Wages, Benefits and Overtime Compensation: Holidays, Leave, Legal Benefits and Bonuses

WBOT.5 Employers shall provide all legally mandated holidays, leave, benefits and bonuses, such as official holidays, annual leave, sick leave, severance payments and 13th month payments, to all eligible workers within legally defined time periods. In addition, all leave and bonuses shall be calculated correctly. (S)

Uncorroborated Evidence of Noncompliance

Explanation: None of the 86 workers interviewed were aware of their leave entitlements; they said that the leaves are deducted from their salaries. However, management has maintained a leave register in which every worker’s paid leaves are recorded.

Plan Of Action: Develop policies and procedures on terms of employment and implement educational sessions to inform all workers about their rights and benefits. This would be done by providing employees educational sessions and getting each worker to sign a sheet proving their understanding. This will be introduced to workers at the beginning of the recruitment process. Also, it is advised for employee that does not understand to meet with the WPC Committee to ensure their full understanding. Any employee who feels that they were not given their leave will be encouraged to report to the WPC Committee for further action.

Deadline Date: 11/30/2010

Supplier CAP: Ash City has hired a third-party independent compliance auditor to ensure that the actions above were carried out.

Supplier CAP Date: This team has verified that this is complete by training records review and WPC and worker interviews.

Plan Complete: Yes

Plan Complete Date: 11/30/2010
**Wages, Benefits and Overtime Compensation: Payment for All Hours Worked**

WBOT.7 Workers shall be paid for all hours worked in a workweek. Calculation of hours worked must include all time that the employer allows or requires the worker to work. (S)

**Uncorroborated Evidence of Noncompliance**

**Explanation:** 58% of workers reported that they are not paid for all the overtime hours they work. The overtime hours actually worked are more than the overtime hours recorded and paid by the factory.

**Plan Of Action:** Record and pay all hours of work properly. Management will monitor and ensure all hours are recorded and paid in accordance with the law. Factory also will pay arrears for all unpaid hours.

**Deadline Date:** 10/31/2010

**Action Taken:** The external compliance monitoring team has verified this practice is in effect through document review (in and out time records, payment records, pay slips) and worker interviews. This team also confirmed that the factory had paid for all unpaid hours.

**Plan Complete:** Yes

**Plan Complete Date:** 11/30/2010
**Wages, Benefits and Overtime Compensation: Worker Wage Awareness**

WBOT.22 Employers shall make every reasonable effort to ensure workers understand the wages, including the calculation of wages, incentives systems, benefits and bonuses they are entitled to in a factory and under applicable laws. To this end, employers shall communicate orally and in writing to all workers all relevant information in the local language or language(s) spoken by the workers, if different from the local language. (P)

**Noncompliance**

**Explanation:** All workers interacted with were found to have low awareness of the wage and overtime calculations. Management does not issue pay slips to workers.

**Plan Of Action:** The factory is to 1) develop policies and procedures and 2) implement educational sessions to inform all workers about wages, including wage calculation, incentive system, benefits, and bonuses they are entitled to. This will be introduced to workers at the beginning of the recruitment process. Factory shall issue pay slips to workers.

**Deadline Date:** 09/30/2010

**Supplier CAP:** Educational sessions were arranged to inform all workers about wages, including wage calculation, incentive system, benefits, and bonuses and will issue pay slips to workers.

**Supplier CAP Date:**

**Action Taken:** Ash City's external compliance monitoring team verified the action through document review (training records, pay slips) and worker interviews.

**Plan Complete:** Yes

**Plan Complete Date:** 11/30/2010
Wages, Benefits and Overtime Compensation: Posting Notices

WBOT.23 All notices that are legally required to be posted in the factory work areas shall be posted. All legally required documents, such as copies of legal code or law, shall be kept at the factory and available for inspection. (P)

Noncompliance

Explanation: It was observed during physical walkthrough that no legally required postings were posted on or near the workers' area.

