3. If either party gives such notice, it may include therein notice of its desire to negotiate with respect to insurance, pensions, successorship and supplemental unemployment benefits. If the parties do not reach agreement with respect to such matters by the Termination Date, either party may thereafter resort to strike or lockout, as the case may be, in support of its position with respect to such matters, as well as any other matter in dispute. ARTICLE TWO - UNION SECURITY

Section A. Recognition and Coverage

1. The Company recognizes the Union as the exclusive representative of a bargaining unit made up of production, maintenance, office, technical and clerical employees of the Company, excluding only managers, confidential employees, supervisors and guards as defined under the National Labor Relations Act. Individuals in the bargaining unit shall be known as “Employees.” Individuals who are employed by the Company and are not in the bargaining unit shall be known as “non-bargaining unit employees.” Individuals who are in the bargaining unit and those who are not in the bargaining unit shall be known collectively as “employees.”

2. Except as expressly provided herein, the provisions of this BLA constitute the sole procedure for the processing and settlement of any claim by an Employee or the Union of a violation by the Company of this Agreement. As the representative of the Employees, the Union may process grievances through the grievance procedure, including arbitration, in accordance with this BLA or may adjust or settle same.

3. When the Company establishes a new or changed job whose duties include a material level of production, maintenance, office, technical or clerical work; the resulting job shall be considered a job covered within the bargaining unit; provided that where non-bargaining unit duties are added to a job in the bargaining unit on a temporary basis, they may be withdrawn.

4. It is understood that supervisors at a plant shall not perform work on a job normally performed by the bargaining unit except:

   a. experimental work;

   b. demonstration work performed for the purpose of instructing and training Employees;
c. work required by emergency conditions which, if not performed, might result in interference with operations, bodily injury or loss or damage to material or equipment; and

d. work that would be unreasonable to assign to an Employee or which is negligible in amount.

5. If an individual other than an Employee performs work in violation of Paragraph 4 and the Employee who otherwise would have performed this work can reasonably be identified, the Company shall pay such Employee his/her applicable Regular Rate of Pay for the time involved or for four (4) hours, whichever is greater.

6. An Employee assigned as a temporary foreman or supervisor will not issue discipline to Employees, provided that this provision will not prevent a temporary foreman or supervisor from relieving an Employee from work for the balance of the turn for alleged misconduct. An Employee will not be called by either party in the grievance procedure or arbitration to testify as a witness regarding any events involving discipline which occurred while the Employee was assigned as a temporary foreman or supervisor.
ARTICLE TWO - UNION SECURITY

Section B. Union Membership and Dues Checkoff

1. Each Employee who, on the effective date of this provision, is a member of the Union and each Employee who becomes a member after that date shall, as a condition of employment, maintain membership in the Union. Each Employee who is not a member of the Union on the effective date of this provision and each Employee who is hired thereafter shall, as a condition of employment, beginning on the thirtieth (30th) day following the beginning of such employment or the effective date of this provision, whichever is later, acquire and maintain membership in the Union.

2. Should the above provision be unenforceable for any reason, then, to the extent permitted by law, each Employee who would be required to acquire or maintain membership in the Union if the provision in Paragraph 1 above could lawfully be enforced, and who fails voluntarily to acquire or maintain membership in the Union, shall be required, as a condition of employment, beginning on the thirtieth (30th) day following the beginning of such employment or the effective date of this provision, whichever is later, to pay to the Union each month a service charge as a contribution towards the Union's collective bargaining representative expenses. The amount of the service charge, including an initiation fee if applicable, shall be as designated by the International Union Secretary-Treasurer.

3. Wherever Paragraph 1 or 2 above is applicable:

   a. The Company will check off monthly dues or service charges, including, where applicable, initiation fees and assessments, each in amounts as designated by the International Union Secretary-Treasurer, effective upon receipt of individually signed voluntary checkoff authorization cards. The Company shall within ten (10) days remit any and all amounts so deducted to the International Union Secretary-Treasurer with a completed summary of USWA Form R-115 or its equivalent.
b. At the time of employment, the Company will suggest that each new Employee voluntarily execute an authorization for the checkoff of amounts due or to be due under Paragraph 1 or 2 above. A copy of the card will be forwarded at the time of signing to the Financial Secretary of the Local Union.

c. The Union will be notified of the amount transmitted for each Employee (including the hours and earnings used in the calculation of such amount) and the reason for non-transmission, such as in the case of interplant transfer, layoff, discharge, resignation, leave of absence, sick leave, retirement, death or insufficient earnings.

d. The International Union Secretary-Treasurer shall notify the Company in writing of any Employee who is in violation of any provision of Paragraph 1 or 2 above.

e. The Union shall indemnify the Company and hold it harmless against any and all claims, demands, suits and liabilities that shall arise out of or by reason of any action taken by the Company for the purpose of complying with the foregoing provisions.
ARTICLE TWO - UNION SECURITY

Section C. PAC and SOAR Checkoff

1. The Company will deduct Political Action Committee (PAC) contributions for active Employees who have submitted authorization for such deductions from their wages and for retirees who have submitted authorization for such deductions from their pension. Such deductions shall be on a form reasonably acceptable to the Company and shall be promptly remitted to the Secretary-Treasurer of the USWA PAC Fund.

2. For retirees who are or wish to become members of the Steelworkers Organization of Active Retirees (SOAR) and who have submitted authorization for such deductions from their pension, the Company will deduct SOAR dues from their pension. Such deductions shall be on a form reasonably acceptable to the Company and shall be promptly remitted to the International Union Secretary-Treasurer.

3. The Union shall indemnify the Company and hold it harmless against any and all claims, demands, suits and liabilities that shall arise out of or by reason of any action taken or not taken by the Company for the purpose of complying with the foregoing provisions of this Section C, or in reliance on any list, notice, or assignment furnished under such provisions.
ARTICLE TWO - UNION SECURITY

Section D. Successorship

1. The Company agrees that it will not consummate any transaction resulting in a Change of Control of the Company, nor will it sell, convey, assign or otherwise transfer, using any form of transaction, any plant or significant part thereof covered by this Agreement (any of the foregoing, a Sale) to any other party (Buyer), unless the following conditions have been satisfied prior to the closing date of the Sale:
   a. the Buyer shall have entered into an Agreement with the Union recognizing it as the bargaining representative for the Employees working at the plant(s) to be sold; and
   b. the Buyer shall have entered into an Agreement with the Union establishing the terms and conditions of employment to be effective as of the closing date of the Sale.

2. Change of Control is defined as the purchase or acquisition by any person or entity of securities that constitute or are exchangeable for a majority of the common equity or voting securities of the Company; or, in the case of a merger, in which the holders of the Company’s equity prior to the merger hold less than fifty percent (50%) of the common equity and voting shares of the succeeding entity.

3. This Section is not intended to apply to any transactions solely between the Company and any of its Affiliates.

4. This Section shall not apply to a public offering of registered securities.

5. Notwithstanding the provisions of Article One, Section B (Term of the Agreement), this Section shall expire one (1) year after the Termination Date.
ARTICLE TWO - UNION SECURITY

Section E. Neutrality

1. Introduction

The Company and the Union have developed a constructive and harmonious relationship built on trust, integrity and mutual respect. The parties place a high value on the continuation and improvement of that relationship.

2. Neutrality

a. To underscore the Company's commitment in this matter, it agrees to adopt a position of Neutrality regarding the unionization of any employees of the Company.

b. Neutrality means that, except as explicitly provided herein, the Company will not in any way, directly or indirectly, involve itself in any matter which involves the unionization of its employees, including but not limited to efforts by the Union to represent the Company's employees or efforts by its employees to investigate or pursue unionization.

c. The Company's commitment to remain neutral as defined above may only cease upon the Company demonstrating to the arbitrator under Paragraph 7 below that in connection with an Organizing Campaign (as defined in Paragraphs 3(a) through 3(c) below) the Union is intentionally or repeatedly (after having the matter called to the Union's attention) materially misrepresenting to the employees the facts surrounding their employment or is unfairly demeaning the integrity or character of the Company or its representatives.

3. Organizing Procedures

a. Prior to the Union distributing authorization cards to non-represented employees at a facility owned, controlled or operated by
the Company, the Union shall provide the Company with written notification (Written Notification) that an organizing campaign (Organizing Campaign) will begin. The Written Notification will include a description of the proposed bargaining unit.

b. The Organizing Campaign shall begin immediately upon provision of Written Notification and continue until the earliest of: (1) the Union gaining recognition under Paragraph 3(d)(5) below; (2) written notification by the Union that it wishes to discontinue the Organizing Campaign; or (3) ninety (90) days from provision of Written Notification to the Company.

c. There shall be no more than one (1) Organizing Campaign in a bargaining unit in any twelve (12) month period.

d. Upon Written Notification the following shall occur:

(1) Notice Posting

The Company shall post a notice on all bulletin boards of the facility where notices are customarily posted as soon as the Unit Determination Procedure in Paragraph 3(d)(3) below is completed. This notice shall read as follows:

"NOTICE TO EMPLOYEES

We have been formally advised that the United Steelworkers of America is conducting an organizing campaign among certain of our employees. This is to advise you that:

1. The Company does not oppose collective bargaining or the unionization of our employees.

2. The choice of whether or not to be represented by a union is yours alone to make.

3. We will not interfere in any way with your exercise of that choice.

11
4. The Union will conduct its organizing effort over the next ninety (90) days.

5. In their conduct of the organizing effort, the Union and its representatives are prohibited from misrepresenting the facts surrounding your employment. Nor may they unfairly demean the integrity or character of the Company or its representatives.

6. If the Union secures a simple majority of authorization cards of the employees in [insert description of bargaining unit provided by the Union] the Company shall recognize the Union as the exclusive representative of such employees without a secret ballot election conducted by the National Labor Relations Board.

7. The authorization cards must unambiguously state that the signing employees desire to designate the Union as their exclusive representative.

8. Employee signatures on the authorization cards will be confidentially verified by a neutral third party chosen by the Company and the Union.

Following receipt of Written Notification, the Company may only communicate to its employees on subjects which directly or indirectly concern unionization on the issues covered in the Notice set forth above or raised by other terms of this Neutrality Section and consistent with this Section and its spirit and intent.

(2) Employee Lists

Within five (5) days following Written Notification, the Company shall provide the Union with a complete list of all of its employees in the proposed bargaining unit who are eligible
for Union representation. Such list shall include each employee's full name, home address, job title and work location. Upon the completion of the Unit Determination Procedure described in Paragraph 3(d)(3) below, an amended list will be provided if the proposed unit is changed as a result of such Unit Determination Procedure. Thereafter during the Organizing Campaign, the Company will provide the Union with updated lists monthly.

(3) Determination of Appropriate Unit

As soon as practicable following Written Notification, the parties will meet to attempt to reach an agreement on the unit appropriate for bargaining. In the event that the parties are unable to agree on an appropriate unit, either party may refer the matter to the Dispute Resolution Procedure contained in Paragraph 7 below. In resolving any dispute over the scope of the unit, the arbitrator shall apply the principles used by the National Labor Relations Board.

(4) Access to Company Facilities

During the Organizing Campaign the Company, upon written request, shall grant continuous access to well-traveled areas of its facilities to the Union for the purpose of distributing literature and meeting with unrepresented Company employees. Distribution of Union literature shall not compromise safety or production or unreasonably disrupt ingress or egress or the normal business of the facility. Distribution of Union literature and meetings with employees shall be limited to non-work areas during non-work time.

(5) Card Check/Union Recognition

(a) If, at any time during an Organizing Campaign which follows the existence of a substantial and representative complement of employees in any unit appropriate for collective bargaining, the Union demands recognition,
the parties will request that a mutually acceptable neutral (or an arbitrator from the American Arbitration Association if no agreement on a mutually acceptable neutral can be reached) conduct a card check within five (5) days of the making of the request.

(b) The neutral shall confidentially compare the authorization cards submitted by the Union against original handwriting exemplars of the entire bargaining unit furnished by the Company. If the neutral determines that a simple majority of eligible employees has signed cards which unambiguously state that the signing employees desire to designate the Union as their exclusive representative for collective bargaining purposes, and that cards were signed and dated during the Organizing Campaign, then the Company shall recognize the Union as the exclusive representative of such employees without a secret ballot election conducted by the National Labor Relations Board.

(c) The list of eligible employees submitted to the neutral shall be jointly prepared by the Union and the Company.

4. Hiring

a. The Company shall, at any facility which it builds or acquires, give preference in hiring to qualified employees of the Company then accruing Continuous Service under the Agreement. In choosing between qualified applicants, the Company shall apply standards established by Article Five, Section E (Seniority) of the Agreement.

b. The hiring provision set forth above shall not apply where the employer for the purposes of collective bargaining is or will be a Venture (as defined in Paragraph 5(a) below); provided, however, that in a case where a Venture could have an adverse impact on employment opportunities for then current Employees, then the hiring provision set forth above shall apply to such Venture as well.
c. Before implementing Paragraphs 4(a) and (b), the Company and the Union will decide how this preference will be applied.

\[\text{In determining whether to hire any applicant (whether or not such applicant is an Employee covered by the Agreement), the Company shall refrain from using any selection procedure which, directly or indirectly, evaluates applicants based on their attitudes or behavior toward unions or collective bargaining.}\]

5. Definitions and Scope of this Agreement

a. Rules with Respect to Affiliates and Ventures

(1) For purposes of this Section, the Company includes (in addition to the Company) any entity which is:

(a) engaged in (1) the mining, refining, production, processing, transportation, distribution or warehousing of raw materials used in the making of steel; or (2) the making, finishing, processing, fabricating, transportation, distribution or warehousing of steel; and

(b) either an Affiliate or Venture of the Company.

