SECTION 7 - INFORMAL GRIEVANCE PROCEDURE: In the event that a teacher believes that there is a basis for a grievance, he/she shall, within
ten (10) working days of the alleged violation, or within ten (10) working days of the date of the teacher's proven knowledge of such violation, first discuss it in an informal manner with his/her immediate supervisor, either personally or accompanied by an Association representative, if the grievant so chooses. In the event that the grievant chooses to have an Association representative present, the grievant shall give the immediate supervisor at least one (1) working day's notice of the grievant's request for a meeting, the intended presence of an Association representative, and the nature of the grievance. If the resolution of the grievance is not satisfactory to the grievant or if no disposition has been made within five (5) working days following the informal discussion with his/her immediate supervisor, the grievant may, within fifteen (15) working days, file a formal grievance with his/her immediate supervisor on the form set forth in Appendix C, and the steps of the formal grievance as provided in this Agreement shall be evoked.

SECTION 8 - FORMAL GRIEVANCE PROCEDURES:

STEP 1: A copy of the grievance shall be forwarded by the grievant to the Superintendent and to the Association at the same time the grievance is filed with the immediate supervisor. The immediate supervisor shall meet with the grievant, and his/her legal counsel or Association representative if the grievant so chooses, and attempt to resolve the grievance. Such meeting will require at least two (2) working days' notice and shall be held within the
seven (7) working days of the date of filing of the formal grievance. The Immediate supervisor shall indicate the disposition of the grievance in writing within five (5) working days of such meeting and shall furnish a copy thereof to the grievant, the Superintendent and to the Association.

STEP II. If the grievant is not satisfied with the disposition of the grievance, or if no disposition has been made within the time limits as provided in Step I, the grievant may submit his/her grievance, as filed in Step I, to the Superintendent within seven (7) working days of the date of disposition or the expiration of time limits for a disposition. The Superintendent shall meet with the grievant, and his/her legal counsel or Association representative if the grievant so chooses, within ten (10) working days of the date of filing, and attempt to resolve the grievance. The Superintendent shall indicate his/her disposition of the grievance in writing within seven (7) working days of such meeting and shall furnish a copy thereof to the grievant, the immediate supervisor, and to the Association.

STEP III. In the event the grievant is not satisfied with the disposition of the grievance at Step II, or if no disposition has been made within the time limits as provided in Step II, the grievant, with the approval from and representation by the Association, may submit the grievance to arbitration in accordance with
the rules of the American Arbitration Association. Submission of a grievance to arbitration shall be initiated by the grievant, his/her legal counsel or by his/her designated Association representative, by filing a written request with the American Arbitration Association and with the Superintendent within ten (10) working days of the date of the Step II disposition of the grievance or the expiration of time limits for a disposition. The disposition of the grievance made by the arbitrator shall be binding on both parties; providing that the arbitrator shall have no power to add or subtract from, modify or otherwise alter the terms of the collective bargaining agreement. The Board and the Association will share any information relative to the disposition of the grievance prior to or during arbitration.

SECTION 9 - EXPENSES: Each party shall bear its own expenses in connection with arbitration; provided however, the Association shall share equally with the Board only those fees and expenses of the arbitrator and witnesses called by the arbitrator.

SECTION 10 - EXTENSION OF TIME LIMITS: The time limits provided in this article may be extended by written agreement between the grievant, the Association, and the Board. Whenever illness or any other incapacity of the grievant prevents attendance at any grievance meeting, the time limits shall be extended to such time that the grievant can be present.
SECTION 11 - MISCELLANEOUS:

(a) Grievance Adjustments: Adjustment of any grievance described herein shall not be inconsistent with the provisions of this Agreement.

(b) Rights Guaranteed by Law: Nothing contained in the grievance procedure shall be construed to deny the Board, the Superintendent, the Association or any teacher the rights guaranteed to them under the laws of the State of Florida or the United States of America.

(c) Meetings - Privacy: All meetings and hearings under the grievance procedure shall be held in private and shall include only such parties with an interest, their representatives, and witnesses as necessary.

