ADDENDUM 19

THIS AGREEMENT is entered into this 1ST day of NOVEMBER, 2005, by and between the Village of Kenmore, New York (hereinafter called the "Village") and the Kenmore Salaried Employees Association (hereinafter called the "KSEA").

WITNESSETH:

WHEREAS, the Village and KSEA recognize and declare their mutual intent to promote harmonious and cooperative relationships between the Village and KSEA and the employees to whom this Agreement applies, and to protect the public interest by assuring at all times the uninterrupted operations of the Village of Kenmore; and

WHEREAS, the Board, under law, has the final responsibility for establishing policies for the Village; and

WHEREAS, IT IS AGREED BY AND BETWEEN THE PARTIES THAT ANY PROVISIONS OF THIS AGREEMENT REQUIRING LEGISLATIVE ACTION TO PERMIT ITS IMPLEMENTATION BY AMENDMENT OF LAW OR BY PROVIDING THE ADDITIONAL FUNDS THEREFORE, SHALL NOT BECOME EFFECTIVE UNTIL THE APPROPRIATE LEGISLATIVE BODY HAS GIVEN APPROVAL.

NOW THEREFORE, the parties have reached certain understandings which they desire to confirm in this Agreement, it is agreed as follows:

**ARTICLE I
RECOGNITION**

1.01 K.S.E.A. - The Village recognizes the Kenmore Salaried Employees Association as the exclusive representative and bargaining agent for employees within the bargaining unit as described in Section 1.02 of this Agreement.

1.02 UNIT - The employees covered by this Agreement shall include all the full-time clerical employees in the Clerk Treasurer's Office and Municipal Court holding the job titles in Article IV, paragraph 4.01. Part-time, seasonal and temporary employees are excluded from this unit.

1.03 FULL-TIME - Full-time employees shall mean any employee to whom the Village Board gives full employee benefits as set forth in this Agreement.

1.04 NO STRIKE - Pursuant to the requirement of law, the KSEA affirms that it does not assert the right to strike against any government, to assist or participate in any such strike, or to impose any obligation to conduct, assist or participate in such a strike.

**ARTICLE II
UNION SECURITY AND CHECKOFF**

2.01 The Village will make available to all employees entering the bargaining unit a copy of the Agreement. The Village will provide this Agreement to all employees in the bargaining unit within a reasonable period of time following the execution thereof of this Agreement.

2.02 The Village will deduct from the salary of any employee in the unit who so authorizes, individually and voluntarily, in writing, the Union dues and will transmit these monies at least once each month to the Union. No deductions of dues shall be made until and unless the amount of dues to be deducted and any changes thereto are certified to the Village by an authorized Union representative.

2.03 The Union agrees to indemnify and hold harmless the Village from any causes of action, claims, loss, or damages incurred as a result of this clause.

2.04 The Union agrees to refund to the Village any amounts paid to it in error on account of checkoff provisions upon presentation of proper evidence thereof.

2.05 The Village recognizes that this is an Agency Fee agreement, and in accordance with such, it is understood that each employee who is a member of the bargaining unit, but is not a member of KSEA, shall be liable to contribute to the Union as representative costs, an amount equivalent to such dues as are from time to time authorized, levied and collected from the general membership of the Union. The Village of Kenmore agrees to deduct an amount equal to the normal monthly dues paid by members of this Union from the earnings of each of said employees covered by this Agreement after thirty (30) calendar days employed.

2.06 Upon receipt of written authorization, the Village will deduct from the wages of the employee, a sum specified in said authorization, and remit same to the SEIU Committee on Public Education ("COPE"). The Union shall provide a standard voluntary COPE deduction authorization form for this purpose. A union member may withdraw their authorization at any time, provided the employee notifies the Village in writing of this withdraw, with a copy to the Union. The COPE authorization form is attached as Exhibit "A".

2.07 The Village will set aside no more than twenty (20) minutes during new employee orientation for a Union Steward designated by the Union to address bargaining unit members covered by this agreement.

**ARTICLE III

a. Direct employees;

b. Hire, promote, transfer and assign;

3.02 **RULES AND REGULATIONS** - The right to make reasonable rules and regulations shall be an acknowledged function of the Village. In making rules and regulations relating to personnel policy, procedure, practices and matters of working conditions, the Village shall be bound by obligations imposed by law, as well as the responsibilities set forth in this Agreement.

3.03 **PROBATION** - All new employees hired as per Civil Service Law shall be considered as probationary employees for the first twenty-six (26) weeks of their employment. Notices of such examinations shall be posted on the Department bulletin boards.

3.05 **JOB ASSIGNMENTS** - Whenever an employee fills in at a higher classification involving a higher rate of pay for a period exceeding one (1) month or more due to another employee being on extended leave (not including vacation), such employee shall be paid (at the

It is agreed that such payments shall not be paid to those employees who are discharged for just cause. In the event any accrued time as referred to herein is carried over into the following year at the behest or insistence of the Village, such accrued time shall be included in any separation payment made pursuant to this Article.

ARTICLE V LEAVES

5.01 HOLIDAYS - All employees, excluding seasonal and temporary employees, shall receive a regular day's pay for each of the following holidays:

New Year's Day	Independence Day	Day after Thanksgiving
President's Day	Labor Day	½ Day before Christmas
Good Friday	Columbus Day	Christmas
Memorial Day	Veteran's Day	½ Day before New Year's
Easter Sunday	Thanksgiving Day	

and one (1) Floating Holiday to be scheduled individually at the discretion of the Department Head. Employees who are scheduled to work five (5) days per week will, in addition to their regular day's pay as holiday pay, receive 1¾ hours' compensatory time for each full day holiday observed Monday through Friday and floating holiday. Payment for all employees for Easter Sunday shall be 8¾ hours' pay.

It is agreed that an employee, to be entitled to holiday Pay, must have worked on his/her last scheduled day immediately preceding the holiday and on first scheduled work day immediately following the holiday, unless the employee's absence on either of these days is an excused absence with pay within the terms of the contract.

For the purpose of computing overtime, a paid holiday shall be considered a part of the regular work week in which it falls except for those holidays that fall on Saturday, Sunday or a normal day off.

5.02 VACATIONS - All employees, excluding seasonal and temporary employees, shall be granted annual vacations with pay on a fiscal year basis, and based on date of hire: Employees on a four (4) day work week (8¾ hours per day) will convert working days in the vacation schedule to working hours.

After 12 months service	10 working days
After 5 years service	15 working days
After 10 years service	20 working days
After 15 years service	25 working days

Vacations will be scheduled by the Department Head, and will be assigned with due consideration to the employee's length of service. Vacation leave, if not taken, will expire at the end of each fiscal year. (June 1st - May 31st)

A new employee's vacation time will be prorated at the start of the next fiscal year after their date of hire. This will be figured according to the amount of time worked prior to the start of the fiscal year according to the following formula:

$$\frac{\text{Number of days worked prior to fiscal year} \times 10 \text{ working days vacation}}{260}$$

Time off may only be allowed for full days earned (not partial days). However, no time off will be allowed until completion of probationary period.

An employee entitled to vacation may apply to the Village for, and be granted, an opportunity to work up to five (5) days of his/her vacation period and be paid therefore in addition to his/her vacation pay. Said application must be filed with the Department Head thirty (30) days prior to its desired effective date, when possible. The Village Board shall have absolute discretion in either granting or denying said application, and no grievance or arbitration may be filed by the employee or the Association seeking to vacate or set aside the decision made by the Village Board on the application so made. However, the Board will, in good faith, objectively review such applications without personal bias.

5.03 PERSONAL LEAVE - Personal leave shall mean a leave of absence from scheduled work granted to an employee to perform personal business.

This personal leave may be used at the employee's discretion, provided that he/she gives at least forty-eight (48) hours' notice in writing to the Department Head except where an emergency situation makes the giving of notice impossible, and provided further that his/her absence will not seriously hamper or impede the necessary work of his/her department.

