ARTICLE IV
MANAGEMENT RIGHTS

It is agreed that the management officials of the County retain the right to direct employees, to hire, promote, transfer, discipline, subject to law and the terms of this Agreement; to maintain the efficiency of operations entrusted to them; to determine the methods, means and personnel by which said operations are to be conducted, and to take whatever action is deemed necessary to carry out the mission of the applicable department in cases of emergency; provided that such rights shall not be exercised in violation of other sections of this Agreement or in violation of any law.

ARTICLE V
UNION SECURITY

5.1 (a). Deduction of Union Dues. As soon as feasible following receipt by the County of a signed authorization form from the employee, the County shall deduct from the wages of each employee the regular membership dues (uniform in dollar amount each payday) of the Local 1249. The Local 1249 shall notify the County by certified mail of any changes in the amount of uniform dues to be deducted. The deductions shall be remitted to Law Enforcement Officers Union Council 82, 63 Colvin Avenue, Albany, New York 12206.

(b). Agency Fee. Subject to the provisions of Section 208(3)(b) of the Civil Service Law, the County agrees to deduct from the pay of each employee who is a member of the bargaining unit, but who is not a member of the Local 1249, an amount equivalent to the Local 1249 dues that are authorized, levied and collected from the general membership. Such agency fee payors shall have available through the Local 1249 a fair and equitable refund procedure for amounts of the agency fee which represent the employee's pro rata share of expenditures by the Local 1249 in aid of activities or causes of a political or ideological nature only incidentally related to terms and conditions of employment.
(c) The Local 1249 shall indemnify the County and hold it harmless against any and all claims, demands, suits or other forms of liability that may arise out of, or by reason of, any action taken by the County for the purpose of complying with the provisions of this Article.

5.2 Membership in Local 1249 shall be voluntary, but since both parties to this Agreement recognize that a strong and active Local 1249 with full membership participation is desirable to the collective negotiating process, the County agrees that there shall be no discrimination, interference, restraint or coercion by the County or any of its agents or employees against any employee because of his/her membership in the Local 1249 or because of any lawful activities on behalf of the Local 1249 and its sole members which activities do not seriously conflict with or curtail the employees' work duties.

5.3 Local 1249 shall have the right to represent employees in the defined bargaining unit in any and all proceedings under the Public Employees' Fair Employment Act, and under any other applicable law, rule, regulation or statute, under the terms and conditions of this Agreement, to designate its representation, to direct, manage and govern its own affairs, to determine those objectives free from any interference, restraint, coercion or discrimination by the County. Local 1249 shall have the right to pursue any matter or issue in accordance with the grievance and arbitration procedures in this Agreement and to pursue any matter or issue to any Court of competent jurisdiction, whichever is applicable, and acting through its membership and officers, be the sole judge thereof unless it is expressly and specifically abridged, delegated or modified by this Agreement.

5.4 The Local 1249 shall have the right to post non-political notices and other non-political communications on bulletin boards maintained on the premises and facilities of the County and in other conspicuous places, provided that their content is not derogatory.

5.5 For the purpose of administering, adjusting or interpreting the terms and conditions of this Agreement, the representatives of the Local 1249 shall have the right to visit the employees on the job as cited in the prior sections of this Agreement. The name of the Local 1249's representative(s) shall be certified in writing to the County Commissioner of Personnel on an annual basis and/or as changes occur.

5.6 Local Officers and Board members of the Local 1249 may from time to time have a need to attend a Board meeting of the Local 1249. If any portion of the meeting is scheduled during such Board member's duty time, the Board member will be granted time off with pay, unless the Employer believes that the member's absence would severely hamper departmental operations. A list of Board members and scheduled Board meetings shall be filed with the Employer and updated as necessary.
5.7 The County agrees that it will permit and pay seven (7) representatives of the Local 1249 who are regular County employees, but no more than one (1) representative at a time, and the Chief Steward of the Local 1249, time while on the job to resolve any particular Local 1249 grievance or to meet with County representatives to resolve differences and discuss or interpret the terms of this Agreement. The steward will notify the appropriate supervisor that he/she will be involved in the investigation and resolution of grievances. The Local 1249 will file a written list of its designated representatives with the Employer and update it as often as necessary. The County also agrees to permit negotiators for the Local 1249 who are regular County employees time while on the job to negotiate future agreements.

5.8 The County agrees that it will pay and allow the Union a maximum of twenty (20) man days leave with pay, without reduction in sick time or vacation time for officers or members of the Union designated by the President of the Local 1249 to attend statewide conferences, meetings, seminars or other organized activities. In addition, the President of the Union shall be entitled to one (1) day off with pay each month, on a non-cumulative basis, to attend to Union matters. For purposes of this section, the Local 1249 agrees to correspond with the Department Head thirty (30) days in advance whenever practicable and inform him/her of the exercise of these rights and agrees to forward the names of the personnel and the dates that the employees require the time off.

5.9 The above rights of Local 1249 are not all inclusive but indicate the type of matters or rights which are inherent to or belong to it as bargaining agent.

ARTICLE VI
STRIKES

Pursuant to Section 210, subdivision 1 of the Public Employees' Fair Employment Act, Local 1249 hereby affirms that it does not assert the right to strike against the County, to assist or participate in any such strike or to impose an obligation on its membership to conduct, assist or participate in any such strike.

ARTICLE VII
SALARY

7.1 Salary Schedules

All employees will be paid in accordance with the attached Incremental Salary Schedules ("C", "J" and "RNS").
a. **Civilian "C" Schedule** - This schedule covers all members of the bargaining unit who perform civilian duties.

b. **Correction Officers/Civil Deputies "J" Schedule** - This schedule covers all members of the bargaining unit not covered by the "C" or "RNS" schedule.

c. **Registered Nurses** assigned to the Correction Facility will be paid according to the attached "RNS" Schedule.

7.1.1 Unit members shall be placed on the applicable 2004-2010 salary schedules, and advance thereon, in accordance with the following rules:

Effective January 1, 2002, the Cadet and Senior Cadet salary rates will be eliminated from the "J" schedule. Thereafter, each Grade 1J employee will be paid a training/hiring rate salary equal to 85% of the Step 1 salary of said grade until the employee successfully completes six (6) months of employment in the bargaining unit, or successfully completes his/her basic corrections or civil deputy training, whichever comes first. The employee shall then be advanced to the Step 1 level of Grade 1J.

Upon ratification of this agreement, the July 2003 "J", "C", and "RNS" salary schedules shall be increased 2% across-the-board retroactively for the January 1, 2004 through December 31, 2004 work year.

Upon ratification of this agreement, the July 2004 "J", "C", and "RNS" salary schedules shall be increased 2% across-the-board retroactively for the January 1, 2005 through December 31, 2005 work year.

Upon ratification of this agreement, the July 2005 "J", "C", and "RNS" salary schedules shall be increased 2% across-the-board retroactively and prospectively for the January 1, 2006 through December 31, 2006 work year.

On January 1, 2007, the July 2006 "J", "C" and "RNS" salary schedules shall be increased 2% across-the-board for the January 1, 2007 through December 31, 2007 work year.

On January 1, 2008, the July 2007 "J", "C" and "RNS" salary schedules shall be increased 2.5% across-the-board for the January 1, 2008 through December 31, 2008 work year.

On January 1, 2009, the July 2008 "J", "C", and "RNS" salary schedules shall be increased 2.5% across-the-board for the January 1, 2009 through December 31, 2009 work year.
On January 1, 2010, the July 2009 "J", "C" and "RNS" salary schedules shall be increased 2.5% across-the-board for the January 1, 2010 through December 31, 2010 work year.

In July of each year of this agreement and subsequent to the expiration of the agreement all employees eligible for step movement will advance on step on the applicable pay scale for the affected employee.

The above base salary increases shall only be added for members covered by this agreement that are eligible for step movement in July of that calendar year.

