rate.

1.1

Experience Credit. The director, Classified Personnel Services, may grant one (1) step for each year of related or allied experience if necessary to recruit highly qualified candidates; provided that no initial placement shall be higher than the median step of the range except by approval of the Board.

1.2

Reemployment. A permanent employee who resigns from the District and is subsequently reemployed within one (1) year in the same classification shall be placed on the same step as on at the time of resignation.

2

Earned Increments

A regular employee, except a maintenance employee who is paid on a flat hourly or monthly rate, shall be advanced to the next higher step of the salary range on the first day of the month following the completion of one (1) year of employment until the maximum salary for the range is reached; provided the employee receives compensation for seventy-five per cent (75%) of the required workdays. The services of an employee who starts on the first working day of a month shall be considered as dating from the first calendar day of such month for the purposes of this section.

3

Method of Payment

3.1

Twelve-Month Workyear. A full-time, twelve (12) month employee shall be compensated at the appropriate monthly amount shown on the salary schedule. Part-time, twelve-month (12) employees shall receive a pro rata amount of the monthly amount based on his/her percent of time.

3.2

Nine, Ten and Eleven-Month Workyear. Employees shall have their salary computed using the appropriate hourly amount shown on the salary schedule.

4

Salary Rate on Reassignment to Class with Higher Salary Range

The following stipulations shall govern salary schedule placement:

4.1

If eligible, the employee first shall be granted an earned increment on his/her previous range.
If the previous salary, including increment adjustment, is below the first step in the new range, the employee shall be placed on the step which most closely approximates a five per cent (5%) salary increase.

If the previous salary, including increment adjustment, is found on the new range, the employee shall be placed one (1) step higher.

If the previous salary, including increment adjustments, is in between steps on the new range, he/she shall be placed two (2) steps higher.

**Salary Rate on Reassignment to Class with Lower Salary Range**

The following stipulations shall govern the salary schedule placement of an employee who is reassigned to a class with a lower salary maximum as a result of a voluntary demotion or because of a reduction in force:

If eligible, the employee first shall be granted an earned increment on his/her previous range.

If the previous salary, including increment adjustment, is found on the new range, the employee shall be placed on that step.

If the previous salary, including increment adjustment, is between steps on the new range, step placement in the new range shall be the next higher dollar amount.

If the previous salary, including increment adjustment, is above the maximum step in the new range, the new salary will be set at the maximum step.

When an employee is involuntarily reassigned to a classification with a lower salary maximum for reasons other than disciplinary action or reduction in force, or if his/her position is reallocated to a lower salary range, he/she shall suffer no loss in salary. If the previous salary, including increment adjustment, is higher than the maximum of the new class, he/she shall be "Y" rated.

When an employee is reassigned to a class with a lower salary maximum as a disciplinary action, step placement shall reflect total years of experience in both the class from which the employee is demoted and the class to which he/she is reassigned.

Whenever a class or position(s) within a class is reallocated to a higher salary range, all incumbent employees affected shall be placed on the same step in the new range as they occupied on the previous one.
Salary Step on Reinstatement from Laid-Off

Any employee who is reinstated (after having been laid off) within thirty-nine (39) months from the date of termination shall receive the same salary as received at the time of layoff plus increment, if earned. If the salary the employee had been receiving before layoff cannot be found in the range, he/she will receive the next higher dollar amount, provided that such salary does not exceed the maximum of the range in which reemployment occurred. The original anniversary date of the employee will be maintained. An employee who has resigned in good standing and who is reemployed within one (1) year of the date of termination will be placed on the same step that he/she was on when separated. The anniversary date shall be the date of reemployment.

Hourly Pay Calculations

Hourly pay rates shall be determined by dividing the monthly rate by 173.33. (This division is a constant which represents the average number of working hours in a work month.)

The following Board policies concerning reduction in force and discipline procedures are not part of the employer/employee Agreement and are not annexed to that Agreement, but are printed in this document only as a convenience to employees and administrators of the District, SEIU officials and the members of the Sacramento community who have access to the documents.

3. Reduction in Force and Reemployment P-4106

a. Reduction in Force: Schools and Offices P-4107

When it becomes necessary through lack of work or funds to reduce the number of employees in any administrative unit in the District, the member of the superintendent's executive staff having administrative supervision over that unit shall make the determination and shall furnish the assistant superintendent, Personnel Services Office, a list of the classes of position(s) to be vacated.