(d) Release From Work: All grievances shall be processed during times which do not interfere with or cause interruption of a grievant's work responsibilities, provided, however, released time without loss of pay may be granted to teachers whose attendance is required when grievance meetings are held during working hours.

(e) Grievance Between Contract: Any grievance occurring during the period between the termination date of this Agreement and the effective date of a new agreement shall not be processed. Notwithstanding the expiration of this Agreement, any grievance claim initiated within the term of this Agreement may be processed through the grievance procedure until resolution.
(f) Responsibilities During Grievance Processing: The filing of a grievance shall in no way interfere with the right of the Board to proceed to carry out its management responsibilities, subject to the final resolution of the grievance. The teacher shall abide by the management decision involved in any grievance, prior to and during the time the grievance has been filed and shall not discontinue his/her duties prior to and during the time a grievance is being processed.

(g) Grievance Records: All official records of the processing of a grievance shall be confidential and be filed separately from the personnel file of grievant.

(h) Time Limits: Failure of the grievant to proceed with a grievance within the time hereinbefore provided shall bar the grievant from any further right to pursue that grievance.

(i) Jurisdiction: Should a grievance arise as the result of an alleged violation of an Association Right as identified in Article II, Sections 3, 4, 5, 6, 7, 8 and 9, and the grievant and the principal agree that the principal is without the authority necessary to resolve the issue, the grievant may file the grievance with the Superintendent and proceed through the grievance procedure from Step II forward.

In addition to the above-stated hours, other professional responsibilities such as attendance at faculty, or other official school-related activities or meetings called by the principal, Superintendent or other administrative staff member, is required unless the teacher is excused by the administrative staff member calling the meeting.
Each building principal shall determine the arrival and leaving time of teachers assigned to each school. Teachers shall indicate their presence for duty upon arrival each day by personally signing the school's duty roster and may leave their school or other scheduled duty area during the workday only with the approval of their principal or other immediate supervisor.

SECTION 3 - CHANGE OF SCHEDULES, EMERGENCIES:

In event of an emergency or other unusual circumstances as determined by the principal or other immediate supervisor, a teacher's daily work schedule may be temporarily changed. When
such a schedule change necessitates the loss of a teacher's planning/conference period, and no volunteers are available, the loss of planning/conference period shall be on a rotating basis.

SECTION 4 - PHYSICAL FACILITIES: The Board shall involve teachers in the preparation of educational specifications for school facilities. The specifications shall be used in planning and construction of new facilities and in the planning of additions or remodeling of existing facilities. These specifications will be used in consideration of the annual allocation of capital outlay funds to meet the facility needs of existing schools. Such specifications will give attention to but not be limited to:

(a) teaching room/station for each teacher commensurate with the design capacity of the school,
(b) securable teacher desks and storage space for teaching materials and equipment,
(c) teacher preparation/rest areas and furnishings,

SECTION 5 - GRADES: Each teacher is responsible for assigning grades for his/her students and turning them in to his/her principal. No grade will be altered or cause to be altered without consultation, where possible, with the teacher who assigned the grade. Such consultation shall be for the purpose of reviewing the teacher's justification of the assigned grade. In each case, the decision of the principal shall, upon appeal by the teacher, be reviewed by the Superintendent and his/her decision shall be final. If a change is made, the record will reflect that the change was at the direction of the Superintendent or principal.

SECTION 6 - GRADE LEVEL AND DEPARTMENT CHAIRPERSON: Each opening for the position of grade level or department chairperson shall be announced prior to filling the position. Teachers within the department or grade level shall have the right to make recommendations to the principal on persons to serve as grade level or department chairpersons. First consideration shall be given to applicants and persons recommended from within the school. The principal shall make the final determination in filling such vacancies and shall notify all applicants of his/her decision prior to the end of the school year. No department head or grade level chairperson shall be required to evaluate, in writing, other bargaining unit personnel.

SECTION 7 - MAKE-UP DAYS: The Board agrees to meet with the Association to discuss make-up
days when schools are closed due to an emergency.