For members who are not or were not eligible for step movement in July of a calendar year, a three percent (3%) increase shall be applied to the members' base salary on January 1 of that calendar year. This provision shall be retroactive to January 1, 2004 and will remain in effect throughout the remainder of the January 1, 2004 through December 31, 2010 agreement. All the increases for employees "off the schedule" shall be sunsets on December 31, 2010.

D. Retroactivity - Each employee covered by this Agreement who is still on the County's active payroll as of the beginning of the first full payroll period immediately following the ratification of this Agreement by the Oneida County Legislature shall receive a retroactive payment computed upon the difference between his/her new base salary level(s) effective January 1, 2004 and thereafter, and those hours or periods actually compensated, including overtime, if any, running from January 1, 2004 to the time when the new base salary adjustments under the Agreement are implemented.

E. Post-Expiration Step Movement on the "J", "C" and "R" Salary Schedules – If the County and Local 1249 have not reached a final tentative agreement for a successor to this 2004-2010 collective bargaining agreement by June 20, 2010, then those employees who are still eligible for step movement on the "J", "C" and "R" salary schedules shall be advanced, one step on the applicable 2010 salary schedule effective July 1, 2010 and each July 1 thereafter until a successor agreement is in place.

7.2 Salary Schedule Administration

a. When an employee is promoted to a higher grade, the employee will move to the same step in the new grade that the employee was in at the lower grade.
7.3  

a. In the event of voluntary or involuntary demotion to a lower grade, the employee will be placed at the same step of the lower grade that the employee presently occupied at the higher grade.

b. If a person with permanent Civil Service status at one level is serving provisionally in a higher level, and receives permanent status at a level between his/her current permanent and provisional status, the salary of the item in which he/she has permanent status will be considered the base on which his/her new salary will be determined.

c. If a person who has never achieved permanent status is serving provisionally and receives permanent status at a lower grade, his/her beginning rate at his/her permanent grade will reflect numbers of years of service to the County.

d. If a person who has never achieved permanent status is serving provisionally, and receives another provisional appointment in a lower or higher grade, the new provisional appointment will reflect years of service with the County, except that in no case will the higher level step reflect an annual salary greater than that which would be received if the employee was subject to the promotional rule as set forth in Article VII, Salary, 2-a, above.

1. Newly hired employees on the "C" and "R" salary schedules must remain at the initial hiring Step level for at least three (3) months before becoming eligible for any step movement within grade.

2. The Commissioner of Personnel with agreement of the Sheriff, shall place an employee, who is returning within three (3) years of termination, as a Deputy Sheriff/Civil or Correction Officer, in the same step the employee had at the time of termination of employment from the Oneida County Sheriff's Department. For the purpose of this section, any employee returning under this section must have maintained Civil Service and BMP certification or other certifications as required by statute or regulation.

3. The Commissioner of Personnel, with agreement of the Sheriff, shall have the authority to place a new unit employee in a step greater than the hiring rate of the appropriate grade subject to any of the following requirements:

   i. The employee is a permanent Correction Officer or Deputy Sheriff Civil Officer, with at least one (1) year of full-time experience and has completed basic training. For the purpose of this section, employees with more than one (1) year Correction Officer or Deputy Sheriff Civil Officer experience shall be granted one (1) additional step for every one (1) year of experience as a full-time Correction Officer
or Deputy Sheriff Civil Officer, but shall not exceed Step 5 of that grade.

ii. When the Sheriff demonstrates severe and continued recruitment difficulty for an “R” salary schedule job title, the starting salary of that job may be increased on either a temporary or permanent basis. Such action shall occur only when authorized in advance by the County Commissioner of Personnel. Any existing employee in such job title whose salary is less than that of the new starting salary shall receive a salary increase to the level of the new starting salary.

7.4 Longevity

Effective upon ratification of this agreement, each employee in the defined negotiating unit shall receive $100 after the completion of seven (7) years of service, $300 after the completion of ten (10) years of service, $400 after the completion of fifteen (15) years of service, $600 after the completion of twenty (20) years of service. Employees eligible for a longevity payment will receive the cumulative amount specified in this contract unless such sum is less than the current remuneration. The sum schedule in this contract shall be used when it exceeds the amount an employee is receiving.

7.5 Mileage

a. When an employee must use his/her own vehicle for County business, the County agrees to pay the prevailing IRS rate upon submission of appropriate vouchers.

b. If an employee has to transfer prisoners by over the road vehicle for more than three hundred (300) miles one way, then this transfer shall be an overnight detail, if requested by the transferring officer.

c. Any Department member who is scheduled and assigned to attend a Department-approved training school which is more than two hundred (200) miles from the Oneida County Law Enforcement Building shall be entitled to spend the night the school holds its last class, providing the class ends after 3:59PM.

d. When a Department member is traveling to or from an approved training school, and said travel is on other than his/her duty time, the member will be compensated at one and one-half (1 1/2) times the employee’s regular compensation
rate (OT or Comp Time) for that time if he/she is operating the vehicle. Department members will car pool whenever possible.

7.6 Shift Differential

Effective January 1, 2002, each employee who is regularly assigned to the "C" and "A" lines or who is scheduled to work on the "C" or "A" lines will be compensated by receiving $.55 per hour extra for hours worked on the "C" line and $.60 per hour extra for hours worked on the "A" lines. Effective January 1, 2003, each employee who is regularly assigned to the "C" and "A" lines or who is scheduled to work on the "C" and "A" lines will be compensated by receiving $.60 per hour extra for hours worked on the "C" line and $.65 per hour extra for hours worked on the "A" line.

Employees who are regularly scheduled to the "A" or "C" line will receive the shift differential pay for any vacation, holidays, sick leave and personal leave used.

Any "B" line employee who is not regularly scheduled to work another shift shall receive the aforementioned shift differential pay only for the hours the employee actually worked such scheduled shift.

7.7 Standby

Employees who are placed on restricted standby at their home will receive one-half (1/2) their base hourly rate of pay for each hour or fraction thereof they are on such restricted departmental standby.

7.8 Recall Pay

An employee who, after fulfilling his/her normal tour of duty is recalled back to the Department for additional duty, after returning to his/her home or to another destination with the bona fide intent of ending his/her tour of duty, shall receive a minimum of four (4) hours pay at one and one-half (1 1/2) times the employee’s regular compensation rate, if the employee’s total work time including regular duty, vacation and personal leave equals or exceeds forty (40) hours in that work week.

7.9 Court Appearance

Employees required to appear in court on Department-related business at times other than during, or contiguous to, their regularly scheduled hours shall receive a minimum of three (3) hours pay.

7.10 Pager Coverage
Any employee assigned to carry a Department pager on his/her off-duty time will be paid $300 per annum. Payment is to be made the first payday following December 1st of the calendar year. Prorated payments will be in weekly increment amounts.

7.11 Out-of-Title Work

a. Any employee assigned, in writing, by the Sheriff or his designee to fulfill the responsibilities of a higher paying Civil Service position, may only be assigned while such other person is absent. That employee shall be paid at the higher rate on a per diem basis for all days that he/she is assigned to the higher paying position.

For the purpose of this section, any employee paid in this manner shall be paid in the step in the higher paying position, following the same step movement as if the employee had been promoted. Per Diem rates shall be calculated by dividing the appropriate annual salary by 260.

7.12 Distribution of Paychecks

Paychecks will be placed in individual envelopes before being distributed to employees. Upon the advance request of an employee, and subject to approval of the Sheriff or his designee, the employee’s paycheck may be distributed to a relative or co-worker. The relative or co-worker shall be required to provide identification and to sign a receipt for the employee’s paycheck. It is understood that the County assumes no liability, and shall be held harmless, in the event the relative or co-worker absconds with the paycheck.

7.13 Compensation Limitation

Compensation shall not be paid (or compensatory time taken) more than once for the same hours under any provision of this Article or Agreement.

