Nothing herein shall be construed to mandate Association representation of a bargaining unit member who is not also a member of the Association. However, nothing in this part shall be construed to prevent any member of the bargaining unit from presenting his/her own grievance in person or by legal counsel and having such grievance adjusted without the intervention of the bargaining agent if the adjustment is not inconsistent with the terms of this Agreement and if the Association has been given the opportunity to be present at any meeting called for the resolution of such grievances.

4.03 - DEFINITION (Immediate Supervisor): For the purpose of administering the grievance procedure, the term immediate supervisor is defined as follows:

4.06 - DATE OF DISPOSITION: The date of disposition shall be the date on which the supervisor delivers the disposition to the grievant or the date of postmark in those instances where delivery is by U.S. Mail.

4.07 - INFORMAL GRIEVANCE PROCEDURE: In the event that a teacher believes that there is a basis for a grievance, he/she shall, within ten (10) working days of the alleged violation, or within ten (10) working days of the date of the teacher's proven knowledge of such violation, first discuss it in an informal manner with his/her immediate supervisor, either personally or accompanied by an Association representative, if the grievant so chooses. In the event that the grievant chooses to have an Association representative present, the grievant shall give the immediate supervisor at least one (1) working day's notice of the grievant's request for a meeting, the intended presence of an Association representative, and the nature of the grievance. If the resolution of the grievance is not satisfactory to the grievant or if no disposition has been made within five (5) working days following the informal discussion with his/her immediate supervisor, the grievant may, within fifteen (15) working days, file a formal grievance with his/her immediate supervisor on the form set forth in Appendix C, and the steps of the formal grievance as provided in this Agreement shall be evoked.

The immediate supervisor shall meet with the grievant, and his/her legal counsel or Association representative if the grievant so chooses, and attempt to resolve the grievance. Such meeting will require at least two (2) working days' notice and shall be held within the ten (10) working days of the date of filing of the formal grievance. The immediate supervisor shall indicate the disposition of the grievance in writing within seven (7) working days of such meeting and shall furnish a copy thereof to the grievant, the Superintendent, and to the Association. If the grievant is not satisfied with the disposition of the grievance, or if no disposition has been made within the time limits as provided in Step I, the grievant may submit his/her grievance, as filed in Step I, to the Superintendent within ten (10) working days of the date of disposition or the expiration of time limits for a disposition.

**STEP II.** The Superintendent shall meet with the grievant, and his/her legal counsel or Association representative within ten (10) working days of the date of filing, and attempt to resolve the grievance. The Superintendent shall indicate his/her disposition of the grievance in writing within seven (7) working days of such meeting and shall furnish a copy thereof to the grievant, the immediate supervisor, and to the Association. In the event the grievant is not satisfied with the disposition of the grievance at Step II, or if no disposition has been made...
within the time limits as provided in Step II, the grievant, with the approval from
and representation by the Association, may submit the grievance to arbitration in
accordance with the rules of the American Arbitration Association.

**STEP III.** Submission of a grievance to arbitration shall be initiated by the
grievant, his/her legal counsel or by his/her designated Association
representative, by filing a written request with the American Arbitration
Association and with the Superintendent within ten (10) working days of the date
of the Step II disposition of the grievance or the expiration of time limits for a
disposition. The disposition of the grievance made by the arbitrator shall be
binding on both parties; providing that the arbitrator shall have no power to add
or subtract from, modify or otherwise alter the terms of the collective bargaining
agreement. The Board and the Association will share any information relative to
the disposition of the grievance prior to or during arbitration.

4.09 - **EXPENSES:** Each party shall bear its own expenses in connection with
arbitration; provided, however, the Association shall share equally with the Board
only those fees and expenses of the arbitrator and witnesses called by the
arbitrator.

**4.10 - EXTENSION OF TIME LIMITS:** The time limits provided in this article
may be extended by written agreement between the grievant, the Association,
and the Board. Whenever illness or any other incapacity of the grievant prevents
attendance at any grievance meeting, the time limits shall be extended to such
time that the grievant can be present.

**4.11 - MISCELLANEOUS:**

4.111 - **Grievance Adjustments:** Adjustment of any grievance described herein
shall not be inconsistent with the provisions of this Agreement.

4.112 - **Rights Guaranteed by Law:** Nothing contained
in the grievance procedure shall be construed to deny the
Board, the Superintendent, the Association or any
teacher the rights guaranteed to them under the laws of the State of Florida or
the United States of America.

4.113 - **Meetings - Privacy:** All meetings and hearings under the grievance
procedure shall be held in private and shall include only such parties with an
interest, their representatives, and witnesses as necessary.

4.114 - **Release From Work:** All grievances shall be processed during times
which do not interfere with or cause interruption of a grievant’s work
responsibilities, provided, however, released time without loss of pay may be
granted to teachers whose attendance is required when grievance meetings are
held during work hours.
4.115 - **Responsibilities During Grievance Processing**: The filing of a grievance shall in no way interfere with the right of the Board to proceed to carry out its management responsibilities, subject to the final resolution of the grievance. The teacher shall abide by the management decision involved in any grievance, prior to and during the time the grievance has been filed and shall not discontinue his/her duties prior to and during the time a grievance is being processed.

4.116 - **Grievance Records**: All official records of the processing of a grievance shall be confidential and be filed separately from the personnel file of grievant.

4.117 - **Time Limits**: Failure of the grievant to proceed with a grievance within the time herein before provided shall bar the grievant from any further right to pursue that grievance.

4.118 - **Jurisdiction**: Should a grievance arise as the result of an alleged violation of an Association right as identified in Article 2, Sections 3, 4, 5, 6, 7, 8 and 9, and the grievant and the principal agree that the principal is without the authority necessary to resolve the issue, the grievant may file the grievance with the Superintendent and proceed through the grievance procedure from Step II forward.

4.119 - **Grievance Forms**: Standard forms (Appendix C) shall be made available to members of the bargaining unit and representatives of the Association upon request.

Elementary school teachers shall have planning/conference time totaling not less than fifty (50) minutes per day or the equivalent on a weekly basis to include a minimum of thirty (30) minutes per teacher per day except in those cases where this provision would create a disruption of the instructional program. Such time shall be used for lesson preparation and for meeting other job description responsibilities.

(c) Fulfillment of performance responsibilities as defined by the Board's job description for teachers shall be made available upon request to the individual supervisor.

(d) The Board and the Association recognize that schools provide many learning activities other than in individual classrooms. When participation in such activities is found to be necessary, if volunteers are not available, assignments shall be on a rotating basis in a manner to insure an equitable distribution of additional responsibilities.

(e) In addition to the above-stated hours, other professional responsibilities such as attendance at faculty, or other official school related activities or meetings called by the principal, Superintendent or other administrative staff member, are required unless the teachers are excused by the administrative staff member calling the meeting. On the first day of each semester, each principal shall prepare and provide the teachers with a calendar enumerating the required responsibilities that occur outside of regular duty hours and the times and dates of those responsibilities. In the event that an exact time or date is not know, an approximate date and time will be provided until such time as information becomes available. The Principal may at his/her discretion modify this calendar, by adding or eliminating required responsibilities, during the school year. Every
reasonable effort will be made by school administrators to minimize required attendance by teachers beyond the above-stated hours.

(f) Each building principal shall determine the arrival and leaving time of teachers assigned to each school. Teachers shall indicate their presence for duty upon arrival each day by personally signing the school’s teacher duty roster and may leave their school or other scheduled duty area during the work day only with the approval of their principal or other immediate supervisor. If volunteers are not available, when teacher participation in extracurricular activities is required and there is no supplement assigned to that activity, assignments will be made on a rotating basis in a manner to insure equitable distribution of additional responsibilities. There shall be no more than four (4) different course preparations per day for middle or high school teachers except as approved by the Superintendent.