SECTION 8 - MILEAGE: Teachers required to travel as part of their regularly assigned responsibilities shall receive mileage reimbursement when such has been approved by the Superintendent prior to the assignment.

SECTION 9 - OTHER WORKING CONDITIONS: Where practicable, assemblies, testing programs, and other school activities which may disrupt normal classroom instruction shall be rotated so that the same classes are not continually affected. Classrooms in which classes are being held shall be free of unnecessary interruptions by use of the inter-communications systems. Visitation to classrooms by non-school system personnel shall be approved by the principal and, when feasible, teachers shall be informed in advance.

Teachers may volunteer for but shall not be required to assume administrative duties in the absence of the principal or other immediate supervisor.

SECTION 10 - REPORTS-CONTROL AND FORMS-CONTROL MANAGEMENT SYSTEM COMMITTEE:

(d) The above-named committee shall prepare and
submit to the School Board an annual report
of its findings and recommendations.

ARTICLE VI - CLASS SIZE

The Board and the Association recognize that in
addition to an adequate number of appropriate
learning stations, textbooks, library materials,
laboratory equipment and other teaching
materials, the pupil-teacher ratio is an impor-
tant aspect of an effective educational program.
The Board agrees that establishing class size
constitutes the setting of a standard of service
and that the allocation of regular classroom
teachers shall be determined in a manner which
is exclusive of the allocation of guidance
counselors, occupational specialists, visiting
teachers, school psychologists, elementary art,
elementary music, and elementary physical educa-
tion teachers, librarians, exceptional student
education teachers, and personnel defined by
Board policy as district administrative staff.
ARTICLE VII - TEACHER AUTHORITY AND PROTECTION

SECTION I - STUDENT DISCIPLINE AND TEACHER RESPONSIBILITY: The Board and the Association recognize that effective student discipline is prerequisite to effective teaching and learning. Interaction between teachers and administrators in the development of an efficient discipline program in the schools is necessary. The Board and the Association agree that appropriate instruction of students in meaningful learning activities helps to prevent discipline problems and promotes the development of self-discipline. Therefore, each teacher has the responsibility to exercise his/her full professional competence toward motivating students into meaningful learning activities and thereby establish effective discipline for each student in each classroom.

The teacher's responsibility for the control and direction of students shall be exercised throughout the campus of each school and is not limited to a specific group of children or classroom. Teacher authority for exercising this responsibility is prescribed by law, rules of the State Board of Education and the District. When in the judgment of the teacher a student requires the attention of the principal or other school or district staff specialist, the teacher shall so inform the principal on the form approved by the Board. When administrative assistance is provided, the teacher shall receive a written statement of the specific action taken.
Individual records of student discipline, where available, will be accessible to teachers as an aid for determining disciplinary recommendations concerning particular students.

SECTION 2 - TEACHER PROTECTION: The Board assures teachers of its support when teachers have followed the laws and regulations of the State and the policies of the Board in carrying out their responsibility for maintaining good discipline. A teacher shall impose classroom discipline in accordance with Board policy and administrative direction when necessary in protection from attack or to prevent injury to a student or to another teacher.

1. Any case of assault upon a teacher which occurs in the line of duty shall be promptly reported to the principal. The Board shall provide legal advice to the teacher concerning his/her rights and obligations with respect to such assault, and its legal assistance to the teacher in connection with handling of the incident by law enforcement and judicial authorities. In such event, the following shall apply:

(a) Time for appearance before a judicial body or legal authority shall result in no loss of salary or reduction of accumulated leave.

(b) Where a teacher is found guilty of a criminal charge related to the incident by a court of competent jurisdiction, the Board shall be immediately released from further responsibility to the teacher.
(c) In the case of injury occurring under such circumstances, the teacher shall provide a written statement from a licensed medical physician regarding the extent and nature of injuries sustained. A teacher shall be entitled to injury-in-line-of-duty leave as provided by 231.41, F.S. Upon expiration of such injury-in-line-of-duty leave, the teacher shall receive the salary difference between Workers' Compensation and regular salary under emergency sick leave status, for such term and under such conditions as the Board shall deem proper after medical consultation.