Plan Of Action: Factory is to post all legally required postings near work areas and in the local language. Notices include Labour Code 2006, minimum wages gazette, working hours, payment, overtime hours, and legally required benefits.

Deadline Date: 11/30/2010

Action Taken: Ash City's external compliance monitoring teams has verified that all postings are present by a plant tour.

Plan Complete: Yes

Plan Complete Date: 11/30/2011
Wages, Benefits and Overtime Compensation: Contestation of Wage Payments

WBOT.24 Employers must establish a system through which workers can contest wage payments and receive clarifications in this respect in a timely manner. (P)

Noncompliance

Explanation: All workers interacted with reported that they can request their production manager to show them their 1) total hours of overtime and 2) payment of overtime on the day after wage payment. However, workers are only informed; there are no opportunities to contest or appeal.

Plan Of Action: Develop policies and procedures. Factory to give workers the opportunity to contest or appeal in respect to total hours of overtime and overtime payment.

Deadline Date: 10/31/2010

Supplier CAP: Workers will have the opportunity to contest or appeal to management about total hours of overtime and overtime payment. Management will issue a notice to workers on reporting to management if they have any grievance on that issue. Management will show all hours of overtime work and overtime payment to workers.

Supplier CAP Date: Action has been verified by Ash City's external compliance monitoring team through document review (in and out time records, payment records, pay slips) and worker interviews.

Action Taken: Yes

Plan Complete Date: 11/30/2010
Wages, Benefits and Overtime Compensation: Pay Statement

WBOT.26 Employers shall provide workers a pay statement each pay period, which shall show earned wages, wage calculations, regular and overtime pay, bonuses, all deductions and final total wage. (P)

Noncompliance

Explanation: 37% of workers interacted with reported that they do not get any pay receipts or pay slips.

Plan Of Action: Develop policies and procedures. Issue pay slips to workers to inform all workers about their wages, including wage calculation, incentive system, benefits, and bonuses. This will be introduced to workers at the beginning of the recruitment process.

Deadline Date: 11/30/2010

Supplier CAP: Pay slips will be issued to workers.

Supplier CAP Date:

Action Taken: Action has been verified by Ash City's external compliance monitoring team through document review (policy, overtime slips) and worker interviews.

Plan Complete: Yes

Plan Complete Date: 11/30/2010
Forced Labor: Freedom of Movement/Employer Controlled Residence

F.12 The freedom of movement of workers who live in employer controlled residences shall not be unreasonably restricted. (P)

Noncompliance

Explanation: 34% of workers interacted with (especially female workers) reported that they do not get a gate pass during lunch time to go out for lunch.

Plan Of Action: Factory is to not restrict movement during lunchtime for workers to get out for lunch. The gate pass system shall be stopped immediately, so workers can go out at lunchtime without any question by factory management or security guard. Factory management will issue an office order in this regard.

Deadline Date: 08/30/2011

Supplier CAP: Factory management issued an office order August 3, 2011 in this regard. The office order was announced to all workers in a general meeting; it states that workers have the right to move on their own at lunchtime.

Supplier CAP Date: 08/03/2011

Action Taken: Factory management issued an office order in this regard. The office order announced to all workers in a general meeting, stating that workers have the right to move by their own will at lunchtime. Gate pass system has been stopped for movement at lunch time. Workers can get out easily without any restriction at lunchtime to go to their houses and take lunch. Action has been verified by Ash City’s external monitoring team through review of the office order and worker interviews.

Plan Complete: Yes

Plan Complete Date: 08/03/2011
Forced Labor: Forced Overtime

F.14 The imposition of mandatory overtime beyond the limits set by the law, a freely negotiated collective bargaining agreement, and/or the FLA Code, in an environment where a worker is unable to leave the work premises, constitutes forced labor. (S)

**Noncompliance**

**Explanation:** 36% of workers interacted with reported that they undergo mandatory overtime. 4% of workers reported that if they do not agree to work overtime their regular work day attendance for the day is marked "Absent."

