INDEX 66
ARTICLE I -- PREAMBLE

Section 1. Meeting the educational needs of the children, youth and adults of Dade County requires the full and effective, cooperative effort of all members of the staff of the Dade County Public Schools.

Section 2. The School Board of Dade County, hereinafter called School Board, and the American Federation of State, County and Municipal Employees, Local 1363, hereinafter called AFSCME, recognize and declare that quality service is necessary to provide a quality education for the children of DCPS which is their aim, and it is the intent and purpose of the parties hereto that this agreement shall promote and insure a spirit of confidence and cooperation between the School Board and its employees.

Section 3. The School Board and the Superintendent of Schools have the constitutional and statutory authority, respectively, for the operation of DCPS in addressing the educational needs of DCPS.

Section 4. It is the purpose of this agreement to provide, where not otherwise mandated by Constitution, Statute or the DCPS Rules Book, for the salary structure, fringe benefits and employment conditions of the employees covered by this agreement, to prevent interruption of work and interference with the efficient operation of the DCPS system and to provide an orderly, prompt, peaceful and equitable procedure for the resolution of differences, and the promotion of harmonious relations between the School Board and AFSCME.

ARTICLE II -- RECOGNITION

Section 1. Pursuant to the action of the School Board on December 11, 1974, and pursuant to the order of PERC 8H-RA-744-2005, dated February 14, 1975, the School Board recognizes AFSCME, Local 1363, as the sole and exclusive representative of the employees within the bargaining unit covered by this agreement for the purpose of collective bargaining in respect to wages, hours of employment and other conditions and terms of employment of the School Board employees fully described in Appendix I.

Section 2. Any position created, or any change in title of any position shall not result in such position being excluded from the AFSCME unit except in the instance such position is designated by the School Board or the Superintendent of Schools to be managerial or confidential within the meaning of PERA. If such a designation is made, the position shall be excluded from the AFSCME unit until such time as the designation of the School Board or the Superintendent is reversed by PERC.

Section 3. The provisions of this contract are not to be interpreted in any way or manner to change, amend, modify or in any other way to delimit the exclusive authority of the School Board and the Superintendent for the management of the total school system and any part of
the school system. It is expressly understood and agreed that all rights and responsibilities of the School Board and Superintendent as established now and through subsequent amendment or revision by constitutional provision, state and federal statutes, state regulations, and School Board rules, shall continue to be exercised exclusively by the School Board and the Superintendent without prior notice or negotiations with AFSCME except as specifically and explicitly provided for by the stated terms of this contract. Such rights thus reserved exclusively to the School Board and the Superintendent by way of limitation, include the following: (1) selection and promotion of employees, (2) separation, suspension, dismissal, and termination of employees for just cause, (3) the designation of the organizational structure of the DCPS and the lines of administrative authority of DCPS.

It is understood and agreed that management possesses the sole right, duty and responsibility for operation of the schools and that all management rights repose in it, but that such rights must be exercised consistently with the other provisions of the agreement. These rights include, but are not limited to, the following:

* Discipline or discharge of any employee for just cause,
* Direct the work force,
* Hire, assign and transfer employees,
* Determine the missions of the Board agencies,
* Determine the methods, means, number of personnel needed or desirable for carrying out the Board's missions,
* Introduce new or improved methods or facilities,
* Change existing methods or facilities,
* Relieve employees because of lack of work,
* Contract out for goods or services, and
* Such other rights, normally consistent with management's duty and responsibility for operation of the Board's services, provided, however, that the exercise of such rights does not preclude the Union from conferring about the practical consequences that decision may have on terms and conditions of employment.

Section 4. Subcontracting

DCPS agrees to notify the union when subcontracted work is to be performed. This does not imply any limitation of the employer's right to subcontract. It is the policy of DCPS to attempt to utilize its regular employees to perform work that is ordinarily and customarily performed by bargaining unit members; however, DCPS reserves the right to subcontract for any work it deems necessary or desirable.

ARTICLE III -- AGREEMENT

Section 1. AFSCME hereby agrees on behalf of its members and all employees of the unit it is certified to represent that it shall not authorize, initiate, nor participate in a strike against the employer.
In addition, it agrees that neither it nor its members or employees of its certified unit shall support in any manner a strike against the employer by any other union or group of employees.

For the purposes of the Article, "strike" means the concerted failure to report for duty, the concerted absence of employees from their positions, the concerted stoppage of work, the concerted submission of resignations, the concerted abstinence in whole or in part by any group of employees from the full and faithful performance of the duties of employment with a public employer, for the purpose of inducing, influencing, condoning or coercing a change in the terms and conditions of employment or the rights, privileges, or obligations of public employment or participating in a deliberate and concerted course of conduct which adversely affects the services of the public employer, the concerted failure to report to work after the expiration of a collective bargaining agreement and picketing in furtherance of a work stoppage.

Section 2. Violation of this Article shall result, in addition to the penalties provided in Chapter 74-100, FS §447.019, in action by the employer to immediately seek action from the Florida Public Employees Relations Commission to:

a. revoke certification of AFSCME as the bargaining agent of the unit,
b. revoke the privilege of payroll dues deduction,
c. seek the maximum fines permitted by law with the intent that such fines would be used by the employer to replace those services denied the public as a result of the strike.

In addition, the employer shall treat violation of Article III as a breach of contract, with the effect that all organizational rights and privileges accorded AFSCME shall be suspended and revoked. However, it is agreed by the Board that AFSCME shall not be responsible for any act alleged to constitute a breach of this article if AFSCME can show that it did not instigate, authorize, condone, sanction or ratify such action and further that it has used reasonable means to prevent or terminate such action by its members.

ARTICLE IV -- SERVICE TO AFSCME

Continued employment from one fiscal year to the next is not automatic. A management decision not to reappoint shall not be grievable or arbitrable. These employees will be entitled to all rights and benefits provided for in this agreement, except that termination due to expiration of the employment project shall not be subject to appeal. Every effort will be made to provide permanent full-time employment for these personnel. Personnel terminated due to project expiration will not retain any rights of rehiring, and may be rehired as temporary or permanent employees, without regard to length of employment or order of termination.

Section 4. Probationary Employees

New employees hired in the bargaining unit shall be considered probationary for the first four months, thereafter, they shall be considered annual employees subject to annual reappointment.

During such probationary period employees may be terminated without recourse.

Section 5. "Acting" Appointments

In the event an employee is placed in a position of "acting" for a period of time that is over one (1) month, such employee shall be compensated at the in-hiring rate for the class to which they are acting, provided such rate is at least one (1) pay step higher than they are currently receiving and such rate shall not begin until the start of the next pay period. The employee shall revert to his previous rate of compensation upon termination of such "acting" status.

Section 6. Job Requirements

Subsequent to initial appointment the employer has the right to place additional employment requirements on any job classification. For those employees already on the job the costs of such additional requirements shall be borne by the employer. New employees shall assume costs of all eligibility requirements.

All employees except for part-time hourly food service employees, shall be required to wear identification badges which will include the employees name and a current picture prepared and provided by the Board.

Section 7. Overtime

It shall not be the general policy of the Board to have its employees work frequent or consistent overtime. However, when employees are directed to work overtime, in addition to their regular hours,
aggregating more than a maximum of forty (40) hours per week, they shall be compensated as follows.

The rate of time and one-half (1-1/2) of the normal rate shall be paid for all hours in pay status per week over the regular weekly task assignment aggregating more than a maximum of forty (40) hours per work week.

An employee shall not have his/her regular work schedule changed to avoid the payment of overtime.

Employees called from home to work shall be guaranteed at least four (4) hours pay provided such work does not immediately precede or extend the employees regularly assigned work schedule. An employee required to work two (2) hours or more beyond the normal workday shall be allowed one-half (1/2) hours for meal time with pay. An employee required to work at least three (3) hours before normal starting time shall be allowed one-half (1/2) hour meal time with pay provided he/she completes his/her normal shift. If call back work immediately precedes the normal workday, the four (4) hour guarantee shall not apply.

Overtime shall not be paid more than once for the same hours worked. Giving consideration to the organizational subdivisions of the Board, assignments and shifts, the Superintendent shall attempt to distribute overtime among employees as equally as practicable. Overtime worked shall be reflected on the pay stub.

By mutual consent of the supervising administrator and the employee, compensatory time may be given in lieu of overtime pay. In such cases, one and one-half (1-1/2) hours of compensatory time shall be provided the employee for each hour of overtime worked.

