D. This Agreement shall modify, replace or add to any policies, rules, regulations, or procedures of the Board and the District which shall be contrary to or inconsistent with any provisions of this Agreement. The Board or its representatives shall take no action to adopt or modify any written policy, rule, regulation or procedure governing conditions of employment in effect at the time of this Agreement's execution and which is not superceded by this Agreement without consulting with the AFT in a good faith effort to reach agreement.

E. This Agreement is not intended to modify or replace by any of its terms the rights of every faculty member in the bargaining unit under the law. Both parties agree to comply with state and/or federal laws.

F. In the event that any provisions of this Agreement are or shall be at any time determined to be contrary to law by a court of competent jurisdiction, all other provisions of this Agreement shall continue in effect.

ARTICLE 7, BOARD OF TRUSTEES RIGHTS AND RESPONSIBILITIES

The Board of Trustees of the Los Angeles Community College District has all the customary and usual rights, powers, functions, and authority established in California Government Code Sections 3540-3549.3. Except to the extent limited by the specific and express terms and conditions of this Agreement, the management, direction, supervision (including the right to observe classroom activity after

The Board of Trustees may legally delegate or assign any Board rights or responsibilities to management or to such other official persons, divisions, departments and committees as it shall determine appropriate.

ARTICLE 8, AFT RIGHTS

A. Each member of the AFT shall be entitled to payroll deduction for membership dues to the AFT. Additional deductions shall be remitted by the District in accordance with law or mutual agreement of the parties. Such deductions shall include Tax Shelter Annuities (TSA), COPE, legal defense, and insurance. The AFT shall calculate the amount to be deducted and advise the District of that amount to be withheld in each particular case. Such deductions shall be effectuated as soon as it is administratively feasible.

B. The AFT shall have the right of access at reasonable times to areas in which employees work, the right to use institutional bulletin boards, mailboxes, and other means of communication, subject to reasonable regulation, and the right to use institutional facilities and equipment provided that such use or access shall not interfere with nor interrupt normal District or campus operations nor shall such use cause an additional or an increased maintenance cost to the District. In cases of use or access that will result in additional costs to the District, arrangements shall be made prior to use for reimbursement to the District by the AFT.

C. The AFT shall be entitled to representatives at all Board meetings and shall be allowed to speak on any item on any agenda in accordance with existing Board Rules. AFT shall be furnished Board agendas and minutes at the same time as such are made available to the public.

Both parties may submit an agenda for discussion.

H. Such reduced load privilege is for the purpose of facilitating the AFT's processing of grievances and the implementation of the Agreement.

The committee shall conduct surveys and make recommendations concerning office space, department student worker time requirements, comfort facilities for faculty (including part-time faculty), and improvements in health, safety, and sanitation. Such recommendations shall be considered for implementation in the development of the annual college budget.

E. The District shall make every reasonable effort to provide office space free of tobacco smoke.

A. Attached are the calendars for 1987-88, 1988-89, and 1989-90. See Appendix A.

B. Up to fifteen (15) of the one-hundred seventy-five (175) days may be used for staff development if and as jointly agreed to by the District and the AFT.

ARTICLE 11, HOLIDAYS AND VACATION DAYS

B. Authorized Vacation Days: Friday and Saturday following Thanksgiving, Winter Vacation, Spring Vacation, and at least one other day as indicated on the college calendar.

C. Commemorative Days: The Board and AFT jointly agree to recognize and observe commemorative days for individuals and/or groups who historically have rendered service to humanity. These days shall include Japanese Relocation Memorial Day (February 19), Black American Day (March 5th), International Women's Day (March 8), Cinco de Mayo (May 5), Warsaw Ghetto Day (May 8), and Asian New Year (relocatable). Additional commemorative days may be added to the above list subject to the approval of the Board.

D. Monthly and Hourly Rate Employees (other than substitute)

1. A certificated employee shall receive pay in a regular assignment, or in an assignment in lieu of his/her regular assignment as a temporary consultant, acting employee, or as a substitute in a higher class than that of the regular assignment for holidays and vacation days listed in Section A and B and for other holidays or vacation days authorized by the Board for employees on his/her assignment code basis, if:

   a. The holiday/vacation day is one of his/her regular assigned days, and

   b. He/She has been in paid status during any portion of either the last working day of his/her assignment before the holiday/vacation day or on the first working day of his/her assignment after the holiday/vacation day.

2. Employees on illness leave on either side of a holiday/vacation day will receive holiday/vacation pay, if eligible, without having the time charged to illness pay allowances. Employees on sabbatical leave receive the same pay for holidays/vacation days as for working days.

3. Compensatory Time Off: Any certificated employee who agrees to work and is assigned by the College President or Division Head to perform necessary services during a holiday or vacation day will be allowed compensa-
tory time off after the service has been rendered. Such time off must be
during the same academic year in which the service was rendered and must be
at a time approved by the President or Division Head; no substitute will be
provided during the period of compensatory time off for non-classroom em­
ployees. Substitutes will be assigned for classroom employees. The em­
ployee requested to work by administrator, supervisor or management shall
not be entitled to receive cash payment in lieu of taking compensatory time
for working on a holiday or vacation day. However, if the employee is not
granted compensatory time off prior to the end of the academic year, the
employee shall be paid for the service rendered at his/her rate of pay.

4. Notwithstanding the provisions of Article 11.D.3., the Counseling Department
Chair and the appropriate administrator shall agree upon the staffing need
of the counseling department during the vacation(s) listed at the end of the
Fall semester. The Counselor(s) and/or Instructor-Advisor(s) who render
service during the vacation day(s) shall be granted compensatory time off or
pay after the service has been rendered. Such time off must be during the
same fiscal year in which the service was rendered. The employee(s)
requesting pay shall be paid on the next processable pay warrant after the
employee(s) request pay for service rendered. Such compensatory time off
shall be granted at the time requested by the employee upon request to the
Department Chair.

Once the staffing need for the Counseling Department has been determined,
assignments shall be made as follows:

a. Volunteers will be given priority to serve.

b. If the staffing need is not met by volunteers, the Counseling Department
Chair will make assignments from the Department in reverse District
seniority order. Once a person serves, he/she shall not be required to
serve again until everyone in the Department has served.

E. Substitute Employees: A substitute employee with substitute status only or
on leave from regular status to serve as a substitute receives pay for
holidays or vacation days if:

1. The holiday/vacation day is one of the assigned days of the regular
employee in whose place the substitute is serving, and

2. The substitute employee has status as a substitute on the holidays/
vacation days for which salary is received, and

3. For holidays/vacation days of one or two days, the substitute employee
must serve as a substitute for the same regular employee on a portion of
the last working day of that employee's assignment before the holiday/
vacation day and on any portion of the first working day of that
employee's assignment after the holiday/vacation day or

4. Holidays or vacation days of more than two days:

a. For holiday/vacation day pay for the Winter Vacation period, the
substitute must have been paid for at least the number of hours
corresponding to sixty (60) days within the B, C, or D assignment
basis during the current academic year up to and including the last
working day prior to the Winter Vacation. The sixty (60) days include pay for holidays/vacation days during the first, second, and third school months, but exclude prospective pay during the fourth school month, whether or not there are working days after the holiday/vacation day.

b. For the Spring Vacation period, the substitute must have been paid for at least the number of hours corresponding to thirty (30) days from the beginning of the sixth school month up to and including the last working day of the week prior to the Spring Vacation.

F. Change of Status: A substitute who is made probationary or permanent immediately following a holiday or vacation day shall receive holiday/vacation pay at his/her substitute rate if he/she serves as a substitute for a regular employee on the last day of that employee's assignment before the holiday/vacation day or on the first day of his/her own assignment after the holiday/vacation day and the holiday/vacation day is one of his assigned days. For holidays or vacation days of more than two days, payment is based on the requirements listed in E.4. above.

G. All full-time certificated employees assigned to non-classroom teaching duties may elect, subject to the approval of the College President or Division Head, to take vacation days at a time other than when the vacation day is scheduled. These vacation days must be taken during the period of time such an employee is normally assigned.

ARTICLE 12, CLASS SIZE

A. Each department shall, as a goal, maintain an average class size of 34 students at the first census. In no way is this goal intended as a device for calculations related to a reduction of class offerings. Class offerings are determined by an array of data including but not limited to student demand, articulation agreements, graduation requirements, facility limitations, equipment limitations and others.

B. The average class size shall be reduced if:

1. State or Federal laws or regulations or accrediting agencies such as that for Allied Health (or Nursing) restrict the teacher-student ratio for classes offered by the department, or
2. The facilities of the department or number of work stations restrict the size of the classes, or
3. The Chancellor grants an exception based upon the recommendation of the College President or his/her designee.

C. Departments excepted from the average class size under Section B.2. shall have their new average class size approved by the College President and provided to the AFT.
D. To insure compliance with this Article, the President must take such steps as are reasonable and consistent with the terms and conditions of this Agreement.

E. The President or his/her designee, in consultation with the Department Chair, shall establish class section enrollment limits in excess of the average class size to insure compliance with this Article.

F. Classes of fourteen (14) or less enrollment may be cancelled prior to the first class meeting. Classes with fourteen (14) or fewer students in attendance may be cancelled during the first two weeks of the semester. The cancellation(s) shall be done by the Vice President of Academic Affairs or his/her designee after consultation with either the Department Chair or the faculty member involved, whenever possible. Classes of fifteen (15) or more students shall not be cancelled due to lack of enrollment. No class shall be cancelled after the first two weeks of the semester except in cases of emergency defined as an act of God, death, or other highly unusual physical situation or calamity.

G. Advanced classes, as determined by mutual agreement of the parties or their designees, may be cancelled prior to the first class meeting if seven (7) or fewer students are enrolled. Advanced classes shall not be cancelled if at least eight (8) students are enrolled at the first class meeting or are attending as of the close of the second week of class meetings. The AFT and the District shall review the criteria previously used for identifying advanced classes and identify any new classes which meet any new criteria established.

H. Departments currently meeting or exceeding class size goals have the right to schedule their own classes in consultation with the Vice President of Academic Affairs or his/her designee. Scheduling in departments not meeting class size goals shall be done with the approval of the Vice President of Academic Affairs or his/her designee.

ARTICLE 13, ASSIGNMENTS, ADDITIONAL

A. An additional assignment is an assignment given to a faculty member in addition to his/her basic assignment.

B. Full-time faculty members may accept or reject the offer of an additional assignment.

C. Additional assignments include, but are not limited to, assignments as a classified employee, an unclassified employee, an hourly rate assignment, a professional expert, a community services employee, or a child development center employee.

D. Pay for additional assignments shall be in accordance with the appropriate District salary schedule for additional assignments.
E. Athletic Coaching

1. Regular (permanent) and contract (probationary) faculty members assigned to Athletic Coaching as Head Coaches, except for Head Football Coach, shall be assigned in accordance with the conditions listed in Plan A or Plan B listed below. Head Football coaches may be assigned in accordance with the conditions listed in Plan A, Plan B or Plan C listed below. The head coach shall have the right to choose the plan under which he/she is assigned. Once the choice is made by the Head Coach, it cannot be changed during the current fiscal year.

a. Plan A

(1) A head coach may choose to receive coaching pay as limited by Section E.5. of this Article equal to ten (10) hours per week for the number of weeks the sport is officially sanctioned during the academic year. The coaching pay is equal to the rate listed on the District's salary schedule for Supplemental Instructors. The number of weeks a sport is sanctioned per year is listed in the Sports List below. Some sports are sanctioned to begin practice before the academic year begins, during which time a Head Coach is not eligible to receive coaching pay as he/she is being paid preparation salary rate during this period of time;

(2) receive Preparation Salary Schedule pay for the number of weekdays, exclusive of holidays, that the sport is officially sanctioned to begin practice prior to the beginning of the academic year; and

(3) have the class that is scheduled for the team sport to be counted as .5 FTE of physical education towards their teaching load for only one semester per academic year for each sport.

b. Plan B

(1) A head coach may choose to receive Preparation Salary Schedule pay for the number of weekdays, exclusive of holidays, that the sport is officially sanctioned to begin practice prior to the beginning of the academic year;

(2) have the class that is scheduled for the team sport to be counted as .5 FTE of physical education towards their teaching load for only one semester per academic year for each sport; and

(4) be required to take the 20 or more days of unpaid time during the summer period.

2. Head Athletic Coaches who are not regular (permanent) or contract (probationary) faculty members shall, for the period the sport is officially sanctioned to begin practice up to the start of the semester the sport is officially scheduled, be designated as unclassified Athletic Coaches, but shall receive pay equal to their hourly rate of pay, for a total of ten (10) hours per week. Upon the start of the semester, said Head Athletic Coaches shall be designated as hourly rate instructors and shall receive pay equal to a total of ten (10) hours per week for teaching and coaching physical education intercollegiate sports classes for the number of weeks the sport is officially sanctioned as listed in Section E.1.a.(1) of this article during the academic semester. The hourly rate pay will be in accordance with the District’s Hourly Rate Schedule for Part-Time Teaching Employees. Article 14, Section C, does not apply to assignments for teaching and coaching physical education intercollegiate sports classes. Article 16 does not apply to athletic coaches.

3. Regular (permanent) and contract (probationary) faculty members assigned to Athletic Coaching as Assistant Coaches shall be assigned as indicated in E.1.a.(1), (2) and (3) of this article except the team sport shall be counted as .25 FTE of Physical Education towards their teaching load for only one semester per academic year.

Such coaches serve in unclassified assignments and the salary paid is the amount listed on the District's unclassified salary schedule for Athletic Coaching. Unclassified Assistant coaches paid in accordance with this section may resolve Article 13, Section E, disputes through Article 28, Grievance Procedure. An unclassified Assistant Coach may not file a grievance over any other term of this Agreement.

5. Athletic coaches shall not receive coaching pay or hourly rate pay for a second coaching assignment if the seasons of the two or more sports the coach is coaching are scheduled during the same calendar period.

6. Each team shall have assigned one Head Coach. Assistant Coaches shall be assigned upon the recommendation of the Head Coach up to but not to exceed the maximum listed below:

Such assignment shall be made only with the approval of the College President, Men's Athletic Director, Women's Athletic Director, and the coaches involved.

2. If one person is assigned as the head coach for a men's and women's team in the same sport as indicated above, an assistant coach may be assigned as per the following examples:
   a. Men's and women's cross-country teams that have the exact same schedule for all activities may assign one person as the head coach for both teams and another person as an assistant coach. The cross-country teams are entitled to two coaches, either two head coaches or one head coach and one assistant coach.
b. Men's and women's track and field teams that have the exact same schedule for all activities may assign one person as the head coach for both teams. Each track and field team is entitled to a head coach as well as an assistant coach equaling four coaches. If one person is assigned as the head coach, the campus may assign three assistant coaches.

3. If one coach is assigned as a head coach for a men's and women's team in the same sport as indicated in F.1. above, the sport shall be counted as a sport for both the men's and women's intercollegiate athletic program. Therefore, a men's and women's team coached by one coach shall count for an athletic director position in both the men's and women's program.

ARTICLE 15, SUMMER SESSION ASSIGNMENT

A. Definition and Conditions of Assignment

1. A Summer Session Assignment is an extra or temporary assignment of a qualified candidate to serve during an authorized summer session. This assignment is outside of the regular assignment basis and may be authorized only for the period between the last day of the spring semester and the first day of the next fall semester.

2. Summer Session Assignments are limited to one full assignment or one class, whichever is greater.

3. When possible, original offers of employment for summer session shall be made no later than April 15. Faculty members receiving offers by April 15 shall either accept or decline an original offer for a summer session assignment in a specific college on or before May 1. Faculty members who receive a subsequent offer of employment for summer session after April 15 shall accept or decline the offer on or before June 1st. Refusals subsequent to an acceptance that occur after the deadlines will be counted as through assigned in establishing subsequent summer session priorities.

4. Time served on summer assignments does not count toward tenure, salary advancement or service requirements before or after a leave of absence, or retirement.

5. All Summer Session instructors shall be paid at the Preparation Salary Rate as indicated in Article 29.

6. Summer Session assignments for travel/study programs shall be made for classes in which 15 students or more are enrolled. An enrolled student is one who has registered for a travel/study course and paid in full all travel and other charges. The administrator in charge of travel/study programs shall have the right to cancel at any time prior to the starting date of the class.

B. Priority

Summer Session Assignments shall be made in the following priority order and shall provide each person assigned with an opportunity for a full assignment in priority order:

1. Monthly rate contract, regular, and post 70 faculty on the campus in a given discipline.

2. Monthly rate contract, regular and post 70 faculty on another campus in the District in a given discipline.

3. Hourly rate faculty on the campus in a given discipline.

4. Hourly rate faculty on another campus in the District in a given discipline.
5. Any other qualified monthly rate contract, regular and post 70 faculty member, in the above order, in another discipline.