**Plan Of Action:** Policy of voluntary overtime shall be introduced and implemented. Factory is to obtain worker's consent before overtime.

**Deadline Date:** 11/30/2010

**Action Taken:** Volunteer overtime policy has been introduced and consent of work has been taken before doing overtime. Ash City's external monitoring team verified this through document review (policy, overtime slips) and worker interviews.

**Plan Complete:** Yes

**Plan Complete Date:** 11/30/2010
Freedom of Association: General Compliance Freedom of Association

FOA.1 Employers shall comply with all local laws, regulations and procedures concerning freedom of association and collective bargaining. (S)

Noncompliance

Explanation: Management reported that there is no Worker Participation Committee in the factory and that they have formed an Environment, Health and Safety Committee (WPC). All workers interacted with reported having very low awareness about the committee, its mandate, and its functions.

Plan Of Action: Factory is to develop a written policy and procedure on Freedom of Association (FOA) and shall form a WPC as per Bangladesh labor law. Workers of different sections shall be presented through elections. WPC Committee shall arrange meetings regularly. Meeting minutes will be recorded and posted on notice board for general employee awareness.

Deadline Date: 11/30/2010

Supplier CAP: Freedom of Association policy has been developed and WPC as per Bangladesh labor law has been formed in the factory. WPC will be formed as per law.

Supplier CAP Date: 09/30/2010

Action Taken: FOA policy has been developed and WPC as per Bangladesh labor law has been formed in the factory. Workers of different sections selected their representatives by hand vote. Management nominated their representatives. Photo of worker representatives is displayed on all floors. Workers are well known by representatives. WPC is arranging meetings every 2 months. Notice of the meeting (with agenda) is issued prior to meeting, on the notice is the opportunity to submit any topics for discussion to the WPC. Minutes recorded and posted on the notice board for general employee awareness. Social dialogue system training is arranged for WPC members.

Plan Complete Date: 11/30/2010
Harassment or Abuse: Discipline/Written Disciplinary System

H&A.5 Employers shall maintain a system of written disciplinary rules, procedures and practices. Disciplinary rules, procedures and practices shall be clearly communicated to all workers. (P)

Noncompliance

Explanation: Out of 86 workers, none were aware of the harassment and abuse policy. 37 out of 86 workers also reported that they are also not aware of the disciplinary procedures.

Plan Of Action: Factory is to develop clear and detailed policies and procedures of 1) non-harassment and abuse and 2) disciplinary measures. Factory is to also implement education sessions to inform all workers about harassment and abuse policy and disciplinary rules. Policy and procedure will include an induction program for new workers. In addition to "prohibition of any kinds of physical and/or verbal abuse," disciplinary procedures should involve clear sanctions against those perpetrating physical and/or verbal abuse. Workers should be aware of policy and procedures and should know whom to approach in case of violations. Provide detailed information on sanctions to be implemented and person in charge of dealing with workers' complaints on harassment and abuse.

Deadline Date: 11/30/2010

Supplier CAP: Educational sessions will be formed and arranged to inform all workers about harassment and abuse policy and disciplinary rules, procedures and practices.

Supplier CAP Date:

Action Taken: Educational sessions to inform all workers about the harassment and abuse policy and disciplinary rules, procedures and practices were completed. Ash City's external compliance monitoring team verified that the action was complete by document review (policies, procedures, training records) and worker interviews.

Plan Complete: Yes

Plan Complete Date: 11/30/2010
Harassment or Abuse: Discipline/Physical Abuse

H&A.10 Employers shall not use any form of – or threat of – physical violence, including slaps, pushes or any other forms of physical contact as a means to maintain labor discipline. (S)

Noncompliance

Explanation: 6% of workers interviewed (all 5 workers interviewed off site) confirmed that there are instances of physical abuse in the factory.

