   (a) The Union shall deliver to the Village a written notice as to the amount of membership dues regularly charged;

   (b) The Union shall deliver to the Village a written notice as to the amount of initiation fee regularly charged;

   (c) Dues for a bi-weekly period shall be deducted from the employee's pay, after taxes and all other lawful deductions or withholdings, received on the first pay day of the month;

   (e) The Union shall indemnify and save the Village harmless from and against any and all claims, demands, suits and all other forms of liability that may arise as a result of any action taken by the Village for the purpose of complying with the check-off provisions of this Agreement.

2. The Village will deduct from the bi-weekly paycheck of each employee, choosing not to become a member of the Union, a service fee equivalent to the current amount of dues charged for membership in the Union provided that the Village has received, from each employee on whose account such deductions are due to be made, a written authorization and assignment of such service fee according to the form set forth in Exhibit "B" attached hereto and made a part hereof, which has been completed and voluntarily executed by the employee, which authorization shall remain in effect until revoked by the employee, or until the termination of this Agreement, whichever is earlier, under the following conditions:

1. Except as otherwise provided for in this Agreement, the Village retains the exclusive right to determine the standards of service to be offered by it; to set the standards of selection for employment; to hire, direct and schedule the working force, to plan, direct and to control operations; to determine the methods, means and personnel by which its operations are to be conducted; to take disciplinary actions with respect to employees; to layoff its employees from duty because of lack of work or for other legitimate reasons; to discontinue or reorganize or combine any division or department of operations with any consequent reduction or other changes in the working force; to promulgate rules and regulations dealing with an employee's sanitary and hygiene condition and dress code that are reasonably related to the employee's interaction with other employees and/or residents of the Village and/or the performance of the employee's duties; to promulgate rules and regulations that are designed to provide an alcohol and drug free work place; to exercise control and discretion over its organization and facilities, methods, means and technology of performing its work; to take all necessary actions to carry out its mission in emergencies; and, in addition, to retain any and all the rights, powers and authority the Village has prior to entering into this Agreement, including but not limited to the ordinary and customary functions of management.

ARTICLE 6
ANTI-DISCRIMINATION

1. Neither the Village nor the Union shall discriminate against any employee because of his or her membership or non-membership in the Union.

2. The Village and the Union agree that they will not discriminate against any employee because of race, creed, color, religious belief, sex, age, physical disability or national origin, now or as may be further provided by law.

Village of Liverpool- DPW  June 1, 2014 to May 31, 2017
ARTICLE 7
STRIKES, WORK STOPPAGES AND LOCKOUTS

1. During the term of this Agreement, neither the Union, its officers nor the bargaining unit employees shall engage in any strike, slowdown or work stoppage, or in any manner restrict the Village's operations.

2. If any employee instigates, gives leadership to or participates in a strike, slowdown, work stoppage or any action designed to restrict the Village's operations, such action shall be sufficient cause for discharge or other discipline as the Village in its sole discretion deems advisable. Any employee who believes that such discipline or discharge by the Village is without cause shall have recourse to the grievance procedure, but solely on the question as to whether or not he did in fact engage in any such activity.

3. The Village agrees, during the term of this Agreement, that it will not cause or permit any lockout of the bargaining unit employees.

ARTICLE 8
GRIEVANCE AND ARBITRATION PROCEDURE

1. A grievance shall be any matter involving interpretation or application of this Agreement and shall be subject to the following procedure:

   Step 1. An aggrieved employee(s) may file a written grievance with the Superintendent of Public Works within five (5) work days after the occurrence of the alleged violation, or if it concerns an alleged continuing violation, then it must be filed within five (5) work days after the alleged violation first became known or should have become known to the employee involved. The Superintendent of Public Works shall answer the grievance, in writing, within five (5) work days of its receipt.

   Step 2. If the grievant does not agree with the Step 1 answer given by the Superintendent of Public Works, or if the Superintendent of Public Works did not answer within the five (5) work day time limit, the grievant may file an appeal with the Village Board of Trustees. Such appeal shall be in writing and filed with the Village Clerk within ten (10) work days of the Step 1 answer, or within ten (10) work days of the last day for a Step 1 answer if no answer is given by the Superintendent of Public Works.

