GENERAL PROVISIONS

Section 1: Jury Duty: In the event an employee is summoned to appear or is subpoenaed to testify in court or to serve as a juror on jury duty in the Court of New York or of the United States of America, the Employer will pay to such employee during the period of actual jury duty the difference between the jury pay and such employee's regular pay. The employee must return to his scheduled work when not required to be on jury duty. The employee shall notify the Employer of call for jury duty as soon as he has been notified of such jury duty to enable the Employer to obtain a replacement.

Section 2: Bulletin Board: The Union shall have the right to post notices and communications on the bulletin boards maintained on the premises and the facilities of the Employer.

Section 3: Labor-Management Committee: In an effort to provide for more harmonious relations between the Board of Public Utilities and the Union, a management-employee relations committee will be established which will hold regular meetings to discuss and review matters of joint concern for the better of the Board of Public Utilities and the Union.

Section 4: Indemnification: In the event of any civil suit arising from the performance by any employee of any work or job related duty falling within the scope of the employee's job description or work duties, the Board of Public Utilities shall provide the employee with legal counsel at the Board of Public Utilities expense and shall further indemnify the employee from any judgment or liability which may result to the employee as a result of such civil suit, provided however, the employee shall not be entitled to such indemnification in the event such civil suit determines that the employee acted outside the scope or authority of his work or job related duties. The selection of an attorney to represent the employee shall be the sole choice of the Board of Public Utilities and neither the employee nor the Union shall have any voice in such selection.

Section 5: Compensatory Time: Employees working overtime may, at their option, designate such overtime as compensatory time. Such time will be computed at time and a half of hours actually worked. Compensatory time may be accumulated to a maximum of forty (40) hours and used as time off.

The Employer may freely substitute cash in whole or in part for compensatory time off in any workweek or work period. Overtime payment in cash would not affect subsequent granting of compensatory time off in future workweeks or work periods.

Section 6: Safety Glasses: The Employer will provide standard prescription safety glasses for employees (single vision, bi-focals or tri-focals). Lenses may be glass or plastic and a selection of frames will be offered. Any "extras" on safety glasses would be at the employees own expense.
Section 7: Health Care Changes: It is the intent of this section that health care coverage be kept substantially identical and standard for Local # 459 and Local # 106 of the IBEW. It is mutually agreed and understood that changes made to the basic health care plan including any changes in the amounts that employees pay toward their health care coverage which may be made as a result of negotiations with Local # 459 of the IBEW will apply to Local # 106 of the IBEW as well and will be implemented at the same time. However, changes made to the monthly premium paid by the employees during negotiations (specifically those negotiations on or about the April 1, 2009 end of the current contract extension) with IBEW Local #459 will not apply to IBEW Local #106 until January 1, 2010. Should the Employer and Local # 459 of the IBEW be unable to reach a contract or should a contract be imposed for a year, it is understood that health care changes agreed upon in subsequent negotiations will apply to Local # 106 IBEW if and when a contract is agreed upon.
