AFL-CIO

This agreement entered into by the Village of Geneseo, New York, hereinafter referred to as the "EMPLOYER", and the Geneseo Police Benevolent Association, Council 82, AFSCME, AFL-CIO, hereinafter referred to as the "UNION", has as its purpose the promotion of harmonious relations between the "EMPLOYER" and the "UNION", the establishment of an equitable and peaceful procedure for the resolution of differences, and the establishment of rates of pay, hours of work, and other conditions of employment.

June 1, 2010 - May 31, 2014
ARTICLE 1

The Employer recognizes the Union as the sole and exclusive representative for all "employees employed by the Geneseo Police Department" for collective bargaining negotiations with respect to the establishment of salaries, terms and conditions of employment and the administration of grievances for the term of this agreement. For the purposes of the agreement, an "employee" or "employees" are those employees in the titles of police officer, including an Intermediate Supervisory Officer (ISO), and similar titles created hereafter determined by either mutual agreement of the parties or the Public Employment Relations Board from time to time as being in the unit.

ARTICLE 2

UNION SECURITY

2.1 PLEDGE AGAINST COERCION

The Employer and the Union agree not to interfere with the rights of the employees to become members of the Union and that there will be no discrimination, interference, restraint, or coercion practiced by the Employer or any Employer representative against any employee because of his Union membership, or non membership, or because of such employee's activity in any official capacity on behalf of the Union.

2.2 CHECKOFF OF UNION DUES AND OTHER DEDUCTIONS

2.2.1 All members of the Union covered by this agreement shall tender their membership dues to the Union by signing the authorization for payroll deduction of the Union dues form provided by the Union.

2.2.2 The Employer understands that the Union has the exclusive rights of dues deduction and agrees to deduct such Union membership dues in accordance with the amount certified by the Union from the pay of those members who have executed such payroll deduction authorizations, and to maintain such deductions for the term of this agreement.

2.2.3 The Employer understands that the Union has the exclusive right of payroll deductions of premiums for all Union sponsored insurance programs, and also agrees to make a separate deduction for such insurance programs which are currently available or will become available to Union members. The Employer will maintain such deductions in accordance with the terms and
conditions appearing on the appropriate authorization form provided by the Union or appropriate agency by the Union.

2.2.4 Payroll deductions of the Union dues and Union sponsored insurance programs required or authorized by the employees shall become effective at the date that the appropriate form, if any, designates, or, if none, when it is signed by the employee and delivered to the Employer. All deductions shall commence at the beginning of the next payroll period.

2.2.5 The aggregate totals of all Union dues deductions and the aggregate totals of all insurance deductions shall be remitted separately each payroll period together with a list of names of those employees from whom such deductions have been made to:

Union Dues: Security & Law Enforcement, Council 82
63 Colvin Ave., Albany, NY 12206

Insurance Premiums: As per card designations

2.2.6 Any changes in the amount of Union dues to be deducted must be certified by the Union in writing and forwarded to the Employer. Implementation of any such changes shall be accomplished by the next payroll period.

2.2.7 Agency Shop - During the term of this Agreement deductions shall be made from the wages of any employee of the bargaining unit who is not a member of the Union in an amount equivalent to the dues levied by the Union. Such amount shall be deducted and transmitted to the Union in accordance with provisions 2.2.5 of the present Agreement.

2.3 ACCESS TO PREMISES

The Employer agrees to permit a representative of the Geneseo Police Benevolent Association, Council 82, and/or the International Union, on an exclusive basis, to enter the premises of the Employer at any time for the discussion of working conditions, explanation of Union membership, service and programs with employees, and communication with other officers and stewards of the Union, provided such discussions do not unduly interfere with the performance of the duties assigned to the employees.

2.4 BULLETIN BOARDS

The Employer agrees to provide a 3' x 4' bulletin board for the exclusive use of the Union for the posting of notices relating to Union meetings and official Union business only. The
Union agrees not to post on such bulletin board any material which is defamatory, obscene, scandalous or scurrilous.

2.5 **UNION ACTIVITIES ON EMPLOYER'S TIME AND PREMISES**

The Employer agrees that during working hours and for reasonable periods of time on the premises of the Employer, an employee designated as the Union representative or his designee and whose names have been submitted to the Chief of Police and the Village Board of Trustees in writing by the local Union or the Council, shall be permitted, without lost of time or pay, to consult with and transmit communication to the Employer, his representative, or other representative of the Union, concerning the enforcement of any provisions of this Agreement.

2.6 **CONTRACT NEGOTIATIONS**

The Employer will give time off with no loss of time or pay, if such time is during regular scheduled work hours, for two (2) employee members of the local Union contract negotiating committee to participate in contract negotiations.

2.7 **UNION BUSINESS LEAVE**

The Employer agrees to permit one (1) member of the Union who is elected or designated to attend any convention or Executive Board meeting of the International Union, Council 82 State AFL-CIO or local central Labor Council, to attend such functions without pay, provided that a request for such leave is made by the Union to the Chief of Police no less than five (5) days prior to the date that the function is scheduled.