2. Should a complaint be made by a parent/guardian, student or other individual which may result in disciplinary action against a teacher, the teacher shall be notified of the complaint in writing, and given an opportunity to be heard prior to the taking of such action. During this period, there shall be no record of said complaint placed in the teacher's personnel file. Prior notice is waived where evidence available to the Superintendent indicates that the presence of the teacher may be detrimental to the well-being of students or the learning process. Upon request to the principal or other immediate supervisor, a teacher shall have the right of representation during investigatory meetings, conferences, and/or interviews which may lead to disciplinary action. Nothing herein is intended to preclude the
administration's right to conduct a thorough and impartial investigation.

3. The contractual status of a teacher who was initially employed in the District prior to July 1, 1982, and a teacher on continuing contract as of July 1, 1982, shall be covered by Florida Statutes 231.36 as it existed prior to July 1, 1982, and the provisions of this Agreement. Such teacher's rights shall neither be enhanced nor diminished by the revisions of Florida Statutes 231.36 which became effective July 1, 1982. The contractual status of a teacher whose initial employment in the District begins on or after July 1, 1982, shall be governed by the revisions of Florida Statutes 231.36 which became effective July 1, 1982, and the provisions of this Agreement.

4. Any discipline of an employee including reprimand, disciplinary suspension, or demotion shall be only for just cause. Discharges and suspensions for the purpose of investigation of charges which might lead to dismissal shall be only for just cause as defined in Florida Statutes 231 and shall not be subject to the grievance procedure. The decision of the District not to renew an annual contract employee shall not be subject to this section.

5. The Board shall reimburse each teacher for the loss of or damage to items of clothing and related personal property worn or carried about the person which is damaged or destroyed as result of an assault which occurs while the teacher is discharging his/
her duties in accordance with his/her job description. The total liability of the Board under this section, per teacher occurrence, shall not exceed six hundred dollars ($600) less any amount reimbursed by insurance. A proof of loss statement, including value, shall be provided by the teacher.

ARTICLE VIII - GENERAL EMPLOYMENT PRACTICES

SECTION 1 - NON-DISCRIMINATION: The Board and the Association agree that the provisions of this Agreement shall be applied to all teachers without discrimination on the basis of age, sex, marital status, physical handicap, race, color, creed, national origin or political affiliation.

SECTION 2 - ADVERTISING AND FILLING VACANCIES: Teacher and professional administrative vacancies will be listed in The Apple Core published weekly by the Board during the regular school year. A vacancy shall exist when a person is sought to fill a full-time position which has been identified by the Personnel Department of the Board. The notice of vacancies shall list the position, location, and qualifications including certification coverage for those positions, and deadline date for application. The Apple Core as published by the Board shall be sent to the Association. During the summer, a list of current Instructional vacancies available shall be posted on the bulletin board in the Personnel Department. A copy of this list shall be made available to the Association weekly.
1. Evening School: Vacancies anticipated for evening high school diploma and vocational programs, and academic programs in the community school programs, shall be published in The Apple Core prior to the beginning of each semester or summer term.

2. Summer School: A list of anticipated summer school teaching and administrative vacancies and instructions for submitting applications shall be published in The Apple Core by May 1 of each year. Each assignment to a summer school position is tentative and subject to student attendance sufficient to warrant the position. Applicants shall be notified of tentative assignments by June 1. Applications of teachers who are on continuing contract and who have the appropriate certification will be given first consideration.

3. Supplemental Positions: Those supplemental positions designated on the salary schedule as "countywide" shall be advertised in The Apple Core no later than May 15 each school year. The deadline for applications shall be ten (10) working days after the date of publishing. Any athletic position as listed on the Salary Schedule Supplements list which cannot be filled by a faculty member of the school in which the team exists shall be advertised in The Apple Core. The deadline for applications shall be ten (10) working days after the date of publishing. Each principal shall post a list of supplemental positions allocated to that school for the subsequent school year no later than May 15.
This list shall not include any supplemental position which is an extension of regular teaching duties. The posting of this list shall continue during the subsequent year, designating vacancies until such time as all positions have been filled.

