ARTICLE III - GRIEVANCE PROCEDURE

A. Statement of Policy

In order to provide the best possible educational program for the Byron-Bergen Central School, and to establish harmonious and effective relationships among those working toward this goal, the purpose of these grievance procedures is to resolve satisfactorily, group or individual grievances which would tend to unsettle the effective functioning of the school system. All administrators of the Byron-Bergen Central School District are guaranteed the right to be heard and to present their grievances in accordance with this plan with freedom from discrimination, restraint, interference, or reprisal. Decisions shall be rendered judiciously and promptly.

B. Definitions and Principles

1. A grievance is a complaint by an aggrieved party of an alleged violation of any of the terms and conditions of the Agreement between the District and the Association.
2. An "aggrieved party" shall mean an administrator, group of administrators, or the Association.
3. All discussions shall be kept confidential during the procedural stage of the resolution of a grievance.
4. An administrator who participates in this grievance procedure shall not be subject to discipline or reprisal because of such participation.
5. Supervisory personnel have the responsibility to consider and take action promptly within authority delegated to them, on grievance presented to them.
6. A school day is defined as any day the school District Office is open.

C. General Procedure

1. Each written grievance shall include the name and position of the aggrieved party, the specific Article and Section of this Agreement involved in the said grievance, the time and place where the alleged events or conditions constituting the grievance of the said event or conditions if known, and a statement of the nature of the grievance and the redress sought by the aggrieved party.
2. Nothing contained in this Article shall be construed as limiting the right of any administrator allegedly having a grievance to discuss the matter informally with the appropriate supervisor.
3. The existence of the grievance procedure hereby established shall not be deemed to require any administrator to pursue the remedies here provided.
4. The aggrieved party may be represented at any step of the grievance procedure by a representative of his own choosing.

5. All decisions shall be rendered in writing at each step of the grievance procedure. Each decision shall be promptly transmitted to the filing party and the Association.
6. Grievances dealing with issues of a general nature, which affect a group or class of unit members, may be initiated in writing by the Association at the level of the grievances procedure where supervision is common to all members of the group. All members of the group alleged to be aggrieved must be identified.
7. The preparation and processing of grievances may be conducted during the school day provided that professional duties are not interrupted.
8. The forms for implementing this procedure will be developed by the District and the Association, and shall be made available to members of the bargaining unit.

D. Time Limits

1. Any alleged grievance shall be deemed waived, and shall not be entertained unless presented at the first available stage within seven (7) working days after the grievant knew or should have known of the act of condition on which the grievance is based.
2. If the grievant fails to appeal an unsatisfactory disposition of his alleged grievance to the next step of the procedure within the specified time limit, the grievance will be deemed to be discontinued and further appeal shall be barred.
3. Failure at any step of the grievance procedure to communicate a decision to the grievant within the time limits specified shall permit the lodging of an appeal at the next step of the procedure within the time which would have been allotted had the decision been communicated on the final day.

1. Stage 1:
