5.2 Neither the F.O.P., nor any of its officers, agents and members, nor any bargaining unit members, covered by this Agreement, will instigate, promote, sponsor, engage in, or condone any strike, sympathy strike, slowdown, sick-out, concerted stoppage of work, illegal picketing, or any other interruption of the operations of the City.

5.3 Each bargaining unit member who holds a position with the F.O.P. occupies a position of special trust and responsibility in maintaining and bringing about compliance with this Article and the strike prohibition in F.S. 447.505 and the Constitution of the State of Florida, Article I, Section 6. Accordingly, the F.O.P., its officers, stewards and other representatives agree that it is their continuing obligation and responsibility to maintain compliance with this Article and the law, including their responsibility to abide by the provisions of this Article and the law by remaining at work during any interruption which may be initiated by others; and their responsibility, in event of breach of this Article or the law by other bargaining unit members and upon the request of the City, to encourage and direct bargaining unit members violating this Article or the law to return to work, and to disavow the strike publicly.

5.4 Any or all bargaining unit members who violate any provisions of the law prohibiting strikes or of this Article may be dismissed or otherwise disciplined by the City, and any such action by the City shall not be grievable or arbitrable under the provisions of Article 6 - Grievance Procedure.

Division of Labor Relations. The Election of Remedy form will indicate whether the aggrieved party or parties wish to utilize the Grievance Procedure contained in this Agreement or process the grievance, appeal or administrative action before a governmental board, agency or court proceeding. Selection of redress other than through the Grievance Procedure contained herein shall preclude the aggrieved party or parties from utilizing said Grievance Procedure for adjustment of said grievance.

6.5 To simplify the Grievance Procedure, the number of “working days” in presenting a grievance and receiving a reply from the different levels of supervision shall be based upon a forty (40) hour, five (5) day workweek, Monday through Friday not including citywide holidays. All grievances must be processed within the time limits herein provided unless extended by mutual agreement in writing.

Any grievance not processed in accordance with the time limits provided above or not supplemented by a completed and signed Election of Remedy form shall be considered conclusively abandoned. Any grievance not answered by management within the time limits provided will automatically advance to the next higher step of the Grievance Procedure. Where a grievance is general in nature in that it applies to a number of bargaining unit members having the same issue to be decided, or if the grievance is directly between the F.O.P. and the City, it shall be presented directly at Step 3 of the Grievance Procedure, within the time limits provided for the submission of a grievance in Step 1, and signed by the aggrieved bargaining unit members or the F.O.P. representative on their behalf. The Election of Remedy form as provided in Section 6.4 of this Article must be completed and attached to grievances presented directly at Step 3.

When the Election of Remedy form indicates the grievance is to be advanced through the Grievance Procedure, the bargaining unit member or the F.O.P. representative shall reduce the grievance to writing on the grievance form provided for this purpose and present such written grievance to the Department Head or his designee within five (5) working days from the time the response was given at Step 1. The Department Head or his designee shall meet with the bargaining unit member and/or the F.O.P. representative and shall respond in writing to the bargaining unit member and the F.O.P. within seven (7) working days from receipt of the written grievance.

Step 3.

If the grievance has not been satisfactorily resolved in Step 2, the bargaining unit member or the F.O.P. may present a written appeal to the City Manager or the Labor Relations/Deputy Director, Department of Employee Relations within seven (7) working days from the time the response was given at Step 2. The City Manager and/or the Labor Relations/Deputy Director, Department of Employee Relations shall hold a grievance hearing with the bargaining unit member and/or the F.O.P. representative. The City Manager and/or the Labor Relations/Deputy Director, Department of Employee Relations shall respond in writing to the bargaining unit member and the F.O.P. within ten (10) working days from the receipt of appeal.

Step 4.

1. If the grievance is not settled in Step 3, it may upon written request of either the Bargaining unit member, Employee Organization or the City within seven (7) working days after receipt of reply or answer be referred to arbitration by the Arbitrator.

5. Copies of the award of the arbitration made in accordance with the jurisdiction or authority under this Agreement shall be furnished to both parties within thirty (30) days of the hearing and shall be final and binding on the aggrieved bargaining unit member(s), the F.O.P. and the City.
6. The Arbitrator shall be selected by agreement of the parties. In the event the parties cannot agree upon an Arbitrator, the Federal Mediation and Conciliation Service shall be requested to nominate five (5) persons for such position. Each party may reject such list in its entirety. If a list is not so rejected, names shall be stricken alternately, the party striking first to be determined by the toss of a coin.

6.9 Effective upon ratification of the labor agreement, the City agrees to pay the F.O.P. up to forty thousand dollars (\$40,000) per fiscal year for representation of its bargaining unit members.

The parties agree that this process is intended to provide the bargaining unit member with these paychecks without interruptions.

Should the bargaining unit member refuse to return the workers' compensation check to the City, the City shall cease making any deductions for the bargaining unit member from the second check for pension, health insurance, etc. and the bargaining unit member shall then be completely responsible for making those payments on his/her own, until the bargaining unit member elects to participate in the paycheck system described above in Section 9.1.