When the positions to be eliminated have been established, the Personnel Services Office shall prepare a District-wide seniority list for each classification.

b. Reduction in Force: District-wide P-4108

When it becomes necessary through lack of work or funds to reduce the number of employees District-wide, the procedure shall be:

(1) The assistant superintendent, Personnel Services Office, shall inform the superintendent of the need for a layoff.

(2) The superintendent shall consider the recommendation and, if he/she concurs, shall recommend to the Board that a layoff be accomplished.

(3) The Board shall consider the recommendation and either approve or disapprove it.

If the Board approves the recommendation, the layoff shall be implemented as follows:

(4) Order of Reduction

Within each class to be vacated, employees shall be laid off in the following order:

Temporary and substitute employees
Probationary employees
Permanent employees
In the event two (2) or more employees have the same length of service in the class and higher classes, the assistant superintendent, Personnel Services, shall determine the order of layoff based on the needs and best interest of the District.

Layoffs within any given classification shall proceed in the inverse order of total District service in the class plus higher classes. Before being laid off, an employee shall be given the opportunity to replace an employee with less seniority in a classification that has the same or lower maximum salary provided that the employee has had service as a regular District employee in the class. Reemployment shall be in the reverse order of layoff.

Length of service means all hours in paid status, whether during the school year, a holiday, recess or during any period that a school is in session or closed, but does not include any hours compensated solely on an overtime basis. Length of service includes any prior District service provided the employee is reemployed within one year and is granted permanency upon reemployment. Hours in paid status shall not be interpreted to mean any service performed prior to entering into a probationary or permanent status in the classified service of the District, except service in restricted positions.

Discipline--Permanent Classified Employees P-4120

*Adopted 7/22/85

1. Causes P-4121

Permanent classified employees may be disciplined for just cause. Discipline includes: suspensions, demotions and dismissals.

This section does not apply to oral warnings or reprimands.

2. Suspensions P-4122

The assistant superintendent, Personnel Services Office, may suspend an employee without pay for not more than nine (9) working days for any just cause. The superintendent may extend the period of that suspension of the employee without pay.

3. Demotions P-4123

The Board of Education may, upon recommendation of the superintendent, reassign an employee to a class having a lower maximum rate of pay. This action may be based on a performance evaluation report and/or other documentary evidence of the employee's inability to maintain an acceptable level of job performance or acts of misconduct.

4. Dismissal P-4124

A permanent classified employee may be dismissed by the Board of Education upon the recommendation of the superintendent.

5. Invoking of Discipline P-4125

Any of the above discipline procedures may be invoked regardless of pending contractual grievance procedures.

6. Written Notice P-4126

The District shall provide written notice for informing the employee of the specific disciplinary charges against him/her. The notice will inform the employee of charges against him/her and contain a statement of his/her right to a hearing on such charges under contractual grievance procedure, which hearing shall not be less than five (5) days after the service of the notice to the employee. The notice will contain a card or paper, the signing and filing of which shall constitute a demand for review under the contractual grievance procedure and a denial of all charges.

7. Investigatory Interviews P-4127

When an employee has a reasonable belief that an investigation might lead to any disciplinary action other than an oral warning, he/she has the right to representation during any interview related to that investigation.

FAMILY RIGHTS ACT OF 1991

12945.2 Family Care Leave; Definitions; Conditions, Unlawful Employment Practices

(a) It shall be an unlawful employment practice for any employer of 50 or more employees to refuse to grant a request by any employee with more than one year of continuous service with the employer, who meets all requirements of this section, and who is eligible for other benefits to take up to a total of four months in a 24-month period for family care leave. Family care leave requested pursuant to this subdivision shall not be deemed to have been granted unless the employer provides the employee, upon granting the leave request, a guarantee of employment in the same or a comparable position upon the termination of the leave. The commission shall adopt a regulation specifying the elements of a reasonable request.

(b) For purposes of this section:

(1) "Child" means a biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis who is either of the following:
   
   (A) Under 18 years of age.
   
   (B) An adult dependent child.

(2) "Employer" means any person who directly employes 50 or more persons to perform services for a wage or salary.

(3) "Family care leave" means either of the following:

   (A) Leave for reason of the birth of a child of the employee, the placement of a child with an employee in connection with the adoption of the child by the employee, or the serious illness of a child of the employee.