ARTICLE VIII

HOURS OF WORK AND WORK WEEK

3.1 This Article defines the normal hours of work, and establishes the basis for the calculation of overtime pay. The normal work week for unit employees shall be a seven (7) day period starting on Thursday and ending on Wednesday and consist of five (5) consecutive workdays and two (2) consecutive pass days during each seven (7) day period. The normal workday will consist of eight (8) hours, inclusive of a thirty (30) minute paid meal period. The County agrees that the work week and work day, as
defined in this paragraph, shall not be modified, changed or amended without written mutual agreement of the parties.

8.2 Any County employees subject to assignment on shifts or work schedules other than the normal work hours for their department, will be notified by lists posted in the proper place at least two (2) weeks in advance. Such schedules may be modified by the Department Head in cases of emergency, personal absences and other reasonable needs of the Department.

ARTICLE IX
OVERTIME PAY

9.1 a. Each employee shall receive one and one-half (1 1/2) times his/her straight hourly rate for all work over eight (8) hours per day and/or forty (40) hours per week. Each employee shall have the option of receiving his/her time and his/her pay either in cash or in compensatory time off and if he/she chooses compensatory time off, the employee shall receive one and one-half (1 ½) hours off for each hour of overtime worked. Any overtime compensatory time which was elected but not taken by the end of the first pay date period in November shall be converted to cash and paid out to the employee at his/her regular hourly rate in the paycheck covering the first pay date in December.

b. Effective with calendar year 2003, in September of 2003, and in May of each year thereafter, each employee shall also be afforded an opportunity to convert some or all of the employee's then accrued compensatory time under any provision of this Article to a monetary payment to the employee for such time, such payment to be included in the employee's regular paycheck for the first full pay period in June. To take advantage of this opportunity, the employee must deliver by September 30th in 2003, and by May 31st each year thereafter, a written election to the County, on a standard form to be promulgated by the County.

9.2 All paid time off will be considered as time worked for the purposes of calculating overtime. Such time will include, but not be limited to, vacation, holiday, compensatory time and bereavement leave. Worker's Compensation, 207(c), or sick leave will be excluded from counting as time worked for the purpose of this article.

9.3 An employee who is not scheduled to work Thanksgiving, Christmas or New Year's Day, but who is called into work and does work on any of these holidays, will be compensated at one and one-half (1 ½) times the employee's regular compensation rate for all time worked on these holidays with a guaranteed minimum of four (4) hours pay.
9.4 Overtime assignments for the Corrections Division, both voluntary and mandatory, shall be distributed as equally as practical among the qualified employees of the Division, by shift and/or unit and appropriate titles, according to seniority in accordance with a jointly developed Departmental policy and procedure, number CD 02-08-03D, concerning this issue.

ARTICLE X
RETIREMENT

10.1 The County agrees to provide the benefits of Section 89-a, 89-p, 603-L, 75-g, Article XIV, and Article XV of the New York State Retirement and Social Security Law, whichever plan is appropriate based upon the employee's individual status, for those employees covered by this Agreement. The County further agrees to provide Section 41(j) of the New York State Retirement and Social Security Law on a non-contributory basis for all Retirement System members covered by this Agreement. - 168 days: $200
- 169 days: $270
- 170 days: $330

11.1 Sick Leave

Effective September 1, 1995, it is agreed that each employee in the defined bargaining unit shall earn one (1) day sick leave per month except employees in the "J" Schedule who shall earn ten (10) days per year. Each employee may accumulate up to a maximum of one hundred eighty (180) working days, subject to limitation by Article X, Retirement.

The County and the LOCAL 1249 agree that sick leave should be used for legitimate purposes and is not to be abused. Medical certificates will not normally be required to substantiate requests for approval of sick leave for three (3) days or less.

However, in questionable circumstances such as repetitive taking of sick leave before or after holidays, vacations, personal leave days or pay days, an employee may be required to justify the sick leave of any length of time by providing a medical certificate.

When a holiday falls on a Sunday, the Monday following shall be observed as the holiday. When the holiday falls on a Saturday, each employee shall
receive a day off mutually agreeable to the employee and his/her Department Head. Personnel who are required to work on any of the above holidays as part of their regularly scheduled workweek, with the exception of Thanksgiving, the day after Thanksgiving and Christmas Day, shall receive a day off with pay mutually agreeable to the Department Head and the employee. Newly hired employees hired on or after July 1st of the year of hire shall receive one (1) floating holiday at the time of hire for use during the balance of the calendar year of hire. Except as qualified above, floating holidays shall be credited on January 1st of each year for use during the balance of that calendar year.

All employees who are regularly scheduled to work on the above designated holidays, with the exception of floating holidays, Thanksgiving Day, and the day after Thanksgiving, will be credited with compensatory time for the appropriate number of hours earned. Floating holidays, and holiday compensatory time, may be taken at a time mutually agreeable to the County and the employee. Floating holidays and holiday compensatory time shall not be denied arbitrarily or capriciously. However, the Sheriff, or designee, shall have the sole discretion to limit the number of employees using a floating holiday or holiday compensatory time on any given day according to work requirements, staffing needs, or other legitimate factors.

All employees who are regularly scheduled to work on Thanksgiving Day or the Day after Thanksgiving, shall receive double time pay for the holiday. An employee who works Thanksgiving Day or the day after Thanksgiving Day will not be credited with eight hours of holiday compensatory time.

All unused holiday compensatory time not taken by the end of the first pay date in November shall be converted to cash and paid out to the employee at his/her regular hourly rate in the paycheck covering the first pay date in December. If an employee wants to carry over holiday compensatory time into the new year, then the employee must notify the Sheriff, or his designee, no later than the end of the first pay period in November. Effective upon the ratification of this agreement, no employee shall carry over into the new year more than one hundred and twenty (120) hours of compensatory time.

Effective with calendar year 2003, and in May and September of each year thereafter, each employee shall also be afforded an opportunity to convert some or all of the employee’s then accrued compensatory time under any provision of this Article to
a monetary payment to the employee for such time, such payment to be included in the employee's regular paycheck for the first full pay period in June and October of each year. To take advantage of this opportunity, the employee must deliver by May 31st and by September 30th of each year thereafter, a written election to the County, on a standard form to be promulgated by the County.

b. Estate Payment

The County shall pay to a deceased employee's spouse, or if no spouse to the employee's estate, all of the employee's accrued holiday pay, vacation pay, comp time and any monies other than salary the deceased employee would otherwise be entitled to have received if he/she were alive.

11.4 Personal Leave

Each employee in the defined bargaining unit shall be allowed up to four (4) working days leave per year non-cumulative without any restrictions, upon prior approval of the Department Head, and that approval shall not be unreasonably withheld. For purposes of this section, an employee shall apply for personal leave at least one (1) working day in advance whenever practicable. Any unused personal leave as of December 31st each year will be added to the employee's accrued sick leave which will not exceed the maximum of one hundred and eighty (180) working days.

11.5 Bereavement Leave

Leaves of absence with pay must be granted by the Administrative Unit Head for a period not to exceed three (3) working days because of death in the employee's immediate family. Immediate family is defined as including spouse, parent, grandparent, spouse's parent, child, brother, sister, grandchild, legal guardian or foster parent, or a close relative who is an actual member of the employee's household.

ARTICLE XII
JOB SECURITY

12.1 Seniority

a. Seniority Defined

Employees will acquire seniority upon the successful completion of any required probationary period. Seniority will then date from the initial date of continuous permanent employment in the bargaining unit regardless of length of time in job title. If two (2) or more employees in the same job title have the same seniority date, and if
they were appointed to such title from the same civil service eligible list, then their ranking on the civil service eligible list will establish their order of placement on the seniority list. If two (2) or more employees not in the same job title have the same seniority date, then their order of placement on the seniority list will be determined alphabetically.