5.03 - CHANGE OF SCHEDULES, EMERGENCIES: In the event of an emergency or other unusual circumstances as determined by the principal or other immediate supervisor, a teacher’s daily work schedule may be temporarily changed. When such a schedule change necessitates the loss of a teacher’s planning/conference period, and no volunteers are available, the loss of planning/conference period shall be on a rotating basis.
5.04 - PHYSICAL FACILITIES: The Board shall involve teachers in the preparation of educational specifications for school facilities. The specifications shall be used in the planning and construction of new facilities and in the planning of additions or the remodeling of existing facilities. Such consultation shall be for the purpose of reviewing the teacher's justification of the assigned grade. In each case, the decision of the principal shall, upon appeal by the teacher, be reviewed by the Superintendent.

The decision of the District not to renew an annual contract employee shall not be subject to this section.

7.025 - The Board shall reimburse each teacher if either of the following occurs while the teacher is discharging his/her duties in accordance with his/her job description:

(1) Loss or damage to items of clothing and related personal property worn or carried about the person which is damaged or destroyed as a result of an assault.

(2) Loss or damage of personal property as a result of negligence by the building administrator or his/her designee as determined by the appropriate administrator of the risk management program within the guidelines of the current self-insured liability policy.

The total liability of the Board under this section, per teacher occurrence, shall not exceed six hundred dollars ($600) less any amount reimbursed by
insurance. A proof of loss statement, including verified replacement value, shall be provided by the teacher.
ARTICLE 8
NON DISCRIMINATION

8.01 - NONDISCRIMINATION: The Board and the Association agree that the provisions of this Agreement shall be applied to all teachers without discrimination on the basis of religion, age, sex, marital status, disability, race, color, creed, national origin or political affiliation.
ARTICLE 9
SENIORITY

9.01: Seniority is the total number of good years (one day more than half) of instructional experience in Lee County School District while on annual, continuing or professional service contract. However, continuing or professional service contract teachers are considered to have seniority over any annual contract teacher regardless of the total years of service in the district. Authorized leave of absence, open end or substitute teaching experience does not count toward seniority. Administrative experience in the district shall count toward seniority provided said experience occurred after the teacher attained three years seniority in the bargaining unit, and said teacher returned to the bargaining unit prior to July 1, 1991. Any tie in seniority between teachers shall be broken by counting the days of experience on open-end, temporary or interim contract rather than years. If a tie still exists the tie shall be broken by drawing lots. Members of the association may be present to observe the lottery process.

Teachers lose their seniority as a result of the following:

a. termination;
b. retirement;
c. resignation;
d. layoff exceeding three (3) years or exceeding the individual's length of service, whichever is less.

9.012 - The district shall develop and maintain a seniority list based on the continuous years of service to the district while on annual, continuing or professional service contract. The list shall include the hire date which shall be the first day of duty under annual, continuing or professional service contract, all areas of certification and racial data. A copy of the list shall be available at each work site and provided to the Association prior to March 1 of each year. Teachers shall have access to the seniority list upon request to the principal or immediate supervisor.
ARTICLE 10
GENERAL EMPLOYMENT PRACTICES

10.01 - VOLUNTARY TRANSFER TO ANOTHER SCHOOL:

(1) All transfer applicants for a specific position shall be notified in writing as to disposition of each transfer request.

(2) July 1 will be the normal cutoff date for voluntary transfer. However, if the principals involved can make arrangements that are satisfactory, and if a teacher still desires a transfer, such may be recommended after that date.

(3) Appropriate certification coverage shall be considered in the approval of transfer requests.

10.02 - SPECIAL PROVISION: The provisions in Sections 10.03 and 10.05 shall be implemented as described herein unless an instructional or student need is identified. The Superintendent (and only the Superintendent) shall determine if a decision contrary to these provisions is in the best interest of the District. A copy of the Principal’s or Supervisor’s recommendation to the Superintendent for exemptions from Sections 10.03 and 10.05 shall be provided to any affected teachers and the Association at the time the recommendation is submitted to the Superintendent. The Superintendent shall notify all teachers affected by the determination in writing in accordance with the Instructional Staffing Calendar and Guidelines.

10.03 - INVOLUNTARY TRANSFER TO ANOTHER SCHOOL:

(1) A transfer is a change from one building or site to another. A reassignment at the same school or site is not a transfer.

(2) Transfers shall be made on a voluntary basis, whenever possible; however, correct and proper operation of the school district will necessarily require that involuntary transfers be made.

(3) Prior to determining involuntary transfers, employees shall be given an opportunity to volunteer.

(4) Involuntary transfers may be made in the event of a school closing.

(5) Involuntary transfers may be made to achieve a reduction in the number of teachers assigned to a school or program. Teachers selected for involuntary transfer shall be those with the least district seniority in the
district who hold certification and are assigned to teach at least 50 percent of the work day in the program being reduced.

(6) A list of teachers to be involuntarily transferred will be compiled by the Personnel Department. Vacancy information shall be provided to these employees. Thereafter, employees shall indicate the positions, in order of preference, which they desire. Teachers who have the highest seniority and appropriate certification shall be placed first.

(7) If there are no vacancies in the teacher's area of certification, the teacher shall be placed in the position of the least senior teacher with the appropriate area of certification and teaching assignment. In no event shall an involuntary transfer teacher replace a teacher who has greater seniority. The teacher of second highest seniority ranking in a certification area shall be placed next, and so on until each teacher is placed.

(8) New teachers in a specific subject area shall not be placed in the district until all involuntary transfer teachers in that subject area have been placed.

(9) Every effort will be made to apply the principles of involuntary transfer to magnet schools and new schools; however, due to the special circumstances of these schools, final decisions shall be made on the basis of instructional requirements and student needs as determined by the Superintendent.

(10) The parties to this agreement are committed to the goal of improving racial balance in the staffing of the schools of the Lee County School District. Every reasonable effort will be made through hiring and attrition to improve the racial balance prior to any involuntary transfers.

10.04 - REDUCTION IN FORCE: In the event that a reduction in force becomes necessary due to declines in enrollment, budgetary restrictions, reorganization, or other causes as determined by the Board, the following provisions shall apply:

10.041 - The Board shall determine the specific work locations and/or special programs and areas of certification within which positions are to be eliminated. Once the specific areas of certification and/or positions have been determined, reductions shall be made on a countywide basis and shall be based upon countywide seniority and certification as further defined in this section.

10.042 - For the purpose of reduction in force at the elementary level there shall be considered to be two areas of certification: kindergarten (to include early childhood certification) and elementary (grades 1-5).
10.043 - In the middle and high schools, areas of certification shall be deemed to be the areas for which the employee holds certification and in which the employee has worked at least one good year within the past five years.

10.044 - In Exceptional Student Education, consideration will be given also to experience in working with the profoundly or the moderately handicapped.

10.045 - Once specific positions and/or areas of certification and levels have been identified by the Board, reduction in force shall be made on a countywide basis as follows:

(1) Employees holding temporary and/or provisional certification will be the first reduced.

(2) Annual contract employees who hold a professional teaching certificate will be the next reduced.

(3) Continuing/professional service contract employees will be the last reduced.

(4) With each of items sub 1-3, reduction shall be made such that persons in those areas having the least seniority will be the first released. Further reductions at each level shall be in ascending order of seniority.

