ARTICLE I - PREAMBLE

The Board of Education of Prince George's County and the Prince George’s County Educators’ Association recognize that the development of a quality educational program for the children of Prince George’s County, Maryland, is a joint responsibility which can best be achieved by agreement that both parties work toward common goals. The Board and the PGCEA enter into this Agreement with mutual dedication, recognizing that the experience, creativity, and the judgment of both parties are necessary to reach the educational needs of the community.

To this end we wish to dedicate this Agreement and we mutually pledge to follow it with patience, understanding and good will.

In conjunction with each and all of the hereafter stated provisions as such may relate to the duties and responsibilities of teachers to pupils, the supervisory authority of principals and other administrative personnel, as well as the several powers of the Board of Education of Prince George’s County, the Prince George’s County Educators’ Association recognizes that the Board of Education of Prince George’s County, in accordance with existing laws, must adopt before implementation of same, the educational policies for the County and must approve or establish rules, regulations, guidelines and bylaws in accordance therewith, and nothing hereafter mentioned or agreed to shall be so construed as to substitute the legal obligation vested in the Board of Education in accordance with State Law.

1.01 This Agreement is made and entered into by and between the Board of Education of Prince George’s County and the Prince George’s County Educators’ Association for the period of August 1, 1981 through August 31, 1983.

1.02 The term “professional personnel” shall hereinafter refer to all certificated professional employees of the Board, contained within the negotiating unit, in accordance with Education Article, Annotated Code of Maryland, Section 6-404, as herein printed.

1.03 If any provision of this Agreement or any application thereof to any teacher or group of teachers is held to be contrary to law by a court of competent jurisdiction, such provision or application will not be deemed valid and subsisting, except to the extent permitted by law, but all other provisions or applications will continue in full force and effect. The parties will meet not later than ten days after any such ruling for the purpose of considering the implication of said ruling and developing an interpretation for the employees. Nothing in this Agreement is intended to deny or abrogate any of the powers or responsibilities of the Board and the Superintendent that have been assigned to them by any Maryland Law or regulation of the State Board of Education, except as specifically enumerated as conferred hereafter as a unit member’s rights, privilege, salary or fringe benefit.

1.04 Any written communication to be given by one party or the other under this Agreement, will be given by telegram, registered mail, regular carrier, or personally receipted mail. If given by the Board, said notice will be sent to the Prince George’s County Educators’ Association, 8008 Marlboro Pike, Forestville, Maryland 20747. Either party may, by like written notice, change the address at which notice to it may be given.
1.05 Copies of this Agreement will be distributed by the Board to all presently employed and newly hired professional personnel. PGCEA and the Board will agree on the format to be used and will share the cost of printing.

1.06 This Agreement shall affect existing policy of the Board only to the extent that the provisions hereof are inconsistent with such policy, in which case the provisions hereof shall take precedence to the extent of such inconsistency. Changes can only be effected through negotiations.

1.07 Subject to the reservations expressly stated in Education Article, Annotated Code of Maryland, Section 6-408(d)(7) and Section 6-411(a), any change in a policy pertaining to the relationships between the public school employer and the public school employee, which policy as a result of negotiations was previously established by and pursuant to Education Article, Annotated Code of Maryland, Subtitle 4 of Title 6, shall have no effect until or unless such change is made in accordance with the provisions related to negotiations and the procedures established therefor, as set forth in said Education Article, Annotated Code of Maryland, Subtitle 4 of Title 6, as aforesaid.

1.08 In accordance with Education Article, Annotated Code of Maryland, Section 6-410, PGCEA, or any group of employees represented by the PGCEA, shall be prohibited from calling, or directing, or abetting any strike, slow down, or any action, which interferes with the operation of the schools.

1.09 This Agreement, when ratified and duly signed by the President of the PGCEA, the Executive Director of the PGCEA, the Chairperson of the Board and the Superintendent shall be valid and binding for the duration of this Agreement.

1.10 Nothing contained herein shall be deemed to supersede any provision of the Constitution or the Code of Maryland, nor shall any monetary matter agreed to herein be reopened for any cause, other than interpretation, for the duration of this Agreement without the mutual consent of both parties.

ARTICLE II – RECOGNITION

2.01 The Board of Education of Prince George's County, hereinafter referred to as the "Board," recognizes the Educators' Association of Prince George's County, hereinafter referred to as "PGCEA," pursuant to Education Article, Annotated Code of Maryland, Section 6-404 as the sole and exclusive bargaining representative of one unit of all the Board's employees as defined in Section 6.401c.

2.02 PGCEA recognizes that the Board is the legally responsible agency charged with the successful operation of the public school system in Prince George's County.

2.03 The Board recognizes that PGCEA is the legally responsible agency charged with representing the views and requests of the certificated professional personnel contained within the unit.

2.04 PGCEA recognizes its responsibility to represent fully and equally without discrimination, all certificated professional personnel contained in its unit in all relationships necessary in the administration of this Agreement.
2.05 The Board recognizes that the negotiating right of PGCEA is exclusive and that the Board shall not negotiate with other groups of professional personnel in accordance with State statute. In any case involving a dispute resulting from an interpretation of this Agreement, the Board acknowledges that said person initiating the dispute, if electing to avail himself of the services of PGCEA, may be charged a fee by PGCEA for consultation and services rendered. No other employee organization, association or group shall be recognized as a representative of a certificated employee in disputes concerning the Negotiated Agreement before the Board of Education or any of its appropriate officials.

2.06 In carrying out the responsibilities under this agreement, the Board or the PGCEA shall take no discriminatory action against any professional certificated person on account of any such person's sex, race, religion, marital status, national origin or other reasons as long as he satisfactorily performs his professional responsibilities.

2.07 In the event legislation becomes effective prior to or during the term of this agreement which allows or requires an agency shop fee for those employees in the unit represented by PGCEA, the Board and PGCEA will immediately begin negotiations for the purpose of negotiating an agency shop provision.

ARTICLE III - RIGHTS OF REPRESENTATIVE RECOGNITION

3.01 PGCEA Rights and Privileges

A. In accordance with existing regulations for school facility use, PGCEA and its representatives shall have the right to use school buildings for meetings, provided that when special custodial service is required, the Board may make the customary charge.

B. PGCEA will have the right to place notices, circulars, and other material in each school building on designated PGCEA bulletin boards of appropriate size and in teachers' mail boxes. Authorized representatives of the PGCEA will assume responsibility for posting or distributing materials for the PGCEA. Posted materials shall be kept current.

C. The Board agrees to furnish to the PGCEA names and addresses, social security numbers, dues withheld and teacher resignations of PGCEA members. Upon request the Board will provide to the PGCEA the names of new professional personnel and the last four digits of their social security numbers. The process for exchange of information currently employed for this purpose will be continued.

D. If negotiations are scheduled during the school day, the individuals on the team and mutually agreed upon consultants shall be released from their regular duties without loss of pay only to attend joint negotiation sessions. Exceptions shall be arranged by mutual agreement of the chairpersons of the teams. PGCEA agrees to reimburse the Board for substitutes used for this purpose.

E. Duly authorized representatives of the PGCEA shall be permitted to transact official PGCEA business on school property at reasonable times provided that this shall not interfere with or interrupt normal school operations or prevent the person from performing his professional responsibilities. Conferences involving the principal or other supervisors must be scheduled at mutually convenient times.
F. All faculty representatives shall be excused from their schools at 3:30 to attend the duly called Representative Council meetings which are scheduled to begin prior to the hour of 5:00 p.m. that day.

G. The Association shall have the right to use the interschool mailing system to distribute Association materials as practiced by PGCEA prior to July 1, 1975. Materials which are not related to the Association’s execution of its responsibilities may be distributed through the interschool mailing system with the advance approval of the Assistant Superintendent for Administration and Personnel.

H. The exclusive representative organization, PGCEA, shall be the only organization representing professional employees which shall be granted dues deductions for membership dues and other fees not in conflict with the State Board of Education decision thereon.

I. It is agreed that all members of the unit represented by the PGCEA, desiring payroll deduction of membership dues will submit a signed statement in duplicate authorizing dues check off deductions. One copy of this signed statement will be submitted to the Employee Services Office and the other copy will be filed with the PGCEA. It is understood that this signed statement will constitute a continuing membership and those members of the unit who wish to withdraw their authorization for payroll deductions of membership dues must give timely notice in writing to both PGCEA and the Employee Services Office of the Board of Education between September 1 and September 30 of the school year they wish to withdraw their authorization.

