Section 4: Work Schedule Changes

Except for emergency situations, permanent regular work schedules shall not be changed without notice by the Department of at least seven (7) days to the affected employee(s) and to the Union. 3 constitute a change in the work schedule.

Section 5: Summer Work Schedules

Summer hours may begin no later than the first Monday in April, and may terminate no earlier than the second Monday in

October whenever such scheduling impacts operations, all of which are within the discretion and control of the City, and where such summer scheduling has been customarily used in the past.

It shall be within the Department Head's discretion to determine starting times for summer hours based on such operational considerations as dividing and/or rotating crew starting times to facilitate safety to the public, employees and equipment, to guarantee a high level of convenient service to the public, to preclude negative impact on traffic flow, and similar factors.

It shall be appropriate for the Labor-Management Committee (Article 22) to review and discuss the daily starting and ending times of summer hours.

Section 6:

The City may implement a ten (10) hour workday, four (4) workdays per week schedule in all functions of the Solid Waste Management Division. The implementation of the "four/ten" work schedule in other departments designated under Field Unit I may be considered in the Labor-Management Committee upon submission of a request by either party.

As a regular practice, overtime shall not be used. The parties agree that at times the City may require overtime work outside of an employee's normal shift.

The parties also agree that employees may be required to work on scheduled holidays and/or non-work days during the holiday week in order to provide City services on weeks containing holidays.

Section 4:

Compensation for overtime work as defined in Section 1 above will be as follows: One and one-half (1-½) times the regular rate. The regular rate shall include, if applicable, night shift differential, stand-by pay, and out-of-class pay. Overtime will be compensated after the first seven (7) minutes assigned and worked beyond a member's regularly scheduled work week or work shift, as outlined in Section 1, calculated to the nearest quarter (1/4) hour. There shall be no compounding or pyramiding of overtime pay with regular or premium pay except as required under F.L.S.A.

There shall be a minimum of fifteen (15) hours off between shifts (thirteen (13) hours for a Unit member working a 4/10 schedule). If this is not possible, the Unit member shall receive overtime compensation at his regular rate of pay for each full hour worked within the described fifteen (15) hour period (thirteen (13) hour period for a Unit member working a 4/10 schedule).

This language only applies to employees who work two (2) full shifts. If an employee works less than a full shift, either before or after his/her regular shift, the 15/13 hour rules does not apply.

Section 5:

In lieu of cash payment, a unit employee may request compensatory time credits up to a maximum accumulation of one

hundred seventy (170) hours. The request for compensatory credit must be made at the time the overtime is worked. Use of compensatory time off within the work period shall be subject to departmental approval and scheduling.

Accumulated compensatory time in excess of one hundred seventy (170) hours must be paid in cash.

Effective July 8, 2002, the City will contribute an additional five-one-hundredths of a percent (0.05%) of the annual base wage to a deferred compensation fund for each employee. (The new total contribution will be 3.15%)

Section 2:

Effective July 8, 2002, rates of pay shall be increased by one and four-tenths of a percent (1.4%).

Section 3:

Effective July 12, 1999, certified/registered employees in Parks Special Operations or other continuous non-incident spraying as assigned by the supervisor shall receive thirty-five cents (\$.35) in addition to the current fifteen cents (\$.15) [new total will be fifty cents (\$.50)] in addition to their base hourly rate for each hour engaged in assigned and authorized activities when applying herbicides or pesticides.

Section 4:

It is understood that for implementation purposes, the practice of rounding of fractional cents shall be done in accordance with accepted mathematical and accounting principles.

Section 5:

Notwithstanding the rates of pay set forth in any appendix or attachment to the agreement for reference, the term "Pay Schedule" shall mean the schedule computed and published by the Personnel Department for payroll purposes pursuant to Council Action in the Pay and Compensation Ordinance.