(2) An Affiliate shall mean any business enterprise that Controls, is under the Control of, or is under common Control with the Company.

Control of a business enterprise shall mean possession, directly or indirectly, of either:

(a) fifty percent (50%) of the equity of the enterprise; or

(b) the power to direct the management and policies of said enterprise.
(3) Venture shall mean a business enterprise in which the Company owns a material interest.

b. Rules With Respect to Existing Affiliates and Ventures

The Company agrees to cause all of its existing Affiliates and/or Ventures that are covered by the provisions of Paragraph 5(a)(1)(a) above, to become a party/parties to this Section and to achieve compliance with its provisions.

c. Rules with Respect to New Affiliates and Ventures

The Company agrees that it will not consummate a transaction which would result in the Company having or creating (1) an Affiliate or (2) a Venture, without ensuring that the New Affiliate and/or New Venture, if covered by the provisions of Paragraph 5a(1)(a) above, agrees to and becomes bound by this Section.

d. In the event that an Affiliate or Venture is not itself engaged in the operations described in Paragraph 5(a)(1)(a) above, but has an Affiliate or Venture that is engaged in such operations, then such Affiliate or Venture shall be covered by all provisions of this Section.

6. Bargaining in Newly-Organized Units

Where the Union is recognized pursuant to the above procedures, the first collective bargaining agreement applicable to the new bargaining unit will be determined as follows:

a. The employer and the Union shall meet within fourteen (14) days following recognition to begin negotiations for a first collective bargaining agreement covering the new unit. In these negotiations the parties shall bear in mind the wages, benefits and working conditions in the most comparable operations of the Company (if any comparable operations exist), and those of unionized competitors to the facility in which the newly recognized unit is located.
b. If after ninety (90) days following recognition the parties are unable to reach agreement for such a collective bargaining agreement, they shall submit those matters that remain in dispute to the Chair of the Union Negotiating Committee and the Chair of the Company Negotiating Committee, who shall use their best efforts to assist the parties in reaching a collective bargaining agreement.

c. If after thirty (30) days following the submission of outstanding matters the parties remain unable to reach a collective bargaining agreement, the matter may be submitted to final offer interest arbitration in accordance with procedures to be developed by the parties.

d. If interest arbitration is invoked, it shall be a final offer package interest arbitration proceeding. The interest arbitrator shall have no authority to add to, detract from or modify the final offers submitted by the parties, and the arbitrator shall not be authorized to engage in mediation of the dispute. The arbitrator shall select one or the other of the final offer packages submitted by the parties on the unresolved issues. The interest arbitrator shall select the final offer package found to be the more reasonable when considering (1) the negotiating guidelines described in Paragraph 6(a) above, (2) any matters agreed to by the parties and therefore not submitted to interest arbitration and (3) the fact that the collective bargaining agreement will be a first contract between the parties. The decision shall be in writing and shall be rendered within thirty (30) days after the close of the interest arbitration hearing record.

e. Throughout the proceedings described above concerning the negotiation of a first collective bargaining agreement and any interest arbitration that may be engaged in relative thereto, the Union agrees that there shall be no strikes, slowdowns, sympathy strikes, work stoppages or concerted refusals to work in support of any of its bargaining demands. The Company, for its part, likewise agrees not to resort to the lockout of Employees to support its bargaining position.

7. Dispute Resolution
a. Any alleged violation or dispute involving the terms of this Section may be brought to a joint committee of one (1) representative each from the Company and the Union. If the alleged violation or dispute cannot be satisfactorily resolved by the parties, either party may submit such dispute to the arbitrator. A hearing shall be held within ten (10) days following such submission and the arbitrator shall issue a decision within five (5) days thereafter. Such decision shall be in writing and need only succinctly explain the basis for the findings. All decisions by the arbitrator pursuant to this article shall be based on the terms of this Section and the applicable provisions of the law. The arbitrator's remedial authority shall include the power to issue an order requiring the Company to recognize the Union where, in all the circumstances, such an order would be appropriate.

b. The arbitrator's award shall be final and binding on the parties and all employees covered by this Section. Each party expressly waives the right to seek judicial review of said award; however, each party retains the right to seek judicial enforcement of said award.

c. For any dispute under this Section and the interest arbitration procedure described in Paragraph 6 above, the parties shall choose the arbitrator from the list of arbitrators described in Article Five, Section I (Adjustment of Grievances), Paragraph 6, contacting them in the order listed, and retaining the first to indicate an ability to honor the time table set forth above for the hearing and the decision.
ARTICLE TWO - UNION SECURITY

Section F. Bargaining Unit Work

1. Guiding Principle
   
   a. The Guiding Principle is that the Company will use Employees to perform any and all work which they are or could be capable (in terms of skill and ability) of performing (Bargaining Unit Work), unless the work meets one of the exceptions outlined in Paragraph 2 below.

   b. Any individual or entity other than an Employee who performs Bargaining Unit Work shall be referred to herein as an Outside Entity.

2. Exceptions
   
   In order for work to qualify as an exception to the Guiding Principle, such work must meet all aspects of one of the definitions outlined below and the Company must be in full compliance with all of the requirements of the particular exception as outlined below.

   a. Work Performed In or Around the Plant

      (1) New Construction Work

      New Construction Work is that portion of the work associated with significant (in the context of the facility) capital projects involving the installation, replacement or reconstruction of any equipment or productive facilities which (a) is not primarily maintenance; (b) does not involve bundling the work of separate projects which could be done separately; (c) does not involve any work not directly related to the project in question; and (d) is not regular, normal, routine, day-to-day or ongoing.
The Company may use Outside Entities to perform New Construction Work.

(2) Surge Maintenance Work

Surge Maintenance Work is that portion of maintenance and repair work which is required, by bona fide operational needs performed on equipment where the Company temporarily uses Outside Entities to supplement bargaining unit forces and where: (a) the use of Outside Entities would materially reduce the downtime of the equipment; and (b) the work cannot reasonably be performed by bargaining unit forces.

The Company may use Outside Entities to perform Surge Maintenance Work provided that the Company has offered all reasonable and appropriate requested overtime to all qualified Employees who, by working such overtime, could reduce the amount of Surge Maintenance Work performed by Outside Entities in an efficient manner.

b. Work Performed Outside the Plant or its Environs

(1) Fabrication and Repair Work

Fabrication Work is the creation outside of the plant or its environs of items or parts used in the Company's business which are not themselves, either directly or after additional work is performed on them, sold to customers. Repair Work is the repair, renovation or reconstruction of those items.

Fabrication and Repair Work may be performed by Outside Entities only where the location of the work's performance is for a bona fide business purpose and the Company can demonstrate a meaningful sustainable economic advantage to having such work performed by an Outside Entity.
In determining whether a meaningful sustainable economic advantage exists, neither lower wage rates, if any, of the Outside Entity, nor the lack of necessary equipment (unless the purchase, lease or use of such equipment would not be economically feasible) shall be a factor.

(2) Production Work

The Company may use Outside Entities to perform production work outside the plant and its environs provided the Company demonstrates that it is utilizing plant equipment to the maximum extent consistent with equipment capability and customer requirements and the Company is making necessary capital investments to remain competitive in the steel business and is in compliance with Article Eleven, Section B (Investment Commitment).

c. Warranty Work

Warranty Work is work which is not a service contractor replacement program and which is performed pursuant to a pre-existing warranty on new or rehabilitated equipment or systems (1) in order to assure that seller representations will be honored at no additional cost to the Company; (2) within eighteen (18) months of the installation of such warranted equipment unless longer warranties are the manufacturer's published standard warranties offered to customers in the normal course of business; and (3) for the limited time necessary to make effective seller guarantees that such equipment or systems are free of errors or will perform at stated levels of performance.

The Company may use Outside Entities to perform Warranty Work provided the guarantor of the Warranty Work is responsible for the cost of such work.
In addition to the understandings described in Paragraphs 1 and 2 above, the Company agrees that:

a. where total hours worked by employees of Outside Entities in or outside the plant reach or exceed the equivalent of one (1) full time employee, defined as forty (40) hours per week over a period of time sufficient to indicate that the work is full time, the work performed by Outside Entities will be assigned to Employees and the number of Employees will be appropriately increased if necessary, unless the Company is able to clearly demonstrate that the work cannot be performed by the addition of an Employee(s), or that assignment of the work to Employees would not be economically feasible. In determining whether the assignment of the work to Employees is or is not economically feasible, the lower wage rates, if any, of an Outside Entity shall not be a factor.

b. The parties agree that the Union may at any time enforce the obligations described above, irrespective of the Company's compliance with any other obligation in this Section or any other part of the Agreement, and that an arbitrator shall specifically require the Company to meet the above Commitment, including imposing hiring orders and penalties.

c. The Company shall supply the Bargaining Unit Work Committee (as defined below) with all requested information regarding compliance with the Commitment.

4. Bargaining Unit Work Committee

At each plant a committee consisting of four (4) individuals, two (2) individuals designated by each of the parties, shall be constituted to serve as the Bargaining Unit Work Committee. The Committee shall meet as required but not less than monthly to:

a. review bargaining unit force levels for the plant;

b. review historical contractor utilization by the plant;
c. review projections for contractor utilization by the plant;

d. monitor the implementation of new programs or hiring to reduce contractor utilization; and

e. develop new ideas and implementation plans to effectively reduce contractor usage as per the terms of this Section.

5. Notice and Information

a. Prior to the Company entering into any agreement or arrangement to use Outside Entities to perform Bargaining Unit Work, the Company will provide written notice to the Bargaining Unit Work Committee in sufficient time to permit a final determination, using the Expedited Procedure, of whether or not the proposed use of Outside Entities is permitted. Such notice shall include the following:

(1) location, type, duration and detailed description of the work;

(2) occupations involved and anticipated utilization of bargaining unit forces;

(3) effect on operations if the work is not completed in a timely fashion; and

(4) copies of any bids from Outside Entities and any internal estimating done by or on behalf of the Company regarding the use of the Outside Entities.

b. Should the Union believe a meeting to be necessary, a written request shall be made within five (5) days (excluding Saturdays, Sundays and holidays) after receipt of such notice. The meeting shall be held within three (3) days (excluding Saturdays, Sundays and holidays) thereafter. At such meeting, the parties shall review in detail the plans for the work to be performed and the reasons for using Outside Entities. The Union shall be provided with all
information available to the Company concerning the use of Outside Entities at issue.

c. Should the Company fail to give notice as provided above, then not later than thirty (30) days from the later of the date of the commencement of the work or when the Union becomes aware of the work, a grievance relating to such matter may be filed.

6. Mutual Agreement

a. As of the Effective Date, all agreements, understandings or practices of any kind that directly or indirectly permit the use of Outside Entities to perform Bargaining Unit Work are hereby agreed to be null and void.

b. In the event the Bargaining Unit Work Committee resolves a matter in a fashion which in any way permits the use of Outside Entities, such resolution shall be final and binding only as to the matter under consideration and shall not affect future determinations under this Section.

c. No agreement, whether or not reached pursuant to this Section, which directly or indirectly permits the use of Outside Entities on an ongoing basis, shall be valid or enforceable unless it is in writing and signed by the President/Unit Chair and the Grievance Committee Chair/Unit Grievance Committeeperson of the affected Local Union. Any such valid agreement shall expire on the Termination Date of this Agreement, unless signed by a Representative of the International Union.

7. Expedited Procedure

In the event the Union requests an expedited resolution of any dispute arising under this Section, it shall be submitted to the Expedited Procedure in accordance with the following:

a. Within three (3) days (excluding Saturdays, Sundays and holidays) after the Union determines that the Bargaining Unit Work
Committee cannot resolve the dispute, the Union may advise the Company in writing that it is invoking this Expedited Procedure.

b. An expedited arbitration must be scheduled within three (3) days (excluding Saturdays, Sunday and holidays) of such notice and heard at a hearing commencing within five (5) days (excluding Saturdays, Sundays and holidays) thereafter.

c. The arbitrator shall render a decision within forty-eight (48) hours (excluding Saturdays, Sundays and holidays) of the conclusion of the hearing.

d. Notwithstanding any other provision of this Agreement, any case heard in the Expedited Procedure before the work in dispute was performed may be reopened by the Union if such work, as actually performed, varied in any substantial respect from the description presented in arbitration. The request to reopen the case must be submitted within seven (7) days of the date on which the Union knew or should have known of the variance.

