2 MANAGEMENT RIGHTS

These rights and responsibilities include, by way of illustration or otherwise the right to: hire, assign, promote, transfer, layoff, evaluate, and discipline employees for just cause; select, test, train and determine the ability and qualifications of employees; determine, control and change work practices and schedules, work and shift assignments, hours of work, the size, composition and organization of the workforce, and job classifications, descriptions, content and standards; implement and comply with regulations and requirements issued by any government agency; make, modify and enforce reasonable rules of employee conduct and safety; determine, control and change the quality and nature of products, materials and services; introduce new or improved methods, equipment, techniques and processes; contract and subcontract for materials, services, supplies and equipment; and all other rights pertaining to the operation and management of the business and affairs of the Town unless expressly provided otherwise in this collective bargaining agreement. However, nothing in this Article will be construed as to limit the Union's right to bargain pursuant to the Taylor Law.

3 UNION RIGHTS

10 INSURANCE

10.1 Medical Insurance

10.1.1 Eligibility: The Town will make available a medical insurance plan and a prescription drug plan to each full-time employee and the employee’s eligible family.

10.1.2 Date Coverage Begins: Coverage will begin on the first day of the month following the employee’s first day of employment, provided all eligibility requirements of the plan are met and the requisite forms have been completed. Eligible employees and dependents may also enroll in the medical insurance plan during the annual open enrollment period or at the time of a qualified change in employment or family status, as defined by the Internal Revenue Service and the insurance carrier.

10.1.3 Change in Insurance Plans: The Town Board may change the insurance carrier and/or offer alternative plans in place of the then current plan provided the alternative plan’s benefit structure and provider network are substantially equivalent to the then current plan. The Town will notify the Union of the proposed change at least sixty calendar days prior to the effective date.

10.1.4 Premium Payment (hired before 4-1-2006): For an employee hired before April 1, 2006, the Town will pay the full premium for individual, two-person, family medical insurance coverage, as the case may be.

10.1.5 Premium Payment (hired after 4-1-2006): For an employee hired after April 1, 2006, the Town will pay the full premium for individual coverage and fifty percent of the difference of the monthly premium between the cost for individual coverage and either two-person or family coverage, as the case may be. The employee’s contribution to the medical insurance premium will be deducted from the employee’s regular paycheck. The employee may elect to have such deduction made on a pre-tax basis.

10.2 Medical Insurance Buy-Out

10.2.1 Eligibility: A full-time employee who is eligible for medical insurance coverage made available through the Town may receive a cash buy-out in lieu of receiving medical insurance and prescription drug benefits. To be eligible for the medical insurance buy-out, the employee must provide documentation of comparable medical insurance coverage in a manner and form to be determined by the Town and sign an appropriate waiver of medical insurance coverage and waiver of liability to the Town. In the event an employee is married to another employee of the Town who is eligible for medical insurance, they must either enroll in two individual plans or one two-person or family plan, as the case may be, and will not be eligible for this buy-out.

10.2.2 Amount of Buy-Out: Each year, an eligible employee will receive an amount equal to the annual premium co-payment for the alternate medical insurance plan (excluding dental and vision) multiplied by 1.32 plus one thousand dollars. In no event will the buy-out exceed $7000. For example, if the annual premium co-pay for the alternate plan is $2800, the amount of the buy-out would be $2800 X 1.32 = $3696 + $1000 = $4696. The buy-out is subject to applicable taxes.

10.2.3 Method of Payment: Partial payment of the buy-out will be made in the employee’s regular weekly paycheck for each pay period the employee is eligible for the buy-out.

(2013)
10.2.4 Reinstatement: In the event the employee loses coverage under the alternate insurance plan, the employee may resume coverage under the medical insurance plan made available through the Town. Coverage will begin on the first of the month immediately following the employee giving notice, provided the employee gives such notice at least five business days prior to the first of the month and meets all eligibility requirements of the insurance plan. An employee may also elect to resume coverage under the medical insurance plan during the annual open enrollment period.

10.3 Pre-Tax Medical and Dependent Care Expenses

10.3.1 Eligibility: A full-time employee who has completed the probationary period is eligible to enroll in a pre-tax reimbursement account in accordance with Section 125 of the Internal Revenue Service Code, provided all eligibility requirements of the plan are met and the requisite forms have been completed.