Section 6: Longevity-Performance Pay

In recognition of continuous service and overall performance, the City agrees to implement, effective in January 1989, the following longevity-performance pay formula for unit employees.

a. Pay Benefit:

On November 25, 2002 and June 9, 2003, unit members who have completed at least six (6) years of continuous full-time service and who meet the additional qualifications of this section shall qualify for fifty dollars (\$50.00) for each full year of continuous full-time service in excess of five (5) years, up to a semi-annual maximum of seven hundred dollars (\$700.00), annual maximum of fourteen hundred dollars (\$1,400.00) at nineteen (19) years.

On November 24, 2003 and June 7, 2004, unit members who have completed at least six (6) years of continuous full-time service and who meet the additional qualifications of this section shall qualify for fifty dollars (\$50.00) for each full year of continuous full-time service in excess of five (5) years, up to a semi-annual maximum of seven hundred dollars (\$700.00), annual maximum of fourteen hundred dollars (\$1,400.00) at nineteen (19) years.

b. Qualifications:

1. An employee must have completed at least one year (1) of continuous full-time service at the top step in his pay range. Qualifications for longevity pay are made in the base class and will not be affected by movement into or out of assignment positions. As well, longevity will not be affected by movements to positions within the same pay range.
2. An employee must have completed six (6) years of continuous full-time service.

3. An employee must have received the overall performance rating of "meets standards" or better on his latest scheduled performance evaluation on file in the Personnel Department. For those employees who are otherwise eligible for longevity, an employee who receives a below "meets standards" evaluation shall receive another evaluation within ninety (90) days to one-hundred-twenty (120) days, and if that evaluation is "meets standards" or better, he will be eligible to receive the next scheduled longevity payment.

4. An employee must be on full-time active status. Employees on industrial leave shall qualify for this payment for only the first year of the industrial leave. However, the entire period of industrial leave shall qualify as continuous service when the employee returns to active employment.

c. Terms of Payment:

1. Payments will be made within thirty (30) days of the qualifying date.
2. Employees who separate from City employment after the qualifying date but prior to the payment day shall receive the payment in their termination pay.
3. The longevity payment will be included in the regular paycheck instead of being paid in a separate warrant.
4. When a position is reclassified to a higher classification, or when classification is assigned to a higher pay range, incumbents who are receiving longevity pay shall be moved to that step of the new range which corresponds the closest to their combined base pay and previous longevity amount

(incumbent's last semi-annual payment times two), and which does not result in a decrease from that combined amount. The placement in the new range will be limited to the maximum step in the range. If the reclassification or pay range change only results in a maximum possible one-range increase, and the incumbent is receiving longevity pay, he/she will be moved to the top step and continue to be eligible for longevity pay.

Section 7:

Effective January 2003, a new one-half (1/2) step will be added to the pay plan for all Unit 1 job classifications. Employees who have been at the current top step for one year or more will move to the new step in January 2003. Above mentioned employees will also continue to receive longevity pay.

Section 8:

The increase in 2003-2004 total compensation will equal 75% of fiscal year 2002-2003 General Fund revenue growth, however, this total compensation will be no lower than 2% or greater than 5%. * The increase in total compensation will be implemented in two phases.

Phase I Total compensation increase in Phase I will total 2% (regardless of General Fund revenue growth).

- First, the health, dental and life insurance cost increase will be converted to a total compensation percentage, assuming the continuation of already agreed to cost-sharing and will be calculated in the way it has been historically. This will include an increase in the orthodontia benefit to \$4,000. (This cost increase is expected to be known by January 1, 2003, after review and approval by the Health Care Task Force).

- Second, an across the board wage increase will be effective July 7, 2003, as necessary to achieve a 2% increase in total compensation. This increase will be calculated once the Health Care Task Force recommendation is approved.

Phase II Total compensation increase will equal 75% of General Fund revenue growth, less the 2% total compensation increase implemented in Phase I, to a maximum of 5%. Any additional compensation will be effective October 27, 2003.

On September 19, 2003, a report will be submitted to the City Manager by the Budget and Research Department providing detailed information on the fiscal year 2002-2003 General Fund revenue growth and calculating 75% of that growth to determine what, if any, additional compensation is due.