8. Quarterly Review

a. Not less than quarterly, the Bargaining Unit Work Committee shall meet with the Local Union President/Unit Chair and the General Manager of the plant, for the purpose of reviewing all work for which the Company anticipates utilizing Outside Entities at some time during the next or subsequent quarters. The Union shall be entitled to review any current or proposed contracts concerning such work and shall keep such information confidential.

b. During the review, the Bargaining Unit Work Committee may (1) agree on items of work that should be performed by Outside Entities for which Notice under Paragraph 5 above is therefore not required; or (2) disagree on which items of work should be performed by Employees and which should be performed by Outside Entities for which notice under Paragraph 5 is therefore required.
c. During the quarterly review, the Company will provide to the Bargaining Unit Work Committee a detailed report showing work performed by Outside Entities since the last such report. For each item of work the report shall include the date and shift the work was performed; a description of the work; the trade, craft or occupation of the individual performing the work; and the total number of hours worked by each individual.

a. Special Remedies

(1) Where it is found that the Company (a) engaged in conduct which constitutes willful or repeated violations of this Section or (b) violated a cease and desist order previously issued by an arbitrator, the arbitrator shall fashion a remedy or penalty specifically designed to deter the Company’s behavior.

(2) With respect to any instance of the use of an Outside Entity, where it is found that notice or information was not provided as required under Paragraph 5 above, and that such failure was willful or repeated and deprived the Union of a reasonable opportunity to suggest and discuss practicable alternatives to the use of an Outside Entity, the arbitrator shall fashion a remedy which includes earnings and benefits to Employees who otherwise may have performed the work.

b. Outside Individuals Testifying in Arbitration

No testimony offered by an individual associated with an Outside Entity may be considered in any proceeding unless the party calling the outsider provides the other party with a copy of each Outside Entity document to be offered in connection with such testimony at least forty-eight (48) hours (excluding Saturdays, Sundays and holidays) before commencement of that hearing.

2. Such hiring shall conform to applicable lines of progression, bidding, promotion and other requirements under this Agreement.

3. The Company shall, subject to these and other applicable provisions, have the final responsibility for accepting or rejecting a particular applicant for employment.
ARTICLE THREE - HEALTH, SAFETY AND THE ENVIRONMENT

Section A. Employee and Union Rights

1. Employees have the right to a safe and healthful workplace, to refuse dangerous work, to adequate personal protective equipment, to safety and health training, to a proper medical program for workplace injuries and illnesses, and to a reasonable alcoholism and drug abuse policy.

2. The Union has the right to participate in active and informed Joint Safety and Health and Environmental Committees to appoint Union health and safety representatives, to join in regular safety audits and accident investigations, to receive full and continuing access to all information related to the work of the Committees (including all OSHA reports), and to participate in programs which address certain special hazards. The Company will provide the Union Safety Department with prompt telephonic notification of the basic facts concerning any fatality at the worksite, followed by a written communication. The Company will also provide the Union Safety Department with a copy of any fatal accident report.

3. The Company will develop and implement, with the involvement of the Union, policies and programs for ensuring these rights.

Section B. The Right to a Safe and Healthful Workplace

1. The Company will provide safe and healthful conditions of work for its Employees and will, at a minimum, comply with all applicable laws and regulations concerning the health and safety of Employees at work and the protection of the environment. The Company will install and maintain any equipment reasonably necessary to protect Employees from hazards.

2. The Company will make every reasonable effort to ensure that all equipment is maintained in a safe condition. Its inspection and maintenance program will give top priority to equipment critical to Employee safety and health. Where faulty equipment creates an abnormal
risk to Employees, the Company will take all necessary steps to eliminate the risk.

3. The Company will provide suitable heating and ventilation systems and keep them in good working order.

Section C. The Right to Refuse Unsafe Work

1. If an Employee, acting in good faith and on the basis of objective evidence, believes that there exists an unsafe or unhealthful condition beyond the normal hazards inherent in the operation (Unsafe Condition), s/he shall notify his/her immediate supervisor. The Employee and the supervisor will make every attempt to resolve the condition in the interest of safety. Thereafter, s/he has the right, subject to reasonable steps for protecting other Employees and equipment, to be relieved from duty on that job and to return to that job only when the Unsafe Condition has been remedied. The Company may assign the Employee to other available work in the plant, consistent with this Agreement and without displacing another Employee.

2. If the Company disputes the existence of the allegedly Unsafe Condition, the Grievance Chair and the Plant General Manager or their designees will immediately investigate and determine whether it exists.

3. If after the investigation it is determined that the condition existed, the Employee will be made whole for any lost time in connection with the condition. If after the investigation the Company does not agree that an Unsafe Condition exists, the Union has the right to present a grievance in writing to the appropriate Company representative and thereafter the Employee shall continue to be relieved from duty on that job. The grievance will be presented without delay directly to an arbitrator, who will determine whether the Employee acted in good faith in refusing the work and whether the Unsafe Condition was in fact present.

4. No Employee who in good faith exercises his/her rights under this Section will be disciplined.
5. If an arbitrator determines that an Unsafe Condition within the meaning of this Section exists, s/he shall order that the Condition be corrected and that the correction occur before the Employee returns to work on the job in question and the Employee shall be made whole for any lost earnings.

Section D. The Right to Adequate Personal Protective Equipment

The Company will provide, without cost to the Employee, effective protective equipment in good working order when required by law or regulation or when necessary to protect Employees from injury or illness. Such equipment includes, but is not limited to, goggles, hard hats, safety glasses, hearing protectors, face shields, respirators, special-purpose gloves, protective clothing and harnesses.

Section E. The Right to Safety and Health Training

1. All Employees will be provided with periodic safety and health training. In addition, before the initial assignment to a particular job, Employees will receive training on the nature of the operation or process; the hazards of the job; controls in place; safe working procedures and the reasons for them; the purpose, use and limitations of the required personal protective equipment; and other controls or precautions associated with the job. Such training will also be provided when the job changes in a way that affects the nature or severity of the hazards.

2. All training programs will be fully discussed and reviewed by the Joint Safety and Health Committee. The Company will make a reasonable effort to use Employees chosen by the Union Co-Chair of the Joint Safety Committee as trainers and will instruct trainers in effective teaching techniques. Upon request, the Union's Health, Safety and Environment Department (Union Safety Department) will be provided with a copy of all training materials and be afforded the opportunity to review the training.

5. The Company will maintain the privacy of reports of medical examinations of its Employees and will only furnish such reports to a physician designated by the Employee with the written authorization of the Employer; provided that the Company may use or supply such medical examination reports of its Employees in response to subpoenas, requests by a governmental agency authorized by law to obtain such reports and in arbitration or litigation of any claim or action involving the Company and the Employee. Upon written request by the Employee, the Company will provide the Employee with a copy of the Employee’s medical records at no cost to the Employee. All medical examinations will be conducted by or under the supervision of a licensed physician.

6. If a Company physician detects a medical condition that requires further medical attention, s/he will advise the Employee of such condition.

Section G. The Right to a Reasonable Policy on Alcoholism and Drug Abuse

1. The parties desire a drug and alcohol free workplace. Consistent with this objective, alcoholism and drug abuse are recognized by the parties to be treatable medical conditions. The Company and the Union agree to the need for an effective substance abuse policy and an Employee Assistance Program (EAP), administered and funded by the Company, to encourage and facilitate the rehabilitation of Employees afflicted with alcoholism or
drug abuse. The EAP will utilize professional and Employee peer counselors and will operate under conditions of strict confidentiality. The parties will agree to a mutually acceptable substance abuse policy to effectuate these goals.

2. The Company may require an Employee to submit to a medical evaluation performed by qualified personnel, which may include a drug or alcohol test, only where there is reasonable cause, based on objective evidence, to believe that the Employee is impaired by drugs or alcohol on the job, or under any other circumstance consistent with this Agreement or the policy referenced in paragraph 1, above. Employees involved in an accident will be tested only when an error in their coordination or judgment could likely have contributed to the accident.

3. Employees will not be required to submit to drug or alcohol testing for any other reason, unless such testing is conducted pursuant to a Last Chance Agreement which includes such testing, the policy referenced in paragraph 1, above, or is required by law.

4. Drug and alcohol tests will utilize scientifically accepted methods for evaluating impairment. When a biological sample is taken, a portion will be retained for retesting, should the Employee dispute the initial results.

5. Employees who are found through testing to have abused alcohol or drugs will be offered rehabilitation in lieu of discipline consistent with the policy referenced in paragraph 1, above. However, this provision does not affect the right of the Company to discipline Employees for violation of plant rules or for working or attempting to work while impaired.

1. A Joint Safety and Health Committee (Joint Safety Committee) will be established at each facility to be composed of the Local Union President/Unit Chair and the Plant Manager and no less than three (3) additional members or no more than one (1) for each department as designated by each Co-Chair. The survey, to be conducted by qualified personnel, will list locations from which significant amounts of carbon monoxide, toxic substances and harmful physical agents could escape, the conditions which might cause such a release, and the steps necessary to minimize or control the hazard. The survey will be updated annually and whenever significant changes are made to the gas-handling system or procedure.

It is recognized that it is impracticable to set forth in this Agreement all of these working conditions, which are of a local nature only, or to state specifically in this Agreement which of these matters should be changed or eliminated (Change or Changed). The provisions set forth below provide general principles and procedures which explain the status of these matters and furnish necessary guideposts. Any arbitration arising under this Section shall be handled on a case-by-case basis on principles of reasonableness and equity.

2. Deprivation of Benefits

In no case shall Local Working Conditions deprive an Employee of rights under this Agreement and the conditions shall be Changed to provide the benefits established by this Agreement.

The normal work week shall be five (5) consecutive workdays beginning on the first day of any seven (7) consecutive day period. The seven (7) consecutive day period is a period of 168 consecutive hours and may begin on any day of the calendar week and extend into the next calendar week. b. Schedules showing Employees’ workdays shall be posted or otherwise made known to Employees not later than 2:00 p.m. Thursday of the week preceding the calendar week in which the schedule becomes effective. The Company will establish a procedure affording any Employee whose last scheduled turn ends prior to the posting of his/her schedule for the following week an opportunity to obtain information relating to his/her next scheduled turn. This procedure will also be applicable with respect to Employees returning from vacation.

c. Employees shall be paid for all shifts which are part of their originally posted schedule unless an Employee fails to work as scheduled for reasons such as disciplinary time off, absenteeism or report-off time for union business.

An Employee on an approved leave of absence or disability during any payroll week shall be considered as having been provided the opportunity for this guarantee during any such week, it being understood that the pay, if any, that such an Employee is entitled to receive while on approved leave of absence or
disability is that provided by applicable law or the Agreement, not the earning opportunity set forth in this Paragraph.

5. Full Day Guarantee

An Employee required to report to work shall be paid for the greater of (a) eight (8) hours or (b) the hours actually worked, except as provided in other Sections of this Agreement or in cases where the Employee works less than eight (8) hours or the actual hours scheduled, as a result of the Employee voluntarily leaving work or as a result of disciplinary action.

6. Alternative Work Schedule

The Company may adopt alternative work schedules consisting of ten (10) or twelve (12) hour per day scheduling with the approval of the Local Union President/Unit Chair and the Grievance Chair and sixty percent (60%) of the Employees who are impacted by the alternative schedule.

   b. hours worked in excess of forty (40) hours in a payroll week;

   c. hours worked on the sixth or seventh workday of a seven (7) consecutive day period during which five (5) days were worked, whether or not all such days fall within a single payroll week, provided that on shift changes the 7-consecutive-day period of 168 consecutive hours may become 152 consecutive hours depending upon the change in the shift; and

   d. hours worked on a second reporting in the same workday where the Employee has been recalled or required to report to work after working eight (8) hours.
3. Holidays

Recognized holidays, whether or not worked, shall be counted as a day worked in determining overtime; however, worked holidays shall only be paid as specified in Article Ten, Section A (Holidays).

   b. Continuous Service, as defined by Paragraph 3(a) below, shall be used for all purposes under all labor and benefits agreements, unless explicitly provided otherwise; provided, however, that accumulation in excess of two (2) years during a period of layoff shall be counted only for purposes of this Section, including local agreements thereunder.
   c. In all cases of promotions, decreases in force and recalls after layoffs, the following factors shall be considered:
      (1) ability to perform the work; and
      (2) Plant Continuous Service (Plant Service).
      Where factor (1) is relatively equal, Plant Service shall be the determining factor.

2. Determination of Seniority Units
   a. Seniority shall be applied on a job and departmental or larger unit basis, as agreed upon. A job may be in one seniority unit for one purpose and in a different unit for another.
   b. The seniority units, lines of progression, departments and rules for the application of seniority factors in effect as of the Effective Date shall remain in effect unless modified by a local written agreement signed by the Grievance Chair.
c. Local seniority agreements shall provide that the opportunity to receive training necessary for promotions and all promotions (including step-ups), decreases in forces (including demotions and layoffs), recalls after layoff and other practices affected by seniority shall be in accordance with Plant Service; provided that (1) demotions, layoffs and other reductions in force shall be made in descending job sequence order, starting with the highest affected job and with the Employee on such job having the least length of Plant Service and (2) the sequence on a recall shall be made in the reverse order so that the same Employees return to jobs in the same positions relative to one another that existed prior to the layoff.