(5) Any employee whose job is to be eliminated by countywide reduction in force shall be notified of such by certified mail.

(6) Before any reductions in force take place, the Association shall be provided with a districtwide seniority list of all employees and the notification, the areas of certification, levels, work sites, and positions to be reduced.

(7) Once reduction in force has taken place on a countywide basis, the appropriate reorganization of all available positions within all work sites shall be implemented according to any appropriate provisions in this Agreement and School Board policy. In every case where reorganization must take place, current employees shall be given the opportunity to volunteer to transfer prior to any involuntary transfer taking place.

10.05 - RECALL FOLLOWING REDUCTION IN FORCE:

(1) Employees in layoff status will retain recall rights for the length of their seniority not to exceed three (3) years and shall have preference to work over new hires. It is understood that seniority rights do not exceed the
individual's length of service to the district while under annual, continuing
or professional service contract.

(2) Continuing/Professional Service Contract teachers with the greatest
seniority shall be recalled first, provided they are certified to fill the vacant
position. Thereafter, annual contract teachers shall be recalled.

(3) Notification of recall will be made by certified mail to the last address in
the employee's records.

(4) If a teacher fails to accept an offer of reemployment within 10 work days
from receipt of notification, it shall constitute a resignation.

(5) A laid off employee, when offered recall, who is temporarily unable to
return due to medical reasons certified by a licensed medical provider,
may request an extension of recall.

10.06 - Tentative Assignments: Each teacher shall be given a tentative
teaching assignment in writing for the next school year prior to the last day of
duty for the current year. This shall consist of the school and grade level for
elementary; school, grade level and department for middle school; and school
and department for high school to which the teacher is assigned. Every effort will
be made to include course code number(s) and course title(s) for middle and
high school teachers. In any event, middle and high school teachers will be
notified in writing as soon as possible and not later than August 1 of their
assignment by course number(s) and course title(s). Any teacher who desires a
change in grade level and/or subject assignment shall file a written statement of
this desire with the principal. No changes shall be made without attempts to
arrange a prior conference with the teacher. When possible, confirmation of
changes shall be given to each teacher in writing prior to the beginning of school
or second semester.

10.07 - Advertising and Filling Vacancies:
Teacher vacancies will be published weekly by the
Personnel Department during the regular school year. A vacancy shall exist
when a person is sought to fill a full-time position which has been identified by
the Personnel Department. The notice of vacancies shall list the position,
location, and qualifications including certification coverage for those positions,
and deadline date for application. The notice of vacancies shall be sent to the
Association. During the summer, teachers may dial the appropriate school board
number which provides a tape recorded listing of current instructional vacancies.

10.071 - Evening School: Vacancies anticipated for evening high school
diploma and vocational programs, and academic programs in the community
school programs, shall be published in the district newsletter prior to the
beginning of each semester or summer term.
10.072 - Summer School: A list of anticipated summer school teaching vacancies and instructions for submitting applications shall be published in the district newsletter by May 1 of each year. Each assignment to a summer school position is tentative and subject to student attendance sufficient to warrant the position. Applicants shall be notified of tentative assignments by June 1. Applications of continuing contract and professional service contract teachers who have the appropriate certification, and who are assigned during the regular school year to the schools from which the summer school students are drawn, will be given first consideration, provided however, that at least one teacher from each school will be hired, if there is an applicant from that school who is certified for an available position.

10.073 - Supplemental Positions: Those supplemental positions designated on the salary schedule as countywide shall be advertised in the district newsletter no later than May 15 of each school year. The deadline for applications shall be ten (10) working days after the date of publication. Any athletic position listed on the salary schedule supplement which cannot be filled by a faculty member of the team’s school shall be advertised in the district newsletter. The deadline for applications shall be ten (10) working days after the date of publication. Each principal shall post a list of supplemental positions allocated to that school for the subsequent school year until all positions have been filled. Supplements will not be paid until ratification of the contract covering the school year during which the supplement is provided, or September 30, whichever is earlier, with the exception of the following supplements: guidance counselor, agriculture teacher, school social worker, exceptional student education teacher, detention center teacher, school psychologist, ROTC and those supplements defined in 10.074.

10.074 - Supplements for high school band director, assistant band director, athletic director, and seasonal athletic supplements including cheerleading, shall be initiated when the season begins and shall be prorated for the remainder of the school year. Upon completion of the specific athletic season, that coach may request written verification from the principal that all responsibilities have been completed and the balance will be paid upon receipt of said verification by the Payroll Department.

10.075 - Administrative Position Opportunities: Opportunities for Administrative positions shall be published at least twice annually in the notice of vacancies. During the summer opportunities for administrative positions will be available via telephone recording.

10.076 - Filling Position: Any application for an advertised vacancy received by the Personnel Department from a Lee County teacher shall be reviewed by the appropriate principal or supervisor prior to recommending an applicant to fill the position. Except in such circumstances as approved by the Superintendent, a
vacancy will not be filled with other than an interim appointee for at least five (5) working days after the publishing date of the District newsletter listing the vacancy. Any continuing contract/professional service contract teacher holding the appropriate certification shall be given first consideration in the staffing of teacher vacancies. Teacher applicants in the district assigned to a grade level or subject area outside the scope of their teaching certification shall be given first consideration for openings within the subject or field of their certification.

10.077 - Notification: Teachers who have made written application to fill an advertised vacancy, including a summer or evening school, shall be notified in writing of the action of the Board in filling such vacancy.

10.08 - PHYSICAL EXAMINATIONS: This Article is intended to comply with the Americans with Disabilities Act (ADA). All newly hired teachers must undergo a physical examination by a licensed medical doctor. The results of this examination shall be stated on a form provided by the Board. The form must be received by the Board before employment can begin. Additional medical examination may be required in order to determine whether matters reported in the initial examination would present a direct threat to the health or safety of the applicant or of any other person.

Once employed, physical examinations may be required only when the employee's behavior gives reason to suspect that a medical or psychiatric condition may impair the employee's ability to perform his/her duties, or when the employee has been injured or ill and an examination is needed in order to determine whether an employee can return to work safely or to determine whether the employee has a disability for which a reasonable accommodation can be made.

10.09 - LIMITED DUTY ASSIGNMENTS: Employees who have experienced a worker's compensation injury and who have been evaluated and released by an approved physician as physically able to return to work with specific limitations, will return to their job site upon written authorization by the Risk Management Department. The specific work limitation will be forwarded to the employees supervisor from the treating physician. The employee will remain in his/her job site, performing appropriate duties as identified by the supervisor for a period of ten (10) work days. No later than eleven (11) days after returning to limited duty, the employee will be evaluated by the physician and, if not released for full duty, will be returned for limited duty for the work period not to exceed ten (10) work days. At the completion of the second ten (10) day period, if the employee is not able to return to a full-duty status, he will be evaluated by the physician, the principal/supervisor and the Risk Management Department to determine the employee's status. Alternatives such as returning to worker's compensation off-duty status, continuation of limited
duty assignments, alternate Duty assignments, and/or other assignments will be reviewed with the employee.

10.10 - ALTERNATE DUTY ASSIGNMENTS:

A. Employees who have experienced a workers' compensation injury and who have achieved maximum medical improvement as determined by an approved physician and are unable with or without reasonable accommodation to return to their previous position may be eligible for alternate duty assignments. Employees will be evaluated for alternate duty by the Risk Management Department.

B. Alternate Duty assignments are trainee positions at job sites to be identified by the Personnel Department after a thorough review of the employee's job history, qualifications, and physical limitations. Positions such as clerk typist, data entry and teachers' assistants are some of the possible opportunities for Alternate Duty training.

