ARTICLE I
Preamble

This contract is entered into in order to effectuate the provisions of the Public Employees Fair Employment Act of the State of New York (Civil Service Law, Article 14) and to encourage and increase the effective and harmonious working relationships between the Board of Education of the Wallkill Central School District (hereinafter called "Board") and its administrative employees (hereinafter called "unit members") represented by the Wallkill Administrators Association (hereinafter called "WAA").

ARTICLE II
Recognition

The Wallkill Central School District recognizes the Wallkill Administrators Association as the exclusive bargaining agent for all active certified administrative personnel with the exception of the superintendent and the assistant superintendents.

ARTICLE III
WAA Privileges

A. With prior approval of the Superintendent, the WAA may have use of school buildings without cost and at reasonable times for meetings. The WAA will be permitted to use inter-school mail, facilities, faculty bulletin boards, photocopying equipment, audio-visual equipment, and telephone for WAA business. If such use results in additional costs to the Board, such additional costs shall be paid by the WAA.

B. The Wallkill Central School Board shall deduct from the salary of each unit member of WAA, who so authorizes in writing, dues for membership in any professional organization so designated by said unit members, and shall transmit such deductions to the authorized organization or association.

C. The Wallkill Central School District shall print copies of this agreement and distribute a copy to each unit member of WAA not later than 30 days after the final agreement is executed by the parties hereto.

D. The President of WAA shall be given three (3) association days for the purposes of completing paperwork, implementing of change, meeting with other administrators, attending conferences, etc.

ARTICLE IV
Work Year and Vacations

A. The work year for all administrators shall be the regular school calendar year from September 1 to June 30 plus twenty (20) additional days during the summer (July 1st through opening day of school) and a maximum of five days between the last day of school and June 30th of each year. If the school year starts prior to Labor Day, the parties shall negotiate the impact, if any, that this has on unit members. All unit members shall be entitled to all holidays and vacation days granted to other professional personnel in the District.

B. Directors shall have the same work year and vacation periods, but shall have the option of taking vacation days at periods mutually agreeable with the Superintendent. All efforts will be made for Administrators' vacation to be taken in such a way as to provide for coverage by working administrators at all times during the summer months or a procedure adopted by the District/Administrators to provide coverage will be followed.

C. Administrators are required to report to work on all snow days, for which they will be paid a per diem rate for up to five (5) days. A personal day must be taken for each snow day not worked.

ARTICLE V
Leaves/Retirement Incentive

A. Sick Leave - Each unit member shall be allowed sick leave without loss of salary for ten (10) days in the work year because of personal or family sickness or personal physical disability including pregnancy related illness or disability. If a unit member does not utilize the full amount of sick leave allowed in any work year, the amount not so utilized shall be accumulative to **two hundred fifty (250)** days. On the first day of each work year, the unit member shall be credited with the amount of sick leave allowed to him/her for that work year, which shall consist of all accumulated sick leave days plus ten (10) days for the ensuing work year.

B. Payment for Unused Sick Leave - Any administrator who notifies the District in writing by the conclusion of the first semester of the school year of his/her intent to retire, shall be compensated for all accumulated sick leave at ninety dollars (\$90) per day for accumulated time over one-hundred (100) days during the life of this contract.

C. Leave for Death or Serious Illness - At the discretion of the Superintendent, bereavement leave shall consist of up to five (5) days for the death of a relative or other person and shall not be considered as part of the sick leave allowance. Such leave shall be granted without loss of salary.

D. Emergency Leave - Requests for emergency leave shall be granted at the discretion of the Superintendent.

E. Graduation and Awards - Each unit member shall be entitled to leave of one day without loss of pay to attend his/her own graduation or a ceremony at which he/she is the recipient of an award or special honor. Such leave day will not be charged against other leave allowed by this article.

F. Personal Leave - Each unit member shall be allowed ten (10) days of personal leave without loss of pay in each work year to attend to those personal matters which cannot be attended to at a time other than during a personal working day. Unused personal leave days will roll over each year and apply toward accumulated sick leave in Section V. A. of this agreement.

G. Child Rearing Leave:

Unpaid child rearing leaves will be granted to administrators upon the following conditions.

1. The administrator requesting a child rearing leave shall give the Superintendent of Schools at least sixty (60) days advance written notice of such intent. Said written notice shall include the approximate date of termination of the leave, which shall be coincidental with applicable semester breaks.

2. An administrator may apply for a child rearing leave for a duration not to exceed twenty-four (24) months. The administrator may request a leave of less than twenty-four (24) months. In either event, such leaves are subject to Board approval and must conform with the termination dates per G(1) above. If an administrator wishes to return from leave, prior to the scheduled end of such leave, he/she must make such a request in writing to the Superintendent of Schools. The Board may grant such a request based upon staffing needs and the availability of a position. An administrator returning from a child rearing leave must work for a full school year before he/she would be entitled to apply for another child rearing leave.

3. Upon written application to the Board at least sixty (60) days prior to the termination of the original request, an extension for one or two semesters may be granted.

4. Should a pregnancy be terminated prior to birth, the administrator may, upon sixty (60) days written notice, request termination of the child rearing leave and return to duty to commence at the beginning of the next succeeding semester after receipt of the aforementioned notice from the administrator. The District may require the administrator to present a doctor's certificate stating that she is physically fit to resume her full responsibilities.

5. Pregnancy or maternity shall be considered as qualification for sick leave as otherwise provide for in this agreement, upon certification from the administrator's doctor, or, at the District's option, a physician designated by the District. However, no person on child rearing leave shall be entitled to use accumulated sick leave.

ARTICLE VI

A mutually acceptable meeting date shall be set not more than fifteen (15) calendar days following such request.