Plan Of Action: Factory is to 1) develop policies and procedures on non-harassment and abuse and on disciplinary measures and 2) stop all forms of physical violence to maintain labor discipline. Any kind of physical contact as means of labor discipline shall be prohibited. Educational sessions for supervisors and managers will be arranged. Harassment and abuse policy and disciplinary rules, procedures, and policies shall be communicated to supervisors and managers.

Deadline Date: 11/30/2010

Action Taken: Action has been taken to arrange education sessions for supervisors and managers on the harassment and abuse policy and disciplinary rules, procedures, and practices. A reporting system on policy noncompliance has been developed and communicated to workers. Ash City’s external compliance monitoring team verified this through training record review and worker interviews.

Plan Complete: Yes

Plan Complete Date: 11/30/2010
Harassment or Abuse: Discipline/Verbal Abuse

H&A.11 Employers shall not use any form of verbal violence, including screaming, yelling, or the use of threatening, demeaning, or insulting language, as a means to maintain labor discipline. (S)

Noncompliance

Explanation: 6% of workers interviewed (all 5 workers interviewed off site) confirmed that there are instances of verbal abuse in the factory.

Plan Of Action: Factory is to 1) develop policies and procedures on non-harassment and abuse and on disciplinary measures and 2) stop all forms of verbal violence as means to maintain labor discipline. Any kind of verbal abuse as means of labor discipline shall be prohibited. Educational sessions for supervisors and managers will be arranged. Harassment and abuse policy and disciplinary rules, procedures, and policies shall be communicated to supervisors and managers.

Deadline Date: 11/30/2010

Supplier CAP: The non-harassment and abuse policy, disciplinary measures procedures shall be developed.

Supplier CAP Date:

Action Taken: Action has been taken to arrange education sessions for supervisors and managers on the harassment and abuse policy and disciplinary rules, procedures, and practices. The new policy and procedures have been included during new working induction training. Ash City’s external monitoring team confirmed that the harassment and abuse policy has been created and educational sessions were completed. This was verified through training record review and worker interviews.

Plan Complete: Yes

Plan Complete Date: 11/30/2010
Harassment or Abuse: Violence/Harassment/Abuse

H&A.13 Employers shall ensure that the workplace is free from any type of violence, harassment or abuse, be it physical, psychological, sexual, verbal, or otherwise. Employers shall refrain from any action – and shall take all appropriate action to ensure that all workers refrain from any action – that would result in an intimidating, hostile or offensive work environment for workers. (S)

Noncompliance

Explanation: None of the workers interviewed were aware of the factory's harassment and abuse policy. 6% of the workers interviewed confirmed that there are instances of physical and verbal abuse in the factory. Also, a similar percentage of workers reported that if any worker was late by even 10 minutes, they are asked to work in a standing position until the production manager comes to the office.

Plan Of Action: Factory is to develop a policy and procedure guideline on 1) non-harassment and abuse and 2) disciplinary measures and is to stop all forms of abuse as identified above.

Deadline Date: 11/30/2010

Supplier CAP: Educational sessions for supervisors and managers will be arranged. Harassment and abuse policy and disciplinary rules, procedures and practices shall be communicated to supervisors and managers.

Supplier CAP Date: 09/30/2010

Action Taken: Action has been taken to arrange educational sessions for supervisors and managers about the harassment and abuse policy and disciplinary rules, procedures and practices. Action has been verified by Ash City's external compliance monitoring team through training record review and worker interviews.

Plan Complete Date: 11/30/2010
Child Labor: Other Means of Age Verification

CL.4 In those cases where proof of age documentation is not readily available or unreliable, employers shall take all necessary precautions which can reasonably be expected of them to ensure that all workers are at least the minimum working age, including requesting and maintaining medical or religious records of workers, or through other means considered reliable in the local context. (P)

Noncompliance

Explanation: The factory’s age verification system is not robust. None of the age verification documents (including age certificate by a doctor, education certificate, national identity card) are available in personnel files. Auditors observed 1 young worker (17 years old) employed during the personnel record review. Workers also confirmed that they themselves develop fake age certificates to get employment.

