The Superintendent of Schools or designee will consider such factors in filling the vacancy as:
 - a. Competency
 - b. Special training or certification, if the vacancy so requires
 - c. Seniority (only if a recommendation cannot be made on the basis of competency or special training or certification).
 4. If no applications are received by the District for the vacancy, the District will fill the vacancy at its discretion.

The purpose of this provision is to allow non-employees simultaneous, fair participation in the hiring process with employees, under the same standards, at the same time, and in the same selection process.
- B. An employee assigned to the night shift who desires to be transferred to a day position, assuming a vacancy exists and the employee is recommended and approved for transfer, shall not be transferred until a replacement for the night position is found and trained which training period will not exceed 30 working days from the date when the replacement began service in the night position.

ARTICLE 19

Seniority Clarifications

- A. The following clarifications do not amplify or diminish the role of seniority (if any) in various contractual matters. This article merely sets forth how the parties have agreed to determine seniority calculations.
- B. When considering even-year conflicts in vacation scheduling (Article 13 C3b) for this area, seniority is:
 - 1. Computed as the continuous, unbroken time in the department.
 - 2. Compared only among unit members of the departmental work area.
- C. When considering the several factors in vacancies (Article 18 A3C) for this area, seniority is:
 - 1. Computed as the continuous, unbroken time within the department area.
 - 2. Compared only among the group of job applicants.
- D. When considering the several factors in layoffs and recalls (Article 21 A) for this area, seniority is:
 - 1. Computed as the continuous, unbroken time within the bargaining unit (unrelated to union membership).
 - 2. Compared only among the regular unit members of the title area.
- E. The CSEA Unit President shall be provided, upon advance request to the Transportation Supervisor, the opportunity to review all trip lists and the employee canvassing records.

ARTICLE 20

Grievance Procedure

- A. A grievance is a complaint by a member or members of the negotiating unit, of an alleged violation of any of the terms and conditions of this agreement.
- B. Levels of the Grievance Procedure.

Step 1

The employee shall orally present his grievance to his immediate supervisor within fifteen (15) work days from the first occurrence of the situation in question, or fifteen (15) work days after the employee should have known of the first occurrence. However, if the situation in question arises a new and subsequent time (not a direct casual result of the preceding time) the employee will have fifteen (15) work days from the subsequent

occurrence to present the new grievance. Thereafter, if the grievance is not settled within five (5) work days of its presentation; *then*

Step 2

Within five (5) work days the employee shall present his written grievance to the appropriate Building Principal. Within five (5) work days after receipt of the written grievance the Building Principal shall meet with the employee and the Unit President and shall within five (5) work days after the meeting provide a written answer to the employee with a copy to the Unit President. Submission of grievances beyond Step 2 must have the agreement of the employee and the Association. Thereafter if the grievance is not settled; *then*

Step 3

Within three (3) work days the employee and the Association shall submit his grievance to the Superintendent. Within five (5) work days after receipt of the grievance the Superintendent shall meet with the employee and the Unit President, and shall, within five (5) work days after the meeting, provide a written answer to the employee with copies to the Unit President. Thereafter, if the grievance is not settled; *then*

Step 4

Within thirty (30) work days the employee, with the approval of the Unit Grievance Committee, the employee and the Association may submit the grievance to arbitration.

Arbitration

1. The Public Employment Relations Board shall be the agency used for all agreement interpretation disputes. The rules and regulations of PERB shall apply.
2. The arbitrator shall only have jurisdiction and authority to apply the paragraphs of this Agreement and shall not have the power to add to, subtract from, or modify any paragraph of this Agreement, nor to change or alter the salaries of this Agreement.
3. The arbitrator shall provide his decision in writing within thirty (30) days after the last hearing(s) and the decision shall be final and binding on both parties.
4. The fees and expenses of the arbitration shall be shared equally by the parties.
5. Each party shall be responsible for its own expenses for preparation, legal counsel, records, witnesses, and other costs necessary to arbitration.

ARTICLE 21

Employee Status

- A. Seniority, for this article, shall be defined as length of continuous employment since the last date of hire with the District within the bargaining unit recognized by this agreement. For staff not hired to replace an employee on leave (i.e. not substitutes) seniority shall be applicable in cases of layoff and recall according to the following:

1. In the event of job abolition, affected non-competitive and labor class employees shall be laid off in inverse order of seniority within the title area.
 2. Such employees are recalled in order of seniority for a period of four years from the date of layoff. Recalled employees shall be notified in writing at the last address the employee gives the Superintendent. The employee has two weeks to accept the commitment of returning to work after notification.
 3. In the event of reduction in hours, the positions held by the least senior employee within the title shall be the one reduced.
- B. Right of retreat is the option of an employee, to resume his/her position formerly held, before their current position. The District, in general, recognizes the concept of retreat rights during layoffs (but not for pro-rata reductions) provided the employee whose position is abolished, has held the prior title in question, with the Deposit School District; and with the understanding that final determinations in complex situations remain with the Superintendent, after consultation with the union.
- C. Aides who are appointed to work with a specific child (1:1 aides) shall not be subject to the provisions of this Article. Other aides may not displace a child specific aide in the event of a reduction in force or layoff.

ARTICLE 22

Inclement Weather

If an employee, who is sent home due to inclement weather, works less than one-half day, he/she will be paid for one-half day. If an employee works more than one-half day, he/she will be paid for the full day. See also Article XVII F7 for further information on clerical staff. In the case of bus drivers who arrive at the proper time for their regularly scheduled run, and are instead sent home due to conditions, they shall receive pay for that one driving run. On days when school closes at 11 am, cooks shall be allowed to leave after the manager certifies that all regular daily duties have been completed. An employee must report to work to receive any compensation under this article. If the opening of school is delayed, hourly employees will be paid for their actual hours worked.

ARTICLE 23

- C. CSEA shall be entitled to receive a copy of the Board Policy Manual. Board minutes are official after approval at the subsequent meeting. Upon request, CSEA may receive specified copies of approved Board minutes.
- D. In cases where employee discipline will be imposed beyond a written warning, and the Administration determines a formal meeting to be necessary; then at the time the employee is notified of the meeting, he/she will be informed that a union member may accompany the employee.

The union member may be local or otherwise, but it is understood that such person must be able to be available at the already designated time of the meeting, and such choice of union member is not to interfere with the employer's schedule of the meeting, more than three working days.

ARTICLE 25
Savings Clause

- A. This agreement and all provisions herein are subject to all applicable laws, rules and regulations. In the event any provision of this agreement is held to violate such laws, rules, and regulations, said provision shall not bind either of the parties, but the remainder of this agreement shall remain in full force and effect, as if the invalid or illegal provision has not been a part of this agreement.
- B. If any provision of this agreement is determined to violate applicable laws, rules, and regulations, the parties to the agreement shall reconvene and attempt to negotiate a satisfactory replacement. Only the section or article in violation shall be discussed. The content shall not be expanded to any other section, article, or intent.