   (B) Leave to care for a parent or a spouse who has a serious health condition.

(4) "Employment in the same or a comparable position" means employment in a position that has the same or similar duties and pay which can be performed at the same or similar geographic location as the position held prior to the leave.

(5) "Health care provider" means an individual holding either a physician's and surgeon's certificate used pursuant to Article 4 (commencing with Section 2080) of Chapter 5 of Division 2 of the Business and Professions Code or an osteopathic physician's and surgeon's certificate issued pursuant to Article 4.5 (commencing...
with Section 2099.5) of Chapter 5 of Division 2 of the Business and Professions Code.

(6) "Parent" means a biological, foster, or adoptive parent, a stepparent, or a legal guardian.

(7) "Serious health condition" means an illness, injury, impairment, or physical or mental condition which warrants the participation of a family member to provide care during a period of the treatment or supervision and involves either of the following:

(A) Inpatient care in a hospital, hospice, or residential health care facility.

(B) Continuing treatment or continuing supervision by a health care provider.

c) An employer shall not be required to pay an employee for any leave taken pursuant to subdivision (a), except as required by subdivision (d).

d) An employee taking a leave permitted by subdivision (a) may elect, or an employer may require the employee, to substitute for leave allowed under subdivision (a), any of the employee's accrued vacation leave or other accrued time off during this period or any other paid or unpaid time off negotiated with the employer. However, an employee shall not use sick leave during the period of family leave unless mutually agreed to by the employer and the employee.

e) Any employee taking leave pursuant to subdivision (a) shall continue to be entitled to participate in health plans, pension and retirement plans, and supplemental unemployment benefit plans to the same extent and under the same conditions as apply to an unpaid leave taken for any purpose other than family care. In the absence of these conditions, an employee shall continue to be entitled to participate in these plans, and in the case of health and welfare employee benefit plans, including group medical, life, short-term or long-term disability or accident insurance, or other similar plans, the employer may, at his or her discretion, require the employee to pay premiums, at the group rate, during the period of leave not covered by any accrued vacation leave, or other accrued time off, or any other paid or unpaid time off negotiated with the employer, as a condition of continued coverage during the leave period. However, the nonpayment of premiums by an employee shall not constitute a break in service, for purposes of longevity, seniority under any collective bargaining agreement, or any employee benefit plan.

For purposes of pension and retirement plans, an employee shall not be required to make plan payments for an employee during the leave period, and the leave period shall not be required to be counted for purposes of time accrued under the plan. However, an employee covered by a pension plan may continue to make contributions in accordance with the terms of the plan during the period of the leave.

(f) During a family care leave period, the employee shall retain employee status with the employer, and the leave shall not constitute a break in service, for purposes of longevity, seniority under any collective bargaining agreement, or any employee benefit plan. An employee returning from leave shall return with no less seniority than the employee had when the leave commenced, for purposes of layoff, recall, promotion, job assignment, and seniority-related benefits such as vacation.
If the employee's need for a leave pursuant to this section is foreseeable, the employee shall provide the employer with reasonable advance notice of the need for the leave.

If the employee's need for leave pursuant to this section is foreseeable due to a planned medical treatment or supervision, the employee shall make a reasonable effort to schedule the treatment or supervision to avoid disruption to the operations of the employer, subject to the approval of the health care provider of the individual requiring the treatment or supervision.

An employer may require that an employee's request for leave to care for a child, a spouse, or a parent who has a serious health condition be supported by a certification issued by the health care provider of the individual requiring care. That certification shall be sufficient if it includes all of the following:

(A) The date on which the serious health condition commenced.

(B) The probable duration of the condition.

(C) An estimate of the amount of time that the health care provider believes the employee needs to care for the individual requiring the care.

(D) A statement that the serious health condition warrants the participation of a family member to provide care during a period of the treatment or supervision of the individual requiring care.

Upon expiration of the time estimated by the health care provider in subparagraph (C), the employer may require the employee to obtain recertification in accordance with the procedure provided in paragraph (1), if additional leave is required.

It shall be an unlawful employment practice for an employer to refuse to hire, or to discharge, fine, suspend, expel, or discriminate against, any individual because of any of the following:

(1) An individual's exercise of the right to family care leave provided by subdivision (a).

(2) An individual's giving information or testimony as to his or her own family care leave, or another person's family care leave, in any inquiry or proceeding related to rights guaranteed under this section.