6. Any other qualified candidate hired in accordance with District hiring procedures.

7. Within each of the above categories the priority rank of the individual faculty member will be determined as follows:

   a. Base salary for the purposes of this Article shall be 150% of the employee's monthly rate.

   b. Any assignment in the Los Angeles Community College District in the summer between regular semesters for which the District pays between 40% and 60%, inclusive, of the employee's regular base salary shall be deemed to be one-half summer assignment in computing priority. Any such assignment which is less than 40% but more than zero percent shall be deemed to be one-fourth summer assignment in computing priority. When the District pays more than 60% of his/her regular salary, he/she will be charged for a full assignment. An assignment in the District wholly or in part at another campus or location, an assignment outside of the faculty member's regular teaching field, or a non-teaching assignment shall be treated in the same manner as an assignment on campus, except as noted in d.(1).

   c. In establishing eligibility for summer assignments, priority positions shall be given to those faculty members who have been without a summer assignment in the department for the greatest number of years, according to the following chart.

**EXAMPLES OF SUMMER SESSION PRIORITY**

1 Indicates faculty member is charged with having taught full-time according to the above policy.

1/2 Indicates faculty member is charged with having taught one-half time.

1/4 Indicates faculty member is charged with having taught one-fourth time.

0 Indicates faculty member is not charged with having taught.

</table>
The above chart shall be projected backward until priorities are in accordance with B.7.c.

Any contract faculty member with less than one calendar year of service as of March 15 will be placed at the bottom of the priority list. If there is more than one faculty member in this category in a given department, the tie will be broken in the following sequence: If there are any summer session assignments as a probationary, conditional or substitute, these can be first compared on a three year basis as to number and then to recency. If this fails to break the tie, then the standard procedure used in Priority Rank will be applied. After having taught one full year, any contract faculty member will be assigned a priority on the basis of being charged for those summers he has taught in the Los Angeles Community College District.

d. If the above criteria fail to determine priority in a department, priority rank will be awarded by applying the following rules in the order listed:

(1) The faculty member who accepted an assignment at another location in the District shall have priority over one assigned at his/her own College for the next three years only.

(2) The faculty member who did not have an assignment when compared on a year to year basis beyond three years shall have priority over the one having an assignment the same year. If this procedure reaches the point where one of the instructors was not an employee of the College District, the decision is made using the following step (3) if needed.

(3) The faculty member with the greater length of service in the Los Angeles Community College District shall have priority.

(4) In case of an unresolvable tie a drawing will be held by the Dean of Summer Session and the faculty member concerned will be present.

e. "Bumping" Privilege: "Priority" as used in this policy applies to the right of a faculty member to choose the class or classes from the established summer session schedule which are to constitute his summer assignment; "priority" as used in this policy does not include the right of a faculty member to "bump" or replace another faculty member who has a lower priority.

C. Eligibility for Assignment

A priority list of faculty will be established for each discipline by the Department Chair. A Copy will be forwarded by the Department Chair to the
administrator in charge of summer session. Each faculty member will have the opportunity to accept or refuse an assignment as his/her priority rank is reached. However, he/she will be expected to make this decision within a reasonable time in order that schedules may be printed and those lower on the eligibility list may plan accordingly. Any faculty member who wishes to be considered for a summer assignment shall, upon request, make this intention known to the Summer Session Administrator not later than March 15. (See 7 below for condition for withdrawal).

1. In the those department which have distinct disciplines, a faculty member’s name shall appear on only one discipline priority list. A faculty member who has been reassigned for the majority of his/her load, may elect to be placed on the summer priority list of the new discipline the summer following the reassignment. For the purpose of determining priority, counselors and librarians shall be considered as members of the Counseling Department and Library Department, respectively.

   a. If a position is open for which no one is available from the subject priority list, the assignment will be made on the basis of the individual qualifications of those desiring the assignment.

   b. Any such assignment which is accepted shall be counted for subsequent priority purposes in the same manner as those made to faculty members on the regular priority lists.

2. A faculty member who voluntarily passes (or refuses) a summer assignment in his/her subject field shall be placed in the same category as those for whom no assignment is available, regardless of his/her reason for such refusal. (This includes faculty members on leave of absence.)

3. No faculty member shall be eligible to teach a course in summer session if he/she refused, on the basis of subject matter, to teach the same course in regular session (assuming that he/she was eligible and qualified to do so).

4. A faculty member, in order to be eligible for summer assignment, must teach the full year preceding the summer session concerned.

Exception: A faculty member on sabbatical or other leave or absence of one year or less shall be considered as teaching on campus, for purposes of priority determination. (In other words, a faculty member on leave for one year or less shall be given the same priority rank that he/she would have received had he/she been teaching at his/her college during the same period.)

5. A faculty member appointed to a college within the year preceding the summer session concerned (other than a transfer from another college in the District) will be placed on the bottom of the priority list (as indicated in Section B.7.c. of this Article).

6. A faculty member who transfers to a college from another college in the district shall be subject to the same priority rules as though his/her community college teaching had been all at his/her current assignment.

7. A faculty member who withdraws from a previously accepted assignment later than May 1 will have this previous acceptance counted in establishing subsequent priority lists unless adequate reasons for this action are...
submitted in writing and approved by the Summer Session Committee. These reasons would include emergencies or professional employment opportunities which the faculty member could not have known about at an earlier date.

D. Summer Session Committee

A campus Summer Session Committee shall be established on each campus. It shall consist of no less than two (2) faculty members as determined by campus representatives of the bargaining agent and no less than three (3) administrators as determined by the College President. It shall serve as an appeals committee to hear and rule upon assignment priority matters.

E. Notwithstanding all other sections of this Article, the Travel Study Program Summer Session Assignment shall be made in the following manner:

1. Selection criteria reflecting the requirements of individual courses and countries will be clearly spelled out and announced throughout the District by the Vice Chancellor of Educational Services.

2. Applications shall be sent to the Vice Chancellor of Educational Services and forwarded to the International Education Committee.

3. Only members of the bargaining unit shall be eligible to apply.

4. Selection of instructors for the travel/study program shall be under the direction of the Vice Chancellor of Educational Services. The Selection Committee for each class shall consist of one administrator appointed by the Vice Chancellor of Educational Services, one faculty member from the International Education Committee, one faculty member selected by the bargaining agent, one member from the District Academic Senate selected by the District Senate, and one member from the college department/division that will offer credit for the class selected by the department/division.

5. In selecting travel/study program instructors, members of the Unit submitting travel/study program proposals for the specific travel/study class shall be given priority for assignment for the first two summer sessions of the class, provided that the program is offered a second time within three years. If no instructor has priority for the travel/study program, the selection shall be made by the selection committee as indicated in Section E.4. of this Article.

6. A travel/study summer session assignment shall count as a regular on-campus summer session assignment for purposes of establishing subsequent summer session priority.

7. If disputes arise relating to travel/study summer session assignment, the summer session committee shall serve as an appeals committee to hear and rule upon travel/study assignment matters.
ARTICLE 16, RETENTION AND SENIORITY, HOURLY RATE

The right to continue in hourly rate employment is extended to each hourly rate employee at the campus or location the individual is assigned and in the discipline to which assigned in seniority order and in accordance with the provisions of this Article.

A. Obtaining Seniority and Retention Rights

1. Except as noted in Section C. of this Article, an hourly rate certified employee on a given campus in a given discipline shall be continued in his/her assignment as long as the need for that assignment continues as determined by the College President. Assignment is defined as one class for teaching assignments, same number of hours for non-teaching assignments, same day(s) of the week, and the same time. An employee may have more than one assignment.

2. Whenever possible hourly rate employees shall be assigned to the same assignment as the previous semester. If it is not possible to assign the employee to the same assignment the hourly rate employee shall be assigned to a comparable position. A comparable position means the same number of hours.

3. Written offers of hourly rate assignments shall be made to individuals based on seniority lists developed by the Vice President of Academic Affairs or his/her designee. Written acceptance or refusal of the offer shall be made within fifteen (15) days of receipt of the offer. Seniority lists shall be updated each semester by the third week of the semester. The Vice President of Academic Affairs shall forward copies of the list to the campus AFT by the Friday of the fourth week of the semester. The Vice President of Academic Affairs shall also deliver a copy of the seniority lists to all department members and those listed on the list. These lists shall be provided to each hourly rate faculty member by the Vice President of Academic Affairs.

4. Offers of hourly rate employment shall be made in accordance with this Article to individuals in seniority order based on the discipline seniority list. Those individuals not assigned shall be informed in writing by the Vice President of Academic Affairs prior to the start of the semester.

After all individuals on a seniority list have been assigned or have refused an assignment and additional assignments are available, additional assignments shall be offered to individuals currently on the seniority list for more than one assignment. Offers shall be made on seniority order of obtaining the second assignment.

