ARTICLE 2, EXCLUSIVE REPRESENTATIVE

The Board of Trustees hereby recognizes that the AFT was certified by the Public Employment Relations Board as the exclusive representative for the Clerical/Technical Unit as enumerated and listed in Appendix A and PERB modifications thereto in accordance with the California Educational Employment Relations Act, Government Code Section 3540-3549.3. The Clerical/Technical Unit may be modified in accordance with the rules and regulations of PERB. Any such modification automatically becomes a part of this Agreement.

ARTICLE 3, NON-DISCRIMINATION, EQUAL EMPLOYMENT OPPORTUNITY AND AFFIRMATIVE ACTION, AND SEXUAL HARASSMENT

A. Non-Discrimination: The District and the AFT agree not to discriminate against any unit member on the basis of race, color, creed, national origin, religion, sex, age, sexual orientation, political beliefs, political activities, political affiliation, marital status, veteran status, job status, physical handicap or perceived handicap (i.e. an Individual who is perceived to be a member of or is associated with members of a high risk group for AIDS or any other infectious disease or an Individual who has tested positive in an AIDS antibodies test or an Individual who associates with those in high risk groups, those perceived to be in high risk groups, and those who actually have the disease). The District and the AFT agree to comply with all federal and state laws regarding non-discrimination. Further, the District agrees to treat each employee in a fair and equitable manner and not to discriminate against an employee because of his/her membership in AFT or because of exercise of his/her rights under District written rules, the law, and this agreement.

B. Equal Employment Opportunity and Affirmative Action: The policy of the District and the AFT is to actively implement equal opportunity to all qualified employees and applicants for employment without regard to race, color, national origin, ancestry, religion, creed, sex, age, handicap, perceived handicap, marital status, sexual orientation, or veteran status. In accordance with applicable state and federal laws, the District and AFT agree on the principle and concept of the District's Affirmative Action Program and further agree to work together towards the goals of that program.

C. Sexual Harassment: No employee shall be subject to sexual harassment. The District and the AFT agree to revise existing Sexual Harassment Policy using a mutually agreed upon committee structure. The revised policy, mutually agreed to by the AFT and the District, shall be implemented within four (4) months of the effective date of this agreement. The policy shall comply with all federal and state laws.
ARTICLE 4, BOARD OF TRUSTEES RIGHTS AND RESPONSIBILITIES

The Board of Trustees of the Los Angeles Community College District has all the customary and usual rights, powers, functions, and authority established in California Government Code Sections 3540-3549.3. Except to the extent limited by the specific and express terms and conditions of this Agreement, the management, direction, supervision, and control of the Los Angeles Community College District operations, working force and facilities are vested in the board of Trustees. Except to the extent limited by the specific and express terms and conditions of this Agreement, the right to select, direct, and control the District business operations and working force; to hire, classify in accordance with Personnel Commission rules, assign, evaluate, suspend, transfer, lay off, and to discipline or discharge employees; to determine the means and methods by which work is to be performed not inconsistent with this Agreement; to determine job classifications and standards of performance in accordance with Personnel Commission rules; to introduce or discontinue any programs or facilities; and the right to require employees to observe written rules and regulations not inconsistent with this Agreement, are all vested in the Board of Trustees of the Los Angeles Community College District.

The Board of Trustees may legally delegate or assign any Board rights or responsibilities to management or to such other official persons, divisions, departments, and committees as it shall determine appropriate.

ARTICLE 5, GENERAL PROVISIONS

A. This Agreement may be altered, changed, added to, deleted from or modified only through the voluntary and mutual consent of the parties in a written and signed amendment to this Agreement.

B. All public information of the District shall be made available to the Exclusive Representative upon request. All information given general distribution to management necessary for the enforcement of the contract shall be provided to AFT upon issuance and/or distribution.

C. The Board shall not discriminate against unit members or applicants for unit positions because of their membership in the AFT or because of their exercise of other rights to meeting and negotiating as provided by law.

D. This Agreement shall modify, replace or add to any policies, rules, regulations, or procedures which shall be contrary to, or inconsistent with, any provisions of this Agreement. The Board or its representatives shall take no action to adopt or modify any written policy, rule, regulation or procedure within the scope of bargaining in effect at the time of this Agreement's execution and which is not superceded by this Agreement without consulting with the AFT in a good faith effort to reach agreement.

E. This Agreement is not intended to modify or replace by any of its terms the right of every unit member in the bargaining unit under the law. Both parties agree to comply with state and/or Federal laws.

F. In the event that any provisions of this Agreement are, or shall be, at any time determined to be contrary to law by a court of competent jurisdiction, all other provisions of this Agreement shall continue in effect.
G. The Board is committed to protecting the integrity of the Clerical/Technical Unit.

H. The Los Angeles Community College District shall strive to maintain a sufficient level of permanent staff in the Technical/Clerical Unit to perform the duties of the Clerical/Technical Unit. Budgeting and staffing shall reflect this policy.

ARTICLE 6, AFT RIGHTS

A. Each member of the AFT shall be entitled to payroll deduction for membership dues to the AFT. Additional deductions shall be remitted by the District in accordance with law or mutual agreement of the parties. Such deductions shall include Tax Shelter Annuities (TSA), AFT College Guild Committee on Political Education (COPE), legal defense, and Insurance. The AFT shall calculate the amount to be deducted and advise the District of that amount to be withheld in each particular case. Such deductions shall be effectuated as soon as it is administratively feasible.

B. The AFT shall have the right of access at reasonable times to areas in which employees work, the right to use institutional bulletin boards, mailboxes, and other means of communication, subject to reasonable regulation, and the right to use institutional facilities and equipment provided that such use or access shall not interfere with nor interrupt normal District or campus operations nor shall such use cause an additional or an increased maintenance cost to the District. In cases of use or access that will result in additional costs to the District, arrangements shall be made prior to use for reimbursement to the District by the AFT.

C. The AFT shall be entitled to representatives at all public Board meetings and shall be allowed to speak on any item on any agenda in accordance with existing Board Rules. AFT shall be furnished Board agendas and minutes at the same time as such are made available to the public.

D. Subsequent to mutual agreement on the format, copies of this Agreement shall be printed at the shared expense of the parties within thirty (30) days after it becomes effective and a copy distributed by the AFT to each unit member now employed. The District shall distribute a copy to new employees.

E. Upon written request of AFT, the District shall furnish to the AFT all available information that is available to the public concerning items affecting the bargaining unit, including but not limited to financial reports and audits, rosters of all unit personnel, tentative budgetary requirements, allocation of State and Federal funds, student enrollment data, and such other information as will assist the AFT in developing intelligent, accurate, informed, and constructive programs on behalf of the staff and students, together with information which may be necessary for the AFT to process any grievance or complaint. The District shall also furnish to the AFT all names, telephone numbers and addresses of employees assigned to the Clerical/Technical Unit.

F. At the close of each pay period, the District shall provide the AFT with a list of all newly employed and newly terminated unit members. Addresses, telephone numbers and location shall be provided to the AFT by the District as soon as possible.
G. Designated representatives of the District and the AFT shall meet on a mutually agreed-upon date, place and time at least once every month for the purpose of reviewing the administration of the Agreement in force and attempting to resolve any other problems that may arise. Both parties may submit an agenda for discussion. The AFT representatives shall be allowed released time to attend the meeting(s).

H. The College Presidents or their designees (the District representative for the District offices) and the designated location AFT representative shall meet on a mutually agreed-upon date, place and time at least once a month for the purpose of reviewing the administration of the Agreement articles relating solely to location matters. Both parties may submit an agenda for discussion. The location AFT representative shall be allowed released time to attend the meeting(s).

I. The District shall grant a maximum of 2.0 FTE (based upon 160 hours per pay period) of released time with pay to the AFT. Written notice indicating the name(s) of the employees, location, and amount of released time for each employee must be provided to the District by AFT at least three (3) weeks before the effective date. In instances where a designated AFT Representative is transferred or on formal leave, the three weeks notice shall be waived and written notice of a replacement provided by the AFT at least one week in advance of the effective date of replacement. The released time shall be taken on a fixed schedule, which may vary upon advance notification, whenever possible, to the employee’s supervisor or designee. The released time shall be considered as "on duty" time for the reporting of absences. Such reduced load is for the purpose of facilitating the AFT’s processing of grievances and the implementation of the Agreement.

ARTICLE 7, AGENCY SHOP

A. The District shall deduct and make appropriate remittance to the AFT all dues and/or service fees as regulated by the dues structure of AFT in accordance with the following:

1. The District shall deduct AFT dues in accordance with Article 6, Section A.

3. Unit members who object, on religious grounds, to paying union dues or agency fees, shall apply to the AFT for exemption to Section 1 or 2 above. If the exemption is agreed upon by the AFT, the District shall deduct the equivalent of AFT dues and pay that sum to one of three organizations mutually agreed upon by the parties and selected by the person.

4. District shall not be liable to the AFT by reason of the requirements of this Article for the remittance or payment of any sum other than that constituting actual deductions made from the wages earned by the employee. The AFT agrees that it shall pay reasonable attorney fees, indemnify and save the District harmless, its officers, employees and agents against any liability arising from any and all claims, demands, actions or proceedings for any liability arising.

The committee shall be responsible for developing recommendations for VDT guidelines and regulations within four (4) months from the execution of this agreement. Within thirty (30) days from the date the committee presents these recommendations, the District and the AFT shall reopen negotiations on this Article in order to negotiate a good faith agreement on rules and regulations governing the use of Video Display Terminals. When necessary the committee shall meet and develop guidelines for other technological changes and proceed as above.

C. Employees upon request, shall be provided a work space that is free of tobacco smoke.

Unit 1 shall be allowed one representative appointed by AFT to sit on the committee. This committee shall review health, safety, sanitation, fire, and working conditions to ensure compliance with Section A. The Committee shall make recommendations to the District concerning improvements in health, safety, sanitation, fire and working conditions. Any violation of Section A shall be corrected by the District in an expeditious manner with the exception of imminent hazards which shall be corrected immediately.
G. **Released Time:** The bargaining unit members of the committee shall be allowed reasonable released time to carry out the obligations under Section A and F.

B. For purposes of this Article, a year is defined as the period of time between the beginning of the Second Special School Month in successive calendar years. For the period prior to initiation of the Special School Month payroll calendar, a year shall be the 12-month period ending on June 30 of each calendar year.

C. In order to be credited with a year of service for the purpose of this Article, an employee must have been in regular status during the appropriate year, as defined above, for at least 130 days in paid status or on leave of absence prior to layoff or for industrial accident, industrial illness or military service.

D. Credits for years of service shall be applied, and vacation accrual rates shall be changed as required by this Article, effective on the first day of the Second Special School Month each year.

E. An employee serving an initial probationary period shall not be eligible to take vacation until the first day of the pay period following completion of the number of hours that correspond to 130 days of paid service in regular assignments, except for employees subject to the provisions of Section F. below. No vacation shall be taken until earned. No payment for vacation accumulation shall be made to employees who separate prior to completion of 130 days of paid service. Vacation taken as provided in Section F. of this Article shall not be considered in conflict with this provision.

For purposes of this Article, 130 days shall be defined as 130 times the average number of regularly assigned hours per day for the employee.

Article 10
F. Employees may be requested to take vacation to the extent that it has been earned, on the days during the school year which are determined by the Board of Trustees as school holidays or at any time during the assignment period to avoid leave without pay, except A basis employees.

G. Fractions of hours of thirty (30) minutes or less shall be rounded down to the next whole hour for reporting of vacation; fractions of hours in excess of thirty (30) minutes shall be rounded up.

H. Vacation shall be taken at a time convenient to the employee, provided that it is requested not less than thirty (30) working days in advance. The supervisor shall approve or deny the request for vacation within five (5) working days of the receipt of the request. If in such five (5) working day period a vacation denial has not been received, the vacation shall be deemed to have been approved. Vacations may be changed at any time, however, vacations once approved, shall not be changed without the employee's consent. Nothing in this paragraph shall preclude an employee from requesting and being granted vacation at any time. However, nothing in this Article shall be construed to prohibit the District from requiring in writing employees to take vacation in lieu of cash payment as provided in Section I, below. Such notification shall be provided to allow employees sufficient time to schedule vacation in accordance with this paragraph.

1. If the employee consents to reschedule or cancel his/her vacation at the request of the District, the District shall reimburse the employee for all cancellation penalties, to include reimbursement for the difference between any higher fare and/or rate for hotels or other accommodations and the fare and/or rate the employee originally had confirmed. To be eligible for reimbursement, the employee must provide written evidence that he/she made reservations and paid a financial commitment for those reservations, or that the employee was assessed a penalty or other fee for having changed the reservations.

The employee shall receive Casual Leave to facilitate the above process.

The District shall make every reasonable effort to reimburse the employee within ten (10) working days upon submission of appropriate evidence.

2. The District and the AFT shall study the implementation of providing for the receipt by the employee of "vacation pay" in advance of a vacation at the option of the employee. The District and the AFT shall negotiate a procedure for the request of and issuance of "vacation pay".

1. If employees elect not to take their full annual vacation, the amount not taken shall accumulate for use in the next year. Accumulated vacation shall be limited to 400 hours. Employees with more than 400 hours will be limited to their accumulation as of July 26, 1980. Employees will be paid for excess vacation accumulation which exceeds the individual limit acquired as of July 26, 1980, or 400 hours. This payment will be made in the period in which February 1 falls each year beginning Fall 1988 for excess hours accumulated as of the end of the pay period which January 2 falls each year.
J. The amount of vacation actually earned, and only that amount, shall be available, regardless of changes in status. The rate at which vacation allowances are paid shall be the employee's current rate. No employee shall be allowed to take vacation while temporarily serving as a substitute, relief, or provisional unless he/she has served for the equivalent of more than thirty (30) consecutive working days, or receives specific approval from the appropriate supervisor.

K. On voluntary reduction in status, layoff, or separation from the classified service, the money value of vacation balances shall be paid as a lump-sum to permanent employees. In cases where separation is not at the end of a pay period, vacation credit shall be computed through the last day in paid status.

L. Lump-sum vacation payments shall be made on the basis of the hourly equivalent rate for the employee's last regular assignment.

M. When a regular employee (whose regular assignment is on other than a 12-month assignment basis code) is paid during the summer as a relief, substitute, or provisional employee, the employee shall earn vacation in accordance with the schedule in Section A. of this Article, which is applicable to the position in which he/she serves during the summer.

N. A regular employee who serves in his/her regular assignment and also in a summer substitute, relief, or provisional assignment during the same pay period shall not earn more vacation for that pay period than if he/she had served 160 hours in his/her regular assignment.

O. A permanent classified employee shall, upon notification to the appropriate supervisor, be permitted to interrupt or terminate vacation leave in order to begin illness leave provided that the employee indicates at the earliest practical opportunity in accordance with Illness Leave Section H. of Article 19.

1. The basis of the request for change in leave status and provides appropriate supporting documents including a certification of illness from a licensed physician or other recognized practitioner in case of illness.

2. The probable duration of the requested leave.

The responsible administrator shall take such steps as he/she deems necessary to satisfy himself/herself that the paid illness leave was in accordance with Section H. of Article 19, Illness Leave.

P. A permanent classified employee shall, upon notification to the appropriate supervisor, be permitted to interrupt or terminate vacation leave in order to begin Bereavement Leave in accordance with Bereavement Leave, Section C. of Article 19.
ARTICLE 11, HOLIDAYS

A. Holidays. An employee in a regular assignment or in an assignment in lieu of his/her regular assignment shall receive holiday pay for those holidays listed below and for other holidays declared by the Board of Trustees, the Governor of California, or the President of the United States which come within the employee's assignment period, subject to the conditions listed in A.1. through A.3. The date the following listed holidays are observed shall be determined by the academic calendar.

New Year's Day
Martin Luther King, Jr. Day
Lincoln Day
Washington Day
Memorial Day
Independence Day
Labor Day
Admission Day*
Veterans Day
Thanksgiving Day
Thanksgiving Friday
Christmas Day

*Admissions Day shall be the Friday before Labor Day

When a holiday is changed, through mutual agreement between the AFT and the District, and as a result employees lose a holiday due to their work schedule, those employees shall be granted another holiday as determined by the AFT and the District.

1. The employee must have been in paid status for a portion of the working day immediately preceding or succeeding the holiday, provided that an employee on a military leave of absence entitled to compensation under Section L., Article 19, shall only receive pay for the portion of the holiday period needed to meet the total time for which compensation is required by law.

2. An employee whose regular work schedule is less than five (5) days per week and forty (40) hours per week shall not be entitled to pay for any holiday observed on the employee's regularly scheduled day off.

3. An employee in paid status during any portion of the working day of his/her normal assignment immediately preceding or succeeding the school holiday of December 25 and January 1 shall receive pay for the two (2) holidays.

4. When a holiday falls on the first day of an employee's weekend (usually Saturday), the holiday shall be observed on the preceding working day (usually Friday).

5. When a holiday falls on the second day of an employee's weekend (usually Sunday), the holiday shall be observed on the following working day (usually Monday).

6. The District and the AFT shall reopen negotiations on this article no later than twenty (20) working days after the written request of either party at any time after March 1, 1988.
ARTICLE 12, HOURS AND OVERTIME

A. Workweek and Workday

1. The normal workweek shall consist of not more than five (5) consecutive days and not more than forty (40) hours per week, Sunday through Saturday. The regular workday shall consist of not more than eight (8) hours per day. Except as may be indicated in B.1. below, nothing in this Article shall be deemed to restrict the extension of the regular workday or workweek on an overtime basis when such is necessary to carry on the business of the District.

2. By the mutual consent of the AFT and the District, a forty (40) hour, four (4) day work week shall be established.

3. Employees' daily hours of work and shifts shall be established at the discretion of the District. An employee's shift may not be changed on a permanent basis without the consent of the employee. If it is necessary to change an employee's hours of work, within a shift, volunteers will be solicited first. If no volunteers are available, then with three (3) weeks prior written notice, an employee's hours of work within a shift may be permanently changed. Training, as approved under the provisions of Article 17, Professional Growth, or similar training shall not be interrupted by a change of hours within a shift, while such training is in progress. Such change shall only be for a reasonable business necessity of the District.

4. For the purpose of computing hours worked, time during which an employee is excused from work because of holiday, vacation, paid leaves, paid absences, paid lunch or released time shall be considered as time worked by the employee.

5. All persons covered by this Agreement whose assigned time requires them to work one-half or more of their assigned time between the hours of 3 p.m. and 12 midnight shall be paid 5.5 percent above their regular daytime rate; and if one-half or more of their assigned time occurs between the hours of 12 midnight and 7 a.m., they shall be paid 11 percent above their regular daytime rate. If such shifts are worked less frequently than four days a week, such higher rates shall be paid for those days on which such shifts are worked. If such shifts are worked on a temporary basis (i.e., one day at a time), such higher rates shall be paid only for those days on which such shifts are worked. All other provisions of Personnel Commission Rule 586 shall continue in force.

6. When it is necessary, because of a reasonable business necessity of the District, to temporarily change any employee's hours of work, the District shall first call for volunteers. If no volunteers are available, an employee may have his/her hours of work changed temporarily, with at least three (3) weeks prior written notice to the employee. If not possible, then notice shall be given and the employee shall be informed in writing of the reasons that three (3) weeks notice was not possible. Training, as approved under Article 17, Professional Growth, or similar training, shall not be interrupted by a temporary change of hours, while such training is in progress.
B. Overtime

1. To the extent practicable, the District shall use reasonable efforts to distribute overtime work equitably among the qualified employees of an office, operational unit, or work group with consideration given to District need and employee availability in making the distribution. 2. Permanent employees in a class shall be evaluated at least once each year. Said written evaluation shall be made on the District's form entitled "Performance Evaluation for Permanent Classified Employees" (Appendix D).

