Site employees in the affected classification should be made aware of the opportunity to volunteer for the reassignment.
Article 10 - Transfer and Reassignment Policies
Section 3 - Continued

Employees reassigned under this provision will be given their choice of existing vacant positions in their classification. If no vacancy exists, employees may exercise their rights under Article 15, Layoff and Reassignment.

Section 4: RETURN TO FORMER CLASSIFICATION

Section 9: SCHOOL GRADE-SPAN ORGANIZATIONAL CHANGE

School grade-span organizational change occurs when one or more grade levels are added to or deleted from a school without changing the basic educational philosophy of the school. (Examples: a K-6 elementary school becomes a K-5 elementary school; a 10-12 senior high school becomes a 9-12 senior high school; a 7-9 junior high school becomes a 7-8 junior high school.) In a school grade-span organizational change, classified employees who were at the site before the grade-span change will be retained at the site unless a drop in enrollment causes the staffing need to decrease in the employee's classification. Displaced employees will be given their choice of existing District vacancies in their classification. The order of choice shall be by seniority within classification. If no vacancy exists, permanent employees may exercise their rights under Article 15, Layoff and Reemployment.

Section 10: SCHOOL REORGANIZATION

A school reorganization is a grade-span change resulting in a change in the basic educational philosophy of the school. (Examples: a 7-9 junior high school becomes a 6-8 middle school; a 7-9 junior high school becomes a continuation high school.) In a school reorganization, classified employees who were at the site before the reorganization will be retained at the site unless a drop in enrollment causes the staffing need to decrease in the employee's classification. Displaced employees will be given their choice of existing District vacancies in their classification. The order of choice shall be by seniority within classification. If no vacancy exists, permanent employees may exercise their rights under Article 15, Layoff and Reemployment.

Section 11: SCHOOL CONSOLIDATION

(Examples: A cluster of five adjacent K-6 elementary schools are consolidated on three sites; two K-6 elementary schools with adjacent attendance zones are consolidated on one site; two adjacent 7-8 junior high schools are consolidated on one site.) When schools in adjacent attendance zones are consolidated, the classified staffing for the resulting school(s) shall be accomplished as follows:

A. The District shall identify the authorized positions by classification, special training, and experience appropriate to program needs of the consolidated school(s).

B. Classified employees in all of the schools affected by the consolidation may request placement in any of the identified position openings for which they have the required classification, training, and experience.

C. Up to five (5) position vacancies shall be selected by the principal or site supervisor from incumbent qualified classified employees in the affected schools.
Article 10 - Transfer and Reassignment Policies
Section 11 - Continued

D. For position vacancies other than those referred to in Section 11.C. above, incumbent qualified classified employees will be selected in order of their seniority.

E. Displaced employees will be given their choice of existing District vacancies in their classification. The order of choice shall be by seniority within classification. If no vacancy exists, permanent employees may exercise their rights under Article 15, Layoff and Reemployment.

If additional authorized positions are created by the consolidation, selection of additional classified employees shall be accomplished under the provisions of Article VII, Section 3, of the Merit System Rules.

Section 2: SICK LEAVE

A. Eligible employees shall be allowed full-salary sick leave for personal illness, injury or exposure to contagious disease as set forth in the Education Code.

B. Full-time employees shall accrue eight (8) hours of sick leave for each month in their assignment year. Part-time employees shall accrue sick leave in the same proportion as their employment bears to full time.

C. Pay for any day of absence for which sick leave benefits are authorized shall be the same as the pay which would have been received had the employee served during the day.

D. Full-salary sick leave not used shall be accumulated from year to year without limit.

E. New employees of the District accrue sick leave from the first of the month in which employed, provided their employment commences on or before the fifteenth (15th) of the month. If employment commences on or after the sixteenth (16th) of the month, sick leave accrual starts the following month. Sick leave will be accrued to the end of the month for a terminating employee, provided the last day of service is on or after the sixteenth (16th) of the month. Sick leave will be accrued to the end of the previous month if the terminating employee's last day of service is on or before the fifteenth (15th) of the month.

F. Employees may apply for sick leave benefits in advance of accrual up to a maximum of the current year's entitlement. Terminating employees who have received unaccrued sick leave benefits shall have their final warrant adjusted by the amount of unearned sick leave taken.

