When an employee is advised that he has been using excessive sick leave and abuse is suspected, the sick leave usage record in question will be outlined in a warning memorandum and the employee may be requested to submit medical evidence when additional sick leave is used. An employee, on his return to work, who is required to submit a physician's statement concerning sick leave used, will be allowed five (5) days to produce this after his return to duty.

The Village will continue to pay the retired employee’s health insurance premiums subsequent to the date of retirement, until the resulting lump sum is exhausted. After a retired employee has exhausted all his or her accumulated sick days toward paying health insurance, the Village will allow the retired employee to remain in the Village’s health insurance program by allowing the retired employee to pay the premium for continuing coverage.
