Section 1: Sick Leave
All full time employees, either ten- or twelve-month, shall be entitled to one (1) sick day per month of employment without diminution of salary because of personal illness or illness in the immediate family, cumulative to 192 sick days.

Each permanent part-time employee (other than substitutes) shall be entitled to one (1) sick day per month without diminution of salary because of personal illness or illness in the immediate family, cumulative to 115 sick days. The length of the sick day is the regular workday of the employee. This includes all bus drivers who drive a minimum of two (2) regular runs per day on a regular basis, and employees that work a minimum of fifteen (15) hours per week on a regular basis.

If a pattern of absence is shown by use of Mondays and Fridays, before and after holidays or recess periods, or shows repetitive and/or extended absences, the District may require a doctor's certificate. Sick days may not be used to extend a vacation or holiday, or to simply “take a day off”.

Page 5
Immediate family shall be defined as husband, wife, children, grandchildren, parents, in-laws, sister, brother, grandparents of employee or spouse, and persons residing in the employee’s house. The definition of immediate family also includes dependent children living in the unit member’s household receiving primary financial support from the unit employee.

During the first 14 weeks of employment, each unit employee may earn and accrue one (1) sick leave day per month of employment; however, no paid sick leave may be taken during this 14-week period.

Each bargaining unit member may use up to twenty (20) sick days from his/her accumulated total for illness in the immediate family.

Sick time must be taken in increments of one-half hour.

Section 2: Bereavement

Upon submission of the form for the payment for time off for bereavement, the employee is to submit a signed statement as to the name and relationship of the deceased relative. This statement may be placed on the appropriate form for the employee to submit to the business office.

Section 3: Sick Leave Bank
A sick leave bank has been established for use by the employees in the bargaining unit. The following procedures shall be followed in respect to the establishment and administration of this bank:

1. Membership in the sick leave bank shall be on a voluntary basis. Enrollment is to take place in September of each year or within thirty (30) days of employment.

2. Each participating employee must contribute two (2) of his/her personal sick leave days for the initial establishment of the bank. Replenishment of the bank shall take place each September and may require additional contributions from participating employees up to a maximum of two personal sick days per employee.

3. For the purpose of the sick leave bank calculation, personal sick leave days shall be valued at one (1) full day for employees working six (6) or more hours per day and ½ day
for employees working less than six (6) hours per day. (Example: If two 6-8 hour
employees and two less-than-six hour employees each initially contributed two days to
the bank, the bank would then contain six full days.)

4. There will be a committee formed to determine a sick leave bank member’s eligibility to
use the bank. This committee shall consist of the Superintendent, an administrator, and
two CSEA employees.

5. In order for a participating member of the sick leave bank to be eligible to use the bank,
s/he must have, prior to use, used up all his/her personal sick leave. The illness or
disability must be of a serious or catastrophic nature or other appropriate purposes, and
must be for at least ten (10) work days duration. The sick leave bank may not be used to
supplement workers’ compensation benefits or for natural disabilities. Benefits will be for
employee sick bank member only and will not include use for family member illness, etc.
The decision made by the committee will be final with no grievance allowed.

6. Whenever possible, request of sick leave bank days shall be made ten (10) days in
advance. Requests shall be made in writing to the Superintendent or his/her designee.

7. If eligibility requirements are met to the satisfaction of the sick leave bank committee, an
employee may use up to a maximum of twenty days from the bank annually. Each day
shall be equal to the employee’s workday.

ARTICLE VII
LEAVES OF ABSENCE

Section 1
The Board of Education may, at its discretion, grant an employee a full leave of absence without
pay not to exceed one year to a unit employee who has successfully completed the probationary
period.

Application for this leave will be made in writing to the Superintendent thirty (30) days prior to
the commencement of the requested leave. If the employee wishes to maintain his/her medical
insurance, s/he may do so by paying the same rate as the Board pays for other employees within
the unit but at no expense to the District.