G. In addition to full-salary sick leave, each employee shall be entitled to one-hundred (100) half-salary sick leave days each fiscal year. The combination of full-salary and half-salary sick leave shall not exceed the following limits:

<table>
<thead>
<tr>

</tbody>
</table>

Half-salary sick leave is to be used only after full-salary sick leave benefits have been exhausted. This Section G shall not apply to employees having full-salary leave in excess of the limits shown above.
H. When a permanent employee exhausts both full-salary and any half-salary sick leave allowances, he/she may request a health leave of absence without pay for a definite period of time not to exceed one (1) year, subject to renewal for a period up to a total of two (2) years. Requests must be accompanied by a physician's statement of incapacity. Return to duty is dependent upon the physician's statement of recovery.

I. Disabilities caused or contributed to by pregnancy, miscarriage, childbirth and recovery therefrom are, for all job-related purposes, temporary disabilities and shall be treated as such under the District's sick leave plan.

J. In order to be eligible for sick leave compensation, employees must have provided their supervisors with prior notice of their intended absence due to illness or injury in accordance with established school/department procedures. Exceptions to this provision may be granted by the supervisor on an emergency basis where conditions made prior notification of absence impossible. The burden of proof shall rest with the employee.

K. Sick leave may not be used for medical/dental appointments unless such appointments are of an emergency nature or are necessary because of an illness, injury, or exposure to contagious disease.

L. Any employee who uses sick leave for reasons other than those specified in Section 2 may be subject to disciplinary action.

Section 3: PERSONAL NECESSITY LEAVE

An employee may use up to six (6) days of accumulated full-salary sick leave benefits described in Section 2 of this Article in any school year in the following cases of personal necessity:

B. Accident involving the employee's person or property or that of his/her immediate family of such serious nature and involving circumstances the employee cannot be expected to disregard and which require the attention of the employee during his/her scheduled hours of service. Included would be imminent danger to the home of the employee occasioned by a factor such as fire or flood and demanding the attention of the employee during scheduled hours of service.

C. Appearance in court as a litigant or as a witness. The employee must return to work when it is not necessary for him/her to be absent for the entire day.

D. Serious or critical illness of a member of the immediate family calling for the services of a physician and of such an emergency nature that the immediate presence of the employee is required during the workday. For good cause, based upon suspected abuse, supervisors may require verification by a physician's statement.
E. Observance of a religious holiday of the employee's faith (limited to one [1] day per year). Application must be filed no less than five (5) workdays in advance of the religious holiday. The supervisor may require a notarized statement or other appropriate proof of observance of a religious holiday.

F. One (1) day of leave with full pay will be granted to a father upon birth of his child or to either parent to make final arrangement to adopt a child.

G. Any employee who uses personal necessity leave for reasons other than those specified in Section 3 may be subject to disciplinary action.

Section 4: Long-Term Leave of Absence Without Pay

A. Long-term leave of absence without pay may be granted to permanent employees by the District for a period of up to one (1) year, and may be extended for a total period not exceeding two (2) full school years (twenty-four [24] months from the beginning date of the leave except as otherwise provided in this Section). Probationary employees are eligible only for military and maternity leaves.

The notice shall include a physician's statement certifying the employee's pregnancy or a copy of the child's birth certificate, whichever is applicable. An employee who is pregnant may continue in active employment as late into her pregnancy as her physician recommends, provided that she is able to satisfactorily perform her required duties. Return from leave shall be determined mutually by the employee's physician and the District.

   b. A male employee is entitled to a leave to begin at any time between the birth of his child and one (1) year thereafter, providing verification of the child's birthdate is submitted.
Article 11 - Leave Policies
Section 4.B.2 - Continued

c. An employee adopting a child will be entitled, upon request, to a leave to commence at any time during the first year after receiving de facto custody of said child, or prior to receiving custody, if necessary, in order to fulfill the requirements for adoption.

3. Health. All requests for health leave must be accompanied by a physician's statement of incapacity. Return to duty is dependent upon evidence of recovery as reviewed by the District's physician in consultation with the employee's physician.

4. Other Leaves. Other leaves may be granted as determined by the Assistant to the Superintendent, Personnel Services Division, to benefit the school system.

C. The employee will retain any prior sick leave accumulated, but will accumulate no additional sick leave rights during the leave of absence.

Section 5: REINSTATEMENT UPON RETURN FROM LEAVE

Leaves granted under this Section shall not be considered a break in service for seniority purposes.

A. Health or Parental Leaves. The employee shall retain seniority for purposes of reemployment or retention in the case of layoff and other agreed-upon seniority rights. An employee returning from leave shall be: (1) returned to the position formerly held, if vacant; (2) returned to a vacant position of equal classification level and of similar requirements of ability and skills; or (3) the employee may request voluntary acceptance of a vacant position in a lower salary grade.