10.3.2 Insurance Premiums: A full-time employee may elect to pay the contribution towards the health and dental insurance premiums with pre-tax dollars.

10.3.3 Flexible Spending Accounts: An employee may elect to have a pre-determined amount deducted from the employee’s paycheck on a pre-tax basis each payroll period to be placed in a medical care flexible spending account, dependent care flexible spending account, or both. Money set aside in an employee’s medical care flexible spending account may be used to cover certain health, dental, and vision care expenses that are not reimbursable through the employee’s insurance plan(s). Money set aside in an employee’s dependent care flexible spending account may be used to cover eligible day care and nursery school expenses for covered dependents.

10.3.4 Election Changes: Eligible employees may enroll or decline coverage in the pre-tax reimbursement plan during the annual open enrollment period. Once a pre-tax election is made, it must remain in effect for the entire plan year. An employee may not drop coverage, change an election, or cease contributions at any time during the plan year unless there is a qualifying change in employment or family status, as defined by the Internal Revenue Service. For any qualifying change in family or employment status, an employee must make the appropriate change in coverage within thirty-one calendar days of the date of the qualifying event. Under the pre-tax insurance premium option, an employee’s election for the plan year is automatically continued for the next plan year unless a new election form is submitted.

10.4 Medical Insurance for Retirees

10.4.1 Coverage: The Town offers medical insurance and prescription drug coverage to eligible full-time employees after such employee retires directly from Town employment and is receiving retirement benefits under the New York State Retirement System. Coverage is also available for the retiree’s eligible spouse if the spouse was covered under the Town’s medical insurance plan on the retiree’s last date of employment with the Town and the spouse is not eligible to receive comparable medical insurance coverage under another plan. In the event the retiree predeceases the retiree’s eligible spouse, the spouse may continue medical insurance and prescription drug coverage provided the spouse pays the full cost of the premiums. In the event of legal separation or divorce, the retiree’s spouse shall not be eligible for coverage except as provided under COBRA.

10.4.2 Eligibility: To be eligible for coverage, the retiree must meet all of these requirements: 1) have at least twenty years of continuous service with the Town; 2) be at least sixty-two years of age; 3) retire directly from the Town; and, 4) have been granted a retirement benefit from the New York State Employees’ Retirement System. Notwithstanding the above, an employee who leaves employment due to disciplinary action is not eligible for medical insurance or prescription drug coverage for retirees.
10.4.3 **Insurance Plan:** The Town will make available the same Retiree Medical Insurance Program that is provided to other employees of the Town. It is understood that the Town Board may, at any time and at its sole discretion, change the medical insurance or prescription drug plan, including, but not limited to, eligibility, retiree co-payments toward the premium, plan design, and carrier.

10.4.4 **Medicare:** When the retiree or the retiree’s eligible spouse, as the case may be, meets the eligibility criteria for Medicare coverage, primary coverage for that individual will be provided by Medicare. At that time, that individual will be required to enroll in a Medicare supplemental policy made available through the Town. The Town will NOT reimburse that individual for the cost of the Medicare Part B premium.

11 **DISABLED EMPLOYEES**

11.1 **Workers’ Compensation Insurance**

11.1.1 **Coverage:** In accordance with New York State law, the Town will make available a Workers’ Compensation plan for job-related injuries or illnesses.

11.1.2 **Plan:** The Town may, at its discretion, change carriers and/or offer an alternative Workers’ Compensation plan. The Town will notify the Union of such change.

11.1.3 **Reporting of Injury:** To ensure prompt coverage of the claim, the employee should submit a report of the injury or illness to the Town Supervisor, or designee, on the proper form, within twenty-four hours of the occurrence. The Town Supervisor, or designee, will complete and submit the required forms. The New York State Workers’ Compensation Board makes the determination of whether an employee is eligible for Workers’ Compensation benefits.

11.1.4 **Use of Leave Credits:** An employee may draw from the employee’s sick leave credits, then personal leave credits, and then vacation leave credits in conjunction with Workers’ Compensation payments to equal, but not exceed, the employee’s regular daily rate of pay. When the insurance company makes payment, the Town shall be reimbursed for that portion of leave covered by insurance and the employee will be re-credited with the proportional amount of leave.

11.1.5 **Continuation of Medical Insurance:** The Town will continue medical insurance coverage for a qualifying event in accordance with the provisions of the Town’s Family and Medical Leave Policy. Thereafter, an employee who is receiving Workers’ Compensation payments for lost time and is drawing full pay by using accrued leave credits will continue to receive medical insurance benefits and the Town will continue to make its contributions for up to a maximum of one year provided the employee makes the required employee contribution. If the employee has exhausted all leave credits, the employee may continue medical insurance coverage in accordance with COBRA.

11.2 **Short-Term Disability Insurance**

11.2.1 **Coverage:** The Town will make available a short-term disability plan for non-job-related injuries or illnesses that meets the minimum requirements of New York State Disability Insurance.

11.2.2 **Change in Plan:** The Town may, at its discretion, change carriers and/or offer an alternative short-term disability plan. The Town will notify the Union of such change.

11.2.3 **Premium Payment:** The Town will pay the full premium for short-term disability insurance for each eligible employee.
11.2.4 Reporting of Injury: To ensure prompt coverage of the claim, the employee should submit a written report of the illness or injury on the proper application form to the Office of the Town Supervisor within twenty-four hours of the occurrence. Proper medical certification will be required and must be submitted with the application form.

11.2.5 Use of Leave Credits: An employee may draw from the employee's sick leave credits, then personal leave credits, and then vacation leave credits in conjunction with the short-term disability payments to equal, but not exceed, the employee's regular daily rate of pay. When the insurance company makes payment, the Town will be reimbursed for that portion of leave covered by the insurance and the employee will be re-credited with the proportional amount of leave.

11.2.6 Continuation of Medical Insurance: The Town will continue medical insurance coverage for a qualifying event in accordance with the provisions of the Town's Family and Medical Leave Policy. Thereafter, an employee who is receiving short term disability payments under this plan and is drawing full pay by using accrued leave credits will continue to receive medical insurance benefits and the Town will continue to make its contributions for up to a maximum of one year provided the employee makes the required employee contribution. If the employee has exhausted all leave credits, the employee may continue to be eligible for medical insurance coverage in accordance with COBRA.

11.3 Transitional Duty Program

11.3.1 Preamble: The purpose of this Transitional Duty Program is to allow an employee who is temporarily partially disabled to return to work in an assignment that meets both the needs of the Town and the medical limitations of the employee. In the event an employee is unable to perform the full duties and responsibilities of the employee's regular position, the Town Supervisor may, on a case-by-case basis, require such employee to return to work in a Transitional Duty assignment. The exercise of this Transitional Duty Program shall not establish any precedent or commitment to provide Transitional Duty assignments to any other employee at any time in the future.

11.3.2 Eligibility: The employee must be classified as partially disabled at fifty percent or less and the employee must have a prognosis of full recovery within six months. For the purpose of this program, full recovery is defined as the ability to perform the full duties of the job the employee held when injured. These medical findings will normally occur as a result of an examination by the employee's physician; any disputes will be submitted to a State Insurance Fund consulting physician. The Town will determine what documentation will be acceptable for establishing the employee's eligibility and determining the employee's physical limitations.

11.3.3 Transitional Duty Assignment: The assignment may not necessarily correspond with the employee's regular job duties. The assignment may involve performing some duties of the employee's regular position, some duties of another position, or a combination of tasks from several positions. The assignment may be at a different work location and/or have a different schedule than the employee's regular position.

11.3.4 Wages: While performing a Transitional Duty assignment, the employee will receive the employee's regular hourly rate of pay.

11.3.5 Duration of Assignment: A Transitional Duty assignment shall not exceed six months or the date of full recovery, whichever comes first. The Town may require a medical examination ordered by the Town as a condition of allowing the employee to return to full duties.

11.3.6 Refusal of Assignment: In the event the employee refuses a Transitional Duty assignment, or refuses to submit to a medical examination ordered by the Town, the matter will be referred to the Workers' Compensation insurance carrier or NYS Disability insurance carrier, as the case may be, for a benefit determination.

Within fourteen calendar days after the meeting, the Town Supervisor, or designee, will issue a written response to the appeal, which will be mailed to the UPSEU representative.

The fees of the arbitrator shall be shared equally by the Union and the Town. The conduct of the arbitration shall be under the exclusive jurisdiction and control of the arbitrator, which shall conform to applicable law.