Section 8. Personal Life

The private and personal life of an employee, except for such incidents and occurrences which could lead to suspension and dismissal as provided by statute, shall not be within the appropriate concern of the Board.

Section 9. Training Programs

All employees may be required to participate in orientation, refresher, and/or leadership training courses provided by the Board.

Section 10. Employee Assistance Program

AFSCME and the Board recognize that a wide range of problems not directly associated with an employee's job function can have an effect on an employee's job performance and/or attendance.

AFSCME and the Board agree that assistance will be provided to such employees through the establishment of an Employee Assistance Program. The Employee Assistance Program is intended to help employees and their families who are suffering from such persistent problems as may tend to jeopardize an employee's health and continued employment. The
program goal is to help individuals who develop such problems by providing for consultation, treatment, and rehabilitation to prevent their condition from progressing to a degree which will prevent them from working effectively.

Appropriate measures will be taken to insure the confidentiality of records for any person admitted to the program, according to established personnel guidelines and federal regulations.

The Guidelines for the Employee Assistance Program, by reference, are made a part of this contract.

Employee Rights:

Job security will not be jeopardized by referral to the Employee Assistance Program, whether the referral is considered a voluntary referral in which an employee elects to participate in the program, or a supervisory referral in which a supervisor uses adopted guidelines to refer an employee into the program.

An employee has the right to refuse referral into the program and may discontinue participation at any time. Failure by an employee to accept referral or continue with treatment will be considered in the same manner as any factor that continues to affect job performance adversely.

ARTICLE X -- TRANSFERS, LAYOFFS AND RE-EMPLOYMENT

Section 1. Transfers

A permanent employee seeking a transfer will request it in writing to the Assistant Superintendent for Personnel with a copy to his supervisor. The employee will be referred for consideration for the next available opening. Pay status of the employee will not be a determining factor in acceptance or rejection of the transfer by the Board except if the position transfer is to a lower grade, the employee will receive a reduction in pay. Transferred employees will serve a normal probationary period in the new position and if their performance is not satisfactory, will be returned to their original work location if their original position has not been filled or a similar position is open. If not, the employee will receive consideration for the next available opening.

A permanent employee may request a transfer based on hardship. The Office of Personnel will give full consideration to effecting a transfer of an employee determined to have a hardship.

Section 2. Layoffs

Layoff defined, is the separation of an employee for lack of work or funds, without his/her fault or delinquency on the employee's part. Employees shall be laid off in accordance with seniority, systemwide, in the job classification. The Board agrees to provide the Union with a list of the names of the employees being laid off and such notice shall be sent at the same time that it is issued to the employees so affected.
Employees to be laid off shall be notified, as soon as possible, after the decision for layoff has been made. In no event shall the Board give such employees less than twenty-one (21) calendar days notice.

Section 3. Bumping Procedures

The employer shall determine when a layoff is necessary and shall determine the positions to be eliminated or reduced. In the event of a layoff within a given job classification the following procedures shall be followed:

a. The employer will determine how many employees must be removed from the job classification;

b. The employer will remove employees from that job classification in reverse order of seniority, i.e., systemwide seniority in that job classification;

c. The employee(s) removed from their job by the procedure described in (b) above shall have the right to bump into lower ranking jobs in the same job family (as defined in Appendix IV) for which they are qualified by experience or training. An employee bumping down may replace an employee in a lower ranking position in the job family provided the lower ranking employee has less seniority in the job family. (Job family seniority is the accumulated service in job classifications in the job family.) Bumping may not be used to dislocate a lower ranking employee who has greater seniority in the job family than the employee bumping down.

d. An employee bumped from his position may exercise the bumping procedure described in (c) above to bump lower ranking employees.

e. If an employee does not have sufficient seniority to retain a job within his job family, he shall, his qualifications and experience permitting, be placed in accordance with one of the following provisions, in the following order:

1. To a vacancy in any other job family provided he has previously satisfactorily performed such job for DCPS;

2. at the Board’s option, to a vacancy in any other job family for which he will be given training so as to be able to satisfactorily perform the duties.

Those employees who lack sufficient job-family seniority to retain a job within the job family and who cannot obtain a job under (e) above are the employees to be laid off.

Section 4. Recall and Re-employment Rights

In the event employees are laid off, re-employment lists shall be established for each job from which employees were laid off. Such lists shall remain in effect for 14 months from the date of layoff. Employees who are recalled to a job from the layoff list shall be called in inverse
order of seniority by which they were laid off (i.e., the last to be laid
off shall be the first to be recalled). Employees who have bumped
down to a lower position, shall have all of the rights of an employee as
if they were laid off; their names shall be placed on the layoff list and
they shall be the first to be given the right of recall to their former
position; refusal to accept a recall shall result in removal of their names
from the recall lists for the job from which they bumped.

The employer shall notify an employee by certified mail, return receipt
requested, of his/her recall. A laid off employee who is recalled shall
accept or reject the recall within 3 working days and report within 10
working days after signing the receipt for the notice of recall; failure
to so report, or notify the Board shall terminate all recall rights.

Where the recalled employee has moved and left no forwarding address,
the recall rights shall terminate 3 days after the post-office attempted
delivery.

Where an employee cannot accept a recall due to a just cause beyond
the control of the employee, the union and management may, by mutual
consent, permit the employee to remain on the recall list for a time to
be determined by the parties but not to extend beyond expiration of
the contractual recall rights.

ARTICLE XI  -- CLASSIFICATION APPEAL

Section 1. Whenever an employee has just cause to question a classifi-
cation, the employee may apply for a review of the classification in
writing to the immediate supervisor, using the proper form.

Such request, commented upon by the supervising administrator, shall
be forwarded to the Office of Personnel by the employee's Department,
within fifteen (15) working days of receipt of request.

Within thirty (30) working days of such receipt by the Office of Per-
sonnel of request of reclassification, the Office of Personnel shall render
a decision.

If the employee is not satisfied with the decision, the employee may
within ten (10) working days request a hearing by the Assistant Super-
intendent for Personnel. At the hearing the employee may be
accompanied by a representative of his choosing and may produce any
documents and evidence to support the claim for reclassification. The
Assistant Superintendent for Personnel will explain the basis for the
decision in the event the request is denied. The Assistant Super-
intendent for Personnel shall hold such hearing within thirty (30) days
of the request.

The decision of the Assistant Superintendent for Personnel shall be
final, and shall not be subject to a grievable, litigable or reviewable
process.
ARTICLE XII — DISCIPLINARY ACTION

Section 1. Notification

Unit members are accountable for their individual levels of productivity, implementing the duties of their positions, and rendering efficient, effective delivery of services and support. Whenever an employee renders deficient performance, violates any rule, regulation or policy, that employee shall be notified by his/her supervisor, as soon as possible, with the employee being informed of the deficiency or rule, regulation or policy violated.

The Board agrees to promptly furnish the Union with a copy of any disciplinary action notification (i.e., notice of suspension, dismissal or other actions appealable under this section) against an employee in this bargaining unit.

There shall be no evaluation statement or reprimand placed in an employee's personnel folder unless the employee has been given a copy.

An unauthorized absence for three (3) consecutive work days shall be evidence of abandonment of position. Unauthorized absences totaling ten (10) or more work days during the previous twelve-month period shall be evidence of excessive absenteeism. Either of the foregoing shall constitute grounds for termination. An employee recommended for termination under these provisions shall have the right to request of the Assistant Superintendent for Personnel a review of the facts concerning the unauthorized leave. Such right shall exist for a period of ten (10) working days after the first day of notification of the unauthorized absence.

The employee shall have the right to answer any material filed hereafter in his/her personnel folder and the answer, if submitted, shall be attached to the file copy. No anonymous letter or material shall be placed in an employee's personnel folder.

The validity of items of a derogatory nature placed in an employee's personnel folder shall be subject to the grievance procedure.

The employee shall have the right to representation in disciplinary hearings held pursuant to this article. Hearing shall include any meeting where disciplinary action will be discussed.

The employee shall be given two (2) days notice and a statement for the reason for any disciplinary hearing as defined above, except in cases deemed to be an emergency.