The remainder of total compensation will be implemented in the following order:

- One half (1/2) step carry-over cost
- Sick leave conversion increase from 20% to 25%
- 15 cents additional weekend pay
- Wage increases

*For example, 4% revenue growth will provide for a 3% increase in total compensation. (Note General Fund revenues will be defined by a schedule provided by the Budget and Research Department).

ARTICLE 11 STAND-BY PAY

When a unit member is required and assigned to be available for emergency call back, outside of his regular daily or weekly work schedule, the employee shall be compensated for such stand-by hours that he remained available at two dollars and fifty cents (\$2.50) per hour. Employees serving in stand-by assignments shall be subject to contact requirements as provided for by the Department Head.

ARTICLE 12 SHOW-UP TIME

Except in emergencies, an employee who is scheduled to report for work, has not been notified to the contrary, and presents himself/herself for work as scheduled, shall be paid for at least four (4) hours at the hourly or applicable rate of pay. If work on the employee's regular job is not available for reasons beyond his control, the City may assign the employee substitute work. Where there is substitute work readily available, the opportunity for such work will not be arbitrarily denied.

In the event scheduled work is interrupted due to conditions beyond the City's control, and substitute work is not available to be assigned, affected employees shall be paid for four (4) hours at the hourly or applicable rate of pay, beginning at release, or to the end of the scheduled work shift, whichever occurs first. An employee shall have the option of using either vacation time, accumulated substitute holiday credit, or unpaid leave for the balance of his regular shift.

Employees released hereunder prior to the end of their scheduled shift may be required to stand-by and keep themselves available for immediate call-back during the balance of their scheduled shift (for which time they shall be entitled to stand-by pay under Article 11 hereof). Employees called back to work shall be entitled to their hourly rate of pay only and not any guaranteed minimums for work performed during the balance of their regularly scheduled shift.

Section 2:

Commencing August 1, 1988, the City will implement an Employee Assistance Program, which will provide confidential, individual and family counseling to all unit employees and their eligible dependents. These services will be furnished by an independent contract agency to be chosen by the City.

Section 4:

The City agrees to continue the formalized complaint procedure with respect to the service under all plans.

**ARTICLE 16
DENTAL INSURANCE**

The City agrees to retain the dental insurance plan for unit members and their qualified dependents. The plan shall consist of eighty percent (80%) payment of reasonable and customary charges covered for preventive and diagnostic services, basic services, and major services. The plan shall also include an orthodontia benefit providing for eighty percent (80%) (effective August 1, 1998) payment of reasonable and customary charges up to a maximum lifetime benefit of two-thousand-five-hundred dollars (\$2,500) per person. This plan is subject to the deductibles and limitations contained in the contract between the dental insurance carrier and the City of Phoenix. Effective August 1, 1992, the City shall pay the premium costs for single Unit employees (employee only coverage), and seventy-five percent (75%) of the premium costs for Unit employees and their qualified dependents (family coverage).

Effective August 1, 2002, the City and the union agree to maintain the current dental premium split. Effective August 1, 2003, if there is a rate increase or decrease, the City will pay 100% of the new monthly contribution for single coverage. The City will continue for regular full-time unit members the existing off-the-job and on-the-job life and dismemberment insurance coverage, the face value of the policy being fifteen thousand dollars (\$15,000); in addition the City will pay thirty-thousand dollars (\$30,000) for death in-the-line-of-duty insurance.

The designated beneficiary of a unit member will be paid for all accumulated sick leave hours that remain on the City's official file at the time of a line-of-duty death of the unit member and payment will be based upon the unit member's base hourly rate of pay at the time of death. The beneficiary shall be that person designated on the Employee Declaration of Beneficiary card for the City of Phoenix Group Life Insurance Program on file in the City Personnel Department.

Additionally, the City will provide to each unit member a \$200,000 death benefit covering the unit member's commutation to and from his City work location. This policy will be consistent with the policy negotiated in 1997 with CIGNA Group Insurance, and will cover the unit member's commute for up to two hours before his shift begins, and two hours after his shift concludes. The union will only pay the cost of this benefit the first year of the M.O.U.

