Amendments to Article XVI - SALARIES

E. Applicability to Bargaining Unit Employees

2. During the 1983-84 school year, a study committee mutually selected by the parties shall examine the potential of combining select part-time permanent status of employees within this unit for purposes of receiving life and group health insurance benefits as full-time equivalents. Any concession regarding the findings of this committee will require action of the Board. This provision will sunset on June 30, 1984.

3. The District shall commit that Bargaining Unit job descriptions and job classifications must be studied. A timeline for such a study will be jointly developed by PCSA and the Board.

F. Placement on Salary Schedule

4. Employees who are involuntarily terminated as a result of loss of units and who cannot be placed within one (1) calendar year shall be reinstated to the experience level they occupied at the time of termination if rehired. This provision will be null and void should the employee refuse a comparable offer of employment within one (1) year.

7. Should an employee's hours be reduced below full-time as a result of exercising flexibility in the staffing model, the employee's current rate shall be held harmless for the balance of the school year or until such time as the employee refuses the first available full-time position in the same pay grade or above.

G. Salary Schedule Conversion - delete - Insert new Language.

DEES Bus Aide Supplements

DEES aides who are assigned to ride buses to supervise handicapped students shall receive a supplement of $720 based on 180 days of duty on the bus.

Amendments to Article XVII - EMPLOYEE BENEFITS

A. Health Insurance

For the 1983-84 school year, the Board agrees to contribute the appropriate full cost of single member coverage in the adopted health care plan or health maintenance program selected by the employee from the Board's current alternatives (i.e., Blue Cross/Blue Shield or CIGNA). Premiums will be paid on a 12-month basis for coverage from October 1, 1983 to September 30, 1984. In the event two or more members of the same family are employed by the Board, said members may elect to have the individual premiums applied to family coverage. This provision shall be subject to renegotiation for all subsequent years during the life of this Agreement.

G. Bus Aide Supplements - Move to Article XVI.

Amendment to Article XVIII - TERMINAL PAY

1. Retirement: Subsequent to ten (10) years of service in the Pinellas County School System, the employee shall receive sixty percent (60%) of the accrued sick leave; subsequent to twenty (20) years, sixty-five (65%); subsequent to twenty-five (25) years, seventy percent (70%).