B. Professional Study Leaves. The employee shall retain seniority for purposes of reemployment or retention in the case of layoff or other agreed-upon seniority rights. An employee returning from such leave shall be: (1) returned to the position formerly held, if vacant; or (2) returned to a position of equal classification level and of similar requirements of ability and skills, if available; or (3) may request voluntary acceptance of a position in a lower salary grade, if available. If none of these alternatives is available, the employee's name shall be placed at the top of the eligibility list for his/her job class. The employee shall be considered with the top five (5) eligibles on the list. If not selected for a regular position during the one (1-) year eligibility list period, the employee shall be terminated.

C. Leaves for Other Reasons. Upon expiration of the authorized leave, the employee shall be placed at the top of the eligibility list for his/her job class for one (1) year. 2. The employee shall make an appointment to review his/her personnel file at least two (2) workdays in advance and the employer shall honor the request under normal conditions.

B. Right Of Representation

The employee may be accompanied by a representative while reviewing the records, which will be done in the presence of the administrator responsible for safeguarding these files, if maintained at the work location, or a Personnel Services Division Administrator, if maintained at the Education Center.

5. A request for a conference, if desired, with the principal or department head or his/her designated representative who has jurisdiction over the matter which is the subject of the grievance.

C. The principal/department head or other District administrator shall respond to the grievant's written grievance within ten (10) workdays from the date it is received. During this ten- (10-) workday period at least one conference shall be scheduled between the grievant and the principal/department head at a mutually agreed upon date and time. Upon mutual agreement between the grievant and the division head, or his/her representative, the Level Three conference may be waived.

D. Within ten (10) workdays after the conference with the grievant, the division head shall render a proposed written decision, copies of which shall be sent to the grievant's principal/department head, the Employee Relations Director, and the Association.
Section 5: LEVEL FOUR: ADVISORY ARBITRATION

A. If a grievance in which the Association represents the grievant is not resolved at Level Three, the Association may request in writing a hearing before an arbitrator. The request shall be filed in the Employee Relations Department within fifteen (15) workdays after receipt of the division representative's final written decision.

B. Within five (5) workdays after receipt of a request for arbitration, the Employee Relations Director or designee and the Association agree to meet and review the pending arbitration case. The arbitrator shall be chosen by allowing each party, in turn, to strike out one (1) name until only one (1) name remains. The determination of the party to strike first shall be by lot.

C. No later than one calendar month prior to the scheduled date of the arbitration hearing, the Employee Relations Director or designee and the Association agree to meet and review the pending arbitration case. D. The District and the Association shall share equally in the payment for the services and expenses of the arbitrator.

E. The District shall not pay the grievant's salary during the arbitration proceeding or the salary of any witnesses for the grievant who are members of the bargaining unit. However, in the event that the grievant is the prevailing party in the arbitration proceeding, the District shall then, in the case of an individual grievant, reimburse the grievant and up to two (2) witnesses who are members of the bargaining unit for salary withheld during the arbitration proceeding.

In the case of a group grievance, the District shall reimburse that portion of the salary of each grievant who is a prevailing party for that period of time that the arbitration proceeding pertained to matters directly relevant to the interests of the particular grievant. The District shall also reimburse the salary of up to an average of 1.5 witnesses who are members of the bargaining unit for each grievant in a group grievance who is a prevailing party in the arbitration proceeding.

In those cases where the Association is the grievant, the District shall reimburse the salary of up to three (3) witnesses for the grievant who are members of the bargaining unit in the event that the grievant is the prevailing party.
F. A qualified phonographic reporter shall be employed to record the entire hearing. The parties shall share equally the cost of the reporter. If either party desires a transcript, that party shall pay the cost of the transcript, and if both parties request transcripts, they shall share the cost.

G. Powers and limitations of the arbitrator shall be as follows:

1. The functions of the arbitrator shall be:
   a. to hold a hearing concerning the grievance, and
   b. to render an advisory decision, as soon as possible.

2. The arbitrator shall have no power to alter, amend, change, add to, or subtract from any of the terms of this Agreement but shall determine only whether or not there has been a violation, misinterpretation, or misapplication of this Agreement as alleged by the grievant or grievants.

3. The arbitrator shall have the power to determine disputed interpretation of terms actually found in the Agreement or to determine disputed facts upon which the application of the Agreement depends. The arbitrator may not decide any issue not submitted and may not interpret or apply the Agreement so as to change what can fairly be said to have been the intent of the parties as determined by generally accepted rules of contract construction. The arbitrator shall not render any decision or award merely because in the arbitrator's opinion such decision or award is fair and equitable.