It being expressly understood that, absent a showing of gross negligence on the part of Board employees charged with the supervision of payroll deductions of dues, the Board shall not be responsible to PGCEA for any dues not withheld.

J. PGCEA representatives will be permitted time to make announcements at the end of faculty meetings, provided teachers who do not wish to stay will be free to leave the meeting.

K. Except as to bylaws and rulings by State Board to the contrary, the rights granted to the Association shall not be granted to any other employee organization during the term of this Agreement.

3.02 Exchange of Communications
The chairpersons of the PGCEA and the Board of Education negotiating teams shall arrange for an exchange of communications between the PGCEA and the Board of Education encompassing, but not limited to the following:

A. Agenda of the respective Boards of these two entities prior to the day of the meeting appertaining.

B. Newsletters and other similar publications produced and distributed by the respective organizations.

F. The PGCEA shall be provided with a current copy of the Board of Education Administrative Policies with any changes made therein from time to time.

G. Upon reasonable request, the Board will provide available information necessary to permit the Association to bargain understandingly, police the administration of this Agreement, and prepare for coming negotiations.

3.03 Professional Organization Involvement Leave
When the need arises, officers, committee chairpersons and members designated by approval of the Board of Directors of PGCEA may attend essential local, state and national meetings with no loss of pay or personal or annual leave. No more than a total of sixty (60) days, aggregate and cumulative for all professional employees, shall be approved in any school year. When the immediate supervisor is unable to make emergency arrangements, the Board will be reimbursed by the PGCEA for the cost of substitutes used on a full or half-day basis.

Application for such leave shall be made in writing to the Assistant Superintendent for Administration and Personnel as far in advance as practicable and ordinarily at least forty-eight (48) hours in advance. The PGCEA and its officers recognize and agree that this privilege should not be abused.

This section does not apply to summer school teaching or persons on eleven month contract.

3.04 Leave with Pay for PGCEA's President
The Board shall release the person duly elected as President from normal assigned duty to function on a full time basis for PGCEA. PGCEA will reimburse the Board for the salary and fringe benefits the President normally would receive. The President will be treated as though he were on sabbatical leave.

11. **Faculty Representative:** The unit representative designated by PGCEA.

12. The use of masculine pronouns herein shall be interpreted to mean the masculine or feminine gender in context. However, the use of feminine pronouns in Article IV, Section 4.20 B1 and 2 herein is restricted to the female.

4.02 Grievance Procedure

A. **Purpose**

The goal of a grievance procedure is to secure at the lowest possible level an equitable solution to complaints and/or grievances which may arise from time to time. Both parties agree that these proceedings shall be kept confidential at each level of this procedure. Nothing contained herein shall be construed as limiting the right of any professional person with a grievance to discuss the matter with the appropriate member of the administration or proceeding independently as described herein. Every effort must be exhausted at each step before appealing to the next step.

B. **Definitions, as applied to 4.02**

1. A “complaint” is any problem or misunderstanding that can be settled orally between the parties involved.

2. A “grievance” is any unsettled complaint by a professional person or by the PGCEA on its own behalf concerning any alleged violation or misinterpretation of this Agreement except as provided in 4.08.F and 4.12.C herein.

3. An “aggrieved person” is a professional person making the claim.

4. The term “professional personnel” includes individuals or groups who are members of the bargaining unit covered by this Agreement.

5. A “party of interest” is the person(s) making claim and person(s) who may be required to take action or against whom action may be taken in order to resolve the claim.

6. The term “days” shall mean days other than Saturday, Sunday and School Holidays. In the event a grievance is filed on or after June 1, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school term or as soon thereafter as is practicable.

C. **Procedures**

1. **Administrative Procedure**

   Any professional person with a grievance, complaint, or problem has the right to pursue its resolve through the administrative channels. This process begins with the person’s immediate supervisor and proceeds through the office of the Assistant Superintendent for Administration and Personnel, the Superintendent, the Board, the State Board of Education, and finally the courts of competent jurisdiction.
2. **Grievance Procedure**

Should a person elect the grievance procedure rather than the administrative procedure, he is admonished to follow the steps outlined below specifically. Once the professional person elects the grievance procedure, he relinquishes his right to pursue the matter through the administrative channels. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level shall be regarded as a maximum, and every effort shall be made to expedite the process. The time limits specified may, however, be extended by mutual agreement between the PGCEA and the Administration.

**Step One**

A professional person with a complaint shall first discuss it with his immediate supervisor within seven (7) days of the alleged wrong. He may request a PGCEA school faculty representative and/or official PGCEA designee to meet with the parties involved. A principal who schedules such a conference may request representation from the office of the Area Assistant Superintendent if he so desires.

**Step Two**

a. In the event that the “aggrieved person” is not satisfied with the outcome of the oral conference or the principal does not schedule a conference within seven (7) days, he shall submit in writing on the form provided at each school his grievance within ten (10) days of said conference. If the “aggrieved person” so chooses, a PGCEA representative will assist him in writing his claim.

b. Within seven (7) days, his immediate supervisor will, on the form provided, write his opinion.

**Step Three**

In the event the aggrieved party is not satisfied with the decision of his immediate supervisor, he will, within ten (10) days by registered mail or by hand, cause to be delivered the copy of his complaint and its answer to the Assistant Superintendent for Administration and Personnel and one to the PGCEA office. The Assistant Superintendent for Administration and Personnel may schedule a meeting with the aggrieved party if, in his opinion, such a meeting may serve to resolve the grievance at this step. A PGCEA staff member may be present at the meeting. In any event, the Assistant Superintendent for Administration and Personnel, within ten (10) days from receipt of the grievance, shall render a written decision as to the solution. Copies to go to the aggrieved person, his immediate supervisor, and PGCEA.

**Step Four — Arbitration**

If the aggrieved party is not satisfied with the decision of the Assistant Superintendent or if the Assistant Superintendent fails to render a decision within the prescribed time, an arbitrator shall be appointed within ten (10) days. Such arbitrator shall be selected by the Superintendent and the representative of the PGCEA.

If they cannot agree, a request will be made to the American Arbitration Association for a list of not less than five names. Each side may add two names to this list.
Selection shall be made by alternately striking names from the list until one name remains. Such person shall be designated as the arbitrator.

The decision of the arbitrator shall be binding on both parties unless the Superintendent or the Board of Education deems it to be evident that said decision is violative of Board rules and regulations promulgated from existing policy in which event the Superintendent or the Board may set aside the decision of the arbitrator and hold a hearing on said matter, pursuant to Maryland Law. Any such decision shall be communicated to the PGCEA within ten (10) days of the receipt of the arbitrator’s award and shall set forth reference to the rule, or policy deemed to be violated.

D. Miscellaneous
1. A grievance may be withdrawn at any level without prejudice or record.
2. Copies of all written decisions of grievances shall be sent to all parties involved and the PGCEA Executive Director.
3. No reprisals of any kind shall be taken by or against any party of interest or any participant in the grievance procedure by reason of such participation. The fact that a grievance is raised by an employee shall not be recorded in the employee’s personnel file or in any file or record utilized in the promotion process; nor shall such fact be used in any recommendation for job placement.
4. Grievances shall be filed on the official personnel grievance form.
5. Upon written request, information not of a confidential nature which is pertinent to a grievance, will be made available to the “aggrieved party.”
6. Any attendant cost necessitated for grievance arbitration shall be shared equally by the PGCEA and the Board.
7. By mutual agreement, time limits herein may be extended.
8. If a grievance arises from the action of an authority higher than a Step 1 administrator, such grievance may be initiated with that person’s superior.
9. If, at the aggrieved employee’s request, the PGCEA is not present during the processing of a grievance, that grievance shall not be cited as a precedent. Furthermore, the PGCEA shall be informed of the final disposition of any such grievance.
10. A party of interest shall be released without loss of leave or salary to attend hearings scheduled as part of the grievance process.
11. If a substitute is necessary to replace school-based personnel testifying as a witness during an arbitration hearing, the cost of said substitute shall be borne by the party calling said witness.

4.03 Faculty Advisory Council
A. A Faculty Advisory Council is to be established in every school not later than September 15.
B. The size of the Faculty Advisory Council shall be determined by the number of PGCEA faculty representatives assigned full time to the building. The FAC shall be composed of:
   The Principal
Faculty Representative(s)
A professional staff member appointed by the principal for each Faculty Representative
Two professional staff members elected by the faculty.