3. The District may omit probationary performance evaluations for an employee who:

   b. Is occupying a position reclassified to another class.
   c. Has occupied the same position prior to the reclassification action and, while occupying the position,
   d. Has received a performance evaluation during the year preceding the effective date of the reclassification action.

4. The performance of probationary employees may be evaluated by each supervisor under whom the employee has worked during the probationary evaluation period.

B. Procedure

1. Performance evaluations shall be made by those persons who are immediately responsible for the employee's work. The evaluator either oversees, reviews, and checks the daily work performance of the employee being evaluated, or is the one who is most closely acquainted with the employee's daily work performance. The work performance of permanent employees shall be evaluated by each supervisor under whom the employee has worked for one hundred twenty (120) working days during the performance period.

2. Steps to be followed and factors to be evaluated by the supervisor in completing the Performance Evaluation Forms are described on the reverse side of the forms.

3. Except in cases of extended absence, transfer, retirement or resignation, an individual evaluation conference shall be held with each employee at which time:
   a. The reasons for performance evaluation shall be given by the evaluator,
   b. The evaluator shall explain the kind of work performance expected,
c. The evaluator shall give the reasons for the evaluation given and any negative evaluation or comments shall include specific recommendations for improvements and provisions for assisting the employee in implementing any recommendations made, and

d. The evaluator and the evaluee may discuss any questions that the evaluee has concerning his/her job and/or the responsibilities and duties assigned.

4. Review of the performance evaluation by the next higher level of administrative authority is optional. Any comments made by the reviewer shall be signed and shown to the supervisor who made the evaluation and to the employee.

5. An employee shall have the opportunity to review his/her evaluation prior to the placement of said evaluation in the employee's personnel file. A copy of any and all evaluations shall be provided to employees whether the employee has signed it or not. (Issuance by certified mail shall fulfill the requirements of this paragraph.)

6. **Negative Evaluations.** Any negative evaluation shall include specific recommendations for improvements and provisions for assisting the employee in implementing any recommendations made. The employee shall have the right to review and respond to any derogatory evaluation or comment and attach a statement.

7. A supervisor who believes that an employee's work performance has been exceptional shall complete the District's form entitled "Notice of Outstanding Work Performance" (Appendix E), in addition to the District's Performance Evaluation Forms (Appendix C and D), or at times when the periodic evaluation is not required. The outstanding work performance described may have occurred on a day-to-day basis or in an unusually difficult and/or emergency situation. All notices of Outstanding Work Performance shall be reviewed and signed by the employee's college president or division head or designated representative. Employees shall be provided a copy of any written comments made by the reviewer.

The steps to be followed by supervisors in completing the above-mentioned forms and the factors to be discussed are described on the reverse side of the forms.

C. **Definition of Evaluation Columns**

1. **Performance Evaluation for Permanent Classified Employees.**

   a. **BELOW WORK PERFORMANCE STANDARDS:** A check in this column indicates that the employee's work must improve to meet the standards and serves as a guide to the employees for concentration of effort to bring work performance up to work standards. A check in this column is not to be construed as a "Notice of Unsatisfactory Service" (Appendix F), nor as a disciplinary action. The supervisor should be sure to define clearly the performance standards he/she is applying.
b. MEETS OR EXCEEDS WORK PERFORMANCE STANDARDS: A check in this
column indicates that the employee's work clearly and
consistently meets or exceeds the work standards and that his/her
services are satisfactory or better.

2. \textbf{Performance Evaluation for Probationary Classified Employees.}
   a. EXCEEDS WORK PERFORMANCE STANDARDS: A check in this column
      indicates that the employee's work is better than satisfactory.
      If there are a number of checks in this column, the supervisor
      should consider giving a Notice of Outstanding Work Performance
      (Appendix E).
   b. MEETS WORK PERFORMANCE STANDARDS: A check in this column
      indicates that the employee's work is definitely and consistently
      satisfactory.
   c. BELOW WORK PERFORMANCE STANDARDS: Persons evaluated in this
category usually require additional training and closer
supervision in order to meet fully the established work
standards. The employee should understand that his/her work is
not considered unsatisfactory. Continued failure to show
improvement may lead to preparation of a Notice of Unsatisfactory
Service (Appendix F).

D. Classification of Position
   1. The employee and the supervisor should compare the duties of the
evaluatee with the typical duties of the evaluatee's class as listed in
the current class specification. If either feels that the employee
spends an appreciable portion of his/her time performing duties
inappropriate to his/her class, he/she should check "no", and attach a
statement giving his/her reasons. If either the employee or the
supervisor checks "no" on the evaluation form, a copy shall be sent
to the division head or college president for forwarding to the
Division of Human Resources.

   2. In classes where the use of a particular skill is the primary basis
for classification, the lack of use of that skill is sufficient reason
to check "no" (for example, a person working as a Clerk-Stenographer
is not properly classified if he/she never takes dictation, even if
all his/her other duties are appropriate to the class). If either the
employee or the supervisor checks "no", the evaluation form, with a
copy, shall be sent to the division head or college president for
forwarding to the Division of Human Resources. Article 15,
Reclassification time limits and requirements are hereby incorporated
in Article 16.

E. Representation: Employees covered by this Agreement shall have the right,
upon request, to AFT representation in all employment relations with the
District, including the right to be present at any meeting or conference
which the employee reasonably believes may result in discipline.

Time spent for makeup purposes, which results in an employee being in paid status for a total of more than eight hours in any one day, shall not be
considered as authorized and compensable overtime for purposes of cash payment.

D. Retraining Program

1. A fund of at least $5,000 per fiscal year shall be established for the purpose of retraining Clerical/Technical Unit employees. Eligible employees shall include:
   a. Employees who are scheduled for layoff or who have been laid off shall have thirty-nine (39) months from the effective date of layoff to request retraining. Current District employees impacted by the layoffs of 1986 shall be eligible for retraining.

granted a $150 award to be paid at the end of the 03 pay period. Absences for this purpose does not include holidays and scheduled vacations. In addition, the employee shall be recognized at a public meeting of the Board of Trustees.

1. Industrial Accident Leave (Mandatory)

1. **Definition.** An Industrial Accident Leave is one granted for absence because of occupational illness or injury which arose out of and in the course of District employment, and which qualifies under Workers' Compensation. When an Industrial accident or illness is reported to an employee's supervisor, the supervisor shall obtain and complete the required form (Employer's Report of Industrial Accident or Injury, Form 5020) and submit it to the campus police or the District office police.

2. **Requirements.** STATUS: Employee must have permanent status.

3. **Length of Leave.**

a. Paid Industrial accident leave shall be granted from the first day of absence but shall not exceed 60 working days (when the employee would have been performing his/her duties) for one accident and shall not extend beyond the last day for which temporary disability indemnity is received. The allowance is reduced by one day for each day of authorized absence, regardless of the amount of a temporary disability indemnity award.

b. The 60 days are not accumulative from year to year. In case the absence extends into the following year, only the unused amount of leave for the same accident is available.

4. **Extension of Leave.** An employee who is unable to return after 60 days shall be continued on industrial accident leave but may be paid from accumulated illness leave benefits. At the exhaustion of regular illness leave, if still unable to return, the employee shall be placed on unpaid industrial accident leave. The total time of all leave benefits provided under this Article, including unpaid industrial accident leave, shall not exceed thirty-six (36) months for any one industrial accident or industrial illness.

5. **Compensation.**

a. While an employee is on any paid leave resulting from an industrial accident or industrial illness, the employee's salary paid by the Los Angeles Community College District shall not, when added to the normal temporary disability allowance award without penalties from Workers' Compensation, exceed the employee's regular salary. A permanent employee's regular salary is computed on the basis of the number of hours and days in his/her basic daily assignment. An employee who receives a salary differential shall not lose the advantage of the differential during paid industrial accident leave.
d. **ILLNESS LEAVE FOR INDUSTRIAL ACCIDENT PURPOSES:** During the initial 60-day absence, the employee shall receive the difference between his/her regular salary and the compensation received from the Compensation Fund; such payment is not charged against the employee's accumulated illness balance. If the 60-day maximum is exceeded, the employee may start drawing the regular illness compensation to which he/she may be entitled.

Accumulated illness leave will be reduced only in the amount necessary to provide a full day's wages or salary, as indicated in the employee's assignment when added to compensation without penalties as under the workers' compensation fund. Accumulated half-pay illness leave shall be reduced by no more than eight (8) hours for any one day or no more than the employee's basic daily assignment.

**c. VACATION PAY FOR INDUSTRIAL ACCIDENT PURPOSES:** After all illness pay has been exhausted following a paid industrial accident leave, an employee may choose to receive pay from accrued vacation to the extent necessary to make up the employee's regular salary when receiving a temporary disability allowance without penalties from the Workers' Compensation Fund.

**d.** During all paid leaves resulting from an industrial accident or industrial illness, the District shall issue to the employee appropriate warrants for payment of wages, loss benefits, salary and/or leave benefits. Such warrants are subject to normal retirement and other authorized deductions.

**e.** Final allowance for permanent industrial disability settlements shall not be subject to remittance to the District under this Section.

**f.** If an employee has received a final settlement for permanent industrial disability and, after the final settlement, is absent because of illness arising from the industrial accident or because of the continuation of the industrial illness, he/she may be entitled to regular illness or injury leave benefits. The allowance made in a final settlement is not subject to deductions under this rule.

6. **Multiple Assignments.** Persons who have multiple assignments will be given industrial accident leave from the assignment in which the accident occurred and from any other assignments held within the District in which the employee is eligible for illness absence pay.