4. The decision of the arbitrator shall be based solely upon the evidence and arguments presented by the parties in the presence of each other and upon arguments presented in briefs.

5. No decision rendered by the arbitrator shall be retroactive beyond the beginning of the last payroll period prior to the fifteen- (15) day period for filing a written grievance specified in Level Two of this grievance procedure. The arbitrator shall have no power to render an award in any grievance arising before or after the effective dates of this contract.

Section 6: LEVEL FIVE: BOARD OF EDUCATION

If the advisory decision of the arbitrator is not appealed by either party, the arbitrator's decision shall be considered to be the full and complete resolution of the grievance and implemented in accordance with its terms.

Either the Association or the District may appeal the advisory decision of the arbitrator to the District's Board of Education within ten (10) workdays of such advisory decision. The Board of Education shall act on the appeal within thirty (30) workdays. The decision of the Board of Education will be final. If the Board of Education does not accept the arbitrator's advisory recommendation, the District will pay the full cost of the arbitrator's fee.

The Proof of Service shall either be in the form of an affidavit or a declaration made under penalty of perjury. Forms for Proof of Service shall be provided by the District and made available by the Association or the Employee Relations Department.

N. Grievances occurring after the expiration date of this contract and prior to the effective date of a successor agreement shall not be subject to this grievance procedure.

O. The District shall not be required to process any grievance which does not meet the specified timelines set forth in this Article.

F. Seniority Within a Classification. Total length of service since the last appointment as a regular classified employee to the classification.

G. Termination. Separation from District employment by resignation, retirement, discharge, death, abandonment of position, layoff, or failure to accept reassignment.

Article 15 - Layoff and Reemployment
Continued

Section 5: ORDER OF LAYOFF

Employees shall be laid off by classification according to their status in the following order: first, temporary; second, restricted status; third, probationary; and fourth, permanent. In the case of permanent and probationary employees, classification seniority will be the determining factor. In the event of a tie, the employee with less District seniority shall be laid off. If a tie still exists, the employees affected shall draw lots to break the tie. The last appointed employee in any given classification shall be laid off first. All service in the classification plus higher classifications shall count as seniority in the classification. Service in temporary or restricted status shall not count toward seniority. Regular classified employees on layoff retain classification seniority and District seniority up to thirty-nine (39) months.

Section 6: DISPLACEMENT RIGHTS

A. Regular classified employees in positions which have been eliminated shall have the right to displace the least senior employee in their classification whose assignment most closely approximates his/her own hours per day and days per work year. If there is no least senior employee in the same classification, employees may displace the least senior employee in the next lower classification in which they have served as either a probationary or permanent employee and have greater classification seniority than the least senior employee.

B. Temporary and restricted status employees have no displacement rights.

Section 7: REEMPLOYMENT

A. Regular classified employees who are laid off shall be placed on the reemployment list in order of their classification seniority which shall be in reverse order of layoff. This reemployment list shall supersede the existing promotional and open eligibility lists for the classification and shall remain in force for a period of thirty-nine (39) months from effective date of layoff. For purposes of determining vacation accrual rate and salary placement upon reemployment, layoff shall not be regarded as a break in service. An employee who accepts a reassignment involving loss of salary in lieu of layoff shall remain on the reemployment list for an additional twenty-four (24) months.

B. Temporary and restricted status employees have no reemployment rights.

C. An employee who elects to retire in lieu of layoff, accepts a voluntary demotion, or accepts a reduction in time shall be placed on the reemployment list in accordance with Section 7.A of this Article.
Section 8: NOTIFICATION OF REEMPLOYMENT

An employee who is laid off and becomes eligible for reemployment shall be notified by certified mail addressed to the last known address on file with the Personnel Services Division of the District. Such employees shall have three (3) workdays from receipt of notice to respond to the offer of reemployment. Should the notice of reemployment be undeliverable or the noticed employee not accept the offer of reemployment, the employee's name shall be removed from the reemployment list, and it shall be presumed that the employee shall have exhausted his/her reemployment rights. Upon acceptance of reemployment, the employee shall have five (5) workdays to report for work unless the District agrees to an extension of the reporting date. Such extension shall be solely at the discretion of the District.

Section 9: MISCELLANEOUS PROVISIONS

A. Demotion in Lieu of Layoff

An employee who is demoted in lieu of layoff has the same reemployment rights in the employee's higher classification as a permanent employee who is laid off from the same classification.