C. The designated PGCEA faculty representative chairperson shall issue a call to organize the Council and the election procedures will be determined by the faculty of the school.

D. At the above meeting where the membership of the Faculty Advisory Council is set, the faculty shall determine the parliamentary authority as consistent herein and what shall constitute the quorum for a Faculty Advisory Council meeting.

E. The Council shall elect its own chairperson by secret ballot.

F. Meetings with a specific agenda, which have been made known to the faculty prior to the meeting, may be held at the call of:
   The Chairperson
   The Principal
   Any three members of the FAC

The purpose of the FAC is to provide the teachers with a vehicle in which they may discuss school operating procedures, curriculum development, instructional programs, budget requests, and any other areas of professional concern. Its function shall be solely to advise the principal of any given school on internal matters and nothing in the hereafter stated Agreement shall be so construed as to authorize or enable the FAC to effect unilateral changes in County-wide educational policies as may from time to time be established in accordance with the laws of the State of Maryland.

G. Minutes of every meeting, including all FAC recommendations, shall be prepared for release to the faculty. Any action on FAC recommendations shall be reported on the agenda of the subsequent meeting and the Principal will inform the FAC of the rationale for the action.

H. Upon the formation and organization of the Faculty Advisory Council, the chairperson of the FAC of each school shall send a copy of the roster to PGCEA and to the appropriate administrative officer designated by the Superintendent.

4.04 Work Year

A. Professional personnel employed for ten months may be scheduled to work 190 days in the school year.
   1. Of the above number of days, one half day will be scheduled for teachers when students are not in attendance at a time near the end of each of the first, second and third grading periods in order that teachers will be able to devote such three one-half days to complete required reports and hold parent conferences.
   2. Of the above number of days for the school year 1982-83, one work day, or its equivalent in two one-half day increments, preceding the first student day shall be scheduled exclusively for teachers' classroom planning and preparation time.
3. In preparation for the Middle States Evaluations of Senior High Schools, the chairperson of each official faculty committee shall be scheduled the equivalent of one work day for the purpose of preparing required reports in the evaluation process. Official faculty committees shall be those determined in section 1-10 including the subcommittees of Section 4 in the Evaluative Criteria edition being used by that school.

B. Professional personnel employed for eleven months will work the equivalent number of days as the ten-month teachers plus twenty days. Thirty days prior to the beginning of the work year, eleven month personnel will be provided with a copy of a schedule listing when their twenty (20) additional days will be worked. Where possible this schedule will be worked out after input from the affected employee. The schedule will provide a period of at least three consecutive calendar weeks when there are not any duty days scheduled, unless there is mutual agreement to do otherwise.

C. Twelve-month employees are expected to work on days schools are closed for emergencies unless the Central Offices are closed.

D. The Annual Calendar Committee appointed by the Superintendent will prepare a calendar in accordance with the above stipulations. The committee shall have a representative of PGCEA. The final composition of the calendar committee will include a person currently assigned as a classroom teacher. The calendar prepared by the committee shall be submitted to the professional personnel for consideration. After consideration by the professional personnel the calendar committee shall consider their reactions before making their final recommendations to the Superintendent.

4.05 Work Day

A. The “work day” is a day of regular duty.

B. The normal work day for professional personnel employed for ten months shall be 7½ hours inclusive of lunch time. Unless otherwise agreed this shall be a continuous block of time. The time before and after school may be scheduled on a more flexible basis.

C. All professional personnel are expected to devote to their assignments the time necessary to meet their responsibilities but they will not be required to “clock in or out” by hours and minutes. A method for certification of attendance will be developed by the principal with the review of the Faculty Advisory Council.

D. Each professional person shall be provided a lunch period free of duty each regularly scheduled school day as established by Maryland School Law. The period shall extend for at least thirty minutes, unless the regular lunch period scheduled for students is for a lesser period of time, in which case, the teachers’ schedule may coincide with the students’; however, the Principal may schedule up to a thirty minute duty free lunch period for teachers where the students’ lunch period is less than thirty minutes. The Principal is responsible for implementing this provision; any difficulty in scheduling that would prevent this should be reported immediately to the Area Assistant Superintendent.
E. Teacher planning time will be scheduled in accordance with the following procedures:

1. Secondary schools: The Principal shall schedule a continuous block of forty-five minutes daily of planning time during the work day of 7½ hours for each teacher.

2. Elementary schools: The Principal shall schedule 225 minutes of planning time for each teacher per regular work week of five normal work days. On four days of the regular work week the schedule shall provide a minimum of forty-five minutes in a continuous block of time during the 7½ hour work day. The remaining forty-five weekly minutes will be scheduled in blocks of time during one or more days within the week during the 7½ hour work day. The Principal will provide the planning time schedule at least one week in advance and changes will only be made in the event of unforeseeable circumstances.

3. Except as may be necessitated by G below, teachers will be responsible for determining the use of their planning time in accordance with F below.

F. Except for the lunch period, any non-teaching time of a teacher shall be devoted to professional activities such as planning the instructional program; conferring or meeting with pupils, parents and colleagues; studying and maintaining records; and any other professional endeavors.

G. Occasionally professional personnel may be called upon to use their non-teaching time to cover unscheduled situations not normally part of their regular assignment. Such assignment shall be on an equitable basis.

H. When schools are closed for any emergency, professional personnel will be permitted to leave the building after student dismissal and their assigned responsibilities are met. These responsibilities and a schedule shall be developed by the principal with the faculty in each school and submitted for approval to the appropriate administrative officer designated by the Superintendent. When an individual school is closed for an emergency, teachers will remain on duty unless the decision is made that the entire building is uninhabitable.

I. Where administratively possible, the number of different rooms to which a teacher is assigned shall be held to the absolute minimum.

J. Assignment to more than one teaching station in the same building shall be made on the following conditions:

1. For educationally sound reasons such as implementation or flexibility in programming.

2. Rooms between which the teacher must travel shall be located as conveniently near one another as possible.

3. If a teacher who would normally be assigned to one teaching station is required to move from one station to another for more than one year, definite arrangements shall be made to lighten his non-instructional duty load.

K. The Principal of each school, with the review of the Faculty Advisory Council, will work out an equitable duty load for all members of the faculty.

4.06 Teacher Assignment

A. Secondary teachers will be assigned to their major or minor field of certification
and should not be assigned more than three different subject preparations. In the event that scheduling necessitates a variation therefrom, the Principal shall give his reason therefor.

B. Professional personnel returning to the County will be provided tentative assignments in writing by the Principal for the following school term on or before the last duty day for ten-month employees. Such assignment may not be changed after the last duty day unless unforeseen circumstances cause the Principal to make such changes. When changes need to be made, notification setting forth the reasons for the change shall be promptly given to the teacher at the address on file in the school.

C. When a principal has to assign a teacher to teach a subject outside the certified field(s) of the teacher, in order to avoid an involuntary transfer, the following shall apply:

1. The principal must first consider volunteers.
2. If there is no volunteer deemed by the principal to be qualified, seniority will be considered with the least senior teacher being assigned out of field, unless a more senior teacher has greater training or experience related to the out-of-field assignment.
3. Once a teacher is assigned outside his certified field for three or more classes per semester for a third consecutive semester, such teacher shall be required to commence taking courses toward certification in the new assigned field, or another field of certification selected by the teacher and approved after consultation with the Personnel Department, at the minimum rate of six credit hours per year.
4. No teacher being fifty-five (55) years of age or older or having taught more than twenty-five (25) years in the Prince George's County Public School System will be required to obtain certification in a new field if reassigned in accordance with this Section 4.06C.

D. Each elementary classroom teacher has the option of leaving the room for planning time when the children are being taught by the music or physical education teacher.

E. The Principal shall be responsible for obtaining substitutes for classroom teachers who are absent.

4.07 Non-teaching Duties

A. The Board will provide secretaries and data processing personnel in accordance with the developing needs and at least to the extent of current guidelines for these positions.

B. Teachers shall not be required to transport students. Teachers who volunteer for authorized trips must have prior written approval of the Principal or his designee except in case of emergencies. Such written notice shall designate the professional person as an agent of the Board.

C. Unless workable alternate procedures proposed by the FAC can be implemented, teachers may be required to collect and transmit money to be used for educational
purposes, together with a record of the sum collected and the names of students who have paid. Any additional accounting procedures shall be the responsibility of the administration. The teacher will not be held responsible for the loss of such money if such loss is not due to negligence of the teacher. However, under no circumstances may a teacher be required to collect monies for insurance or charities, although a teacher may volunteer to do so.