Upon the expiration of such leave of absence, the employee shall be reinstated to the same or
similar position which s/he occupied at the time the leave was granted with the restoration of all
benefits previously enjoyed if said position exists. The employee must work at least six (6)
months during the fiscal year in which the leave of absence is granted in order to receive the
negotiated increase in wages at the beginning of the next fiscal year.
Section 2: Unpaid Leave
The District will grant an unpaid leave of absence up to one year due to disability (resulting from occupational injury or disease as defined in the Workman’s Compensation Law) or for military service. The District will pay health insurance premiums at the same rates as if the employee was not disabled or on military leave.

Short-term unpaid leaves may be granted only in extenuating circumstances if recommended by a supervisor and approved by the Superintendent.

Section 3: Pay Deductions for Absences
Hourly employees will have the hourly rate times the number of hours absent deducted from their wages for time taken beyond the allotted leave time. All applicable allotted leave time must be used first, except in the case of emergency closure days. Employees may not use "no pay days" for vacation.

A unit member must submit the District’s form to the immediate supervisor at least three (3) work days in advance to use an unpaid absence from work. “No pay” days will be approved or denied by the Superintendent or designee.

Section 4: Personal Days
The District will grant to each unit employee two (2) personal days per year. After ten (10) years of service a unit employee will be granted three (3) personal days per year.

Personal business days must be requested three (3) days in advance and may only be used for the following reasons: medical; weddings (within immediate family); graduation of child, spouse or self; paternity; legal business; funeral or memorial service, or to attend to his/her child’s education (ex. field trips, meetings with teachers). Personal days may not be used for vacationing, extending a holiday period, shopping, recreational activities, personal convenience, hunting, fishing, or other field activities. The District reserves the right to monitor personal business days. The use of personal leave shall be at the discretion of the Superintendent. Up to one day of personal time may be used without specifying a reason on the request form.

Employees will be allowed to use personal days without the 3 day advance notice in the event of emergencies. The emergency must be specified on the request form. Unused personal leave shall be converted to sick leave accumulation at the end of each school year.

No personal leave may be taken by new employees during the first 14-week period of employment.

On a case-by-case basis for extenuating circumstances, the Superintendent may grant unpaid personal time beyond the allotted days and/or grant personal time for reasons other than those stated above.

Personal time must be taken in increments of one hour.
Section 5: Emergency Closings

All unit members are entitled to three (3) district emergency closure days (ex. snow days) with pay per school year. The length of the “day” will be equal to their normal work day. Unit members wanting to take off more than the three district emergency closure days may do so using personal time, vacation time, or “no pay” days. If buildings/grounds personnel are required by his/her supervisor to work on any district emergency closure day, s/he will be paid double time for actual hours worked. No other compensation will be given (ex. “comp time”).

If only one emergency closing is used during the school year, unit members will have one additional paid holiday on the Friday before Memorial Day. If no emergency closings are used, unit members will have two additional paid holidays; however, this time must only be scheduled when school is not in session and will be determined collaboratively with the unit president and the superintendent.

Ten-month and twelve-month unit employees may be excused in “early dismissal” or “delayed opening” situations caused by district emergency conditions when they are not needed at work. The employee has the option to stay at work if the Superintendent determines it is safe to do so, and will earn his/her regular rate of pay. If s/he chooses to leave, the employee must use personal time or “no pay” time for the hours missed. The time lost cannot be made up at a later date. If needed at work, the employee must stay at work.

The Superintendent reserves the right to release employees early or instruct them to come in later, with no reduction in pay and no use of personal time if s/he deems it unsafe to travel or be in the school. Such decisions will be made on a case-by-case basis.

ARTICLE VIII
CSEA MEETINGS

Three (3) days of time off with pay shall be granted to the president or his/her designee by the Superintendent to attend official union functions. The Unit President shall have one (1) hour per week to be used for Unit Union business as needed. The President and Superintendent of schools shall agree on when the one (1) hour will be taken.

ARTICLE IX

Each part-time employee covered by this agreement who retires while employed by the Newfield Central School District will be compensated at $20.00 per day for each day of sick leave that the employee has accumulated at the effective date of the employee’s retirement, up to 105 days.

In order to be eligible for this benefit, the employee must be eligible to retire according to the rules and regulations of the New York State Employee’s Retirement System and must give written notice to the District no later than ninety (90) days prior to the effective date of the employee’s retirement.