B. Other Provisions

1. Employees who are laid off may apply for temporary hourly work in any classification for which they meet the qualifications.

2. Employees on reemployment lists shall be eligible to apply for promotional examinations for which they can qualify.

3. No temporary hourly employees shall be employed in classifications in which permanent employees are currently laid off until exhaustion of the reemployment list for that classification.

4. A laid-off permanent employee who is reemployed within thirty-nine (39) months after his/her last day of paid service shall have restored to him/her all of the rights and benefits (including previously accumulated sick leave) pertaining to permanent employees in the class to which he/she is reemployed.

Section 10: TEMPORARY RECALL

Employees may be recalled for up to ninety (90) calendar days in the classification(s) from which they were laid off to perform work for which they were specifically assigned immediately prior to layoff. Such recall will be in reverse classification seniority order. In the event the temporary work to be completed is different or new to the District's program(s), those employees designated by the District to possess the skills necessary to perform the work, will be temporarily recalled in classification seniority order.
Article 15 - Layoff and Reemployment
Section 10 - Continued

C. Employees temporarily recalled shall be placed on the same salary step of the range for their classification as that held at the time of layoff and the service increment due date shall be adjusted for each month or major fraction thereof during the period the employee was laid off.

D. Employees on temporary recall shall be released at the completion of the available work, or ninety (90) calendar days, whichever comes first, and shall resume their status on reemployment lists.

Section 11: SUSPENDED RECALL

A. Any employee, prior to being recalled under the provisions of this Agreement, may suspend his/her recall rights due to employment elsewhere for a period of up to twelve (12) months.

B. During the period of suspended recall, the District will bypass the employee's name, provided there are other names on the reemployment list. If there are no other names remaining on the list, the suspended recall will be canceled and an offer of reemployment will be extended to the employee pursuant to Section 8 of this Article.

C. Those employees who suspend their recall due to employment elsewhere may reactivate their reemployment status at any time by delivering written notice to the Personnel Services Division at least two (2) weeks prior to the desired reactivation date, providing it is within twelve (12) months of their original request for suspended recall.

Section 12: EFFECTS OF LAYOFF - ZIPPER CLAUSE

A. In the event the District prevails in any legal action brought against the Association or its officers, representatives, or members for violation of this Article, and in addition to any award made by a court of competent jurisdiction, the Association hereby agrees to remit to the District any and all costs associated with the District's pursuit of legal remedies and any additional costs incurred as a result of the employees' illegal participation in the prohibited activities as specified above.

23. EFFECT OF AGREEMENT

Section 1: ZIPPER CLAUSE

This Agreement incorporates the full and complete understanding and commitment of the parties on all matters which were or could have been within the scope of bargaining. During the term of this Agreement neither party shall be required to negotiate with respect to any such matter whether or not covered by this Agreement and whether or not within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.

Section 2: SUPERSESSION CLAUSE

Section 3: SAVINGS CLAUSE

If any article or section of this Agreement shall be held invalid by operation of law or by any court of competent jurisdiction, the remainder of this Agreement shall not be affected thereby. In the event that any article or section is held invalid as above set forth, the parties affected hereby shall enter into immediate negotiations, upon the request of the Association or the District, for the purposes of arriving at a mutually satisfactory replacement for such article or section.

Section 4: RATIFICATION AND IMPLEMENTATION

When the Association and the District reach tentative agreement on all matters being negotiated, the complete agreement shall be submitted to the Association and to the Board of Education of the District for ratification. When the Association and the Board of Education have ratified the agreement, it shall be implemented in accordance with its terms.

Section 5: CHANGES, AMENDMENTS, AND SUPPLEMENTS

This Agreement shall be subject to change, amendment or supplement at any time by mutual consent of the parties. † No positions will be allocated in the future to "terminal" job classes and such job classes will be abolished when there are no incumbents.
1.00 OVERTIME COMPENSATION

1.01 Employees will be compensated for overtime work in accordance with the following provisions:

1.011 Employees in assignments of eight hours per day/five days per week will be compensated for all time worked in excess of eight hours on a regular workday or in excess of forty hours in one week.

1.012 Employees in assignments of at least four hours per day/five days per week but less than eight hours per day/five days per week will be compensated for all time worked on the sixth and seventh day of the workweek. This rule does not apply to employees in exempt job classes.

1.013 Employees in assignments of less than four hours per day/five days per week will be compensated for all time worked on the seventh day of the workweek. This rule does not apply to employees in exempt job classes.

1.014 Employees assigned to the Race/Human Relations Outdoor Education Program will be compensated on an overtime basis only for time worked in excess of forty hours in a workweek or for time worked on the sixth or seventh day of the workweek.