D. Teachers shall not be expected to perform custodial duties. However, the teacher shall be responsible for maintaining reasonable order and cleanliness in the classroom, and for performing such functions as are a normal part of the teaching assignments.

E. Nothing in this Agreement shall be construed to discourage or preclude teachers from volunteering for extra assignments should they so desire.

F. The Principal of each school, with the review of the FAC, will work out an equitable non-teaching duty load for all members of the faculty.

G. Attendance at meetings of professional employees called for purposes directly related to the educational process shall be required duty of such professional employees. Faculty and other teacher meetings shall require notification at least forty-eight (48) hours in advance except in emergencies, and shall not normally last more than one hour before or after the student day. Except in emergencies there shall be no more than two general faculty meetings per month excluding the months of September and June when three general faculty meetings may be held each month.

H. Teachers are encouraged to take an active role in the school PTA and each teacher is required to attend Back to School Night.

4.08 Teacher Evaluation and Rating

A. When a professional is evaluated by his supervisor, the completed evaluation forms shall be signed by the professional person in the presence of his immediate supervisor and a copy given to the teacher at that time. The teacher’s signature acknowledges receipt of the evaluation form and does not necessarily indicate agreement with its’ content.

B. A continuing program of evaluation of teacher performance based in part on personal observation is required. Whenever it appears that any aspect of a tenured teacher’s classroom performance is less than satisfactory, the principal shall notify the teacher in writing and he shall follow such notification with a conference to suggest necessary improvement, and he shall make at least one classroom observation which shall be announced to the teacher at least two days in advance. Additional classroom observations may be made without advance notice. No less than a satisfactory evaluation may be given to a teacher without prior notification and conference. All evaluations which are less than satisfactory must be given to the teacher on or before June 1st, and all other evaluations must be given to the teacher before the last duty day for teachers.

C. Any person who disagrees with his evaluation may submit a rebuttal in writing which shall be sent to the Assistant Superintendent for Administration and Per-
son nel and made a part of his personnel record, with an additional copy sent to the Area Assistant Superintendent. A copy of this rebuttal will be submitted to the evaluator.

D. At the beginning of the school term or whenever the teacher begins service, a copy of the evaluation form will be provided for the teacher by the Principal.

E. The Board will follow State Board of Education Guidelines for Evaluation of Probationary Teachers, a current copy of which is appended to this Agreement. One of the observations of probationary classroom teachers will be announced at least two days prior to the observation.

F. In the event that the procedures of Section 4.08 are not complied with, such non-compliance shall be subject to the grievance procedure. However, judgment of performance by an evaluator may not be submitted to the grievance procedure.

4.09 Announcement of Vacancies

A. Definition:
Positions paying a salary differential, positions beyond the regular ten-month teacher contract including positions on the administrative-supervisory level, as well as any ten-month position which does not require a person to devote more than 50% of the pupil day to the teaching, counseling, or diagnosis of pupils in the classroom, resource area, guidance office or media center will be publicized. B. Procedure:
1. These vacancies will be adequately publicized by the Superintendent or his designee.
2. These vacancies will be posted in each school as far in advance as possible but not less than fourteen days before the position is to be filled. A copy of said notice will be given to the PGCEA at the time of posting. Employees who desire to apply for such vacancies will submit their applications in writing to the Superintendent or his designated representative within the time limit specified in the notice. The receipt of all such applications will be acknowledged in writing. A standard form will be used.
3. All qualified employees will be given the opportunity to make application for these vacancies. The Personnel Office agrees to give due weight to the professional background and the attainments of the applicant.
4. Professional persons who are currently employed by the Board will receive first consideration unless in the judgment of the Superintendent other applicants have superior personal, technical, or academic qualifications for the specific position.
5. Announcement of appointments will be made through Board publications and a list will be given to the PGCEA.

4.10 Selection of Personnel for Positions of Principal and Vice Principal

   2. Preference shall be given to candidates currently employed in Prince George's County, all other factors being equal.
   3. The qualifications of each candidate shall be evaluated and assessments made in the areas of:
      a. Teaching experience.
      b. Supervisory or administrative experience.
      c. Work experience and education.
      d. Efficiency ratings and/or recommendations.

   The Screening Committee shall consist of no more than eight persons with at least two administrators at the building level and one person nominated by PGCEA and appointed by the Superintendent of Schools.

D. All candidates making the Superintendent's recommended list shall have their applications reviewed yearly. If an applicant has not received an appointment by the end of his third year, the Assistant Superintendent for Administration and Personnel or his designee will discuss with the applicant why the Superintendent has not recommended his appointment and the probability of a future recommendation. At this time the candidate will have the right to reapply; however, it will be at his expense.

E. Appointment of the Position of Acting Principal or Vice Principal: In the event that a vacancy should occur during the school year and there is no candidate on the approved eligibility list suitable for appointment to a specific school, the Superintendent of Schools shall appoint an Acting Principal or an Acting Vice Principal until the eligibility list is once more established. A person appointed to an acting position will be required to qualify before being considered for a permanent appointment.

F. In the event that it becomes necessary to deviate from the established procedure herein, a committee of six people, three appointed by the Superintendent and three appointed by PGCEA, will be appointed to discuss the matter and submit a report to the Superintendent who is responsible for the final recommendation to the Board of Education for the appointment. The Superintendent's recommendation will be accompanied by a statement of his justification for his decision.

G. Area Assistant Superintendents will consult with principals of schools where a vice principal vacancy exists prior to the recommendation and assignment of a vice principal to the vacancy.
H. All professional personnel seeking, from time to time, a promotion or transfer to an administrative position after July 1, 1977, shall be required to teach in the classroom a minimum of one week and a maximum of one quarter, once every three to five years, as a condition precedent to any such appointment or transfer.

4.11 Procedures for Implementing Voluntary Transfers

The Board and the PGCEA agree that requests for transfer shall be considered subject to the following criteria:

A. Factors to be considered:
   1. Certification for the position desired.
   2. Tenure status.
   3. Length of service in Prince George's County.
   4. Satisfactory evaluation.
   5. Professional competence relative to the needs in an available position.
   6. Proximity to place of residence.
   7. Establishment or maintenance of reasonable ratios according to race and/or sex in school faculties.
   8. Other relevant factors.

B. Any request for transfer must be submitted on the appropriate form entitled "Transfer Form" which may be obtained from the building Principal. This form, with any supplemental information in support of the transfer request, must be submitted by the teacher no later than March 1 to the Office of the Director of Professional Personnel. A copy of the transfer request is to be given by the teacher to the teacher's current Principal at the time it is submitted to the Office of Professional Personnel.

C. All voluntary transfers shall be acceptable to the receiving Principal.

D. Except for extenuating reasons, voluntary transfers for the ensuing year will not be processed after August 1.

E. Except in unusual circumstances only tenured teachers will be considered for voluntary transfers. Current employees will be considered for vacancies known prior to August 1 before these positions are made available to new hires.

F. Requests for voluntary transfers to known vacancies may be submitted after March 1, but will be considered only in extenuating or unusual circumstances and only from teachers with five or more years of service in the Prince George's County Public School System. The request made after March 1 must be submitted on the transfer form to the teacher's current Principal who shall forward the request, together with the principal's recommendation, to the Office of the Director of Professional Personnel. The Assistant Superintendent for Administration and Personnel shall take final action on the request.

G. When a teacher whose performance has been satisfactory in a full-time assignment is reassigned to an itinerant position and subsequent to the itinerant assignment a full-time vacancy occurs in one of the assigned schools, the teacher will be given priority consideration for reassignment to the full-time vacancy, if said teacher expresses a desire for the full-time assignment.
H. In any given month in which the PGCEA makes a request for same, the Department of Professional Personnel will supply to the PGCEA a list of vacant teaching positions as they exist on the 15th day of the month and, as appropriate, a list of involuntary staff reductions for the same date.

