Whenever the masculine gender is used in this Agreement it shall be construed to include persons of the female sex.

- B.** Both the District and the Association want a seniority system that is fair and equitable, easy to track, facilitates assignments, and is in line with civil service regulations.

1. In cases where individuals have the same start date, the date of Board appointment and then order on the agenda will determine seniority. Names of individuals to be considered on the agenda in the following order:

- a) Current unit member changing their classification and then new hires in alphabetical order by their last name.

2. Seniority will be tracked by one-half days. One-half day absences without pay do not count toward seniority.

- C.** New regular drivers and attendants must wait sixty (60) working days before becoming eligible to sign up for extra trips. In the event no regular driver is available or willing, the Director of Transportation has the right to assign the trip. The Association will be notified as soon as is practical.

The letter indicating intent shall be returned by each unit member by June 25. Failure to do so may result in loss of runs or termination.

B. Reasons for change in seniority:

1. A unit member will not receive seniority credit while on a leave of absence from work without notification and prior approval of the Director of Transportation unless the employee is subsequently excused, at the discretion of the District, due to situations of an emergency nature.

Section 2. WAGE PREMIUMS

A. Attendance

It is the expectation that drivers/attendants are expected to be in regular daily attendance. It is recognized, however, that special or unique circumstances may arise where a driver may need to be absent without pay. If so, the driver may request such an absence to the Director of Transportation. Based on available coverage, the Director may approve or disapprove such a request.

In order to maximize safety for students, the District and the Unit acknowledge that regular driver attendance is very important. Therefore, drivers will receive a monthly printout of their attendance. Regular attendance is to be acknowledged and celebrated.

In cases where there is a pattern of unusual absenteeism, the driver, his/her representative, and the Director will meet to discuss the matter and, if indicated, an improvement plan will be implemented. Continued unusual patterns of absenteeism unrelated to documented illness of the driver can lead to disciplinary action as appropriate.

A credit of \$250.00 per semester for those unit members with minimum guaranteed run time and \$300.00 for minimum guaranteed run time plus late runs and \$350.00 for minimum guaranteed run time plus kindergarten runs will be paid for 100% attendance excluding bereavement, jury duty, or paid personal business time.

B. Training

Drivers will receive a one-time \$100 payment for completion of the basic driver training course.

Attendants will receive a one-time \$33.00 payment for completion of the attendant training course.

Section 3. WAGE AND BENEFIT CREDITED

A unit member will be credited with a full year of service if he has been paid for 120 or more days, including earned vacation days and holidays, during the previous school year. Unit members paid for fewer than 120 days, including earned vacation days and holidays, during the previous school year will not be credited with a full year of service and will not advance on the salary schedule.

The number of school days worked by each regularly scheduled unit member plus that unit member's earned vacation days and holidays shall be multiplied by the basic number of hours per day which he is scheduled to work. The resulting number of hours shall be multiplied by that unit member's regular hourly rate of pay to determine his base salary.

Section 4. START RATES FOR EXPERIENCED DRIVERS

Newly hired drivers will be paid at the starting rates listed in Section 1. A newly hired driver may be given wage credit for up to five years of verified experience as a school bus driver in New York State, provided such experience was obtained within ten years of date of hire. Wage credit will be determined prior to hiring and will take effect at date of hire. Date of hire is defined as the date the driver is licensed and certified as a part-time or regular Penfield school bus driver.

**ARTICLE IX
ABSENCES AND LEAVES**

Section 1. SICK LEAVE

- A.** Regular unit members and regular part-time unit members working ten (10) or more scheduled hours per week will earn paid sick leave at the rate of ten (10) days per year, cumulative to one hundred sixty-five (165) days. During the first year of employment, sick days will be earned at the rate of one day per month for each month of work completed and will be computed on the average of daily regularly assigned hours worked per month. Thereafter, annual sick leave shall be credited in advance to all regular drivers on July 1 of each year. The annual leave shall be based on the average daily regularly assigned hours worked for the preceding year multiplied by 10 to equal total hours of credited paid sick leave. Days of accumulated sick leave earned prior to July 1, 1995 will be converted to hours of credited leave based on the driver's average daily regularly assigned hours worked during the previous school year.
- B.** Sick leave may be taken in increments of fifteen (15) minutes and shall be compensated at the employee's regular hourly rate of pay (exclusive of overtime, bonuses, and stipends) in effect at the time of the illness.
- C.** In order to be eligible for the above sick day benefit, the employee who is unable to work because of illness or injury must notify his supervisor as far as possible in advance of the start of the work day of such inability to work, but in any case at least one hour before his first scheduled run. The District will furnish employees with the name(s) and telephone number(s) of the person(s) to be notified if such notice must be given prior to 6:00 a.m. The employee must notify the office each day he expects to be absent unless he has submitted a doctor's statement as required in paragraph "d" below.
- D.** If time off for sickness exceeds three (3) consecutive work days, the District may require the employee, as a condition of payment, to submit a physician's statement certifying the disabling nature of the illness and the probable duration of disability. The District may also require such verification at other times if there is reason to believe that the sick day benefit is being misused. Failure to verify an illness may result in discipline or termination.

An employee who is absent from work five (5) or more consecutive work days shall, upon return, furnish the District with a doctor's statement verifying the illness and attesting to the employee's physical and mental ability to resume performance of his job duties. Failure to supply the required verification and certification may result in termination.