B. Calculating Seniority

1. The number of semesters of seniority accruing to each hourly rate employee employed or on leave of absence during the Spring semester 1986, shall be transferred to the Fall, 1986, seniority list. Additional semesters of seniority credit shall be calculated and added to that base number according to the provisions of this Article.
2. Seniority shall be calculated for each hourly rate employee teaching assignments on the hourly rate. Monthly rate employees also assigned hourly rate shall have seniority calculated on the same basis as the aforementioned. All employees assigned hourly rate shall appear on a blended seniority list.

3. Discipline is defined as a subject or service area as listed in Appendix E. New disciplines may be added to the list by the District. An existing discipline may be divided into more than one discipline or a new discipline may be created for the purpose of hourly rate assignment and seniority by the mutual consent of the parties.

4. An hourly rate employee may have a number of "seniorities;" i.e., he/she may be assigned on more than one campus or in more than one discipline or in more than one class.

5. An hourly rate employee on a paid leave of absence shall remain on the seniority list(s) during that semester. Hourly rate employees with a break in service (names removed from the seniority list(s) shall not re-capture past seniority if rehired. Paid leaves of absence or refusal do not constitute a break in service. An hourly rate employee shall lose all seniority rights and his/her name shall be removed from the seniority list(s) if he/she refused to accept an assignment for three consecutive semesters or for four semesters out of five consecutive semesters.

6. Hourly rate Chair's time shall be credited toward discipline seniority.

7. There shall be no ties on the seniority list. If a tie in the number of semesters served exists, the tie shall be broken by lot.

8. An hourly rate employee gains a semester of seniority when he/she accepts an hourly rate assignment.

9. Disputes relating to the seniority list(s) shall be resolved by the appropriate administrator.

C. Termination: Reduction in Force and Dismissal

1. Whenever in a discipline on a given campus it shall become necessary to reduce the number of hourly rate employees between semesters or years or within a given semester, the total number of semesters of credited hourly rate assignment of the employee in a given discipline on a given campus shall determine which employee(s) shall be terminated. All employees with two classes shall be reduced to one class before the least senior person on the seniority list is terminated. Such reduction shall be made in reverse order of the length of semesters accumulated.

2. An hourly rate employee shall be notified in writing of the reasons for termination due to reduction in force.

3. An hourly rate employee not assigned a class due to reduction in force shall remain on the seniority list and shall retain the right to be continued for three semesters.
4. If, after an hourly rate employee is removed from the seniority list and is subsequently rehired, he/she shall not recover any of his/her past seniority.

5. An hourly rate employee may be dismissed for reasonable cause and be entitled to a hearing pursuant to the Grievance Procedure, Article 28, within the limitations as indicated below:

   a. First year hourly rate employees shall not be entitled to a hearing. In order to be dismissed, he/she must have received an overall evaluation of "Unsatisfactory."

   b. After one year of service, an hourly rate employee shall be entitled to a hearing. In order to be dismissed, he/she must have received two evaluations indicating an overall evaluation of "Unsatisfactory."

   c. Hourly rate employees may also be dismissed pursuant to the Additional Evaluation section (Article 19, Section I) of this contract. If an hourly rate employee is dismissed in accordance with the additional Evaluation section, he/she shall be entitled to a hearing dependent upon the number of years of service as indicated in a. or b. above.

D. Hourly Rate/Monthly Rate - Bumping

1. Any monthly rate employee may bump an hourly rate employee if the monthly rate employee must teach an hourly rate class in order to obtain a full schedule. The hourly rate employee bumped shall be entitled to bumping rights.

2. If an hourly rate employee loses his/her assignment, he/she shall have a right to bump another hourly rate employee as indicated in this Section.

3. Every effort shall be made to bump the employee with the least seniority.

4. An hourly rate employee who loses his/her assignment due to being bumped shall be granted a semester of seniority and shall remain on the seniority list.

5. Bumping shall be limited to the first two weeks of the semester. Notification and changes due to bumping must be completed before the class meets during the third week.

6. The Vice President of Academic Affairs shall maintain records of all bumps and those records may be viewed by the AFT.

7. An hourly rate employee shall be paid for the service rendered.
ARTICLE 17, DEPARTMENT/DIVISION/CLUSTER CHAIRS AND DEPARTMENTS

A. Department/Division/Cluster Structure

1. A department shall be composed of one or more disciplines.

2. All faculty members shall be assigned to departments except those assigned as Instructors Special Assignment, Consulting Instructors and College Nurse. Each faculty member shall be assigned to the department of his/her plurality of assignment. Each monthly rate faculty member assigned 50% each in two departments shall select his/her department. Once that selection has been made, it may not be changed unless the proportion of assignment changes. A faculty member may be considered a member of only one department.

3. The Assistant Dean assigned the supervisory responsibility for a department without a Department Chair position shall assume the responsibilities delegated to the Department Chair.

4. The Child Development Center Director shall assume the responsibilities for a department without a Department Chair for the Child Development Center teachers.

B. Selection of Certificated Department Chairs

Department Chairs shall be elected by the department and appointed by the College President as follows:

1. Eligibility
   a. All regular and contract faculty members of a department may be considered for the Department Chair position.
   b. All regular and contract faculty members assigned to a department are eligible to vote for chair.
   c. Faculty members on position leave to serve in a management position are not eligible to vote.
   d. Every eligible member of the department may be considered for Department Chair. The ballot will include only the names and the names of only those eligible department members who confirm their candidacy, in writing, to the President prior to the time of election, except in cases arising under Section B.3.
   e. The ballots shall be prepared and brought to the election by the President or designee.

2. Voting
   a. The vote shall be conducted by the exclusive representative and the office of the College President or designee at a special meeting scheduled at least three (3) weeks in advance for the purpose of selecting a Department Chair.
b. All voting shall be by secret ballot.

c. To be elected, a candidate must receive a majority of the votes of the eligible voters in the department present and voting.

d. The candidate, or, in the case of a tie, candidates, receiving the fewest votes shall be eliminated and voting shall continue until one candidate receives a majority of the votes. ARTICLE 20, RESIGNATION

A. Definition. A resignation is a voluntary statement on the part of an employee that he/she wishes to terminate an assignment.

B. Procedure. The resignation should be submitted in writing and given to the employee's immediate supervisor for forwarding to the College President or Division Head who, in turn, will forward it with a Request for Personnel Action to the Personnel Operations Branch. In cases where an employee does not file a written resignation, but does give oral notice of resignation, every effort should be made to obtain a written statement from the employee. If only an oral statement can be obtained, the College President or Division Head should fill out as much information as possible on the District's resignation form. "Oral Resignation" should be indicated on the "signature" line and the form signed by the College President or Division Head and forwarded as listed above. If "oral notice" is given by telephone, the receiver must be certain of the identity of the caller.

C. Effective Date. A certificated employee may resign at any time, effective on the date the employee designates.

D. Withdrawal

1. All resignations should be forwarded as soon as received to the Personnel Operations Branch.

2. Resignations are withheld from processing to the Board of Trustees for five (5) days after receipt. Receipt is the earliest date of verified receipt by any office, college, division or Personnel. If a cancellation request is postmarked and received within five days of the postmark or received within the five day period, the resignation will be rescinded.
3. If, within the five day period, no cancellation request is received by the Personnel Operations Branch, the resignation will be processed. If a cancellation request is received within the five day period, the resignation will not be processed.

4. After the five day period has passed and before acceptance of the resignation by the Board of Trustees, a verbal or written request to withdraw the resignation will be considered if it is in the best interest of the District. Such request must be made in writing and, if made orally, must be followed by a written request within five days. If no written request is received by the end of the five days, the resignation will be processed to the Board of Trustees.

E. Cancellation. Resignations which have been approved by the Board of Trustees may be cancelled by the Board before the effective date if approved by the College President or Division Head. If the effective date has passed, an employee can be returned to service only through an election assignment.

F. Resignations to Avoid Dismissal. Any person against whom a dismissal action has been started may submit his/her resignation. However, if the dismissal has already been reported to the Board of Trustees, the resignation cannot be processed in time to avoid dismissal. When resignations are processed in time to avoid dismissals, only the action is changed -- the materials collected for the dismissal will remain on file in the Office of Employer-Employee Relations.

6. The Los Angeles Community College District shall not provide funds for courses or programs in administration or courses leading to or required for a degree or credential in administration unless the employee can provide evidence that such courses or programs enable the employee to serve more effectively in his/her position or in another position in the Unit.

7. Notwithstanding the restrictions listed above, if reimbursement is approved for retraining in accordance with section 3.d. above, the District shall pay the full cost of tuition, books, and materials for such employee so enrolled at the time such costs are due.