New employees will become eligible for personal leave when they fulfill the probationary period for their positions. Any employee who completes the probationary period between June 1st and December 31st will be eligible for five (5) days' personal leave before June 1st of the next fiscal year. Any employee who completes the probationary period between January 1st and April 1st will be eligible for two (2) days' personal leave. Any employee who completes the

probationary period between April 2nd and May 31st will be eligible for five (5) days' personal leave on June 1st of the next fiscal year.

The number of personal leave days granted to any full-time employee shall be five (5) days in any fiscal year and shall be non-cumulative. Personal leave may be taken in ½ day increments.

Employees on a four (4) day work week (8¾ hours per day) will convert the amount of personal days to working hours and the equivalent received based on the revised hours of work.

5.04 JURY DUTY - An employee serving on a jury shall suffer no loss of regular pay during the period of jury service.

5.05 BEREAVEMENT - Beginning with the day of death and ending with the day after the funeral, but in no event more than five (5) days, including the date of death and date of funeral, leave for a death in the immediate family shall be granted to all employees, excluding temporary and seasonal employees. The "immediate family" shall mean spouse, parent or stepparent, brother or sister, brother-in-law or sister-in-law, child or stepchild, son-in-law, daughter-in-law, grandchild, father-in-law, mother-in-law and grandparents. Day of funeral leave for other relatives may be granted at the discretion of the Department Head.

5.06 LEAVE OF ABSENCE - A full-time employee, holding a position by permanent appointment, may request from the Village a leave of absence without pay or benefits and without regard to any accrued sick leave credits, for a period of time not exceeding six (6) months. An extension of this leave may be granted, also at the sole discretion of the Village, provided that the total leave does not exceed one (1) year. Benefits will be reinstated upon return from leaves of absence, except prorated for the remaining portion of the fiscal year.

5.07 SICK - Commencing June 1, 2001, and every month thereafter, each member of the unit shall have available to him/her 1-1/4 days paid sick leave. This equals 15 sick days per fiscal year. Injuries sustained in the performance of duty for which Workers' Compensation is received, doctor visits and therapy sessions will not be charged against sick time.

5.07 a. After the employee has used vacation benefits available, the employee may be able to use sick leave for the following reasons:

(i.) In the event of illness in an employee's immediate family*, an employee shall be allowed to charge absences from work against accrued sick leave credits, up to a maximum of fifteen (15) days in any one fiscal year. Requests for leave for family illness shall be subject to department approval, as long as such approval shall not be unreasonably withheld.

(ii.) In the event of death in an employee's immediate family*, an employee shall be allowed to charge extended absences from work against accrued sick leave credits, up to a maximum of fifteen (15) days in any one fiscal year. Requests for leave for extended bereavement shall be subject to department approval, as long as such approval shall not be unreasonably withheld.

*Immediate family, as defined in Section 5.05, Bereavement.

b. Employees on a four (4) day work week (8¾ hours per day) will convert days to working hours and the equivalent received based on the revised hours of work.

c. An employee who has exhausted all of his/her sick time, due to a major illness, or where light duty was not an option, such as maternity leave or work-related injuries not covered by Workers' Compensation, may request in writing from the Village Board, an extension of paid sick leave. The decision of the Village Board is final, not subject to the grievance procedure, when the Village has made their decision without prejudice and based on the employee's past record. The decision could be one of the following forms depending on the employee's past record:

- (i.) A period of time not returnable to the Village;
- (ii.) A period of time returnable to the Village when the employee returns to work, as provided in paragraph (I), above;
- (iii.) No period of time granted.

ARTICLE VI INSURANCE

6.01 MEDICAL – The Village agrees to provide and maintain for employees covered by this Agreement, Independent Health Encompass Plus B with a co-pay prescription coverage. Each employee will have deducted from his/her paycheck \$10.00 per pay period toward coverage of the health insurance plan.