Plan Of Action: Factory is to verify the age of the workers. Also, age certificates submitted by workers shall have to be verified by a registered physician.

Deadline Date: 11/30/2010

Supplier CAP: A registered physician will be recruited to verify workers’ ages and age certificates.

Supplier CAP Date: 09/30/2010

Action Taken: A registered physician has been recruited to verify workers' ages and age certificates. Action has been verified by Ash City’s external compliance monitoring team by personal observation and age certificate review.

Plan Complete: Yes

Plan Complete Date: 11/30/2010
Child Labor: Employment of Young Workers

CL.6 Employers shall comply with all relevant laws that apply to young workers (i.e., those between the minimum working age and the age of 18) including regulations relating to hiring, working conditions, types of work, hours of work, proof of age documentation, and overtime. (P)

Noncompliance

Explanation: Audit team found 1 sample file with age proof; a 17 year old is employed at the factory. Workers reported that some of the young workers were asked to leave the premises on the 1st day of the audit; all young workers were asked to do so on the 2nd day of the audit. 36% of workers interviewed also reported that 2 hours of overtime is mandated for young workers.

Plan Of Action: Factory is to verify workers' ages. Age certificates must be submitted by workers and be verified by a registered physician. Factory shall consider the specific rules of Bangladesh labor law 2006 on hiring young workers. Work hours and conditions (including not engaging any young workers in hazardous jobs) shall have to be considered during the hiring process.

Deadline Date: 11/30/2010

Supplier CAP: Age certificates of all workers will be verified properly by a registered physician and we will comply with the laws that apply to young workers.

Supplier CAP Date: 09/30/2010

Action Taken: Action has been taken to verify the ages of all workers by a registered physician and to comply with the laws that apply to young workers. Ash City’s external compliance monitoring team verified this by document review (age certificates, overtime policy) and observation tour of site.

Plan Complete: Yes

Plan Complete Date: 11/30/2010
Non-Discrimination: Pregnancy Testing

D.6 Employers shall not use pregnancy tests or the use of contraception as a condition of hiring or of continued employment. Employers shall not require pregnancy testing of female workers, except as required by national law. In such cases, employers shall not use (the results of) such tests as a condition of hiring or continued employment. (S)

Noncompliance

Explanation: Workers reported that there is a practice of pregnancy testing at the time of recruitment for both married and unmarried women on a selective basis. The nurse responsible for the medical center also confirmed this information.

Plan Of Action: Factory is to stop pregnancy testing upon hire or in continued employment.

Deadline Date: 11/30/2010

Supplier CAP: Non-pregnancy testing policy will be developed and implemented.

Supplier CAP Date: 09/30/2010

Action Taken: A policy banning pregnancy testing has been developed and implemented. Ash City's external compliance monitoring team has verified that the policy has been developed by policy review and worker interviews.

Plan Complete: Yes

Plan Complete Date: 11/30/2010
**Health and Safety: Worker Consultation**

H&S.4 The health and safety policy shall be developed and implemented in consultation with workers or their representatives. (P)

**Noncompliance**

**Explanation:** As discussed with management, workers are not involved in the development and implementation of the health and safety policy.

**Plan Of Action:** Factory is to develop a health and safety policy in consultation with factory workers. Worker representatives shall be included in the committee. Committee would arrange meetings every month for reviewing the factory’s health and safety conditions. Meeting minutes shall be recorded and meeting decisions shall be implemented and monitored.

**Deadline Date:** 11/30/2010

**Supplier CAP:** Health and safety policy has been developed with consultation with Workers' Participation Committee. Worker representatives are included in the committee. Committee arranges meetings every month for reviewing the factory's health and safety conditions. Meeting minutes have been recorded and meeting decisions implemented.