Section 2. Dismissal, Suspension, Reduction in Grade

Employees dismissed, suspended, reduced in grade shall be entitled to appeal such action to an Impartial Hearing Examiner. The employee shall be notified of such action and of their right to appeal by certified mail. The employee shall have twenty (20) calendar days in which to notify the Executive Director for Personnel Control of the employee's intent to appeal such action. The Board shall appoint such an Impartial Hearing Examiner who shall set the date and place mutually agreeable to
the employee and the Board, for the hearing of the appeal. The Board shall set a time limit, at which time the Hearing Examiner shall present the findings. The findings of the Hearing Examiner shall not be binding on the Board, and the Board shall retain final authority on all dismissals, suspensions, and reductions in grade. The employee shall not be employed during the time of such dismissal or suspension even if appealed. If reinstated by Board action, the employee shall receive payment for the days not worked, and shall not lose any longevity or be charged with a break in service due to said dismissal, suspension, or reduction in grade. Dismissal, suspension, reduction in grade, and non-reappointments are not subject to the grievance/arbitration procedures.

Section 3. Cause for Suspension

In those cases where any employee has not complied with Board policies and/or Department regulations but the infraction is not deemed serious enough to recommend dismissal, the Department Head may recommend suspension up to thirty (30) calendar days without pay. All suspensions must be approved by the Superintendent.

Section 4. Types of Separation

Dissolution of the employment relationship between a unit member and the Board may occur by any of four distinct types of separation.

a. Voluntary...The employee initiates the separation by resigning, retiring, abandoning the position or other unilateral action by the employee.

b. Disciplinary...The employee is separated by the employer for disciplinary cause arising from the employee's performance or non-performance of job responsibilities. Such action occurs at any necessary point in time.

c. Non-reappointment...The employee is separated by management's decision not to offer another annual contract. However, such non-reappointment shall not be in lieu of discipline or lay-off. Employees whose performance has been deemed marginal by the supervising administrator, who have been counseled during the school year concerning performance, and have failed to perform acceptably shall not be reappointed. Such employees and the union shall be put on written notice of possible non-reappointment. Counseling and written notice of non-reappointment shall be provided in a timely manner. This action shall not be arbitrary or capricious, but based upon reason for the best interest of the employer.

d. Lay-off...This is the separation of employee(s) by the employer for lack of work or lack of funds, without fault or delinquency on the employee's part. A lay-off may occur at any time of the work year with 21 days notice. Nothing in this contract shall bar the right of management to determine whether or not to reappoint annual employees simultaneous with the lay-off of other employees.
The factors most important in determining what type of separation occurred for a given employee are which party initiated the action, what time of the work year the action occurred, and the employer's expressed intent.

ARTICLE XIII -- LEAVES

Section 1. Voting Leaves

The Board agrees to allow an employee who is a registered voter a reasonable amount of time off (not to exceed one (1) hour) with pay, to vote in each local and general election. The location of the employee's precinct and the employee's work schedule shall be considered in scheduling such time off.

The employee may be required to show proof of registration to the supervising administrator prior to being granted voting leave.

Section 2. Military Leave

A full-time regular employee of the School Board of Dade County may be granted a military leave of absence provided that:

a. He/she volunteers into the Armed Services.

Section 3. Maternity Leave

A regular full-time employee who is an expectant mother or who adopts a child shall be granted maternity leave at the employee's request. If this leave falls within the school year, an approximate time should be given as to when the employee expects to return. The employee's physician must approve her return to duty in writing. The mother of an adopted child may return at her own request. The maximum period for which maternity leave may be granted is one (1) year (12 months).

The employee may request an additional year of leave which will be personal leave. Therefore, the total time granted for the same pregnancy or adoption cannot exceed two (2) years.

Section 4. Parental Leave

A parental leave of absence without pay shall be granted to an employee for the purpose of childbearing and/or child rearing as follows:

A. A male employee shall notify his supervising administrator in writing of his desire to take parental leave to begin at any time between the birth of a child to his wife and one (1) year thereafter. Except in cases of emergency, the employee shall give such notice at least thirty (30) days prior to the day on which the leave is to begin.
B. An employee adopting an infant child (i.e., one (1) year of age or less) shall be entitled upon request to a leave to commence at any time during the first year after receiving de facto custody of said infant child, or prior to receiving such custody if necessary in order to fulfill the requirements of adoption.

C. An employee who is granted a parental leave of absence pursuant to the above shall have the following re-employment rights:

1. When an employee notifies the supervising administrator or the Assistant Superintendent for Personnel of the desire to return to active employment after parental leave, except for employees who return early, said employee shall immediately be assigned to the same position which the employee held at the time the leave commenced.

2. If that position is no longer in existence, said employee will return to a substantially equivalent position.

Section 5. Personal Leave Without Pay

Leave of absence for personal reasons not to exceed thirty (30) days may be granted to full-time regular employees of the Dade County Public Schools if approved by the Superintendent, subject to the following guidelines:

A. No wages or salaries shall be paid during such leave except as provided in other sections of Board Rules.

B. All such leaves in excess of thirty (30) consecutive workdays shall be approved by the Board, except for those granted in accordance with provisions of the Workers’ Compensation Law.

C. Re-employment rights to a position of like status shall be protected.

D. Such leave shall not exceed one (1) year in duration.

E. Such leave may be granted for one (1) of the following reasons:

1. To serve in the Peace Corps
2. To accept a Fulbright Scholarship
3. To fill one (1) full-time staff position for AFSCME Local 1363.
4. To continue a maternity leave.

Personal leave for reasons other than those listed above may be approved by the Board upon recommendation of the Superintendent.

Section 6. Personal Leave — Other Provisions

Any employee on leave may make contributions to any compensation or employee benefit plan that was available to the employee before the leave.
ARTICLE XIV -- ANNUAL LEAVE (VACATION)

Section 1. Accrual — Annual Leave

2. Fourth year of employment and thereafter — 1-2/3 days per month (20 days maximum per fiscal year)

B. Accrual Provisions

1. A year of employment is defined as a year of service with the Dade County Public School System which is creditable for a contract year, which is more than one-half (1/2) the contractual period.

2. Responsible supervisors should make every effort to insure that earned annual leave is used on a current yearly basis in order to provide employees with vacation and proper rest and relaxation.

If the employee has not used annual leave on a current basis, the employee may accrue a maximum of thirty (30) days annual leave. Any employee who accrues the maximum of thirty (30) days annual leave may request approval to accrue additional annual leave credits, not to exceed fifteen (15) additional days, for a maximum of forty-five (45) days of annual leave.

Section 2. Annual Leave Scheduling

Annual leave should be used to provide periodic vacation and employees should be permitted the opportunity of taking a minimum of ten (10) consecutive days vacation during a fiscal year provided that number of annual leave credits has been accrued. Annual leave credits may be used for purposes other than vacation when authorized by the supervising administrator.

Upon reasonable notice, supervising administrators may require an employee to use any part of his accrued annual leave for vacation purposes at any time that is deemed advisable.

Annual leave for an employee shall be so scheduled that there will be minimum disruption of the operation of the school system.

In setting annual leave schedules, within departments of the DCPS, preference as to annual leave dates will be given to those employees with the greatest amount of service in the same classification.

Section 3. Compensatory Day

In the event an employee is required to work on a holiday or the day it is observed the employee shall be entitled to a compensatory day off.
Section 4. Early Dismissal

The Superintendent shall excuse all employees at noon on the last workday preceding December 24 and January 1.

Section 5. Eligibility for Pay

Each unit member employed on a full-time basis shall be credited for one (1) day of sick leave for each month of employment, which shall be credited to the employee at the end of the month and which shall not be used prior to the time it is earned and credited to the employee. Such sick leave shall be cumulative from year to year and there shall be no limit on the number of days of sick leave an employee may accrue.

Section 5. Sick Leave Bank

The parties agree to the following rules and procedures for establishment, staffing, and operation of a SICK LEAVE BANK. Such rules and procedures may be revised by mutual consent of the parties.

The American Federation of State, County, and Municipal Employees, (AFSCME) Local 1363, agrees to staff and operate a Sick Leave Bank Committee for at least the duration of the current contract. It shall be the responsibility of this committee to administer the AFSCME Sick Leave Bank rules and procedures attached hereto.

AFSCME SICK LEAVE RULES AND PROCEDURES

I. PURPOSE:

A. In order to provide employees with an emergency pool of sick leave days for illness, accident, or injury of self above and beyond those available under "Sick Leave With Pay" provisions, the Board and Union hereby establish the AFSCME Sick Leave Bank.