C. All alternate duty positions will be funded from the Workers' Compensation loss fund budget, as directed by the Risk Management Department.

10.101 - Wages: Employees selected for alternate duty assignments will be paid in accordance with the appropriate salary schedule, but in no case shall the employee receive less than the amount received prior to the injury.

10.102 - Duration: The training period will extend until one of the following events occur:

a. The employee completes the training as appropriate for the new job assignment and acquires a non-workers' compensation related position either in or out of the district.

b. The employee fails to complete the training at which time he/she must be evaluated for a different position or returned to workers' compensation off-duty status pending review.
ARTICLE 11
TEACHER ASSESSMENT

11.01 - Within the first sixty (60) days of the teacher's contract year and prior to preparing the formal written report of a teacher evaluation required by law, each teacher shall be informed of the criteria and the procedures to be used in his/her formal observations and evaluation.

11.012 - Each teacher shall be the subject of a formal observation by an appropriate administrator at least two (2) times each school year. Employees who hold a Continuing or Professional Service contract may elect an alternate assessment procedure in lieu of the formal observations subject to approval by the supervisor. Such procedures are outlined in the Board approved District Performance Assessment Development System. Every reasonable effort will be made to insure that the administrator is trained in the related performance measurement system. The first formal observation shall be completed by December 1. At least one formal observation of each classroom teacher is to be conducted by the principal or assistant principal. Other members of the instructional unit, including but not limited to guidance counselors, media specialists, school social workers, school psychologists, Prep specialists, and teachers on assignment, will be observed by an appropriate administrator.

11.013 - All formal observations shall be reduced to writing and shall be discussed with the teacher prior to preparation of the teacher's evaluation form. The teacher shall receive a copy of the formal observation report after signing to indicate that the report has been discussed with the teacher. If deficiencies are noted during the observation, the administrator conducting the observation shall provide the teacher with recommendations for improvement. The administrator shall thereafter confer with the teacher and make recommendations as to specific areas of unsatisfactory performance and provide assistance in helping to correct such deficiencies within a prescribed period of time.

11.014 - Observations of a teacher's performance of duties and responsibilities shall be conducted openly with no intent to conceal such from the knowledge of the teacher.

11.015 - Each teacher's formal written report of evaluation shall be discussed with him/her by the administrator responsible for preparing the report.

11.016 - After discussion of the evaluation report with each teacher, the teacher shall sign the report, acknowledging that he/she has been shown the report and it has been discussed with him/her by the evaluator.
11.017 - If a teacher disagrees with the formal written report of evaluation, he/she may submit a written statement which shall, upon request of the teacher, be attached to the Board's file copy of his/her evaluation report.

11.018 - All teachers shall be notified of their reappointment status by April 1.

11.019 - The date for completion of an annual contract teacher's formal written evaluation shall be April 1. The date for completion of continuing contract and professional service contract teachers' formal written evaluation shall be April 30. These evaluations may be performed earlier when notice of dismissal or non-renewal is given.

11.020 - Comments relating to the evaluation of a teacher's performance of duties and responsibilities shall be made in private.

11.021 - For the purpose of this evaluation procedure, the Board's evaluation document shall include the assessment criteria in F.S. 231.29(4).

11.022 - COLLEGIAL COACH: Upon receipt of written notice of unsatisfactory evaluation from the Superintendent during the School Year, a continuing contract/professional services contract teacher may select a collegial coach for the purpose of providing professional support and feedback. The individual designated as the collegial coach shall be decided upon mutual agreement between the Principal, teacher and the collegial coach. The collegial coach will not participate in the formal evaluation of the teacher. The teacher may request an opportunity to be considered for a transfer to another school upon written request to the Superintendent.

11.023 - Each teacher shall have the right to review the contents of his/her personnel file. Each teacher has the right to have another person accompany him/her in the review of his/her personnel file, if he/she so chooses. Such review shall be made in the presence of the person responsible for the safekeeping of the personnel files of the Board.

11.024 - Upon request from a teacher, the Board will provide, within five (5) working days, a copy of such contents and records of the teacher's personnel file as is requested in writing by the teacher. The cost of preparation and duplication of such records shall be at the teacher's expense.

11.025 - A teacher shall have the right to comment, in writing, concerning any materials in his/her personnel record.

11.026 - Teacher personnel files shall be maintained according to Section 231.291 F.S.
11.11 - **PROFESSIONAL ORIENTATION PROGRAM:** Peer teacher assignments shall be voluntary. Teachers who serve as peer teachers must participate in the Peer Teacher Training Program.

11.12 - When preparing observation report forms, the peer teacher shall be required to document only the time and date of the observation and the competencies or other areas covered during the observation.

11.13 - Peer teachers shall be evaluated only on their regular classroom performance and not on their peer teaching activities.

11.14 - The Beginning Teacher’s portfolio shall be treated as any other assessment. At the conclusion of the school year, all documents contained in the portfolio shall be delivered to the Teacher Education Center and held for five (5) years. Verification of completion shall be forwarded to the Department of Education by the School District.

11.15 - Peer teacher supplements shall be paid in a lump sum at the conclusion of the assigned beginning teacher’s full year program, which may extend to the next school year.
ARTICLE 12
PROVISIONS FOR LEAVES

12.01 - GENERAL CONDITIONS FOR LEAVES OF ABSENCE: The Board and the Association agree that there is no substitute who can replace the regular teacher in meeting the needs of the students served by the district. Therefore, the Board encourages regular attendance and limited use of leave of absence. Leave should be requested only when necessary and under the provisions of law, state board regulations and terms of this Agreement. The Board and the Association believe that there is a direct and positive relationship between attendance and successful performance of job functions.

12.011 - Absence Without Leave: Any absence from duty without leave constitutes a violation of a teacher's contract and shall subject the teacher's contract to cancellation by the Board.

12.012 - Absence Without Pay: The deduction for each day of absence shall be determined by dividing the base salary plus designated supplements by the total number of hours in the teachers' contract year to determine the hourly rate, then multiplying that rate by the number of hours absent. Designated supplements are defined as those supplements that are attached to all positions of a specific title such as guidance counselors, school psychologists, etc.

12.013 - Notice of Absence: Any teacher who will be absent from duty for any cause except for leave duly authorized and granted in advance shall notify the principal or immediate supervisor of the leave needed as soon as possible prior to his/her absence.

12.014 - Leave Application: Any application for leave except sick or emergency leave shall be in writing and on the form provided by the Board and submitted when feasible at least five (5) days in advance. Such application for leave shall be submitted to the principal or other immediate supervisor of the teacher for consideration of a recommendation to the Superintendent for approval or disapproval. Leave granted for a school year or for the remaining part thereof will expire at the end of the contract year of the teacher for which such leave is granted.

12.015 - Notice of Return from Leave: A teacher having been granted leave for the school year or for the remaining part thereof, who desires to return to duty the next school year, shall so notify the Superintendent in writing by April 1.

12.016 - Approval of Leave: All requests for leave shall be submitted on the proper form and shall be subject to approval or disapproval by the Superintendent.
12.017 - **Leave Disposition:** All teachers making an application for leave shall be notified in writing of the disposition of such leave on the form provided by the Board. Reasonable effort will be made to insure notification of the employee regarding the disposition of the leave prior to the date for which leave is requested.

