WITNESSETH:

WHEREAS, The Board and the Faculty Association, as parties to this agreement are desirous of entering into written contracts with respect to salaries, wages, personnel rules, and other similar benefits, and WHEREAS, the parties have reached certain understandings which they desire to confirm in this agreement,

ARTICLE 2 - PREAMBLE

The Board and the Faculty Association declare it to be their mutual policy that in order to promote harmonious relations between the College and its professional staff, the principle of collective negotiations is to be employed pursuant to the New York State Public Employees' Fair Employment Act and that no article or section in this contract is to be construed to be in any violation of the Laws of the State of New York. Both parties to this Agreement furthermore affirm that public employment is to be regarded as a life-long career and that as such, the terms, conditions of employment and working conditions shall be of the highest caliber to attract and maintain in employment with the College, the best personnel available. We furthermore affirm that each professional person shall, at all times, be a dedicated, courteous, and efficient representative of the College realizing full well that said person is performing an essential public service. Both parties agree that nothing in this Agreement shall be the basis for discrimination for reasons of age, race, color, religion, sex, national origin, marital status, or physical disability.
ARTICLE 3 - RECOGNITION

1) Teaching Faculty

Appointments shall not be greater than one year and there shall not be more than 15 individuals appointed to this title.
Section C. The Board and the Faculty Association recognize that by long-standing practice appropriate professional responsibilities of the faculty in the various departments of the College include (but are not limited to) the following: teaching, performing professional and administrative duties, developing new educational media, advising and counseling students, and participating in departmental or institutional functions. In addition, the departments shall have primary, but not sole, responsibility for the determination of the preparation and assignment of course and teaching schedules and the maintenance of office hours.

Section D. The Board recognizes the Faculty Association as exclusive bargaining agent for collective bargaining and grievances until seven months prior to the expiration of this agreement.

Section E. The College shall deduct from the wages of faculty and remit to the Faculty Association, on a monthly basis, regular membership dues for those faculty who have signed authorizations permitting such payroll deductions.

The College shall deduct from the wages of each full-time faculty member covered by this agreement who is not a member of the Faculty Association, an Agency Shop Fee equivalent to the regular dues levied on Faculty Association members and remit such Agency fee to the Faculty Association.

Section F. The Faculty Association affirms that it does not assert the right to strike against the College, to assist or participate in any such strike, or to impose an obligation
upon its members to conduct, assist or participate in such a strike.

ARTICLE 4 - GOVERNANCE

Section A. The Board and the Faculty Association recognize that a faculty governance organization does and will exist. It is the right and responsibility of the faculty to participate in this organization. Although the actual form may vary, this organization will have responsibility for recommending policies related to faculty resources, academic standards, curriculum, educational policies, institutional philosophy and goals, personnel policies, professional development and administrative affairs.

It is further recognized by the Board and the Faculty Association that faculty ad hoc or special committees exist and other faculty ad hoc, standing or special committees may be formed during the period of this Agreement. Membership on such faculty committees and any future faculty committees shall be open to all members of the faculty. Committee members shall be selected in accordance with the faculty governance organization's bylaws.

Section B. It is further recognized that the Faculty Association has complete control over its internal procedures, that it may create its own committees or other mechanisms for conducting its activities as the recognized representative of the faculty for the purpose of collective bargaining and grievances. The Faculty Association may determine the procedure of its own committees and set the qualifications for membership.
Section C. As set forth more specifically in other sections of the agreement and by long-standing practice at Monroe Community College, the faculty through the appropriate faculty committee or department and consistent with the responsibilities vested in the President and the Board of Trustees, has primary but not sole responsibility for recommending curriculum, subject matter, methods of instruction, research, faculty status, requirements of and authorization for granting degrees.

ARTICLE 5 - ACADEMIC FREEDOM AND TENURE

The Board and the Faculty Association agree that the 1940 statement of the American Association of University Professors (AAUP) on academic freedom and tenure, and subsequent approved interpretive comments (1970), shall be used for deliberations and actions pertaining to academic freedom and tenure at Monroe Community College.

