Dear Local 237 Member,

As you are aware, the financial condition of Suffolk Regional Off-Track Betting continues to worsen. This condition is due to many factors with the obvious being the economic state not only of Suffolk County but the State and the Country. In recent years there has been a sharp decline in handle, which is being seen on a daily basis. Teamsters Local 237 and the administration of OTB have been working together as a joint venture to convince Albany to repair the antiquated and inequitable distribution formula. Your union has worked furiously along side of the entire administration to seek change. Together we stood side by side with lobbyist from the most highly respected firms, including our own political strategists and lobbyist. We will continue to seek change and fight the fight.

Everyone involved has a vested interest in the survival of SROTB. We can say without hesitation the administration of this corporation has shown nothing but due diligence and passion in the correction of these inequitable distributions. Our number one concern is to keep members working. This administration continues to cut expenses in order to keep the operation viable. Local 237 has been there every step of the way.

The enclosed is a package that reflects these issues we have explained prior. We will continue to work as a team in order to keep OTB afloat and you working. We are looking at these unfortunate economic times as an opportunity to extend the existing contract with percentage increments in the last 2 1/2 years of this extension. Working together we can battle through these tough times and continue to prosper in the future.

Please do not hesitate to reach out to our office if there are any questions or concerns. We will be visiting branches and have already met more than once with your shop steward, if there is one at your location. It is important that you understand that being a public employee we are under attack. Only standing shoulder to shoulder can we prevail! Again, please don’t hesitate to call us at 631-851-9800.

Best Regards,
Teamsters Local 237