2.8 **JOINT LABOR RELATIONS COMMITTEE**

To facilitate communications between the parties and to promote a climate conducive to constructive employee relations, a joint labor relations committee shall be established to discuss problems of mutual concern. The size of the committee shall be limited to the least number of representatives needed to accomplish its objectives. Committee meetings shall be held upon mutual consent of the parties, as often as is necessary. The time, date, and location for such meetings shall be made in advance with an agenda being submitted at least one (1) week prior to the mutually agreed upon date. The meeting shall be held at reasonable hours mutually agreed upon by the parties. Employee committee members acting on behalf of the Union shall suffer no loss of time or pay as a result of attending such meetings during their regular work hours.
2.9. RULES AND REGULATIONS
2.9.1 It is understood and agreed that until new rules and regulations are adopted by mutual agreement of the parties, all employees shall comply with any existing rules and regulations that are not in conflict with the terms of this agreement.
2.9.2 Should no mutual agreement be reached on any rule or regulation, the Employer shall have the right to implement such rule and regulation; however, any dispute arising over the reasonability of such rule or regulation or the manner of application will be subject to the grievance and arbitration procedure.

ARTICLE 3
GRIEVANCE AND ARBITRATION

3.1 GENERAL
3.1.1 It is the intent of this article to provide an orderly, expeditious procedure for the processing and settlement of all grievances between employees and the Employer or between the Union and the Employer. It is agreed, therefore, that should any grievance occur over the meaning, application, and interpretation of this Agreement or any other matter defined as a grievance under Article 16, Section 682 of the General Municipal Law, the grievance and arbitration procedure set forth in the appropriate sections of the Article shall be the only manner by which such grievances may be settled.
3.1.2 It is understood that no provisions of this agreement shall be interpreted to require the Union to represent an employee at any stage of the grievance procedure if the Union does not consider the grievance with merit.

3.2 MATTERS RELEVANT TO THE GRIEVANCE PROCEDURE
3.2.1 The time limits set forth in this Article shall be strictly adhered to. However, they may be extended by mutual agreement of the parties in writing.
3.2.2 Any step of the grievance procedure may be waived by mutual agreement of the parties in writing.
3.3 **UNION STEWARDS**

An employee selected by the Union to act as a Union representative shall be known as a "steward". The name of an employee selected as a steward and the names of any other Union officer and/or representative who may also represent employees shall be certified in writing to the Employer and the Chief of Police by the local Union Unit.

3.4 **RIGHTS OF THE PARTIES**

3.4.1 Either party shall have access upon request to any written statements or records which will be presented as evidence by the other party at any hearing provided by this agreement in advance of the date of such hearing. A request for evidentiary written statements and records must be made at least fifteen (15) working days before the arbitration, or it is waived, and if requested at least fifteen (15) working days in advance, the other party must provide the documentation within at least ten (10) working days of the request.

3.4.2 Aggrieved employees, necessary employee witnesses, and their local representative shall not suffer any loss of time or pay, or be required to charge leave credits as the result of attending hearings during their regular working hours. Reasonable and necessary time spent at arbitration proceedings and any other proceedings that have to do with the administration of this Agreement, during such employees' regular working hours shall be considered as time worked for all purposes. It is understood and agreed that all grievance hearings shall be scheduled to be held during such employees' regular working hours, or if not possible, as close to their regular work shift as is reasonably possible.

3.4.3 An employee shall not be coerced or intimidated, or suffer any reprisal, either directly or indirectly, by either party, including changes that may adversely affect his hours, wages, or working conditions, as the result of his exercising rights guaranteed by the agreement.

3.4.4 Staff representatives of Council 82 may participate at any step of the grievance procedure.

3.5 **GRIEVANCE PROCEDURES STEPS**

**STEP 1** The Union steward, or other authorized representative of the Union, with or without the aggrieved employee, shall present the grievance in writing to the Chief of Police, who shall render his decision orally or in writing to the Union steward or other authorized representative of the Union within two (2) work days after its presentation to him. Such
grievance must have been presented within thirty (30) calendar days of the date it occurred or was known or should have been known to occur.

**STEP 2** If the grievance is not resolved at STEP 1 within the time limits set forth above, or no answer is forthcoming, the grievance may, within ten (10) work days of the date such answer is received or should have been due, be submitted in writing by the local unit President or his designee to the Board or its designee, who shall hold a meeting with the authorized representative of the Union not later than five (5) work days after the date of receipt of the grievance. Any answer or decision on the grievance shall be in writing and be transmitted to the Union's local unit President or his designee within five (5) work days after the date that such meeting was held.

**STEP 3** If the Union is not satisfied with the decision at STEP 2, or no decision is forthcoming, the Union may, within fifteen (15) work days of receipt of the second step answer or from the date that such answer would have been due, refer the matter to the Arbitration step in the manner set forth in Section 3.6 below.