ARTICLE 6 - FACULTY PERSONNEL RECORDS

Section A. The College shall maintain only one set of official files with two sections each containing a member's academic and professional records. Data necessary for processing a faculty member's salary, fringe benefits, etc., shall be excluded from the official files and shall not be considered part of the official files.

Section B. Official Closed File Section: The official closed file shall contain only materials accumulated prior to or pertaining to the faculty member's initial full-time appointment to the College. This section shall only be
examined by the President, Vice President, or designee.

Section C. Official Open File Section: The official open file shall contain only materials accumulated following the faculty member's initial appointment to the College.

1) Addition of Material. No material will be placed in a personnel folder except by the appropriate Vice President or designee and unless a copy of such material has been sent to the faculty member. The faculty member shall have the right to respond to any material filed and said response shall be attached to the file copy. This material must be added to the file within one year of the date that the appropriate administrator first knew of this information. After a period of 5 consecutive years an individual may apply to the appropriate Vice President and seek the removal of unfavorable material from the personnel file. The only documents which shall be used as the basis for reappointment, evaluation, promotion, continuing appointment, discipline, suspension, or discharge are those that are in the official open file and accessible to the faculty member. No unsigned unfavorable documents or anonymous communications shall be filed.

2) Examination of File. The open file may be examined by a faculty member with a witness. Only authorized personnel shall examine the official files and a memorandum of the use of these files, including the date, by whom used, and the purpose of the use shall be placed in the faculty member's file, except when used for day-to-day administrative maintenance of the files.

12
ARTICLE 7 - TERMINATION

Section A. Temporary Appointments: The services of members of the faculty having temporary appointments may be terminated at any time by the President, notwithstanding any other provisions of this Article. There shall be no right of appeal from such a termination.

Section B. Term Appointments: Notwithstanding any other provision of this contract the services of members of the faculty having term appointments shall cease automatically at the end of their specified terms. Except as provided in Article 5, there shall be no right of appeal from a non-renewal of a term appointment.

Section C. Retirement: The services of members of the faculty may be terminated at any time for physical or mental incapacity after receipt of the recommendation of the President and upon medical advice of the faculty member's personal physician in attendance, a College-appointed physician, and, in the event of a difference of opinion, a physician recommended by the Monroe County Medical Association.

Section D. Grounds: The services of members of the faculty on continuing appointment* may be terminated only for just cause after such notice and opportunity to be heard is provided.

*As defined in the current Board of Trustees' Policy Manual
Section E. Notice: When the President has information or has received a complaint against a member of the faculty containing allegations which, if true, might serve as grounds for termination for cause, and such information or complaint is deemed by the President to be substantial, the President shall discuss it with the person concerned. If the President believes that a basis for charges exists, such charges shall be served in writing upon the person concerned.

Section F. Hearing by Faculty Committee: If a person so charged requests, said person shall be entitled to a hearing before a standing committee of the faculty. The standing committee shall be selected by the individual so charged. The committee, in consultation with the President and the faculty member concerned, shall determine whether the hearing be public or private. The President shall have the option of attending the hearing, but the conduct of the hearing shall be determined by the committee. The faculty member charged shall be entitled to be present, to be represented by a person of the faculty member's choice, to present witnesses on the person's own behalf, and to confront and question witnesses against said faculty member. All testimony shall be under oath. A full stenographic record of the hearing will be taken and made available to parties concerned. The decision of the committee shall be transmitted to the Board of Trustees, accompanied by a transcript of the hearing.
Section G. Procedure After Hearing Before Faculty Committee:

After transmittal of the decision of the faculty committee and the transcript of the hearing to the Board of Trustees, the Board may elect to accept the decision of the Faculty committee or to review the case based upon the record of the hearing, accompanied by argument, oral or written or both, by the principals or their representatives. The decision of the faculty committee shall be sustained or the proceeding be returned to the faculty committee with objections specified. After reconsideration by the faculty committee the Board of Trustees shall make its final decision.