B. The AFSCME Sick Leave Bank shall function under rules and procedures administered by the Union. All full-time employees in the AFSCME bargaining unit may participate in the AFSCME Sick Leave Bank.

C. Any alleged abuse or misuse of the Sick Leave Bank shall be investigated by either or both parties. If the investigation results in finding of wrongdoing, the employee, DCPS, and the union shall be notified and the employee shall repay all sick leave days drawn from the pool and shall be subject to such disciplinary action as deemed appropriate by the Board.

II. INITIAL MEMBERSHIP REQUIREMENTS:

Only unit members who are full-time employees, who have been employed full-time for at least one year, and who have sick leave balance of five (5) days or more at the time of enrollment may enroll in the AFSCME Sick Leave Bank by contributing one (1) day to the Sick Leave Bank.

IV. MAINTENANCE OF THE AFSCME SICK LEAVE BANK:

The AFSCME Sick Leave Bank will be activated when a minimum of five hundred (500) days have been deposited. No further contribution shall be required of participating members unless the AFSCME Sick Leave Bank is depleted to a point where two hundred and fifty (250) days remain. In such case, all members of the sick leave bank, except those members receiving extra sick leave for hardship or dire emergency, shall contribute one (1) day each time the bank is depleted.

V. DURATION OF AGREEMENT:

The AFSCME Sick Leave Bank shall be in existence for the duration of the contract and may be renewed in succeeding contracts. In the event a member wishes to terminate AFSCME Sick Leave Bank membership, all obligations and privileges of membership shall cease ninety (90) days from the date of receipt of written notification by the AFSCME Sick Leave Bank Committee. The deposit of sick leave days shall remain in the AFSCME Sick Leave Bank.

AFSCME SICK LEAVE BANK PROCEDURES

A. INITIAL ENROLLMENT:

1. The enrollee will sign and forward an AFSCME Sick Leave Bank Program Card, developed jointly by AFSCME and the DCPS Payroll Section, to AFSCME for necessary processing. This card will be the same size as the present Application for Leave Card and will contain authority for the initial deduction of one (1) day sick leave upon enrollment in the program. Additionally, the card will authorize AFSCME to deduct an additional day of sick leave from the employee, if the Sick Leave Bank has been depleted.

2. Upon completion of internal processing by AFSCME, the card and a transmittal listing will be forwarded to the Payroll Department. Cards will be forwarded in work location sequence by employee number. The Payroll Department will deduct a day of sick leave from the employee's leave balance on the Payroll Data Card, date it, and enter the notation "AFSCME" on the card. Deduction cards will be filed with and in the same manner as the Application for Leave Cards. Cards will be filed in the pay period which encompasses the date that the posting was made to the employee Leave Data Card.
For those employees who do not have the required leave balance for the deduction, the authorization card will be returned to AFSCME with notation "NO LEAVE BALANCE".

B. SUBSEQUENT DEDUCTIONS AFTER INITIAL ENROLLMENT:

1. Subsequent deductions as described in Section IV shall be accomplished by utilizing the Sick Leave Bank Program Card which will be checked in the box titled "Subsequent Deduction". This card need not be signed by the employee and immediate supervisor since the initial card authorized subsequent deductions. This card will be signed and dated by an authorized member of the AFSCME Sick Leave Bank Committee. The cards will then be forwarded to the Payroll Department.

2. Upon receipt of the cards and transmittal listing by the Payroll Department, the individual Payroll Data Cards will be posted and filed per paragraph A2 above. The AFSCME Sick Leave Bank Committee will notify affected employees when subsequent deductions are made from participants. Insufficient leave balance to permit deductions will be returned to the AFSCME Sick Leave Bank Committee per paragraph A2 above. The Sick Leave Bank Committee shall, on an individual basis, notify employees with an insufficient leave balance that they are no longer enrolled in the Sick Leave Bank, and advise them of subsequent enrollment procedures.

C. GRANTING OF SICK LEAVE:

When employees are granted sick leave from the AFSCME Sick Leave Bank, the AFSCME Sick Leave Bank Committee will utilize the "Sick Leave Bank Program" card to notify the Payroll Department. The sick leave days granted by the committee shall be posted to the Payroll Data Card and filed per paragraph A2 above. The committee will notify members who have been granted sick leave from the Bank.

The committee will notify the DCPS Payroll Section which member(s) of the committee are authorized to grant the leave. The leave cards will be forwarded to Payroll with a letter of transmittal.

Section 6. Good Attendance Incentive (Effective January 1, 1983)

2. The employee must have a minimum of twenty-one (21) accrued sick leave days after cash-in of sick leave days accrued on an annual basis. Compensation for annual accrued sick leave cashed in pursuant to the above provisions shall be as follows:

The employee's daily rate of pay during the fiscal year in which the days were accrued times eighty percent (80%).

Payment for this benefit will be made on or before August 1 of the following fiscal year. Days for which such payment is received shall be deducted from the employee's accumulated leave balance.

When a legal holiday falls on a Saturday or Sunday, it shall be observed respectively on the preceding Friday or the following Monday for personnel not regularly scheduled to work on the respective Saturday or Sunday. In the event employees are scheduled to work on such Saturday or Sunday, they shall be granted such holidays on the day on which the holiday occurs.
Section 4. Succession of Holidays

When one or more holidays fall on Saturday or Sunday in a succession of holidays, the holiday occurring on Saturday shall be observed on a preceding workday; a holiday occurring on a Sunday shall be observed on a workday following the respective Sunday.

ARTICLE XVII — JURY DUTY AND SUBPOENA AS A WITNESS

Section 1. In case of jury summons, the employee must report to the Court on the appointed day as there is no statutory exemption from jury service.

Any full-time employee who is summoned as a member of a jury panel shall be granted temporary duty with pay, and any jury fees shall be retained by the employee.

An employee subpoenaed in line of duty to represent the board as a witness or defendant shall be given temporary duty and any witness fees shall be retained by the employee.

In no case shall temporary duty with pay be granted for court attendance when an employee is engaged in personal litigation; however, employees who have accrued vacation may be granted vacation leave in such cases with approval of the responsible supervisor.

Section 2. Any employee of the school system may be placed on temporary duty without loss of pay when he has been subpoenaed by a court as a result of incidents occurring which are related to his employment with the School Board of Dade County.

Any employee who has in his custody official records of the school system and is subpoenaed by a court to produce such records may also be granted temporary duty without loss of pay.

ARTICLE XVIII — OTHER BENEFITS

Section 1. Blood Bank and Donors

Employees wishing to donate blood, without remuneration, shall be granted reasonable leave, without loss of pay, for the purpose of donating blood.

Section 2. Safe Driving Awards

An employee who drives or operates mobile equipment fifty percent (50%) of the time in performance of duties, shall receive awards for safe driving. After the fifth year, the employee will receive an appropriate award as recommended by the Employee for each consecutive year of safe driving completed. Should a driver have a preventable accident, that driver starts over the first day after the accident.
Section 3. Tools and Uniforms

A uniform allowance of sixty dollars ($60.00) per year will be paid to all AFSCME unit members who wear a prescribed uniform in accordance with School Board directives.

Employees, in order to qualify for the uniform allowance, shall wear the uniform while performing their duties during normal working hours and scheduled overtime. Receipt of three (3) warning notices for failure to wear the uniform may result in the employee's loss of the uniform allowance.

An annual hand-tool allowance will be paid to those Maintenance and Transportation employees qualifying under the terms stipulated in Appendix V.

The annual payment of an allowance for the upkeep and replacement of hand tools will be calculated based upon agreed values increased by the percentage increase in the Hand Tools category #1042 of the U. S. Department of Labor, Bureau of Labor Statistics, for the month of July of that year.

Section 4. Unemployment Compensation (Refer to Appendix)

The current Board policy to comply with state statutes shall continue in force and effect.

Section 7. Mileage

Employees whose duties for the school system require them to travel within the county from their official headquarters to other locations shall be reimbursed for travel in a privately owned vehicle on the basis of the maximum mileage allowance under Florida law. Mileage allowance shall be computed at the maximum allowable rate per mile for distance actually traveled on official business as established in Florida Statutes.