   Within ten (10) work days after the receipt of an appeal, the Village Board of Trustees shall conduct a hearing on the grievance. The hearing shall not be open to the general public but shall rather be conducted in a manner similar to an executive session of a meeting of the Village Board of Trustees.
Within ten (10) work days after the conclusion of the hearing, the Village Board of Trustees shall render a decision, in writing, on the grievance. Such decision shall be transmitted to the grievant and all necessary parties.

**Step 3.** If the Union is not satisfied with the decision of the Village Board of Trustees at Step 2, then the Union must file a demand for arbitration with the American Arbitration Association within ten (10) calendar days of the Step 2 decision. The Arbitrator shall be mutually selected by the parties from a list provided by the American Arbitration Association.

All grievances shall be submitted on a form supplied by the Union, a copy of which is attached to this Agreement as Exhibit "C" and made a part hereof.

2. An arbitrator to whom any grievance shall be submitted shall have jurisdiction and authorization to interpret and apply the provisions of this Agreement insofar as shall be necessary to the determination of such grievance. However, the arbitrator shall have no power to add to, subtract from or change any of the provisions of this Agreement, nor to impose any obligation which is not specifically set forth in this Agreement. Where an arbitrator provides for an award of back pay, the arbitrator shall provide that the back pay award be reduced by the amount of any interim earnings or unemployment insurance benefits received. The decision of the arbitrator shall be final and binding on the parties.

3. The fees and expenses of the arbitrator shall be shared equally by the Union and the Village. Each party shall bear the expense of the preparation and presentation of its own case.

4. Any settlement between the Village and the Union at any stage of the grievance procedure shall be binding on the Village, the Union and the aggrieved employee or employees.

5. Unless the grievance is raised, served in writing, referred, appealed and submitted to arbitration within the time limit that each step sets forth in this Agreement, it shall be deemed that the parties have waived the right to proceed further with the grievance and arbitration procedure and the matter shall be deemed closed. However, upon failure of the Village to respond to a grievance within the specified time limit, the grievance shall automatically proceed to the next step. The time limits set forth in this Agreement may only be extended by the written consent of both the Village and the Union.

6. The time limits specified in this Article may be waived by mutual written consent of the parties.

7. At all steps of the grievance procedure, the grievant and the Union representative at interest shall disclose to the Village's representative a full and detailed statement of the facts relied upon, the remedy sought and the provisions of the Agreement relieved upon.
In the same manner, the Village's representative shall disclose all the pertinent facts relied upon in its proposed settlement of any grievance.

8. The cost of an employee witness at an arbitration proceeding initiated by the Union shall be borne by the party requesting the presence of the employee witness. The cost of other witnesses at a grievance procedure meeting or an arbitration proceeding shall be borne by the party requesting the presence of the other witness.

9. A new employee shall not be considered a regular employee but rather shall be considered a probationary employee until such time as he or she shall have completed the probationary period established in Article "" of this Agreement. A probationary employee may be discharged or laid off at any time during the probationary period without employee and/or Union recourse to the grievance and arbitration procedure.

ARTICLE 9
SENIORITY

1. For purposes of, and as used in this Agreement, seniority shall mean an employee's continuous length of service in the bargaining unit from his or her most recent date of hire. An employee shall not accrue seniority while on a leave of absence. Seniority shall be the determining factor in matters affecting layoff, recall, transfers, demotions, promotions, and job opportunities, provided, the employee with the most seniority possesses the skills and abilities to independently and efficiently perform the duties of the job in question, without additional training, to the reasonable satisfaction of the Village.

2. New employees shall be considered as probationary employees for a period of ninety (90) days. After the ninety (90) day period, they shall cease to be probationary employees and their seniority shall be dated as of their date of hire. During the probationary period, employees shall be subject to termination without regard to cause or recourse to any of the provisions of this Agreement.