12.02 - **TYPES OF LEAVE:**

12.0201 - **Sick Leave:** Any teacher on a full-time basis shall be entitled to four days of sick leave as of the first day of employment during each contract year and thereafter shall accrue one (1) day of sick leave credit for each month of employment. Sick leave shall be credited to the teacher at the end of the month and may not be used prior to the time it is earned and credited, provided that no teacher may earn more than one (1) day of sick leave times the number of months of employment during the school year. Such leave shall be cumulative (actual number of hours earned) from year to year without limit to the number of hours that may be accrued. Any leave charged against accrued sick leave shall be with full compensation. As stated above, the teacher receives four (4) sick days at the end of the first day of the contract year, but does not actually earn those four (4) days until he/she has worked four (4) months of the contract year. Therefore, if termination occurs when the employee has used more sick days than he/she has earned that contract year, and if he/she has no sick leave accumulated from prior years, the School Board will withhold the amount of the teacher’s daily rate of pay for each sick day used that hasn’t been earned. Also, if an employee who is eligible for terminal sick pay benefits terminates before completion of his/her contract year, the number of sick leave days for which he/she receives benefit shall not exceed the number of sick leave days accumulated prior to the beginning of that contract year plus one (1) sick leave day for each month of actual employment in the contract year during which termination occurs.

(1) **Claims:** Sick leave claims may be submitted by the teacher for his/her own personal illness as well as illness or death of father, mother, brother, sister, husband, wife, child or other close relative, or member of his/her own household.

(2) **Record of Accrued Sick Leave:** The Board shall provide all employees with a cumulative record of accrued sick leave hours on each pay statement.

(3) **Use of Sick Leave in Summer School:** Regular employees who are employed for the exclusive purpose of working during the summer school session, shall earn one day (actual number of hours worked per day in summer session) of sick leave for each three (3) week term employed during summer school if such employment meets the requirements of law.
for earning sick leave. However, no more than two (2) days sick leave with pay may be used during summer school in any one summer.

(4) Application for Sick Leave: Teachers shall notify the appropriate administrator, with as much advance notice as possible, when the use of sick leave is necessary. A claim for sick leave on the proper form shall be signed by the teacher and filed with the principal or other immediate supervisor by the end of the fifth working day following the employee's return to work.

(5) Conditions for Sick Leave:

a. Sick leave may be claimed for a minimum of one-half (1/2) day. One-half (1/2) day shall be defined as one-half the number of hours defined as the teacher's regular work day.

b. Any teacher who has used all accrued sick leave but who is otherwise entitled to sick leave shall be granted sick leave without pay. The claim for such sick leave shall clearly state that the leave is without compensation.

c. In the case where sick leave abuse is suspected, the Superintendent may require a doctor's statement of verification of illness. A request to the Superintendent for a verification of claim may be initiated by the principal or supervisor.

d. A false claim for sick leave shall be deemed cause for employee discipline up to and including discharge. Where there is any doubt as to the validity of a sick leave claim, the Superintendent may require the employee to file supporting evidence where personal illness is not involved.

e. An application for sick leave due to an extended illness (not fewer than twenty (20) days) shall have attached to it a statement from a practicing physician certifying that such leave is essential and indicating the probable duration of the illness and needed leave.

(6) Transfer of Sick Leave: Any teacher shall be entitled to transfer sick leave credit from other Florida school districts with the restriction that at least one-half (1/2) of the valid accrued leave shall be established in The School District of Lee County, Florida.

(7) Reinstating Accrued Sick Leave: When a teacher of the Lee County School District interrupts service through termination and subsequently returns to employment in the district without having used his/her Lee
County accrued sick leave credit in another Florida school district, such accrued sick leave credit shall become valid on the first day of contractual service.

(8) **Terminal Sick Leave Pay:** When a teacher receives terminal pay benefits based on unused sick leave, all unused sick leave credit shall become invalid.

12.0202 - **Illness or Injury-In-Line-Of-Duty Leave:** Any full-time regular employee shall be entitled to illness or injury-in-line-of-duty leave with pay, less any Workers' Compensation payments, for a period not to exceed ten (10) work days per fiscal year regardless of the number of illnesses or injuries, nor to exceed ten (10) days per any single illness or injury when that illness or injury continues or recurs from one fiscal year to succeeding fiscal years, except as provided in this Agreement, when he/she has to be absent from work because of a personal injury received in the discharge of his/her duties. Illness-in-line-of-duty leave is intended to deal with the illnesses normally known as childhood diseases such as, but not limited to, mumps, measles and chicken pox. This leave does not include normal adult illnesses such as colds and influenza. This leave is nonaccumulative. In addition to the conditions listed below, for both illness and injury-in-line-of-duty, the Board reserves the right to request a second concurring medical opinion from a physician designated by the Board. Any additional expense incurred as a result of this requirement will be paid by the Board.

(1) In order to be considered for injury-in-line-of-duty leave, the following conditions must be met:

a. The teacher must provide written testimony, in addition to his/her testimony, that his/her injury was received in the line of duty.

b. The teacher must file a written claim as outlined below, in addition to the injury report claim.

c. The teacher must utilize the medical provider selected by the employer. The teacher may make a written request to change the medical provider after initial consultation.

(2) In order to be considered for illness-in-line-of-duty leave, the following conditions must be met:

a. The teacher must supply a letter from a medical doctor, who treated the patient, stating that in his/her opinion, there is a strong probability that the illness was contracted at school.

b. The teacher must file a written claim as outlined below.
Any employee who has claim for compensation while absent because of injury or illness incurred as prescribed herein, shall file a claim on the standard leave form provided by the Board with his/her principal or other immediate supervisor by the end of the fifth working day following the teacher's return to duty after the leave for illness or injury-in-line-of-duty.

12.0203 - Personal Leave: Any teacher desiring personal leave shall make written application for such leave. The teacher shall not be entitled to compensation while on personal leave except as provided herein. The Board and the Association agree that the purpose of personal leave is to allow the employee to attend to personal business or matters which cannot be attended to outside of the employee's regular workday. Examples of personal business include, but are not limited to, legal and judicial proceedings, family weddings or graduations, civic functions, etc. Employees who are found to be in violation of this section through misuse of personal leave may be subject to disciplinary action.

(1) Invalid Use: Personal leave, whether requested without pay or charged to sick leave, may not be approved for use at the following times, except with the specific written permission of the Superintendent:

a. Personal leave may not be used on the day immediately prior to or following a holiday or vacation.

b. Personal leave may not be used during the first or last week (five (5) school days) of the student's school year.

(2) Personal Leave Charged to Sick Leave:

a. Up to five (5) days personal leave with pay may be allowed but deducted from accumulated sick leave for each teacher during each fiscal year. Any employee desiring personal leave shall make written application for same on the standard leave form provided by the Board at least five (5) days in advance when feasible and no fewer than 24 hours in advance except in cases of emergency. If the reason for absence is an emergency and prior written request is not possible, the teacher will notify the principal or immediate supervisor as soon as possible prior to the absence.

b. The use of personal leave charged to sick leave shall be subject to the following conditions:

1. Personal leave may not be cumulative.
2. Personal leave is subject to approval and may not be approved if the Superintendent determines that the granting of this leave will create a disruption of the instructional setting or of the normal work setting.

3. Personal leave charged to sick leave may only be used in increments of a minimum of one-half (1/2) of the teacher's regular work day.

c. The following procedure will be used when a teacher requests personal leave charged to sick leave:

1. Under no circumstances will teachers be required to provide the supervisor with the reason for the personal leave request.