3. Continuous Service

a. Continuous Service shall be determined by the Employee’s first employment or reemployment following a break in continuous service in any facility of the Company covered by this Agreement.

   (1) Employees Who Were Employees of Any Predecessor Company

   Continuous Service for Employees who were employees (within the meaning of the relevant basic labor agreement with the Union) of any Predecessor company (a USWA represented company some or all of whose assets are or were acquired by the Company) will be the length of time measured from the Employee’s continuous service date under that predecessor company’s basic labor agreement subject to the employee’s eligibility dates agreed to by the parties, except as otherwise provided by this Agreement or other agreements between the parties.

   (2) All Other Employees
Continuous Service for all other Employees will be the length of time measured from the Employee’s first date of employment with the Company.

b. Company Continuous Service shall be the length of time measured from the Employee’s first date of employment or reemployment following a break in continuous service with the Company.

c. Plant Service shall be the length of time measured from the Employee’s first date of employment or reemployment following a break in continuous service in his/her plant.

d. Continuous Service (including Company Continuous Service and Plant Service) shall only be broken if an Employee:

(1) quits;

(2) retires;

(3) is discharged for cause;

(4) if on layoff, fails to report to the Employment Office within ten (10) days of registered mail notice;

(5) is absent because of layoff (including a layoff due to a permanent closure) or non-occupational physical disability for a period longer than the lesser of his/her length of Continuous Service at the commencement of such absence or five (5) years; or

(6) is absent due to a compensable disability incurred during the course of employment and does not return to work within thirty (30) days after final payment of statutory compensation for the disability or after the end of the period used to calculate a lump-sum payment. If the seniority of an Employee does not permit a return to work, the Employee will be placed on layoff and any break will be determined under Paragraph 5 above.
4. Probationary Employees

a. New Employees hired after the Effective Date of this Agreement will serve a probationary period for the first 1,040 hours of actual work and will receive no Continuous Service credit during such period. Probationary Employees shall have access to the grievance procedure but may be laid off or discharged as exclusively determined by the Company; provided that such layoff or discharge may not violate Article Four, Section A (Non-Discrimination).

b. Probationary Employees who continue in the service of the Company beyond the first 1,040 hours of actual work shall receive full Continuous Service credit from their original date of hire.

c. Where a probationary Employee is laid off and is subsequently rehired within one (1) year from the date of such layoff, the hours of actual work accumulated during the first employment shall be added to the hours of actual work accumulated during the second employment in determining when the Employee has completed 1,040 hours of actual work; provided, however, that his/her Continuous Service date will be the date of hire of the second hiring.

5. Interplant and Intraplant Transfers

It is recognized that conflicting seniority claims among Employees may arise when plant or department facilities are created, expanded, added, merged or discontinued. In the event the local parties are unable to resolve such conflicts, the International Union and the Company may reach such agreements as they deem appropriate, irrespective of existing seniority agreements, or submit the matter to arbitration.

6. Temporary Vacancies

a. In cases of temporary vacancies involving assignments within a seniority unit, the Company shall to the greatest degree, consistent with efficiency of the operation and the safety of Employees, and the
progression sequence, offer that assignment to the Employee in the unit with the longest Plant Service who desires the assignment.

b. In case of a permanent vacancy on a job, the assignment of a junior Employee to a temporary vacancy on such job shall not be used as a presumption of creating greater ability in favor of such junior Employee if such temporary vacancy should have been made available to the senior Employee.

7. Posting of Job Openings

a. When a permanent vacancy develops or is expected to develop, it shall be brought to the attention of all affected or potentially affected Employees in a manner which insures adequate notice.

b. Employees in the seniority unit who wish to apply for the vacancy or expected vacancy may do so in writing in accordance with reasonable rules developed by the Company.

c. The notice requirement in Paragraph 7(a) above shall also apply to inform Employees of the Company’s choice to fill the vacancy.

8. Seniority Status of Grievance Committee Members and Local Union Officers

When a decrease of force is effected, the Local Union President/Unit Chair, Vice President and the members of the Grievance Committee shall, if they would otherwise be laid off, be retained at the lowest rated job in the unit that they represent. The intent of this provision is to retain in active employment individuals who can provide continuity in the administration of the Agreement; provided that an individual shall not be retained in employment unless work which s/he can perform is available.

9. Administration of Seniority

a. The seniority standings of Employees in a given department shall be kept on file in that department and the Local Union Zone Grievance

57
Committeeman or Grievance Chair shall have access to the file in connection with any grievances.

b. The Company shall post in each department, on a bulletin board maintained for that purpose, the Plant Service date of all Employees in that department.

10. Permanent Vacancies and Transfer Rights

a. An Employee who is assigned to a job for purposes of retention shall not be able to effectuate a permanent transfer to that unit by refusing a recall to his/her home unit. However, nothing contained herein shall preclude such an Employee from effectuating a permanent transfer by bidding for a permanent vacancy in such a unit or any other unit in accordance with established procedures.

b. A permanent vacancy shall be filled from within the first step of competition (whether it be unit, line of progression, etc.). Each succeeding vacancy shall be filled in the same manner, and the resulting vacancy in the entry level job shall thereafter be filled on a departmental basis (the second step of competition) by Employees with at least six (6) months of Plant Service on the date the vacancy is posted.

c. Resulting entry level departmental vacancies shall be filled on a plant-wide basis (the third step of competition) by Employees with at least twelve (12) months of Plant Service on the date the vacancy is posted. An Employee transferring under Article Eight, Section D (Interplant Job Opportunities) shall be eligible to bid on vacancies notwithstanding the twelve (12) months of Plant Service requirement set forth in Paragraph 10(b) above.

d. As an exception to the procedures for filling vacancies provided for in Paragraphs 10(b) and (c) above, all permanent vacancies in craft trainee jobs shall be filled on a plant-wide basis from among qualified bidding Employees. Similarly, permanent vacancies in craft jobs which are not filled by the promotion or assignment of trainee graduates, or by the transfer of a craft Employee from one
unit to another within the same trade or craft, shall be filled on a plant-wide basis from among qualified bidding Employees. An Employee shall not be disqualified from bidding on any such vacancy by reason of any minimum length of service requirement.

e. Should the Company deem it necessary to retain an Employee on his/her former job in order to continue efficient operation, it may do so, for a maximum of sixty (60) days, on the basis of establishing such Employee on the new job and temporarily assigning him/her to his/her former job until a suitable replacement can be trained for the job or its performance is no longer required. In such event, after two (2) weeks of being delayed the Employee shall be entitled to earnings not less than what s/he would have made had s/he been working on the new job on which s/he has been established and, where applicable, shall be paid as though such hours were credited to any trainee program.

f. If an Employee accepts transfer under this Paragraph, his/her Continuous Service in the unit from which s/he transfers will be canceled thirty (30) days after such transfer; provided, however, that during such thirty (30) day period the Employee may voluntarily return to the unit from which s/he transferred or the Company may return him/her to that unit because s/he cannot fulfill the requirements of the job or the need for the position is deemed not necessary within thirty (30) days of the date of transfer.

g. In the event an Employee accepts transfer under Paragraph 10 and remains on the new job for more than thirty (30) days, s/he may not again apply for transfer for one (1) year after such transfer.

h. In the event an Employee refuses a transfer under Paragraph 10 after applying therefor, or voluntarily returns to the unit from which s/he transferred, s/he may not again apply for transfer to such unit for one (1) year after such event.
11. Compensation for Improper Layoff or Recall

In the event of improper layoff or failure to recall an Employee in accordance with his/her seniority rights, the Employee shall be made whole for the period during which s/he is entitled to retroactivity.

   b. in accordance with Article Four, Section A (Non-Discrimination);
   c. uniformly applied within each respective plant; and
   d. based on the passing grade that is required to determine ability to perform the work.

2. A job related test, whether oral, written or in the form of an actual work demonstration, is one which measures whether an Employee can satisfactorily meet the specific requirements of that job including the ability to absorb any training which may necessarily be provided in connection with that job.

3. Testing procedures shall in all cases include notification to an Employee of any deficiencies and an offer to counsel how to overcome the deficiencies.

4. Where, in accordance with this Agreement, a test is used by the Company as an aid in making a determination of the Employee's ability to perform the work and where the use of the test is challenged in the grievance procedure, the following shall pertain:
   a. The Company will furnish to a designated representative of the International Union either the test itself or examples of test questions, certified by a testing agency as equivalent in any relevant respects to questions used in the disputed test and sufficient in number to evaluate the test, and all such background and related materials as may be relevant and available. In cases where all or part of the test is non-written, a complete description of the test shall
be provided along with all such background and related materials as may be relevant and available.

b. All such test questions and materials will be held in strictest confidence and will not be copied or disclosed to any other person; provided that such test questions and materials may be disclosed to an expert in the testing field for the purpose of preparing the Union's position in the grievance procedure and to an arbitrator, if the case proceeds to that step. All test questions and materials will be returned to the Company following resolution of the dispute.

c. Copies of transcripts and exhibits presented in the arbitration of cases involving the challenge to a test will also be held in confidence and will not be copied or otherwise published.

2. Thereafter, the Company will meet with appropriate Union representatives in order to provide them with an opportunity to discuss the Company’s proposed course of action, provide the Union with any additional requested information and bargain in good faith over any suggested alternatives.

3. No less than thirty (30) days prior to the Closure date, the Company shall advise the Union of its final decision, which decision shall be the exclusive function of the Company.

4. Any Employee affected by a Closure shall, after exercising any rights to which s/he may be entitled, be placed on layoff in accordance with this Agreement.

In determining the necessary qualifications to advance in the promotional sequence involved, the normal experience that an Employee would acquire in such sequence shall be taken into consideration; provided, however, it is recognized that the Company can require that a sufficient number of occupants of each job in a promotional sequence be available to assure an adequate number of qualified replacements for the next higher job.

4. Should the Company deem it necessary to assign an Employee to his/her regular job at the old facility in order to continue its efficient operation, it may do so, for a maximum of sixty (60) days, on the basis of establishing the Employee on the new job and then temporarily assigning him/her back to his/her former job until a suitable replacement can be trained for the job or its performance is no longer required. 8. Rules for Hearings

   a. The parties agree that the prompt resolution of cases brought to arbitration is of the highest importance. Therefore, except as provided in Paragraph 8(b) below, arbitration hearings shall be heard in accordance with the following rules:

Company may impose no more than a suspension (which must be in accordance with Paragraph 9(b) below) on such Employee prior to completing the procedure referred to in Paragraph 3 below.

(3) The grievance protesting the intended discharge shall be filed at Step 2 of the grievance procedure and the Step 2 Answer shall be given prior to the Company converting the suspension to a discharge. At the Step 2 meeting the Company shall provide a written statement fully detailing all of the facts and circumstances supporting its proposed disciplinary action.

(4) In the event the Company does convert the suspension to a discharge, the action shall be treated as a denial of the grievance at Step 2 and the Union may thereupon move the case through the balance of the grievance procedure.

b. Justice and Dignity

(1) In the event the Company imposes a suspension or discharge (which must be in accordance with Paragraph 9(a) above), and the Union files a grievance within five (5) days after notice of the discharge or suspension, the affected Employee shall remain on the job to which his/her seniority entitles him/her until there is a final determination on the merits of the case.

(3) When an Employee is retained pursuant to this procedure and the Employee's discharge or suspension is finally held to be for just cause, the removal of the Employee from the active rolls shall be effective for all purposes as of the final resolution of the grievance.

(4) When a discharged Employee is retained at work pursuant to this provision and is discharged again for a second dischargeable offense, the Employee will no longer be eligible to be retained at work under these provisions.

c. Any case involving a suspension or discharge may be filed at Step 2 of the grievance procedure.

d. The Company will not make use of any personnel records of previous disciplinary action against the Employee involved where the disciplinary action occurred two (2) years prior to the date of the event which is the subject of suspension or discharge, except records relevant and necessary to establish progressive discipline of the action in dispute, but in no event longer than five (5) years.

e. Should the arbitrator determine that an Employee has been suspended or discharged without just cause, the arbitrator shall have the authority to modify the discipline and fashion a remedy warranted by the facts.

2. Level of Payout

The Company agrees that it will create a profit sharing pool (the Pool) consisting of fifteen percent (15%) of all Profits above $30 of Profit per Ton Shipped, as defined below, and to distribute the Pool within forty-five (45) days of the end of each fiscal quarter, in the manner described below. The fourth (4th) quarter payment will be distributed within fifteen (15) days following the date of the auditor's opinion of the Company's annual audited financial statements, which may include an adjustment for the correction of errors in prior quarters.

3. Calculation of Profits

For the purposes of this Plan,

a. Profits shall be defined as Earnings Before Interest and Taxes of the Company, calculated on a consolidated basis in accordance with United States Generally Accepted Accounting Principles (GAAP), with the following exclusions:

   (1) Any cancellation of debt income or other one-time charges or credits directly or indirectly associated with the Company's emergence from bankruptcy;

   (2) income or loss related to any charges or credits (whether or not identified as special credits or charges) for unusual, infrequently occurring or extraordinary items as defined by GAAP, including credits or charges for plant closures, business dispositions and asset sales that are not normal operating charges or credits of the Company;

5. **Form of Payment**

   a. For any fiscal quarter ending during the term of the Agreement the Company may discharge its profit-sharing obligation (PSO) with a payment in cash, contribution of common stock of WPC or Profit-Sharing Notes as described below.