3. Employees shall be terminated and seniority shall be broken for any of the following reasons:

   (a) If the employee quits;

   (b) If the employee is discharged for just cause;

   (c) If the employee is absent for three (3) consecutive work days without properly notifying the Village consistent with the provisions of Article 16 of this Agreement;

   (d) If the employee fails to report to work within three (3) work days from the date specified in the notice to report (which shall be mailed to the employee
by the Village at least seven (7) days in advance of the report date by
certified mail, return receipt requested) recalling that employee from layoff;

(e) If the employee is working a second job or is engaged in self-employment,
which, in the reasonable opinion of the Superintendent of Public Works,
following a thorough discussion of the matter with the employee, would create a
conflict of interest, a conflict of time, or would in any other way interfere with the
employee's performance of his or her job with the Village;

(f) If the employee is laid-off for a period of twelve (12) consecutive months or a
period exceeding the employee's length of continuous service, whichever is
less;

(g) If the employee fails to report to work upon termination of a vacation or a
leave of absence and is not otherwise excused; and

(h) If the employee retires.

ARTICLE 10
EMPLOYEE ADDRESS AND TELEPHONE NUMBER

1. It shall be the responsibility of each employee to keep the Village informed of his or her
current address and telephone number where he or she can be notified of emergencies,
changes in schedules, disciplinary actions, overtime assignments and other matters,
including but not limited to snow plowing.

2. Employee telephone numbers that are unlisted shall be held in strict confidence by the
Village and used for no other purpose than contact by the Village.

ARTICLE 11
HOURS, WORK SCHEDULES, OVERTIME PAY,
REST AND LUNCH PERIODS, CALL-IN PAY, RECALL PAY

1. A standard work week shall consist of seven (7) consecutive workdays, commencing at
12:01 a.m. each Sunday and ending at Midnight on the following Saturday, with full-time
employees normally working forty (40) hours per work week. A standard workweek shall
consist of five (5) consecutive workdays of eight (8) hours each, Monday through Friday,
starting at 7:00 a.m. and ending at 3:30 p.m., with an unpaid one-half (1/2) hour lunch
period. All hours worked within this seven (7) day period will be the basis for determining a
particular employee's pay for that week. Work schedules for each employee shall be
determined by the Village and the Village reserves the right to modify any employee's
schedule upon reasonable notice when said modification is deemed necessary to
accommodate the operational needs of the Village. However, nothing herein shall be considered as a guarantee of any number of hours per day or days of work per week.

2. (a) Employees may be required, at the election of the Village, to work a reasonable amount of overtime. The Village shall establish rules and regulations regarding the overtime selection and provide the Union with a copy of these rules and regulations. Overtime opportunities among employees will be equalized as nearly as practicable. Any employee who refuses an overtime assignment without a reason satisfactory to the Superintendent of Public Works, or his or her designee, will be charged, for equalization purposes, as if he or she had worked such overtime. A record of all overtime will be kept by the Village.

(b) All work performed by an employee over forty (40) hours in a workweek or over eight (8) hours in a workday shall be paid at the rate of one and one-half (1 1/2) times the employee's regular hourly rate of pay. Overtime must be authorized and approved by the Superintendent of Public Works to qualify for the premium pay provided for in this paragraph. Only hours actually worked will be counted in determining the requirement for overtime payments. In no case will there be a duplication, or pyramiding of overtime for the same work hours. Except as now or hereinafter provided by law, hours paid for but not worked (including but not limited to vacations, leaves of absence, jury duty, sick leave, etc.) shall not be considered hours worked for purposes of calculating overtime.

3. (a) All employees shall receive two (2) fifteen (15) minute rest periods each workday with pay. Employees shall take their rest period at any site within the Village. For purposes of this paragraph, "work site" shall be defined to be the physical location where the employee is working at the time except that employees engaged in snow plowing during the Winter months (November - April) shall be permitted to take their rest periods anywhere in the Village of Liverpool. Rest periods shall not be taken in vehicles during the winter months.

(b) Employees required to work four (4) hours or more beyond their normal quitting time shall receive an additional fifteen (15) minute rest period with pay which rest period shall be taken consistent with the rules set forth in subparagraph 3(a) above.

4. In no case will there be a duplication, or pyramiding of premium pay for the same work hours.

5. A bargaining unit employee notified to report for work and who reports for work at his or her regularly scheduled time, unless notice not to report has been completed as hereinafter provided, will receive at least four (4) hours work or four (4) hours pay at his or her regular hourly rate. The bargaining unit employee so reporting may be assigned to other available work in lieu of being released, and if such bargaining unit employee refuses such assignment or leaves the premises of the Department of Public Works, he or she shall not be entitled to the reporting allowance described above. Notice to a bargaining unit employee not to report on a given shift shall be complete (a) if posted on the Village's
bulletin board at least one-half hour before the end of the employee's regularly scheduled preceding shift, or (b) if given verbally or in writing by the Village at least two (2) hours before the start of the employee's regularly scheduled shift.