**Supplier CAP Date:** 10/28/2010

**Action Taken:** Action has been taken to assign a H&S Officer and a H&S management system has been implemented in the factory. Policies and procedures have been developed, setting objective and targets; allocated resources; responsibilities and accountabilities; and arranged training and awareness. Communicated health and safety issues to employees; controlled operations, emergency preparedness and response procedures developed; all activities documented; monitoring noncompliance corrective and preventative action taken; and management reviewed all activities and implemented suggested steps as per management decision.

**Plan Complete:** Yes

**Plan Complete Date:** 11/30/2010
Health and Safety: Health and Safety Management System

H&S.5 The health and safety policy shall contain the framework for a comprehensive health and safety management system within which employers' responsibilities and workers' rights and duties, various responsibilities of designated personnel, procedures that enable workers to raise health and safety concerns and procedures for reporting death, injury, illness and other health and safety issues (for instance, near-miss accidents) are clear and regularly tested and reviewed. (P)

Noncompliance

Explanation: There is no H&S management system in the factory with an assigned H&S Officer.

Plan Of Action: Factory is to assign a H&S Officer for implementation of H&S management system. Policy and procedure shall be developed, setting objectives and targets; allocated resources; responsibilities and accountabilities; and arranged training and awareness. All activities shall be documented and monitored.

Deadline Date: 11/30/2010

Supplier CAP: H&S management system will be implanted with an assigned H&S Officer.

Supplier CAP Date: 09/30/2010

Action Taken: Action has been taken to assign a H&S Officer. H&S management system has been implemented in the factory. Policy and procedure has been developed, setting objectives and targets; allocated resources; responsibilities and accountabilities; and arranged training and awareness. Communicated H&S issues to employees; controlled operations; emergency preparedness and response procedure developed; all activities documented; and monitoring noncompliance corrective and preventative action taken.

Plan Complete Date: 11/30/2010
Health and Safety: Evacuation Requirements and Procedure

H&S.9 All applicable legally required or recommended elements of safe evacuation (such as posting of evacuation plans, the installation and maintenance of an employee alarm and emergency lighting systems, ensuring aisles/exits are not blocked and that workers are not blocked within their workstations, employee education, evacuation procedures, etc.) shall be complied with. Workers shall be trained in evacuation procedures. Alarm systems shall be regularly tested and evacuation drills shall be undertaken at least annually. (S)

Noncompliance

Explanation: With respect to safe evacuation, the main issues include: 1) lack of a second exit in the basement warehouse; 2) no fire alarm access points in basement and ground floor; 3) blocked fire hydrant points on each floor; 4) no aisle markings; 5) narrow and blocked aisles with materials; and 6) flammable materials very close to electrical panels. The main factory exit to escape from the factory is a roller-iron door, which is kept closed most of times of the day. According to document review, fire drill and fire evacuation trainings are conducted in the factory. However, 33% of workers interviewed confirmed that no fire drills were made in the facility.

Plan Of Action: Factory is to make a second exit in the warehouse basement. Also, fire alarm access points will be installed in the basement and ground floor; all fire hydrant points and aisle markings will be free from obstacles and flammable materials will be removed from or near electrical panels. Fire drills and fire evacuation trainings will be conducted on a regular basis.

Deadline Date: 11/30/2010

Action Taken: A second exit in the warehouse basement has been opened. Fire alarm access points and fire hydrants have been installed at the basement floor; for aisles, equipment has been ensured to be free from all obstacles at all times; flammable items have been removed from the electrical panel board; and fire evacuation drills and trainings have been continued on a regular basis.

Plan Complete: No

Plan Complete Date:
Health and Safety: Safety Equipment and First Aid Training

H&S.10 All safety and medical equipment (such as fire fighting equipment, first aid kits, etc.) shall be available in sufficient numbers throughout the factory, maintained and stocked as prescribed and easily accessible to workers. A sufficient number of workers shall be trained in first aid and fire fighting techniques. (S)

Noncompliance

Explanation: Auditors observed that there are empty first aid boxes on the production floors. There is 1 nurse in the medical room. Medical room was equipped with beds, BP machine, stethoscope, but there was no other equipment, due to lack of resources.

Plan Of Action: A sufficient number of first aid boxes shall be installed in the factory with required first aid kits and a sufficient number of workers will be trained on first aid techniques. Furthermore, Ash City suggested 1) the preparation of the safety and medical equipment checklist by paramedics and 2) regular inspections ensuring that all boxes are fully equipped and not past the expiry dates.

Deadline Date: 11/30/2010

Supplier CAP: A sufficient number of first aid boxes shall be provided in the factory with required first aid kits and a sufficient number of workers shall be trained on first aid techniques.

Supplier CAP Date: 09/30/2010

Action Taken: A sufficient number of first aid boxes has been provided in all factory sections with required first aid kits. A sufficient number of workers have been trained on first aid techniques; all required equipment has been provided to the medical room. The nurse checks all the first aid boxes on a weekly basis and keeps a record on what is supposed to be in the boxes within the first aid kit. Action has been verified by Ash City’s external monitoring team by plant tour and worker interviews.

Plan Complete: Yes

Plan Complete Date: 11/30/2010
Health and Safety: Personal Protective Equipment

H&S.11 Workers shall be provided with effective and all necessary personal protective equipment (such as gloves, eye protection, hearing protection, respiratory protection, etc.) to prevent unsafe exposure (such as inhalation or contact with solvent vapors, noise, dust, etc.) to health and safety hazards, including medical waste. (S)

Noncompliance

Explanation: There weren't any personal protective equipment (PPE) available for workers. During the physical investigation (walkthrough), no needle guards or eye guards were observed.

Plan Of Action: Factory is to provide needle guards and eye guards to machines.

Deadline Date: 11/30/2010

Supplier CAP: Needle guards and eye guards will be provided on the machines.

Supplier CAP Date: 09/30/2010

Action Taken: Needle guards and eye guards have been installed on all machines. Action has been verified by Ash City's external monitoring team by first hand inspection of plant during a tour.

Plan Complete: Yes

Plan Complete Date: 11/30/2010
Health and Safety: Chemical Management for Pregnant Women and Young Workers

H&S.15 To prevent unsafe exposure to hazardous chemicals, specific appropriate accommodations shall be made for pregnant women and workers under the age of 18 as required by applicable laws or the provisions of the FLA Code in a manner that does not unreasonably disadvantage workers. (S)

Noncompliance

Explanation: There were women 6-7 months pregnant in the facility; they were not given the opportunity to work lighter jobs. The women were found working on sewing machines.

Plan Of Action: Factory is to develop a written policy on the protection of young and pregnant workers and pregnant women workers shall be given the opportunity to work lighter jobs.

Deadline Date: 11/30/2010

Supplier CAP: Pregnant women workers will be given the opportunity to work lighter jobs.

Supplier CAP Date: 09/30/2010

Action Taken: Action has been taken to give pregnant women workers the opportunity to work lighter jobs. Action has been verified by Ash City’s external monitoring team by plant tour and worker interviews.

Plan Complete Date: 11/30/2010
Health and Safety: Ventilation/Electrical/Facility Installation and Maintenance

H&S.17 All necessary ventilation, plumbing, electrical, noise and lighting services shall be installed and maintained to conform to applicable laws and in such a manner as to prevent or minimize hazardous conditions to workers in the facility. (S)

Noncompliance

**Explanation:** Ventilation in the facility was insufficient. There were no provisions for exhaust fans; all windows were found closed. There were no proper lighting provisions available in the basement.