1.02 Employees will be compensated at one and one-half times the equivalent hourly rate of pay for the employee's job class and salary grade step as contained in this schedule.

1.03 An employee who is required to return to duty in an emergency situation after leaving such duty station for the day or week will be compensated for a minimum of two hours. In computing overtime in connection with such emergency situations, a reasonable amount of travel time may be included.

1.04 Overtime worked in units of less than ¼ hour will be disregarded for purposes of compensation.

1.05 Work performed by regular employees on legal or declared holidays will be considered as overtime without regard to the number of hours worked on other days of that week and will be compensated at the rate of one and one-half times the regular rate. Such holiday pay will be in addition to the employee's regular compensation for the holiday.

1.06 Compensation for overtime will include any special pay additives and may be in the form of payment by warrant or compensatory time off of equivalent value to such payment. Compensatory time off records should be maintained in the appropriate department/site office and such time off shall be permitted within a reasonable time following
the month in which overtime is worked, otherwise, the employee shall be paid by warrant. The determination as to the method of compensation shall be made by the appropriate management officer.

1.07 Overtime shall be held to a minimum. Approval to assign employees to overtime work shall be obtained from the Assistant Superintendent or designee prior to making actual assignments, except for those instances in which an emergency requires that a principal or department head call employees back to duty after they have left the work site.

2.00 SPECIAL PAY ADDITIVES

2.01 Shift Differential — A regular employee assigned to work a regular, continuing schedule of four hours per day or more in which four hours or more of such regular shift is worked before 8 a.m. or after 6 p.m. is entitled to shift differential pay. Such differential will amount to placement on the step of the next higher full salary grade which is approximately 5% above the employee's regular salary.

2.02 Hazard Pay Differential — A regular employee will receive a hazard pay differential for assignment to a position designated by the Board of Education as a hazard pay position. A hazard pay position is one which: (1) continuously exposes the employee to a specific and significant hazard, (2) is clearly dangerous to the health or well-being of any employee so assigned, and (3) the hazard is atypical of the basic occupation or job class. Such differential will amount to placement on the step of the next higher full salary grade which is approximately 5% above the employee's regular salary.

2.03 Bilingual Differential — A regular nonexempt employee will receive a bilingual differential for assignment to a position designated by the Board of Education as requiring the ability to communicate orally with non-English speaking adults. Such differential will amount to placement on the step of the next higher full salary grade which is approximately 5% above the employee's regular salary.

2.04 Split Shift Differential — A unit member employed to work a regular continuing schedule of more than six hours per day and with a scheduled lunch break of more than two and one-half hours is entitled to a split shift differential. Such differential will amount to placement on the step of the next higher full salary grade which is approximately 5% above the employee's regular salary.

2.05 Anniversary Stipend — An employee in an active monthly bargaining unit assignment of four or more hours per day as of October 1 of a fiscal year will receive an annual lump sum longevity payment in accordance with the following schedule:

<table>
<thead>
<tr>
<th>Years of Qualifying Monthly District Service Completed</th>
<th>Total Annual Payment</th>
</tr>
</thead>
<tbody>
<tr>
<td>14 through 18</td>
<td>$250</td>
</tr>
<tr>
<td>19 or more</td>
<td>$500</td>
</tr>
</tbody>
</table>
If the regular monthly assignment as of October 1 of a fiscal year is less than four hours per day the total annual payment will be reduced to 50% of the amounts shown above.

3.00 INITIAL PLACEMENT ON THE SALARY SCHEDULE

3.01 Position Class -- An employee will be placed in the job class appropriate to the assigned position.

3.02 Experience Step -- An employee new to the district will be placed on step "A" of the appropriate salary grade. The Superintendent may authorize a higher step placement within the appropriate grade for an especially well-qualified individual in a job class for which qualified candidates are found to be in short supply. When such labor market conditions make it necessary to offer an advance step placement, and upon acceptance by a new employee, a present employee in the same job class as the position approved for the advance step placement may be moved to the step equivalent to that accepted by the new employee provided: (1) the employee has demonstrated performance that warrants advancement; (2) the employee has skills and abilities comparable to the new employee; (3) advance step placement is recommended by the Assistant to the Superintendent, Personnel Services Division and approved by the Superintendent. In such cases, a new increment due date will be established.

3.03 Reinstatement -- A former Paraprofessional employee reinstated under the provisions of Section 10, Article VI of the Merit System Rules for Classified Employees will be given full credit for all directly related experience in the San Diego Unified School District within the last ten years.