Section 8. Parking Supplements

Unit members employed full time at Southside Elementary School who drive to work and utilize parking provided by the City of Miami Off-Street Parking Authority adjacent to the school shall be paid an annual parking supplement in the amount of $250. To be eligible, employees will be required to certify to the Southside Elementary School principal that they are driving to work and parking their vehicles in said spaces. The supplement will be incorporated in the eligible employees' daily rates of pay until such time as the Board provides other parking space or facilities.
ARTICLE XIX  --  EMPLOYEE PROTECTION IN WORK ASSIGNMENTS

Employees shall not be required to work under unsafe or hazardous conditions nor to perform tasks which endanger their health, safety or well-being. Employees are to be provided a safe workplace and be furnished with safety devices, protective clothing and such safeguards as are necessary to reduce or eliminate accidents and injuries. Managers/Supervisors are to do everything reasonably necessary to protect the life, health and safety of each employee and the public.

Employees will follow safe practices and operating methods on all jobs assigned. Employees shall be required to wear the safety devices, protective clothing or equipment designated by management for employee protection. Safety devices and equipment, when required, will be provided by the Board. Refusal or failure of an employee to use or wear such devices or equipment, or failure to follow safe practice and operating methods, shall be grounds for appropriate disciplinary action, including dismissal.

In the event employees are exposed to infectious diseases or toxic chemicals as part of their ordinary duties, they will be given prescribed examinations and tests at the time of such exposure, and thereafter, as determined by the examining physician. Employees will be examined or tested on the Board's time and at the Board's expense. Refusal by an employee to submit to such examinations and tests shall be grounds for appropriate discipline, including dismissal.

In the event an employee is involved with an accident or injury, an accident report will be completed and distributed as prescribed by Administrative Directives.

3. A schedule for taking dues deductions shall be submitted no later than September 1 or July 1 as applicable by AFSCME and approved by the Assistant Superintendent for Personnel.
B. The Assistant Superintendent for Personnel shall then prepare and provide the Payroll Section a letter to all employees in the unit explaining the payroll dues deduction program for that year and the rights and privileges of each employee relative to AFSCME membership and payroll dues deductions.

E. The authorization cards shall be retained on file in the payroll section as long as AFSCME is the certified bargaining agent of the unit.

F. Any employee in the unit desiring to change or revoke his dues deduction authorization must submit a request for such change or revocation to AFSCME at least thirty (30) days prior to effective date of such change. At no time shall AFSCME present to the Supervisor of Payroll a requested change which cannot be implemented.

G. AFSCME shall be responsible for the collection of any arrears due AFSCME.

H. AFSCME will notify the Board, in writing, thirty (30) days prior to any change in regular dues deduction.

I. The School Board shall be absolved of any and all liability resulting from the collection of authorized dues.

ARTICLE XXII — COMPLETE AGREEMENT AND WAIVER OF BARGAINING

It is agreed and understood that this agreement constitutes the complete understanding between the parties and concludes all collective bargaining during its term, except as otherwise specifically provided in the Article entitled Term of Agreement and Reopening. The union specifically waives the right to bargain during the term of this agreement with
respect to any subject or matter referred to or covered in this agree-
ment, or to any subject or matter not specifically referred to or
covered even though it may not have been in the knowledge or contem-
plation of the parties at the time this agreement was negotiated.

This entire agreement may be reopened for negotiations if not approved
by the School Board of Dade County or if funds are not made available
for its implementation.

ARTICLE XXIII -- ASSIGNABILITY OF CONTRACT

The provisions of this agreement shall be binding upon the parties
hereto and upon their successors and assigns for the full term of this
agreement. The parties agree that the terms and obligations herein
contained shall not be affected, modified, altered or changed in any
respect by the transfer or assignment by the Board or any or all of its
property, control, ownership or management or by any change in the
legal status of the Board or any part thereof.

ARTICLE XXIV -- TERM OF AGREEMENT AND REOPENING

The agreement shall be effective July 1, 1982, subject to ratification by
the Union and the School Board of Dade County, Florida, and shall
continue to June 30, 1985, provided:

The agreement may—by service of written notice on the other contract
party no later than May 1, 1983 for the 1983-84 fiscal year and May 1,
1984 for the 1984-85 fiscal year—be reopened for negotiations for fiscal
years 1983-84 and 1984-85 on the subjects of wages and fringe benefits.
In addition, each party may reopen up to five (5) articles/appendices
for 1984-85. Additional articles/appendices may be reopened by mutual
consent.

If the Florida Legislature fails to allocate adequate funds to implement
the fiscal agreements in this contract, the Board may reopen negotia-
tions on such issues.

An actuarial study shall be conducted during the 1982-83 school year to
determine the potential costs and/or savings that could result from a
decision to purchase retirement annuities for school district employees
with twenty-five (25) years or more of creditable service who have
reached age 55 and have applied for retirement under the Florida
Retirement System. The findings of the actuarial study shall be pro-
vided to the Superintendent no later than February 1, 1983.

ARTICLE XXV -- MISCELLANEOUS

Should any part of this agreement or any portion therein contained be
rendered or declared illegal, legally invalid or unenforceable by a Court
of competent jurisdiction, or by the decision of any authorized govern-
mental agency, such invalidation of such part or portion of this agree-
ment shall not invalidate the remaining portions thereof. In the event
of such occurrence, the parties agree to meet immediately, and, if possible, to negotiate substitute provisions for such parts or portions rendered or declared illegal or invalid. The remaining parts and provisions of this agreement shall remain in full force and effect.

Any delays in the signing of this agreement after ratification by the Board and the Union membership shall not defer the implementation date as it effects the distribution of the benefits and provisions provided by this agreement.

In the event of a conflict between these provisions and the applicable law, as finally interpreted by the proper courts of competent jurisdiction or administrative bodies, the law will prevail.
This contract shall continue in full force and effect until midnight June 30, 1985.

DATED at Miami, Florida January 19, 1983.

The Board agrees to provide for all eligible unit members the current level of Board-paid health, life, dental, and vision coverages during fiscal year 1982-83. Future premium increases which occur during fiscal years subsequent to 1982-83 will result in:

a. Board payment of a level premium to each category of benefit; or,
b. Board payment of a percentage of premium for each category of benefit; or,
c. Modification of benefits for cost containment measures (including increased deductibles, greater percentages of co-insurance, etc.); or,
d. Review of funding alternatives; or,
e. A combination of the above.

Insurance

Section 1. Liability Insurance

Subject to the availability of liability policies to the Board, all employees of DCPS are covered by professional liability insurance for non-criminal acts other than tort acts, and the carrier undertakes the defense of the employee sued as a result of acts occurring in the proper performance of his duties according to the terms of the policy.

If the Board attorney is to represent the employee in a case in which the insurance coverage does not apply, the Superintendent may make that recommendation to the Board. When time does not permit prior recommendation to the Board, the Superintendent shall authorize the
Board attorney to represent the employee and report his action at the next regular meeting of the Board.

Section 2. Group Life Insurance

The Board agrees to improve the current group life insurance plan for all eligible employees, by providing life insurance equal to the employee's salary for the 1982-83 fiscal year, or $10,000, whichever is higher.

Unit employees shall be given the option of purchasing an additional amount of life insurance equal to two times the employee's salary for the 1982-83 fiscal year, or $20,000, whichever is higher, at the same rate. The optional coverage shall be paid for by the employee.

Section 3. Group Health Insurance

The employer agrees to provide the present level of insurance benefits with the Board assuming the increased costs for employee costs for fiscal year 1978-79. In addition the Board agrees:

-- To increase the current $50,000 major medical benefit in the hospitalization plan with the insurance carrier to $250,000 for all eligible AFSCME unit members. The benefit will be effective upon acceptance of the improvement by the insurance carrier. The cost shall be paid by the Board.

-- To provide a dental care insurance program for eligible unit members effective January 1, 1979. The cost of employee coverage shall be paid by the Board. Optional dependent coverages, if available through the insurance carrier, may be elected at the employee's expense.

-- To provide a vision care insurance program for eligible unit members effective January 1, 1979. The cost of employee coverage shall be paid by the Board. Optional dependent coverage, if available through the insurance carrier, may be elected at the employee's expense.

All eligible employees in the AFSCME bargaining unit shall have the option of selecting an approved HEALTH MAINTENANCE ORGANIZATION as an alternative to the current health carrier. The School Board shall pay, pursuant to Public Law 93-222, the full single coverage premium for all eligible employees whether they are enrolled in the current group plan or an approved HMO. Such health programs shall continue to include dental and vision care coverage at not less than the present minimums. The Union shall have the exclusive right to accept or reject any HMO.