B. The Los Angeles Community College District shall provide a fund in the amount of $60,000 per fiscal year for the purpose of supporting convention and conference attendance for members of the unit. This fund shall be distributed to the colleges by the Vice Chancellor of Educational Services in proportion to the number of full-time faculty members on each campus and shall be administered at each college by a committee of faculty appointed by the campus Academic Senate and approved by the College President. Should the College President not approve an appointment, he/she shall state the reason in writing to the President of the Academic Senate. ARTICLE 24, PERSONNEL FILES

A. Definition. A personnel file will mean the personnel file compiled on an employee and maintained in the Personnel Services Division or in the President's office at the campus. The materials in these files shall be the only personnel records which may be used by the District in any proceedings which affect the status of the employee.

B. Placing Materials in the File

1. A faculty member shall be provided a copy of all written material prior to the time it is placed in his/her personnel file. No material may become a part of an employee's record, placed in his/her personnel file, until the employee has been provided a copy of such material and had an opportunity to respond. Such material shall be provided to the employee within a reasonable period of time after receipt of said material.

2. Materials may be placed in the file by the appropriate administrator whose name shall be noted on the material so placed, along with the date of such placement.

3. Adverse material which has been placed or will be placed in an employee's personnel file shall not be retained in that file for more than four years after original receipt of the materials unless the employee asks that the material be retained.

ARTICLE 25, LEAVES

A. General Policy on Leaves of Absence

1. **Definition.** A leave of absence is authorized absence from duty, for a specific period of time and for an approved purpose, with the right to return to a position in the same classification at the conclusion of the leave.

2. **Leave Categories**

   a. **MANDATORY LEAVES.** The District shall grant certain mandatory leaves requested by employees if requirements have been met and reasons suitably documented. Such leaves are: Bereavement, Illness, Industrial Accident, Family Illness, Rest, Maternity, Assault and Battery, Military, Government Service, Governmental Order, Parental (mandatory in those instances defined in Section 0.a. below; otherwise optional), Part-Time Service, and Sabbatical Leave.

   b. **OPTIONAL LEAVES.** All other leaves requested by employees may or may not be granted, depending on status and service of the employee, reasons given for the leave, documentation of these reasons, and effect of the leave upon the work of the particular college or division. If an optional leave is denied, reasons must be specified on an appropriate form.

3. **Requirements.** Each leave category has specific requirements which must be met before the leave can be granted.

4. **Length of Leave.** The minimum and maximum length of leave (including extension) depends on the type of leave. No leave, except military, may be written beyond the expiration date of the employee's credential covering service in the position or beyond the termination date of his/her assignment. Except as otherwise provided by this agreement, in determining eligibility for extension of leaves, a major portion of a semester counts as a semester and part-time leaves are considered the same as full-time leaves. A particular leave may be extended by the Chancellor or his/her designee beyond the length of time stated in this Article for that leave. Any combination of consecutive leaves is limited to six semesters unless extended by the Chancellor or his/her designee. Leaves are consecutive if not separated by regular service for at least 130 days.

5. **Compensation and Benefits.** Employees on leave may receive full pay, part pay, or no pay—depending upon the type of leave. Unless otherwise indicated, a faculty member on leave shall be eligible to retain fringe benefits by paying the cost of his/her fringe benefit package. Each employee granted leave shall, at the time notification of leave approval is given, receive written indication of this right and a timetable and schedule for fringe benefit package payment. Employees not electing to pay fringe benefits shall have their coverage rescinded until return from leave. Each employee granted
leave shall, at the time notification of leave approval is given, be so informed. A faculty member on leave whose fringe benefits package has been rescinded, shall have that package automatically reinstated on the date of official return to service in accordance with the re-enrollment provision of Article 27, Hospital, Medical, Dental, Vision Coverage.

6. Request Procedure

a. Leaves for fewer than 21 working days shall be requested orally and granted orally by head of the college or division.

b. Leaves for more than 20 working days shall be requested in writing on the proper forms. If the College President or Division Head approves the release of the employee and the Division of Human Resources approves the eligibility of the employee the leave shall be granted.

Leave requests must be filed no later than 60 days prior to the start of the semester in which the leave will begin. Employees, college presidents and department chairs shall receive notification of leave request disposition within 30 days of filing leave request. If leave request is denied, the reason(s) must be indicated. Exceptions to the filing requirements may be granted by the Vice Chancellor of the Division of Human Resources.

7. Effect on Step Advance. Time spent on the following leaves counts as service toward step advance: All paid leaves, Exchange, Government Service, Military, Organization leaves. Time spent on other types of leave does not count toward step advancement.

8. Effect on Retirement. Time on the following leaves counts as service toward retirement in the same proportion as the salary received: Illness (if paid), Industrial Accident, Military, Sabbatical, Exchange (if paid by the Los Angeles Community College District).

9. Effect on Leave Privileges. Most certificated leaves require at least two consecutive semesters or the hourly equivalent of 130 days of full-time actual service immediately preceding the leave. A Sabbatical, Exchange or Government Service Leave meets this requirement. Time on other leaves does not meet this requirement.

10. Effect on Sabbatical. Time on Exchange or paid Military leaves counts toward the service requirement for Sabbatical leave. Time on other leaves does not count. Leaves do not break time service continuity for Sabbatical, but may reduce the days served in a year below the Minimum required.

11. Effect on Points. Certificated employees on leave may earn points without limitation (except for Educational Travel), but may use them for column advance only under the same limitations that apply to employees in service.

-50-  Article 25
12. **Effect on Assignment.** An employee returning from leave is reassigned to the college or division from which leave was taken unless a transfer would have been made if the employee had been on duty.

13. **Return to Service.** Request to cancel an approved leave or to return to service prior to expiration date of leave will be considered by the President or Division Head on the basis of convenience to the District. There is no obligation to permit such cancellation or early return. Even though a request to cancel a leave is made before the effective date, there is no obligation to approve such a request.

14. **Failure to Return.** Failure to report for duty at the expiration of leave may be adequate cause for dismissal.

### B. Assault and Battery Leave (Mandatory)

1. **Definition.** An assault or battery leave is a type of industrial accident leave; it is granted for absence because of an injury resulting from an assault and/or battery that was directly related to the performance of duties. The determination of whether or not the absence is due to an assault or battery is the responsibility of the Division of Human Resources.

2. **Length of Leave.** Leave shall be granted from the first day of absence resulting from assault and/or battery but paid leave shall not exceed one calendar year.

3. **Extension of Leave.** If unable to return at end of calendar year, employee may be placed on some other type of paid or unpaid leave for which he/she meets eligibility requirements.

4. **Compensation.** When an employee is absent because of such assault and/or battery, the employee will be paid his/her full salary (for the assignment in which serving when injured) for a maximum of one calendar year. Except for the one year provision, compensation is paid under the same provisions as apply to other industrial accidents (See PG B417).

5. **Multiple Assignments.** Persons who have multiple assignments will be given assault and battery leave from the assignment in which the injury occurred and from any other certificated assignments in which the employee is eligible for illness absence pay.

6. **Additional Provisions.** See also PG B 417 for additional provisions relating to industrial accidents.

7. **Report to Law Enforcement Agency.** It is the duty of any employee who is attacked, assaulted, or menaced by any person, and the duty of any person under whose direction or supervision such employee is employed who has knowledge of such incident, to promptly report the incident to the appropriate law enforcement authorities of the County or City in which the incident occurred. If the attack, assault, or menace
was by a student, failure to make such a report is a misdemeanor punishable by a fine of not more than $200 and any action designed to influence the employee not to make such a report is also a misdemeanor subject to a fine of not less than $100 or more than $200 (Education Code 87014).

8. Request Procedure. Employee shall attach a statement to the appropriate leave request form from a licensed physician verifying the fact that the employee cannot work because of injury, and a copy of the report to the Law Enforcement Agency.

9. Return to Service. Health approval is required before return to service from injury.

C. Bereavement Leave (Mandatory)

1. Definition. A bereavement leave is approved absence due to the loss by death of a person related by blood or marriage, or whose domestic relations were close, or who was a close friend, or lived in the same domicile. Bereavement leave is also granted for absence due to:

a. Official notice in time of war that a member of the immediate family is "missing in action," or

b. Official notice that a deceased member of the immediate family is being returned by the armed forces for interment in this country.

2. Requirements

   STATUS: All certificated employees are eligible for a bereavement leave except a day-to-day substitute.

3. Length and Time of Leave

   Maximum of three working days (or five days if more than 200 miles travel is required) for death of member of "immediate family," not necessarily consecutive, within ten calendar days after demise or notification of date of funeral. A three-day bereavement leave may be granted for each death described above even though more than one death occurs simultaneously; such leaves may be consecutive.