Should the Village Health Insurance Company eliminate or modify any insurance/prescription plan, the Village will convert to another plan offered by the insurance company. In addition, the Village agrees to negotiate with the Union regarding the impact of such change. The Village will not have any economic liability regarding the alternative insurance coverage provided under this provision.

a. An active employee who is covered under a spouse's health insurance coverage may elect to receive \$1,500 per year in lieu of such benefits, to be paid on a prorated monthly basis. The election shall be on an annual basis, unless the employee must revert to the Village's health insurance due to loss of spouse's coverage.

b. Health Insurance after Retirement or Death in Service

Each employee may utilize the value of up to 110 accumulated sick days toward payment of premiums for health insurance for himself/herself and family upon retirement or

death. The health insurance plan available will be that which is provided to active employees from time to time. The plan may be different from the plan which is provided at the time of retirement. These accumulated days shall be utilized as follows:

Upon retirement or death in service, the unused sick days accumulated, as of that date, shall be worth the value of ("daily rate") of the employee at the time of retirement or death. Due to employees working four (4) or five (5)-day schedules, accumulated sick days shall be converted to equivalent working hours. The value of such hours shall be determined by dividing the employee's basic annual salary at the time of retirement by 1820.

The payment of health insurance premiums for a retired employee shall only be made on behalf of a retired employee who is not employed where similar health insurance is available to him/her without cost, except that when such employment terminates, his/her rights shall be reinstated. Premiums are to be paid only during the life of the pensioned employee, or to his/her spouse, upon the employee's death, but only until the spouse remarries, dies or until the value of the accumulated days has been exhausted.

If a National Health Insurance program is enacted to replace the present health insurance, this program of accumulated days shall be void and all accumulated days shall be lost for purposes of this article. If National Health is eliminated, we revert back to this article.

(i) Additional Benefits

- (1) If an employee has over one hundred eight (180) accumulated sick days in his/her bank at the time of his/her retirement, he/she shall be entitled to an additional benefit of utilizing all his/her sick days accumulated at the time of retirement toward health insurance benefits following his retirement.
- (2) If an employee does not have the one hundred eight (180) days in his/her bank as of the date of his/her retirement, he/she shall not be entitled to any additional benefits.

(ii) An employee may, in lieu of a week of unused and unpaid vacation, accumulate an additional five (5) days in their sick bank at the end of the fiscal year.

Employees who do not use any sick days for a six (6)-month period will be entitled to accumulate an additional day in their sick bank. Further, employees who do not use any sick days for a twelve (12)-month period will accumulate an additional day in their sick bank. For purposes of this subsection, employees may accumulate a total of two (2) additional sick days per year.

6.02 WORKERS' COMPENSATION

a. The employer shall provide coverage for all employees covered by this agreement under the Workers' Compensation Law of the State of New York.

b. Effective for work related injuries which first arise on or after June 1, 2001. (Recurring injuries or illness shall be deemed to have occurred when the injury or illness initially occurred, not when it reappeared.) In the event an employee is disabled by virtue of a work-related injury, he/she will be paid the difference between the amount of Workers' Compensation Benefits payable for such disability and his/her regular pay for a period of five (5) months, or the period of actual disability, whichever is less. Any injury determined by the Workers' Compensation Board not to be work-related or for which a compensation claim is not filed or not diligently prosecuted by the employee shall be presumed not to be work-related.

(i) An employee disabled by a work-related injury and who delivers to the Village the valid assignment of Workers' Compensation benefits shall be compensated at his/her full rate of pay for the period of time of the disability, or five (5) months, whichever is less. If for any reason the compensation benefits assigned are not received by the Village, the amount so assigned shall be a debt of the employee and shall be payable to the Village by the employee, with interest.

ARTICLE VII UNION REPRESENTATION

7.01 Individuals who are designated for the purpose of adjusting grievances or assisting in negotiations or administering this or future contracts will be permitted a reasonable amount of time from their regular duties to fulfill these obligations.

7.02 Local Union representatives may meet with employees in the bargaining unit, other than for Union meetings, on Village premises upon prior notice to the Village. Such privilege shall not be abused.