The enrollment period shall begin in September, 1979 and close in October, 1979. Coverage for employees of the AFSCME unit and their enrolled eligible dependents shall become effective the first day of the first full pay period for the class of employees, in January, 1980.
The following fringe benefits shall be added immediately to existing Board provided (carrier) insurance coverage for eligible members, contingent on carrier acceptance of policy changes:

- Home health care;
- Psychologist ordered by physician;
- Second surgical opinion;
- Ambulatory surgical facility paid under basic benefits (no deductible)

Section 4. Health Insurance For Retired Employees

The School Board of Dade County, Florida and the AFSCME agree to the following conditions affecting retiree insurance for those retirees remaining with the Board-sponsored health plan (currently Metropolitan Life Insurance Company) effective January 1, 1983. These conditions are:

1. To commingle the retirees' claims experience in with the active employees' claims experience.

2. To keep the experience records separate so that analyses can be made prior to re-implementation in subsequent years.

3. To improve the retiree benefits for both those covered by Medicare and those who are not eligible for Medicare by offering to retirees and their eligible dependents the same plan as that offered to active employees, with the following exceptions:

   a. The new retiree plan will have a $100 per hospital confinement deductible;

   b. The new retiree plan will have a $300 major medical deductible (in lieu of the current $100 deductible);

   c. The lifetime maximum on the retiree program will be limited to $100,000 on the major medical expenses only;

   d. The program will be coordinated with Medicare, not carved out;

   e. Commingling will only be offered to the retiree; not to the retiree's dependents.

Workers' Compensation

Benefits

A. If an employee is disabled by injury occurring during the discharge of duty and is unable to perform his regular duties, the Workers' Compensation Act of the State of Florida provides that "no compensation shall be allowed the first seven (7) days of disability." However, if disability extends more than fourteen (14) days, Workers' Compensation shall be paid from the first day of disability.
B. Compensation benefits begin on the 8th day of proven disability and are payable on the 14th day and continue (usually bi-weekly) until the employee is able to return to work or maximum medical improvement has been reached. Temporary total compensation payments stop when the doctor says the injured employee may return to work, or when maximum medical improvement has been reached.

C. Rate of compensation: to be determined by Florida Statutes.

D. Florida Workers' Compensation pays complete authorized medical expenses of proven liability cases upon receipt of proper medical reports.

Temporary Duty

Any employee may be assigned to be temporarily absent from his/her regular duties and place of employment for the purpose of performing other DCPS services, including participation in school surveys, training meetings, study courses, workshops, etc. Such temporary assignment will be initiated by the supervising administrator. Employees will receive their regular pay, and may be allowed expenses as provided by law and rules of the School Board. Such temporary duty shall be considered equal to the regular duties of the individual, and employees performing such assigned temporary duties shall not be considered to be on leave.

When an employee is on assignment away from school or regular place of employment and that assignment requires (a) the employment of a substitute, (b) payment of travel expenses, or (c) out-of-county attendance, the employee must complete a request for temporary duty form obtained from the Office of Personnel. The request must be signed and approved by the supervising administrator and forwarded to the Office of Personnel for final approval.

Social Security

Employees or their families with adequate quarters of coverage with the Social Security Administration are eligible to receive benefits in accordance with Federal Laws because of retirement, disability or death.

Social Security is financed through payroll taxes. The School Board matches payroll taxes deducted from employees' salaries for Social Security to assist in financing this program.

Retirement Plan

Membership in a state administered retirement system for unit members of DCPS, as pertinent, is governed as follows:

Unemployment Compensation

Effective July 1, 1974, the scope of the Florida Unemployment Law was expanded to include employees of School Boards and Community Colleges, retroactive to December 31, 1973.

Unemployment Insurance provides temporary income payments to make up a part of the wages lost to workers who lose their jobs through no fault of their own, and are able and available for work.

In lieu of the contributions required of private employers, public agencies are annually required to reimburse the state an amount equal to the total of regular benefits and the state's share of expended benefits paid to former employees of the agency. The School Board, as a non-profit employer, is required to reimburse the Unemployment Compensation Fund for the benefits paid to former employees on a dollar for dollar basis.

Credit Union

Employees have an opportunity to become members of the Dade County School Employees Federal Credit Union, which was organized March 8, 1935, and as of June 30, 1974, had assets of $26,855,850.60 and a membership in excess of 17,127. The purpose of the Credit Union is to encourage regular savings and make loans available to members at low interest rates with payments arranged according to their income and ability to repay. There are five locations to serve personnel but the main office is located at 7800 S.W. 117 Avenue, Miami, telephone 279-4364.

U. S. Savings Bonds

Employees may purchase by payroll deductions up to ten (10) bonds simultaneously in the amounts of $25, $50, $75 or $100 denominations. Bonds are purchased from the First National Bank of Miami and are forwarded to the employee from the Office of Deduction Control. Payroll deductions for the purchase of U. S. Savings Bonds may be canceled at the end of a bond purchase cycle. Bonds are purchased solely by the employee.

Tax Sheltered Annuities

The School Board has a tax sheltered annuity program in which all employees are eligible to participate. A tax sheltered annuity offers the tax advantage of deferring federal income taxes until the benefit is received. The employee who elects to enroll in this program pays for the entire cost by payroll deduction, based upon an amendment to his basic contract. The School Board and AFSCME shall have no liability or responsibility in connection with the tax sheltered annuity program except the Board will show that the payments have been remitted for the purpose for which deducted by an annual statement by the carrier.
There are generally two types of plans available—fixed and variable—with over 90 companies authorized to sell these annuities. A list of these companies is published annually in the Weekly Reader. The Risk Management Department will also provide a list of these authorized companies, as well as a brochure describing this program in greater detail, upon request.

An employee may participate through two different companies but ordinarily only one change, either an increase, decrease, cancellation or addition of a new company is allowed each year. An annuity may not be canceled except concurrent with the "contract year" with request for cancellation required well in advance of the first paydate of the new year for the employee.

**Terminal Pay**

To encourage and reward employees who exercise particular care in the maintenance of their personal health and job attendance, the Board will provide terminal pay to employees at normal retirement, resignation, or to their beneficiaries if services are terminated by death. Any employee not in service at the time of retirement shall not receive these benefits. Terminal pay shall not exceed an amount determined by the daily rate of the employee at retirement, resignation, or death as follows:

1. during the first three years of service, the daily rate of pay multiplied by 35% times the number of days of accumulated sick leave;
2. during the next three years of service, the daily rate of pay multiplied by 40% times the number of days of accumulated sick leave;
3. during the next three years of service, the daily rate of pay multiplied by 45% times the number of days of accumulated sick leave;
4. during and after the tenth year of service, the daily rate of pay multiplied by 50% times the number of days of accumulated sick leave;
5. during and after the 13th year of service and until when first eligible for normal retirement, the daily rate of pay multiplied by 100% times the number of days of accumulated sick leave. Thereafter, the daily rate will remain frozen at the rate when first eligible for normal retirement. In no case, however, shall an employee whose daily rate has been frozen pursuant to this provision receive less than the amount determined as in #4 above. Provision #5 is effective January 1, 1983.

Provisions for terminal pay at resignation apply only to those sick leave days accrued after July 1, 1982.

Payment for the resignation and retirement benefit will be made on or before August 1 of the following fiscal year.
Resignation or retirement as referred to herein shall mean termination of employment by action of the employee; such termination excludes resignation or retirement after a recommendation for dismissal or resignation or retirement after participation in a work stoppage, job action, or strike, in the absence of specific approval by the Board.

The daily rate shall be computed by dividing the number of "working days" that year into the annual salary. "Normal retirement," as referred to herein, shall mean retirement under any retirement system established by the legislature with either full or reduced benefits as provided by law, or mandatory retirement due to the attainment of the age of seventy years. "Normal retirement" shall not be interpreted to include disability retirement. "Years of service" shall mean creditable years of service under any retirement system of the State of Florida.

APPENDIX III

NON-INSTRUCTIONAL CLASSIFICATION PLAN, POLICIES AND PAY SCHEDULES OF THE SCHOOL BOARD OF DADE COUNTY, FLORIDA

1. COVERAGE

All noninstructional personnel employed by The School Board of Dade County, Florida, shall be classified and paid according to the Non-Instructional Classification Plan, Policies and Pay Schedules, with the following exceptions:

a. Administrative, supervisory and technical personnel who are classified and paid in accordance with the Unified Compensation and Classification Plan for Administrative, Supervisory and Technical Personnel.

b. Journeymen and foremen in building trades and related occupations who are paid in accordance with Salary Schedule H.

c. Temporary, substitute and student positions and those positions for which special provisions are made as reflected on Salary Schedule I.

2. PROBATIONARY PERIOD

A probationary period of four (4) calendar months is required for an employee on initial appointment or promotion to a position covered by the Non-Instructional Classification Plan, Policies and Pay Schedules.

In the event that the employee does not satisfactorily complete his/her probationary period, he/she shall be separated from the service except that, in the case of promotion from a lower pay grade position, he/she may be considered for employment in the class of comparable pay grade from which he/she was promoted.
At any time during the probationary period the newly hired employee's performance is considered unacceptable, the probationary employee shall be terminated. During the probationary period, the newly hired employee shall be on an hourly status and if eligible shall receive only the group health, vision, dental, and life insurance fringe benefits provided to other employees.

3. HIRING RATES

NORMAL HIRING RATES: The first step of each pay grade shall be considered the normal hiring rate for new full-time and temporary employees except those so designated by the Director of Non-Instructional Staffing as indicated in this Appendix. Under special circumstances, and with the approval of the Assistant Superintendent for Personnel, an employee may be hired, or rehired, at a salary step higher than the first step of the pay grade for the position being filled. (Custodians and Head Custodians - normal hiring rate is step 3.)

REPLACEMENT HIRES: All replacement hires normally will be made at the same pay grade level as the employee being replaced provided job demands, responsibilities, and work content remain essentially unchanged. Where the responsibility or work content of a job is to be revised, the department supervisor shall advise the Office of Personnel so that the position may be re-evaluated for possible reclassification.

INTERIM APPOINTMENTS: Employees working in an under-classified status may not be given an increase in salary until such time as they become fully qualified for the position they are filling. Failure to do so within one (1) year will result in the loss of the higher classification and it will be reduced to the level of the incumbent's attainment.

REHIRES: Former employees who are hired within two (2) years after separation shall be placed on a step within the new pay grade determined by years of creditable service within the system. An employee who has been separated from the system a period exceeding two (2) years shall be treated as a new employee. A person may be rehired for a position in a different job family, but should be hired on the same basis as a new employee.

TEMPORARY EMPLOYEES: Applicants hired for work on classified jobs, shall be paid at the minimum hourly rate of the assigned pay grade for the work they perform, provided they meet the eligibility requirements for the position.

4. ADVANCEMENT WITHIN PAY GRADES

This section describes the method of using employee experience to placement on a salary schedule. Nothing herein shall be interpreted as entitling any employee to a raise or a specific salary. The value of a step or a schedule shall be set in negotiations. No employee shall be entitled to a compensation increase by application of this language. No employee's annual wage may be increased except by written and ratified negotiations agreements.
A. Effective July 1, 1982, employees in the AFSCME bargaining unit shall be placed on steps as follows:

B. Employees will automatically advance one (1) step each July until they reach the maximum of the pay grade to which they are assigned, provided their employment in a classified position commenced on or before March 31 of the current year.

5. TRANSFERS, PROMOTIONS, AND DEMOTIONS

All transfers, promotions or demotions must be cleared and approved by the Director of Non-Instructional Staffing. Employees transferring to a new position must notify their present supervisor two (2) weeks prior to the effective date of the transfer. Every effort should be made to report to the new position at the beginning of the new pay period.

TRANSFERS: When an employee is transferred or reassigned to a position in the same pay grade he will receive no salary increase, except as outlined in 4.a. above.

PROMOTIONS OR UPGRADES: When an employee is promoted or assigned to a position which is classified in a higher pay grade, he/she shall be given an increase to the first step of the new salary range effective the start of the next pay period after Board approval. When his/her current salary is already in excess of the
first step, he/she will be placed on that step of the new grade that provides at least the equivalent of one salary step increase. If his/her salary is equal to or above the maximum of the range from the position to which he/she is assigned, no change in salary shall be considered.

DEMOTIONS:

a. Unsatisfactory Performance - In the event an employee is demoted to a position in a lower pay grade as the result of inability to perform satisfactorily in the higher grade, or is reassigned to a position in a lower pay grade at his/her own request, that employee shall be placed within the lower pay grade determined by the years of creditable service within the system.

b. Reclassification of Job to a Lower Pay Grade - In the event a position is reclassified to a lower pay grade and the incumbent cannot be placed in a position of comparable pay grade, the individual's rate of pay shall remain the same unless the current rate of pay is above the maximum of the new pay grade in which instance the rate of pay shall be reduced to the maximum of the new pay grade except that the rate of pay will not be placed on the first longevity step (L-1) or the second longevity step (L-2) of the new pay grade until completion by the employee of 10 or 12 years of creditable service respectively, in accordance with standard policy.

c. Transfer to a Lower Pay Grade in Lieu of Layoff - In the event an employee is transferred to a position in a lower pay grade in lieu of layoff, the pay rate of the employee will be the rate step in the lower pay grade into which transferred corresponding to the rate step of the pay grade from which transferred.

6. ESTABLISHMENT OF NEW POSITIONS

All requests for the establishment of positions new to the Non-Instructional Classification Plan will be first written up on a position questionnaire and submitted to the Wage and Salary Administrator for evaluation and recommendation for pay grade assignment.

New positions so established will be audited after they have been functioning for a reasonable period of time, to insure the correctness of the level of duties, responsibilities, and pay grade assignment.

7. RECLASSIFICATION OF POSITIONS

Requests for evaluation of position classification may originate from employees or supervisory personnel and should be directed to the Office of Personnel. The processing of such a request shall not be delayed, deferred or denied and shall not require the approval of the immediate supervisor or department head.
Employees are further reminded that requests for reclassification to higher level positions cannot be considered unless the employee meets the minimum qualifications including minimum standard test or licensing requirements.

Denied reclassification requests will not be reconsidered for a period of twelve (12) months except under extraordinary circumstances such as complete department reorganizations.

Salary increases upon upward reclassification shall be adjudicated in the same manner as salary increases for promotion.

8. STANDARD WORKWEEK

The standard workweeks have been established by The School Board of Dade County, Florida as follows:

40 hours - commencing immediately after midnight on Thursday and running for seven consecutive days ending on midnight the following Thursday.

48 hours - for all fulltime service employees of the Lindsey Hopkins Hotel who are covered under the Fair Labor Standards Act.

9. SCHEDULED OVERTIME PAY

All full-time non-instructional employees other than certain executive, administrative and professional personnel are considered non-exempt employees.

Non-exempt employees are entitled to overtime pay at one and one-half their regular rate.

Overtime distribution lists shall be established to provide for distribution of available overtime as equitably as possible to qualified employees affected in their groups at the geographic work locations. Employees refusing overtime shall be charged with the number of overtime hours refused.

Employees charged with unauthorized absence in a given work week shall not be eligible for overtime for the remainder of that work week (including Saturday and Sunday). The overtime list shall be maintained and reviewed annually consistent with the work year. Employees on authorized absences shall not be denied overtime and shall retain their positions on the scheduled overtime distribution list.

10. EXTRA TIME PAY FOR SCHOOL BUS DRIVERS

A. School bus drivers shall be paid at their regular rate for all hours which they are required to work beyond their regular twenty-seven and one-half (27.5) hour weekly task assignment, up to an aggregate maximum of forty (40) hours per week.
1) Substitute drivers not serving as replacements for regular drivers are excluded from guaranteed weekly task assignments.

2) Regular drivers who desire to work less than the guaranteed time may request a waiver to not work the guaranteed time, subject to the approval of the Director of Transportation.

3) With the approval of the Director of Transportation, a bus driver may be given a waiver of the requirement to make field trips.

4) The 27.5 hours per week includes assigned route time, allowance of 10 minutes for each refueling by compounded buses; allowance of one-half hour for each refueling by buses not compounded and all clerical time. After attainment of 27.5 hours, during a week, the driver will be paid for breakdown time that exceeds one (1) hour.

5) After attainment of 27.5 hours, during a week, drivers will be paid for additional time acquired making field trips.

Extra-time distribution lists shall be established to provide for distribution of available extra time as equitably as possible to qualified employees affected in their groups at the geographic work locations. Employees refusing extra-time shall be charged with the number of extra-time hours refused. The extra-time list shall be maintained and reviewed annually consistent with the work year.

NOTE: The Classified Salary Schedule is based on 260 work days per year. Should the actual days in the fiscal year vary from 260, the employee will be paid for actual days times his daily rate (due to the payroll being computerized, the daily rate will always be calculated by dividing the annual salary by 260). Hourly, daily or bi-weekly rates for each pay grade and step shall be computed to a third decimal place which shall, in each case be rounded off to the next higher penny. Penny "breakage" will always be in favor of the employees in order to avoid any under-payments of stipulated annual salaries.

B. Field Trip Assignments - Field trip rotation assignments will be posted at each Transportation terminal.

1) School bus drivers are required to make all assigned field trips. In cases of illness or emergencies that prevent a driver from making a trip, the driver will be responsible for notifying the Route Specialist verbally, followed by written confirmation. The Route Manager will approve or disapprove the driver's excuse for not accepting a trip.
Assignment of field trips will be made as follows:

a) First priority will be given drivers required to make up minimum basic route time.
b) Second priority will be given to drivers voluntarily requesting field trips.
c) Third priority will be the assignment of drivers to field trips as needed.

2) The Route Manager at each terminal will be responsible for posting rosters of drivers in each of the above categories and indicating the field trips assigned. Each driver will be responsible for checking the roster and assuring that they are aware and available for the assignment or for prior notification of the Route Specialist of their non-availability.

11. SUMMER EMPLOYMENT FOR NON-INSTRUCTIONAL PERSONNEL

REGULARLY EMPLOYED ON A LESS THAN TWELVE MONTH BASIS

Non-instructional employees who regularly work on a 10-month or lesser basis, and who file applications for summer employment prior to the end of April shall, all things being equal, be given priority consideration on temporary summer job openings for which they qualify.

No guarantee can be made that every such applicant for summer assignment will be employed. Every effort shall, however, be made to offer work opportunities equitably, within the limits of geographic availability and the skills and abilities of applicants for summer employment.

Salaries for such additional summer employment shall be governed by salary schedules in effect for the position occupied during the period worked. Employees on temporary summer assignments will work the same hours and days as other employees at the work locations to which they are assigned.

Other than sick leave or military leave in accordance with Board policy, no leave of absence with pay will be approved.

12. FOOD SERVICE MANAGER CLASSIFICATIONS

a. Food service manager levels are based on a combination of education and meal participation factors plus completion of the Food Service Manager Intern Training Program as follows:

<table>

</thead>
<tbody>
<tr>

</table>
1) Manager levels will be based on the current year's average meal participation determined as of the fall FTE count. Resultant changes in the Manager levels will be effective as of the first pay period following the fall FTE count. Manager positions will be downgraded to the next lower level if the average meal participation decreases two participation levels.

* Special food service course or equivalent, and completion of the Food Service Manager Intern Training Program.

** Schools with less than an average of 300 meal participations will be allocated a satellite assistant position.

2) Optional qualification for Food Service Manager I: Successful completion of the Food Service Manager Intern Training Program.

3) Schools serving satellite operations will be allocated Food Service Manager positions at the level determined by the combined average meal participation of the regular school food service program and the satellite operation(s).

   b. Increases or decreases in satellite operations which result in Food Service Manager levels changing will be effective beginning the first pay period following the effective date of the satellite operation change.

   c. Where no previous history exists, such as a new school, or change in school year, the Department of Food Services will estimate the meal participation factor which will be used to determine the level of food service manager classification to be assigned to said school.

   d. Food Service Managers who are unassigned or who are classified at a level above that authorized at the work location will be given priority consideration for assignment to any vacant position, for which they qualify, before being downgraded to a lower position.

   e. Food Service Managers who have been downgraded due to decreases in average meal participation will be given priority consideration over new hires for positions that become vacant.

13. **SPECIAL EVENTS PAY FOR SCHOOL FOOD SERVICE PERSONNEL**

APPENDIX V

TOOL ALLOWANCE

SECTION 1

Employees in the job classifications footnoted in Appendix IV, who, as a condition of their employment, are required by the School Board to provide and maintain their own hand tools in accordance with required tool lists stipulated by both parties to be adequate to meet the needs of the individual trades, established and maintained by the School Board, will receive an annual monetary allowance equal to 16.6% of the agreed value of the list. The approved tool list and replacement prices shall be modified prior to the effective date of this agreement to reflect (1) changes in the tool list due to changes of requirements and the state of the art, and (2) changes in replacement prices of the tools in the approved tool list. The allowance will be paid in one annual payment, based upon qualification and calculation as of the last working day of September.

SECTION 2

Employees hired or promoted during the period preceding the annual calculation will receive a prorated allowance, based upon full months of employment. A major portion of the work days in a month will be counted as a full month. Employees terminated for just cause will not receive an allowance for the period in which they are terminated. Employees who die, retire, or are laid off will receive a prorated allowance based upon their last date of employment.

SECTION 3

Each tool list shall include only those tools that are appropriate to the safe and efficient performance by the employee of the duties assigned within the job classification. Reasonable substitutions of tools shall be permitted with authorization by the Board. When changes are made in the list, or new tools are required by the Board, a reasonable period of time shall be allowed each employee to purchase the tools necessary for compliance with the tool list covering the job classification.

The Board shall make no requirements with respect to brand names or places of purchase of required tools, however, standards of quality and safety established the bid specifications in the original acquisition by the Board must be maintained.

SECTION 4

All tools and tool boxes currently the property of the School Board that have been issued to employees in the designated classifications shall become the property of those employees to whom issued. In order to compensate the Board for the cost of these tools, the tool allowance as agreed to the above shall not be paid for the first one year of this agreement, but shall become effective thereafter. During this period and thereafter, additions and replacements shall be the responsibility of the employee.
All new employees hired after the effective operation of this agreement shall be required to furnish their own hand tools as per the approved hand tools lists and shall be eligible for allowance as described herein. In the event an employee is terminated before the Board is fully compensated for the value of tools supplies, the employee may elect either of two courses of action:

1. Return the complete set of tools to the Board and forfeit entitlement to any allowance which may have accrued; or,

2. Retain the complete set of tools and make suitable arrangements to complete the compensation to the Board prior to receipt of any terminal pay which might be due.

Should the employee leave without making an election, the Board, at its discretion may exercise choice 2 above, and make appropriate deductions from any monies otherwise owed to the employee.

SECTION 5

Any necessary tools or equipment not on an approved hand tool list shall be designated as "shop tools", and shall be furnished by the School Board. Such tools shall remain the property of the Board. In general, the term "shop tools" shall designate power-driven equipment, hand tools of a size not normally carried in a portable tool box, and meters, gauges and similar test equipment. This definition shall be subject to interpretation by comparison with existing tool lists, the customs of the trade and negotiation when required.

SECTION 6

The School Board shall continue to provide current levels of security for storage of tools and tool boxes in School Board facilities during off-duty time. In the event of the theft of tools from proper storage, the employee shall file a loss claim with Board's Risk Management Division or assigned carrier. Awards, settlements, and other decisions affecting the claim will be governed by the terms of the agreements or policies then in force. The employee shall be responsible for replacement of any items stolen during the normal work day when the employee is on duty, (such times, for the purpose of this section, shall include meal and other break times) or at any time, as a result of personal negligence.

SECTION 7

Employees shall be entitled to remove any of their personally owned tools (including those that become their property due to the operation of this agreement) from their work site for off-duty use, subject to regulations detailing the method of such physical removal and other provisions of this agreement. A full set of tools, as listed, must be available for use of any regular work day or for use on any authorized overtime. Such availability shall be subject to Board verification upon demand, and subject to disciplinary action in accordance with Article XII if not maintained. If any employee chooses to add tools to those
required, they must be itemized on the employee's official inventory on file at the work location with an appropriate valuation for personal insurance claims only. Loss of claims for any such tools not properly listed will be contested.
APPENDIX VI

SALARY SCHEDULE I

TEMPORARY, SUBSTITUTE AND STUDENT POSITIONS

Effective July 1, 1982

When an employee is hired on a temporary basis, a REQUEST FOR PERSONNEL ACTION form (RPA) must be initiated by the hiring department, stipulating the period of time for which the employee is to be hired, and the reason for the temporary hire. When temporary employment exceeds the estimated period, Department Heads are required to submit a memorandum justifying the need for the extension of such employment.