This section shall not be construed to require any changes in exiting collective bargaining agreements during the life of the contract, or until January 1, 1993, whichever occurs first.

The provisions of this section shall be construed as separate and distinct from those of Section 12945. However, leave taken pursuant to this section shall be no more than one month when used in conjunction with the maximum leave under Section 12945, unless the employer and employee agree otherwise.
This section shall not entitle the employee to receive disability benefits under Part 1 (commencing with Section 3200) of Division 4 of the Labor Code.

Leave provided for pursuant to this section may be taken in one or more periods but shall not exceed a total of four months within a 24-month period from the date the leave commenced unless otherwise agreed to by the employee and the employer.

An employer shall not be required to grant an employee family care leave which would allow the employee and the other parent of the child family care leave totaling more than the amount specified in subdivision (a), nor to grant an employee family care leave for any period of time in which the child’s other parent is also taking family care leave from employment or is unemployed.

Notwithstanding subdivision (a), an employer may refuse to grant a request for family care leave made by an employee if this refusal is necessary to prevent undue hardship to the employer’s operations.

Notwithstanding subdivision (a), an employer may refuse to grant a request for family care leave made by a salaried employee who, on the date the request for family care leave is made, is either one of the five highest paid employees, or is among the top 10 percent of the employees in terms of gross salary, whichever group encompasses the greater number of persons, employed by the employer at the same location.

(Added by Stats. 1991, c. 462 [A.B. 77], 4)

Section 1. This act shall be known, and may be cited as, the Family Rights Act of 1991.

Section 2. The Legislature finds and declares all of the following:
(a) The United States is the only industrialized country that does not have a mandated policy on child care leave.
(b) There is a shortage of out-of-home child care, particularly for infants.
(c) More than 60 percent of the women in childbearing age in the United States are in the work force and 40 percent of these women have children under three years of age.
(d) Because of the changing roles of men and women in the work force and the family, and the need to promote stability and economic security in families, both men and women should have the option of taking leave for child-rearing purposes.
(e) Close contact between parent and child is in the best interest of the child, particularly during the child’s infancy and early years, and this contact promotes family stability.

Section 3. The Legislature further finds and declares all of the following:
(a) The percentage of adults who care for their parents due to physical and mental disabilities is growing. Surveys indicate that about one-quarter of all workers must provide elder care support, and the 64 percent of senior Californians live with relatives.
(b) Independent living situations are generally preferable to institutionalization as physical caretaking and emotional support are best performed by families.
(c) The current trends towards home care, while providing for the health and well-being of families, adds to the tension between work demands and family needs.
(d) Due to a lack of available and affordable care for elder persons, particularly in rural areas, and limited alternative housing arrangements, there is a need for care to be provided for elder persons by family members.
(e) In the past, care for aged parents was provided principally by daughters. Today, a majority of women are in the work force and jeopardize their employment and career opportunities to provide this care.

(f) The state, like the rest of the country, is experiencing dramatic demographic changes. Among the most significant of these changes is the growing number of elderly in our society. On the national level, more than 2.2 million family members provide unpaid help to ailing relatives, the most common care-givers being a child or spouse. About 38 percent of those caring for elderly relatives are children, and 35 percent are spouses.

(g) One-fifth of Americans 65 years of age and older must receive home care or be confined to hospitals or nursing homes. Facilitating care for them at home can present economic savings to the health system, seniors, care-givers, and employers.

(h) The need for elder care is expected to increase as the demographic trends indicate an increasingly aging society.

Section 6. In adopting the regulations required by Section 12945.2 of the Government Code, as contained in Section 4 of this act, the Fair Employment and Housing Commission shall consider and specify all of the following:

(a) The length of time necessary for appropriate advance notice for a leave request submitted pursuant to subdivision (a) of Section 12945.2 of the Government Code.

(b) The appropriate minimum duration of family care leave. This paragraph shall not be construed as permitting an employer to deny a reasonable family care leave request for a period not in excess of the appropriate minimum durations for family care leaves.

(c) What would constitute undue hardship for denial or deferral of family care leave.

(d) What accommodation of the employee's family care rights short of granting a leave would be reasonable.

Section 8. It is the intent of the Legislature that this act shall not affect any rights of state employees under Section 19991.6 of the Government Code or Section 89519 of the Education Code.