2. If the supervisor feels that approval of this request will in any way disrupt the instructional setting or work setting, the teacher will be given two options:

   a) accept disapproval of the personal leave request, or

   b) provide the supervisor verbally with a reason for the request so that the supervisor may try to accommodate the needs of the teacher when the request, based on the reasons given, is a situation that cannot be controlled by the employee or postponed to another time. (Some examples of this would be: family weddings, court appearances, etc.) The reported reason will not be recorded on the leave request form and will be held in confidence.

3. When a situation arises that necessitates disapproval of requests for personal leave, the principal or supervisor will give consideration to those requests in the order in which they are received as determined by the filing date of the requests.

(3) Personal Leave (Without Pay): Personal leave without pay will not be approved except in those instances where the teacher has no appropriate paid leave available. It is understood that a teacher's willingness to undertake leave without pay does not impose a requirement on the principal or the supervisor to approve the request for leave. The request is subject to approval or disapproval by the Superintendent based on the extent to which the teacher's absence will impact the instructional setting or the work setting.

a. Extended Personal Leave Without Pay: Personal leave without pay not to exceed thirty (30) days may be granted at the discretion of the
Superintendent. Personal leave in excess of thirty (30) days shall be subject to approval by the Board.

b. **Personal Leave Without Pay for Adoption of a Child:** A teacher adopting a child may request personal leave without pay to become effective at any time during the first year after receiving de facto custody of a child, or prior to receiving such custody if necessary, and only to the extent required, to fulfill the requirements for adoption. The conditions and procedures for adoption leave shall be as outlined under the applicable section of maternity leave in this article. Only one adoption leave per household will be granted at any given time.

c. **Personal Leave Without Pay for Paternity Leave:** Teachers may be eligible to apply for paternity leave pursuant to law, subject to the applicable conditions as outlined in the section on maternity leave in this article, except that only one leave of either type will be approved per household at any given time. In addition, paternity leave will only be granted for a period of time following the birth of the child.

12.0204 - **Maternity Leave:** All full-time teachers shall be eligible for maternity leave. The teacher shall submit a written request for maternity leave to the Superintendent. The leave request shall include the date leave is to commence as determined by the teacher in consultation with her licensed provider. Except in the case of an emergency, a request for maternity leave shall be made at least thirty (30) calendar days prior to the date on which the leave is to begin. Maternity leave shall be without pay except that the teacher must file a claim to use accrued sick leave during that period of the leave for which a medical disability exists. The teacher must submit a licensed provider's statement indicating the number of days a medical disability exists. Approval of a claim for maternity leave shall be contingent upon certification of pregnancy by a licensed medical provider. In the event that the leave request does not specify a return date, the teacher shall notify the Superintendent at least twenty (20) working days prior to her intended return date. Such notice shall be given no later than April 1 in order for the teacher to be considered for return to duty that school year. The teacher may return to duty on the date requested upon receipt by the Superintendent of certification from a licensed provider stating that she is physically capable of performing her job. In the event that leave is approved by the Board effective on or after the first day of the fourth quarter of a school year, a request for the next fiscal year shall not extend beyond the end of the first semester.

12.0205 - **Military Leave:** Military leave shall be granted in accordance with applicable state and federal law. Employees in the National Guard or Reserve shall be granted up to seventeen (17) days paid leave of absence per school year without loss of pay. Leave for longer periods shall be granted when the
employee is assigned to duty functions of military character. Such extended
leave shall be without loss of seniority but is not paid leave. An employee shall
be granted leave to participate when called for active federal military service.
The first thirty (30) days of leave is with full pay and the remainder is without pay.
Such leave terminates thirty (30) days after release or discharge from active
military service. Such leave shall be without loss of seniority and shall be
credited to the employee for experience credit on the salary schedule but shall
not apply to years of service toward receipt of a professional service contract.
Nothing herein shall be construed to expand any military leave privileges other
than those provided by applicable state and federal law.

12.0206 - Jury Duty Leave: Any regular teacher, including those employed
expressly for summer school, who is summoned as a member of a jury panel
shall be granted temporary duty leave with pay. The Board shall not reimburse
the teacher for meals, lodging and travel expenses incurred while serving as a
juror. Jury fees paid by the court for such purpose may be retained by the
teacher.

12.0207 - Witness Duty Leave: When a teacher is subpoenaed, he/she may be
granted temporary duty leave. In no case shall temporary duty with pay be
granted for court attendance when an employee is engaged as a party to the
litigation. The teacher may retain any fees received from the court. In the event
no fees are received from the court and the teacher is representing the Board as
a witness or a defendant, he/she will be eligible to be paid per diem and travel
expenses, where applicable, upon filing an official request for reimbursement.

12.0208 - Extended Professional Leave:

(1) By December 1 each school year the Superintendent will publish a list of
certification areas in which a shortage of employees exist. Priority will be
given to employees who apply for study in these areas.

(2) Applications will be screened by a Committee of six (6) members. Three (3) members of the committee will be appointed
by the President of TALC and three (3) members will be appointed by the
Superintendent.

(3) An applicant must agree to pursue a plan approved by the Committee
which leads to certification in a shortage area identified by the
Superintendent unless otherwise approved.

(4) The applicant must provide a written recommendation from his supervisor.

(5) The applicant must possess a valid Florida teaching certificate and must
have been continuously employed in the district for five (5) years. Military
leave, extended illness or maternity leave shall not be considered an interruption of service.

(6) An application for leave shall be submitted to the Superintendent not later than January 15 preceding the school year for which the leave is requested. If the Committee requests clarification of an application, the Committee will inform the applicant of the time limit for supplying the information.

(7) The Superintendent will give written notice by April 10 of the disposition of each leave request.

(8) An employee granted a leave shall notify the Superintendent in writing of his acceptance not later than fifteen (15) days after the applicant has received notice of approval for leave.

(9) Employees granted extended professional leave shall receive fifty (50%) percent of their base salary while on said leave.

(10) Employees who are granted this leave shall agree in writing to return to employment in the District for three (3) years after returning from said leave.

(11) In the event the employee should not return to the District for the three (3) years, he shall reimburse the Board for salary as follows:

a. Zero (0) years of return service the full amount of the leave pay;

b. One (1) year of return service - two-thirds (2/3) of the amount of the leave pay;

c. Two (2) years of return service - one-third (1/3) of the amount of the leave pay.

(12) During the period of said leave, the employee shall be entitled to all benefits that are provided by contract, policy or law, including retirement, seniority, insurance and sick leave.

(13) Approval of extended professional leave is a discretionary decision of the Board and is not subject to the grievance procedure.

12.0209 - Temporary Duty: Upon the approval of the Superintendent, a teacher may be assigned to be temporarily away from his/her regular duties and/or place of employment for the purpose of performing other educational services, including but not limited to participation in surveys, professional meetings, study courses, workshops, professional organizational meetings, and similar services of direct and long term benefit to the educational program. Such assignment
may be initiated by the principal or other immediate supervisor, the
Superintendent or by the individual who desires the temporary duty. Temporary
duty when approved by the Superintendent shall be with full compensation of
salary. Each request for temporary duty shall be filed with the teacher's principal
or other immediate supervisor as early as possible but at least one (1) week in
advance of the effective date of temporary duty. In the event that temporary duty
leave is denied, the administrator denying the leave shall provide the reasons
for the denial in writing to the teacher at the time of denial.

12.0210 - Temporary Duty Leave for Summer Coursework: Employees
enrolled in a degree-seeking program may be eligible to apply for temporary duty
leave of up to a total of five (5) days during pre or post-school planning periods
as needed to attend summer school classes for completion of the degree.
Application for this leave must be submitted at least twenty (20) days prior to the
close of the teacher's work year and will be subject to review and approval by
the professional leave committee as defined in Section 10.028.