6. If a bargaining unit employee, after leaving the Department of Public Works after working the hours which he or she was scheduled to work on that day, is recalled to work within the same workday, he or she shall receive a minimum of four (4) hours of work or four (4) hours of pay or a combination of the two, at one and one-half (1 1/2) times his or her regular hourly rate of pay. If, however, the employee left work before working the hours he or she was scheduled to work and without being directed to leave by the Village, then if the employee is recalled to work on that same day, the first hours worked or compensated for will be at his or her regular hourly rate of pay until the total number of hours worked by the employee or for which the employee was compensated totals the number of hours he or she was regularly scheduled to work that day. Thereafter, the employee will receive compensation at one and one-half (1 1/2) times his or regular hourly rate of pay.

**ARTICLE 13**

**LAYOFF AND RECALL**

1. The Village, in its sole discretion, shall determine if and when layoffs are necessary.

2. In the event of layoff, the employee(s) with the greatest seniority will be retained, provided that the employee(s) retained are capable of efficiently performing the duties of the job, without training, for which he, she or they are being retained and said layoff shall be accomplished in the following manner:

   (a) Casual and probationary employees shall be laid off first;

   (b) Thereafter, permanent employees having seniority shall be laid off in the inverse order of seniority, that is, last in, first out.

3. In recalling employees who have been laid off under the seniority provisions of this Article, they shall be recalled in the reverse order of their layoff, providing the employee is capable of efficiently performing the duties of the job he or she is being recalled to perform. Notice of recall (which shall be mailed to the employee by the Village at least seven (7) days in advance of the report date) shall be sent to the employee at his or her last known address by certified mail, return receipt requested, and a copy shall be sent to the bargaining unit Business Agent. If the employee fails to report to work within three (3) workdays from the date specified in the notice to report recalling that employee from recall, then the provisions of Article 9, Section 3(d) shall be applicable. The Village shall be deemed to have fulfilled its obligation by mailing the recall notice by certified mail, return receipt requested, to the mailing address provided by the employee, it being the obligation and responsibility of the employee to provide the Village with his or her latest mailing address.
4. An employee who is recalled from layoff shall have his or her previously earned and unused sick leave restored to him or her.

5. An employee recalled to work from layoff shall be given seniority credit for the time on layoff provided his or her seniority has not otherwise been broken as provided in Article 9 of this Agreement.

6. Casual or probationary employees who have been laid off shall have no recall privileges.

ARTICLE 14
BIDDING

1. When a permanent job vacancy occurs in the bargaining unit, and the Village intends to fill the vacancy, or in the event of the creation of a new job within the bargaining unit, the job shall be posted on the Village bulletin board for a period of seven (7) calendar days to permit interested employees to bid for the job. Each bargaining unit employee who has successfully completed his or her probationary period may submit a job bid form for the posted position prior to the end of the posting period. The job will be awarded to the employee who, in the opinion of the Village, during up to a thirty (30) day trial, training and orientation period (which may be extended by the mutual agreement of the Village and the Union) demonstrates that he or she possesses the necessary skills, abilities, qualifications and/or experience to independently and efficiently perform the duties of the posted job. Where the skills and abilities are approximately equal, the job will be awarded to the employee with the greatest amount of seniority. If an employee bids on a posted job and it is determined by the Village during or after the trial, training and orientation period that he or she does not possess the necessary standards of knowledge and/or experience to independently and efficiently perform the duties of the posted job, the Village will return the employee to his or her former job and the Village may consider the next senior bidding bargaining unit employee, using the same procedure, until the posted job is filled.

2. Any person who is assigned to a job as a result of a job posting will not be eligible to bid on another job for a period of twelve (12) months.

3. If a person so assigned is incapable of efficiently performing the duties of the posted job and he or she is returned to his or her former job (regardless of whether the Village makes the determination during or immediately after the trial, training and orientation period or after the employee has been assigned to the job), his or her disqualification will in no way affect his or her seniority or job assignment except that he or she will not be eligible to bid again for that job until or unless he or she becomes qualified at a later date.