In the case of a payment in stock, the stock shall be contributed to an Hourly Employee Stock Plan (such plan the HESP, as described in Attachment 1 hereto) with a market value equal to 100% of its PSO. The value of the stock shall be based on the average closing price of the stock in the 10 trading days immediately preceding the distribution dates referred to in Paragraph 2 above.

   c. If and only if the discharge of the PSO in stock (when added to the stock contributed to the Benefit Trust as described in Appendix F, Retiree Benefit Trust – Section D.l.c. – Special Contribution,) would result in the issuance, over the course of a fiscal year, of more than 10% of the WPC's fully-diluted common shares (prior to the issuance) then the Company may discharge its PSO in the form of Profit-Sharing Notes, as described in Attachment 2 hereto.

6. **Administration of the Plan**

Upon determination of each Quarterly Profit calculation, such calculation shall be forwarded to the Chair of the Union Negotiating Committee accompanied by a Certificate of Officer signed by the Chief Financial Officer of the Company, providing a detailed description of any adjustments made to Earnings Before Interest and Taxes and stating that Profit was determined in accordance with GAAP and that Quarterly Profit was calculated in accordance with this Section.

   b. The Union, through the Chair of its Negotiating Committee or his/her designee, shall have the right to review and audit any information, calculation or other matters concerning the Plan. The
Company shall provide the Union with any information reasonably requested in connection with its review. The reasonable actual costs incurred by the Union in connection with any such audit shall be paid from the Pool and deducted from the amount otherwise available under the Pool for distribution to Employees.

c. In the event that a discrepancy exists between the Company's Profit Sharing calculation and the results obtained by the Union's review, the Chairs of the Union and Company Negotiating Committees shall attempt to reach an agreement regarding the discrepancy. In the event that they cannot resolve the dispute, either party may submit such dispute to final and binding arbitration under the grievance procedure provided in this Agreement.

Section F. Inflation Recognition Payment

1. General Description

The below general description is qualified in its entirety by Paragraphs 2 through 6 below.

The purpose of the Inflation Recognition Payment (IRP) is to make quarterly lump-sum payments to Employees if cumulative inflation, as measured over the life of the Basic Labor Agreement, exceeds three percent (3%) per year.

At the end of each calendar quarter, the Consumer Price Index (CPI) for the final month of that quarter will be compared to a CPI Threshold (as found in the Table in Paragraph 5 below) which represents what the CPI would be if total inflation since the beginning of the Agreement had averaged three percent (3%) per year. If the actual CPI is higher than the CPI Threshold, a lump sum payment shall be made equal to each full one percent (1.0%) by which the actual CPI is higher than the CPI Threshold, multiplied by the Regular Rate of Pay for each position worked by an Employee for all hours actually worked and overtime allowance (hereafter referred to as “earnings”) for the quarter.

Thus, if in a given quarter three percent (3%) annual inflation since the beginning of the Agreement would have produced total inflation of ten percent (10%) and the actual CPI indicates that inflation since the beginning of the contract has been twelve percent (12%) and an Employee had earnings as defined in the paragraph above during the quarter of $12,000, then that Employee would receive a lump-sum payment of two percent (2%) (12% actual inflation minus a 10% CPI Threshold) times $12,000 or $240.

2. IRP Payments

a. Beginning the first full calendar quarter after the Effective Date, the Company shall, on each Payment Date, make to each Employee an IRP payment equal to:
(1) their total earnings as defined above for the Covered Period, multiplied by

(2) each full percentage (1.0%), by which the CPI for the Measurement Month exceeds the CPI Threshold for the Measurement Month.

b. No IRP will be made for any Covered Period unless the CPI for the Measurement Month is greater than the CPI Threshold; in the event the CPI is lower than the CPI Threshold there shall be no recoupment of any kind.

c. The IRP shall be a lump-sum payment and shall not be part of the Employee's Base Rate of pay or used in the calculation of any other pay, allowance or benefit.

3. Definitions

a. CPI shall mean the Consumer Price Index for Urban Wage Earners and Clerical Workers (CPI-W), U.S. City Average, All Items, Not Seasonally Adjusted (1982-84=100) as published by the Bureau of Labor Statistics. If the Consumer Price Index in its present form and on the same basis as the last Index published prior to the Effective Date becomes unavailable, this Section shall be adjusted to produce as nearly as possible the same result as would have been achieved using the Index in its present form.

b. Payment Date shall be the forty-fifth (45th) day after the last day of the Measurement Month.

c. Measurement Month shall be the last month of a Covered Period.

d. Covered Period(s) shall be as shown in Paragraph 5 below.

e. CPI Threshold(s) shall be as shown in Paragraph 5 below, based on the formula in Paragraph 6 below.

6. Formula to Calculate CPI Threshold

The CPI Threshold shown in the Table above is the CPI for the month of March 2002 multiplied by 1.03 per year as expressed in the following formula:

\[ \text{CPI-W for 3-02} \times (1.03)^n \]

Where \( n \) is the number of Covered Years from the first calendar year of 2002 to the Covered Year in which the calculation is made.

ARTICLE TEN – PAID TIME OFF AND LEAVES OF ABSENCE

Section G. Family and Medical Leave Act

The Company shall comply with the Family and Medical Leave Act of 1993 (FMLA) and shall apply its requirements as set forth below. Nothing in this Section shall be construed to provide lesser treatment than that required under the FMLA or to deprive any Employee of any right or forum thereunder.

   b. Any eligible Employee shall be entitled to up to twelve (12) weeks of unpaid leave in any twelve (12) month period. This period shall be measured on a rolling twelve (12) month basis, measured backward from the date any FMLA leave is used. 3. Pay During FMLA Leave
   a. Employees seeking FMLA leave under this Section may be required to utilize up to one (1) week of unused paid vacation.
b. An Employee may request to utilize additional paid vacation during the FMLA leave time. The Company reserves the right to approve such a request where it involves a change in the vacation schedule.

c. Except for the substitution of paid vacation and the utilization of Sickness and Accident, or Workers' Compensation benefits, all time off provided shall be unpaid and shall be considered as time not worked for all other matters.

d. An Employee on FMLA leave is not eligible for Supplemental Unemployment Benefits in the event of a layoff, until following the termination of the leave.

4. Continuous Service

Leaves of absence under this Section shall not constitute a break in Continuous Service and the period of such leave shall be included in an Employee's length of Continuous Service under this Agreement and all benefit agreements.

5. Benefit Continuation

a. All Employees' benefit coverage will continue during such leave, provided the Employee is otherwise eligible for such coverage and the Employee continues making any normally-required premium or other payments in a manner acceptable to the Company. In the event the Employee fails to make such payments, all benefit coverage shall terminate.

b. In the event an Employee fails to return to work or quits after the Employee's FMLA leave period has been concluded, the Company waives its right to recover the cost of health insurance coverage provided by the Company during such leave.

   a. The International President shall provide the Board's Chairman with the names and resumes of the individuals whom s/he wishes to have serve on the Board.

   b. Provided that the individuals are acceptable to the Chairman, (it being understood that in all respects each individual will be dealt with separately) such acceptance not to be unreasonably withheld, the Chairman shall promptly recommend such individual(s) to the Board's Nominating Committee, who absent compelling reasons to the contrary, shall promptly recommend such individual(s) to the full Board for election at its next meeting.

   c. Once elected, the individual(s) shall be recommended by the Board for election by the shareholders to serve a regular term at the Company's next Annual Meeting of Shareholders.

3. If after election, the individual(s) becomes unwilling or unable to serve or the Union wishes to replace one or both of them, the International President shall provide the Board's Chairman with the name of a new individual(s) whom s/he wishes to have serve on the Board and the process outlined above shall thereafter be followed. In such case the individual(s) previously named by the International President may be removed from or not nominated for re-election to the Board.

4. At the time that any person is nominated by the Union as provided in this Section A, said nominee shall acknowledge in whatever fashion such
acknowledgement is given by all of the Company's other Directors, that such nominee, if elected to the Board, would have a fiduciary duty to the Company and its stockholders.
ARTICLE ELEVEN – CORPORATE GOVERNANCE

2. The Union agrees to contribute to the competitiveness of the facilities and work with the Company to maintain the competitive nature of the facilities.

3. The Company agrees that it will not operate the facilities (except for maintenance and repair outages), covered (as of the Effective Date or in the future) by the Agreement at other than full capacity and directly or indirectly replace the product which could have been produced at such facilities with product obtained from other than Canadian or United States facilities that provide base wages, benefits and protections such as just cause and seniority that are substantially equivalent to those provided in this Agreement.

4. The Company shall make all capital expenditures required to maintain the competitiveness and capacity of its Steel-Related Assets, including investments that increase competitiveness and productivity, unless:

   a. the Company has conducted full and extensive consultation with the Union and fully and carefully considered all Union input concerning the subject Capital Expenditure; and

   b. making the subject Capital Expenditure would be imprudent.

With regard to any determination by the Board, or the board of directors of any of its Affiliates or Ventures, to not make any Capital Expenditures, it shall be presumed that:

(1) said determination was made correctly; and
(2) making the subject Capital Expenditures would be imprudent for the Company or its Affiliate or Venture, as the case may be.

5. For the purpose of this Section,

2. Without in any way limiting the applicability of Paragraph 1 above, the Company agrees that all transactions (including, without limitation, sales, loans, purchases, leases, guarantees, fees of any kind, and equity transactions) between the Company and any equity holder or any Affiliate of any equity holder, shall be conducted on an arm’s-length basis, on commercially reasonable terms not less favorable to the Company than those that could be obtained from an unrelated third party, and in accordance with any shareholders agreement of the Company. In addition, any loan or similar transaction to any such person shall only be made if it is beneficial to the Company and on terms consistent with the business relationship between such person and the Company. Subject to the foregoing, the Company may engage in transactions with its equity holders and their Affiliates.

3. For the purposes of this Section, Upstreaming includes directly or indirectly, paying any dividends on, or making any distributions, exchanges, conversions, retirements, repurchases or redemptions, in respect of the Company’s stock.

1. Should the Company decide or be presented with an offer to sell or otherwise transfer a controlling interest in the corporate entity which owns its assets (a Controlling Interest) or all or a portion of one or more of its facilities (Facilities) (either or both, the Assets), it will promptly advise the USWA in writing and grant to the USWA the right to organize a transaction to purchase the Assets (a Transaction).

5. In the event that the USWA submits an offer pursuant to the above, the Company shall not be under any obligation to accept such offer. However, the Company may not enter into an agreement with regard to the Assets with an entity other than the USWA unless that Transaction is superior to the USWA offer. The Company may only deem a proposed Transaction superior if its Board of Directors reasonably determines that such Transaction is more favorable to the Company and/or its shareholders, taking into consideration such factors as price, form of consideration, certainty of payment, conditions precedent to closing and other factors...
which influence which of the transactions is in the best interests of the Company and/or its shareholders.

6. This Section shall not cover any public offering of equity.

7. The rights granted to the USWA in this Section may be transferred or assigned by the USWA; provided, however, that in the event of a Transaction:

RE: Training for New or Restructured Jobs

Dear Mr. McCall:

1. The parties agree that the right to adequate training is fundamental to achieving the safe and successful implementation of our agreement to restructure jobs and the workplace.

2. Notwithstanding anything in the Agreement to the contrary, Employees who were, on the Effective Date, incumbents in a job which has subsequently been combined into a new or restructured job shall, subject to their seniority and the number of available positions, be provided an opportunity to be placed in such new or restructured job.

3. The parties recognize that certain new and/or restructured jobs may require skills which certain newly incumbent Employees do not possess. In light of this situation, the Company agrees to provide Employees who do not have the required skills for their new or restructured jobs with reasonable training opportunities to ensure competent job performance.

4. In the event that, despite the efforts described in Paragraph 3 above, the Employee is not capable of acquiring the new job skills, then the Company shall be relieved of its obligation to provide further training and the Employee shall be expected to bid on a vacancy for which s/he is qualified.

5. The training programs necessary to carry out the provisions of this letter of understanding will be conducted during the Employee's normal working hours.
6. No Employee will be disciplined for poor job performance that results from a failure of the Company to provide training pursuant to this letter of understanding or for failure to acquire new skills when returning to a new or restructured job.

7. The parties agreed that in order to maintain competent job performance, continuing familiarization and rotation within various assignments related to new and restructured job descriptions is both required and necessary.

Sincerely,

Daniel C. Keaton

RE: Non-Core Work  

Dear Mr. McCall:  

The parties agree that the non-core work of janitorial, grounds keeping, and road maintenance services may be contracted out as the number of current incumbents performing such work is reduced by attrition and provided that there are no Employees on layoff at the plant. Attrition is defined as any permanent move of a current incumbent from such job, including promotion or transfer to another job, as well as leaving the workforce.  