Section H. Hearing by Board of Trustees: If the faculty member charged does not request a hearing before a faculty committee, said faculty member may request a hearing before the Board of Trustees. The Board, in consultation with the President and the faculty member concerned, shall determine whether the hearing be public or private. The Board shall elect one of its own members to act as presiding officer, shall have the option of being represented by counsel, and shall determine the conduct of the hearing. The faculty member charged shall be entitled to be present, to be represented by a person of the faculty member's choice, to present witnesses on the person's behalf, and to confront witnesses against said faculty member. All testimony shall be under oath. A full stenographic record of the hearing shall be
taken and made available to the parties concerned. The decisions of the Board, upon the completion of the hearing, shall be final.

Section I. Rights of Appeal: A decision of the Board to terminate the services of a faculty member may be appealed in the courts as provided by law. Such decision shall not be subject to the grievance procedure of this Agreement.

Section J. Failure to Testify: If the faculty member charged refuses to answer at the hearing a question pertinent to the charges against said faculty member, the Board may regard such refusal as sufficient to warrant that the faculty member's services may be terminated.

Section K. Failure to Attend Hearing: If the faculty member charged fails to request or to attend a hearing, the Board of Trustees may, after receiving the recommendation of the President, take such action, if any, as it deems advisable. There shall be no right of appeal from such action of the Board of Trustees.

Section L. Suspension: If the President deems it to be for the best interest of the College, a faculty member upon whom charges have been served may be suspended by the President, with or without salary, pending final action upon such charges by the Board of Trustees. If a faculty member against whom charges have been served is suspended without salary and subsequently is reinstated to the faculty member's position by action of the Board of Trustees and no
disciplinary action against said faculty member is taken by the Board of Trustees, the faculty member shall be paid the salary which otherwise would have been received during the period of such suspension.

Section M. Termination Procedures for Full-time Faculty Not Accorded Full Academic Rank:

1) Probationary Period: The procedures contained in this section are not available until an individual has completed five consecutive full-time annual appointments.

2) Grounds: The services of full-time members of the faculty who are not accorded full academic rank may be terminated for cause after notice and opportunity to be heard is provided as described below.

3) Notice: When the appropriate Vice President has information or has received a complaint against a member of the faculty containing allegations which, if true, might serve as grounds for termination for cause and such information or complaint is deemed by the appropriate Vice President to be substantial, the Vice President shall discuss the problem with the person concerned. If the appropriate Vice President thereafter believes that a basis for charges exists, a written notice specifying such charges shall be served upon the person concerned. No such notice may be issued for acts that occurred more than two years prior to the service of the notice of discipline.
4) Hearing: If a person so charged requests, said person shall be entitled to a hearing before a panel of three persons, chosen as follows: the College and the Faculty Association shall each select one member of the panel; the two members thus chosen shall select by mutual agreement the third person of the panel. The panel, in consultation with the appropriate Vice President and the person charged, shall determine whether the hearing shall be public or private. The appropriate Vice President shall have the option of attending the hearing. The employee charged shall be entitled to be present, to be represented by a person of the employee's choice, to present witnesses in the employee's own behalf, and to confront and question witnesses against said employee. All testimony shall be under oath. A full stenographic record of the hearing will be made available to the parties concerned. The decision of the hearing panel shall be transmitted to the appropriate Vice President and to the employee so charged accompanied by a transcript of the hearing. A decision of a majority of the panel is sufficient.

5) Rights of Appeal: After transmittal of the decision of the hearing panel and the transcript, the employee so charged or the appropriate Vice President may elect to appeal the panel's decision to the President. The employee and the Vice President may submit to the President a brief or report in support of his/her position. The President shall review the transcript and any briefs or reports so submitted and
will either affirm or reverse the decision of the hearing panel. The decision of the President shall be final and shall not be subject to grievance procedures.

6) Suspension: If the appropriate Vice President deems it to be for the best interest of the College, an employee upon whom charges have been served may be suspended by the appropriate Vice President, with or without salary, pending final action upon such charges pursuant to this Article. If an employee against whom charges have been served is suspended without salary, and subsequently is reinstated to his/her position pursuant to this Article, and no disciplinary action against such employee is taken, the employee shall be paid the salary which he/she otherwise would have received during the period of such suspension.

