Full Time Bus Driver Substitute:

Duties of substitute include all unit work, including attendant, Class B and C and yard work including, but not limited to, mail, jump starting vehicles, changing light bulbs and headlights on buses, opening and closing the yard, checking arrivals and dismissals, and transporting vehicles for maintenance and DOT inspections and other duties as assigned by the District Transportation Supervisor and/or his/her designee.

The substitute shall be compensated at Class B, Step 1.

B. Longevity:

All unit members shall receive an annual non-cumulative longevity payment of $450 after completion of 10 years of service, at the end of the school year.
C. Hours: Six hour guarantee of pay for all employees based on the following guidelines:

1. Where an out-of-District run is cancelled in advance, there are no actual hours worked and accordingly, there shall be no pay. This occurs when a parent calls the District in advance that the child will not be going to school, this is the only child on the bus, and the bus driver is called at home.

2. Where either the a.m. or p.m. out-of-District run is cancelled as a result of the fact that the parents are either taking the child to school themselves or picking the child up from school themselves, the bus driver shall be paid one-half day’s pay or three hours.

3. Where an out-of-District run is cancelled in advance due to an unusual circumstance causing a particular school to be closed; e.g., a burst pipe, affected unit members will be reassigned unit work, as needed, and will receive pay for that day.

4. Where the public schools are open and the parochial schools are closed, although the actual hours worked are reduced, given that the bulk of the assignment is in place, those drivers shall be paid six hours.

5. Where the parochial schools are open and the public schools are closed, although the actual hours worked are two hours, given that the driver has to be available both at the beginning of the day and at the end of the day, those drivers shall be paid four hours.

6. Bus drivers and bus attendants shall be paid when the schools are closed due to snow.

7. In instances where there are extraordinary weather considerations (snow, severe storm warnings), the District may choose to cancel all out-of-District bus runs while maintaining all in-District runs. Drivers of out-of-District runs shall be assigned to another in-District run as a bus attendant and shall be paid at their usual rates.

8. All bus drivers are required as per District practice to conduct safety drills. Bus attendants are required to be present for safety drills. In-District safety drills are conducted at each of our schools by the drivers of the 60-passenger buses. Where this activity exceeds the actual hours worked within the context of the "six hour day,” drivers/attendants are compensated for additional hours worked. Where this activity takes place within the context of the “six hour day,” it would be construed as part of the regularly assigned responsibilities.
9. The bus driver assignment summary provides a description of midday runs that represent additional actual hours worked. These hours, however, are not every day assignments and do not affect the six-hour guarantee.

10. Probe shuttle run on Wednesday - midday and planned local field trips. These activities are intended to take place within the school day and generally do not exceed the “six hour day.”

11. Where the kindergarten mid day runs are cancelled by the District due to the kindergarten participating in field trips, there will be no pay deduction for the loss of midday runs. In these instances, drivers/attendants may be assigned other responsibilities.

12. Actual hours worked beyond the six hour guarantee will be paid at straight time, up to 40 hours in a week, and overtime at time and one-half only after 40 hours actually worked in a week.

ARTICLE V - SICK DAYS AND PERSONAL DAYS

A. Sick days

1. Bus Drivers - Bus drivers shall receive six paid sick days cumulative or receive six sick days pay at the end of each school year. Paid sick days are only deducted from the current year’s balance. The maximum balance for unused sick days shall be 25 days.

2. Bus Attendants - Bus attendants shall receive six paid sick or personal days per year on a cumulative basis or receive six sick days pay at the end of each school year. Paid sick days are only deducted from the current year’s balance. Bus attendants may carry over unused days for sick purposes only, up to a maximum of 25 days.

B. Sick days may be used as personal days according to the following guidelines:

Each employee shall be entitled, if needed, to personal days for reasons as follows:

1. **Legal Matters**: House closings, income tax hearing, adoption proceedings, and court appearances.

2. **Ceremonies**: Graduation of staff member, spouse or child from high school or college, day of wedding ceremony, confirmation.

3. **Education**: Required educational examinations; required visits by parents to colleges.
4. Religious Observances: Religious holiday observances of the employee’s particular faith not provided for in the regular school calendar.

5. Funerals: Attendance at funeral services of a person, other than in the immediate family (Compassionate Leave), the nature of whose prior relationship to the staff member warrants the attendance.

6. Any other reason deemed valid by the Superintendent of Schools, acting at his/her discretion.

7. All requests for personal days must be handed in at least one week ahead of time except, effective January 11, 2011, in the event of an emergency beyond the control of the employee. The District may request proof satisfactory to it of the emergency in order for the request to be approved.

ARTICLE VI - HOLIDAYS

A. All employees shall receive 10 paid holidays: Columbus Day, Veterans Day, Thanksgiving Day, the Day after Thanksgiving, Christmas Day, New Year’s Day, Martin Luther King Day, President’s Day, Good Friday, and Memorial Day.

1. If July 4 and Labor Day fall within the summer program, employees who work in the summer program shall receive holiday pay for those holidays.

This appeal shall contain a complete explanation of the grounds upon which the appeal is based.

b. No grievance may be brought to arbitration without the approval of the Union. In arbitration, the Union shall be the sole and exclusive representative of the grievant. The cost of arbitration (excluding attorneys’ fees) shall be shared equally by the District and the Union.

c. An arbitrator shall be selected by mutual agreement. In the event that the parties do not agree, an arbitrator will be selected by use of the American Arbitration Association arbitrator appointment process.