4.12 Involuntary Transfers

A. The Board and PGCEA recognize that valid education principles compel the staffing of each public school to be predicated upon such considerations as school enrollment factors and ratios related to race and/or sex of its professional personnel and to that extent involuntary transfers may need to be effected from time to time in order that the Board may conform to such guidelines or criteria of employment as the approved County Board of Education Staffing Formulas or as required by appropriate State and/or Federal Authorities. When such transfers have to be effectuated the Principal shall submit to the Office of Professional Personnel no later than June 1, the names of any teacher(s) who have been declared staff reductions in accordance with the following procedures applied in sequential order:

1. Volunteer(s) shall first be sought (a teacher who volunteers to become the involuntary transfer will be given the same consideration in determining the school transfer as is given to other involuntary transfers);
2. Persons holding less than a standard certificate in the subject or teaching level to which they are assigned shall then be selected; and
3. Should the previous two steps not satisfy the required transfer, the decision shall be made according to:
   a. The least senior person in the County in that school within the category affected. For this purpose, all service in the subject area from the most recent date of employment will be counted in determining seniority in the category affected. Categories are as follows:
      (1) Kindergarten
      (2) Elementary (1-6)
      (3) Junior High and/or Middle School subject area
      (4) Senior High and/or High School subject area
      (Where two or more teachers in the same school have had equal service in the same category and where their employment began on the same day of the same year, the date these employees signed their individual teacher contracts shall be determinative of seniority.)
   b. The official evaluation and performance for the previous year.
   c. The procedures indicated above shall not apply in the transferring of itinerant teachers resulting from the regrouping of schools.
4. The Principal shall notify a teacher in a private conference by June 1 that he or she will be a staff reduction. Final notification will be given in writing by the Personnel Office after notification by the Principal.
5. If a teacher is involuntarily transferred during the school year or after the opening of school for any one year, the salary shall not be reduced for the remainder of the year.
6. Teachers to be involuntarily transferred will be reassigned ahead of teachers requesting voluntary transfers, teachers returning from an approved leave of
absence and new hires.

7. In referring teachers who had been declared staff reductions to existing vacancies, total years of service from the most recent date of employment within Prince George's County Public Schools in the subject area will be the determining factor in establishing the order of referrals.

8. A person to be involuntarily transferred requesting referrals shall be referred for a maximum of three interviews to Principals of schools where there are appropriate vacancies if such exist. A maximum of one calendar week after the referral will be permitted for the teacher to advise the Personnel Office relative to their acceptance of the position. If a teacher does not accept any of the positions to which referred, the Personnel Office will assign the teacher to an existing vacancy.

9. The June 1 deadline above is based upon estimated pupil enrollment and preliminary staff allocations. Changes in student enrollment after June 1 may result in further staff reductions prior to the opening of school. A teacher affected by such a change however may request within five (5) days of notification a conference with the Area Assistant Superintendent or his/her designee. A PGCEA representative may be called in by the teacher.

10. Any teacher who is involuntarily transferred after the first work day for returning teachers at the beginning of a school year shall not be involuntarily transferred again after the first day of a new school year for three succeeding years. A teacher involuntarily transferred after the first work day who wishes to request a voluntary transfer out of his/her new assignment must do so on the appropriate form in accordance with the provisions of Article 4.11 B. If said teacher does file a timely request for transfer, the teacher shall be considered as an involuntary transfer and will be given the same consideration in determining school transfer as is given to other involuntary transfers. No involuntary transfer for reasons of correcting prior scheduled staffing will be made after September 30, except if special, unanticipated problems arise in secondary assignments, an involuntary transfer may be effectuated at the secondary level until October 15.

B. An administrative transfer requested by the immediate supervisor for a reason other than reduction in staff or change in ratio must be approved by the Assistant Superintendent for Administration and Personnel prior to the completion of the transfer. The teacher shall be given written notification with specific reasons of the transfer by June 1 or in the event notice is given thereafter the Assistant Superintendent for Administration and Personnel and the President of PGCEA or their designees shall meet to resolve problems not hereunder covered.

C. The grievance procedure may be applied to Section 4.12 only with regard to an allegation that procedures set forth herein have not been complied with or that the employee alleges and proves discrimination on the part of the person charged by said employee.

4.13 Reduction in Force

In any reduction of professional personnel necessitated as a result of budgetary actions, declining enrollment or curriculum and/or administrative reorganization, pro-
fessional personnel shall be laid off solely on the basis of certification in the subject field assignment and on system-wide seniority counted from most recent date of employment. For purposes of this section, all elementary teachers (K-6) will be considered as having the same subject assignment. System-wide seniority shall mean length of continuous service as a certificated professional employee in the unit represented by PGCEA as counted from the first day said employee began work with the Prince George's County Public School System in said unit. Where two or more employees began work on the same day of the same year, the date the employees signed their individual teacher's contracts shall be determinative of seniority. An official leave of absence without pay intervening continuing service, although not counted as years of service for seniority shall, nevertheless, not be deemed an interruption to continuing service.

No lay-offs of professional personnel shall be effectuated without the Board, through the office of Director of Professional Personnel, first exhausting all of its best efforts to have such personnel reassigned to another subject field providing that appropriate approvals of interim or provisional certifications can be obtained from the State Department of Education, and provided further that a reassigned teacher shall be required to work toward certification in the new area of assignment at a minimum rate of six (6) credit hours per year. In the event, however, that upon a finding by the Office of Director of Professional Personnel it appears that reassignment is not feasible and as a last resort there must be lay-offs, then and in that event lay-offs shall be effected within the following categories in the order noted:

First: In continuing order of least system-wide seniority in the subject field taught, severance shall be restricted to persons holding a provisional certificate.

Second: Thereafter, in continuing order of least system-wide seniority in the subject field taught, severance shall be restricted to non-tenured employees.

Third: Thereafter, in continuing order of least system-wide seniority, tenured employees holding a Class II certificate.

Fourth: Thereafter, in continuing order of least system-wide seniority, tenured employees holding first class certificates.

While a lay-off continues, no new hires shall be permitted except in the unique circumstances where: (a) there are no teachers on lay-off qualified to fill a vacant position; or (b) all qualified professional personnel on lay-off decline the offer to fill the vacancy.

Professional personnel shall (a) receive official notice by phone or registered mail at least four working days in advance of their deadline for determining whether to exercise recall rights, (b) shall be available to begin within thirty days, (c) retain recall rights for a period of two years, and (d) except for proven medical disability, a teacher who declines an offer of vacancy in his field of certification shall forfeit all recall rights.

Employees on lay-off shall be granted, during the period that they are vested with recall rights, the option of paying 100% of the premiums due on any hospitalization, dental insurance, optical insurance, life insurance, or health maintenance organization plans as the Board may have available for its employees at the time of lay-off, provided that the insurance coverage is such as to permit this participation.
4.14 Termination or Non-Renewal of Contract
A. A teacher may terminate his contract without prejudice as follows:
   1. A first-or second-year teacher not on tenure by giving a letter in writing no later than May 1 of any school year.
   2. A tenured teacher by giving 30 days notice in writing on or prior to July 15.
   3. Resignation of an emergency nature ruled on and accepted by the Personnel Office.
   4. Other resignations that are consented to by the Superintendent or his designee.
B. Termination of Contract by the Board
   The contract of a tenured or non-tenured teacher may be terminated at any time by the Board on the grounds of immorality, misconduct in office, insubordination, incompetency, or wilful neglect of duty. The charges must be made in writing to the employee with not less than ten days' notice to be heard. In a hearing such person may be represented and bring witnesses. An appeal of the decision may be made to the State Board to Education.
C. Non-Renewal of Contract by the Board
   If the Board of Education elects not to renew the contract of a non-tenured teacher, such non-renewal shall be in accordance with then existing laws of the State of Maryland and Bylaws of the State Board of Education.

4.15 Teacher's Rights and Privileges
A. A teacher shall not be restrained from joining nor required to join PGCEA by either the Board or PGCEA or any of their representatives.
B. Nothing in this Agreement shall deny or restrict any teacher from his full individual rights under the Laws of the State of Maryland or the United States of America or under the Bylaws of the State Board of Education.
C. The Board and PGCEA shall continue their policy of not discriminating against any teacher on the basis of race, creed, color, national origin, sex, marital status, or membership in any teacher organization.
D. Academic Freedom
   1. In performance of their teaching functions, teachers shall be responsible for presenting all sides of an issue and for providing students with the opportunity to investigate all facets and/or opinions of or about any and all germane topics and materials of the curriculum introduced or presented and shall have a special responsibility to provide such opportunity with regard to those topics of the curriculum which are or may be of a controversial nature. Such germane material presented to students must be of appropriate maturity level and intellectual ability of the students.
   2. The teacher shall have the right to express personal opinions on germane matters and shall further be responsible to permit the expression of the views and opinions of others and to encourage students to examine, analyze, evaluate
and synthesize all available information about such topics and materials and to encourage each to form his own views and opinions through such procedures.