Effective upon ratification of the Agreement by both the Local and the County, seniority will date from the initial date of an employee's continuous employment (permanent, contingent, permanent, provisional, or any combination thereof) in the bargaining unit regardless of length of time in job title.

b. Seniority Loss

Any employee will lose seniority by: (1) resignation, retirement, or discharge; or (2) by failure without a reasonable and valid excuse to return to work within ten (10) working days of recall following any authorized absence; or (3) by transfer to a position not covered by this Agreement for a period of at least three (3) months. No employee will lose seniority who returns to work within one year.

c. Seniority Application

i. The County, in its discretion, shall determine whether layoffs are necessary. If it is determined that layoffs are necessary, the layoff and recall rights of competitive class employees shall be governed solely by the Civil Service Law and the Oneida County Civil Service Rules. Department seniority will determine the layoff and recall rights of non-competitive and labor class employees. The employee shall be given at least two (2) weeks notice of any layoff and employees shall be recalled in reverse order of layoff.

ii. Seniority shall also be considered in the preparation of vacation schedules for vacation requests submitted prior to April 1st of the calendar year for which vacation is requested. Vacation requests submitted after April 1st shall be treated on an individual basis by the Sheriff, or designee, with due regard given to the staffing and operating needs of the Department.

With regard to the determination of an employee's pass days and shift assignments of unit employees within job classifications the Sheriff, or designee, shall grant pass days shift assignments based upon the employee's seniority.

With regard to transfers between divisions, and promotions, the Sheriff, or designee, shall give consideration to the employee's seniority,
overall work performance, evaluations, skills any time and attendance problems previously brought to the employee's attention, and prior disciplinary actions, if any, and where these factors are, among the employees concerned, relatively equal in the sole opinion of the Sheriff, or designee, then seniority, as defined in Article 12.2(a) above, shall govern. This provision shall apply prospectively only.

Notwithstanding this, the Sheriff, or designee, shall be authorized to maintain a balance of experienced Correction Officers on each shift. For purposes of this provision, the term "experienced employees" shall be defined as those employees who have at least three (3) years' departmental work experience as a Correction Officer.

iv. When a bid post assignment as specified below becomes vacant (non-Civil Service) within a Division, and the Sheriff, or designee, determines to fill the assignment, said assignment will be posted with a job description and duties for a period of fourteen (14) days:

Following the fourteen (14) day period, applicants will be considered by the Sheriff, and/or designee. The employee's seniority, overall work performance, evaluations, skills, any time and attendance problems previously brought to the employee's attention, and prior disciplinary actions, if any, will be the factors considered with regard to the assignment, and where these factors are, among the employees concerned, relatively equal in the sole opinion of the Sheriff, or designee, then seniority,
as defined in Article 12.1(a) above, shall govern. This provision shall apply prospectively only.

Once an assignment is made and the employee has demonstrated proficiency in the new assignment, the employee shall generally not be removed from the new assignment by the Sheriff, or designee, absent good and compelling reasons associated with the staffing and operating needs of the Department including but not limited to the documented disciplinary record of the employee.

vi. Bid positions that require temporary additional staff must be posted in accordance with this article, prior to assignment of staff. For the purposes of this provision, temporary shall be defined as upon notification that an employee will be out more than thirty (30) days or six weeks continuously.

ARTICLE XIII
UNIFORM AND MEAL ALLOWANCE

13.1 a. The County shall order and pay for uniforms for personnel required to be uniformed. The Employer agrees to furnish as soon as practicable to each uniformed person a minimum of three (3) complete uniforms, three (3) long sleeve, three (3) short sleeve, three (3) pairs of pants and one (1) pair of work boots or work shoes.

Effective January 1, 2006, the County shall provide an annual clothing allowance of $500, for each non-uniformed deputy sheriff. Effective January 1, 2008, this payment shall be increased to $700, for each non-uniformed deputy sheriff. Each correction officer assigned to Central New York Psychiatric Center shall also receive the $500 and/or $700 clothing allowance. The above allowance will be prorated for periods less than six (6) months. Employees issued uniforms by the Employer shall not be eligible for a clothing allowance, except those employees working at Central New York Psychiatric Center.

b. Cleaning Allowance

Cleaning will be done by the County through its contractor for all uniformed and plain-clothes employees, except for employees assigned to the Central New York Psychiatric Center on a regular full-time basis. Those employees at Central New York Psychiatric Center who will not have the cleaning and laundry service available to them will receive a $250 cleaning allowance.

Garments to be submitted for cleaning and laundry shall include outer garments only, including pants, dress shirts, ties, sport or suit jackets, and
overcoats. No leather, suede or perishable materials will be allowed. Cleaning will be for work clothing of a normal, conservative nature only.

13.2 Meal Allowance

Correction Facility Meals - The County agrees to provide meals at no cost only to those Sheriff’s Department employees who are working within the correctional facility, through the Contractual Food Service Agent. The Correction employees must be on duty at the scheduled meal time in order to qualify for this meal, which will be the standard meal provided to the residents. Correction employees may receive either a standard meal as provided for the inmates or they may elect to receive a salad.

An area will be set aside in the correctional facility for Correction’s staff to eat their meals out of the Jail-proper for one-half (1/2) hour, with no interruptions except for emergencies.

Reimbursement Guidelines

a. Meal Allowance While Guarding Jury

The County agrees to reimburse an employee for legitimate meal expenses if that employee is required to guard a jury that is sent to a meal.

Breakfast - $5.00    Lunch - $5.00    Dinner - $12.50

b. Unable to Obtain Meal Break

Employees who are unable to obtain their normal meal break because of their assignment or detail shall receive straight compensatory time of one-half (1/2) hours for such additional time worked.
c. **Overtime Meal Allowance**

An employee who is working overtime beyond the normally scheduled shift will be entitled to a meal allowance for actual expenses incurred up to Article 13.2 rate after working three (3) or more hours. The employee will be required to produce a receipt if the actual expense exceeds $5.00.

d. **Travel**

An employee who is on Department business outside of the county overnight shall receive an allotment for meals at the rate as indicated in the above chart. The number of meals allotted will be determined by the hours and/or days they are out of the county on assigned business. The allotment should be in advance of the trip if possible.

**ARTICLE XIV**

**HEALTH INSURANCE COVERAGE**

14.1 The County shall continue to make available to bargaining unit members and their eligible dependents group health, hospitalization and dental benefits which when viewed as a whole are substantially equivalent to or better than those which existed under the traditional health and dental programs in existence immediately prior to the execution of the Agreement. However, group health and hospitalization benefits shall only be compared with group health and hospitalization benefits. Similarly, dental benefits shall only be compared with dental benefits.

Without limiting any of the County's rights under the Article, the County and the LOCAL 1249 acknowledge, in general terms only, that as of the date of the execution of this Agreement: (1) the basic prescription drug plan co-payments under the traditional health plan are three tier, $5.00/$20.00/$35.00 co-payment system; (2) the annual cash deductible under the traditional health plan is $100 per person subject to a $300 maximum per covered family; and (3) the individual maximum major medical benefit level under the traditional health plan is $100,000 annual/$1,000,000 lifetime.

14.2 The County shall also offer each employee and his/her eligible dependents the option of participating in a single health maintenance organization (HMO) in lieu of participation in the County's traditional health and prescription drug plan. The HMO will be HMO Blue with a three tier, $5.00/$20.00/$35.00 co-payment...
prescription drug rider. If an employee chooses HMO coverage, this option will be in place of benefits currently provided by the traditional health and prescription drug plans.

14.3 Premium Cost Sharing for Health Benefits (exclusive of dental).

Effective 1/1/99, the County shall assume one-hundred (100%) percent of the gross premium cost of health benefits for unit employees hired prior to January 1, 1984, and eighty (80%) percent of the gross premium cost of health benefits for unit employees hired on or after January 1, 1984 but prior to January 1, 1999, according to coverage category (individual, family or individual and minor dependents), based on the plan selected by the employee. For employees hired on or after January 1, 1999, the County shall assume eighty (80%) percent of the gross premium cost for individual coverage and seventy-five (75%) percent of the gross premium cost for any form of dependent coverage, based on the plan selected by the employee. The employee shall bear the remaining cost of said health benefits.

If an employee is unable to perform the duties of his/her employment because of a compensable injury or illness, as defined in the Workers' Compensation Law, received or contracted in the service of the County and receives workers' compensation benefits, the County will continue to contribute its usual share of the gross premium cost for the duration of any authorized leave under Section 71 of the Civil Service Law.

14.4 Premium Cost Sharing for Dental Benefits.

Effective 1/1/99, the County shall also contribute up to $20 per month per covered employee for a dental program offering individual and dependent coverage. The employee shall bear the remaining cost of said dental benefits.

If an employee is unable to perform the duties of his/her employment because of a compensable injury or illness, as defined in the Workers' Compensation Law, received or contracted in the service of the County and receives workers' compensation benefits, the County will continue to contribute its usual share of the gross premium cost for the duration of any authorized leave under Section 71 of the Civil Service Law.

14.5 The County reserves the right to change or provide alternate insurance plans or carriers, HMO's, or benefit levels, or to self-insure, as it deems appropriate for any form or portion of health, prescription drug, and/or dental insurance coverage referred to in this Article, so long as the new coverage and benefits are substantially equivalent to, or better than, the programs existing at the time of any such change. The County agrees to consult with the Union prior to any such change. However, the County will not be responsible for changes unilaterally imposed by an insurance provider, or HMO, in benefits, co-payment provisions, or deductibles so long as the
County uses its best efforts to minimize changes by incumbent insurance providers and HMO's from one plan year to another.

The extent of coverage under the benefit plans, including any HMO's and/or self-insurance plans referred to in this Agreement, shall be governed by the terms and conditions set forth in said policies or plans. Any questions or disputes concerning said insurance policies or plans or benefits thereunder shall be resolved in accordance with the terms and conditions set forth in said policies or plans and shall not be subject to the grievance procedure set forth in this Agreement.

Effective September 1, 1991, the County will pay in a single payment on the first payday of December of each year of the contract period, a lump sum payment to any active employee who would qualify for coverage under the County health insurance plan, providing that the employee does not join or terminate coverage for the prior eleven (11) consecutive months. The payment schedule will reflect the type of coverage which the employee has opted to waive; the payment is made only once a year and there is no additional payment if the employee is not covered by the plan for more than eleven (11) consecutive months. Any employee who is covered as a dependent in the Oneida County Health Insurance Program is not eligible for said lump sum payment. In-lieu waiver forms must be filed by December 31st of the year immediately preceding the year in which the in-lieu payment is sought.

A married couple employed by the County will each retain individual health insurance plans, provided there are no dependent children or a single family plan if there are dependent children.

**ARTICLE XV**

**EDUCATION AND TRAINING**

**15.1 College Level Compensation**

Each employee who achieved thirty (30) graduate credit hours or a Master's Degree in a job-related field will receive $400 in additional compensation. Each employee who has attained a job-related Bachelor's Degree will receive an additional $300 compensation; each employee who has attained a job-related
Associate's Degree will receive an additional $200. These amounts are non-cumulative. Payment shall not be made until proofs of degrees granted are submitted to the Department Head and the Commissioner of Personnel and approved by same.

15.3 Absence to Attend Accredited Courses

Members of Local '1249 may be authorized absence from work with pay to attend an accredited course in job-related law enforcement at Local educational institutions when such course cannot be scheduled during the employee's off duty hours. Such absence must be approved in advance by the Sheriff. Staffing needs of the Sheriff's Department will be among the factors upon which approvals will be granted or rejected. Management reserves the right to make the final decision in applicable cases.

15.3 In-Service Training

Scheduled in-service training, when conducted during an employee's off-duty hours, will be recognized by granting compensatory time.

ARTICLE XVI
EDUCATIONAL REIMBURSEMENT

Employees who wish to take job-related courses at any college in the SUNY system, or at Utica College, may be reimbursed for same under the conditions outlined below. Reimbursement is limited to Associate's and Bachelor's Degree level courses only. Graduate level courses are not eligible for reimbursement.

The County agrees to pay up to a total of two hundred forty dollars ($240) for three-credit hour courses or eighty dollars ($80) per credit hour, but in no event more than two hundred forty dollars ($240) per semester, per applicant, or more than eighty dollars ($80) per credit hour.

The County agrees to support up to a maximum of twenty (20) three-credit hour courses per semester or a total of sixty (60) hours per semester. An employee must have the approval of the Department Head or his designee as to the job-related status of the course, with final approval or disapproval by the Commissioner of Personnel. The County agrees to pay the employee upon presentation of proof of successful completion of the course and paid receipt from the college. All courses will be taken outside the employees' normal working hours. The County Personnel Office will administer this program and establish procedures to be followed.
ARTICLE XVII
LABOR/MANAGEMENT COMMITTEE

The Labor/Management Committee shall consist of the County Executive, Sheriff, the Undersheriff, Union President, Union Vice President, or their designees, and one (1) person from each division to be designated by the Local 1249, and each Division Commander. The Committee shall meet at reasonable times, and at least quarterly, as mutually determined in advance by the Sheriff and the Union President. The parties shall submit a proposed agenda to the other at least ten (10) days prior to each meeting date.

In order to have a frank and open discussion, the committee shall have no authority to modify, add to, or delete any provision of this Agreement.

ARTICLE XVIII
REIMBURSEMENT FOR LOSS OF PERSONAL PROPERTY

The County shall pay for an employee's eyeglasses, dentures, watches and personal clothing or authorized personal property damaged or destroyed while engaged in the performance of his/her duties during his/her on-duty hours. Such payment shall be made only after a written report to the Sheriff including documentation of facts and the value of the damaged or destroyed property.

Any employee who is reimbursed hereunder through insurance litigation or otherwise shall be required to reimburse the County for any payment made to said employee by the County.

Reimbursement shall be computed according to the following formula:

One-half (1/2) the difference arrived at by subtracting the market value of the damaged or destroyed property at the time of damage, from the current replacement value, plus

The market value of the damaged or destroyed property at the time of such damage or destruction.

Market value of the property will be determined through mutual agreement between the Sheriff and the employee filing such claim for reimbursement, or through mutual consultation with an individual qualified to appraise the damaged or destroyed property.
To illustrate the calculation of the amount which would be paid under the formula stated above, the following example is given:

Example: Watch purchased in 1993 for $100 damaged beyond repair in 1999. Jeweler stated value of watch to have been $60 immediately prior to being damaged. 1999 cost of new watch, same model, is $120.00.

<table>
<thead>

</tr>
</thead>
<tbody>
<tr>
<td>Less Market Value at Time of Damage</td>
<td>$60.00</td>
</tr>
<tr>

</tr>
</tbody>
</table>

County would pay market value ($60.00) plus half the difference (one-half of $60.00), or a total of $90.00.

ARTICLE XIX
GRIEVANCE AND ARBITRATION PROCEDURE

19.1 Definitions

The term "employee" shall mean and include all of the employees of the County of Oneida employed in this respective bargaining unit, in full-time budgeted positions.

The term "immediate supervisor" shall mean the employee or officer on the next higher level of authority above the employee in the Department wherein the grievance exists; and who normally assigns and supervises the employee's work and approves his/her time records and evaluates his/her work performance.

The term "days" shall mean all days other than Saturdays, Sundays and legal holidays. Saturdays, Sundays and legal holidays shall be excluded in computing the number of days in which actions must be taken or notice given within the terms of this provision. The time limits specified in this Article shall be of the essence, but may be extended by advance mutual agreement in writing by the County and Local 1249. Strict compliance with the time limits by the employee/Local 1249 shall be a condition precedent for access by Local 1249 to the arbitral stage of the grievance procedure. A failure to reply by the County within the relevant time limits of any particular stage of the grievance procedure shall automatically advance the grievance to the next higher stage of the procedure.