### 3.6 ARBITRATION PROCEDURE

3.6.1 If the Union appeals the grievance to arbitration, a copy of the request for arbitration shall be mailed by certified mail to the Mayor or a designated representative at the same time. The selection of the Arbitrator, who will make the final determination of the grievance, shall be made by the parties from a list submitted by the American Arbitration Association in accordance with the Voluntary Labor Arbitration Rules of the American Arbitration Association except as they are modified herein. The Arbitrator selected shall be requested to hold a hearing at a time and place convenient to the parties within twenty (20) calendar days of his acceptance.

3.6.2 In the event a dispute develops over whether or not the grievance is arbitrable, it is understood and agreed that the Arbitrator shall first make that determination. Once the Arbitrator has determined that a grievance is arbitrable, he shall then proceed in accordance with this Section to determine the merits of the grievance being submitted to Arbitration.

3.6.3 The Arbitrator's decision shall be final and binding upon all parties subject to the provisions of Section 7511 of the New York State CPLR, however, he shall not have the power to amend, modify or delete any provision of this agreement.
3.6.4 The expenses and fees of the Arbitrator and the fees of the American Arbitration Association shall be shared equally by the parties.

ARTICLE 4
DISCIPLINE

4.1 EXERCISE OF RIGHTS

4.1.1 It is understood and agreed that the only procedure for imposing disciplinary actions or measures against employees covered by this Agreement shall be as set forth in the following sections of this Article, which, also, in lieu of any other provisions of the Civil Service Law and the Village Law, shall apply to all employees who would otherwise be covered by those provisions.

4.1.2 Disciplinary measures or penalties shall include only written reprimands, suspensions (not in excess of thirty (30) days), demotion and dismissal. It is understood and agreed that if the Employer has any reason to orally reprimand an employee, it shall be done in a manner that will not unduly embarrass the employee before other employees or the public, and that all discipline shall be applied in a progressive manner.

4.1.3 In any case where a disciplinary penalty is imposed upon an employee, the Employer shall notify the employee, and the Union's local unit President in writing of the specific reasons for such disciplinary action. The written notification shall also indicate that one (1) copy has been sent to the Union's local Union President. Notification to the Union shall be sent at the same time the notice is sent to the employee, or, if hand delivered to the employee, within twenty-four (24) hours of the time that the notice is given to the employee.

4.1.4 It is understood and agreed that any employee covered by this agreement shall be entitled to Union representation at any hearing stage of a disciplinary proceeding. Such employee shall be notified of his rights under this section within a reasonable period to the date of such meeting or conference is to be held.

4.1.5 No employee shall be required to sign any statement of admission of guilt to be used in a disciplinary proceeding without having Union representation, nor shall such employee be required to take a polygraph examination.
4.1.6 An employee may be suspended without pay prior to implementation of disciplinary action under the appropriate section of this Article only if there is probable cause to believe that the continued presence of the employee on his job assignment represents an actual danger to other persons or property, or would interfere with the operations of the Department. However, if such suspension is meted out, whether or not such suspension is a prelude to a proposed dismissal, prior to the implementation of the disciplinary grievance procedure of this Article, such determination shall be reviewable by the Arbitrator, should the matter become the subject of an arbitration procedure in accordance with this Agreement.

4.2 DISCIPLINARY PROCEDURE AND APPEALS

4.2.1 Whenever the Employer believes there is sufficient cause for a disciplinary penalty to be imposed upon an employee and notification is given that such action will be or has been taken, the disciplinary decision may be appealed through the Union and be processed in the same manner as set forth in the grievance and arbitration procedure of this agreement, except that the initial appeal shall be presented at STEP 2 within eight (8) calendar days of the employee's receipt of such notification. It is understood and agreed that the burden of proof in any disciplinary proceeding shall rest with the Employer.

4.2.2 It is understood and agreed that any disciplinary grievance may be settled at any time following the service of a notification of disciplinary penalty. The terms of any settlement proposed shall be reduced to writing. An employee offered such a settlement shall be given a reasonable opportunity to consult with his Union representative as well as to have him present at the time he executes such settlement. Both the employee and the Union representative shall be provided with copies of the settlement at the time such settlement is made.

4.2.3 If a disciplinary grievance is not settled or otherwise resolved, it may be appealed to arbitration by the Union within ten (10) work days of the receipt of the STEP 2 response. Notification of the Union's appeal to arbitration shall be served upon the Employer in the same manner set forth in Section 3.6.1 of this Agreement.

4.2.4 Except where required by circumstances to make determinations on issues of arbitrability, Arbitrators, selected for disciplinary penalty action, shall confine themselves to determination of guilt or innocence and appropriateness of imposed penalties. Such Arbitrators shall neither add to, detract from, nor modify any provisions of this agreement. Disciplinary
Arbitrators may approve, disapprove, or take any other appropriate action they feel warranted under the circumstances, including, but not limited to, ordering reinstatement and back pay for all or part of a suspension. The disciplinary Arbitrator also may consider any period of suspension up to thirty (30) calendar days in determining the penalty to be imposed.

4.3 LIMITATIONS

No employee shall be brought up on charges or be disciplined for acts or knowledge of such acts, which occurred more than three (3) months prior to the service of such notification of discipline, except acts which would constitute a crime.