3. Teachers shall at all times strive to promote tolerance for the views and opinions of others and for the right of individuals to form and hold differing views and opinions.

4. To the extent permissible by law, the Board shall support teachers adhering to the above procedures and shall in no way recriminate against same so long as said teacher adheres to the procedures outlined above. Nothing herein is, however, to be so construed as to render immunity to any teacher for acts which are libelous, slanderous, or which in any way violate the civil rights of others.

E. Teachers' Rights

1. Any complaints regarding a teacher made in writing to any member of the administration by any parent, student, or other person which are or may be used in any manner in evaluating a teacher shall be processed according to the procedure as follows: The Principal or immediate supervisor shall meet with the teacher to apprise the teacher of the full nature of the complaint and they shall attempt to resolve the matter informally.

2. During his period of employment, a teacher shall be notified of any material of which he does not have a copy and which is to be entered into his personnel file. At the teacher's request and at his expense, a copy of such material will be provided. No material of a confidential nature necessary precedent to employment or other letters of reference will be available to the teacher.

3. Any professional person may personally review his personnel folder, except for confidential reference material, by submitting in writing a letter to the Assistant Superintendent for Administration and Personnel. He shall be able to review his folder within ten days after receipt of request.

   A Professional Person may, upon reasonable request, review all school based written data compiled on such person, except such notes that a principal prepares and maintains for his own personal use and which notes will not be offered in evidence at any disciplinary hearing.

   With the exception of copies of the official teacher evaluation, no school-based written data in a teacher's file may be transferred to another school when a teacher is voluntarily or involuntarily transferred to another school or office.

4. No employee will be disciplined, reprimanded, reduced in rank or compensation, or deprived of any professional advantage without cause.

5. The personal life of the teacher or the participation or non-participation in religious, political, or teacher association activities of a teacher conducted outside duty hours and off school property shall not be grounds for disciplinary action unless such action is shown to interfere with the regular conduct of the school or schools in Prince George's County.

6. The Board believes that all of its employees have the right and obligation to be informed and active citizens. The Board, therefore, guarantees to all of its employees full equality with other citizens in the exercise of their political rights and responsibilities including such rights as voting, discussing political issues, campaigning for candidates, and running for and serving in public office.

The Board, however, wishes to stress that it, and the public schools, serve all
segments of the community without reference to political affiliation. The Board feels strongly that its employees have a responsibility to refrain from involvement in political activities during the working day and in the school setting. At no time is the pupil in the public school to be regarded or used as a forum by an individual for political activity.

The Board believes that a prerequisite to a high quality in education is the acceptance by the community and by governing bodies of their responsibilities in recognizing the political and professional status and rights of all citizens and in the interest of encouraging political and professional involvement of qualified employees, guarantees that in the event of election to public office, the employee will not incur loss of tenure or retirement benefits within the framework of State legislation.

The Board further states as its policy the following:

a. The Board will not endorse any employee seeking public office.

b. An employee of the Board may not use his position to exploit students, parents, or Board employees in the interest of his campaign.

c. An employee of the Board may not campaign while on duty during the normal working day.

d. An employee may not use the facilities (except under existing policies), equipment, material, or personnel of the Board, during duty hours, in the conduct of his campaign or in the execution of his duties, if elected.

e. An employee, if elected or appointed to public office which would require full-time service, shall have a choice of resigning his position or receiving a leave of absence without pay from the Board for the period of tenure in office.

f. An employee, if elected or appointed to a public office requiring a full-time service for a portion of the year, shall be granted a leave of absence without pay by the Board for that portion of the year.

g. An employee, if elected or appointed to public office representing a conflict of interest with the duties usually discharged by personnel employed by the Board, shall be required to resign or to request a leave of absence without pay for the full term of the office. The employee would have the privilege of transferring his membership in the Teachers’ Retirement System to the State Employees’ Retirement System.

F. Earning of Credits

A professional person desiring to earn more than six semester hours of credit a semester for salary or certification purpose may take an additional three credits only upon obtaining prior written approval by their Principal or immediate supervisor. It is understood that the request may be denied on the basis that the excessive load in the judgment of the Principal or immediate supervisor would adversely affect the performance of the professional employee.

G. Teachers are encouraged to bring to the attention of the Principal conditions which they consider may be unsafe for students or teachers, for review and, as appropriate, for referral to the appropriate school authority. Thereafter, if the teacher is still concerned, the teacher may request further review by the Office of the Area Assistant Superintendent. If in a specific situation the President of
PGCEA believes further consideration is appropriate, the President may request review by the Superintendent of Schools.

4.16 Teacher Facilities, Equipment and Supplies

A. Provision of General Facilities

To the extent possible, the Board shall make available to professional personnel the following facilities at the base school:

1. A furnished air-conditioned room to be reserved for the exclusive use of faculty and staff.
2. A suitable desk, chair and file cabinet.
3. Where administratively feasible, the itinerant teacher will be provided a private place for storage of material at each school to which assigned.
4. A rest room or restrooms reserved for the exclusive use of faculty and staff. The rest room is to be kept clean and adequately supplied. It is understood that common facilities used by the staff must be maintained in an orderly condition by those using the facilities.
5. Will continue to provide adequate parking space.
6. A general teacher work area containing equipment and supplies necessary for the preparation of instructional materials.
7. A general space for the storage and display of professional books and literature.
8. Separate dining tables shall be provided for teachers and other staff members within the school lunchroom or in another room which may be available.
9. Adequate lighting shall be provided in the parking lots of all schools.
10. Adequate security shall be provided during the day and night for all school and school-related activities.
11. Adequate telephone service will be provided in each school consistent with budgetary restrictions.
12. Summer school and summer workshops will be assigned in air-conditioned schools unless physically impossible.
13. The Board of Education will make a reasonable effort to provide a secured area within existing facilities for each teacher to store materials used in the classroom.

B. Access to Facilities by Professionals

1. During regular school hours, the faculty rooms shall be open at all times for those professionals who do not have specific duties elsewhere.
2. Each school Principal with the FAC will develop a policy for the use of school facilities by the faculty after school hours.
3. School system telephones may be used for essential local calls.

4.17 Control and Discipline

A. The Principal is charged with the responsibility for the total conduct in the total educational program to which he is assigned.

B. Teachers and Principals shall have the authority granted by law and shall exercise responsibility for the control of pupils within their classes and the school program for which they have accepted responsibility.
C. The maintenance of normal school classroom discipline is the responsibility of the teacher. Procedures for handling disruptive students both within and without the classroom will be developed in accordance with County educational policy in each school by the Principal or duly appointed designee and the faculty.

D. When in the judgment of the teacher a student’s behavior makes operation of the class impossible, the student may be excluded from the class until the teacher and Principal or his designee have held a conference. The Principal, with the advice of the FAC, shall designate an appropriate area where such students may be sent. The conference should be held on or before the next school day. The teacher and the Principal or his designee may elect to use an exchange of written notes in lieu of the conference. The Principal will decide if and when the student is to be returned to class. In the event that the teacher is concerned about the decision of the Principal, the teacher may request that the situation be reviewed by the Area Assistant Superintendent. The Principal’s decision is to be implemented pending a review by the Area Assistant Superintendent which is to be completed within seven student days of receipt of the teacher’s request. However, if the Area Assistant Superintendent does not complete the aforementioned review within seven student days, at that point the student will again be excluded from class pending resolution of the matter by the Area Assistant Superintendent.

6. **Use of Sick Leave**

a. Sick leave shall be allowed in case of actual sickness or disability of the employee, necessary appointments with a physician or dentist, or confinement to home because of quarantine and for temporary disabilities related to pregnancy (pregnancy itself is not considered a sickness warranting the granting of sick leave with pay. It is only disability resulting from the pregnancy for which sick leave may be allowed.)
b. Sickness in Family
A member of the unit with one or more years of service in Prince George's County who does not earn annual leave may use a maximum of five days annually of his accumulated sick leave for serious illness of members of the family residing permanently in the household. The employee will certify in writing that such a serious illness exists. Exceptions to the residence requirement will be made by the Assistant Superintendent for Administration and Personnel.