ARTICLE X
SENIORITY, LAYOFF, RECALL

Section 1
Seniority shall commence under the date of first hire by the Newfield Central School District.

Section 2: Layoff and Recall
The employer agrees to a seniority preference list regarding layoffs and recalls to work. Said layoff and recall shall be based on seniority with full time and part time employment differentiated. When an occupied position in the non-competitive or labor class within the bargaining unit is abolished, layoff shall be made from those employees within the same job classification. The procedure set forth in this section applies only to non-competitive and labor class employees in the unit. Competitive class employees are covered by the Civil Service Law and local Civil Service rules as to layoff and recall and the contract provisions do not apply to competitive class employees.

The layoff shall be in the inverse order of the employee’s seniority date. The least senior employee shall be the first laid off. Conversely, the last laid off employee shall be the first recalled.

Any non-competitive or labor class employee in the District whose position is abolished or hours are reduced shall have the right to displace the least senior person within the same job classification.

1. A laid-off person shall be placed on the Preferred Recall List (“the list”) for a period of four (4) years, dating from the effective date of the layoff.

2. Vacant positions will be offered to laid-off persons on the list in writing as they become available, starting with the first name on the list and proceeding through the list until the position is accepted. Only after all persons on the list have declined the position will it be posted as a vacancy.

3. A laid-off person shall remain on the list until s/he is offered a permanent position that is equal to or greater in number of hours to the position from which s/he was laid off. Once a laid-off person has declined a permanent position of equal or greater hours, his/her
name will be removed from the list and s/he will lose all rights to future positions. This will be clearly communicated in writing before s/he declines.

4. If a laid-off person accepts a position with the District that is temporary, or is not at least equal to the number of hours of the position from which s/he was laid off, s/he would remain on the list for up to four (4) years and continue to be offered positions until made whole, or until the expiration of a four (4) year period.

Section 3
A resignation constitutes a break in employment and causes a loss of seniority to the unit member. A break in employment of one (1) year or less, other than a resignation, shall not cause a loss of seniority. An employee who is rehired after one (1) year will be considered to be a new employee and will not carry over any benefits from his/her previous employment.

A paid leave of absence (i.e. use of paid sick, vacation or personal time) or an unpaid leave of absence of thirty (30) days or less shall not cause a loss of seniority as defined by the hire date, except in the event of a tie. Any unpaid leave of absence totaling more than thirty (30) days in a fiscal year will be taken into account when calculating seniority. In the event of a tie between two or more individuals, Board Policy #9260.3 will be followed.

ARTICLE XI
DISCIPLINE PROCEDURE

The employer agrees that all employees in the bargaining unit, upon the completion of three years of service, shall be accorded the same rights the competitive employees receive under the provisions of Section 75 of the Civil Service Law as it relates to removal, suspension, and discipline.

When conducting school business, the current Internal Revenue Service rate for mileage will be paid for use of personal vehicle only if a school vehicle is not available. If a school vehicle is available and the individual elects to use his/her own car, the Board of Education will pay thirteen cents (.13) per mile.

2. If a space/room is provided, the CSEA agrees that it does not and cannot have exclusive rights to use nor control of this space/room and the space/room. The space/room remains the property of, and its use is controlled by the School District.

4. It is understood that, except as authorized by Article VIII, union business may not be conducted during work time in this space/room.

5. If the District determines that this space/room must be locked or secured, a key may be issued at the District’s discretion for this room/space to duly authorized unit member representative as designated by the CSEA unit president.

Section B: Employer Rights

The CSEA recognizes the employer’s right to manage the School District and to direct its employees toward the objectives of the District.

Section 7
After July 1, 1993, all new bus drivers must work 20 hours per week to be eligible for health insurance benefits. Any bus driver hired before July 1, 1993 and who is currently receiving health insurance will continue to receive health insurance unless s/he voluntarily reduces his/her hours of work through voluntary transfer or a request for reduction of work hours.

Section 8
The District shall make available a dental plan to unit members. Employees will pay one hundred percent (100%) of the premiums. Other dental plans may be referred to the joint Labor/Management Committee for review of benefit comparisons and costs.