7) Failure to Request a Hearing: If the employee charged fails to request a hearing, the President may, after receiving the recommendation of the Vice President, take such action, if any, as deemed advisable.

ARTICLE 8 - RETRAINING, CROSSOVER ASSIGNMENT, REASSIGNMENT, REDUCTION IN FORCE, AND RECALL

Section A. Determination: Reassignment and/or reduction in force, as determined by the College, may result from an underutilization of staff, program retrenchment, or financial exigency.

Section B. Utilization of Staff:

1) Annual Review: There shall be an annual review
process conducted by the President or his designee to determine any anticipated problems, such as underutilization of staff, enrollment declines or other program difficulties. Areas within the College that anticipate growth and a need for additional faculty members will be indicated. Prior to notification, the appropriate division head and/or Vice President shall meet with the affected department to discuss anticipated problems.

2) Notification of Underutilization of Staff and/or Program Retrenchment:
   a) Department Notice - At least two years in advance of the effective date of reassignment and/or reduction of faculty, the President shall notify in writing the chairperson of the Faculty Resources Committee and department affected, the appropriate division head and/or Vice President, and the president of the Faculty Association. The President or his designee shall meet with the chairperson of the Faculty Resources Committee and of the department affected to discuss appropriate utilization of the faculty.
   b) Individual Notice - The effective date of layoff shall be August 31, and faculty affected shall be notified at least one full year in advance of the date of layoff.

Section C. **Financial Exigency:** If a layoff is anticipated due to a financial exigency, the President shall notify in writing the faculty members affected and the Faculty
Association at least thirty (30) working days prior to the effective date of said layoff. The College and the Faculty Association will discuss possible ways of avoiding such a layoff. Such discussions will not extend the effective date of layoff except by written agreement of both parties to this contract. The College shall first determine which nonpersonnel expenditures shall be curtailed before laying off faculty.

Section D. Identification: In the department affected, full-time faculty with the least seniority shall be the first to be reassigned or laid off.

Seniority shall be based upon the number of years of service from the initial date of full-time employment at the College, minus noncompensated leaves of one semester or more. In situations where two or more faculty members have the same number of years of service based on the above, the following criteria, in the order listed, shall be used to determine seniority:

1) Part-time employment prior to full-time employment
2) Adjunct employment prior to part-time or full-time employment.
3) Date of application for full-time employment.
4) Date of full-time appointment letter.

The College shall maintain a seniority listing of full-time faculty by department as determined from the above criteria.
Section E. Crossover Assignment:

1) Crossovers are encouraged by the various departments as an educationally effective means of maintaining educational standards and enabling the College to most effectively utilize existing faculty.

2) Crossover assignments will be possible when course offerings or job assignments are available because of resignation or retirement; when adjunct, part-time, or overload sections are currently offered by the departments; and when program expansion and/or enrollment increases are anticipated.

3) Faculty seeking crossover assignments in another department shall meet the required standards for the specific job assignment(s). These standards shall not exceed those which applied when current department members were hired. The department, upon request, shall convey to the faculty member its written standards and its position on the faculty member's qualifications in relation to these standards.

4) When a crossover assignment is part of a plan leading to reassignment and that plan has been approved by the appropriate Vice President, the Faculty Resources Committee, and the receiving department, the faculty member shall be eligible for the following assistance:

   a) Use of tuition reimbursement funds, federal, state, local, or other funds which may become available for retraining purposes.

ARTICLE 10 - SICK LEAVE
Section A. Authorization by College: Members of the faculty, other than persons having temporary appointments, shall earn sick leave at the rate of twelve (12) days per year. This leave will be credited at the rate of one (1) day per month. These credits become cumulative up to a maximum of two hundred twelve (212) days. The unit of computation for sick leave credits shall not be less than one-half day. Sick leave constitutes absence for reasons of illness or injury, dental, optical or medical appointments, quarantine regulations and serious illness in the immediate family or household requiring care and attendance by the employee or when through exposure to a contagious disease a physician certifies that the employee's presence at place of duty jeopardizes the health of others.

