Once they pass probation, their pay will be adjusted to the regular rate of pay of their new position.

Once an employee accumulates twenty-four (24) hours of compensatory time to his credit for use as compensatory time, he cannot accumulate additional compensatory time and must be paid for any hours worked in excess of the normal work week in cash.
- E. Employees with compensatory time standing to their credit shall make every effort to use said time within thirty (30) calendar days of its accumulation.
