EXHIBIT "A"

PROCEDURE FOR THE VILLAGE REGARDING THE PAYMENT OF BENEFITS TO EMPLOYEES WHO FILED WORKERS' COMPENSATION CLAIMS

Where an employee files a workers' compensation claim, the Village will continue to pay the employee's salary if applicable as set forth in Article LX of this agreement. However, in order to receive such salary payments, the employee must have notified the Village of his/her claim to compensation benefit entitlement within twenty-four (24) hours, unless unable to do so because of the nature of the injury. In order for benefits to continue, the employee is also responsible for having his/her physician sign a form to be supplied by the Village and returned to the Village within one (1) week. The Village must also receive the doctor's medical report (Form C-48) prescribing absence due to a work-related injury.

Where the claim is controverted, all days missed will be deducted from the employee's accumulated sick days. If the amount of accumulated sick days is not sufficient, (i.e., the Village has paid over and above the accumulated sick days) future sick days that the employee accumulates will be applied to those sick days the Village has paid the employee prior to the Village receiving notice that the workers' compensation claim is controverted.

Where an employee receives a settlement, the employee shall repay to the Village those monies which the Village has paid the employee.