7. Holidays to which an individual is entitled which occur during sick leave shall not be charged against such leave.

8. Employees' Sick Leave Bank
An Employees' Sick Leave Bank will be established effective July 1, 1978.

a. All unit members on active duty with the Prince George's County Public Schools are eligible to participate in the Sick Leave Bank. Participation is voluntary, but requires contribution to the bank. Only contributors will be permitted to use the bank for payment for qualifying incapacitating personal illness during regularly scheduled duty days.

b. The Sick Leave Bank will be administered by a three (3) member approval committee appointed by the President of the PGCEA and this Approval Committee shall have the responsibility of receiving requests, verifying the validity of requests, recommending approval or denial of the requests and communicating its decision to the member and the Department of Personnel.

c. The rules for the Sick Leave Bank will be established by a four (4) member Rules Committee, two (2) members appointed by the President of the PGCEA and two (2) members appointed by the Superintendent of Schools of Prince George's County. It shall be the purpose of this committee to recommend such rules, in addition to those provided for in this Agreement, as the committee considers appropriate for the operation of the Sick Leave Bank. These recommended rules must be approved by the President of the PGCEA and the Superintendent of Schools before said rules take effect. Once approved, the rules will be widely distributed by the Approval Committee.

d. The contribution on the appropriate form will be authorized by the unit member and continued from year to year until cancelled in writing by the unit member. Sick leave properly authorized for contribution to the bank will not be returned if the unit member effects cancellation. Cancellation on the proper form may be effected at any time and the unit member shall not be eligible to use the bank as of the effective cancellation date.

e. Contributions shall be made between July 1 and October 1, except for members returning from extended leave which included the enrollment period and new hires who will be permitted to contribute within thirty (30) calendar days of their reassignment and/or start to work. Unit members returning from extended sick leave or disability leave will be permitted to contribute to the bank only after approval of the Approval Committee.
f. The annual rate of contribution for the 1979-80 school year shall be one (1) day of sick leave. Annual rate of contribution for future years shall be determined by the Rules Committee and announced prior to July 1 of each year.

g. The maximum number of duty days that can be granted in any one fiscal year will be the remaining number of duty days a unit member is scheduled to work. In no case will the granting of leave from the bank cause a unit member to receive more than his annual salary.

h. Members must use all accumulated sick and annual leave before applying for leave from the bank. Applications for use of the bank shall be made on the required form and submitted to the Approval Committee.

i. The first twenty (20) consecutive calendar days of incapacitating illness or disability must be covered by the employee's own accumulated sick leave, annual leave or leave without pay the first time said employee qualifies for a grant from the bank. For subsequent grants from the bank, the first three (3) duty days of incapacitating illness or disability must be covered by the employee's own accumulated sick leave, annual leave, or leave without pay.

j. The Department of Personnel will receive and review the decision of the Approval Committee from the bank. If the grants from the bank are consistent with Prince George's County Board of Education's sick leave policies and the rules of the Sick Leave Bank, the Department of Personnel will approve these bank grants to be paid by the Prince George's County Public Schools to the member and shall forward the bank grants to the appropriate Department for payment. In any case where the decision of the Department of Personnel does not concur with the Approval Committee, the Department of Personnel shall explain the full reason for the difference of opinion.

k. Bank grants will not automatically be carried over from one fiscal year to another. All bank grants will end as of the last duty day of the school year and must be renewed through the Approval Committee each school year.

l. If a unit member does not use all of the days granted from the bank, the unused sick leave bank days will be returned to the bank.

m. If the Sick Leave Bank is terminated due to the nonexistence of a negotiated agreement with PGCEA, or for any other reason, the days remaining in the Sick Leave Bank shall be returned to the then current members of said bank proportionally.

However, reinstatement will be determined by the Board based upon the availability of a position in the individual's field of preparation. Reinstatement will be dependent upon an employee's maintaining his certificate. Such person, when qualified, will be placed before a new person is hired.

B. Pregnancy, Maternity or Adoption Leave

1. Pregnancy Leave
Any professional person who becomes pregnant, shall be required to inform the Personnel Department in writing as soon as she has definite knowledge of pregnancy. Pregnancy leave shall be defined as that leave given to an employee during that period of continuing temporary disability causing such employee to be unable to perform her regular duties for reasons of child birth, false pregnancy, termination of pregnancy and recovery therefrom. For purposes of pregnancy leave, all employees shall be entitled to a maximum of seven (7) weeks, said period of time being identified as forty-nine (49) consecutive calendar days, commencing with the date that said employee's physician certifies the existence of the temporary disability having been occasioned from the pregnancy and the need of the employee to be absent from work. During the period of such pregnancy leave, the employee may avail herself of any accumulated sick leave days or accumulated annual leave days to which she is entitled.

Upon the conclusion of said seven (7) week period as aforesaid, or earlier, in either of which occurrences, the employee's physician is to certify that the employee is able to return to her regular assignment and, except for those qualified employees entering upon maternity leave, the employee shall be reinstated to the same position she held when the leave began.

In all cases of disability related to pregnancy where the employee is unable to return to work upon the conclusion of the maximum seven (7) week period of pregnancy leave, the employee, if not qualified to receive the benefits of a maternity leave, shall, nevertheless, be entitled to apply for and receive a status of authorized leave without pay and be entitled to the same rights, including reinstatement, as are set forth in Section 4.20 A of this Agreement, provided that said employee furnishes the Office of Director of Professional Personnel at the time of such application and every four (4) weeks thereafter with certifications from her physician confirming said employee’s inability to return to her regular employment and specifying the nature of the disability having resulted from the pregnancy. The employee must furnish the Office of Professional Personnel with a doctor's certification attesting to the termination of the disability and affirming that the employee is physically able to return to regular employment within ten (10) days after the cessation of the disability in order to maintain their rights under 4.20 A.

2. Maternity Leave
A tenured employee may, upon the expiration of pregnancy leave, apply for and receive a maternity leave for a period, which when computed with any pregnancy leave or sick leave taken on account of a pregnancy, shall not ex-
ceed a total of twelve (12) months. There shall be no entitlement in any employee on maternity leave to receive paid sick leave benefits during that period of time. Any annual leave previously earned and accumulated to the credit of an employee may be taken during the period said employee is on maternity leave to the full amount of annual leave days earned and accumulated.

In order for an employee to be entitled to maternity leave, said employee shall be required to inform her appropriate supervisor as soon as she has definite knowledge of pregnancy. Said employee and her supervisor shall jointly determine the approximate date of the commencement of this leave. When that date has been established, the Office of Professional Personnel shall certify the leave.

The employee shall write to the Office of Professional Personnel thirty (30) days prior to the time she wishes to return from maternity leave or the expiration of the maternity leave.

3. **Adoption Leave**

A tenured employee in the case of the adoption of a child may apply for and receive an adoption leave without pay for a period not to exceed a total of twelve (12) months, commencing with the time the adoption agency requires the employee to cease active duty or the day of the adoption, whichever shall first occur. Any annual leave previously earned and accumulated to the credit of an employee may be taken during the period said employee is on adoption leave to the full amount of annual leave days earned and accumulated.

In order for an employee to be entitled to adoption leave, said employee shall be required to inform the appropriate supervisor as soon as the employee has definite knowledge of the date of the anticipated adoption. Said employee and/or the supervisor shall jointly determine the approximate date of the commencement of this leave. When that date has been established the Office of Professional Personnel shall certify the leave.

The employee shall write to the Office of Professional Personnel thirty (30) days prior to the time they wish to return from adoption leave.

Any exceptions to the above stated policies and rules made hereunder shall be at the discretion of the appropriate Assistant Superintendent.

C. **Military, Peace Corps, or the Domestic Peace Corps**

Any professional employee who is inducted or enlists in any branch of the military service, the Peace Corps, or the Domestic Peace Corps shall be granted leave without pay. Upon return from such leave, a teacher shall be placed on the salary schedule at the level which he would have achieved had he remained an active employee in the system during the period of his absence up to a maximum of two years.

D. **Early Release Leave**

A professional employee, upon prior approval by the Superintendent or his designee, shall be granted leave without pay to begin a program of studies which result from foundation or scholarship grants or private funding which require the
individual to leave his assignment prior to the end of the regular school term. Application for such leave shall be made in writing to the appropriate official as far in advance as possible in order to insure continuity in the program of instruction for the students in his classes.

E. Teaching and Other Leaves
Any professional employee on tenure covered by this Agreement may upon written request to the Board of Education be granted an unpaid leave not to exceed one year for the following reasons: prolonged illness; needed rest and necessity in the home; professional improvement when the teacher is not eligible for sabbatical leave; public office or political campaign; or for any other activity which, in the opinion of the Superintendent, redounds to the future benefit of the Prince George's County School System. Employees have the option of paying into retirement, hospitalization or association dues during leave of absence due to illness. Existing policy concerning special cases shall remain in force. Leaves of absence may be extended by the Board. At the conclusion of an extended leave of absence, reinstatement will be determined by the Board based upon the availability of a position in the teacher's field of preparation and predicated upon said teacher's retention of certification requirements. A teacher must notify the Board in writing by May 1 of the teacher's intent to return for the following school year and will be offered a position in his field provided a vacancy exists or occurs during the subsequent year. If the teacher refuses the position there is no further guarantee of position. Credit on the salary scale for a leave of absence will be granted only in the event the teacher is returning from sabbatical leave or from an involuntary military service, unless the individual had not received prior credit for military service.

Except for prolonged illness, needed rest and necessity in the home, the request for leave must be submitted by July 1 of the school year immediately preceding the year during which the leave is sought.

4.21 Renewal of Certificate
A. Renewal of certificate must be attended to by a teacher on leave. The Board will not be obliged to reinstate a teacher whose certificate has lapsed until the necessary “professional growth” has been presented for renewal.

B. In addition to those teachers who are made subject to the requisites of State Board of Education Bylaw 13.06.01.03 C4, and any amendments as may be issued from time to time thereto, all teachers originally employed subsequent to June 30, 1977, and all teachers presently employed by the Board of Education who had not or shall not have attained the Advance Professional Certificate within ten years from the date of the commencement of their teaching career, shall be required to present evidence of the completion of three semester hours of credit in reading within five years from either July 1, 1977, or five years from the date of their original employment, whichever event shall first occur, except that in the case of teachers not having attained the Advance Professional Certificate as aforesaid, such evidence of three semester hours of credit in reading shall be furnished within one year of the date of expiration of their current teaching certificate.
C. After consultation with PGCEA, if the Superintendent of Schools recommends that for purpose of fulfilling the educational needs of pupils, that professional personnel require additional levels of skill, knowledge or competency in any curricular areas or programs, the Board of Education may require professional personnel to take, in addition to State mandated certification requirements, no more than one course of up to the equivalent of three graduate credit hours at no tuition expense to the employee. Said course may be offered through a workshop which may be scheduled after the school day or offered through a college in Prince George's County or Washington, D.C., and which course must be related to the professional person's regular professional assignment. No professional person being fifty-five years of age or older, or having taught more than twenty-five years in the Prince George's County Public School System may be so obligated.

4.22 Unauthorized Absence
Any absence from duty that does not meet the rules and regulations governing authorized leaves of absence shall be considered an unauthorized absence. No payment of salary will be made for any unauthorized absence.

4.23 Appearance and Conduct
Professional personnel shall dress and conduct themselves in accordance with accepted professional standards.

ARTICLE V – INSTRUCTIONAL PROGRAM

5.01 Flexibility in Staffing
The staffing from school to school may be flexible depending upon the nature of the program, the community, the size of the student body, the curriculum and the organization of the school. The Board will continue to work for more flexibility in staffing and a pupil-teacher ratio which will result in the best possible learning situation. It is recognized, however, that in staffing patterns special help teachers are needed to provide greater opportunity for those children that need help to function properly in the normal group setting.

The immediate supervisor (Principal) with the review of the FAC shall submit with supporting evidence his request for additional staff personnel beyond that authorized by the staffing formula approved by the Board of Education. The Assistant Superintendent for Administration and Personnel shall make the final determination of staff allocation after review of this request.

5.02 Curriculum Development
A. The Board agrees to enter into written agreements with classroom teachers to work on curriculum development projects, to be conducted after regular working hours, utilizing the following procedures:

1. The instructional person who plans a curriculum development project submits a proposal indicating its nature and scope, the length of time needed for completion, requested compensation, the specific skills needed by persons to be
employed and approximate cost of project. This proposal is then submitted to the Director of Curriculum for approval.

2. The applicants for the project must submit a sample of some work that would demonstrate their ability to perform most adequately the required tasks.

3. Following such steps, the proposals will be reviewed and the applicants notified of the decision and such further action as may be required.

4. Existing Board policy relative to filling of vacancies for planning persons required for the approved projects will be maintained.

B. All committees concerned with curriculum development or textbook evaluation and selection shall include classroom teacher representation.

C. When the Instructional Council and the Superintendent approve major policy and curriculum changes, sufficient professional staff involvement and in-service training will be initiated with the local staff before the changes are implemented at the local level. When financing and staffing are affected by a curriculum change, adequate time for the preparation and planning must be allowed before it is initiated at the school level.

D. The PGCEA may nominate one member to serve on each curriculum writing committee constituted to prepare curriculum guides for each subject area.

5.03 Assignment Equalization

The Board and the Association hereby agree that subject to building limitations, budget and program requirements, action will be taken to maintain favorable class size in accordance with Board of Education policy and reduce classes which exceed by more than 10% the County-wide class size average based upon the 1973-74 figures only when the average exceeds twenty-five for that grade level or subject field.

If, subsequent to September 30, any teacher has a class which exceeds the county class size as indicated above, the teacher after consultation with the Principal may request a review by the FAC. If after a review of the teacher’s complaint and consultation with the Principal the FAC determines by a majority vote that further adjustment in class size is essential, the FAC may request a review by the Area Assistant Superintendent who will recommend appropriate adjustments in an attempt to achieve a mutually acceptable settlement. If the FAC believes that the class size concern could be relieved through changes in the master schedule, the FAC may submit any suggestion in writing to the Area Assistant Superintendent, who will have that matter reviewed within five (5) working days of receipt of the request. If after consideration by the Area Assistant Superintendent a mutually acceptable settlement is not achieved, the FAC may refer the matter to the Superintendent of Schools for final action. The FAC may request that a PGCEA official be present at any meeting scheduled to review class size concerns.

RESOLUTION
MARYLAND STATE BOARD OF EDUCATION
December 19, 1973

Resolution No. 1973-49
Re: Adoption of Guidelines for Evaluation of Probationary Teachers

WHEREAS, Disputes and controversies have arisen over the non-renewal of contracts of probationary teachers; and

WHEREAS, The State Board of Education believes that there should be in existence a fair and impartial system for the evaluation of probationary teachers by their fellow professionals; and

WHEREAS, The Board does not wish to substitute its judgment for those of the evaluators who have the direct responsibility of supervising probationary teachers; now, therefore, be it

RESOLVED, That the State Board of Education adopt Guidelines for the Evaluation of Probationary Teachers which follow:

GUIDELINES FOR THE EVALUATION OF PROBATIONARY TEACHERS

Each county board of education and the Board of School Commissioners of Baltimore City shall adopt evaluation procedures for probationary teachers, to become effective September 1, 1974, which are not inconsistent with the following provisions:

Observations
1. Teachers who have not achieved tenure status shall be observed periodically at least four (4) times during the school year by the staff of each local board of education and the staff of the School Commissioners of Baltimore City as determined by the superintendent. Each observation of performance shall be conducted openly and with full knowledge of the teacher for a period of time sufficient for an adequate appraisal of that instructional activity.
2. The teacher shall be observed by more than one qualified person each year as determined by the superintendent.
3. Within a reasonable period of time subsequent to each observation, the observer will hold a conference with the teacher, at which time a written observation report shall be submitted. The report should include, where appropriate, favorable comments, criticisms and specific recommendations for improvement.

Evaluations
1. A formal evaluation including a conference shall be made at least once each semester.
2. The evaluation shall be based on the conclusions and assessments reached by more than one staff member.
3. The evaluation shall be based on the observations of the teacher's performance and other reasonable criteria established by local boards of education and the Board of School Commissioners of Baltimore City.
4. Provision shall be made for an over-all assessment by the evaluator which clearly indicates a satisfactory or unsatisfactory rating.
5. The written evaluation report based on performance and other reasonable criteria established by the local boards of education and the Board of School Commissioners of Baltimore City shall be shown to the teacher within a reasonable period of time subsequent to the aforementioned conference. At that time, the teacher shall sign the report and receive a copy thereof. Such signature will, however, not necessarily indicate agreement with the evaluation. Provision shall be made for written comments and reactions by the teacher(s) which shall be attached to the evaluation report.
6. Except for bona fide reductions of staff, the superintendent's recommendation as to non-renewal of contract of probationary teachers shall be based on the evaluation report and other reasonable criteria established by local boards of education and the School Commissions of Baltimore City prepared in accordance with these provisions.

Copies of new evaluation procedures developed by local school systems and based on State Guidelines For The Evaluation Of Probationary Teachers shall be submitted to the State Superintendent of Schools not later than September 1, 1974.