4.4 UNION'S RIGHTS ON DISCIPLINARY MATTERS

4.4.1 The Union steward and the Union's local unit President or his designee, as well as the disciplined employee, shall suffer no loss of time or pay, or be required to charge any accrued leave credits as the result of attending any disciplinary arbitration hearings. Attendance at disciplinary arbitration hearings, during such employee's regular working hours shall be considered as time worked for all purposes.

4.4.2 Union Council Staff representatives may be present and participate at any step of a disciplinary proceeding.

4.5 PERSONNEL RECORDS

4.5.1 All employees, upon their request, shall be given a reasonable opportunity to review their official personnel file maintained by the Employer. This file shall contain their original application for employment and any and all job evaluations, commendations, reprimands, suspensions, any other record of actions which have taken place during their employment with the Village of Geneseo. Upon review of their file, employees may request and shall be provided with copies of all documents and notations which they had not previously been given.

4.5.2 No letter of criticism, poor evaluation, reprimand, or any other document which could affect an employee's job security, may be placed in an employee's official personnel file without the employee first having an opportunity to review such action. Should an employee, upon review of such action, disagree with all or part of any such letter, he shall have the right to submit a written response within thirty (30) calendar days of being notified of the inclusion of the derogatory material in his personnel file.
ARTICLE 5
SENIORITY

5.1 DEFINITION OF SENIORITY

Seniority means a full time employee's total length of employment in title as a full-time employee of the Geneseo Police Department since his last date of hire, such being applicable to all benefits provided by this agreement.

5.2 PROBATIONARY EMPLOYEES

5.2.1 Every new untrained employee who is hired to fill a position on a permanent basis shall be subject to a probationary period of up to fifty-two (52) weeks. MPTC certified Police Officers who transfer to and are hired to fill a position on a permanent basis shall be subject to a probationary period of up to twenty-six (26) weeks. Upon the satisfactory completion of the probationary period, such employees shall be notified in writing of such successful completion, and they shall be entered on the seniority list retroactive to their initial date of hire.

5.2.2 While an employee is serving his probationary period, the Chief of Police must notify such probationary employee of any weakness that may have been observed in such employee's work which, if not corrected, could be cause to terminate the employee's service prior to the expiration of his probationary period. Such notification shall be in writing, shall indicate that his work needs improvement, and that the Chief of Police will counsel him on this matter. A copy of this notification shall be forwarded to the Union. Nothing contained in this Section shall limit the right of the Village to terminate a probationary employee during his/her probationary period.

5.2.3 Probationary employees shall have the right to Union representation for all purposes of this agreement; however, any claim by such employee that he is being dismissed without just cause, shall not be subject to arbitration.

5.3 SENIORITY LISTS

The employer agrees to post and furnish the Union with an up-to-date seniority list showing the continuous service of each permanent employee upon any change in the list of personnel.

5.4 BREAKS IN CONTINUOUS SERVICE

5.4.1 For the purposes of seniority, an employee's continuous service record shall be broken only by a voluntary resignation, a dismissal that is not reversed through the procedures set forth
in this agreement, failure to return to work when recalled from a layoff, and retirement; however, 
should such employee be rehired within one (1) year of his date of leaving service to work in any 
capacity of work that is normally performed by employees covered by this Agreement, then the 
break in continuous service shall be removed from his record, subtracting the period of non 
service.

5.4.2 An employee's seniority will continue to accrue during any period of absence brought 
about as a result of a service incurred disability or any other paid or unpaid approved leave of 
absence, except as may otherwise be limited elsewhere in this Agreement.

ARTICLE 6
WORK FORCE CHANGES

6.1 PROMOTION AND FILLING OF VACANCIES

6.1.1 Whenever promotional opportunities to high paying jobs, vacancies, or new job openings 
that are to be considered occur within the bargaining unit, the selection of candidates shall be 
made in accordance with the law from an appropriate Civil Service Eligibility list, except that 
more specifically:

(A) Candidates from within the bargaining unit on an established promotional list 
    shall be given preference before any other considerations may be made.

(B) Candidates from the promotional list shall be exhausted before any consideration 
    may be given to names appearing on any other lists, with the understanding that 
    the Department of Personnel of Livingston County shall be requested by the 
    Village to transfer to the promotional list the names of all new police officers 
    employed by the Geneseo Police Department who pass Civil Service 
    examinations for higher positions.

6.1.2 The Village shall have the right to place officers, who have prior police department 
experience occurring within one year of the date of hire by the Village, on the salary schedule 
depending upon their experience and the recommendation of the Chief of Police. In no event 
shall such placement be above Step 4. All other benefits shall be the same as an entry level 
employee.
6.2 LAY-OFF AND NOTIFICATION

6.2.1 It is understood and agreed that in the event the Employer plans to lay off employees in this bargaining unit for any reason, the Employer will notify the Union in writing of its plans at least forty-five (45) days prior to the date that such action is proposed to commence. Upon notification to the Union of such impending plans, a meeting shall be arranged between the parties within five (5) calendar days of such notification to review the anticipated lay off, the effect it will have on employees within the bargaining unit, the community at large, and the discussion of alternative measures.