Section 9
The District agrees to make available the opportunity to set up flexible spending accounts for unit members which may be used for the unit employee’s share of health insurance premiums, for un-reimbursed medical expenses, and for dependent care. Any such accounts will be required to meet all state and federal tax laws and regulations. With regard to un-reimbursed medical expenses, the maximum amount of money which may be allocated shall be $3,000 per plan year.

The District agrees to pay the startup administrative costs and the CSEA agrees to help the District sign up as many participants as is reasonably possible to keep the administrative costs down. If the net cost to the School District is more than $250 for the first full plan year, the CSEA and the District agree to meet to renegotiate the issue of the cost of administration.
Section 10
Coordination of benefits. Those eligible unit members who are married to another District employee agree that each such couple may, according to the eligibility requirements of the insurer, elect one (1) family plan, one (1) two-person plan (if offered), or two (2) individual plans; however, it is agreed that each such unit member in such situation may not elect two (2) family plans, or one (1) family plan and one (1) individual plan, or one (1) two person plan and one (1) individual plan.

Section 11
1. In order for unit employees to be eligible for health insurance at the time of their retirement, they must have fifteen (15) years of service with the Newfield Central School District, and be employed by the District at the time of their retirement.

2. A unit member must be enrolled in the District’s health care plan at the time of retirement in order to be eligible for health care in retirement.

3. The health insurance premium paid by the District for eligible retirees will be frozen at the amount paid by the District at the time of the unit employee’s retirement. The retired unit member is responsible for the remainder of any cost for health care in retirement.

4. If during negotiations, there is an agreement that the amount paid for by the District for retirees is less than the amount of money then being paid on behalf of any eligible retiree, then the newly negotiated amount paid by the District, if less than what is then being paid to a retiree, will become the maximum amount of money to be paid that the District will pay for each retiree.

5. If the unit member takes a two-person or family plan at the time of retirement, the former unit member, during retirement, may change enrollment to a single plan at the option of the retired unit member and in compliance with the terms of the plan. If a unit member retires taking an individual plan, the retired unit member may not thereafter change to a 2-person or family plan. If a unit member retires and takes a family or 2-person plan and should the former unit member thereafter die, leaving a spouse, the former unit member’s spouse may utilize COBRA rights to obtain a health care plan, and must pay the entire cost of the health care plan.

6. It will be the retiree’s responsibility to make payments to the District for the difference between the District’s maximum contribution and the actual cost for the health care plan. The retiree shall make a quarterly payment on or before every calendar quarter, i.e. January 1, April 1, July 1 and October 1.

Section 12
The employee annual deductible for the District’s health care plan is to be $100 individual/ $300 family and two person plans.

Section 13
Benefits will remain at the current level or better as of July 1, 2011.
ARTICLE XXI
WAGES & SALARIES

A. Wages

1. Each newly hired unit employee will be hired at the starting rate of pay and will remain at that rate for a minimum of six months. Pay raises, if any, will take effect on July 1st of each year. Exceptions for starting pay that take into consideration the experience and skill level of a new employee may be made by the Superintendent.

2. 2011-12 School Year. Each returning unit member (i.e. not a new employee who is handled in 1, above) is to receive an increase in hourly pay over that rate of pay for the 2010-11 school year of twenty-five cents ($0.25) or 1.95% of the hourly pay rate, whichever is greater. All current employees below the starting rate will have their salaries adjusted to the new starting rate of pay. Raises for these employees will then be based on the new starting salary.

3. 2012-13 School Year. Each returning unit member (i.e. not a new employee who is handled in 1, above) is to receive an increase in hourly pay over that rate of pay for the 2011-12 school year of twenty-five cents ($0.25) or 2.25% of the hourly pay rate, whichever is greater.

4. 2013-14 School Year. Each returning unit member (i.e. not a new employee who is handled in 1, above) is to receive an increase in hourly pay over that rate of pay for the 2012-13 school year of twenty-five cents ($0.25) or 2.50% of the hourly pay rate, whichever is greater.