7. **Effect on Benefits.** Time on industrial accident leave does not constitute a break in service; the first 60 days is not charged against illness pay balance; time on District paid industrial accident leave counts toward salary advance and retirement credit; time does not count toward eligibility for other leaves. An employee shall continue to receive seniority credit for all purposes while on such a paid or unpaid leave of absence.
8. Return to Service

a. Health approval is required before a return to service from injury or illness.

b. When all paid or unpaid leaves of absence have been exhausted following an industrial accident or industrial illness, an employee shall be terminated and his/her name shall be placed on the reemployment list for the class from which he/she was on leave for a period not to exceed thirty-nine (39) months.

c. An employee certified to return to service without restrictions from an industrial accident leave shall have the right to return to the same location and position from which he/she was assigned at the time the leave was granted, except that the employee may be transferred, if such transfer would have been made if the employee had been on duty, or if the employee's former position in the class no longer exists, in which case the employee may exercise bumping rights in the class, provided that he/she does not have the least seniority in that class. If an employee is certified to return to service with restrictions paragraph 8.f. applies.

d. An employee who fails to accept an appropriate assignment after being medically approved by the District's employee health services shall be removed from the reemployment list. An appropriate assignment is defined as an assignment to the employee's former class at the time of layoff, in his/her former status and time basis, and in assignment areas in which the employee has made himself/herself available.

e. In instances when the employee is permanently unable to perform the duties required in the class/position, that he/she held at the time the leave was granted, the District shall comply with state and federal regulations and District policy concerning accommodation to another position/classification and/or rehabilitation/retraining of the employee.

f. If an employee is certified to return to service with restrictions and is unable to perform some of the duties required by his/her position, and in place of vocational rehabilitation, the employee wishes to be accommodated in another position in the employee's classification, the Committee for the Placement of the Physically Handicapped shall convene within fifteen (15) days of notification by the employee and verification by the District that such accommodation is medically advisable and would be in accordance with vocational rehabilitation requirements. If, however, an employee is unable to be accommodated in his/her regular classification and the employee wishes to be accommodated in a position in another classification and such accommodation is medically advisable and in accordance with vocational rehabilitation requirements, the committee shall place the employee in that classification. In either case, every effort shall be made to place the employee in a suitable position within twenty (20) working days of the Committee meeting. In all instances where a Clerical/Technical Unit employee is being considered by the Committee, the AFT shall have one (1) representative appointed by the AFT on the Committee.
9. Activities While on Leave.
   a. An industrial accident leave period begins on the first day for which injury is claimed at the hour the employee usually reports for work and extends through the last day for which injury is claimed until the hour the employee is engaged in any gainful employment. The employee will be required to forfeit any injury pay received from the District during any period of employment.

Retraining and Study Leave is a mandatory leave except that a leave which includes work experience is an optional leave. Approval of Retraining and Study Leave, which involves work experience shall be at the sole discretion of the District.

2. **Requirements.**
   
a. **STATUS:** The employee must have permanent status in the District at the time the leave begins.
b. SERVICE: The employee must have rendered paid satisfactory service (overall Performance Evaluation rating must be Meets or Exceeds Work Performance Standards in the previous two (2) years; exceptions may be made at the discretion of the District) to the District for not less than 75% of his/her assigned time in each of the seven consecutive years prior to the granting of the leave. Leaves do not break time service continuity for Retraining and Study, but may reduce the days served in a year below the minimum requirement. Only service rendered subsequent to return from the most recent Retraining and Study Leave and subsequent to the most recent break in service is counted except that all time served between the two periods of a split Retraining and Study Leave counts for a subsequent Retraining and Study Leave.

c. PROGRAM: The employee's program for study or retraining must be evaluated as being related to the duties described in the employee's job specification, related classification, or career ladder as determined by the Retraining and Study Committee. Retraining Leave may include work experience in an established organization or business enterprise.

A study plan shall indicate enrollment in at least five-semester units each semester (8 semester units each semester for "A" basis employees) or its equivalent in an accredited institution of higher education for any period of the leave or the pursuit of an equivalent program of independent study. The leave plan may combine elements of formal study and independent study in ratio so as to meet the minimum requirements.

3. Length of Leave. The leave may be taken for a half or a full year. The second half of a one-year leave may be taken immediately following the first half or may be taken at a later time on a split basis provided the second half of leave is completed within three years of the beginning date of the first leave. A year shall be defined as the assignment period of the employee's basis.

4. Compensation. An employee on a Retraining and Study Leave will be paid at least one-half (1/2) of his/her regular rate of pay; compensation in excess of one-half (1/2) of regular rate of pay shall be subject to the approval of the Chancellor or his/her designee. Payment may be made to the employee in two (2) equal semi-annual installments in accordance with Education Code Section 88224, or may be made in the same manner as if the employee were performing service for the District, provided that the employee:

a. Furnishes the District with a suitable bond against loss in the event that the employee fails to render the two (2) years of service required following return from the leave, or

b. Furnishes the District with other assurances of loss as the District elects to permit.

5. Effect on Benefits. Time spent on Retraining and Study Leave will not be considered a break in service for any purpose.

6. Return to Service. An employee must render paid service in the District after return from a Retraining and Study Leave which is equal
to twice the period of the leave. Upon completion of leave of absence, the employee will be assigned, unless he/she otherwise consents, to the same unit or section to which assigned at the time the leave was granted, provided that no conditions have developed during the period of leave or at the time of return which would have changed the employee's location or duties had he/she remained in active service.

7. **Failure to Complete Leave Objectives.** Employees who do not complete the approved leave objectives shall reimburse the District for compensation paid for the period following discontinuance of leave-study program for failure to maintain adequate study standards.

8. **Additional Assignments.** Employees may, while on leave of absence, provided that there is no conflict in hours, continue existing multiple assignments or previously held outside employment. During any period of the leave in which the income from the new employment is greater than the Retraining and Study Leave pay for that month, the amount in excess of the leave pay will be deducted from the leave pay so that the total of new employment and leave pay does not exceed the regular pay of the employee including differentials for which the employee would have been eligible had he/she not been on leave.

9. **Request Procedure.** Request for Retraining and Study Leave cannot be received any earlier than April 1 of the year preceding the fiscal year in which the leave is taken. Applications must be received at least sixty (60) calendar days prior to the effective date of the leave. If two semesters or periods of leave outlined above are taken consecutively, they must be requested separately.

10. **Retraining and Study Leave for Formal Study.**
   a. **REQUIREMENTS:** Courses which are undertaken for the purpose of meeting Retraining and Study Leave requirements must:
      (1) Be taken at an accredited institution of higher education;

      (4) Be initiated or completed during the period of the leave;
      (5) Be completed with a grade of "C" or better (credit is acceptable if the class is offered on a credit or non-credit basis);

(3) Transcripts verifying successful completion of approved courses must be provided. Grade Report Forms are not acceptable.

11. **Independent Study.** Independent study is a program of independent study, research, and/or experience directly related to the duties described in the employee's job description or related classification as determined by the Retraining and Study Committee, which promises professional values equivalent to that derived from formal study at a recognized educational institution.

The Retraining and Study Committee shall have sole discretion in determining and approving the study plan.

Completing the Independent Study. If approved, the study must be undertaken and completed during the period of the leave. Summer study does not fulfill the requirements for "CM" basis employees. The report of the study must verify completion of the study as outlined and must be approved by the Retraining and Study Leave Committee.

The Independent Study Report must be filed with the Division of Human Resources in person or by mail at the conclusion of the leave. If not filed prior to return to service, the report must be filed within the first two ensuing pay periods. The salary warrant for the third pay period will not be released until the final report is submitted and accepted by the Committee.

Any change of plan must be approved in advance by the District.

12. **Requirements of Employees While on Retraining and Study Leave.** The following are required of personnel on Retraining and Study Leave:

a. MONTHLY CERTIFICATION OF COMPLIANCE WITH CONDITIONS OF STUDY AND RETRAINING LEAVE (Form C351): This card must be received by the Personnel Operations Branch not later than the Tuesday preceding the first payday of each pay period if the warrant is to be mailed on time.

b. NOTIFICATION OF ILLNESS OR INJURY WHILE ON RETRAINING AND STUDY LEAVE: Interruption of a program of Retraining and Study Leave by a serious injury or illness sustained during the leave will not be considered a failure to fulfill the conditions of the leave. Written notice of such interruptions must be forwarded to the Personnel Operations Branch within ten (10) days on Form C138, or by letter to which a doctor's statement verifying the illness or injury is attached. Such communication, either Form C138 or letter, should be forwarded by certified mail.

c. CHANGE OF PLAN: All changes of Retraining and Study Leave plans following approval of the original plan must be filed on the appropriate form. Changes will be authorized only if in
conformance with established criteria. Disapproval of change could result in failure to meet leave requirements, therefore, request for change approval should be filed prior to change.

a. FAILURE TO COMPLETE REQUIREMENTS DUE TO INJURY OR ILLNESS: Interruption of the program of Retraining and Study Leave caused by serious injury or illness during said leave shall not be considered a failure to fulfill the conditions upon which such leave was granted, nor shall such interruption affect the amount of compensation to be paid such employee under the terms of the leave agreement, provided:

(1) Notification as soon as practicable of injury or illness during Retraining and Study Leave is given to the Vice Chancellor, Division of Human Resources by means of certified letter; and

(2) Written evidence (Form C138) verifying the interruption of the program due to a serious injury or illness is filed with the Personnel Operations Branch within ten (10) days. A Retraining and Study Leave may be changed to an Illness Leave with District approval prior to the end of the first pay period of the leave without loss of Retraining and Study Leave. Changes made after the first pay period of the leave will result in the loss of Retraining and Study Leave.

b. FAILURE TO COMPLETE REQUIREMENTS DUE TO MILITARY SERVICE: Involuntary call to active military service will justify the conversion of a Retraining and Study Leave to a Military Leave without jeopardy to Retraining and Study Leave salary already received. If this conversion takes place before the end of the first pay period, Retraining and Study Leave rights will be preserved. If such conversion takes place after the close of the first pay period, the employee will be considered as having used one-half (1/2) year of the Retraining and Study Leave. Such employee will be permitted, however, to complete the second half of the Retraining and Study Leave within two and one-half (2 1/2) years following an honorable discharge and return to service with the District.

c. FAILURE TO COMPLETE REQUIREMENTS DUE TO OTHER CAUSES: An employee who has been approved for a Retraining and Study Leave of Absence but who fails to complete all of the requirements of the leave due to serious illness in the family or other causes beyond one's control may receive compensation on a prorated basis. If a significant portion of the requirements is completed.