19.2 Declaration of Basic Principles

Every employee shall have the right to present his/her grievance free of coercion, restraint, harassment, discrimination or reprisal and shall have the right to be
represented by any collective bargaining representative at all stages of the grievance procedure, should his/her designated representative not be available, subject to the limits as set forth in Article 12, Job Security.

Further, it is understood and agreed that the respective parties hereto shall make a sincere and determined effort to settle all matters of dispute, in a responsible manner.

19.3 Past Practice

All benefits and rights heretofore provided and condoned by the Employer, which are not specifically modified or abridged by terms of this Agreement, shall continue in effect during the life of this Agreement. Any changes in the law that require the Employer to modify a past practice as defined above will not be subject to this clause.

19.4 Grievance Definition

A grievance is defined as a claimed violation, misinterpretation, or inequitable application of this Agreement or the discipline or discharge of an employee for any reason other than just cause or the alleged violation of any rules or regulations which are or may be promulgated by the County and/or the Sheriff, the violation of which may subject an employee to discipline, termination or dismissal, subject to the limits as set forth in Article 12, Job Security.

Notwithstanding this, any employee covered by this Agreement working in a probationary status may be discharged at the sole discretion of the County and shall not have the right to challenge such discharge pursuant to the grievance and arbitration procedure contained herein. This shall not, however, waive the rights of a probationer whose services are to be terminated for unsatisfactory performance to a written notice of such termination and an interview with the appointing authority, or his/her representatives, under Rule XIV(5) of the Oneida County Civil Service.

19.5 Discipline and Discharge Procedures

An employee covered by this Agreement who has successfully completed his/her probationary period shall be subject to the following procedure for disciplinary and discharge matters in lieu of and in place of the procedures specified in Sections 75, 76 and 77 of the Civil Service Law.

Disciplinary action may include, but is not limited to, written reprimands, suspension, demotion, discharge, loss of paid leave credits, fines, or any combination thereof or other such penalties as may be imposed by the Sheriff. A notice of such discipline shall be made in writing and served upon the employee, by personal service,
or by registered or certified mail. A copy of the notice of discipline shall also be promptly provided to the Unit President and County Commissioner of Personnel. The specific acts for which discipline is being imposed and the penalty shall be specified in the notice, and shall include references to dates, times, and places to the extent practicable.

**NOTE:** A counseling memorandum is not a disciplinary action. An employee's signature on a counseling memorandum indicates only that he/she is aware of the situation.

If the employee disagrees with the disciplinary action, the employee and/or the Local 1249 may submit a grievance at the Stage 3 level of the grievance procedure as specified in Article XIX of this Agreement. Failure to submit a grievance within ten (10) working days of receipt of the Notice of Discipline will constitute acceptance of the imposed penalty by the employee and Local 1249 and the matter will be settled in its entirety. Subject to a mutual written agreement between Local 1249 and the Commissioner of Personnel, the time limit hereinabove specified may be extended.

It is expressly understood that the Sheriff shall be permitted to impose the disciplinary penalty prior to expiration of the ten (10) working day period for submittal of a grievance challenging disciplinary action, except where the intended penalty consists of a discharge from County employment. In such instance, the discharge will be held in abeyance pending the outcome of the grievance procedure. Nonetheless, nothing herein shall be construed as restricting in any manner the Sheriff's authority to suspend an employee without pay in contemplation of dismissal, for example, but not limited to, those instances where the employee's continued presence in the workplace would, in the County's sole judgment, constitute a threat to the safety of persons or property or the security of County operations. However, no employee shall be suspended without pay without a notice of discipline being served upon the employee.

In the event that an employee is suspended without pay, the employee shall be entitled to use his/her accrued unused personal leave, vacation or compensatory time, except sick time, to remain on the County's payroll during such suspension.

An employee shall have the right to be represented in disciplinary matters by a Local 1249 representative if the employee elects to do so. Such right of representation shall extend to any questioning of the employee which may lead to disciplinary action. In those instances where the penalty to be imposed consists of a discharge or a suspension without pay in excess of five (5) workdays, the employee shall be granted a preliminary hearing with the Sheriff, or his designee, prior to service of the notice of discipline. The preliminary hearing shall be informal and may be attended by the employee's Union representative if the employee elects to have a representative present, and shall consist of oral notice to the employee of the allegations against
him/her and an opportunity to respond orally to said allegations. In any event, nothing contained herein shall be construed as limiting the right of an employee to informally resolve the disciplinary matter by settlement with the County and the employee may waive his/her rights to the procedures outlined herein. Any settlement agreed upon between the parties shall be reduced to writing and shall be final and binding upon all parties.

No disciplinary action shall be commenced by the County more than eighteen (18) months after the occurrence of the alleged act(s) for which discipline is being considered provided, however, that such time limitation shall not apply where the act(s) would, if proved in a court of competent jurisdiction, constitute a crime.

The County and Sheriff agree that no employee shall be subjected to disciplinary action or be discharged or demoted or transferred without just cause.

A. Expedited Arbitration

1. In lieu of the procedures specified elsewhere in Article 19 of this Agreement, any arbitrable disciplinary grievance involving the suspension without pay in contemplation of dismissal of an individual employee can, upon election of the Union, be submitted to arbitration under the expedited arbitration procedure hereinafter provided within fourteen (14) calendar days after the filing of a disciplinary grievance under Article 12.1 of this Agreement. The election of this procedure shall be in writing and must be served upon the County and the Sheriff within the fourteen (14) calendar day period. If no such agreement is reached within the fourteen (14) calendar day time period, the arbitration procedure in Article 19.7 shall be followed.

2. In all other grievances involving disciplinary action which are specifically subject to arbitration under Article 19 of this Agreement, the County, Sheriff or Local 1249 may, within fourteen (14) calendar days after the filing of a disciplinary grievance under Article 12.1 of this Agreement, propose to use the expedited arbitration procedure hereinafter provided.

The proposed use of this procedure shall be in writing and must be agreed to in writing by the County, Sheriff, and Local 1249 within the fourteen (14) calendar day period. If no such agreement is reached within the fourteen (14) calendar day time period, the arbitration procedure in Article 19.7 shall be followed.

3. As soon as possible after the Agreement becomes final and binding, the parties shall select a panel of five arbitrators. Each arbitrator shall serve until the termination of the Agreement unless, by mutual agreement, the parties terminate his/her services earlier. The Arbitrator shall be notified.
of his/her termination by a joint letter from the parties. A successor arbitrator shall then be mutually selected by the parties.

4. The procedure for expedited arbitration shall be as follows:

a. Arbitrators will be picked on a rotating basis.

1. The Panel of Arbitrators shall initially be assigned a number, i.e., one (1) through five (5) by a random drawing.

2. The Arbitrators shall be placed in order by their assigned number.

3. When a case is selected for expedited arbitration, the parties will start with the first arbitrator in rank order on the panel list.

4. Should that arbitrator be unable or unwilling to serve on the particular case, the parties will call the next arbitrator in rank order on the panel list.

5. The next arbitrator in rank order below the arbitrator who is selected to hear the case will be the first arbitrator called to hear the next case.

b. After an arbitrator has been selected, the parties shall immediately notify the arbitrator in writing of the demand for arbitration.

c. The arbitrator shall notify the parties in writing of the date, time, and place of the hearing, which notice must be given at least seven (7) days in advance. The hearing must commence within thirty (30) calendar days of the arbitrator's selection.

d. The hearing shall be conducted by the arbitrator in whatever manner will most expeditiously permit full presentation of the evidence and arguments of the parties. The arbitrator shall make an appropriate minute of the proceedings. Normally, the hearing shall be completed within one (1) day. In unusual circumstances and for good cause shown, the arbitrator may schedule an additional hearing to be held within seven (7) days.
The parties shall present an oral closing argument of the case. There shall be no post-hearing briefs.