5. All ten-month employees’ salaries shall be divided equally and paid bi-weekly from the first pay period after the start of the school year to the last pay period in June. For the term of the probationary period, every newly hired unit employee, be they 10-month or 12-month is subject to being paid on the basis of actual hours worked and not on an annualized basis. Ten-month employees who exceed their allotted leave time will be paid on the basis of actual hours worked and not on an annualized basis for the duration of that school year.

6. Beginning in 2012-2013, annual raises will be calculated after the addition of any longevity increment has been applied to the base salary.

D. **Paycheck Information**

Information with regard to codes that are used on unit member paychecks will be available in the business office.
E. Bus Driver Items

a. All drivers shall receive an hourly wage for actual hours worked.

b. The Transportation Supervisor may assign Special education runs or “other special” (ex. BOCES midday run and pre-kindergarten) runs.

c. Bus drivers will be allowed to bid on any remaining bus routes annually by seniority. Bidding will take place prior to the start of school.

d. Drivers shall be permitted to “bump” the least senior driver on a special education run or “other special” run in the event that their special education run or “other special” run is eliminated.

e. The District reserves the right to reassign bus drivers to different routes based upon considerations of discipline and/or safety.

f. Middle of the day runs shall be guaranteed a 1.5 hour minimum.

g. Field trips – Bus drivers will be compensated at the rate of $11.50 per hour for extra trips, with a minimum of $23.00 per trip.

If a driver drives a field trip during the time s/he would be on his/her regular run, the driver will be paid for the actual amount of time lost from the regular run at his regular hourly rate. The field trip rate will commence with the expiration of the actual amount of regular run time.

Field trips and non-school trips shall be offered to all drivers by establishing two concurrent lists of drivers in alphabetical order by drivers’ last name (two drivers with the same last name would also use the first letter of their first name). The alphabetical list offering field trips should include substitute drivers. The first driver on the first list shall be offered the first field trip, then the next driver the next trip, until the list is exhausted, in rotation. If a driver refuses a trip, it will count as a trip taken and the first driver on the second list will be offered the trip. Drivers may switch trips with the approval of the Transportation Supervisor.

Drivers who drive on field trips which require six to ten hours are to be compensated for meals up to $6.75 per meal, not to exceed $13.50 per day, upon submission of a claim form and meal receipt.

Pay for showing up for a cancelled field trip or athletic trip without notification will be $11.50. Notice will be given as soon as possible, but not later than one hour before the scheduled departure time. Notice will be considered given with one phone call to the driver’s home telephone number.
h. Regular bus drivers who substitute for another regular driver on a regular run will be paid at his/her regular hourly rate.

i. Each bus driver or full time employee who attends a mandatory training session will be paid a maximum of two hours at his/her regular hourly rate for up to three sessions per year.

F. Assignment to Higher Title

Effective on July 1, 2009, but not to be retroactive, a unit employee who is assigned to serve in a higher title will be paid at the starting hourly rate of pay for the higher position or an additional $0.25 cents per hour, whichever rate is less, provided:

a. The unit member serves in the position at least fifteen (15) consecutive work days (excluding all periods of vacation), and

b. The assignment is made in writing by the Superintendent or designee. Both the applicable supervisor and the Association have the responsibility to bring the situation to the attention of the Superintendent so that s/he has an opportunity to either make the written assignment of out of title work or not, and

c. The employee will be obligated to perform whatever duties and responsibilities fall within the higher paid title when required to do so.

d. The additional payment will not be made when the duties assumed by the employee in the lower title may also be assigned as part of the job of the lower title as well as the employee in the higher title.

e. If conditions in a, b, c, and d above are met, the employee will receive the higher pay for the 16th consecutive workday, retroactive to the first (1st) day continuing for the time of the assignment.

f. This payment will not be made for any period of work to replace a unit member who is on vacation leave. For clarification, the word vacation as used here means vacation leave for the unit employee and not school recess periods for students. For example, if a custodian is out sick for a period of 30 consecutive work days during the summer recess period and a cleaner has been assigned to perform the higher level of duties and responsibilities associated with the job of a custodian, the cleaner will receive an increase in pay of $0.25 per hour.

3. A bargaining unit member may cancel the direct deposit authorization at any time by written notice that is received by the District at least two (2) weeks prior to the effective pay period.