4. Compensation

   a. Regular salary shall be paid for a maximum of three or five days absence for each instance of absence due to bereavement as described above.

   b. Salary payment must be authorized by the College President or Division Head and reported on the time card.
5. **Effect on Benefits:** Bereavement absence with pay counts toward benefits as paid service.

6. **Request Procedure:** Make oral request to College President or Division Head. Evidence of bereavement may be requested by the College President for approval of salary payment.

D. **Exchange Leave (Optional)**

1. **Definition:** An exchange leave is a leave granted to permit an employee to serve as an exchange employee in any foreign country or in any state, territory, or possession of the United States.

2. **Status Requirement:** Employee must have regular status on the effective date of the leave.

3. **Length of Leave:** The exchange is for one academic year only, unless extended for one additional year by consent of the Chancellor and employee concerned.

4. **Compensation:** The compensation is determined by the exchange agreement.

5. **Effects on Benefits**

At the completion of any exchange, the employee shall serve at least two consecutive years with a minimum of 130 days of full-time service each year before eligible for another exchange assignment.

   b. **STEP ADVANCE:** Credit for service on an exchange leave counts toward step advance as if service were in the District. An employee on such an exchange must have served a minimum of 130 days for which salary is paid, other than for illness or quarantine, while in the employ of the outside organization, in order to receive step advance upon return to the District. An affidavit of this experience completed by a representative of the employing organization must be filed with the Personnel Operations Branch verifying this service.

   c. **RETIREMENT:** Service on an exchange leave counts toward retirement if approved by STRS. If retirement contributions are not deducted from compensation, the employee must personally arrange for payment of required contributions.

E. **Family Illness Leave (Mandatory)**

1. **Definition:** A family illness leave is one granted to an employee who is needed at home because a member of the immediate family is ill.
2. **Requirements**

**STATUS:** Employee must have other than day-to-day substitute status on the effective date of the leave.

**SERVICE:** No prior service required.

   Government Service leaves shall include election to full-time public office, Peace corps, ACTION, and appointment to government service in a non-protected position.

2. **Status Requirement:** Leave shall be granted to regular faculty members.

3. **Length of Leave:** Full-time government service leave shall be for the term of the office, or four years, whichever is longer, and shall not be renewable. Part-time government service leave may be extended beyond the four year limit.

4. **Compensation:** No salary will be paid by the District for the period of the leave.

5. **Effect on Benefits:** No credit for any benefits is allowed for time spent on Government Service leave.

**G. Governmental Order Leave (Mandatory)**

2. Requirements

STATUS: All employees except day-to-day substitutes.

SERVICE: Employee must be in active service (not on leave) at the
time of the leave.

1. Definition: A grant leave is a leave to permit a regular faculty

more effective service to the District upon his/her return.

2. Status Requirement: Employee must hold regular status on the
effective date of the leave.

3. Length of Leave: Leave may be granted for a maximum of two
semesters.

4. Compensation: No salary will be paid by the District for the period
of the leave.

5. Effect on Sabbatical Leave: Service under a grant leave counts
toward the service required for a sabbatical leave if evidence is
presented, satisfactory to the Personnel Operations Branch, that such
service was rendered.

6. Effect on Step Advance: When satisfactory evidence is presented to
the Vice Chancellor, Division of Human Resources, that service
rendered will be equivalent to service in the District, credit for
step advance is allowed. This approval will be prior to the
effective date of the leave.

7. Effect on Retirement: Time spent on grant leave does not count as
service for retirement and will therefore reduce the total service
credit on which the retirement allowance is based.
8. **Request Procedure:** The College President or Division Head shall forward the leave request to the Personnel Operations Branch. Final approval of leave requests will be withheld pending the receipt by the Personnel Operations Branch of verification that the grant application has been approved. The employee and the college or division shall be notified when final approval of the leave request has been granted.

I. **Illness Leave (Mandatory)**

1. **Definition:** An illness leave is a paid or unpaid leave granted to a certificated employee who is compelled to be absent from duty in his/her current assignment on account of his own illness or injury or because of quarantine occasioned by his/her own or another's illness.

   a. **FORMAL ILLNESS LEAVE OF ABSENCE.** A formal illness leave is a leave granted to an employee for a period of more than 20 consecutive working days.

   b. **INFORMAL ILLNESS LEAVE OF ABSENCE.** An informal illness leave is a leave which is granted to an employee for a period of 20 working days or less.

2. **Calculation and Compensation of Illness Leave**

   a. **EMPLOYEES ASSIGNED FULL TIME.** Full-pay illness allowances are credited to employees assigned full-time on July 1 each year. Employees assigned in "A" and "D" bases receive twelve days, and those assigned in "B" and "C" bases receive ten days. Unused full-pay days are accumulated from year to year. If the employee's accumulated balance of full-pay days is less than 100, half-pay days are credited each year to bring the total of full-pay days and half-pay days to 100. If the full-pay balance is 100 or more, no half-pay days are provided; however, there is no limit on accumulation of full-pay days.

   b. **EMPLOYEES ASSIGNED LESS THAN FULL TIME.** Employees assigned less than full time are credited with illness days based on the number of days per week assigned. Full-pay days and half-pay days are credited to an employee's account in the proportion that the number of days assigned per week bears to five (e.g., an employee assigned to two days per week would be credited with four full pay days (2/5 x 10 = 4) and 36 half-pay days, a total of 40 days (2/5 x 100 = 40). After full-pay days have been accumulated to the limit for half-pay days, no half-pay days are allowed.

   c. **ON-CALL DAY-TO-DAY SUBSTITUTES.** On-call day-to-day substitutes do not earn illness allowances. On-call day-to-day substitutes who have accumulated a "balance" because of prior assignment to a monthly rate assignment (described in 2.a. above) may use the previously earned illness leave in on-call day-to-day substitute service subject to the limitations described in d.(3) below.
d. COMPENSATION

(1) Employees Paid on a Monthly Rate Schedule: When an employee is absent because of illness and such absence is properly reported and verified, the employee will be paid his full salary up to the total number of full-pay illness days to his credit. Additional illness absence will be paid at half salary up to the total number of half-pay days accumulated. Additional illness absence will be non-paid until the beginning of the next academic year at which time new balances will be credited as described in 2.(a) above.

(2) Employees Paid on the Hourly Rate Schedule. Hourly rate employees are charged one day of illness for each "day" of illness absence. For example, an instructor assigned 2 hours per night 2 nights a week who is absent for one week (4 hours) is charged for 2 days; an instructor assigned 4 hours per night one night a week who is absent for one week (4 hours) is charged for one day.

(3) On-call Day-to-Day Substitutes. On-call day-to-day substitutes who have accumulated an illness pay "balance" because of prior assignment to a class on a monthly rate schedule will be allowed pay for absence due to illness. The substitute must not have been released prior to the illness and no illness benefits shall be paid after the date the substitute was scheduled to be released.

3. Required Verification

An employee who is absent because of illness shall be required to sign a form provided a statement that such absence was due to illness, injury, or quarantine. Such form must be approved for payment by the proper administrator. Payment for absence due to illness shall be made only upon certification by the Chancellor or his/her designated representative that such absence was for reason of illness or injury.

4. Holiday Pay

If an employee who is eligible for illness payment as indicated above receives pay because of illness, injury, or quarantine on either side of a holiday period for which he/she qualified for holiday pay, he/she shall receive holiday pay for the holiday period and the days of the holiday period shall not be considered as days of illness or injury leave.

In case a holiday occurs on the first day of the employee's assignment, and he/she receives pay because of illness, injury or quarantine on the first day of his/her assignment following the holiday, the holiday shall not be considered as a day of illness or injury leave. In case a holiday occurs on the last day of the employee's assignment, and he/she receives pay because of illness,
Injury, or quarantine on the last day of his/her assignment preceding the holiday, the holiday shall not be considered as a day of illness or injury leave.

5. Effects on Benefits

Time on illness leave with pay counts for step advance, retirement, and vacation; credit in full for step advance and vacation, and full or half, according to the pay allowed, for retirement.

Time on illness leave does not count as service in meeting requirements for other types of leaves.

6. Additional Summer Session Credit

An employee who is to perform service on twenty or more days during a summer session shall be allowed one and one-half days of full pay illness leave in addition to that provided in Section 2.(a) above. This paid illness leave benefit for a summer session assignment, if not used, will be accumulated from one summer session to another but will not be added to any other illness leave balance.

7. Status Requirements for Illness Leave

For an informal illness leave of absence, employees paid from a monthly rate schedule and employees on the hourly rate schedule must be in a regular assignment, a summer session instructor with a regular session basic assignment, or as a substitute in a higher class than the regular assignment. On-call day-to-day substitutes must qualify, as indicated in 9.(c) below, for illness leave pay.

For a formal illness leave of absence, assignment to a class paid on a monthly rate or hourly rate schedule is required; however, no prior service is required.

8. Time Limitations For Formal Leave of Absence

a. EMPLOYEES PAID ON A PREPARATION SALARY SCHEDULE. Maximum leave granted at any time is to the end of the semester following the semester in which the leave commences. Such leave may be extended for a total period of not more than four semesters. After an employee has had four semesters of illness leave (either continuous or in series) he may have an additional two-semesters leave for illness only if, in the opinion of a District Physician Consultant, the employee will be able to resume his duties at the end of the leave. If, in the opinion of the District Physician Consultant, the employee will not be able to resume his duties at the end of the leave, the leave will be granted only for a sufficient time to allow the employee to apply for disability retirement.
b. EMPLOYEES PAID ON THE HOURLY RATE SALARY SCHEDULE. Employees who are serving as hourly rate employees without regular status as full time employees of the District may be granted a leave to the end of the semester in which the leave commences.

c. ADDITIONAL LEAVE PERIODS. Additional leave may be granted only on the approval of the Chancellor.

9. Time Limitations for Informal Leave of Absence

a. EMPLOYEES PAID ON A PREPARATION SALARY SCHEDULE. Maximum informal leave is 20 working days. An illness which extends beyond 20 consecutive working days may be converted to a formal illness leave upon receipt of the proper forms.

b. EMPLOYEES PAID ON THE HOURLY RATE SALARY SCHEDULE. Maximum informal leave is 20 working days. A working day is defined as a day on which the employee is assigned. For example, an employee assigned for one day a week would be covered for only four absences. An illness which extends beyond 20 consecutive working days may be converted to a formal illness leave upon receipt of the proper forms.

c. ON-CALL DAY-TO-DAY SUBSTITUTES. On-call day-to-day substitutes who have accrued an illness leave balance because of prior assignment to a monthly rate position shall be granted an informal illness leave of absence if the substitute has not been released prior to the illness. No illness benefits shall be paid after the date the substitute was scheduled to be released.

10. Request Procedure

a. FORMAL ILLNESS LEAVE OF ABSENCE

(1) Employees must complete Leave of Absence Request Form

(2) Employee must attach a statement from a licensed physician or other practitioner verifying the fact that the employee cannot work because of personal illness or injury.

(3) These forms must be submitted to the President of the College or the Division Head for forwarding to the Personnel Operations Branch.

(4) Leave requests will be recommended for approval or denial by the District Physician Consultant.

(5) Disposition of the leave request will be sent to the employee by the Personnel Operations Branch in writing.

b. INFORMAL ILLNESS LEAVE OF ABSENCE. The request should be made orally to the President of the College or Division Head.
11. Employment While on Leave

An illness leave period is considered as beginning on the first day for which illness is claimed at the time the employee usually reports for work extending through the last day for which illness is claimed until the time the employee usually leaves the job. If, between these two times, the employee is engaged in any gainful employment, he/she will be required to forfeit any illness pay claimed during the period of employment.

12. Extra Assignment

An employee who is on formal illness leave from his regular assignment must also take illness leave from his extra assignments unless specifically authorized to perform part-time service by the District Physician Consultant. Informal illness leave may be allowed for qualifying extra assignments (e.g., hourly rate) without reference to illness leave status of the employee in regular assignments.

13. Return to Service

a. ABSENCE DUE TO PERSONAL ILLNESS, INJURY OR MATERNITY LEAVE OF ABSENCE

If an employee has been absent because of illness, injury or maternity leave of absence,

(1) For less than 6 consecutive working days, the employee must sign and submit a "Certification of Illness or Injury" card (Form 60.82B). Follow procedure c.(1) below for return to service.

(2) For more than 5 but fewer than 11 consecutive working days, the employee must submit a "Certification of Illness or Injury" card (Form 60.82B) signed by a physician or other practitioner. Follow procedure c.(1) below for return to service.

(3) For more than 10 consecutive working days, the employee must submit a "Certification of Illness or Injury" card (Form 60.82B) and an "Attending Physician's Statement" (Form C305) signed by a physician or other practitioner. Follow procedure c.(2) below for return to service.

b. ABSENCE DUE TO QUARANTINE. If employee has been absent because of quarantine, regardless of length of such absence, a county health office exclusion and readmittance card must be obtained. Employee should follow procedure c.(2) below.
c. RETURN PROCEDURES

(1) Employee reports to the college or division and is admitted to service without health examination at the discretion of the College President or Division Head. If in the opinion of the College President or Division Head the employee should not return to duty, procedure (2) below should be used and the employee must present an "Attending Physician's Statement" (Form C305) completed by his physician at the time of the physical examination by a District Physician Consultant.

(2) Employee must be examined and approved prior to return to service by a District Physician Consultant. A Process Authorization (Form C335) should be given or mailed to the employee and an appointment must be made at one of the District Health Centers. Employee may be given "Procedures for Employee/Applicant Health Examinations" (Form C514) as an instruction sheet.

If approved for return to service, the Health Center will issue two copies of the "Health Appraisal Card" (Form C517) marked "Return to Service." Both the payroll and health appraisal cards should be given to the appropriate clerk in the college or division office. One copy of the card should be forwarded by the college or division, with appropriate documents returning the employee to service, to the Personnel Operations Branch.

J. Industrial Accident Leave (Mandatory)

1. Definition. An industrial accident leave is one granted for absence because of occupational illness or injury which arose out of and in the course of District employment, and which qualifies under Worker's Compensation, in order to preserve illness benefits for subsequent illness or injury which is not job connected.

2. Length of Leave

a. Leave shall be granted from the first day of absence resulting from industrial accident or illness but shall not exceed 60 working days (when the employee would have been performing his duties) for one accident, and shall not extend beyond the last day for which temporary disability indemnity is received. The allowance is reduced by one day for each day of authorized absence regardless of the amount of a temporary disability indemnity award.

b. The 60 days is not accumulative from year to year. In case the absence extends into the following year, only the unused amount of leave for the same accident is available.
3. Extension of Leave. An employee who is unable to return after 60 days shall be continued on industrial accident leave but may be paid from accumulated illness benefits. At the exhaustion of regular illness leave benefits, if still unable to return, the employee shall be placed on unpaid industrial accident leave.

4. Compensation. Before salary payments can be made, the required accident report must be on file in the Business Services Division.
   a. The District will issue appropriate salary warrants, including the amount of the temporary disability payments, but not exceeding the employee's full salary. Such warrants are subject to normal retirement and other authorized deductions.
   b. During the initial 60-day absence, the employee shall receive the difference between his/her regular salary and the compensation received from the Compensation Fund; such payment is not charged against the employee's accumulated illness balance. If the 60-day maximum is exceeded, the employee may start drawing the regular illness compensation to which he/she may be entitled.
   c. A full day's salary for an employee is the salary for one-twentieth of the average number of hours for which pay was received for the pay periods within his/her assignment code basis during the year immediately preceding the beginning of the leave.
   d. When vacation or any paid leave, except an industrial injury or industrial illness leave, is used in conjunction with temporary disability benefits derived from workers' compensation, the vacation or leave shall be reduced by not more than the amount necessary to provide a full day's salary when added to the temporary disability benefits.
   e. If an employee has received a final settlement for permanent industrial disability and, after the final settlement, is absent because of illness arising from the industrial accident or because of the continuation of the industrial illness, he/she may be entitled to regular illness or injury leave benefits. The allowance made in a final settlement is not subject to deductions under this rule.

5. Effect on Benefits. Time on industrial accident leave does not constitute a break in service; the first 60 days is not charged against illness pay balance; time does count toward salary advance and retirement credit; does not count as service for certificated tenure or eligibility for other leaves.
6. Activities While on Leave
   
a. An industrial accident leave period begins on the first day for which injury is claimed at the hour the employee usually reports for work and extends through the last day for which injury is claimed until the hour the employee is engaged in any gainful employment. The employee will be required to forfeit any injury pay received from the District during any period of employment.

b. An employee on industrial accident leave shall remain within the State unless the governing board authorizes travel outside the State.

   b. With an established organization or business enterprise, and
   c. Must provide a substantial increase in the employee's skill, knowledge, and understanding of his/her regular assignment.

2. **Requirement.** A permanent employee may be granted a work experience leave of absence based upon the same standards as those required for a sabbatical leave. Service requirement and eligibility for either a work experience leave or a sabbatical leave shall be counted from the date of return to duty from the last work experience leave or sabbatical leave, whichever is later.