Immediate family includes parents, spouse, children, brother, sister, grandparents, grandchildren or any person...

Each member of the full-time faculty shall at the beginning of the academic year contribute one day of sick leave from his or her sick leave accumulation each year. These sick leave days will be accumulated in a catastrophic sick leave bank and would be available to each contributor who has exhausted individual sick leave and is required to be on leave because of a verifiable illness or disability. The maximum amount that any one person can draw from this bank is ninety (90) days. Disputes regarding the verification of illness shall be resolved by the College physician.

After completion of five (5) years of service, members of the faculty shall be granted, in addition to earned sick leave, up to a maximum of thirty (30) days of sick leave providing a certificate or affidavit provided by the attending physician showing the incapacity or inability of the member to perform duties is submitted to the College. This provision is a contract grant of thirty (30) days sick leave and can be used as needed during an individual's employment at the College.
In addition, members of the faculty who have not accumulated the necessary sick leave credits may be granted by the President, a maximum of thirty (30) days advance sick leave which shall not be deducted from future accumulations of sick leave.

Paid substitutes may be provided for faculty on sick leave whenever, in the judgment of the respective department and the appropriate Dean and/or Vice President, such substitutes are necessary. Only when
unforeseen sick leave necessitates coverage for one week or less, coverage shall be without compensation.

Section E. Reporting: When absence is necessary under the provisions of sick leave, the faculty member or person acting in his/her stead must notify the office of the appropriate Dean/Director or designee in a timely fashion so that adequate provision can be made to cover the absence. A standardized form will be developed for this reporting with a copy provided for the individual. Faculty members are expected to submit a signed statement, monthly for teaching faculty and biweekly for nonteaching faculty, indicating the amount of leave taken during the period. The forms for reporting leaves are attached as Appendix A. Failure to submit this form by the appropriate return dates will result in a loss of accumulated leave for that period. No accumulation will be recorded until the necessary forms are completed to the current date. If the above procedure cannot be followed due to illness, appropriate credit will be given at the time the individual returns to work.

ARTICLE 11 - PARENTAL LEAVE:

ARTICLE 43 - BOARD OF TRUSTEES' POLICY MANUAL

ARTICLE 44 - GRIEVANCE PROCEDURES

Section A. Declaration of Policy:

1) The term "grievance" as used herein shall mean any complaint by any person covered by this Agreement, the College or the Faculty Association on its own behalf that there has been a violation, misinterpretation or inequitable application of any of the provisions of this Agreement.

2) This contract shall not provide for the handling of alleged grievances which occurred prior to the signing of this contract nor shall it prejudice in any way any of the other rights which said faculty member or members have at their disposal.

3) Grievances shall follow the procedures outlined in Section B below. The termination of employment by the College shall not be the subject of a grievance. This does not deny to any member existing rights under Article 7 (Termination) of this Agreement.

4) Every person or group of persons covered by this Agreement shall have the right to present grievances in accordance with the appropriate procedures. Grievances must be initiated in writing within twenty-five (25) working days
after a person or group actually knew of the act or condition on which the grievance is based.

5) Every person or organization who has the right to bring a grievance hereunder has the right to be represented at all stages thereof by any representative of the person's choice, except that, if the Faculty Association is not chosen as the representative of the grievant, it shall have the right to have a representative present at each stage of the grievance procedure, which representative may participate to the extent of presenting the position of the Faculty Association.

6) In any instance where the Faculty Association is not represented in the grievance procedures, the administrator making the decision will notify the Faculty Association in writing of the resolution of the grievance at each level. The Faculty Association may appeal any grievance which seems either to violate any term of the contract or to affect working conditions of the employees in the bargaining unit.

7) The failure of an administrator at any level to communicate a decision to the grievant within the proper time limit shall permit the grievant to proceed to the next stage of the grievance procedure.