Work contracted out pursuant to this agreement shall not be subject to the provisions of Article Two, Section F-3, ("Commitment") of the 2003 Basic Labor Agreement.  

Sincerely,  

Daniel C. Keaton  
Senior Vice President - Human Resources
RE: Affiliates of WPC and/or WPSC

Dear Mr. McCall:

The following will confirm our understanding on the referenced matter.

1. For all purposes under the BLA, an entity will not be deemed to be an Affiliate:
   
   a. solely if such entity would become an Affiliate through a Change of Control (as defined in Article Two - Section D - Successorship) and provided that such entity, immediately prior to the Change of Control, was not an Affiliate; or
   
   b. solely if such entity would become an Affiliate through participation with WPC or WPSC in a joint venture, provided that any such joint venture, itself, may be an Affiliate if it otherwise meets the definition thereof.

2. The parties agree and understand that such an entity could be an Affiliate if, independent of either of the circumstances described in paragraph 1, it otherwise met the definition thereof.

Sincerely,

Dear Mr. McCall:

This will confirm certain understandings reached in conjunction with the 2003 negotiations.

- Employees working an Alternative Work Schedule as allowed under Article Five, Section D, will be treated as follows under the below listed provisions:

  i. For purposes of Article Five, Section D. (Overtime), when an Employee works beyond scheduled hours under the Alternative Work Schedule such Employee will be eligible for overtime for such hours worked beyond the Alternative Work Schedule.

  ii. For purposes of Article Eight, Sections A. (Employment Security) and B. (Supplemental Unemployment Benefits), Employees working pursuant to a normal pattern Alternative Work Schedule will be considered as being provided the opportunities required by these sections.

  iii. For purposes of Article Ten, Section A. (Holidays), an Employee scheduled off on his/her normal pattern Alternative Work Schedule will be paid for an unworked Holiday at the hours he/she would have been scheduled under the Alternative Work Schedule.
iv. For purposes of Article Ten, Section C. (Bereavement), Employees absent from work pursuant to such provision will be paid the number of hours they would have been scheduled under the Alternative Work Schedule for qualifying days.

- Where the Company establishes a steady shift schedule on a job where Employees are also scheduled on rotating shifts, assignment to the steady shift schedule shall be by seniority wherever ability to perform the work is equal, with the senior Employees who desire to work the schedule given preference to the assignment in accordance with understandings reached between Plant Management and the Local Union Committeeman.

- Where contribution or eligibility for benefits is based upon hours worked, hours spent on Union Business, whether compensated by the Company or by the Union, shall be considered hours worked for the purpose of the benefits contribution or eligibility.

- There will be one (1) position for Training/Safety at the Allenport Plant and only two Training Coordinators for the Ohio Valley Plants.
• The parties will establish a Seniority Committee to identify Employees who after the Effective Date of the Agreement maintain a break in Continuous Service as defined in Article Five Section E 3. A. The purpose of the Committee will be to investigate the reasons for such breaks in service. If such breaks in service are due to extended lay-off or due to serving a probationary period, the break will be mended so long as such action will not impair the relative seniority of another employee.

• In the discussions concerning the use of Funds contributed to the Institute for Career Development, the parties agree, that it may be appropriate to allocate funds to certain programs that will be established by the parties to address training requirements and programs established in the Basic Labor Agreement. The Local Joint Committee may recommend the use of such funds for such programs. Should the Local Joint Committee be unable to determine which programs may be applicable for the use of such funds, the parties will submit the issue to the Co-Chairs of the Negotiating Committee to resolve such dispute consistent with the intent of the parties and by mutual agreement.

• In the event of a “Need” for layoff under the provisions of Article Eight Section A, the local parties, by mutual agreement, may agree to utilize reduced work schedules of 32 hours as part of a layoff minimization plan.

Re: Workplace Restructuring and Productivity

Dear Mr. McCall:

The parties recognize that employment security and productivity improvement must be inseparably linked if the Company is to attain sustained profitability. During the course of the negotiations leading to the 2003 collective bargaining agreement, the parties agreed to build further on the workplace restructuring initiatives implemented in connection with their 1997 Agreement. The objective of this further restructuring is to maximize efficiency by having employees perform a broader range of duties and by eliminating barriers which may interfere with maximizing flexibility and productivity. This process began by restructuring existing job descriptions and agreeing to new lines of progression ("LOP") and new job descriptions.

In order to achieve the workplace restructuring objective, the parties have agreed to the following to govern its implementation:

1. All workplace efficiencies embodied in the parties’ 1997 Agreement shall remain in effect.

2. A box (e.g., Operating Technician I, Labor Grade 3) in a LOP represents a position to which an employee may hold incumbency. Former job titles listed inside a box in a LOP represent the duties of the position encompassed by that position box. Such a former job title is not a “job” as that term is used in the 1997 Basic Labor Agreement.
3. Employees may be assigned to perform any function within their new position descriptions that they are capable of safely performing. Rotation through the various functions encompassed by the new positions will be necessary and required to provide and maintain job knowledge and skills.

4. In periods of stable operations, where employees have been fully trained such that maximum workforce flexibility and productivity is achieved, Employees may select their preferences to repetitive routine assignments within a new position box and shift preferences on the basis of seniority. These preferences will be honored, provided that the exercise of such preferences does not interfere with new or refresher training, or the efficient utilization of the workforce. To this end, Employees may be temporarily reassigned to duties other than their preferred assignment as required by operations.

5. Existing local seniority agreements and local working conditions will be modified as appropriate to implement the new seniority structures and achieve the restructuring objective. Those seniority agreements and local working conditions unaffected by the foregoing will be preserved.

6. Disputes over the implementation of this Memorandum of Understanding on Workplace Restructuring shall first be discussed by the Local Union President and Grievance Chair and the Plant Manager or his designated representative. Should agreement not be reached, the Local Union President may notify the Co-Chairs of the Negotiating Committee that a dispute exists. The Co-Chairs (or their designees) shall promptly meet and attempt to resolve the dispute. Should resolution not be achieved, the Union Co-Chair may appeal the dispute to Arbitration. The matter will promptly be heard by a member of the Panel of Arbitrators, and the Arbitrator's decision shall be final and binding only for the specific dispute presented. The Arbitrator shall have authority to resolve questions of procedure that may arise in the course of such arbitrations. The sole issue before the Arbitrator shall be whether the disputed implementation action violates this Memorandum of Understanding or the 2003 CBA.

Re: Transfer Rights in Lieu of Layoff

Dear Mr. McCall:

During the course of the parties’ negotiation of their 2003 collective bargaining agreement (“2003 CBA”), they reached the following agreement:

In reference to Art. 8, Sec. B – Supplemental Unemployment Benefits, the Company had proposed language that would render an employee ineligible for Supplemental Unemployment Benefits (“SUB”) if the employee refused to accept the Company’s offer of a comparable employment opportunity at a plant other than the employee’s home plant. This is to confirm that the Company’s withdrawal of that proposed language shall not be interpreted in any way as a modification of the Company’s existing right to transfer employees to another plant within the same Valley as their home plant in lieu of laying such employees off.

Sincerely,

¹ Copayments and deductibles apply toward out-of-pocket limits. Copayment continues to apply after out-of-pocket limit is reached.

² Treatment includes coverage for the correction of a physical or medical problem associated with infertility.

³ The Maternity Home Health Care Visit on In-Network Care is not subject to the program copayment, coinsurance or deductible amounts, if applicable. See Maternity Home Health Care Visit in the Covered Services section.

⁴ You are required to contact the plan administrator 7-10 days prior to a planned inpatient admission or within 48 hours of an emergency or maternity-related admission to a hospital. If this does not occur and it is later determined that all or part of the inpatient stay was not medically necessary or appropriate, you will be responsible for payment of any costs not covered.
Summary of Prescription Drug Benefits

1. Prescription drug benefits are provided using a network of national chain and local pharmacies and a mail order provider. No benefits are provided when prescription drugs are dispensed at a non-network pharmacy.

2. Prescription drug benefits are subject to an open formulary. The pharmacy benefit manager uses an independent group of clinical pharmacists and physicians to evaluate the safety, cost and effectiveness of available prescription drugs. When two or more drugs are identified as being therapeutically equivalent (meaning they produce the same results for the patient), the most cost-effective drug(s) will be selected as the preferred Formulary Drug. The drug that is less cost-effective will be identified as the Non-Formulary Drug.

3. Prescription drug benefits are subject to a mandatory generic drug program. If a member chooses a brand drug that has a generic equivalent the member will be responsible to pay the difference in the cost between the brand drug and generic equivalent, in addition to the applicable brand copay.

4. Some drugs will require pre-authorization prior to being dispensed. The responsibility for obtaining pre-authorization is the pharmacist's and not the member's. However, this process may result in a brief delay in obtaining medications.

5. Prescription drug benefits are not subject to the Medical plan deductibles, coinsurance or lifetime maximums.

Summary of Dental Benefits

1. Benefit payments under the Dental plan are not dependent upon the use of a provider network. Dentists who participate in the insurance carrier's network will accept the carrier's reimbursement, subject to required coinsurance. Reimbursement to dentists who do not participate in the network will be based on a reasonable charge allowance, in addition to the deductible and coinsurance provisions of the plan.

1 Vision benefits are provided through the use of the OptiChoice network. To receive the higher level of benefits care must be obtained at a network provider. If a non-network provider is utilized, reimbursement will be at the allowance amount and the Employee will be responsible for any difference between the provider's charge and the allowance amount.

2 Eye examinations, lenses and contact lenses are covered once every twelve (12) months for persons under age nineteen (19) and once every twenty-four (24) months for persons nineteen (19) years of age or older. Frames are covered once every twenty-four (24) months for all covered persons.

Letter of Understanding

Both parties agree that an open enrollment will be held in May of 2004. The purpose of the open enrollment is to establish the eligibility for benefits of spouse and child dependents enrolled in the PIB and the PH-MB. Employees and Pensioners will be required to provide an IRS 1090 form as proof of a dependent relationship.
Letter of Understanding—Dan Keaton to Dave McCall

Both parties agree that a reenrollment of dependents eligible to receive insurance benefits from the PIB and/or the PH-MB will take place during the first half of 2004. The purpose of the reenrollment is to verify that dependents enrolled in the insurance programs meet the eligibility standards set forth in the programs.

The reenrollment process will involve removing dependents from coverage status until the requested information establishing their eligibility is received from the employee or pensioner. Employees or pensioners must provide the required documentation before questionable dependents can be reenrolled in the program.

Both parties agree that the Company has the right to require documentation to establish dependent eligibility so long as the documentation does not contain protected confidential information that the Company does not otherwise have in its current records. The Company agrees that employees who voluntarily provide information during the reenrollment that shows ineligible dependents have been enrolled under their PIB coverage will not be subject to discipline.
APPENDIX D - PENSIONS

All Employees will be covered under the Steelworkers Pension Trust (SPT) as of the Effective Date. The SPT is a multi-employer defined benefit pension plan. It is administered by a Board of Trustees, consisting of an equal number of employer and Union representatives.

Section A. Coverage

1. Covered Employees

Covered Employees are all Employees who were actively employed for any length of time during a Wage Month. The Company is required to make a contribution in respect of an Employee whose employment is terminated during a Wage Month.

2. Newly Hired Employees

Newly hired Employees will be considered Covered Employees on the first day of the first calendar month immediately following the expiration of thirty (30) days from the commencement of his/her employment. Such calendar month shall be the Employee's first Benefit Month. The immediately preceding calendar month shall be the Employee's first Wage Month.

3. Coverage of Newly Hired Employees Who Were Previously Covered

Newly hired Employees who were previously covered by the SPT shall be considered Covered Employees as of the first day of the first calendar month immediately after the commencement of their employment. This calendar month is the Employee’s first Benefit Month and the calendar month immediately preceding is the Employee’s first Wage Month.

Section B. Covered Service

1. Covered Service for purposes of eligibility and vesting under the SPT will include:
a. periods of employment with the Company beginning on the date the Employee was hired by the Company and continuing during the time the Company remains a Participating Employer; and

b. service with a Predecessor Company (a USWA represented company, some or all of whose assets are or were acquired by the Company), as determined by that Predecessor Company's pension agreement.

2. Covered Service ends when an Employee quits, dies, retires or the Company stops making contributions on the Employee's behalf.

Section C. Hourly Contributions

1. Beginning on the Effective Date and continuing each month thereafter, the Company shall contribute to the SPT an amount equal to $.925 for each Covered Employee's Contributory Hours (as defined in Section G below) during the previous month (Wage Month). The month during which the contribution is made is referred to as the Benefit Month. The first contributions will be due by August 10, 2003 and will be for each Covered Employee's Contributory Hours during July, 2003.

2. Beginning on February 10, 2004 and continuing each month thereafter, the Company shall contribute to the SPT an amount equal to $1.17 for each Covered Employee's Contributory Hours during the previous month. The first such increased contributions are due by February 10, 2004 for each Covered Employee's Contributory Hours during January, 2004.