4.00 SERVICE INCREMENTS

4.01 An employee in a regular monthly assignment of four hours or more per day, hired prior to July 1, 1984, will be granted a one-step salary increase on the first of the month which is concurrent with or immediately following the completion of one assignment year of service until the maximum salary for the job class is reached. A regular monthly employee in an assignment of four hours or more per day, hired on or after July 1, 1984, will be granted a one-step salary increase on his/her anniversary date (first day of the month in the month hired for employees hired between the first and the fifteenth of the month; first day of the month following the month hired for employees hired on or after the sixteenth of the month) until the maximum salary for the job class is reached.

4.02 A regular monthly employee in an assignment of less than four hours per day will be placed on the "A" step of the appropriate salary grade and will not be eligible for service increments.

4.03 A regular monthly employee eligible for service increments in accordance with Section 4.01 and who is assigned to an exempt job class (not eligible for premium overtime pay) and whose work performance is deemed to be outstanding may be granted a one-step salary increase at any time upon recommendation of the Superintendent and approval by the Board of Education. When such a merit increment has
been granted, a new anniversary or annual increment due date will be established if such placement is at a step less than the maximum for the job class.

5.00 PROMOTION

5.01 An employee who is promoted from a position on a different classified employees' salary schedule to a position on the Paraprofessional Employees' Salary Schedule with a higher maximum salary will first have his/her salary determined in the appropriate grade of the other classified salary schedule in accordance with existing regulations and then will be paid at the rate in the appropriate salary grade on the Paraprofessional Employees' Salary Schedule which would provide an approximate 5% increase (exclusive of special pay additives) but not more than 7½% increase. In no case shall the salary step placement exceed the maximum for the appropriate salary grade. If a service increment is due the employee at the time of promotion, it will be credited and applied in the determination of the new salary step.

5.02 An employee who is promoted from one job class on the Paraprofessional Employees' Salary Schedule to a higher job class will be placed on the step of the higher salary grade which is at least one full grade or approximately 5% (or, if there is no such step, 7½%) in amount above the employee's salary exclusive of special pay additives at the time of promotion. If a service increment is due the employee at the time of promotion it will be credited and applied in the determination of the new salary step.

5.03 If a service increment is not immediately due at the time of promotion to a higher job class it will be granted in the higher job class on the same date it would have been granted in the lower job class. If a service increment is not due at the time of promotion to a higher job class because the employee has already reached the maximum step on the salary grade of the lower job class, a new service increment date will be effective on the anniversary date (first day of the month in the month promoted for employees promoted between the first and fifteenth of the month; first day of the month following the month promoted for employees promoted on or after the sixteenth of the month), and additional service increments due will be granted beginning one year thereafter until the maximum salary for the job class is reached.

5.04 An employee who voluntarily accepts a demotion and who is promoted to the former higher job class within 36 months will be placed on the step of the appropriate salary grade that was held prior to such demotion.

5.05 An employee temporarily assigned to perform higher level duties not reasonably consistent with those prescribed for the regular job class for more than four workdays within a fifteen calendar-day period will receive an upward salary adjustment. The salary adjustment will be effective for the entire period of such temporary assignment. The amount of the adjustment will be the same as would be provided by the regular promotional rules as determined by the Compensation Administration Director.
6.01 When a permanent employee is reassigned to a position in a lower job class in the same type of work at the employee's own request or if a permanent employee is demoted in accordance with Article IX of the Merit System Rules for Classified Employees, the step placement on the salary grade for the lower job class will be that which is approximately 5% (or, if there is no such step, 7½%) in amount below the employee's salary in the higher class. Employees on the E step in the higher class or on a step in the higher class which is more than 7½% above the E step of the lower job class will be placed on the E step of the lower class. The increment due date will remain unchanged until the maximum for the lower job class has been achieved. If the reassignment is to a position in a lower job class with a different type of work the step placement on the salary grade for the lower job class will be determined in accordance with the provisions of Section 3.00 of these rules.

6.02 When a permanent employee is reassigned to a position in a lower job class resulting from reclassification of the position, or demoted in lieu of layoff, or for some other reasons in the district's best interest, the employee will be placed on the step at the same dollar rate, exclusive of any special pay additive, if such rate appears in the lower salary grade. The increment due date will remain unchanged until the maximum for the lower job class has been achieved. If the rate does not appear in the lower salary grade, the employee's salary, exclusive of any special pay additive, will be maintained as it was prior to demotion for a period not to exceed eighteen months unless the maximum for the lower job class is changed to exceed the previously achieved salary. At the end of the eighteen month period, the salary will be changed to the maximum for the lower job class. A permanent employee so protected and who is assigned on a temporary basis, for up to 90 calendar days, to a position in the job class from which he/she was demoted in lieu of layoff will be placed on the same salary step of the range for his/her job class as that held at the time of demotion. When such temporarily reassigned employee is again moved to the lower job class, he/she will receive the same dollar rate as was originally protected and the original eighteen month period will be extended for each month or major fraction thereof during which the employee was temporarily promoted.