For an Incomplete leave originally approved for one year, fractional portions of requirements completed may be one-fourth, one-half, or three-fourths. A year's leave of absence for an A basis employee means 13 pay periods; for a C basis employee, 10 pay periods; for a G basis employee, 239 assigned days.

The completion of the fractional portion of the requirements must have been accomplished during the particular period for which the
Retraining and Study Leave was authorized and prior to return to active duty or prior to the beginning of a leave immediately following the Retraining and Study Leave.

d. INCOMPLETE LEAVE: To receive partial compensation for a Study and Retraining Leave, the significant portion of the requirements must have been completed.

e. INCOMPLETE LEAVE - INDEPENDENT STUDY: To receive partial compensation for an incomplete leave which was approved for study, the nature of the study must be such that certain units can be and are completed apart from the remainder of the study. The completed units must have significance in themselves, and not be merely an introduction to other work, and must have been completed in the required time. Regardless of the amount of work involved, the collection of data which is not summarized, and which is not used in reaching conclusions in completed units, shall not be considered as meeting any portion of the requirements for the leave.

f. EFFECT OF INCOMPLETE LEAVE ON BENEFITS: Incomplete leave can count toward benefits only to the extent that leave pay is received.

14. Retraining and Study Leave Committee. A Retraining and Study Leave Committee shall consist of four (4) members. The Vice Chancellor, Division of Human Resources shall select two members, one of which is a management employee from a campus and the other is a management employee from the Division of Human Resources. The AFT shall select two members, one of which is a Unit member from a campus and the other is a Unit member from the District offices. The Committee shall have the sole and exclusive authority to rule on any and all issues concerning Retraining and Study Leave. The committee shall develop procedural guidelines. The committee shall meet within twenty (20) working days of receipt of the employee's Study Leave Request. The employee shall be notified in writing of the committee's decision within ten (10) working days of the above meeting. Approval of employees' leaves shall be determined by a majority vote of the members of the Committee who are present and voting but no approval will take place in the absence of at least one affirmative management vote and one affirmative AFT vote. Failure to reach such majority shall be considered nonapproval. If a leave is not approved, the employee shall be given the reason for nonapproval. A meeting shall be called at the request of any member of the committee when deemed necessary.

15. Limit on the Number of Retraining and Study Leaves. There shall be no more than eighteen (18) Retraining and Study Leaves granted per year. The limit shall be attained in order of receipt. Ties shall be broken by selecting the employee with the greatest District seniority.

16. Cancellation of Retraining and Study Leave.

a. A Retraining and Study Leave may be canceled at any time and converted to a resignation, return to duty, or other type of leave, if eligible.
b. If the request for such cancellation is received by the Division of Human Resources before the beginning date of the leave, the Retraining and Study Leave eligibility will be preserved.

c. If the request for such cancellation is received by the Division of Human Resources after the beginning date of the leave but before the end of the first pay period, the Retraining and Study Leave will be canceled with an effective date of the beginning date of the Retraining and Study Leave; leave pay will be canceled, but leave eligibility will be preserved.

d. If request for such cancellation is received by the Division of Human Resources after the close of the first pay period of the leave, Retraining and Study Leave eligibility for that semester will be lost and Retraining and Study pay must be refunded.

e. An employee who is permitted to return to duty from a canceled Retraining and Study Leave has no right to return to his/her former location until the ending date of the Retraining and Study Leave; even then such right exists only if the employee would not otherwise have been moved.

ARTICLE 20, CONFERENCE ATTENDANCE

The District shall grant conference attendance with pay but without expenses up to but not to exceed a cumulative total of 1,400 hours for the duration of this Contract for employees designated by AFT, for the purpose of attending CFT's annual conference and/or AFT's annual conference provided that no more than one employee is absent from any office or operational unit for such purpose.

ARTICLE 21, HEALTH AND WELFARE

A. District Health and Welfare Plans - General: The District shall contribute the amount of premium required in order to enable eligible employees, retirees, and dependents to participate in the following health and welfare plans for the term of this agreement. The carriers or insurers of such plans shall be selected by the Board of Trustees. Any changes to the carriers or insurers of such plans shall be made by the Board of Trustees after consultation with the AFT in a good faith effort to reach an agreement.

1. One or more fee-for-service hospital-medical plans with benefits equivalent to the District's current Blue Cross, Blue Cross Prudent Buyer Plan (Option 1), Blue Shield, or Occidental Life Plans for eligible employees, retirees, and dependents. No new enrollees shall be permitted enrollment in Transamerica Occidental Life Insurance Plan.

2. One or more group practice plans with benefits equivalent to the District's current Kaiser, Ross-Loos, or Maxi-Care Plans for eligible employees, retirees, and dependents.

3. One or more Indemnity dental plans with benefits equivalent to the District's current Prudential Plan for eligible employees, retirees, and dependents; and one or more closed panel dental plans with benefits equivalent to the District's current Safeguard Dental Plan.
for eligible employees, retirees, and dependents, provided that the closed panel premium cost does not exceed the premium cost of the indemnity dental plan.

4. One or more vision care benefit plans with benefits equivalent to the District's current vision care program providing an examination, lenses (excluding cosmetic contact lenses) and one set of frames every twenty-four (24) months, as required, for each eligible employee, retiree, and dependent, subject to a $10 per occurrence deductible.

5. A term life insurance plan equivalent to the District's current plan, for eligible employees through age 69, with 50% payable to those 70 years of age or older. The death benefits under the plan shall be $40,000.

Notwithstanding any other Article or Section in this Agreement, the enrollment of an employee in the life insurance plan continues providing that the appropriate premium is paid. In the event an eligible employee is in an unpaid status including maternity leave and not eligible for Board contribution, the employee may arrange for continuance of his/her enrollment within the limitations established by the life insurance carrier effective October 1, 1987.

B. Eligibility for Plans: Eligibility requirements for employees, retirees, and dependents shall be as provided in the applicable plan and as follows:

1. Every employee who is assigned half-time or more of a full-time assignment in one class, in a status other than substitute temporary, extra, exchange or relief shall be eligible to enroll in a plan. "Half-time" shall be defined as 50% of a full-time assignment. For employees attaining eligibility under this paragraph, the enrollment year shall be January through December.

2. If the employee is age 70 or over, he/she must enroll and maintain enrollment in those parts of Medicare for which he/she is eligible under Federal law. It shall be the responsibility of the employee to provide the District and/or the plan with verification of enrollment in those parts of Medicare for which eligible, including such verification for dependents. An employee terminated from a hospital-medical plan for failure to enroll in those parts of Medicare for which eligible may re-enroll in the plan from which terminated after the effective date of Medicare coverage. Re-enrollment shall be subject to any health statement required by the plan.

3. In order to remain eligible, the employee must be in paid status within his/her assignment basis. However, an employee in an unpaid status who later receives compensation from the District for the unpaid period shall be entitled to reimbursement of direct premium payments made which correspond to the period for which compensation is allowed. To obtain such reimbursement, the employee shall file application therefor with the District's Insurance Section. An enrolled employee on formal Illness Leave shall have the same portion of the premiums paid by the District contribution without regard to such employee pay status.
4. Every person retired from District employment and his/her eligible dependents is eligible to continue enrollment in a Group Hospital-Medical, Dental, and Vision Plan (but not in a District-paid life insurance plan), provided that he/she is enrolled in those parts of Medicare for which he/she is eligible and he/she retired from District service in accordance with the Rules and Regulations then in effect with the retirement system of which he/she is a member. Requirements under Medicare shall be the same as those in B.2. above.

C. Enrollment: For the hospital-medical, dental, and vision care plans, an unenrolled employee eligible for enrollment may submit application for enrollment in a plan at any time. However, an employee who has previously been enrolled in a plan during the current enrollment year must upon re-enrollment in that same enrollment year select the same plan. Such an employee must wait until the next open enrollment period to effect a change of plans. An employee 70 years of age or older who is otherwise eligible for a hospital-medical plan but is not enrolled in those parts of Medicare for which he/she is eligible may not enroll in a plan until such time as Medicare coverage is effective. The District shall process applications so as to make coverage effective on the earliest practicable date consistent with the plan provisions, and in no case shall this be later than the first day of the calendar month following the receipt of the completed application.

1. For life insurance plan, all eligible employees are automatically covered. No application is necessary to obtain this benefit, however, a beneficiary application should be completed.

2. Dependents may be enrolled without evidence of insurability provided that:
   a. Application for dependent coverage is submitted by the employee during the enrollment period specified for employees; or
   b. If the employee does not have eligible dependents at the time of enrollment, application for newly acquired dependent(s) is received by the Insurance Section within thirty (30) days of the acquisition of such dependent; or
   c. If the employee has coverage for dependents and a new dependent is acquired, such newly acquired dependent shall be automatically covered for thirty (30) days but an application must be made to add that new dependent within thirty (30) days.

Dependents not eligible for coverage as provided above may be enrolled by providing evidence of good health acceptable to the plan.

3. Once each year there shall be an open enrollment period during which an enrolled employee may change hospital-medical benefit plans in accordance with District established procedures. The District's Health Insurance Section shall establish and announce the dates of said open enrollment period. In the event that an eligible employee requests change of plan, he/she shall continue to be covered by the carrier from which he/she is transferring until such time as the new coverage can be instituted.
D. Continuance of Enrollment

1. With respect to the hospital-medical, dental and vision care plans, if an employee is in an unpaid status and not eligible for District contribution, the employee may arrange for continuance of enrollment while eligible by making a proper payment to the District for the plan in which enrolled. Each employee granted leave shall, at the time verification of leave approval is given, receive written indication of this right. Payment shall be made by check or money order in the gross premium amount, payable to the District and sent to the District's Insurance Section. Payments may be made by Installments on the due dates and in the amount required by the District.