12.0211 - Family and Medical Leave: All provisions of this section shall be
effective for School Board employees July 1, 1994 and shall be interpreted so as to
comply with the requirements, including definitions, of the Family and Medical
Leave Act of 1993, and any applicable implementing regulations. No provision in
this section shall operate to limit or reduce leaves provided under other contract
terms.

(1) Employee Eligibility: Any employee who has worked for the Lee
County School District for at least twelve (12) months, and for at least 724
hours during the year preceding the start of a leave.

(2) Reasons for Leave: Eligible employees shall be granted FMLA
leave: (1) to care for the employee's child after birth, or following
placement for adoption or foster care; (2) to care for the employee's spouse, son or daughter or parent,
who has a serious health condition; or (3) because of a serious health condition that makes the employee unable
to perform the functions of the employee's job.

(3) Leave Entitlement: An eligible employee is entitled to take up to
a total of twelve (12) workweeks of FMLA leave in a 12-month period, to
be measured backward from the commencement date the employee uses
FMLA leave.

(4) Intermittent Leave for Planned Medical Treatment: FMLA leave
may be taken intermittently whenever it is medically necessary to take
care of a seriously ill spouse, child or parent of the employee, or because of
the employee's own serious health condition making the employee
unable to work. Intermittent leave may be taken in increments of one or
more days or partial days. Certification of the need for intermittent leave, and the leave schedule shall be provided by the health care provider. Employees needing intermittent FMLA leave must attempt to schedule their leave so as to minimize disruption to the District's operations. The District may assign an employee to an alternative position on a temporary basis with equivalent pay and benefits that better accommodates the employee's intermittent leave schedule. Intermittent FMLA leave must be requested by the employee in writing at least thirty (30) days in advance, or as soon as is practicable.

(5) **Maintenance of Group Medical Insurance:** The Board shall maintain an employee's medical insurance coverage during FMLA leave to the same extent coverage was provided to the employee prior to taking FMLA leave, for a period not to exceed twelve (12) weeks during the applicable twelve (12) month period. Medical insurance premiums which had been paid by the employee prior to FMLA leave for any dependent coverage must continue to be paid by the employee during the FMLA leave period. If such payments are not made by the employee, the dependent's insurance coverage will lapse and no benefits will be paid for claims incurred while the policy has lapsed. When the employee is reinstated, and payroll deduction of dependent's premiums resumes, the dependent's insurance will be reinstated with the same coverage as prior to the lapse.

(6) **Notice:** Employees must request FMLA leave in writing, directed to the Personnel Department, at least thirty (30) calendar days in advance, or as early as is practicable. The time for the start of the leave may be delayed for up to thirty (30) days for failure to provide timely notice.

(7) **Job Restoration:** Upon return from FMLA leave, an employee shall be restored to the same or an equivalent position. An equivalent position must be at the same pay, benefits, and working conditions, include the same privileges, perquisites and status, and involve the same or substantially similar duties and responsibilities. The equivalent position must be located at the same or geographically proximate work site unless the employee's request for transfer has been accepted.

(8) **Failure to Return:** At the start of any FMLA leave, the employee must state whether he/she intends to return at the end of the leave. If the employee does not intend to return, the employee will be deemed to have resigned voluntarily, and no FMLA benefits will be provided. If the employee states that he/she intends to return, and then fails to return, for reasons other than (1) the continuation of a serious health condition of the employee or a covered family member or (2) circumstances beyond
the employee's control (certification required within 30 days of failure to
return for either reason), the employee must promptly reimburse the
Board for the cost of insurance provided by the Board during the leave. If
the employee fails to do so, the Board may take action to recover the
premiums paid.

(9) **Application of Paid Leave:** Employees are required to use paid
accrued sick leave before any FMLA leave is taken as a result of a
serious health condition. Employees are required to use any paid
accrued vacation before any FMLA leave is taken. Any such paid
accrued leave taken will be counted toward the allowable twelve (12)
weeks of FMLA leave.

(10) **Medical Certification:** Employees requesting FMLA leave due to
a serious health condition of the employee, or of the employee’s spouse,
child or parent, are required to submit a certification from a health care
provider, verifying that the leave is medically necessary. Form WH-380
shall be used. The Board may require an employee to obtain a second
medical certification, at the Board’s expense. The second health care
provider may not be employed on a regular basis by the District. If the
opinions of the first and second health care provider differ, the Board may
require a third medical certification, again at the Board’s expense, from a
health care provider selected by the employee from a mutually-agreed
upon list maintained by the Director of Risk Management. The third
opinion shall be final and binding.

(11) **Fitness-for-Duty Certification:** As a condition of restoration of an
employee who has taken FMLA leave due to the employee’s serious
health condition, the employee is required to provide certification from the
employee’s health care provider that the employee is able to resume
work, i.e., is fit for duty.

12.0212 - **Insurance Coverage:** The insurance coverage of any employee who
is granted a leave terminates on the first scheduled pay day that the employee
does not receive a paycheck except as otherwise provided by law or this
agreement. To continue insurance coverage during the leave period, the
employee must remit all premiums due thereafter when permitted.

12.03 - **TERMINAL PAY BENEFITS:** A regular full-time teacher, upon
application, after ten years of creditable service in a retirement plan established
by the Florida Legislature, shall be entitled to terminal pay at the time of:

1. normal retirement or early retirement;
2. disability retirement;
However, if termination is by death of the teacher, the ten (10) years of creditable service in a retirement plan established by the Florida Legislature will not be required and payment will be made to the teacher's beneficiary.

12.031 - Terminal pay shall be paid after ten (10) years of creditable service in a retirement plan established by the Florida Legislature and shall be based on the total number of accrued and valid sick leave days credited to the teacher at the daily rate of pay of the teacher at the time of termination. The amount of terminal pay shall be computed as follows:

1. (1) during the first through third years of service in the district, the daily rate of pay multiplied by thirty-five (35) percent times the number of days accumulated sick leave; or

2. (2) during the fourth through sixth years of service in the district, the daily rate of pay multiplied by forty (40) percent times the number of days accumulated sick leave; or

3. (3) during the seventh through ninth years of service in the district, the daily rate of pay multiplied by forty-five (45) percent times the number of days of accumulated sick leave; or

4. (4) during the tenth through twelfth years of service in the district, the daily rate of pay multiplied by fifty (50) percent times the number of days of accumulated sick leave; or

5. (5) during and after the thirteenth year of service in the district, the daily rate of pay multiplied by one hundred (100) percent times the number of days of accumulated sick leave.

12.032 - Any teacher entitled to terminal pay benefits shall have been under contract to render services for the period immediately preceding termination of employment and shall not be under suspension from duty except for reasons pertaining to health, or have any charges pending which could result in dismissal from employment.

12.04 - SICK LEAVE BANK: The purpose of the Sick Leave Bank (SLB) is to provide a pool of emergency sick leave days from which contributors may draw after their own accumulated sick leave has been exhausted. Nothing in this section shall be interpreted to change any of the provisions in other sections of this Article except as it provides for additional days of sick leave with pay for members of the SLB. The District has several Sick Leave Banks. When a Sick Leave Bank member changes positions which would require a change to a new Sick Leave Bank, that person shall be treated as a new members and must give
up one sick leave day for membership in the new bank. However, if the member has donated a day within the same fiscal year, that day may be transferred to the new bank.

12.041 - Membership: Any full-time employee may enroll in the Sick Leave Bank between August 15 and September 30 provided the following three requirements are met:

a. Continuous employment for at least one (1) year.
b. Accrual of six (6) sick leave days by September 1
c. Donation of a seventh or subsequent sick leave day by October 15.