6.2.2 If, after the implementation of 6.2.1, the Employer establishes that a lay off still is necessary, then such lay off shall be made in accordance with the State Civil Service Law.

6.2.3 Any employee to be laid off will receive no less than thirty (30) calendar days notice, such notice to be delivered by hand with his regular paycheck. The Employer shall forward to the Union a list of all employees being laid off on the same date that the notices are issued to the employees.

6.3 RECALL RIGHTS

6.3.1 Laid off employees shall be placed on a preferred (recall) list in accordance with State Civil Service Law. Written notice of expiration of recall rights shall be sent by registered or certified mail to the employee's last known address.

6.3.2 When the work force is increased after a layoff, employees on the recall list shall be recalled according to State Civil Service Law, such notice of recall being sent to each employee being recalled at his last known address by registered or certified mail. The Union shall be notified at the same time the employees are being notified. Any employee, who fails to report to work within ten (10) calendar days from the date of mailing of notice of recall, shall be considered a quit. It is understood that no new employee will be hired in a job classification until all employees on layoff within that job classification have had an opportunity for recall (as specified in the prior sentence), provided that such recalled employees are fully capable of performing the job.

6.4 OUT OF TITLE WORK

Whenever, in the absence of the Chief of Police or any other such supervisory title, a bargaining unit employee is assigned by the Employer to temporarily act for the Chief of Police
or for such supervisory person holding a title higher in rank than that of a police officer, such assignment shall be made first to the Sergeant (if available). If there is no Sergeant, or the Sergeant is unavailable, the assignment shall be made on the basis of seniority, provided the officer has the ability to perform such service. An exception to seniority may be made when the employee assigned by the Employer to the out-of-title work is more appropriate for the out-of-title work than the most senior officer. In such circumstances the Chief or Mayor must cite specific reasons (example – officer specialty, discipline issue, etc.). The selected employee shall be paid the next higher rate of pay in the pay range of the Chief of Police or such other supervisory title, for all hours worked in the higher rank.

ARTICLE 7
WORK, HOURS AND SCHEDULES

7.1 REGULAR WORK HOURS
7.1.1 The regular hours of work each day shall be consecutive.
7.1.2 Any employee who is scheduled to report for work and who presents himself for work as scheduled shall be assigned work in the realm of his duties and responsibilities as a police officer.

7.2 WORK WEEK AND WORK SHIFTS
7.2.1 The regular work week for Police Officers shall be the schedule commonly known as the four (4) and two (2) system, whereby employees assigned work four (4) consecutive days and are off two (2) consecutive days and then return to work on the seventh (7th) day to continue the cycle. Notwithstanding the foregoing, an employee filling a new full-time position funded by outside governmental or private entities (not the Village) will have his/her schedule and assignment determined through the Labor-Management Committee, with the Village having the right to implement a schedule and assignment (subject to the grievance procedure) if no agreement was reached by the Committee. This officer shall be entitled to the same number of days off per month as if (s)he were on a fixed schedule and will be subject to all other provisions of this agreement.
7.2.2 CHANGE SHIFTS

The regular work day or work shift of a Police Officer shall consist of eight (8) consecutive hours within a twenty-four (24) hour period commencing from the employee's regular starting time. Except as specifically stated otherwise elsewhere in this Agreement, all employees shall be scheduled to work on a "fixed Shift" on one of the following regular work shifts:

- 6:00 AM to 2:00 PM (B)
- 2:00 PM to 10:00 PM (C)
- 10:00 PM to 6:00 AM (A)

Each officer shall be in uniform and ready to work on his/her shift at least 15 (fifteen) minutes prior to the start of his/her assigned shift. This pre-shift period will commonly be called "show up time" and will be compensated on days worked at a straight time rate, except as otherwise required by the overtime provisions of this agreement.

Fixed shifts shall be bid by seniority on an annual basis on or about June 1 each year, with the proviso that Supervisory positions shall not be subject to the same shift bidding as Police Officer positions but bid among Supervisory positions. Bidding based on seniority shall not be applicable to positions funded by outside governmental or private entities. Any new shifts that become available will be bid by seniority. Once a shift is bid and assigned to an employee a senior employee may not "bump" another employee from his shift.

No employee shall have his shift schedule changed for the purposes of avoiding the payment of overtime, unless he has been notified of such change one week in advance of the time in which the changed work period is to begin provided, however, that the circumstances necessitating such change are foreseeable prior to such one week period.

In the event that circumstances necessitating such shift changes are not foreseeable, then such notice shall be given as soon as possible.

At no time will the employee be required to work more than two shifts per 6 day work period.

7.2.3 It is understood and agreed that on certain occasions, as may be determined by the Chief of Police, additional shifts may be established to provide overlapping coverage as follows:

- 6:00 PM to 2:00 AM
It is further agreed that a minimum of two officers will be assigned to work the hours of 10:00 PM through 3:00 AM on Friday and Saturday evenings, except in extraordinary circumstances.

7.2.4 An employee's scheduled work shift may not be changed without his consent for the purposes of recalling such employee to work on another work shift.