4. Administrative Vacancies - Summer: A teacher making a written request to the Personnel Department will be informed of vacancies for district administrative staff positions which occur during July and August. Such request must specify the desired area(s) of interest and provide the teacher's address during July and August.

The Personnel Department will then notify such teacher of vacancies occurring during these months in his/her specifically identified area(s) of interest.

5. Filling Positions: Any application for an advertised vacancy received by the Personnel Department from a Lee County teacher shall be reviewed by the appropriate principal or supervisor prior to recommending an applicant to fill the position. Except in such circumstances as approved by the Superintendent, a vacancy will not be filled with other than an interim appointee for at least five (5) working days after the publishing date of The Apple Core listing the vacancy. The Board shall give preference to teachers currently under contract holding appropriate certification in the staffing of summer and evening school programs. Teacher applicants in the district assigned to a grade level or subject area outside the scope of their teaching
certification shall be given first considera-
tion for openings within the subject or field
of their certification.

from a licensed physician, an x-ray shall not be
required following a positive tuberculin skin
test reaction.
All of the above shall be provided at no cost to
the Board.

SECTION 4 - TEACHING ASSIGNMENTS:

1. Tentative Assignments: Each teacher shall be
given a tentative teaching assignment in
writing for the next school year prior to the
last day of duty for the current year. This
shall consist of the school and grade level for elementary school; and school, grade level and department for middle school; and school and department for high school to which the teacher is tentatively assigned. Teachers shall be notified in writing of any change in assignment prior to the start of classes for the regular school year or second semester. When feasible, such changes shall not be made without a prior conference with the teacher(s) involved. Any teacher who desires a change in grade level and/or subject assignment within his/her school shall file a written statement of this desire with the principal.

2. Voluntary Transfer or Reassignment to Another School:
   (a) The name of any applicant whose transfer or reassignment form is received in the Personnel Office by April 1 shall be made available to the appropriate principal or supervisor. The April 1 date shall not deny any teacher the right to submit a transfer request after this date.
   (b) All transfer applicants for a specific position shall be notified in writing as to disposition of each transfer request.
   (c) July 1 will be the normal cutoff date for voluntary transfer or reassignment. However, if the principals involved can make arrangements that are satisfactory, and if a teacher still desires a transfer or reassignment, such may be recommended after that date.
(d) Appropriate certification coverage shall be considered in the approval of transfer or reassignment requests.

3. Involuntary Transfer or Reassignment to Another School:

(a) Transfer or reassignment will be on a voluntary basis, whenever possible; however, correct and proper operation of the school district will necessarily require that involuntary transfer or reassignment be made. In such situations the Board shall determine the criteria for the selection of teachers to be transferred and these criteria shall be applied uniformly throughout the district. A teacher selected for an involuntary transfer or reassignment shall be given the reason for such transfer or reassignment and the opportunity to express any concerns to the principal about such transfer or reassignment. If requested by the teacher, such reason shall be in writing. No teacher shall be involuntarily transferred or reassigned as a disciplinary measure without just cause or due process.

(b) Any teacher, upon request, shall have the right to a conference with the principals involved prior to the effective date of an involuntary transfer or reassignment. A teacher, upon request, shall also have the right to a conference with the Superintendent prior to the effective date of an involuntary transfer or reassignment.
and shall be notified in writing in advance of the transfer if it is to be carried out.

(c) When involuntary transfer or reassignment is necessary, lists of openings in other schools shall be made available to the teacher upon request to the Personnel Department. From such lists, teachers may indicate the positions, in order of preference, to which they desire to be transferred. When two (2) or more teachers apply for the same position, the teacher with the most in-county seniority and appropriate certification shall be given first consideration.

(d) Teachers being involuntarily transferred or reassigned shall be considered prior to those seeking voluntary transfers.