- E. An employee having advance knowledge of an impending medical or surgical procedure, including childbirth, which will require absence from work shall notify his supervisor at least eight (8) weeks prior to the anticipated beginning of such absence, or as soon as the employee acquires such knowledge. Such notice shall include the anticipated duration of the absence and the expected date of return to active employment.
- F. Employees receiving income benefits under Workers' Compensation are not eligible for duplicate sick leave benefits.

Section 2. CONVALESCENCE LEAVE

- A. The District, in its discretion, may grant an extended leave without pay for the purpose of convalescence to an employee who has exhausted his accumulated sick days.
- B. To be eligible to apply for such unpaid convalescence leave, the employee shall furnish the District with a doctor's certificate verifying the nature of the illness and the anticipated duration of disability, subject to review by the District physician. The employee shall file a request for unpaid convalescence leave before expiration of his paid sick benefits and as far in advance as possible.
- C. No salary increments or other benefits shall accrue during convalescence leave; however, if an employee has worked a minimum of one hundred and twenty (120) days in a given school year, he shall be eligible for any wage increase granted in the following school year.
- D. Any employee on approved convalescence leave may continue to participate in District-sponsored group fringe benefit programs at his own cost and expense. The employee shall be solely responsible for payment in full of such premiums directly to the District payroll office prior to the dates due.
- E. Approved convalescence leave shall not constitute a break in seniority.

Section 3. UNPAID LEAVE OF ABSENCE

- A. Unpaid leave of absence for a period of one (1) to sixty (60) calendar days may be granted by the District, in its discretion, upon good reason given.
- B. Requests for unpaid leave of absence must be made in writing to the Assistant Superintendent of Personnel at least four (4) weeks in advance of the time when the employee wishes the leave to begin.
- C. If no driver is available to cover for the employee requesting leave, the request may be denied.

- D. Regular drivers granted such leaves of absence for a period less than sixty (60) days shall retain previously earned seniority but shall not have the time of the leave credited for seniority purposes.
- E. Employees taking leaves of absence without permission or in excess of sixty (60) days shall lose all seniority rights and may, at the District's discretion, be regarded as voluntarily terminated.

Section 4. EMERGENCY LEAVE

Unpaid emergency leave may be granted at the District's discretion provided the employee notifies the Assistant Superintendent of Personnel as soon as possible of the reason and probable length of time needed. If additional time becomes necessary, the employee must request it prior to expiration of the first period granted. Failure to do so followed by absence from work will be considered voluntary termination of employment.

Section 5. CHILD-REARING LEAVE

Unpaid child-rearing leave will be granted for a period of time not to exceed one (1) year.

Written requests for such leave must be made to the Assistant Superintendent of Personnel at least eight (8) weeks prior to the date when the employee wishes such leave to begin. Such request shall include the anticipated duration of the absence and the expected date of return to active employment.

No credit for seniority and no salary increments will be granted to the employee on child-rearing leave.

Section 6. PERSONAL BUSINESS DAYS

- A. Definition: Personal time equals sixteen (16) hours of paid time.
- B. A regular unit member will be granted up to (16) sixteen hours of personal business time each year for the purpose of conducting compelling personal business which, for reasons beyond the unit member's control, cannot be conducted at a time outside of the unit member's scheduled work hours. Such time may be taken in increments of fifteen (15) minutes and shall be compensated at the unit member's regular hourly rate of pay exclusive of overtime, bonuses, and stipends in effect at the time.
- C. Personal business leave shall not be taken for shopping, recreational purposes, or other employment.
- D. To be eligible for such paid personal business leave, the employee shall give his supervisor at least two (2) days' advance notice in writing on a form supplied by the District, attached to this Agreement as Appendix A.

- E. Any unused personal time shall be added to the employee's accumulated sick leave at the end of the school year.
- F. Personal time is not to be used immediately preceding or following a holiday. Approval of days requested (paid or unpaid) immediately preceding or following a holiday is in the sole discretion of the Director of Transportation.
- G. Additional personal time may be granted with or without pay at the discretion of the Assistant Superintendent of Personnel.

Section 7. BEREAVEMENT LEAVE

- A. In the event of death in the immediate family, regular drivers will be granted a maximum of five (5) days leave of absence with pay, provided that such days are regularly scheduled work days for the employee.

For purposes of this subsection, "immediate family" shall be defined and limited to the following family members: spouse, children, mother, father, brothers, sisters, grandparents, grandchildren, aunts, uncles, and corresponding in-laws.

- B. Bereavement leave shall not be cumulative. Personal time shall be used for bereavement leave for other individuals not specifically covered in the preceding paragraph i.e. friend, colleagues, etc.

Section 8. JURY DUTY

- A. When an employee is called for jury duty, the District will, upon presentation of proper proof, pay to the employee his regular hourly wage, less all jury duty fees received by the employee, for any time served which falls within the employee's regularly scheduled work hours. Jury duty compensated by the District shall be limited to a period of time not to exceed ten (10) work days annually. If an employee is serving on a jury panel for a trial which extends beyond the ten day limit, the employee will receive compensation for such additional time. No compensation will be paid by the District beyond the first ten days for grand jury service.
- B. To be eligible for the above benefit, the employee must:
 1. Immediately notify his supervisor on the next work day after receiving the summons and furnish the District with a copy of said summons
 2. Report for work whenever his attendance as a juror is not required by the court
 3. Cooperate with the District by joining in a request for deferral of jury duty whenever, in the District's judgment, such a deferral is necessary