4. The foregoing procedure will not apply to filling secondary vacancies created thereby, which shall be left to the discretion of the Village.

Village of Liverpool- DPW June 1, 2014 to May 31, 2017
5. Any employee who bids on a posted job and who, after being informed that he or she has been awarded the posted job, advises the Village that he or she does not want the posted job, shall be ineligible to submit any bids for a period of twelve (12) months from the date of the employee's rejection of the awarded job.

6. All bids for posted job openings shall be submitted to the Superintendent of Public Works.

7. Posted jobs shall be awarded as soon as possible but no later than thirty (30) calendar days from the end of the posting period. If the Village does not choose to fill the posted vacancy for a position in the bargaining unit for which bids from bargaining unit employees have been received, the Village will notify the bidders within thirty (30) days of the close of posting so that the employees who bid will be aware of the status of the position.

8. The Village shall have the right to temporarily fill the vacancy of the posted job completion of the bidding process and may simultaneously solicit applications from outside the Village.

9. If there are no qualified applicants for the posted job from the bargaining unit, the Village reserves the right to hire from outside the bargaining unit.

ARTICLE 15
RULES OF CONDUCT, DISCIPLINE, DISCHARGE

1. The Village reserves the right to adopt, and thereafter change and modify, rules of conduct necessary for the safe, orderly and efficient operation of the Village and the Department of Public Works. Copies of all adopted rules of conduct shall be provided to the Union and all employees. Once received, employees shall comply with all rules of conduct. Changes in any rules of conduct shall not become effective until the Union shall have received a copy of said changes.

2. The Village agrees to furnish each employee with a copy of all adopted, changed or modified written rules of conduct.

3. All bargaining unit employees shall be obligated to comply with all rules of conduct. A violation of the rules of conduct shall be the basis for disciplinary action by the Village.

4. It is mutually agreed that any employee who has successfully completed his or her probationary period will not be disciplined or discharged without just cause.

5. A bargaining unit employee will not be disciplined for an act(s) which occurred more than fifteen (15) days prior to the issuance of discipline, unless the Village was without knowledge of the act, in which case the fifteen (15) days will be measured from the date the Village should reasonably have known of the act.
6. If a bargaining unit employee receives a reprimand, suspension or discharge, the Village will state the reasons for the discipline in writing and shall provide the employee with a copy of the applicable disciplinary notice. The Village also agrees to provide a copy of all disciplinary notices to the bargaining unit Business Agent within forty-eight (48) hours following the disciplinary action.

7. The Village agrees to utilize its best efforts to utilize progressive discipline except when the facts of a particular case warrant otherwise. Such progressive discipline will involve verbal warnings, written warnings, suspension and discharge.

8. Any disciplinary action(s) which has (have) occurred more than eighteen (18) months prior to a subsequent disciplinary action will not be considered when administering discipline.

9. Bargaining unit employees may be immediately discharged when they are the subject of four (4) or more disciplinary actions within a twelve (12) month period, any one of which involves a suspension. For purposes of this paragraph, a violation of the same rule of conduct on different occasions constitutes separate and distinct violations.

10. It is agreed that when any employee covered by this Agreement is disciplined he or she will have access to the Grievance Procedure as provided for in this Agreement. It is agreed that any grievance pertaining to discharge will be entered at Step 2 of the Grievance Procedure.

11. Any employee found to have been unjustly dismissed shall be reinstated at his or her regular rate of pay for his or her lost time. Where an arbitrator provides an award of back pay, the arbitrator shall provide that the back pay award be reduced by the amount of any interim receipts of money received by the employee. "Interim receipts of money" shall mean a payment to the employee that would not have been made except for the action of the Village that is being grieved.

ARTICLE 16
REPORTING EMPLOYEE ABSENCES

1. Any employee who is going to be absent from work shall be required to report that absence to the Superintendent of Public Works, no later than one (1) hour before the time the employee was scheduled to report to work. However, each employee will use his or her best efforts to report an anticipated absence to the Superintendent of Public Works as quickly as possible.