(e) Teachers being involuntarily transferred between schools shall be considered prior to the placement of new teachers in their subject or field of certification.

SECTION 5 - REDUCTION IN FORCE: In the event that a reduction in force becomes necessary due to declines in enrollment, budgetary restrictions, reorganization, or other causes as determined by the Board, the following provisions shall apply:

(a) The Board shall determine the specific work locations and/or special programs and areas of certification within which positions are to be eliminated. Once the specific areas of certification and/or positions have been determined, reductions shall be made on a
countywide basis and shall be based upon countywide seniority and certification as further defined in this section.

(b) For the purpose of this section seniority shall be defined as a total number of good years (one day more than half) of instructional experience in the Lee County School District while on annual, continuing or professional service contract. However, continuing or professional service contract teachers are considered to have seniority over any annual contract teacher regardless of the total years of service in the district. Authorized leave of absence, open-end or substitute teaching experience does not count toward seniority. Any tie in seniority between teachers shall be broken by counting the days of experience rather than years, and if a tie still exists the tie shall be broken by the principal's recommendation.

(c) For the purpose of reduction in force at the elementary level there shall be considered to be two areas of certification: kindergarten (to include early childhood certification) and elementary (grades 1-5).

(d) In the middle and high schools, areas of certification shall be deemed to be the areas for which the employee holds certification and in which the employee has worked at least one good year within the past five years.

(e) In Exceptional Student Education, consideration will be given also to experience in working with the profoundly or the moderately handicapped.
(f) Once specific positions and/or areas of certification and levels have been identified by the Board, reduction in force shall be made on a countywide basis as follows:

1. Employees holding temporary and/or provisional certification will be first reduced.

2. Annual/probationary contract employees who hold a regular teaching certificate will be the next reduced.

3. Continuing/professional service contract employees will be the last reduced.

4. With each of Items Sub 1-3, reduction shall be made such that persons in those areas having the least seniority will be the first released. Further reductions at each level shall be in ascending order of seniority.

5. Any employee whose job is to be eliminated by countywide reduction in force shall be notified as such by certified mail.

6. Before any reductions in force take place, the Association shall be provided with a district-wide seniority list of all employees and the notification, the areas of certification, levels, work sites, and positions to be reduced.

7. Once reduction in force has taken place on a countywide basis, the appropriate reorganization of all available positions within all work sites shall be implemented according to any appropriate provisions in this Agreement and School Board policy. In every case where
reorganization must take place current employees shall be given the opportunity to volunteer for reassignment prior to any involuntary transfer or reassignment taking place.

SECTION 6 - RECALL FOLLOWING REDUCTION IN FORCE:

(a) Continuing contract/professional service contract employees whose positions have been eliminated through reduction in force shall be recalled first for a position for which they hold appropriate certification. Such employees shall be recalled in descending order of seniority. Each continuing contract/professional service contract employee having lost a position through a reduction in force shall retain recall rights for eighteen months from the date of release. Once all continuing contract/professional service contract teachers in a given area of certification have been recalled, annual contract teachers with the appropriate certification will be given first consideration for openings up to eighteen months after the reduction in force. Annual contract teachers will be considered in descending order of seniority.

(b) Continuing contract/professional service contract teachers being recalled or annual contract teachers certified for openings for which they can be considered, shall be notified by certified mail return receipt requested and shall have ten working days
from the date of receipt to respond affirmatively. It shall be the teacher’s responsibility to make appropriate arrangements for forwarding and/or receipt of mail to other than the last known mailing address on file with the School Board. If the continuing contract/professional service contract teacher being recalled, or the annual contract teacher being considered, fails to respond to the affirmative, he/she shall be removed from the personnel list and the Board shall have no further obligation to him/her. If the notice is returned and not receipted, the teacher shall retain his/her place on the personnel list for the next job opening for which he/she is qualified. However, after the second returned notice, the employee’s name shall be dropped from the personnel list and the Board shall have no further obligation to the employee.