2. With respect to employees who decline to make the above continuation payments, coverage shall be terminated and they shall not be eligible to re-enroll in a plan until returning to active service in an eligible assignment.

E. Termination of Enrollment: The enrollment of an employee shall terminate:

1. For failure of the employee to make direct payment as provided under Paragraph D., in which case coverage shall terminate at the close of the month for which the last premium was paid;

2. At the request of an employee, in which case coverage shall terminate at the close of the month in which the request was submitted;

3. Upon termination of employment, except in cases of retirement, in which case coverage shall terminate at the close of the month in which the employment termination was effective;

4. In the event of an employee's loss of eligibility, in which case coverage shall terminate at the close of the enrollment year, except for the District-paid life insurance plan, which shall terminate coverage on the date of loss of eligibility;

5. For hospital-medical benefits, for failure to enroll or maintain enrollment in those parts of Medicare for which eligible, in which case coverage shall terminate at the close of the coverage period immediately preceding the period during which the employee or retiree would have been eligible for Medicare benefits had proper application been made; and

6. For District-paid life insurance, upon the employee's loss of eligibility or termination of employment, in which case coverage shall terminate on the date the employee ceases to be eligible or employed.

With respect to hospital-medical plan coverage, if the employee's or retiree's participation is terminated at the plan's request, for other than non-payment of premium, the employee or retiree may enroll in another of the District's hospital and medical plans by making proper application to the District's Insurance Section.

F. Conversion of Enrollment: With respect to the hospital-medical plans, an employee or retiree who is enrolled in a plan for at least two (2) consecutive calendar months and whose enrollment terminates because of (a) failure to make direct payment when required, (b) loss of eligibility, or (c) termination of employment, shall be given the opportunity to exercise
the right of conversion of such individual coverage as provided by the plan, at the employee's expense. With respect to the life insurance plan, an employee whose enrollment terminates because of (a) failure to make direct payments when required, (b) termination of employment, or (c) loss of eligibility, shall be given the opportunity to convert, at the employee's expense, to a permanent form of insurance (other than term insurance) pursuant to the provisions of the plan.

**G. Enrollment of Survivors:** Enrollment of surviving spouses and dependents, if any, of the employees or retirees for which District contribution of premium will be made, shall continue pursuant to the following:

1. The surviving spouse, and/or dependent children, if any, of an employee or retiree may be enrolled in a District Plan, providing the deceased had been enrolled, at the time of death.
   a. Enrollment shall cease upon death of the surviving spouse, remarriage, or eligibility for group coverage under his/her employment.
   b. Continued enrollment shall be dependent upon survivor's participation in Medicare benefits for which survivor may be eligible.
   c. The right of the surviving spouse to enroll in a District plan shall not inure to the benefit of any dependent children upon cessation of eligibility of such spouse.

2. Any survivor enrolled in a District plan whose enrollment ceases pursuant to the foregoing provisions shall not be eligible for re-enrollment.

**H. Multiple Enrollment:** An employee or retiree shall not be enrolled in more than one District sponsored hospital-medical, dental and vision plan at any one time.

1. An employee or retiree may be included in a plan as an enrolled employee or retiree or as a dependent of another employee or retiree, but not both.

2. An individual may be included as a dependent under the enrollment of only one employee or retiree.

3. When a husband and wife are both employed as employees, and both have enrolled themselves and their eligible family members under a group health care service plan provided by their respective employers, and each spouse is covered as an employee under the terms of the same master contract, each spouse may claim on his or her behalf, or on behalf of his or her enrolled dependents, the combined maximum contractual benefits to which an employee is entitled under the terms of the master contract, not to exceed in the aggregate 100 percent of the charge for the covered expense or service. The same shall be true for a husband and wife enrolled in a group hospital service plan.

4. With the exceptions of the foregoing husband and wife enrollment, multiple enrollment is prohibited.
I. Miscellaneous

1. If any premium is refunded, the plan shall make such refund directly to the District. However, when the refund is a result of direct payment made by the employee, premiums shall be refunded to the employee.

2. All disputes with respect to the carrier's administration of such programs are not the responsibility of the District and are not subject to the grievance and arbitration procedures of Article 22 of this Agreement.

3. Dependents and Change of Status. Dependents shall be as defined and change of status and coverage of dependents shall be as provided by the plan in which the employee or retiree is enrolled. However, dependent coverage shall be limited to the employee's or retiree's:
   a. Spouse.
   b. Unmarried dependent children under age 19.
   c. Unmarried dependent children age 19 through 25 who are full-time students at a college or university.
   d. Unmarried dependent children without regard to age who are physically or mentally incapacitated.
   e. The District and the AFT shall investigate the feasibility of including in the definition of "dependent" one (1) person who is related by blood or marriage, or one (1) person who lives in the same domicile and who executes a "Statement of Domestic Partnership." For such individuals to be defined as dependents, the employee who is eligible for benefits in accordance with this article must have no other dependents as defined in sections a-d above.

"Dependent children" as used herein, shall not include other than the employee's or retiree's natural children, step-children, legally adopted children, and foster children.

4. Verification of Medicare Enrollment. It shall be the sole responsibility of the employee or retiree to provide the District and/or the plan with verification of enrollment in those parts of Medicare for which he/she or his/her dependents may be eligible.

5. Change of Plan--Employees on Retraining and Study Leave. An employee enrolled in a closed panel plan who, while on authorized Retraining and Study Leave of absence, will be located for a substantial period of time during the leave outside the service area of the plan may, by making proper application, enroll in another plan providing benefits in the new area.

6. Change of Plan. An employee or retiree enrolled in a closed panel plan who makes a permanent residence change outside of the service area of the plan may, by making proper application, enroll in another plan providing benefits in the new area. Application must be made within sixty (60) days after cancellation of the closed panel membership and within six (6) months after the residence change is effective.
7. **Conversion of Plans Outside the District Program.** An employee who is enrolled in a hospital-medical plan for at least two consecutive coverage periods and whose enrollment terminates because of:

a. Failure to make direct payments when required as provided under Section D,

b. Loss of eligibility, or
c. Termination of employment, shall be given the opportunity to exercise the right of conversion to coverage outside the District program, as may be available in his/her particular plan.

8. **Coverage.** Coverage shall be on a 12-calendar month basis.

9. **Additional Benefits.** The maximum lifetime major medical benefit shall be $1,000,000 with a stop loss of $5,000.

10. **Maintenance of Benefits.**

    Should a current carrier offer increased benefits without increased cost, fringe benefit contracts shall be amended to include the additional benefit(s) upon mutual agreement of the District and the AFT.

J. **Vestment:** Notwithstanding District policy concerning vestment of benefits for retirees, effective at the execution of this Agreement all employees employed thereafter shall in order to become eligible for benefits be continuously employed by the District prior to retirement from the District for a period of five (5) years in full-time service or its equivalent. Nothing in this Section shall be construed as to prohibit the District from changing carriers or insurers of health and welfare plans during the term of this Agreement, after consultation with the AFT in a good faith effort to reach agreement.

K. **Advisory Committee:** An advisory committee shall be established to review the District's health and welfare plans. The committee may recommend changes, additions and/or deletions to the plans. If the recommended changes, additions and/or deletions reduce the cost of the existing health and welfare plans, the parties to this Agreement shall reopen, upon request of either party, no more than once a year, the fringe benefit articles for negotiations for additional benefits not to exceed the amount of the cost reduction for the Classified Unit I employees. AFT shall be entitled to one member on the Advisory Committee.

L. The District shall provide an annual retirement seminar for all identified retiring unit members. This seminar shall discuss provisions for the maintenance of insurance coverages. Retiring members shall be informed in writing and receive all forms for the maintenance of such coverage.

**ARTICLE 22, GRIEVANCE PROCEDURE**

Such consolidation may be made by the AFT only after consultation with the District in a good faith effort to reach agreement. Such consolidated grievance shall be carried through the procedure by one designated grievant. The final decision shall be binding upon all parties to the consolidated grievance.

3. Day. A day, for the purpose of this Article, is defined as any day of the calendar year, except Saturdays, Sundays, and legal (or school) holidays.

A grievant shall also be entitled to represent himself/herself (but may not be represented by any other person other than an AFT representative) up to and including Step Three of the Grievance Procedure. The supervisor or administrator shall have the right to be accompanied by another supervisor or administrator or District representative at all such meetings. By mutual agreement, other persons such as witnesses may also attend grievance meetings. Unit members may have a grievance adjusted without the intervention of the AFT as long as the adjustment is not inconsistent with the terms of this Agreement. The AFT shall be provided copies of any grievance filed by unit members and any response by the District. Prior to resolution of any grievance, the Union shall be provided a copy of the proposed resolution and given the opportunity to respond. Any disagreement concerning whether the settlement is inconsistent with the terms of this Agreement shall be submitted to Step Four for resolution.

2. Released Time for Employees and AFT Representatives. Grievance meetings and hearings will be scheduled at mutually convenient times and places during District business hours. 3. Any rights granted to one party to the complaint shall be granted to the other.

4. The filing or pendency of a grievance shall not delay or interfere with implementation of any District action during the processing thereof, unless the parties agree to the contrary.

5. Processing and discussing the merits of a grievance shall not be considered a waiver by the District or the defense that the matter is neither grievable nor subject to arbitration under this Agreement or that the grievance should be denied for other reasons which do not go to the merits.

6. Any investigation or other handling or processing of any grievance by the grieving employee shall be conducted so as to result in minimal interference with or interruption of District business at the employee's work.

7. The immediate supervisor or management employee shall inform the grievant of any limitation upon his/her authority which prevents full resolution of the grievance and shall direct the grievant(s) to the employee who has the authority to resolve the grievance.

8. Copies of all documents and communications related to the process of the grievance shall be filed in the Office of Employer-Employee Relations and shall be kept separate from the personnel files of all
the participating parties.

9. Both parties to the complaint have a professional obligation to act in a cooperative and respectful manner for an early adjustment of the complaint.

10. A list of witnesses or other persons who will attend any grievance meeting shall be provided to the other party at least one working day prior to any scheduled meeting.

11. The grievant and respondent and their representative(s), if any, shall have equal access to any documents and District records which are relevant to and will assist in adjusting the grievance.

E. Waivers and Time Limits.

1. Failure of the grievant(s) to act on any grievance within the prescribed time limits, unless mutual agreement to extend the time has been reached, shall conclude the grievance.

2. Failure by a supervisor or management employee to respond to the employee's grievance within the specified time limits shall permit the grievant to proceed to the next step unless mutual agreement to extend the time has been reached.

3. The day following actual service of written decision by either of the parties shall be counted as DAY ONE for any deadline.

4. Any level of review may be waived by mutual agreement of the parties to the grievance. Any time limits established in this procedure may be extended by mutual agreement of the parties to the grievance.

5. By mutual agreement, the grievance may revert to a prior level for reconsideration.

F. Procedure

1. **Step One.** Within twenty (20) working days after the grievant knew or by reasonable diligence could have known of the condition upon which the grievance is based, the grievance must be presented in writing on a District's grievance form (Appendix G) to the immediate supervisor who has the authority to adjust the grievance. The written grievance shall contain a clear concise statement of the alleged misinterpretation, misapplication or violation of a specific provision(s) of the Agreement or of a written rule, regulation, policy, or procedure of the Los Angeles Community College District and/or applicable rules of the Personnel Commission; the remedy sought; the specific provision(s) of the Agreement violated; and the name of the employee's representative(s), if any.

A meeting between the grievant and the immediate supervisor shall take place within five (5) days from presentation of the grievance. The immediate supervisor shall reply in writing within five (5) days following the meeting. The decision shall contain a clear and concise statement as to the reason(s) for said decision.
2. **Step Two.** If the grievance is not resolved in Step One, the grievant may, within five (5) days after receipt of the immediate supervisor's written decision, present the written grievance to the next level of authority. The written grievance shall contain the same information as in Step One and a copy of the immediate supervisor's decision. Within five (5) days from receipt of the grievance, a meeting shall take place to discuss the matter. The next level of authority shall reply in writing within five (5) days following the meeting. The decision shall contain a clear and concise statement as to the reason(s) for said decision.

3. **Step Three.** If the grievance is not resolved in Step Two, the grievant may within five (5) days after receipt of the decision in Step Two, present the written grievance to the College President or Division Head. The written grievance shall contain the same information as in Step One, copies of Step One and Step Two decisions, and reasons for the appeal. Within five (5) days after receipt of the appeal, the College President or Division Head shall schedule a meeting with the grievant and/or other persons whose assistance the College President or Division Head deems necessary to adjust the grievance. Within fifteen (15) days after receipt of the appeal, the College President or Division Head shall communicate his/her decision in writing to the grievant. The decision shall contain a clear and concise statement as to the reason(s) for said decision.

4. **Step Four.**

   a. If the grievance is not resolved at Step Three, the grievant, subject to the approval of AFT, may file a written request to the Office of Employer-Employee Relations for a hearing. The grievant shall have ten (10) days from receipt of the decision in Step Three to file said request.

   b. Within fifteen (15) days after receipt of the appeal, the Office of Employer-Employee Relations shall make arrangements for the joint selection of an arbitrator. He/she may be a District employee or an arbitrator not employed by the District. If an arbitrator cannot be mutually agreed to, the services of an arbitrator shall be selected from a permanent panel of seven (7) arbitrators listed below:

   - Edna Francis
   - Melvin Lennard
   - Thomas Roberts
   - Thomas Christopher
   - William S. Rule
   - Joseph Gentile
   - Walter Kaufman

   If one or more of the arbitrators on the panel no longer wish to serve, such person(s) shall be replaced by mutual agreement of the parties.

   Each party shall alternately strike a name from the panel until there is one name remaining. The party that strikes first shall be determined by lot. Within five (5) working days of striking, the Office of Employer-Employee Relations shall contact the remaining arbitrator. Should he/she not be available to hold a hearing within sixty (60) working days of the contact, the Office of Employer-Employee Relations shall contact the last arbitrator struck from the list and contact him/her in accordance with the
above procedure. The process shall be repeated until an arbitrator is obtained who is available within the sixty (60) working days. If every member contacted by the above method is unavailable within the prescribed time limits, the arbitrator available at the earliest date shall be chosen.

c. The arbitrator shall have no power to add to, subtract from, disregard, alter, or modify any of the terms of this Agreement. The hearing officer's decision shall be limited to a specific finding regarding the alleged misinterpretation, misapplication or violation of a specific provision(s) of this Agreement, or of a written rule, regulation, policy, or procedure of the Los Angeles Community College District and/or applicable rules of the Personnel Commission.

d. The hearing shall be conducted in accordance with the rules and procedure prescribed in Section 11513 of the Government Code of the State of California. No other Section of the State Administrative Procedure Act shall apply to this grievance procedure. The hearing shall be private with attendance limited to the parties to the grievance and their representatives, if any, witnesses while testifying, and representatives of the Office of Employer-Employee Relations.

e. The Office of Employer-Employee Relations shall be responsible for the arrangements of the hearing, the recording of the proceedings, the maintenance of records, and such other services required to assist the arbitrator in fulfilling his/her responsibilities. Neither party shall communicate with the arbitrator without first contacting the other party to explain the purpose of the intended communication.

f. The hearing shall be tape recorded. A transcript of the record shall be prepared at the request of either party or the arbitrator. The cost of the transcript shall be borne by the party requesting the transcript, except that the parties shall share the cost of the transcript if requested by the arbitrator. If no request for a transcript is made, the parties shall have access to the tapes.

g. Either party may request the presence of witnesses and the production of records and shall supply the Office of Employer-Employee Relations with a list of the witnesses to be called and the records requested at least five (5) days in advance of the hearing. The arbitrator shall be empowered to direct the attendance of any District employee to attend the hearing, without loss of salary to the employee and direct the production of records relevant to the hearing.

h. Advocates for parties shall exchange all documentary material to be entered as evidence at least ten (10) working days before the first day of the hearing. The names of witnesses shall be exchanged at least five (5) working days before the first day of the hearing.

i. The arbitrator's decision shall be based solely and exclusively on the evidence and arguments presented by the parties to the grievance and the record in the case. The arbitrator's decision
shall be limited to a specific finding regarding the alleged misinterpretation, misapplication, or violation of a specific provision(s) of this Agreement, or of a written rule, regulation, policy, or procedure of the Los Angeles Community College District and/or applicable rules of the Personnel Commission.

j. The arbitrator shall have no power to add to, subtract from, disregard, alter, or modify any of the terms of this Agreement. The arbitrator shall have the authority to grant or recommend the payment of salary if it is proven that the grievant has rendered service and has not been paid for that service; the arbitrator may require the District to pay the salary due for such service. Other monetary awards may be granted in accordance with the principle of arbitration to make the injured party whole. If a monetary award, other than salary for services rendered, is made in excess of $2,500, the Board of Trustees shall review the arbitrator’s decision and render a final decision as to the amount of the award to be granted.

The arbitrator shall have no power to grant a remedy exceeding that sought by the grievant. Grievances arising prior to this Agreement are to be handled pursuant to applicable grievance procedures which were in effect prior to this Agreement.

k. The arbitrator shall render written findings, conclusions, and recommendations within sixty (60) days of the termination of the hearing. The findings, conclusions and recommendations shall be final and binding on both parties.

l. The Board and AFT will share equally the payment of the services and expenses of the hearing officer.

m. All documents and communications related to the process of the grievance shall be filed with the Office of Employer-Employee Relations and shall be kept separate from the personnel files of the participating parties.

ARTICLE 23, WAGES AND SALARIES

A. Salary Placement: Entry-level placement on the salary schedule shall be at the lowest step of the schedule for the classification or at the hourly rate established for the classification, unless the district authorizes hiring at a higher rate.

B. Step Advancement on the Salary Schedules

1. Advancement from the first to the second step shall occur as of the first day of the pay period which follows completion of 130 days in paid status in regular assignments in the class. For purposes of this rule, 130 days shall be defined as 130 times the average number of regularly assigned hours per day for the employee. A day in paid status shall be defined as any day for which pay is received.

2. Advancements to higher steps shall be made in successive years as of the first day of the correspondingly numbered pay period on which the employee received his/her previous step advancement provided that he/she has completed at least 130 days in paid status in regular
assignments in the class during the thirteen (13) pay periods since the preceding advancement.

3. In the event that the employee does not meet the paid status requirement provided above, his/her step advancement shall be effective as of the first day of the pay period which follows his/her completion of such 130 days in paid status in regular assignments in the class.

4. Upon promotion or reclassification which results in a salary increase to other than the first step, salary adjustment shall be affected as follows:
   a. If the employee completes 130 days in paid status in regular assignments in the new class as of the date his/her step advancement is due, no change in his/her cycle of step advancement shall occur.
   b. If the employee has not completed 130 days in paid status in regular assignments in the new class as of the date his/her step advancement is due, it shall become effective as of the first day of the pay period which follows his/her completion of the paid status requirement. A new cycle for subsequent step advancements will thus be established.
   c. An employee who is subject to a new probationary period must spend at least 75 percent of the required 130 days in paid status in active on-the-job performance of the duties of a position in the class.

5. The following actions shall not affect the employee's cycle of step advancement:
   a. Reallocation.
   b. Change to an equal or lower class.