7.03 The Village agrees that no employee who is meeting with Village officials during the employee's regular working hours will suffer any loss of salary.

ARTICLE VIII GRIEVANCE PROCEDURE

8.01 PROCEDURE

a. The Village and the Union desire that all employees in the Unit be treated fairly and equitably. It is intended that this Grievance Procedure will provide a means of resolving complaints and grievances at the lowest possible level and that nothing in this Article should be interpreted as discouraging an employee and/or his/her representative from discussing any problem in an informal manner, with his/her immediate supervisor or Department Head. Such discussions shall not interfere with the right of an employee to process complaints through the Grievance Procedure.

b. For the purposes of this Agreement, a grievance is defined as any claimed violation, misapplication, misinterpretation or inequitable application of any term of this Agreement by either the Employer or the Union.

c. 1. All written grievances shall be submitted on a grievance form approved by the Employer and the Union, and shall state the name and position of the aggrieved party, a concise statement of the complaint, and the provisions of the Agreement to which the grievance applies.

2. If a decision at one step is not appealed to the next step of the procedure within the time specified, the grievance will be deemed to be discontinued and further appeal under the Agreement shall be barred. However, when mutually agreed in writing, the time limits may be extended.

3. Failure at any step of the grievance procedure to communicate a grievance answer to the aggrieved party within the specified time limits shall permit the lodging of an appeal at the next step of the procedure within the time which would have been allocated had the decision been communicated on the last day of the specified time period.

d. No written grievance will be entertained, and such grievance will be deemed waived, unless a written grievance is presented within five (5) working days after the act or condition upon which the grievance is based (exclusive of time off due to illness, vacation, etc., if such absence would have prevented the grieved employee from learning of the alleged breach of contract).

8.02 STEPS

Step 1 - An employee and/or Union Representative who has a grievance shall first discuss the matter with his/her Department Head. In this discussion, the persons involved shall make an earnest effort to resolve the matter.

Step 2 - In the absence of, or upon the failure to achieve satisfactory disposition to Step 1, the grievant and/or Union Representative shall reduce his/her grievance to writing either in a standard form to be mutually agreed upon or in a letter and submit such written grievance to the Department Head or designee. Such grievance must contain the following information:

1. A brief and plain statement of the facts and the nature of the grievance;
 2. A statement indicating his/her decision to process his/her grievance through the negotiated grievance procedures rather than utilize any grievance procedure under the provisions of the General Municipal Law;
 3. Reference to the clause or clauses of the Agreement or rules and regulations which the grievant feels are involved.
-

The Department Head or his/her designee shall make whatever investigation may be necessary and shall give his/her answer in writing as soon as practicable, but in no event later than five (5) working days after submission.

Step 3 - Failure of satisfactory disposition of the grievance at Step 2, the Union or its representative shall, within five (5) work days after the determination of the Department Head or his/her designee at Step 2, request a hearing with the Grievance Committee for the Board of Trustees. Such hearing shall be held at a mutually agreed upon time but in no event later than ten (10) work days following the request for such hearing. The Grievance Committee of the Board of Trustees shall thoroughly investigate the grievance and shall afford the grievant, his/her designee and the Union an opportunity to present evidence, either documentary or by witnesses, and such hearing shall be confidential. The Grievance Committee of the Board of Trustees shall render a written determination of such grievance to the Union within ten (10) days after the close of the hearing.

Step 4 - If either party is dissatisfied with the determination of the grievance at Step 3, hereunder, it may submit such differences to arbitration by serving notice on the other within fifteen (15) work days following completion of Step 3 of the Grievance Procedure.

8.03 The arbitration shall be conducted by an impartial arbitrator to be mutually agreed upon by the parties. In the event the parties are unable to agree upon an impartial arbitrator within ten (10) work days after the referral to arbitration, the parties shall select an arbitrator in accordance with the rules of the Federal Mediation and Conciliation Service.

The fees and expenses of the arbitration shall be borne equally by the parties. The Board and the Union shall bear the expenses of their respective witnesses and any other expenses they may incur.