In the event of the death of a unit member while commuting to or from his work location, for a period of two hours each way, the City will continue to pay the full monthly health insurance premium for the spouse and all eligible dependents. This policy will be consistent with the terms of the 1997 agreement between the City of Phoenix and CIGNA Group Insurance, for the payment of a supplementary commutation life insurance policy for each unit member. The union will pay the cost of this benefit, if any, the first year of each new M.O.U. Period.

ARTICLE 18 LONG TERM DISABILITY INSURANCE

Pursuant to A.R. 2.323, the City will continue the insurance plan covering long term disability for all permanent full-time unit members, provided, however, that amendments to this A.R. shall not conflict with the express provisions of the M.O.U.

Employees are eligible for coverage after completing one (1) year of full-time continuous employment.

Effective August 1, 1980, after an established three (3) months qualifying period, the plan will provide up to sixty-six and two-thirds percent (66-2/3%) of the employee's basic monthly salary at the time disability occurs and continue up to age seventy-five (75). This benefit will be coordinated with leave payments, industrial insurance payments, unemployment compensation, social security benefits and disability provisions of the retirement plan.

It is understood between the City and the Union that any changes in long term disability insurance benefits and/or rates shall be effective on or about August 1.

ARTICLE 19 JURY DUTY PAY

**ARTICLE 21
GRIEVANCE PROCEDURE**

It is understood by the parties that the benefits granted by this Article shall not be interpreted or applied as requiring the employer to count as time worked, any hours or fractions of hours spent outside the employee's work shift in pursuit of benefits provided by this Article. The employer shall count as time worked any hours or fractions of hours spent within the employee's regular work shift in pursuit of benefits provided by this Article.

Section 1: Informal Resolution

It is the responsibility of unit members who believe that they have a bona fide complaint concerning their working conditions to promptly inform and discuss it with their immediate (non-unit) supervisor in order to, in good faith, endeavor to clarify the matter expeditiously and informally at the employee's immediate supervisor level.

If such informal discussion does not resolve the problem to the unit member's satisfaction, and if the complaint constitutes a grievance as herein defined, the unit member may file a formal grievance in accordance with the following procedure.

Section 2: Definition of Grievance

A "grievance" is a written allegation by a unit member, submitted as herein specified, claiming violation(s) of the specific express terms of this Memorandum for which there is no Civil Service or other specific administrative method of review provided by State or City law.

Section 3: Procedure

In processing a formal grievance, the following procedure shall apply:

Step I

The unit member shall reduce his grievance to writing by signing and completing all parts of the grievance form provided by the City, and submit it to his immediate (non-unit) supervisor designated by the City within fifteen (15) calendar days of the initial commencement of the occurrence being grieved or when the employee has reasonable cause to become aware of such occurrence. Either party may then request that a meeting be held concerning the grievance or they may mutually agree that no meeting be held. The supervisor shall, within ten (10) calendar days of having received the written grievance or such meeting, whichever is later, submit his response there to in writing, to the grievant and the grievant's representative, if any.

Step II

If the response of the first level of review does not result in resolution of the grievance, the grievant may appeal the grievance by completing, signing and presenting the City form to the second level of review (Department Director designated by the City) within ten (10) calendar days of the grievant's receipt of the level one (1) response. Either party may request that a meeting be held concerning the grievance or may mutually agree that no meeting be held. Within ten (10) calendar days of having received the written grievance or the

meeting, whichever is later, the second level of review shall submit his response to the grievance to the grievant and the grievant's representative, if any.

Step III

If the response of the second level of review does not result in resolution of the grievance, the grievant may, within ten (10) calendar days of the second level response, appeal the grievance by completing, signing and presenting the City form to the Grievance Committee. The Grievance Committee shall be composed of:

- | | |
|--------------------|---|
| Chairman - | A member of the City Manager's Office designated by the City Manager. |
| Secretary - | The Labor Relations Administrator or his designee. |
| Member - | The Business Manager of the Union or his designee. |

The Grievance Committee shall, within ten (10) calendar days of receipt of the appeal, schedule a hearing regarding the grievance at which the grievant shall be afforded the opportunity to fully present his position and to be represented.

