Hello Patty,

I asked Forrest to get the correct numbers for the contract and they are as follows:

	Employee	Board	Total
Employee only (single)	\$35.00	\$233.71	\$268.71
Employee plus one (1)	\$180.00	\$357.42	\$537.42
Employee plus two (2) or more	\$190.00	\$643.00	\$833.00

He also suggested a little language clean up in the x-ray/lab section: "Laboratory and x-ray procedures will be subject to the deductible and applicable co-payments".

This makes it read much the same as the outpatient surgery section just above it.

The only thing Forrest had a concern about was the Single/family deductible. He indicates that the cost savings was calculated on each person reaching the \$400. Plus McCreary can't actually calculate an \$800 split between two people. This isn't a big hang up, but to get the full savings we'd need to delete the last sentence. Let me know what you think.

Thanks,

Dave