6. Notwithstanding other provisions of this Article, employees in classes on accelerated hiring steps or with shortened salary ranges shall receive step advancement as follows:
   a. An employee on any lower step in a class for which an accelerated hiring step or a shortened salary range has been authorized shall advance to the new hiring step on the effective date of the action. Such an employee shall receive an advancement to the next higher step of the schedule for his/her class as of the first day of the pay period in which the accelerated step or shortened range became effective, provided that he/she meets the paid status requirement.
   b. A person initially employed in a class on an accelerated hiring step or with a shortened salary range shall advance to the next higher step of the schedule for his/her class on the first day of the pay period in the next salary year which corresponds in number to the pay period in which he/she was appointed, provided that he/she meets the paid status requirement. Subsequent advancements shall be based on the cycle thus established.
7. An employee who changes from a flat hourly rate to a rate on a salary schedule shall receive his/her initial step advancement in the class as of the first day of the pay period which follows his/her completion of 130 days in paid status in regular assignments in the class following such change.

Subsequent advancements shall take place as of the first day of the correspondingly numbered pay period provided the paid status requirement is met.

8. An employee not serving in his/her regular assignment shall be treated as follows:

a. An employee who is temporarily serving in a limited-term assignment in an equal or higher class shall receive credit toward step advancement in his/her regular class during the period of his/her limited-term assignment; his/her step in the limited-term assignment shall not be adjusted unless an adjustment is necessary to maintain a differential over his/her current regular rate as determined by the District.

b. An employee who has been promoted to a regular position but returns to a lower class before completing his/her probationary period in the higher class shall receive credit toward step advancement in the lower class for the full period of his/her service in the higher class. If his/her anniversary date in the lower class has passed while he/she was serving in the higher class, he/she will receive a step advancement when assigned to the lower class, provided that he/she has met the requirements of this Article. For future step advancement his/her anniversary date in the lower class will be retained.

c. An employee who is on leave of absence from his/her regular class in order to serve in an apprentice class shall not receive credit toward step advancement in the former class during such period of leave. If he/she returns to his/her former class upon termination of leave of absence, he/she shall be placed at the flat hourly rate of the class or at that step of the schedule which is closest to his/her current apprentice rate.

9. Time spent by an employee on leaves resulting from an industrial accident or an industrial illness, temporary military leave, or military leave other than temporary, shall be credited as time in paid status for purposes of step advancement.

10. Employees who are allowed to take vacation during periods which are excluded from their regular assignment periods shall receive credit towards step advancement for the time they are in paid status during such periods.

C. Nothing in this Article shall prevent the Board of Trustees from withholding step advancement, provided it is first negotiated with AFT.
D. All regular employees assigned to the Technical Clerical Unit shall be eligible for career increments in accordance with the following schedule.

<table>
<thead>
<tr>
<th>Years of Service</th>
<th>Differential Per Pay Period</th>
</tr>
</thead>
<tbody>
<tr>
<td>10-14</td>

</tr>
<tr>

<td>26.00</td>
</tr>
<tr>
<td>25 and over</td>
<td>30.00</td>
</tr>
</tbody>
</table>

These increments shall be effective with the 0287 pay period.

E. Effective July 1, 1987, all classifications covered by this agreement shall be granted a seven (7) percent increase over the 1984-85 salary schedule, except for classifications listed in Appendix B, which will be granted increases in addition to the 7%, as indicated.

F. Additional salary increases to any class or classes of positions shall be negotiated with the AFT.

Rates of pay for any new classifications implemented during the term of this Agreement shall be determined by the District.

A committee shall also study salary differentials based upon special skills.

G. The District agrees to continue the provisions of Section 414 (h) (2) of the Internal Revenue Code concerning tax treatment of employee retirement contributions to the State Teachers Retirement System and the Public Employees Retirement System.

ARTICLE 24, COMMITTEES

A. Worksite and District-Wide Committees

If a College President, Division Head, the Chancellor, or the Board of Trustees appoint a campus/worksite and/or District-wide advisory committee, for accreditation, budget, planning/development, sexual harassment, AIDS education, and/or affirmative action, the AFT College Staff Guild shall be entitled to have at least one of its members appointed to the committee by the AFT Staff Guild.

The committee shall include one AFT representative.
C. Released Time

ARTICLE 26, TERM OF AGREEMENT AND RENEGOTIATIONS

A. Term: This Agreement shall become effective upon adoption by the Board of Trustees and execution by the parties, except as specifically provided otherwise in this Agreement. This Agreement shall remain in full force and effect, pursuant to its terms, for a three (3) year period from the date of execution.

This Agreement shall constitute a full and complete commitment between both parties.

B. Reopeners: At any time after April 1, but no later than May 1, prior to each fiscal year 1988-89 and 1989-90, respectively, parties agree to reopen negotiations on Article 23, Wages and Salaries, Article 21, Health and Welfare, and one other Article selected by the District and the AFT, respectively. Any Agreement reached during such reopener negotiations shall be made part of this Agreement. All other provisions of this Agreement shall remain effective for the duration of the agreement.

C. Negotiations for a successor Agreement shall commence upon request of either the District or the AFT at any time after May 1, 1990.

INSTRUCTIONS FOR PREPARING PERFORMANCE EVALUATION FORMS

1. **An Evaluation Shall Be Completed for:**
   Each classified employee who is serving a probationary period. The first probationary evaluation for an employee with a six-month probationary period shall be during the second month of the probationary period; the final evaluation shall be during the fourth month of the probationary period.

2. **The Person Completing the Evaluation:**
   Shall be the employee's supervising who is immediately responsible for the work of the employee. The supervisor is defined as the person who either oversees, reviews, or checks the daily work of the employee or is the one who is most closely acquainted with the employee's work performance. In the event an employee has worked for more than one supervisor during the reporting period, a separate form should be completed by each supervisor under whom the employee has worked for more than 120 working days.

3. **Before Making the Evaluation, the Supervisor Is Requested to:**
   Verify that the name, employee number, class title, name of Division or College and reporting period dates for each employee, are correct.

4. **An Employee's Work Performance Shall Be Evaluated by:**
   A check mark (✓) in the appropriate box ("Below Work Performance Standards", "Meets Work Performance Standards", or "Exceeds Work Performance Standards") opposite the factor being reported. In addition, the supervisor should state in the "Comments" space the suggestions he/she gave to the employee on how to improve his/her work performance if below standards, or why the employee's performance exceeds the standards.

5. **The Supervisor MAY:**
   Add and factors which he considers pertinent to the evaluation and record suggestions made to the employee that will aid him in improving his work or make other pertinent comments. The employee may respond to the supervisor's comments.

6. **The Supervisor SHALL:**
   A. Hold a conference with each employee for whom an evaluation is completed.
   B. Explain to each employee:
      1. The reasons for performance evaluation shall be given by the evaluator.
      2. The evaluator shall explain the kind of work performance expected.
      3. The evaluator shall give the reasons for the evaluation given and any negative evaluation or comments shall include specific recommendations for improvements and provisions for assisting the employee in implementing any recommendations made, and
      4. The evaluator and the employee may discuss any questions that the employee has concerning his/her job and/or responsibilities and duties assigned.
   C. If the employee feels that the evaluation is improper, he may go to the supervisor's immediate superior to resolve differences. No regular employee shall be denied this privilege.
   D. Submit the completed form to his immediate supervisor for review and signature.
   E. Keep a copy of the evaluation form for the employee's personnel file.
   F. Sign the performance evaluation form and obtain the signature of the employee.
   G. Send the original copy to the Personnel Operations Branch to be placed in the employee's personnel file.

7. **Additional Forms Which May Be Used by the Supervisor:**
   A. A notice of outstanding work performance is available to provide a record of commendation for outstanding work performance in regular, day-to-day activities or in an unusually difficult and/or emergency situation. A notice of outstanding work performance may be completed and filed at any time considered appropriate by the employee's supervisor.
   B. A notice of unsatisfactory service is available to:
      1. Provide a written record of an employee's unsatisfactory service.
      2. Provide for further disciplinary action, such as suspension, demotion, or dismissal.
      3. If the employee is not available, the supervisor will send a copy of the form by certified mail to his/hers last known address.
   C. This notice of unsatisfactory service is given to the employee whenever his services are unsatisfactory.

8. If additional comments pertaining to the employee's performances are entered on the form subsequent to the evaluation conference, the employee must be advised of such comments.

**DEFINITION OF COLUMNS**

A. **Exceeds Work Performance Standards:** A check in this column indicates that the employee's work is definitely and consistently better than satisfactory. If the employee's work is truly exceptional and worthy of special notice and commendation, a notice of outstanding work performance should also be used.

B. **Meets Work Performance Standards:** A check in this column indicates that the employee's work is definitely and consistently satisfactory.

C. **Below Work Performance Standards:** Persons evaluated in this category usually require additional training and closer supervision in order to meet fully the established work standards. The employee should understand that his work is not considered unsatisfactory, but that additional effort on his part, along with more help on the part of his supervisor, will probably be required to bring his performance to a completely acceptable and satisfactory level. Continued failure to show improvement may lead to preparation of a notice of unsatisfactory service.

      (2) Prepare a written confirmation that the employee has been told of his/her unsatisfactory service.
      (3) Prepare for further disciplinary action, such as suspension, demotion, or dismissal.
      This notice of unsatisfactory service is given to the employee whenever his services are unsatisfactory.

8. If additional comments pertaining to the employee's performances are entered on the form subsequent to the evaluation conference, the employee must be advised of such comments.

DEFINITION OF COLUMNS

A. Meets or Exceeds Work Performance Standards: A check in this column indicates that the employee's work is satisfactory or better. If the employee's work is truly exceptional and worthy of special notice and commendation, a notice of outstanding work performance should also be used.

B. Below Work Performance Standards: Persons evaluated in this category usually require additional training and closer supervision in order to meet fully the established work standards. The employee should understand that his work is not considered unsatisfactory, but that additional effort on his part, along with more help on the part of his supervisor, will probably be required to bring his performance to a completely acceptable and satisfactory level. Continued failure to show improvement may lead to preparation of a notice of unsatisfactory service.