7.2.5 Except as is specifically set forth in this Agreement, the basic work week and work scheduling that will be in force as of the effective date of this agreement shall not be changed unless the changes are first discussed with the Union. Should no agreement be reached, the new scheduling may be implemented by the Employer but will be subject to the grievance procedure.

7.2.6 The practice of substitution where one employee voluntarily works for another shall be permitted, provided that such substitution does not impose additional cost to the Employer, and the Chief of Police is notified in advance, and the request is approved. Neither the Employer nor the Department shall be held responsible for enforcing any agreement made between employees.

7.2.7 SCHEDULING

(A) A calendar month work schedule shall be posted at least 1 month in advance (e.g. May schedule posted no later than March 31).

(B) To the extent that additional staffing is anticipated for a posted shift (or portion of a shift or shifts) the posting will indicate the anticipated number of additional positions and the time(s) when the additional staffing is anticipated. Employees may bid on such positions through the 7th day of the calendar month following the posting. The Chief of Police will award the additional positions based on seniority (not according to Article 8), and if there are insufficient bidders for the available position(s) then the Chief of Police shall fill such positions by reverse seniority.

(C) After filling these positions and deciding vacation, personal and in lieu of holiday requests made during the first 7 days of the month the Chief of Police shall then post a revised schedule by the 10th day of the calendar month following the initial posting.
(D) In the event subsequent changes to the posted schedule are made the Chief of Police shall post a revised schedule.

(E) In all circumstances, filling additional shifts and approval of vacation, personal and in lieu of holiday requests will be at the discretion of the Chief of Police and the accommodation of same by the schedule.

7.3 LUNCH PERIODS
All employees shall be entitled to a one-half (1/2) hour lunch period which may be taken at any time during employee’s regular work shift, such time to be considered as time worked.

ARTICLE 8
OVERTIME, PREMIUM PAY AND STAND-BY

8.1 OVERTIME DISTRIBUTION

8.1.1 All overtime work opportunities shall be offered equally to employees in the same job classifications, the equalization of which shall take place no less than once each three (3) months, commencing on the first (1st) day of the calendar month following the execution date of this agreement. It is understood and agreed that an overtime list will be established and maintained from which employees will be elected when overtime work is warranted, such list to be established in order of seniority.

8.1.2 On each occasion that overtime work occurs, the opportunity to work such overtime shall be offered to employees in the order of appearance on the list. An employee who does not accept the overtime work shall for purposes of overtime equalization, be charged with the actual hours of overtime that were worked by the employee accepting such, and the next employee will be offered the overtime work. In the event an officer does not respond within two (2) hours to a call offering an overtime opportunity, the officer shall be deemed to have declined that opportunity and the next employee may be offered the opportunity. In such circumstances, the non-responding officer will not be charged hours for equalization purposes unless and until the officer fails to respond to three consecutive calls in a quarter, and upon the third failure to respond, shall be charged hours as if the officer did not accept the opportunity, until he accepts an overtime opportunity. An employee who accepts the overtime work and fails to show up shall be penalized by being charged with sixteen (16) hours of overtime. Once the list is completely

APPENDIX "A"
207-C POLICY

Section 1 - Purpose.
The purpose of this policy is to set forth the procedures by which the Village of Geneseo Police Department will comply with the requirements of General Municipal Law ("GML") section 207-c. This section provides certain law enforcement personnel with compensation when they suffer from disabling injuries or illnesses which resulted from the employee's line of duty work. Nothing herein shall be construed as a limitation of the rights granted by this statute to the Village of Geneseo.

Section 2 - Policy.
The Village Police Department will comply fully with the requirements of GML section 207-c.

Section 3 - Procedure.
The exclusive procedure for handling GML section 207-c claims is as follows:

1. Designation of Administrator. The Mayor shall designate an administrator who shall have the exclusive authority to make determinations on behalf of the Village of Geneseo pursuant to GML section 207-c. The administrator may be the Mayor, a Village Board member, or an employee of the Village.

2. Notice of Disability or of Need for Medical Treatment. A law enforcement officer who alleges to be injured in the performance of duty or who alleges to be taken sick as a result of the performance of duty and who seeks any benefits afforded by GML section 207-c shall comply with all applicable rules and regulations of the Department, and:

   a. An employee injured in the line of duty shall:
      (i.) Immediately report the injury and the incident causing the injury to his/her immediate supervisor;
      (ii.) Ask the supervisor to respond to the scene of the injury to conduct an investigation;
      (iii.) Submit a written report concerning all of the details of the injury along with any other pertinent reports of the incident within 48 hours, and
(iv.) Submit an application for benefits on a form provided by the Village within fifteen (15) calendar days from the date of injury. Failure to apply within this time limit shall constitute a waiver of the claim and a bar to the receipt of benefits under this policy for the injury.

b. An employee taken sick as a result of the performance of duty shall:
   (i.) Immediately report the illness to his/her supervisor and inform the supervisor in writing that he/she is requesting 207-c benefits, and
   (ii.) Submit an application for benefits on a form provided by the Village within fifteen (15) calendar days from the date of discovery of illness. Failure to apply within this time limit shall constitute a waiver of the claim and a bar to the receipt of benefits under this policy for the illness.

c. Notwithstanding the foregoing, should an employee be rendered incapable of meeting the requirements of 2(a)(i), 2(a)(iii) or 3(a)(i) due to mental or physical inability and/or incapacity, the time limits under those sections shall be suspended up to and until the employee becomes capable of complying with the above, provided such report(s) shall be made not later than seven (7) calendar days following the injury or commencement of illness. These time limits may also be suspended or extended upon mutual agreement between the Village and the Union.

