Step 1. All grievances must be made known in writing to the other party within seven (7) calendar days after the reason for such grievance has occurred. The authorized representative of the Union of the employee or employees involved shall be present at any meeting between the Job Superintendent and such employee or employees. The Job Superintendent or his duly authorized representative must make a written disposition of the matter within forty-eight (8) hours after the submission of such written grievance thereto.

The arbitrator shall not have jurisdiction or authority to add to, modify, detract from, or alter in any way the provisions of this Agreement or any amendment or supplement thereto or to add new provisions of this Agreement or any amendment or supplement thereto. In such a case, the costs, if any, shall be borne by the grievant.

4. Violations concerning wages, hours, and all fringe benefit payments shall not be subject to the grievance procedure. In such cases, the Union shall give three (3) working days' notice to the Employer that the Union will withdraw its men from the Employer's service.