8) The failure of a person or the Faculty Association to appeal a grievance to the next higher stage within the proper time limits shall constitute a withdrawal and shall bar further action on the grievance.
9) Hearings and conferences held under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all interested parties to attend. Said hearings shall be scheduled when possible to avoid interference with class schedules. When such hearings and conferences are held during class or working hours, all persons whose presence is required shall be excused for that purpose without loss of payment from Monroe Community College.

Section B. General Procedures: All grievances shall be presented and adjusted in the following manner:

2) Step Two - The grievant, or the grievant's representative, shall formally initiate the grievance by presenting it in writing to the immediate administrative person who shall have authority to render a decision disposing of the grievance. If such grievance is not satisfactorily resolved at Step Two within six (6) working days, the administrator's decision shall be communicated in writing to the grievant and to the grievant's representative before the end of the seventh (7) working day after the grievance has been presented.
3) Step Three - If the grievance has not been resolved at Step Two, the grievant or Faculty Association may appeal the decision to the President* of Monroe Community College within (10) working days after receiving second step disposition. The President's decision shall be communicated in writing together with the supporting reasons to the grievant, the grievant's representative and/or to the Faculty Association within fifteen (15) working days after being received by the President.

4) Step Four - If a grievance has not been resolved at the conclusion of Step Three, it may be appealed to arbitration pursuant to written notice filed with the President within fifteen (15) working days after receipt by the grievant and the grievant's representative of the decision rendered by the President. The arbitrator shall be selected by the parties from a list of arbitrators submitted in accordance with the rules of the American Arbitration Association. The arbitrator's decision shall be in writing and shall set forth findings of fact, conclusions, and order which shall be binding on all parties. The arbitrator shall not have authority to add to, subtract from or modify the express provisions of this Agreement or any provisions incorporated by reference herein. The cost of arbitration,

*The term President as used herein shall mean in the absence of the President of the College, the Acting President.
including the fees and expenses of the arbitrator, shall be shared equally by the parties. In the event that the Faculty Association does not represent the individual in a grievance action taken to arbitration, the cost and expenses will be shared equally by the grievant and the College.

Section C. Procedure for College Grievances:

1) The College shall have the right to initiate a grievance. This grievance shall be initiated within twenty-five (25) working days after the College actually knew of the act or condition upon which the grievance is based.

2) Step One - All grievances shall be discussed first in an informal and face-to-face contact, between a representative of the College designated by the President and a representative of the Faculty Association designated by the President of the Faculty Association, to attempt in good faith to resolve the differences between them without involving steps as hereinafter set forth.

3) Step Two - If the grievance is not settled through discussion, the College shall formally initiate its grievance by presenting it in writing to the President of the Faculty Association. The final determination at Step Two of the grievance shall be made by the President of the Faculty Association. The President of the Faculty Association shall communicate the position of the Faculty Association in writing to the President of the College within fifteen (15) working days.
4) Step Three - If the College grievance has not been resolved at the conclusion of Step Two, it may be appealed to arbitration pursuant to written notice filed with the President of the Faculty Association within fifteen (15) working days after receipt by the College of the position decided by the Faculty Association. The arbitrator shall be selected by the parties from a list of arbitrators submitted in accordance with the rules of the American Arbitration Association. criteria for the lower rank, will be adjusted to the average for the lower rank, if necessary.

Section G. For salary adjustments that occur each year of this contract, the salary after adjustment for each rank will not be higher than those adjusted salaries that occurred in the first year of equity (1987/88) plus all salary increases subsequent to 1987/88.

ARTICLE 47 - DEPARTMENT TEACHING LOADS

Section A. Departmental teaching loads shall remain the same as those required for the 1986/87 academic year as indicated by the departmental onload faculty teaching assignment inventory forms which originate in the office of the Vice President of Academic Affairs.

During the registration period, departments shall meet on a regular basis with the Vice President of Academic Affairs or a designee to consult about adjustments in the Master Schedule and to avoid problems connected with untimely course cancellations.

No full-time faculty member shall be required to teach evening classes as part of a full-time teaching load unless a full-time teaching load is not available during the day in the department. A teaching obligation shall not extend beyond the normal academic year.

Full-time teaching faculty shall have opportunities to fulfill their teaching obligation days, evenings, weekends, summers and through College-sponsored Community
Services Courses. An overload teaching assignment may consist of only part of a particular course or section, thus allowing a course to be taught partially as overload.

Every effort shall be made to schedule each faculty member's teaching load within a six-hour period on any one day, except where the faculty member may request or agree in writing to an extended schedule.

Full-time faculty shall maintain each semester five (5) office hours per week scheduled for the convenience of the students.

Attendance required at honors convocation and commencement: It is mutually agreed that all full-time members of the professional staff and faculty are expected to be present at Honors Convocation and Commencement.

Efforts shall be made to have at least a six-month lead time for departments to plan the master schedule. The Vice President for Academic Affairs may lower load requirements to account for special projects, courses, etc. assigned by the department or College.

Section B. Adjustments in teaching loads within and between departments at the divisional level may occur with no net increase/decrease in aggregate divisional loads. These adjustments may be instituted by the Divisional Dean or Department Chairperson in agreement with the other party.
Other Adjustments - Upon mutual agreement between the Department Chairperson and Divisional Deans, class sizes in the master schedule may be selectively adjusted upward. In cases where class sizes are adjusted (resulting in student conversion credits or faculty professional development fund accrual - explained below) a 15 percent limit will apply with respect to increases in class sizes across the College.

Full-time Faculty - Load Applications of Increased Class Size Adjustments: Class sizes of full-time faculty which are adjusted upwards shall be credited toward teaching load on the basis of student faculty (S/F) ratio as determined by actual student credit hours divided by actual faculty contact hours (FCH) for the preceding year, as follows:

<table>
<thead>
<tr>
<th>DEPARTMENT S/F Ratio</th>
<th>STUDENT CONTACT HOURS</th>
<th>FACULTY CONTACT HOURS</th>
</tr>
</thead>
<tbody>
<tr>
<td>less than 14</td>
<td>17</td>
<td>= 1 FCH</td>
</tr>
<tr>
<td>equal to or greater than 14 but less than 18</td>
<td>20</td>
<td>= 1 FCH</td>
</tr>
<tr>
<td>equal to or greater than 18*</td>
<td>23</td>
<td>= 1 FCH</td>
</tr>
</tbody>
</table>

*Excepting English Department writing courses where the conversion factor is 20 Student Contact Hours.

Faculty Professional Developmental Fund Applications: Faculty may contribute to a Faculty Professional Development Fund as follows: (1) class size adjustment increases for full-time faculty in excess of load applications, (2) contact hours taught by full-time faculty which are neither applied to load nor treated as overload, (3) all increases in class size made for adjunct faculty.
Student credit hours accrued in this manner shall contribute to the Fund at the rate of State base aid per student FTE - up to a maximum of $181,000 in the 1990-91 year. Subsequent years of the contract the Professional Development maximum will increase by the percentage increase in the rate of State base aid per student FTE and distributed in the subsequent year that they are earned: 50% to the generating department, 5% to the College Professional Development Office and 45% to the Vice Presidents of Administration, Human Resources, Institutional Advancement, and Student Affairs; the Academic Deans, and the Academic Vice President's designees on a per capita basis of members represented by the Faculty Association - for use in professional development projects.

The computation of student contact hours/student credit hour conversions shall be made as of the SUNY census date.

ARTICLE 49 - TUITION WAIVER

The College shall provide a tuition waiver program for all full-time faculty, their spouses, dependent children
and dependent stepchildren. The waiver of tuition shall be limited to a total budget amount of $65,000. If this limit is exceeded in any one year, this benefit shall be prorated with the individual responsible for the balance. This balance must be paid immediately, or arrangements may be made with the Personnel Office for payroll deduction.

In a class section where tuition waiver students are enrolled the College will, where facilities permit, increase the class size above the maximum by a number equivalent to the number of tuition waiver students enrolled in that class section. In no case shall a particular class be increased because of this article by more than three students without the faculty member's approval.