3. Beginning on June 10, 2005 and continuing each month thereafter, the Company shall contribute to the SPT an amount equal to $2.08 for each Covered Employee's Contributory Hours during the previous month. The first such increased contributions are due by June 10, 2005 for each Covered Employee's Contributory Hours during May, 2005.
Section D. Benefit Formula and Amount

1. The amount of the pension that an Employee will receive depends directly on the total amount of contributions made on behalf of the Employee to the Plan by the Company during the time the Employee was covered by the Plan.

2. The monthly benefit payable at Normal Retirement, Rule-of-85 Retirement, and Disability Retirement under the SPT equals the amount of the annual hourly contributions on behalf of an Employee multiplied by 32% and then divided by twelve (12) to obtain a monthly amount. This is the formula for a single life annuity. The benefit payable as a joint and survivor annuity or other optional form of payment is subject to adjustment.

Section E. Eligibility for Pension

Effective July 1, 2003, vested participants are eligible to retire under the following options:

<table>
<thead>
<tr>
<th>1. Normal Retirement</th>

4. Disability Retirement

Section G. Hours for Which Contributions are Made

1. Contributory Hours include:

   a. hours actually worked by Covered Employees;

   b. hours for which Covered Employees were paid because of vacation, holidays, jury duty, bereavement leave, union business;

   c. hours for periods on lay-off of up to two (2) years, during which time the Employee will be deemed for this purpose alone to have worked forty (40) hours per week; and

   d. hours for absences during which the Employee is receiving workers' compensation or sickness and accident benefits, or is on Union Leave as set forth in Article 10, Section E (Paid Time Off And Leaves Of Absence), leave of absence for military service or military encampment as set forth in Article 10, Section F (Service with the United States).
Armed Forces), or leave of absence on Family or Medical Leave as set forth in Article 10, Section G (Family and Medical Leave). Such absences will be credited as Contributory Hours at a rate of up to forty (40) hours per week.

Section H. Covered Service Contributions

The Company will make special contributions to the SPT to recognize prior service with Predecessor Companies for the purposes of vesting and eligibility in the following amounts:

1. As of the Effective Date, the Company will make a one-time payment to the SPT in an amount equal to $1,500 multiplied by the number of Employees as of the Effective Date;

2. As of July 1, 2004, a one-time payment of $1,300 times the number of Employees as of the Effective Date.

Section I. Requirements

1. The Company shall transmit to the SPT with each contribution a contribution report on the form furnished by the SPT on which the Company shall report the names, status, hire and termination dates as applicable, as well as the total hours paid to each Covered Employee during the Wage Month.

2. The Company further agrees to supply to the SPT such further information reasonably necessary as may from time to time be requested by it in connection with the benefits provided by the SPT to Covered Employees, and to permit, upon timely notice, reasonably necessary audits of its books and records by the SPT for the sole purpose of determining compliance with terms and conditions of this Agreement.

Section J. Obligation of Trust

In consideration of the Company's contributions to the SPT as provided above and for so long as the Company's participation in the SPT is accepted by the Trustees, the Trustees will, beginning with the date of receipt by the SPT of the
Company's first contribution, and continuing for such part of the duration of this Agreement as the Company fully complies with the terms of this Agreement in all respects, extend and make available to Employees covered by this Agreement, the pension benefits for which such employees are eligible under the Declaration of Trust, as amended from time to time, which is by this reference incorporated herein and made part hereof.

Section K. Incorporation Agreement

The benefits and eligibility are subject to the Incorporation Agreement and supplemental agreements among the Company, Union and the SPT Trustees and the SPT Plan provisions. Nothing here modifies the Incorporation Agreement or the provisions of the SPT Plan. The Board of Trustees has the authority to decide all questions concerning eligibility for and the amount of pension benefits. All final decisions regarding the Plan are made by the Board of Trustees based on the provisions of the Declaration of Trust.
APPENDIX E - RETIREE INSURANCE

Section A. General

The benefits described in Section A apply to eligible pensioners, surviving spouses and dependents as defined in Section B.

1. Adopt a new PH-MB that will include the provisions of the old Ohio Valley PH-MB as modified by this agreement by incorporating the changes noted below:
   a. Replace the Ohio Valley PH-MB Sections 1, 2, 3, 4 and 5 (Hospital Benefits, Physician Services Benefits, Optional Major Medical Benefits and Managed Care Point of Service Plan), with the benefit schedule described in Exhibit A attached, utilizing a 90/70 Preferred Provider Organization (PPO), which will be administered by a carrier selected by the Joint Health Care Committee;
   b. For Medicare eligible pensioners the Joint Health Care Committee shall have the ability to select a Medicare+Choice (M+C) Program to replace the PPO if, in the Committee's judgment, the M+C Program substantially replicates the PPO level of benefits, provides an adequate provider network and provides a cost saving to both pensioners and the company. In geographic areas where an M+C product is not available the PPO described in Exhibit A will continue to be the form of coverage.

2. Replace the current pensioner prescription drug program with Exhibit C attached, which is currently administered by Eckerd Health Services (EHS);

3. The Pensioners' and Surviving Spouses' Insurance Agreement shall become effective on the Effective Date, and shall remain in effect until 150 days following the Termination of the Basic Labor Agreement

4. Revise the life insurance schedule in Section 1 of the PIB (Life Insurance after Retirement), to reflect the following summary of life insurance benefits:
d. Life Insurance to be administered by the Company

   e. Prior to age 62: $25,000
   f. Age 62 and thereafter: $7,500

5. The Company shall pay the full cost of the benefits of the Program less the applicable pensioner/surviving spouse monthly contributions set forth in Section F.

Section B. Eligibility

Section 5 of the PH-MB, (General Provisions), under Eligibility, will be replaced with the following eligibility requirements: An individual will be eligible for benefits under the Program if the requirements of Paragraphs 1 or 2 and Paragraphs 3 and 4 are satisfied.

1. S/he has accrued at least fifteen (15) years of Continuous Service with the Company, and either:
   a. Retires from the Company and receives a Normal Retirement or unreduced Early Retirement Benefit from the Steelworkers Pension Trust, or;
   b. Becomes eligible for a Severance Allowance due to a Permanent Closure in accordance with Article __, Section __ (Severance Allowance) of the Basic Labor Agreement and whose age and Continuous Service is the sum of 65 or greater and who has at least twenty (20) years of Continuous Service; or;
   c. Retires and receives a Disability Benefit from the Steelworkers Pension Trust.

2. S/he is the Surviving Spouse of:
   a. an individual described in Paragraph 1 above and was married to such individual both at the time of retirement or eligibility for Severance Allowance as described in Paragraph 1 above and the date of death; or
   b. an Employee who has completed 15 years of Continuous Service with the Company and who dies while accruing Covered Service under the Steelworkers Pension Trust.
3 S/he elects coverage when first becomes eligible; however, if s/he or any dependents are eligible for medical coverage under any other employer’s insurance program, s/he may defer election until the other coverage terminates, provided s/he notifies the Company within ninety (90) days of the termination of the other coverage; and

4 S/he authorizes the deduction of premiums for such coverage from any payment from the Company’s prior pension plans, the Steelworkers Pension Trust, or, in the event such payment is insufficient to cover the premium or is not due, agrees to send a check or money order payable to the Company each month for the applicable cost.

5 Wherever the term Continuous Service is used herein, it means Continuous Service as determined in accordance the Company sponsored pension plan in effect prior to July 1, 2003 combined with Continuous Service accrued on or after July 1, 2003 as defined in the basic labor agreement.

Section C. Enrollment and Effective Date of Coverage

Section 5 of the PH-MB (General Provisions), under Enrollment and Effective Date of Coverage, should be changed to reflect the following:

1. Coverage for pensioners becomes effective on the first day of the month for which a pension benefit is payable.

2. Coverage for surviving spouses becomes effective on the first day of the month following the month in which the spouse dies.

3. Coverage for pensioners or surviving spouses who defer coverage under Paragraph B(3) or terminate coverage under paragraph E(3) becomes effective on the first day of the month following the month the Company is notified of the termination of other coverage.

Section D. Termination of Coverage

Section 5 of the PH-MB, regarding termination of Hospital and Physicians’ Coverage, Termination of Optional Major Medical Coverage and Termination of Point of Service Coverage, should be changed to the following provisions:

1. Coverage of a pensioner or surviving spouse terminates on the earliest of:
   a. the day the person ceases to be eligible for coverage;
b. the end of the month in which a person requests termination of coverage; or

c. the day immediately preceding the date on which a surviving spouse remarries.

2. Coverage of a dependent of a pensioner or surviving spouse terminates on the earliest of:
   a. the day immediately preceding the date such person ceases to be an eligible dependent, except as provided in (b) below;
   b. the end of the month in which a dependent child attains age 19 unless such dependent qualifies as a full-time student or is disabled; or
   c. the date coverage terminates for the pensioner or surviving spouse except that coverage of a dependent continues until the end of the month in which the pensioner or surviving spouse dies.

3. A pensioner or surviving spouse may voluntarily terminate medical and prescription drug coverage because s/he is eligible for medical and prescription drug coverage under another employer's insurance program, and s/he may again elect medical coverage provided s/he notifies the company within ninety (90) days of the termination of the other coverage. Coverage terminates for nonpayment of premiums sixty (60) days after notification of non payment.

Section E. Continuation of Coverage

1. Any pensioner entitled to life insurance pursuant to the provisions of the Retiree Insurance Agreement shall not have such life insurance terminated so long as he or she remains retired from the Company, notwithstanding the expiration of this Agreement except as the Company and the Union may agree otherwise.

2. Any pensioner or surviving spouse who shall become covered by the Program established by the Retiree Insurance Agreement shall not have such coverage terminated or reduced (except as provided in the Agreement) so long as the individual remains retired from the Company or remains a surviving spouse, notwithstanding the expiration of the Agreement, except as the Company and the Union may agree otherwise.
Section F. Pensioner and Surviving Spouse Contributions

1. Eligible pensioners and surviving spouses shall be required to make monthly contributions for medical and prescription drug coverage. The monthly contribution rate shall be a percentage of the total monthly premium as follows:

   a. twenty-five percent (25%) of the actual cost of medical and prescription drug coverage for non-Medicare eligible pensioners and surviving spouses.

   b. forty percent (40%) of the actual cost of medical and prescription drug coverage for Medicare eligible pensioners and surviving spouses.

2. For purposes of determining the amount of the monthly contribution:

   a. The total monthly premium shall be determined for each calendar year using a methodology, mutually acceptable to the Company and the Union, that reflects the actual cost of medical and prescription drug coverage for each plan (non-Medicare, Medicare) during the preceding calendar year, adjusted by appropriate trend rates.

   b. Monthly contributions will be established on a per person basis with no charge for dependent children, if any.

3. The Company shall be responsible for the full cost of life insurance benefits.

^1 Copayments and deductibles apply toward out-of-pocket limits. Copayment continues to apply after out-of-pocket limit is reached.

^2 Treatment includes coverage for the correction of a physical or medical problem associated with infertility.

^3 The Maternity Home Health Care Visit on In-Network Care is not subject to the program copayment, coinsurance or deductible amounts, if applicable. See Maternity Home Health Care Visit in the Covered Services section.

^4 You are required to contact Highmark 7-10 days prior to a planned inpatient admission or within 48 hours of an emergency or maternity-related admission to a hospital. If this does not occur and it is later determined that all or part of the inpatient stay was not medically necessary or appropriate, you will be responsible for payment of any costs not covered.
Summary of Prescription Drug Benefits

1 Prescription drug benefits are provided using a network of national chain and local pharmacies and a mail order provider. No benefits are provided when prescription drugs are dispensed at a non-network pharmacy.

2 Prescription drug benefits are subject to an open formulary. The pharmacy benefit manager uses an independent group of clinical pharmacists and physicians to evaluate the safety, cost and effectiveness of available prescription drugs. When two or more drugs are identified as being therapeutically equivalent (meaning they produce the same results for the patient), the most cost effective drug(s) will be selected as the preferred Formulary Drug. The drug that is less cost effective will be identified as the Non-Formulary Drug.

3 Prescription drug benefits are subject to a mandatory generic drug program. If a member chooses a brand drug that has a generic equivalent the member will be responsible to pay the difference in the cost between the brand drug and generic equivalent, in addition to the applicable brand copay.

4 Some drugs will require pre-authorization prior to being dispensed. The responsibility for obtaining pre-authorization is the pharmacist's and not the members. However, this process may result in a brief delay in obtaining medications.

5 Prescription drug benefits are not subject to the Medical plan deductibles, coinsurance or lifetime maximums.

Letter of Understanding, Dan Keaton to Dave McCall

Both parties agree that if other group coverage becomes available to qualified employees, retirees, or their eligible dependents that will reduce the cost of insurance programs to the Company, the Joint Insurance Committee will meet to determine if the PIB and/or the PH-MB can be modified, at no cost to the member, to take advantage of savings from the other coverage.

If a satisfactory methodology can be developed the necessary changes will be made to the PIB and/or the PH-MB.
APPENDIX F - RETIREE BENEFIT TRUST

Section A. Purpose

Effective October 1, 2003, the Benefit Trust established by the parties as of the Effective Date will provide retiree health care and death benefits as set forth herein.