Notification to the Village under "a" or "b" above shall fully describe the nature of the injury or sickness which is the basis for the employee's 207-c claim.

3. Status Pending Determination of Eligibility for Benefits. In the event a law enforcement officer asserts an inability to perform duties, he/she shall be placed on sick leave or may use other available accrued leave, consistent with the collective bargaining agreement. Upon a determination by the administrator that a law enforcement officer who has been unable to work is eligible for payment of the full amount of regular salary or wages pursuant to the provisions of GML section 207-c, all sick leave or other paid leave which was utilized pursuant to this paragraph shall be restored in full. A law enforcement officer seeking the benefits of this section of law may be examined by a physician selected by the administrator to verify the existence of an injury or sickness.
4. **Benefit Determination.** An application for the benefits of GML section 207-c shall be processed as follows. An individual seeking benefits must demonstrate by substantial evidence his/her entitlement to them. The administrator shall promptly review an application timely made and any other pertinent documents or evidence available and promptly render a determination. If a determination is made that the injury occurred in the performance of duty or that the sickness is a result of the performance of duty, the administrator shall direct payment of the full amount of regular salary or wages and shall insure municipal responsibility for the reasonable and customary cost of treatment and hospital care associated with the injury or illness. A written notice of such a determination by the administrator shall be provided to the law enforcement officer. The payment of regular salary or wages and medical expenses may be discontinued as provided by GML section 207-c.

In the event a question arises as to initial eligibility for benefits or their continuation once awarded, the following procedure shall apply. The administrator shall promptly inquire into the applicable facts and may require the claimant to submit to one or more medical examinations as may be reasonably necessary to determine the existence of a disability and its extent. To resolve questions of initial or continued eligibility for benefits, the administrator shall make a decision on the basis of any medical evaluations and information available or otherwise provided by the claimant. A claimant may produce any document, sworn statement, or other record relating to the alleged injury or sickness or the incident alleged to have caused such injury or sickness. The administrator shall have the authority to employ medical specialists and other appropriate individuals; may at reasonable times and on reasonable notice require the attendance of the claimant or any witness to an incident to secure information; may require the applicant to sign a release for information pertaining to his/her medical history, and may undertake any other reasonable act necessary for making a determination pursuant to this procedure. The administrator shall make a determination as to initial or continued eligibility for benefits based upon evidence collected or obtained. A claimant shall be notified in writing of any determination made by the administrator.

5. **Assignment to Light Duty.** The administrator, in consultation with the Police Chief, may assign a disabled individual specified light duties, consistent with his/her physical or mental condition. The administrator may cause a medical examination of the individual to be made at the expense of the municipality for the purpose of determining whether a light duty assignment is appropriate, and if so, what duties are acceptable. Upon review of the medical
assessments of the law enforcement officer's ability to perform a light duty assignment, the administrator may make a light duty assignment.

6. **Review of Eligibility for Benefits.** The administrator may review the continued eligibility of an individual to receive the benefits of this section of law by initiating a due process hearing for consideration and determination of the matter. The burden of proof in such a hearing shall be upon the Village.

7. **Effect of Other Disability Determination.** A determination made by an officer, agency, or court regarding an entitlement to any other statutory disability benefit or regarding the existence of a disability or its extent may be noticed by, but shall not be controlling upon, the Village.

8. **Appeals.** Any final determinations made by the administrator regarding an employee's eligibility or continued eligibility for 207-c benefits or light duty shall be subject to review by the Village Board. Such an appeal must be made in writing on a form provided by the Village within thirty (30) days after notice of denial or discontinuance of benefits, or assignment to light duty. Failure to appeal within this time will bar any further claims or challenges by the employee with respect to such action. Decisions of the Village Board may be appealed as provided by Article 78 of the Civil Practice Law and Rules. A transcript will be made of any appeal hearing.

9. **Termination of Benefits.** Benefits will be terminated if an employee fails or refuses to: authorize release of his/her medical history, participate in light duty, participate or cooperate in medical examinations, or participate or cooperate in prescribed treatment or care. If an employee appeals an assignment to light duty pursuant to the provisions of paragraph 8, above, such shall not constitute grounds for termination of benefits while such an appeal is pending. However, if it is subsequently determined that the light duty assignment was appropriate, the employee shall forfeit accrued leave time equivalent to the time period for which the employee should have been performing light duty.

10. **Exchange of Documents.** At all steps of this procedure the parties will mutually exchange all relevant documents including all relevant medical records. Any medical records that are exchanged will be kept confidential and shall not be redisclosed except as expressly permitted or required by law. Medical records concerning GML section 207-c will be kept separate from any other personnel files or records.