(c) The Board shall offer reemployment to all continuing contract/professional service contract teachers with the appropriate certification on the personnel list prior to offering employment to any other individual.

(d) The Board shall notify the Association of its decision to recall teachers to employment and shall specify in that notice the number of teachers to be recalled and the areas and/or certification of the positions to be filled.
ARTICLE IX - TEACHER EVALUATION

(d) Observations of a teacher's performance of duties and responsibilities shall be conducted openly with no intent to conceal such from the knowledge of the teacher.

(e) Each teacher's formal written report of evaluation shall be discussed with him/her by the administrator responsible for preparing the report.

(f) After discussion of the evaluation report with each teacher, the teacher shall sign the report, acknowledging that he/she has been shown the report and it has been discussed with him/her by the evaluator.

(g) If a teacher disagrees with the formal written report of evaluation, he/she may submit a written statement which shall, upon request of the teacher, be attached to the Board's file copy of his/her evaluation report.

(h) Each teacher shall be given a copy of his/her formal written report of evaluation within ten (10) days of the date of completion of the written report of evaluation or by April 1 if no evaluation is done later than that date.

(i) Comments relating to the evaluation of a teacher's performance of duties and responsibilities shall be made in private.

(l) Upon request from a teacher, the Board will provide, within five (5) working days, a copy of such contents and records of the teacher's personnel file as is requested in writing by the teacher, with the exception of those documents protected by the Family Education Rights and Privacy Act of 1974. The cost of preparation and duplication of such records shall be at the teacher's expense.

teaching competencies through a staff development program. The Board and the Association agree that the Peer Teacher plays a vital role in providing professional and personal support and assistance to Beginning Teachers during their initial year of teaching.

(a) Peer Teacher assignments shall be voluntary.

(b) When preparing observation report forms, the Peer Teacher shall be required to document only the time and date of the observation, and the competencies or other areas covered during the observation.

(c) Teachers assigned as Peer Teachers shall be evaluated only as regular classroom teachers, without regard to their activities in the Beginning Teacher Program.

(d) The Beginning Teacher's portfolio shall be treated as any other evaluation. At the conclusion of the school year, all documents contained in the portfolio shall be delivered to the Personnel Department and placed in the Beginning Teacher's personnel file. Data from portfolio documents for use in research or evaluation of the Beginning Teacher Program shall be provided without names and employment sites.

(1) Terminal pay shall be based on years of service in the district, the total number of accrued and valid sick leave days accrued to the teacher at the time of termination, and the daily rate of pay of the teacher at the time of termination. The amount to be paid shall be computed as follows. If the termination occurs:

(a) during the first three (3) years of service, the daily rate of pay multiplied by thirty-five (35) percent times the number of days accumulated sick leave;

(b) during the next three (3) years of service, the daily rate of pay multiplied by forty (40) percent times the number of days of accumulated sick leave;

(2) Any teacher entitled to terminal pay benefits shall have been under contract
to render services for the period immediately preceding termination of employment and shall not be under suspension from duty except for reasons pertaining to health, or have any charges pending which could result in dismissal from employment.

SECTION 3 - SICK LEAVE BANK: The purpose of the Sick Leave Bank (SLB) is to provide a pool of emergency sick leave days from which contributors may draw after their own accumulated sick leave has been exhausted. Nothing in this section shall be interpreted to change any of the provisions in other sections of this Article except as it provides for additional days of sick leave with pay for members of the SLB.

1. Membership - A full-time teacher, having been employed by the Board for at least one (1) year and having at least six (6) days accrued sick leave as of date of application for membership, may enroll in the sick leave bank by voluntarily contributing a newly earned (seventh) sick leave day to the bank between August 15 and September 30 of any year in which the bank is to operate. Application forms for membership shall be provided to eligible teachers at their school centers during the pre-school planning days. A teacher shall contribute one (1) sick leave day during his/her enrollment period. Sick leave days donated to the bank will not be returned except as hereafter provided.