**Plan Of Action:** Factory is to arrange temperature and air quality testing and will install sufficient exhaust fans based on testing results; all windows shall be opened during working hours. Proper lighting provision shall be available in the basement.

**Deadline Date:** 11/30/2010

**Supplier CAP:** The factory shall arrange temperature and air quality testing and will install exhaust fans based on testing results. However, for the time being, all windows will be kept opened during working hours and proper lighting will be provided to the basement.

**Supplier CAP Date:** 09/30/2010

**Action Taken:** Action has been taken to contact the competent authority for temperature and air quality testing. Factory will arrange the testing as early as possible. Meanwhile, action has been taken to keep the windows open during working hours; factory installed a thermometer on the production floors for monitoring daily temperature; and sufficient light has been provided to the basement. The plan is partially completed. Action has been verified by Ash City's external monitoring team through plant tour and management and worker interviews.

**Plan Complete:** No

**Plan Complete Date:**
Health and Safety: Medical Facilities

H&S.21 Medical facilities shall be established and maintained in factories as required by applicable laws. Medical staff shall be fully licensed and recognized under applicable local rules and regulations. An appropriate number of medical staff shall be on duty during all working hours, including any type of overtime, as required under local law. An appropriate stock of medical supplies shall be maintained at all times. Medicines of which the expiration date has passed must be replaced immediately and disposed of in a safe manner. (P)

Noncompliance

Explanation: There is a medical center established in the facility with a full-time nurse. The medical room was equipped with beds, BP machine, stethoscope, but no other equipment, due to lack of resources. 36% of workers interacted with reported that they are not satisfied with the factory's medical facility. First aid services are not provided sufficiently, and the nurse does not deal with workers' health concerns effectively. She is found sleeping during work hours.

Plan Of Action: Factory is to provide sufficient first aid services to workers and the nurse shall deal with workers' health concerns effectively. A list of medical items are will be kept according to the factory rules, 1979. Any missing items from first aid kits on the manufacturing floor shall be replenished from the items available in the medical room. The nurse will be monitored by management and compliance officer; her activities will be evaluated on a regular basis.

Deadline Date: 11/30/2010

Supplier CAP: Sufficient first aid services shall be provided to workers. The nurse shall deal with workers' health concerns effectively.

Supplier CAP Date: 09/30/2010

Action Taken: Sufficient first aid services have been provided to workers and the nurse has been effectively dealing with workers' health concerns. Factory has an agreement with the nearby hospital for providing emergency medical services to workers. A list of medical items are kept according to the factory rules, 1979. The list contains 17 medical items. Any missing items from first aid kits on the manufacturing floor are replenished from the items available in the medical room. **Hours of Work: Overtime/Reduced Mandated Overtime**

HOW.8 The employer shall demonstrate a commitment to reduce overtime and to enact a voluntary overtime system, including for overtime mandated to meet extraordinary business circumstances. (P)

**Noncompliance**

**Explanation:** 36% of workers reported that 2 hours of overtime is mandatory for them. Workers confirmed that they work for more than 2 hours of overtime. 4% of workers interviewed reported night shifts as well. However, payroll records capture only 2 hours of overtime. 4% of workers reported that if they do not work overtime, then their attendance is marked as "Absent."

**Plan Of Action:** Factory is to reduce overtime and to avoid mandatory overtime work. Ash City has suggested the development of a mid-term and long-term plan, where root causes for persistent overtime are identified; bottlenecks that lead to night shifts are determined; production planning is reviewed; and necessary actions for reducing overtime hours are planned and implemented.

**Deadline Date:** 11/30/2010

**Supplier CAP:** Policy of voluntary overtime shall be introduced and implemented.

**Supplier CAP Date:** 09/30/2010

**Action Taken:** Voluntary overtime policy has been introduced and consent of workers has been taken before doing overtime. Action has been verified by Ash City's external monitoring team through document review (policy, overtime slips) and worker interviews.
