Any SRP whose duties include the supervision or transportation of an ESE staffed student or a student with a medical condition which may require special attention shall be notified as soon as possible of the placement of such student under the SRP's supervision. Within thirty (30) days of such notification, pertinent instruction/information regarding such students shall be available to the SRP.

ARTICLE VIII - LEAVES OF ABSENCE - Section B - Paid Leaves

3. Personal Leave
   a) An SRP shall be allowed up to six (6) days of personal leave at full compensation during each year of their employment. Such leave will not be cumulative and shall be deducted from accrued sick leave when used. Such leave shall not be used for recreational purposes, and the SRP may be required to give the reason for requesting leave to the worksite supervisor or designee. Said reasons may include family problems, household emergencies, legal business, transportation problems, or other stated reasons. When an SRP cites one of the four reasons stated above, no additional explanation will be required.
   b) On no more than five (5) occasions per
year, personal leave charged to sick leave as defined in paragraph 3-a above may be granted in hourly units on an hour of leave for an hour of absence basis provided that service to students is not interrupted.

c) An SRP may use one (1) day of the six (6) days of personal leave charged to sick leave to help chaperone or act as an adult supervisor or monitor a school-related event in which the SRP's child is participating. The SRP shall be required to specify that such leave will be used for this purpose. The SRP shall apply for such leave at least five (5) days prior to such event or as soon as possible after receiving notification of such event. Such leave may be used in half-day units or as a full day. ARTICLE XIII - DURATION

3. This Agreement may be reopened for the 1995-96 1996-97 school year on Addendum A, salaries, items affected by legislation, mutual consent of both parties, all currently established Memorandums of Understanding, and up to three (3) additional items.

ADDENDUM A - RULES GOVERNING THE SALARY SCHEDULE

4. Pay dates for the 1995-96 1996-97 school year and the number of salary warrants will be negotiated during the 1995-96 1996-97 negotiations.

8. Upon Union request, step increases for the 1995-96 1996-97 school year shall be withheld to allow restructuring of the salary schedules.
SERVICE FACTOR

1. To be eligible to receive the Service Factor, an SRP must have earned at least one year's credit of Pasco continuous service since arriving at the top step of his/her salary schedule.

2. The Service Factor is determined by multiplying .02 times the number of years of Pasco District employment times the number of hours worked daily times the length of the individual SRP's work year to equal an amount. The amount is spread equally over the SRP's pay dates.

ADDENDUM B - FEDERAL DRUG AND ALCOHOL TESTING PROGRAM FOR HOLDERS OF FLORIDA CLASS A OR B COMMERCIAL DRIVERS' LICENSES

(New Language)

The Board and Union recognize that employees who are required to hold a Class A or Class B Commercial Drivers License (CDL) as a condition of employment and/or who, in the course of their employment, may be required to drive a vehicle for which a Florida Class A or B commercial driver license is required (hereinafter referred to as covered employee) must comply with the Omnibus Transportation Employee Testing Act of 1991 (OTETA), regulations of the Federal Highway Administration contained in 49 CFR Parts 40 and 382, et al, and Section 234.091, Florida Statutes.

Notification

The Board shall provide all covered employees with educational materials that explain the requirements of the Program and the Board's policies and procedures with respect to meeting these requirements. Each employee who has received a copy of these materials shall be required to sign a statement certifying that he/she has received a copy of these materials.

Testing

Testing of covered employees shall be done in accordance with applicable Federal and State law.
The employee shall be paid his/her regular hourly rate for the time involved for such testing beyond the employee's normal working hours unless such testing results in an employee working beyond forty (40) hours that week. In such cases the employee shall be compensated at 1 1/2 times his/her regular hourly rate. Refusal to report for testing when notified to do so shall be considered a positive test.

Positive Test Results for Alcohol or Prohibited Substances

If a covered employee tests .02 to .039 for breath alcohol, he/she shall be removed from performing the duties of his/her safety-sensitive position for twenty-four (24) hours. If the employee has accrued sick or vacation leave, he/she shall be entitled to use such leave during this period. A conference may be held with the employee in an attempt to determine why he/she tested .02 to .039 so as to prevent a recurrence.

If an employee tests .04 or higher for breath alcohol or tests positive for any prohibited substance, he/she shall be removed from performing the duties of his/her safety-sensitive position, and he/she shall be referred to a substance abuse professional. In addition, there will be other employment consequences which may include termination. In the event that the primary specimen confirms the presence of prohibited substances, and the employee believes there has been an error in the analysis, he/she may request that the split specimen be tested. The cost of this second analysis shall be the responsibility of the employee. However, should this analysis produce a negative result, the Board shall reimburse the employee for the cost.

Reasonable Suspicion

When a supervisor believes that a covered employee is in violation of OTETA regulations, he/she shall confer with the district OTETA administrator or designee who shall decide
whether to proceed further. If the OTETA administrator or designee meets with the employee for the purpose of notifying him/her that reasonable suspicion testing will be required, he/she shall do so in conjunction with a trained supervisor. A Union representative shall be permitted to attend the meeting with the right to ask questions for the purpose of clarification. Because time is important when giving an alcohol test, the meeting will not be delayed if the Union representative is unable to be present at the specified time for the meeting to begin. During the meeting, the OTETA administrator will cite the indicators which led to the reasonable suspicion, and the employee shall be given an opportunity to give an explanation if he/she desires.

Confidentiality
Confidentiality required by OTETA regulations will be observed, and no voluntary report of a test required by these regulations shall be made to the Florida Department of Highway Safety and Motor Vehicles.