Section B. Benefit Trust

The Benefit Trust will be designed to constitute a tax-exempt voluntary employee beneficiary association pursuant to section 501 (c) (9) of the Internal Revenue Code. The Benefit Trust will be established pursuant to trust agreement with a trust institution that agrees to serve as Trustee. The form of such trust agreement, and any Company modifications thereto, would be subject to agreement with the Union. The Benefit Trust will fund a single-employer employee welfare benefit plan (the "Plan"), within the meaning of section 3 (1) of ERISA, adopted by the Company for the benefit of the Beneficiaries described in Section C below. The Plan document, and Company modifications thereto, will be subject to agreement with the Union.

Section C. Beneficiaries

1. Retirees from USWA-represented bargaining units who, by reason of any collectively bargained agreement between the Union and the Company (or any one of its direct or indirect subsidiaries) were eligible for retiree insurance benefits as of the Effective Date, and are adversely affected by the elimination of such coverage, and their dependents.

2. Employees from USWA-represented bargaining units who retire from the Company after the Effective Date in connection with the Window Buyout Program with eligibility for retiree insurance coverage as of the Effective Date and are adversely affected by the elimination of such coverage, to the extent of their eligibility as of that date.

3. Employees not described in Section C. 2. from USWA-represented bargaining units who retire from the Company with eligibility for retiree insurance coverage and are thereafter adversely affected by the elimination of such coverage.
Section D. Initial Company Contributions

1. Subject to Section F. 2 below, upon the Effective Date, WPC shall issue 4,000,000 shares of its common stock (the “Initial Shares”), which represent 40% of the then fully-diluted common equity of the Company, to the Benefit Trust, provided that 2,000,000 of the Initial Shares may be applied by the Company, in its discretion, as a credit against future stock contributions described in E. I.a.(ii), below, and provided, further, that the Initial Shares will be maintained in a separate sub-account within the Benefit Trust and be utilized for the exclusive benefit of the Beneficiaries described in Section C.1. and 2., above.

2. Commencing on October 1, 2003 and continuing for five (5) months thereafter, the Company will contribute $1.5 Million on the first day of each month to the Benefit Trust. This contribution of $7.5mm will be credited against future contributions that the Company would have been required to make in connection with the Variable Contribution set forth in E. I.a, below for that five-month period.

To the extent that the Company’s Variable Contribution for such period would have totaled an amount less than $7.5 Million, the difference shall be credited against future Variable Contributions in equal installments over the succeeding eighteen (18) months.

To the extent that the Company’s Variable Contributions for such period would have totaled an amount greater than $7.5 million, the difference shall be paid by no later than April 1, 2004.

3. Commencing on April 1, 2004 and continuing for six (6) months thereafter, the Company will contribute $300,000 on the first day of each month to the Benefit Trust. This contribution of $1.8 mm will be credited against future Variable contributions in equal installments over the period commencing on April 1, 2005 and ending on October 1, 2006.

Section E. Ongoing Company Contributions

1. The Company shall make the following ongoing contributions to the Benefit Trust:
a. Within 45 days of the end of each fiscal quarter, a Variable Contribution consisting of the following:

i. Forty percent (40%) of Operating Cash Flow, between sixteen dollars ($16) and twenty-four dollars ($24) of Operating Cash Flow per Ton Shipped, payable in cash.

ii. Twelve percent (12%) of Operating Cash Flow, between twenty-four dollars ($24) and sixty-five dollars ($65) of Operating Cash Flow per Ton Shipped, payable at the Company's discretion in cash or common stock of WPC.

iii. Twenty-five percent (25%) of Operating Cash Flow, above sixty-five dollars ($65) of Operating Cash Flow per Ton Shipped, payable in cash.

b. Within 45 days of the end of each fiscal quarter, a Special Contribution of 15% of Operating Cash Flow below $30 of Operating Cash Flow per Ton Shipped, payable at the Company's discretion in cash or common stock of WPC; provided that if payment of this Special Contribution in common stock would cause the Company to exceed the 10% dilution limitation described in Article Nine, Section E. 5 (c), the Special Contribution to the Benefit Trust will be limited to the maximum amount allowable within the 10% dilution limitation. Any excess shall be included in the Profit Sharing Pool and payable in cash or Profit Sharing Notes, as described in Article Nine.

2. For the purposes of the Benefit Trust:

a. Operating Cash Flow shall be defined as Earnings Before Interest and Taxes of the Company, less any costs or expenses associated with the Profit Sharing Plan set forth in Article Nine, Section E - Profit Sharing of the Basic Labor Agreement between the parties, calculated on a consolidated basis in accordance with United States Generally Accepted Accounting Principles (GAAP), with the following exclusions:
(1) Any cancellation of debt income or other one-time charges or credits directly or indirectly associated with the Company's emergence from bankruptcy;

(2) income or loss related to any charges or credits (whether or not identified as special credits or charges) for unusual, infrequently occurring or extraordinary items as defined by GAAP, including credits or charges for plant closures, business dispositions and asset sales that are not normal operating charges or credits of the Company;

(3) any cost or expense associated with the Benefit Trust or other similar vehicle;

(4) any expense attributable to the allocation or contribution of stock to Company employees;

(5) any payments, fees or other expenses that are not in the normal course of business paid directly or indirectly to any person or entity who directly or indirectly owns or controls any equity or equity-like interest in the Company.

b. Tons Shipped shall be defined as tons of steel products sold to third parties.

Section F. Special Rules regarding Stock Contribution

1. A payment to the Benefit Trust which is paid in stock as provided in E.1.a.(ii) and E.1.b. above shall be paid in common stock of WPC, valued based on the average closing price of the stock in the 10 trading days immediately preceding its issuance.

2. The contribution of stock to the Benefit Trust and Plan under Sections D and E will be conditioned upon the receipt of a prohibited transaction exemption from the Department of Labor. If the DOL exemption is not granted, the maximum number of shares allowable under relevant statutory restrictions will be retained by the Benefit Trust in a separate sub-account within the Benefit Trust and be utilized for the exclusive
benefit of the Beneficiaries described in Section C. 1. and 2., above, and the remainder shall be distributed directly to the Beneficiaries described in Sections C.1. and C.2., unless the Company and the Union agree on an alternative means of distributing or otherwise utilizing the remaining shares for the exclusive benefit such Beneficiaries. Similarly, all future stock contributions under Section E will be limited to the maximum allowable under relevant statutory restrictions, and the remainder will be distributed directly to the Beneficiaries or otherwise utilized for the exclusive benefit of the Beneficiaries, as determined by the parties. All stock distributed pursuant to this paragraph will be distributed without regard for any Beneficiary’s employment status as of the Effective Date.

3. The Company common stock contributed to the Benefit Trust and managed by the independent fiduciary described in Section K, below, will be subject to a two-year disposition restriction so long as the Benefit Trust holds five percent or more of the Company’s equity; provided that the Company may, in the exercise of its reasonable discretion, consent to the disposition of some portion of the shares to the extent that such disposition will not disrupt an orderly market for the Company’s shares or impair the Company’s net operating loss carryforward. Although none of the shares will be subject to any voting restrictions, 1,300,000 of such shares will be subject to a voting agreement by which the independent fiduciary will abstain from voting such shares for the Company’s Board of Directors.

4. Upon expiration of the two-year disposition restriction described in sub­paragraph 3, above, the independent fiduciary will be permitted to dispose of Company common stock then held in the trust, provided that (i) the independent fiduciary does not dispose of more than one half of the shares then remaining in the trust within any consecutive twelve-month period, and (ii) the independent fiduciary will be directed to dispose of such shares in a manner reasonably calculated not to disrupt the orderly trading of the Company’s common stock (for example, by disposing of the shares in several transactions over a period of weeks or months). Notwithstanding the foregoing sentence, however, the Company may, in the exercise of its reasonable discretion, consent to the disposition of a greater number of shares during any consecutive twelve-month period, to the extent that such disposition will not disrupt the orderly trading of the Company’s stock.
The parties agree to take all steps legally possible to effectuate the provisions of this Section.

Section G. Company Support

The Company will provide the Benefit Trust with administrative support and access to the Company's group rates for health care, consistent with best efforts to create a structure that does not expose the Company to FAS 106 liability or otherwise increase the Company's cost.

Section H. Review of Contributions

Upon determination of the amount of any Company Contribution, such calculation shall be forwarded to the Union for review. The Union shall have the right to review and audit any information, calculation or other matter concerning the determination of the Company Contribution. The Company shall provide the Union with any information reasonably requested in connection with such review.

Section I. VEBA Committee

The Trust and Plan will be administered by a VEBA Committee consisting of four individuals, half of whom shall be appointed by the Company and half of whom shall be appointed by the Union. The Company shall have the power to remove and replace the Committee members it appoints, and the Union shall have the power to remove and replace the Committee members it appoints.

Section J. Benefits

Commencing on October 1, 2003, the VEBA Committee shall have the discretion to determine the benefits to be provided to the Beneficiaries of the Benefit Trust, including the form and amount of such benefits, provided that Beneficiaries shall make a meaningful contribution to the cost of their coverage. In making such decisions, the VEBA Committee may take into account all relevant circumstances, including, without limitation, the degree to which beneficiaries may have alternative resources or coverage sources, as well as the resources of the Trust based upon expected Company Contributions. The benefits to be provided will be determined without regard to any Beneficiary's employment status as of the Effective Date.
Section K. Functions of the VEBA Committee

The VEBA Committee shall serve as the Named Fiduciary and Plan Administrator. The VEBA Committee will determine the benefits to be provided to Beneficiaries under the Plan, including, without limitation, the form and amount of such benefits, and the contributions that the beneficiaries will make to help defray the cost of their coverage. The description of the benefits, costs and eligibility requirements determined from time to time by the VEBA Committee shall be incorporated into the appendices attached to the Plan document. The VEBA Committee may retain independent professional service providers that it deems necessary and appropriate to administer the Plan and Trust.

The Company, with the agreement of the Union, will retain an independent institutional fiduciary to direct any discretionary actions by the Trustee with respect to any Company securities maintained in the Trust, including without limitation, dispositions and voting. Such directions shall be in the absolute and sole discretion of the independent fiduciary. Unless providing investment management services, any discretionary act performed by the Trustee, other than with respect to Company securities, will be directed by the VEBA Committee, or its delegate.

Section L. Expenses

1. Payment of the costs of establishing and administering the Benefit Trust and Plan shall be the responsibility of the Benefit Trust. Until such time as the Benefit Trust is authorized to dispose of the Initial Shares, the Company shall pay such costs on behalf of the Benefit Trust. The Benefit Trust will reimburse the Company for such payments out of the proceeds of the sale of the Initial Shares. Once the Company has been reimbursed for all costs it has paid in advance for the benefit of the Trust, the Benefit Trust will resume responsibility for payment of all such costs and the Company shall have no obligation to advance any further payments on the Trust's behalf.

2. Notwithstanding paragraph 1, above, expenses that relate to the VEBA Committee's modification of the benefit programs from time to time shall be paid by the Company. As sales of the Initial Shares are made, the Company's ongoing contributions under Sections E.1.a. and b., above, will be reduced by the amount of such expenses paid by the Company, not to exceed the proceeds.
realized from sales of the Initial Shares. Once all Initial Shares are sold, the Company’s ongoing contributions will be reduced on a current basis by the total amount of such expenses paid by the Company.

**Section M. Medicare Retiree Demonstration Project**

The Company, Union and VEBA Committee desire that eligible Participants continue to have the opportunity to participate in the Medicare Retiree Demonstration Project (the “Project”). Because the Benefit Trust cannot, itself, supplant the Company as a party to the Project Implementation Agreement, the Parties have agreed that the Company shall remain as the contracting party, subject to the following.

1. The Parties agree (i) that the Company shall be entitled to the benefit of any surplus in the settlement fund, as determined under the Project Implementation Agreement, as of October 1, 2003 (the “October 1 Balance”), (ii) that the Benefit Trust shall be entitled to the benefit of any surplus in excess of the October 1 Balance, and (iii) that the Benefit Trust shall be responsible for any reduction in the October 1 Balance. To effectuate this agreement, the Parties agree:

   a. To the extent that the surplus settlement fund balance is reduced below the October 1 Balance, the Company may offset the amount of such reduction against its funding obligations to the Benefit Trust under Section E. 1., above.

   b. If the settlement fund yields a deficit balance and the Company incurs additional funding obligations to the Project, the Company may offset any additional funding payments it makes to the Project against its funding obligations to the Benefit Trust under Section E. 1., above.

   c. The Benefit Trust will be entitled to receive the benefit of any surplus in the settlement fund in excess of the October 1 Balance.

   d. Upon termination of the Project, the Company will remit to the Benefit Trust any surplus in the settlement fund in excess of the October 1 Balance. The Company shall be entitled to retain such surplus up to the value of the October 1 Balance.
2. If the target claim amount, as defined in the Project Implementation Agreement, is exceeded and the Company incurs additional expense, the Company may offset the amount of such additional expense incurred against its funding obligations to the Benefit Trust under Section E.1., above.

Section N. Trust Agreement

The parties shall adopt the Trust Agreement establishing the Benefit Trust, as attached hereto.