3. **Compensation.** Any employee who has been granted a work experience leave of absence and who has complied with the provisions under which such leave was granted shall receive fifty (50) percent of his/her regular salary for the period of time for which such leave is granted, computed on a monthly basis; provided that, during the work experience leave period, compensation for new employment in excess of fifty (50) percent of the regular salary of the employee shall be deducted from allowable salary while on such leave of absence. Compensation for new employment during a work experience leave must be verified in writing by the employer. Allowable compensation for employment accepted during each semester of a work experience leave shall not include compensation from a continuation of any extra employment which the employee has had for the entire previous semester.

The required number of hours of post-work leave service may consist of full-time and part-time service provided the total amount of the time for which salary is received is equivalent to twice the period of the leave.

For the purpose of this leave, the use of the one semester to describe a period of time is to be understood for personnel on various assignment bases to be the actual length of the work experience leave. In case a work experience leave of absence is taken in two separate periods, one-half of the service, as herein defined, must occur after the second period of the leave is completed.
Compensation may be requested under Plan A or Plan B.

a. **Plan A.** Salary for work experience leave shall be paid in two equal payments. The first payment shall be paid at the end of the semester during which the employee has completed one-half of the required post-work experience leave service. The second payment shall be paid at the end of the semester during which the employee completes the second one-half of the required post-work experience leave service.

b. **Plan B.** Salary for work experience leave shall be paid in the same manner as if the employee were rendering service in the District, if such payment is requested by the employee.

Payment of work experience salary as described under Plan B shall be contingent upon the execution of a written indemnity agreement by which the employee pledges his/her assets as security for his compliance with the work experience leave requirements.

If the requirements under which the work experience leave was granted are not satisfactorily completed, if a significant portion of requirements is not completed, or if the work experience leave report is not approved, then either no compensation under Plan A shall be made, or there shall be a restitution to the Board of funds received under Plan B.

4. **Work Experience Leave Reports to be Filed.** Each employee who has been granted work experience leave shall file, together with the appropriate verifications, the following reports:

a. During the period of the work experience leave, a monthly report showing compliance with the conditions of the leave.

b. After the period of the leave, but prior to the end of the second pay period following his/her return to active duty, a written report describing his/her work experience leave activities.

Until such report has been submitted and approved by the Chancellor, an amount equal to the work experience leave salary received by the employee shall be withheld from any salary due the employee for service after the second pay period following his/her return to active duty.

5. **Incomplete Work Experience Leave**

a. **FAILURE TO COMPLETE REQUIREMENTS DUE TO ACCIDENT OR ILLNESS.** Interruption of the program of employment caused by serious accident or illness during a work experience leave shall not be considered a failure to fulfill the conditions upon which such leave was granted, nor shall such interruption affect the amount of compensation to be paid such employee under the
terms of the leave agreement; provided, however, that the Chancellor or his designated representative had been notified as soon as practicable, of such accident or illness.

b. FAILURE TO COMPLETE REQUIREMENTS DUE TO OTHER CAUSES.
An employee who has been approved for a work experience leave of absence who fails to complete all of the requirements of the work experience leave due to serious illness in the family or other causes beyond his/her control may receive compensation on a prorated basis if a significant portion of the requirements is completed.

For an incomplete work experience leave originally approved for one year, fractional portions of requirements completed may be one-fourth, one-half, or three-fourths. A year's leave of absence for an A employee means 13 pay periods; for a B employee, 10.85 pay periods; for a C employee, 10 pay periods; for a D employee, 240 assigned days.

For an incomplete work experience leave originally approved for one semester for C or D employees, one period for B or D employees, or seven pay periods for A employees, the fractional portion of requirements completed may be one-half.

The completion of the fractional portion of the requirements must have been accomplished during the particular period for which the work experience leave was authorized and prior to return to active duty or prior to the beginning of a leave immediately following the work experience leave.

(1) If only one voluntary transfer is available, that employee will be administratively transferred.

(2) If two or more voluntary transfers are available, the campus where the need exists shall interview all such employees and recommend a selection according to the policies contained in PG B 473.

(3) If no voluntary transfers are available as described above, proceed to step b.

b. Identify the employee with the most recent district seniority date serving at each of the locations identified for possible reduction in the subject or service area (as defined in Appendix E, Discipline List) needed for transfer. If only one location has been identified for possible reduction, the employee with the least district seniority in the identified subject or service area shall be administratively transferred to the new location. Whenever more than one location has been identified for possible reduction, the least senior employee in the identified subject or service area shall be transferred. If employees in the identified subject or service area have the same seniority date, the administrative transfer shall be determined by assigned random number.

6. No person involuntarily transferred shall be involuntarily transferred again until all employees in the discipline at the receiving college or location have been involuntarily transferred.

7. Any person involuntarily transferred shall have the right to return to his/her discipline on the campus from which he/she has been transferred should a vacancy occur at the location. The vacancy cannot be filled by other candidates until the involuntarily transferred person has been offered the position.

8. The person being involuntarily transferred may appeal to the Vice Chancellor of Human Resources only on the basis of physical handicap or medical conditions. If the appeal is denied, the transfer shall be made. If the appeal is granted, the next least senior person shall be transferred. That person shall also have appeal rights.
ARTICLE 35, REASSIGNMENT

A. Definition. A reassignment is an assignment at the same location of a faculty member to a discipline in which the faculty member is qualified and competent to serve but a majority of which is in a different department or discipline than that to which the faculty member is usually assigned.

B. Reassignment, Voluntary

1. A faculty member may request a reassignment to a department or discipline in which a vacancy exists. Such request shall be made in writing to the College President with a copy to the Department Chair of the department or discipline to which the faculty member requests reassignment.

2. If the reassignment is approved by the College President and the department or discipline to which it has been requested, it shall be made. If the reassignment is not so approved, the reasons for non-approval shall be provided in writing to the faculty member.

C. Reassignment, Administrative (Involuntary)

1. An administrative reassignment may be made for one or more of the following reasons.
   a. Enrollment increase or decrease
   b. establishment or elimination of programs
   c. Interpersonal conflicts within a department that negatively affect the educational program or the functioning of the department.

2. Involuntary Administrative reassignments for classroom teachers may be made only at the start of the Fall semester or the start of the Spring semester. Non-classroom unit members may be reassigned at any time as needed.

3. An involuntary reassignment shall be made by the College President or his/her designee only after meeting and conferring with the faculty member, the faculty member's current Department Chair, and the faculty member's proposed new Department Chair. Prior to this meeting, the College President or his/her designee shall provide to the parties the reasons for the reassignment and the reasons for the selection of the new assignment.

4. In all instances except l.c. above in which a reassignment is required, reassignment shall be in reverse discipline seniority.

5. Whenever possible, notice of an involuntary reassignment shall be given at least six weeks prior to the start of the semester in which the faculty member is scheduled to assume the new assignment.

6. Whenever possible, an involuntary reassignment shall not be made unless the employee has been afforded the right to transfer to another college in the field of his/her current discipline/department assignment.
ARTICLE 36, EMPLOYEE ASSISTANCE PROGRAM

The Employee Assistance Program shall be continued for the duration of the agreement. Prior to June 30 each year the District and AFT shall evaluate the Employee Assistance Program and make a recommendation to the Board of Trustees concerning the program.

ARTICLE 37, AGENCY SHOP

A. The District shall continue the Agency Shop provision which was approved by the faculty on November 14, 1983.

B. The District shall deduct and make appropriate remittance to AFT all dues and/or service fees as regulated by the dues structure of AFT, within thirty (30) days of the deduction, in accordance with the following:

1. The District shall deduct AFT dues in accordance with Article 8, Section A.

2. The District shall deduct amounts designated by the AFT, in accordance with Article 8, Section A, for all members of the Unit who are not members of the AFT College Guild.

3. Unit members who object, on religious grounds, to paying union dues or agency fees, shall apply to the AFT for exemption to Section 1 or 2 above. If the exemption is agreed upon by the AFT, the District shall deduct the equivalent of AFT dues and pay that sum to one of three organizations mutually agreed upon by the parties and selected by the person.

4. Management and confidential employees with additional assignments covered by this Agreement may pay union dues or agency fees, or shall be required to pay an amount equal to service fees for such additional assignments through payroll deduction to a charitable organization approved by the District. This payment is in lieu of payment of dues, agency fees or other fees.

5. The District shall not be liable to the AFT by reason of the requirements of this Article for the remittance or payment of any sum other than that constituting actual deductions made from the wages earned by the employee. The AFT agrees that it shall pay reasonable attorney fees, indemnify and save harmless the District, its officers, employees and agents against any and all claims, demands, actions, or proceedings for any liability arising from compliance with this Article, or, in reliance on any list, notice, certification or authorization furnished under this Article. The AFT, in addition, agrees it should refund to District any sums paid to it in error.

-106- Article 37