The award shall be rendered promptly by the arbitrator and, unless otherwise agreed by the parties, no later than seven (7) days from the date of the closing of the hearing. The arbitrator’s award shall be signed by the arbitrator. If the arbitrator determines that an opinion is necessary, it shall be in summary form.

The time limits herein may be extended by mutual agreement of the parties for good cause shown. Such extensions shall not circumvent the purpose of this procedure.

The decision of the arbitrator will be final and binding.

The power, authority and restrictions generally applicable to the arbitrator under Article XIX of this Agreement shall also apply under this expedited arbitration procedure.

19.6 Grievance Procedure

First Stage

(a) Any employee who claims to have a grievance shall present his/her grievance to his/her immediate supervisor, orally, within ten (10) days after either the grievance occurs, or within ten (10) days after the employee has actual knowledge of the act or omission complained of, whichever occurs first.

(b) The immediate supervisor shall discuss the grievance with the employee, shall make such investigation as he/her deems appropriate, all on an informal basis.

(c) Within five (5) days after presentation of the oral grievance to him/her, the immediate supervisor shall make a decision with respect to the grievance, and shall communicate his/her decision, orally, to the employee involved.

Second Stage

(a) If either the employee be not satisfied with the decision of his/her immediate supervisor, or if in the event his/her immediate supervisor does not issue and orally communicate his/her decision to the employee within the mandatory five (5) day time limit, the employee shall, within five (5) days thereafter submit his/her
grievance, in writing, to a union steward who must then deliver the written grievance to the highest ranking official in the employee's chain of command below the rank of Chief within five (5) days of receipt of the grievance. The steward shall attempt to resolve the grievance with the employee's highest ranking official in the employee's chain of command below the rank of Chief and in the event that the steward and the highest ranking official in the employee's chain of command below the rank of Chief are unable to agree on a settlement mutually satisfactory to all parties concerned, the highest ranking official in the employee's chain of command below the rank of Chief within five (5) days of the receipt of the written grievance shall issue a written decision and communicate same to the employee and the steward involved.

**Third Stage**

(a). In the event that the grievance is not resolved within Stage 2, or in the event the highest ranking official in the aggrieved employee's, or employees', chain of command below the rank of Chief does not issue a timely written decision at Stage 2, the aggrieved employee(s) may submit, within five (5) days after the Stage 2 reply of the County is given or is due, the written grievance to the Sheriff. The Sheriff, and/or his designee(s), shall meet with the aggrieved employee(s) and Local 1249 representative(s), if any, within thirty (30) days, for the purpose of reviewing and discussing in good faith the allegations of the grievance. The parties acknowledge that this meeting is essential to the prompt and effective administration of the grievance procedure. At the request of either Local 1249 or the Sheriff/Department Head, legal counsel, or other outside designee, of both Local 1249 and Employer shall attend the Stage 3 meeting to facilitate settlement discussions.

(b). Within ten (10) days after the Third Stage meeting referenced above, or within fifteen (15) days after the written grievance has been submitted to the Sheriff, the Sheriff, or his designee, shall issue a written decision, and shall deliver same to the employee(s) filing the grievance, and to the Local 1249.

**Appellate Stage**

(a) In the event the grievance is not satisfactorily resolved through the initial stages of the grievance procedure, Local 1249, and only Local 1249, may proceed and shall within ten (10) working days after the Sheriff's written decision, or within ten (10) days after the time within which the Sheriff should have issued a written decision, notify the Sheriff, in writing, that it desires to have an arbitrator hear the matter. The County and Local 1249 will select the arbitrator from lists submitted to them by PERB. The selection of the arbitrator and the arbitration proceeding shall be conducted in accordance with the then current PERB rules for voluntary grievance arbitration. If arbitration is not requested as set forth in this Stage, it shall be deemed waived, and the grievance resolved on the basis of the response of the Sheriff at Stage 3.
(b) The arbitrator shall have no authority to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. The arbitrator shall be empowered to determine the issue(s) raised by the grievance, if the parties are unable to stipulate the issue(s). The arbitrator shall be without power to make any decision or award which is contrary to, or inconsistent with, in any way, applicable laws, or rules or regulations of administrative bodies that have the force and effect of law. Any decision or award of the arbitrator rendered within the limitations of this section shall be final and binding upon the Employer, Local 1249, and the employees covered by this Agreement.

(c) Costs, fees or expenses of the arbitrator, if any, will be borne by the losing party.

(d) The arbitrator's decision will be in writing and will set forth his/her findings of fact, reasoning and conclusion(s) on the issue(s). If the arbitrator finds a violation of a specific provision of this Agreement, the arbitrator's award shall not be retroactive in its effects any earlier than five (5) working days preceding the filing of the grievance.

ARTICLE XIX-A
COUNSELING

19-A.1 Definitions

The term “Record of Verbal Counseling” shall mean a written record of a verbal counseling session where a supervisor has discussed specific or non-specific employee conduct, a behavior or particular job performance either positive or negative.

The term “Counseling Memorandum” shall mean any written communication between an employee and supervisor regarding specific employee conduct, a behavior, or particular job performance either positive or negative. Counseling memoranda do not constitute any form of discipline.

19-A.2 Counseling

Counseling is an effort on the part of a supervisor to provide a subordinate employee significant feedback, either positive or negative, concerning the employee's activity as it pertains to the workplace. It is meant to be a constructive communications device, clarifying what has, or has not, occurred, and what is expected. Counseling does not constitute disciplinary action, but rather is for the purpose of fostering employee development, or teaching or modifying behavior. It involves face-to-face contact, an out of respect for the employee and the process, should be conducted in private. Under most circumstances, counseling should involve only two individuals - the supervisor and the employee.
Not all incidents require counseling, and not all counseling sessions require the issuance of a counseling memo or a record of verbal counseling by the supervisor. However, when the supervisor decides in his/her discretion to issue a counseling memo or a record of verbal counseling, the memo should describe the counseling session in fair and accurate terms and set forth clear expectations for the future. The employee may be directed by the supervisor to sign the record of verbal counseling or counseling memo to acknowledge its receipt by the employee. Such signature shall not indicate the employee's agreement or disagreement, only that the employee has received a copy of the memo. Any memo shall be placed in the employee's personnel file(s) and the employee shall have the right to attach a written response, or written explanation to the memo within five (5) days of its receipt. These memoranda shall be removed from the employee's personnel file(s) upon written request of the employee submitted no earlier than two (2) years after the date the counseling memo is issued.

The procedural elements of this Article, but not the substance of record of verbal counseling or counseling memo may be grounds for filing a grievance under Article XIX of this Agreement.

**ARTICLE XX**

**ACCESS TO PERSONNEL RECORDS**

20.1 An employee shall have the right to review his/her personnel records that are on file in the Sheriff's Department (or other official location), within five (5) days of having made a written request to the Sheriff/Department Head. The employee may request a copy of all or any part of the records contained in the personnel file.

20.2 The official personnel records will only consist of those records contained in the personnel file in the Office of Commissioner of Personnel and only those records contained in the personnel file in the Office of Sheriff of Oneida County. For the purpose of this section, secondary locations of records in the Office of the Commissioner of Personnel or Sheriff shall not be included in the official personnel records.

**ARTICLE XXI**

**REVIEW OF REALLOCATION AND RECLASSIFICATION**

The County agrees to review reallocation and reclassification of titles within the defined unit. A committee shall be appointed by the County Executive to which the Union may bring its requests for reallocation and reclassification and the said Committee shall review and present its recommendations to the County Executive within thirty (30) days after receipt of same from Local 1249. The County Executive may, within thirty (30) days after receipt of the Committee's recommendations present
his recommendations to the Board of Legislators. The Committee and the County Executive shall notify Local 1249 of the recommendations they intend to present to the Board of Legislators and reasons for not making any recommendations if such is the case. The County Executive shall also advise Local 1249 of the date on which he intends to present his recommendations to the Board of Legislators.