2. Unreported absences due to snow storms, natural disasters or other major calamities, if supported by reasons acceptable to the Superintendent of Public Works, may be excused and will not result in disciplinary action.
ARTICLE 17
BEREAVEMENT PAY

1. Any employee, with three (3) or more months of service and who is at the time on the active payroll of the Village, who is absent from work solely because of the death and his or her attendance at the funeral or memorial services of the employee's mother, father, step-mother, step-father, husband, wife, children, brother, sister, grandmother, grandfather or grandchildren shall be compensated, on the basis of his or her regularly hourly rate of pay up to a maximum of eight (8) hours, for the time lost by him or her from his or her regular work schedule by reason of such absence, from the date of death through and including the day of interment but not to exceed three (3) days.

2. In order to be eligible for bereavement pay, the employee must request the benefit, in writing, on forms available from the Village providing information as to the name of the deceased, the decedent's relationship to the employee, the date of death, the funeral home in charge of the services and/or interment and the date of the burial.

3. The employee agrees to provide the Village with any documentation, if reasonably requested by the Village, to verify the death of the alleged relative, to verify the relationship of the decedent to the employee and to verify the employee's attendance at the funeral or memorial service.

4. Any employee, with three (3) or more months of service and who is at the time on the active payroll of the Village, who is absent from work solely because of the death and his or her attendance at the funeral or memorial service of the employee's mother-in-law, father-in-law, daughter-in-law, son-in-law, brother-in-law, sister-in-law, grandparents or grandchildren shall be compensated on the basis of his or her regular hourly rate of pay up to a maximum of eight (8) hours, for the time lost by him or her from his or her regular work schedule by reason of such absence, from the date of death through and including the date of interment but not to exceed one (1) day.

5. A benefit day can only be a day on which the employee was scheduled to work and but for the death would otherwise be working. If an employee would not been working on a particular day even if the death had not taken place because of a holiday, vacation, sick leave or any other day for which the employee was to be paid but not worked, then the employee is not entitled to a bereavement day benefit for that day.

6. Paid time off for bereavement shall not be considered as time worked for purposes of computing overtime.
ARTICLE 18
JURY DUTY

1. If an employee who has completed his or her probationary period is required to serve on a jury on any of his or her scheduled work days and loses time from his or her regular work schedule, a supplemental allowance will be granted to the employee equal to the difference between the pay he or she receives for service as a juror and his or her Village pay at the regular rate for eight (8) hours. This allowance will be limited to two (2) weeks for regular jury duty and four (4) weeks for grand jury duty.

2. In order to receive such supplemental allowance, the employee must comply with the following conditions:

   (a) He or she must not have volunteered for the jury duty;

   (b) As soon as possible, but not later than two (2) days prior to the time he or she is scheduled to serve, he or she shall show to the Superintendent of Public Works the summons to serve on a jury;

   (c) After he or she has completed his or her jury duty, he or she shall furnish the Superintendent of Public Works with a statement signed by the clerk of the court, as to the amount of pay received for the jury service and the time served as juror.

3. Hours served on jury duty shall not be considered hours worked for purposes of determining an employee's eligibility for overtime.

4. When the employee is excused from jury duty service on any day or part thereof, he or she is required to report for work, if he or she is excused before 1:00 p.m. In such case, the employee's Village earnings shall be used to reduce his supplemental allowance for required jury duty service. Once an employee receives notice that he or she will not have to serve on jury duty on a particular day, he or she will immediately notify the Village and report to work as normally scheduled.

ARTICLE 19
SICK LEAVE

1. Full-time employees who have successfully completed their probationary period, shall be eligible for one (1) "day" of sick leave for every month worked beginning with the month following the successful completion of the probationary period. For purposes of this Article, a "day" is equal to 1/5 of the employee's standard weekly work hours. A "month worked" shall be defined as a calendar month in which an employee actually works at least twenty (20) days. For purposes of this Article only, paid vacation days, holidays and use of accumulated sick leave days shall be counted as "days worked." The following rules shall also apply:
(a) Except as otherwise provided for in this Agreement, sick leave may be utilized by an employee for illness or injury which is not work related.

(b) Sick leave credits may be accumulated up to a maximum of sixty-five (65) days. Upon attaining the maximum amount, sick leave is no longer accumulated.

(c) Sick leave shall be compensated by the employee's regular straight time hourly rate of pay.

(d) To be eligible for sick leave pay on an employee's scheduled work day, the employee must notify the Superintendent of Public Works, or his or her designee, of the absence, at least one (1) hour before or after the employee is scheduled to report to work. In case of failure to report, unless for reasons satisfactory to the Superintendent of Public Works, or his or her designee, the absence shall not be deducted from sick leave credits but shall be considered as time off without pay and further disciplinary action may be taken.

(e) Sick leave credits may be used by the employee in units of days or half days when the employee is incapacitated or unable to perform the duties of his or her job by reason of sickness, injury or for dental or medical visits which may not be accomplished after working hours. For scheduled hospital or office visits, requests for sick leave are to be made in written form and submitted to the Superintendent of Public Works, or his or her designee, for approval at least seventy-two (72) hours in advance of the date the leave is to be taken.

(f) Sick leave credits, not to exceed a total of five (5) days in any contract year, may be used for verified serious illness in the employee's immediate family requiring care and attendance by the employee. Immediate family shall include spouse, parent, child, brother, sister or any other relatives who are actual members of the employee's household.

(g) Part-time employees shall not accrue sick leave.

(h) Accumulated but unused sick leave, upon termination of employment for any reason, will be applied toward retirement benefits.

2. A physician's statement verifying the employee's incapacity or inability to perform his or her job duties may be required by the Superintendent of Public Works under the following situations:

(a) Absence of three (3) consecutive days or more;

(b) Absence on the last scheduled work day prior to or subsequent to vacation days, weekends, scheduled days off, holidays;

Village of Liverpool- DPW  June 1, 2014 to May 31, 2017
(c) Absence on a holiday which is a scheduled work day for the employee;

(d) Absence or use of sick leave on day(s) when paid leave credits or absences have been previously requested by the employee and denied by the Village.

Further verification of illness may be requested by the Superintendent of Public Works, or his or her designee, if the attending physician's statement is incomplete. If the employee fails to submit sufficient proof of illness when required to do so, or in the reasonable judgment of the Superintendent of Public Works, or his or her designee, the submitted proof does not justify the employee's absence, such absence shall be considered time off without pay and further disciplinary action may be taken.

3. Upon return form sick leave of ten (10) days or more, the employee shall submit to the Superintendent of Public Works, or his or her designee, a physician's statement attesting to the employee's recovery and physical fitness and ability to perform the duties of his or her job without restriction.

Failure to produce such a physician's attestation shall preclude the employee from returning to work.

4. When sick leave credits have been exhausted, absences for illness may be charged against accrued vacation leave at the employee's request and thereafter it shall be considered an absence without pay.

5. An employee may be compensated, in whole or part as additional service credit, for unused sick time according to Civil Service New York State Employee Retirement System guidelines.

6. Employees may convert up to five (5) sick days per anniversary year into personal days by submitting a written request to that effect to the Superintendent of Public Works, or his or her designee. Once converted, the personal days must be used by the employee before the expiration of the anniversary year or they are lost.

7. In the event an employee uses no sick leave in a contract year (June 1 to May 31 of the following year), the Village will pay the employee a stipend of $250.00. In the event an employee uses only one (1) sick leave day in a contract year (June 1 to May 31 of the following year), the Village will pay the employee a stipend of $100.00.

ARTICLE 20
UNPAID LEAVES OF ABSENCES

1. A leave of absence is defined as an excused absence from work without pay and without the continuation of certain benefits for special purposes (such as military service, extended illness, education, child bearing or rearing).
2. In order to be eligible for an unpaid leave of absence, an employee must have at least one (1) year of seniority, and in the case of a medical leave of absence, the employee must have exhausted all of his or her sick day accruals, unused vacation days and any and all accrued compensatory time off.

3. Applications for unpaid leaves of absence must be submitted in writing to the Superintendent of Public Works, or his or her designee, citing the reason for and the desired period of the unpaid leave of absence. Except in an emergency precluding compliance, all requests must be submitted at least sixty (60) days in advance. The request shall be subject to the approval of the Superintendent of Public Works, or his or her designee, and such approval shall not be unreasonably denied. The operational requirements of the Village, among other valid considerations, such as, but not limited to, the number of leaves previously taken, shall constitute justifiable reasons for denying the leave. The Village shall furnish the employee with written notification of its decision within thirty (30) days after receiving such application.

4. The maximum period for any unpaid leave of absence shall be six (6) continuous months. However, employees may apply for an extension of up to six (6) additional months. Approvals for such extension requests shall not be unreasonably denied.

5. An application for an unpaid leave of absence for employment with another employer shall not be approved.

6. During an unpaid leave of absence, all benefits provided an employee by the Village shall be discontinued unless the employee assumes all the costs attendant thereto and pays to the Village, in advance of their due date, all premiums on insurance.

7. No seniority shall accrue nor shall any sick leave or vacation leave credits be earned during an unpaid leave of absence.

8. An employee on an unpaid leave of absence must notify the Superintendent of Public Works, or his or her designee, in writing at least two (2) weeks in advance of the desired or scheduled date of return to work. A failure to so notify the Superintendent of Public Works, or his or her designee, shall constitute a voluntary resignation of employment.

9. If an unpaid leave of absence involves the medical condition of the employee, including maternity, an employee will not be permitted to return to work without first providing the Village with a certificate from the employee's attending physician verifying the date on which the employee can return to work and resume normal work activities without limitation and the physician's opinion that the employee's return to work will not be injurious to the employee's health.
10. An employee who obtains a leave of absence or an extension thereof by false pretense shall be subject to immediate discharge.

2. Eligibility for vacations is based on the accumulated service for each employee on the anniversary date of his or her employment.
3. To be eligible for a vacation allowance, an employee must have accumulated service of at least one (1) year on his or her anniversary date referred to above. The length of the employee's vacation shall be in accordance with the following schedule:

5. All requests for vacation leave must be approved by the Superintendent of Public Works, or his or her designee. For vacation leave requests of three (3) consecutive days or more, the employee must file a written request for vacation leave with the Superintendent of Public Works, or his or her designee, at least two (2) weeks in advance of the requested leave, unless waived by the Superintendent of Public Works, or his or her designee. For vacation requests of less than three (3) consecutive days, the employee must file a written request for vacation leave with the Superintendent of Public Works, or his or her designee, at least 48 hours in advance of the requested leave, unless waived by the Superintendent of Public Works, or his or her designee. Unused vacation time remaining at the end of a particular anniversary year can not be carried over to a succeeding anniversary year; it is considered lost.

8. It is expected that all employees qualifying for vacations shall take their vacation time off. However, vacation pay in-lieu-of vacation time off will be permitted when the employee requests same in writing and said request is approved by the Superintendent of Public Works; provided, however, this section shall only apply to earned vacation time in excess of five (5) days.
9. Should a "paid for" recognized holiday occur during an employee's vacation, the employee shall extend his or her vacation period by one day, with pay, either at the beginning or the end of his or her vacation period. An employee is not entitled to utilize sick leave credits during the vacation leave period.

10. The Village reserves the right to limit the number of employees on vacation leave according to the Village's work requirements.

11. (a) If an employee voluntarily quits or is discharged for any reason subsequent to the start of the employee's anniversary date and prior to the twelve (12) month period measured from the employee's anniversary date, such employee shall be entitled to receive his or her vacation benefits which had accrued as of the start of the anniversary year in which the employee quit or was terminated.

(b) If an employee retires or is laid off for any reason subsequent to the start of the employee's current anniversary year and prior to the twelve (12) month period measured from the employee's anniversary date, such employee shall be entitled, in addition to the benefits provided for in subparagraph (a) above, to receive a pro-rated vacation benefit for the applicable anniversary year. The pro-rated vacation benefit shall be determined by multiplying the vacation benefit that the employee would have been entitled to had he or she remained in the employ of the Village until his or her next anniversary year by a fraction the numerator of which is the number of weeks the employee actually worked during the applicable anniversary year and the denominator of which is fifty-two (52). If an employee voluntarily quits or is discharged for cause, he or she shall not be entitled to the pro-rated benefit provided for in this subparagraph (b).

12. Employees shall not be permitted to utilize vacation benefits not yet earned.

The Village may reopen this portion of the Agreement by notifying the Union in writing to that effect. 3.