Application forms for membership shall be provided to teachers at their school centers during the preschool planning days. Sick leave days donated to the bank will not be returned except as hereafter provided.

12.042 - Contribution: In the event the number of days in the SLB balance falls below thirty percent (30%) of the number of SLB members, each member of the SLB shall be required to contribute one (1) day, from their own accumulated sick leave to the SLB. In the event a SLB member cannot contribute an additional day due to leave exhaustion, and he/she is not currently drawing from the SLB, the additional day automatically shall be the next accrued sick leave day.

12.043 - Duration: If membership in the bank and the number of days in the bank should fall below three hundred (300), the bank shall be discontinued and days remaining in the bank shall be distributed as provided elsewhere in this section.

12.044 - Administration:

The SLB will be administered by the Personnel Department. Forms may be obtained by participating teachers from the Personnel Office or school center.

An Overview Committee consisting of two (2) representatives appointed by the Superintendent and two (2) representatives appointed by the Association shall be formed to review the administration of the bank, investigate alleged abuses, and determine eligibility as set forth in 12.041 of this section. Committee members shall be provided a quarterly report showing the number of SLB members, balance of days, and number of applications for withdrawals.

12.045 - Benefits: The SLB shall be used only by the SLB member for his/her own personal illness or disability and may not be used because of the illness, disability, or death of any other person.
In the event of a continuing or catastrophic illness of a participating teacher, causing the teacher to be absent from work for an extended period of time, the teacher may receive paid leave as follows:

a. All accumulated sick leave and all other forms of paid leave available to the teacher must first be expended, followed by an unpaid leave of ten (10) continuous work days.

b. Application must be made to the SLB, submitting medical certification and justification of the number of days required for the leave.

c. A maximum of one hundred (100) continuous paid work days may be received by a teacher in a school year or a total of one hundred (100) days for any one illness or disability. Having used one hundred (100) days for any one illness or disability and having returned to work, the teacher shall again become eligible to draw days for the same illness or disability after a three (3) year waiting period which shall begin with the date of returning to work.

In the event of a continuing or second catastrophic illness of a participating employee which occurs within one calendar year of the date the employee returned to work after utilizing the Sick Leave Bank and the employee is approved for sick leave benefits, the ten (10) days of unpaid leave shall be waived.

Questions raised by the Personnel Department concerning the eligibility of an employee to receive benefits will be reviewed by the Overview Committee which will make the final determination as to eligibility for benefits. In cases denied, the Overview Committee shall provide, in writing, reason(s) for such denial. The applicant may appeal his/her request to the committee for reconsideration within ten (10) days from receipt of denial. The Overview Committee's determination is not subject to the grievance procedure and arbitration.

12.046 - Abuse: Alleged abuse of the SLB shall be investigated by the Superintendent. Upon a finding of such abuse, the teacher shall be required to repay all of the sick leave credits drawn from the SLB and shall be subject to such other disciplinary action as determined by the School Board to be appropriate.

12.047 - Discontinuance: If it should become necessary to discontinue the SLB, unused sick leave in the bank will be distributed in the following manner:
(1) If the number of unused sick leave days in the bank exceeds the number of members in the bank, each member will receive one (1) of the unused days to be credited to his/her personal accumulated sick leave account. Those days exceeding the number of members in the bank will be dispensed of at the sole discretion of the Board whose decision will be final and not subject to the grievance procedure and arbitration.

(2) If the number of unused sick leave days in the bank is equal to the number of members in the bank, each member will receive one (1) of the unused days to be credited to his/her personal accumulated sick leave account.

(3) If the number of unused sick leave days in the bank is more than one-half (1/2) but less than or equal to the number of members in the bank, each member will receive one-half (1/2) of one of the unused days to be credited to his/her personal accumulated sick leave account. Those days exceeding one-half (1/2) of the number of members in the bank will be dispensed of at the sole discretion of the Board whose decision will be final and not subject to the grievance procedure and arbitration.

(4) If the number of unused sick leave days in the bank is equal to one-half (1/2) of the number of members in the bank, each member will receive one-half (1/2) of one of the unused days to be credited to his/her personal sick leave account.

(5) If the number of unused sick leave days in the bank is less than one-half (1/2) of the number of members in the bank, all of the days will be disposed of at the sole discretion of the Board whose decision will not be subject to the grievance procedure and arbitration.

12.048 - **Hold Harmless:** The Association, its officers, agents, and members of the bargaining unit will hold the Board, its officers and agents harmless for the cost and results of any action which may be brought by any of its members, group or groups of members, members of the bargaining unit, or agencies of law, with respect to the establishment, administration or expenditure of the assets of the SLB.

13.02 - ACADEMIC: It is the intent of the Board that teachers shall have
academic freedom within the outlines of course content and the curriculum
adopted by the Board.

as a result of a hurricane or other natural disaster, employees will be notified via
radio and television, if possible, prior to the beginning of the work day.
Employees who do not make up said time during their work year will not be paid
for these days and pay will be deducted from the last paycheck of the fiscal year
in which the days are missed or from the employee's last paycheck in the event

14.034 - The Board reserves the right to waive make up time.
ARTICLE 15

ARTICLE 17
SCHOOL-BASED DECISION MAKING

17.01 - CONCEPT: The parties to the Agreement endorse the concept of a participatory process through School-Based Decision Making. This is an opportunity for all teachers to have shared decision making at the school in which they work.

17.02 - THE PROCESS: To assure acceptability of the school-based decision making process at the school level, the parties agree to the following:

17.021 - Voting: All employees eligible to vote must vote by secret ballot to participate in the school-based decision making process. The issue must be approved by 80% of those eligible to vote. The Association's designated representative(s) and the Board's representative(s) shall count the ballots.

17.022 - Contract Deviation: Schools that choose to participate in a school based decision making program, after utilizing the following process, shall be permitted to deviate from Article 5, Teaching Conditions, Article 6, Class Size, and Article 7, Section 7.01, Student Discipline and Teacher Responsibility, of this Agreement. All other terms and conditions of this Agreement shall not be altered, modified or deviated from except with the express written consent of the Association. If a School-Based Decision Making program requires a deviation from the Agreement, the decision-making process shall include an opportunity for all teachers to share their opinion. Such a decision shall not be implemented in any school without at least an 80% concurrence of the teachers.

17.023 - Task Force: The Board and the Association agree to have a joint task force on restructuring. The task force shall meet on a regular basis and review the implementation of this Article of the Agreement. The task force shall also meet at the request of either party.

17.024 - School Committees: Teachers that serve on school-based decision making committees in individual schools will be selected by the teachers in that school by secret ballot counted by the Association's designated representative(s) and the Board's representative(s).

17.025 - Renegotiation: Either party of the Agreement may request negotiating this section without opening other sections.

17.026 - Parameters For School-Based Decision Making: The joint task force shall review the parameters for decision making to include but not be limited to budgets, instructional materials, personnel and curriculum design.
17.027 - Expansion of Program: Each year there will be a district-wide secret ballot vote of the nonparticipating schools. The total number of participating schools can expand to include ten (10) schools in 1992-93 and fifteen schools in 1993-94. All schools shall be eligible to participate in 1994-95 and each year thereafter. The voting procedures outlined in 17.021 will be used in the selection of additional schools.

17.028 - Option for Schools to Discontinue: Each participating school shall establish procedures whereby employees within the school may choose not to continue in the program for an ensuing year. Such procedures shall be forwarded to the Task Force prior to initiating the procedures for discontinuation of SBDM.