The Reallocation and Reclassification Committee shall be composed of three (3) members: two (2) members from the County management and one (1) from the bargaining unit. Local 1249 will designate the member from the bargaining unit. The County members will be designated by the County Executive. The County Executive will give serious consideration to any recommendation made by this Committee.

POLICY: The Sheriff of Oneida County, together with the Oneida County Sheriff's Department Employees Local 1249 (Employee Labor Organization), have devised a fair and just way of covering post assignments, left vacant by an employee, utilizing both voluntary and mandatory overtime scheduling methods.

PURPOSE: To ensure proper security and support coverage in the facility, while maintaining fair and equitable overtime assignments.

DEFINITION OF TERMS: (For the purpose of this Policy and Procedure)
SENIORITY: Employees will acquire seniority upon the completion of any probationary period. Seniority will then accrue beginning on the initial date of the continuous employment in a bargaining unit position.

SENIORITY LIST: A list of Officers assigned to each Unit or shift, starting from the least senior Officer to the most senior Officer, in descending order.

VOLUNTARY OVERTIME: Necessary overtime assignments worked by Officers that are not mandated (ordered to perform), in which the most senior Officers continuing to the least senior Officers may volunteer, in addition to their regular 40 hour work week.

MANDATORY OVERTIME: Necessary overtime assignments worked by Officer as ordered by a Shift Supervisor, to be worked in addition to their regular 40 hour work week.
MANDATORY OVERTIME LIST: A perpetual list of Officers assigned to each Unit or shift, available for overtime as ordered, initially starting from the least senior Officer and continuing to the most senior Officer.

ROTATION OF MANDATORY OVERTIME LIST: After Officers who have been ordered and have performed overtime as required, their name will go to the bottom of the Mandatory Overtime List. Volunteer Overtime does apply to the Mandatory Overtime List.

OVERTIME PAYMENT: Staff that have worked in addition to their duty assignments, over 8 hours a day or over the 40 hours work week (Thursday through Wednesday), have the option to receive pay at 1 and 1/2 times their regular hourly wage or receive compensatory time at 1 and 1/2 times the amount of time actually worked, in accordance with the provisions of the applicable collective bargaining agreement. Employees and trainers participating in In-service Training will receive compensatory time only.

Qualified: Employees who have satisfactorily completed training (approved, specialized, and mandated by Policy and Procedure) for the individual post required to be filled.

PROCEDURE:

1. VOLUNTARY OVERTIME ASSIGNMENTS (SCHEDULED)

   A) When it is determined in advance that there is a need for overtime, the Shift Supervisor will:

      1. Solicit qualified volunteers to work overtime from their unit/shift.

         (a) Attempts will be made to the extent practical to ensure that all qualified members of the unit/shift are given the opportunity to volunteer for the assignment.

         (b) Assignments will be distributed to qualified volunteers within the unit/shift who are the most senior.

         (c) Assignments will be made at least 24 hours in advance of the required duty, when practical.

         (d) Officers volunteering for overtime are committed to perform the overtime as scheduled duty.
(e) Commitments made for voluntary overtime 24 hours prior to the actual duty, will not be infringed upon.

2. If there are no volunteers from within the unit/shift, solicit qualified volunteers from other units/shifts.

(a) Voluntary overtime assignments for other unit/shift members will be administered following the steps outlined in Section A(1)(b, c, d, e).

2. VOLUNTARY OVERTIME ASSIGNMENTS: (UNSCHEDULED)

A. In the event of an unscheduled need to fill a post, the Shift Supervisor will:

1. Solicit qualified volunteers from their unit/shift, present for duty at the time of need.

(a) The overtime assignment will be given to the qualified volunteer who is the most senior.

3. MANDATORY OVERTIME ASSIGNMENTS:

A. In the event there are no qualified volunteers, the Shift Supervisor will:

1. Utilize the Mandatory Overtime List of all Officers assigned to their unit/shift.

(a) Assign the overtime to the first available qualified officer on duty, at the top of the Mandatory Overtime List.

(1) If more than one officer is needed for overtime, the Supervisor will continue down the list until all posts are filled with qualified officers.

(2) Names of officers not on duty will remain at the top of the Mandatory Overtime List until they have been assigned and worked mandatory overtime.

(3) The names on the Mandatory Overtime List move perpetually from the top to the bottom, following the assignment and working of mandatory overtime.
B. New employees assigned or employees reassigned to units/shifts will be placed on the Mandatory Overtime List preceding the employee on the assigned unit/shift they follow in seniority.

4. POST ASSIGNMENT (SPECIALIZED)

A. In the event a post requiring specialized training is vacant, the Shift Supervisor will:

1. Solicit from within their unit/shift for specially trained employees available to fill the vacancy.
   
   (a) Adjust schedule as necessary to fill specialized post.
   
   (b) Solicit following established procedure to fill the vacancy created.

2. When there are no specially trained employees on their unit/shift, solicit for specially trained employees from other units/shifts following established procedure.

3. This does not preclude employees from volunteering or being assigned overtime. Supervisors are authorized to adjust the post assignments to fill vacated posts with qualified employees.

MEMORANDUM OF AGREEMENT BETWEEN THE ONEIDA COUNTY SHERIFF'S EMPLOYEES, LOCAL 1249, ONEIDA COUNTY AND THE ONEIDA COUNTY SHERIFF.

WHEREAS, ONEIDA COUNTY AND THE ONEIDA COUNTY SHERIFF ("COUNTY") AND THE ONEIDA COUNTY SHERIFF'S EMPLOYEES, LOCAL 1249 ("UNION") are parties to a collective bargaining agreement that is currently in negotiations; and

WHEREAS, questions have been raised regarding the intent of certain clauses in the 207-c agreement negotiated along with the other terms and conditions in the collective bargaining agreement, and

WHEREAS, the parties wish to enter into this MOA in order to resolve the ambiguous areas;

NOW, THEREFORE, it is hereby agreed that the intent of certain sections of the 207-c procedure are clarified as follows:

As to Section 3(E)(4)(b) and 5(B)(2), the parties agrees that the intent of this provision is not to require the employer to turnover surveillance tapes pursuant to a document request. However, this does not waive the employee's right to subpoena surveillance tapes, if permissible. The employer reserves all rights in relation to compliance or non-compliance with the subpoena.

As to Section 5(C)(1)(a), the parties agree that the Oneida County Sheriff's department currently maintains policies and procedures relative to light duty assignments. This reference was to merely identify that said policy or procedure exists. Nothing in this provision modifies or alters the nature of the employer's current or past utilization of these policies and procedures or limits the employer's alteration of the policies and procedures, if permissible.

As to Section 6(A), the Union maintains that during negotiations, the parties did not discuss whether the employer may suspend an employee's benefits if the employee is suspended in contemplation of termination. Further, the union knows of no past practice regarding this. Accordingly, the union cannot amend this section. However, the union agrees that the employer reserves any statutory or management rights it may have in relation to any disciplinary matters that involve members receiving 207-c benefits.
As to Section 7, the parties agree that this language is not intended to make hearings pursuant to the policy subject to de novo review and the burden of proof reference simply intends to clarify that the County has to show that its decision is supported by substantial evidence. This wording is not intended to modify or change the manner or method in which the County conducts the hearing.

As to Section 8(b), the parties agree that if an employee is granted ordinary disability benefits, the 207-c benefits would cease and that the County may file an application for any disability retirement which it is authorized to do so by law or statute.

As to Section 9, the parties agree that the term “eligible benefits” does not require the employer to allow an employee to continue to accrue leave benefits, including but not limited to, sick and vacation while on 207-c disability leave.

The intent of Section 5(B) is to ensure that the County continues with its current policy of providing written notice to the employee ordering them to return to work and advising them of their right to appeal said order.

It is further agreed that this memorandum of agreement will be made a part of the collective bargaining agreement upon ratification of the collective bargaining agreement by the Oneida County Legislature. It is further agreed by the parties that language reflecting the intent of this memorandum will be incorporated into the 207-c procedure during the next collective bargaining negotiations.