2. Contributions - In the event the number of days in the SLB balance falls below thirty
1 (30) percent of the number of SLB members, each member of the SLB shall be required to contribute one (1) day, from their own accumulated sick leave to the SLB. In the event a SLB member cannot contribute an additional day due to leave exhaustion, and he/she is not currently drawing from the SLB, the additional day automatically shall be the next accrued sick leave day.

3. Duration - If membership in the bank and the number of days in the bank should fall below three hundred (300), the bank shall be discontinued and days remaining in the bank shall be distributed as provided elsewhere in this section.

4. Administration -

(a) The SLB will be administered by the Personnel Department. Forms may be obtained by participating teachers from the Personnel Office or school center.

(b) An Overview Committee consisting of two (2) representatives appointed by the Superintendent and two (2) representatives appointed by the Association shall be formed to review the administration of the bank, investigate alleged abuses, and determine eligibility as set forth in paragraph 5 of this section. Committee members shall be provided a quarterly report showing the number of SLB members, balance of days, and number of applications for withdrawals.

5. Benefits - The SLB shall be used only by the SLB member for his/her own personal illness or disability and may not be used because of
Illness, disability, or death of any other person.

(a) In the event of a catastrophic illness of a participating teacher, causing the teacher to be absent from work for an extended period of time, the teacher may receive paid leave as follows:

1. All accumulated sick leave and all other forms of paid leave available to the teacher must first be expended, followed by an unpaid leave of ten (10) continuous work days.
2. Application must be made to the SLB, submitting medical certification and justification for the leave.
3. A maximum of one hundred (100) continuous paid work days may be received by a teacher in a school year or a total of one hundred (100) days for any one illness or disability. Having used one hundred (100) days for any one illness or disability and having returned to work, the teacher shall again become eligible to draw days for the same illness or disability after a three (3) year waiting period which shall begin with the date of returning to work.

(b) Questions raised by the Personnel Department concerning the eligibility of an employee to receive benefits will be reviewed by an Overview Committee which will make the final determination as to eligibility for benefits. In cases
denied, the Overview Committee shall provide, in writing, reason(s) for such denial. The applicant may appeal his/her request to the committee for reconsideration within ten (10) days from receipt of denial. The Overview Committee's determination is not subject to the grievance procedure and arbitration.

6. Abuse - Alleged abuse of the SLB shall be investigated by the Superintendent. Upon a finding of such abuse, the teacher shall be required to repay all of the sick leave credits drawn from the SLB and shall be subject to such other disciplinary action as determined by the School Board to be appropriate.

7. Discontinuance - If it should become necessary to discontinue the SLB, unused sick leave in the bank will be distributed in the following manner:

(a) If the number of unused sick leave days in the bank exceeds the number of members in the bank, each member will receive one of the unused days to be credited to his/her personal accumulated sick leave account. Those days exceeding the number of members in the bank will be dispensed of at the sole discretion of the Board whose decision will be final and not subject to the grievance procedure and arbitration.

(b) If the number of unused sick leave days in the bank is equal to the number of members in the bank, each member will receive one of the unused days to be
credited to his/her personal accumulated sick leave account.

(c) If the number of unused sick leave days in the bank is more than one-half (1/2) but less than equal to the number of members in the bank, each member will receive one-half (1/2) of one of the unused days to be credited to his/her personal accumulated sick leave account. Those days exceeding one-half (1/2) of the number of members in the bank will be dispensed of at the sole discretion of the Board whose decision will be final and not subject to the grievance procedure and arbitration.

(d) If the number of unused sick leave days in the bank is equal to one-half (1/2) of the number of members in the bank, each member will receive one-half (1/2) of one of the unused days to be credited to his/her personal sick leave account.

(e) If the number of unused sick leave days in the bank is less than one-half (1/2) of the number of members in the bank, all of the days will be disposed of at the sole discretion of the Board whose decision will not be subject to the grievance procedure and arbitration.

8. Hold Harmless - The Association, its officers, agents, and members of the bargaining unit will hold the Board, its officers and agents harmless for the cost and results of any action which may be brought by any of its members, group or groups of members, members of the bargaining unit, or agencies of law,