6.03 When a probationary employee is reassigned to a position in a lower job class for any reason, the step placement on the salary grade for the lower job class will be determined in the same manner as in Section 6.01.

7.00 UNDERPAYMENTS OR OVERPAYMENTS

Each employee is encouraged to review the annual salary placement and to examine all pay warrants carefully. If an incorrect salary placement has been made or an individual pay warrant is in error this information must be brought to the attention of the district immediately. Overpayments and underpayments are not subject to the accumulation of earned interest. If an incorrect salary placement or warrant results in an underpayment the district will issue a supplementary warrant for the amount due as soon as
possible. If the incorrect placement or warrant results in an overpayment the district is required to recover the full amount overpaid. The recovery schedule will include consideration to both the district and the employee.

8.00 HOURLY AND DAILY PAY CALCULATIONS

Hourly rates for regular classified employees on monthly salaries and for temporary employees assigned to job classes on the regular classified salary schedule are determined by dividing the monthly rates by 173.33. (This divisor is an industry-wide norm which represents the average number of working hours in the workmonth.) Daily pay rates are determined by multiplying the hourly rates by the number of regular hours assigned per workday.

9.00 PART-MONTH PAY CALCULATIONS AND DEDUCTIONS FOR MONTHLY PAID POSITIONS

9.01 A newly hired employee will have the initial monthly rate adjusted to the number of days of service rendered multiplied by the daily rate. A terminating employee will have the terminal monthly rate adjusted to the number of days of service rendered multiplied by the daily rate. Pay so determined for that month will not exceed the employee's regular monthly rate.

9.02 An employee who is promoted or demoted other than on the first working day of the month will have the pay for that month prorated on the basis of the number of days worked in the month in each job class. In this instance only, the daily rate will be determined by dividing the monthly salary by the number of potential workdays in the month including mandated and declared holidays.

9.03 Salary reductions for all unpaid time in accordance with negotiated contracts and district policy and procedure will involve a reduction in pay at the employee's daily rate for each day of absence. Total reductions so determined will not exceed the employee's regular monthly rate. No pay will be drawn when such days missed involve a full calendar month regardless of the number of working days in that month. Salary reductions for 50% sick leave will be at \( \frac{1}{2} \) of the employee's daily rate.

9.04 An employee changing mid-year from a conventional workyear schedule to a year-round schedule (or vice versa) will have the conventional assignment pay calculation (based on the mid-month promotion rule above) and the year-round pay calculation (based on a daily rate) completed so as to result in equal monthly payments for the remainder of the school year. The initial pay in the new assignment will be a balancing payment. Year-round classified employee monthly rates are determined in the following manner: 1) The number of days of service in the traditional workyear for the job class is multiplied by the daily rate, determined in accordance with the daily pay calculation method (monthly rate ÷ 173.33) X 8 to determine an annual salary. 2) In-as-much as the year-round assignment has the same number of paid days, the annual salary so determined is divided by twelve to establish the year-round monthly rate.
10.00 SERVICE AWARDS

At stated intervals, additional compensation may be granted in the form of service awards recognizing length of service. These awards will be in the form of certificates, pins, buttons, or other objects. Such service awards will designate appropriate periods of service and will be a regular part of the compensation schedule as established by the Board of Education.

11.00 COMPENSATION FOR WORKSHOP PARTICIPATION

$4.25 per hour

This rate applies to regular monthly classified employees of the San Diego Unified School District who participate in workshops at the request of the district. This rate will be paid only for workshop participation outside the employee's normal workdays and/or hours. Such qualifying workshop participation will be paid at the straight or overtime workshop participation rate in accordance with the rules and regulations currently in effect as set forth in the salary schedule appropriate to the employee's regular assignment with the district.

12.00 EMPLOYEES TRANSFERRING BETWEEN SALARY SCHEDULES

An employee transferring between salary schedules will be placed and continued in employment in accordance with the rules and regulations of the salary schedule to which the employee is transferring without regard to the basis for such transfer (promotion, demotion, etc.).