APPENDIX "C" - AGREEMENT REGARDING
SCHOOL RESOURCE OFFICER (SRO) SCHEDULING

1. If the Village fills the SRO position, the Village shall fill that position with the new junior full-time officer, unless otherwise agreed to by the Union and Village. Once an officer is assigned to the School Resource Officer position, such assignment will not be affected by the hiring of new full-time officers. This shall not preclude the assignment of other officers to the SRO position on an as needed basis, provided such other assignments do not constitute regular assignments to the SRO position.

2. Between September 1 and June 30 (the school year) the SRO will work at the Geneseo Central School District (the District) on days school is in session and on such other days as the District's Superintendent (or his/her designee) may require. The hours of such work shall be established by the District's Superintendent.

3. During the school year the SRO will be treated as having used a prorated portion of his/her total vacation, holiday and personal annual leave entitlements under the collective bargaining agreement.

4. Between July 1 and August 31 (the summer) the SRO will be assigned by the Chief of Police for Village duties. Except in extenuating circumstances, the SRO will be assigned to work four (4) consecutive days and then be off work for two (2) consecutive days on a shift consistent with the provisions of Sections 7.2.2 and 7.2.3 of the collective bargaining agreement. The SRO's shift assignment shall not be determined by bidding in accordance with the seniority provisions of Section 7.2.2 of the collective bargaining agreement, and may be changed by the Chief of Police during the course of the summer.

5. The SRO may use vacation, holiday and personal leave during the summer in accordance with the provisions of the collective bargaining agreement, to the extent he/she is entitled to such after the application of numbered paragraph 3 of this Memorandum of Agreement.

6. In the event that there is a question or dispute as to any matter not covered by this Agreement regarding the SRO it shall be referred to the Labor Relations Committee set forth in Section 2.8 of the parties' collective bargaining agreement.
APPENDIX D

MEMORANDUM OF AGREEMENT BY AND BETWEEN
THE VILLAGE OF GENESEO ("the Village")

AND

THE GENESEO POLICE BENEVOLENT ASSOCIATION, COUNCIL 82,
AMERICAN FEDERATION OF STATE, COUNTY & MUNICIPAL EMPLOYEES
AFL-CIO ("the Union")

WHEREAS, bargaining unit employees' ("officers") terms and conditions of employment are subject to collective bargaining agreements between the Village and the Union;

WHEREAS, the Village is considering reinstating its canine program, through the purchase of a canine with funds provided by the State;

WHEREAS, if the program is reinstated, the Village will assign an officer duties related to the canine, including care of the canine;

WHEREAS, the Village and Union acknowledge that, during the time the canine is assigned to an officer, the officer will engage in care of the canine at his/her home and during times which are not part of the officer's regular working hours, and the time spent in such care is considered working time for the purposes of the Fair Labor Standards Act;

WHEREAS, the Village and the Union now wish to resolve in an amicable manner all issues and potential disputes relating to the selection of an officer for canine duties, and the compensation of that officer for his/her care of the canine at his/her home and during times which are not during regular working hours;

NOW, THEREFORE, the Village and the Union voluntarily agree to the following, after consulting with advisers and/or legal counsel of their choice:

1. The Village and Union agree that reinstatement and continuation of the canine program is within the sole discretion of the Village;

2. The Village and Union agree that the Chief of Police has absolute discretion to select which officer will be assigned canine duties, and to modify such selection from time to time;

3. The Village and Union agree such selection and assignment will not be subject to the provisions of Section 7.2 (Work Week and Work Shifts) of the collective bargaining agreement, in its entirety;

4. The selected officer must comply with the guidelines of Departmental Policy O14.

5. The Village and Union agree that when the canine is in an officer's care, caring for the canine at home and outside of regular working hours will average one hour per day on days the officer is working as an officer and one and one-half hours on those days an officer does not perform regular duties as an officer (e.g. on days off).
6. The Union agrees that if the average hours of an officer's caring for the canine at home and outside of regular working hours, as set forth in numbered paragraph 5 of this Agreement, change significantly it will immediately notify the Village's Chief of Police of such in writing.

7. The Village and the Union agree that when the canine is an officer's care, the officer will be compensated at the rate of $7.25 per hour (regular rate) and $10.88 per hour (overtime rate) for care of the canine at his/her home and during times which are not part of his/her regular working hours, in accordance with numbered paragraph 5 of this Agreement. The parties understand these rates reflect the current minimum wage requirements for employees in New York State, and if the minimum wage applicable to the canine officer is increased, the regular and overtime rates will be increased to reflect the increase in the minimum wage.

8. The Village will pay for, or reimburse the selected officer, for the canine's food, veterinary expenses, and other necessary expenses which are related to the care of the canine while the canine is in the selected officer's care. Reimbursement will only be provided for items for which advance approval has been obtained in writing from the Chief of Police.

9. This Agreement shall be binding on the Village and the Union, unless modified by a written agreement signed by all parties.

10. This Agreement shall not be effective until approved by the Village's Board.