The Grievance Committee shall, within ten (10) calendar days of the conclusion of the hearing, make advisory recommendation on the grievance and submit it to the City Manager for final determination for those employees who have elected to use this procedure instead of arbitration.

In lieu of such hearing, the grievant and the Union may jointly invoke the following procedure by submitting written notice to the Labor Relations Division within ten (10) calendar days of the second level response.

If the grievant so elects and the parties mutually agree, the grievant may request the assistance of a Federal Mediation and Conciliation Service (FMCS) mediator to try to resolve the issue within a reasonable time. If no resolution is found during this process, the grievant may submit a request in writing within ten (10) calendar days of this finding to invoke the following procedure.

If the grievant so elects in writing within the above time limit, in lieu of such hearing, the grievance may be reviewed by an arbitrator. The parties, or their designated representative, shall agree on an arbitrator, and if they are unable to agree on an arbitrator within a reasonable time, either party may request the Federal Mediation and Conciliation Service to submit to them a list of seven (7) arbitrators who have had experience in the public sector.

The parties shall, within seven (7) calendar days of the receipt of said list, select the arbitrator by alternately striking names from said list until one name remains. Such person shall then become the arbitrator. The arbitrator so selected shall hold a hearing as expeditiously as possible at a time and place convenient to the parties, and shall be bound by the following:

1. The arbitrator shall neither add to, detract from nor modify the language of the memorandum or of departmental rules and regulations in considering any issue before him.
2. The arbitrator shall expressly confine himself to the precise issues submitted to him and shall have no authority to consider any other issue not so submitted to him.
3. The arbitrator shall be bound by applicable State and City law.

The grievance committee or the arbitrator shall submit findings and advisory recommendations to the grievant and to the City Manager. The cost of the arbitrator and any other mutually incurred costs shall be borne equally by the parties.

The City Manager, shall, within fourteen (14) calendar days of the receipt of the written findings and recommendations, make the final determination of the grievance and submit it in writing to the grievant and his/her designated representative.

Section 4: Union Grievance

The Union may, in its own name, file a grievance that alleges violation by the City of the rights accorded to the Union by Article 4. The Union shall file such grievance at Step II of the procedure.

Section 5: Time Limits

Failure of City Management representatives to comply with time limits specified in Section 3 shall entitle the grievant to appeal to the next level of review. Failure of the grievant to comply with said time limits shall constitute abandonment of the grievance. Except however, that the parties may extend time limits by mutual written agreement in advance.

Section 6: Notice to Union of Grievance Resolutions

The City will put the Union on notice of proposed final resolutions of grievances where the Union has not been designated as the grievant's representative for the purpose of allowing the Union to ascertain that a final resolution will not be contrary to the terms of this Memorandum.

Section 7:

The City will not discriminate against employees because of their exercise of rights granted by this Article.

Section 8:

Full-time and part-time employees are covered by this grievance procedure.

Section 9:

Employer grievances, should they occur as a result of official Union activities or actions, including the failure to act as required under this agreement, will be presented directly to the Union president or any officer of the Union within ten (10) days of the date upon which the employer became aware of the situation prompting the grievance. The President, or his designee shall in each case provide a written answer within five (5) days from receipt of the grievance. Unresolved employer grievances may be submitted to arbitration pursuant to Step IV herein; provided, the employer shall bear the cost of the services of the arbitrator.

Section 10: Group Grievance

When more than one Unit member claims the same violation of the same rights allegedly accorded by this Memorandum, and such claims arise at substantially the same time and out of the same circumstances, a single group grievance may be filed in the name of all such members. Such group grievance shall be filed at the Step II of this procedure which provides the next level of supervision having authority over all named grievants. Each Unit member that is a party grievant must be named and must sign such group grievance.

Failure by the City to notify the Union under this Article may be subject to the Grievance Procedure (Article 21) of this Memorandum.

Section 4:

Time worked in a higher class shall not earn credits toward the completion of probationary requirements in the higher class.

Section 5:
