ARTICLE I

RECOGNITION

A. Association Recognition

For the purposes of Collective Bargaining, with respect to wages, hours, standards of productivity and performance, and any other terms and conditions of employment, the Committee recognizes the Association as the exclusive representative of all full-time and part-time professional employees of the Committee, performing teaching duties or duties of a related professional nature; but excluding temporary per diem substitutes, Head Masters, Administrative Assistants, Housemasters, Coordinators, Directors, Supervisors (including the Instructional Media Supervisor), Department Heads, Principals, Assistant Principals, Administrative Assistant for Business Services, Assistant Superintendents, and the Superintendent of Schools.

B. Service of Process

Both the Committee and the Association shall designate a person who is a resident of Bristol County, Massachusetts, as its agent for service of any legal process and/or notice relating to this Agreement and service on such person shall constitute proper service on the respective party, and said designation shall not be revoked during the term of this Agreement except to substitute a new agent.

C. Definitions

1. A temporary per diem substitute, as hereinbefore excluded from the Collective Bargaining Agreement, is defined as a substitute teacher who has been employed for less than ninety-one (91) school days of continuous service, including excused absences.

2. Unless otherwise specified in this Agreement, the term "professional employees" as used throughout the Agreement, shall apply to all members of the bargaining unit. It is understood that the term "professional employee" is used throughout the Collective Bargaining Agreement for uniformity and that the use of said term does not alter any practices with respect to wages, hours, and working conditions or confer upon employees benefits to which they are not otherwise entitled.
ARTICLE II

SALARIES

A. Basic Salary Schedules

1. Unless otherwise specified in this Agreement, the Committee agrees that the Salary Schedules A - F, attached hereto and made a part hereof, shall apply to all members of the bargaining unit, as defined in Article I, Section A of this Agreement.

2. For purposes of Step advancement on the Salary Schedule, a ninety-one (91) school days of employment as a Professional Employee in a work year shall constitute a year on the Salary Schedule.

3. The Committee recognizes that, in the event part-time employees are hired in the New Bedford School System, the Committee will bargain with the Association as required by Chapter 150E of the Massachusetts General Laws.

B. Method and Time of Payment

1. All professional employees will be paid on a weekly basis in equal installments on Thursday, except when Thursday is a holiday, in which case they shall be paid on the day before. Paychecks will be divided equally among the number of Thursdays in the calendar year.

2. Notwithstanding the above, professional employees may elect to be paid on a weekly basis in equal installments on Thursdays, from September to the end of the school year in June, with no monies deferred during the school year for payments for July and August. When Thursday is a holiday, said professional employees who elect this option will be paid on the day before.

3. Professional employees who desire to change their method of payment shall so notify the Superintendent, in writing, before August 1, to take effect the first pay period of the new work year. No change in payment will be made during the work year.

4. When paychecks are distributed at the school building, said checks will be issued in envelopes to professional employees.

C. Lump Sum Payments

The Superintendent or his designee shall provide an appropriate form for professional employees no later than April 15th to allow a professional employee to elect a lump sum summer payment. This request must be submitted on the official forms by the professional employee no later than
May 1st to be eligible for the lump sum payment. This payment is to be made on or before June 30th of each year.

D. New Activities

If new clubs, activities, or positions are created by the Committee during the duration of the Agreement, the payment shall be comparable to existing amounts for like positions. The Association will be notified in writing of any new clubs, activities, or extracurricular positions.

E. Salary and Sick Leave Information

1. On or before October 15th of each year, professional employees shall be notified in writing of their salary step and of their number of accumulated sick days as of September 1st of the school year. Sick days earned as a result of unused personal days shall be noted separately on the form.

October 15th or whenever received shall be the first date of knowledge regarding any grievance under this Article.

2. Attendance records of the members of the bargaining unit shall be kept by the School Department and the Principal or other administrative personnel originating said records for a minimum of two (2) school years from the last day of each school year.

F. Employment of Long-Term Substitutes

1. The term "long-term substitute" is intended to cover substitutes who have been employed for more than ninety (90) school days in a single teaching assignment.

2. Per diem substitutes who have been employed for more than ninety (90) school days in a series of different assignments are not to be considered long-term substitutes.

3. The service of a substitute professional employee who is employed in an assignment will not be broken by termination, layoff, or transfer (except for cause) until the regularly employed professional employee who left the assignment returns to work or until the end of the school year, whichever comes first. Should the regularly employed professional employee on leave resign, the Committee may terminate the permanent substitute and hire a regular professional employee.

4. When a long-term substitute professional employee's service is broken, as provided in Paragraph three (3) above, his/her membership in the bargaining unit shall also terminate.
5. The daily rate of pay for long-term substitutes will be 1/182nd of the minimum salary scale commencing on the 91st day of employment.

6. Sick leave will accumulate at the rate of 1 1/2 days per month beginning with the ninety-first (91st) day of long-term employment.

7. One (1) personal day will be granted for the balance of the school year.

8. Since substitute professional employees are reemployed on a year-to-year basis, the above provisions do not accumulate from year to year.

9. All teaching positions filled during the school year under Section F 3 of Article II shall be included in the next May 1st posting.

ARTICLE III
CLASS SIZE

A. Maximum Class Size

The School Committee and the Association recognize the fact that class size is of paramount importance in establishing quality education. In recognition of this, the School Committee shall strive to achieve in conventional classes a maximum size not to exceed thirty (30) pupils per class.

B. Review of Class Size

In the event that class size exceeds thirty (30) in number, the professional employee shall have the right, with the Association, to meet with the principal, or Superintendent, or both, to review this matter and eventually bring it before the School Committee.

C. Guidance Counselors and Speech Therapists

The School Committee agrees to provide three (3) guidance counselors for each house in the new high school, and in all old schools, the Committee agrees to strive to lower the ratios for guidance counselors. For speech therapists, the term "a small group", as used in IEP, shall be defined as no more than five (5) students, excluding situations where a speech therapist is conducting a class in articulation or language therapy.
ARTICLE IV
SPECIALISTS

A. Salary Differential

Individuals listed as receiving differentials on the February 14th Memorandum will continue to receive such differentials during the term of this Agreement. New appointees to these positions, including those listed in Schedule D, shall not receive a differential.

B. Limitations on Use as Substitutes

Specialists will not act as substitutes except in individual cases of emergency as determined by the Superintendent or his/her designee. The Association will be notified of each instance the Superintendent or his/her designee so determines.

ARTICLE V
TEXTBOOKS

A. Policy

The Committee agrees to provide sufficient approved textbooks to insure that each pupil in a classroom has available to him/her the books necessary for his/her continuous progress.

B. Requests

Professional employees shall forward their requests for books and other instructional materials to their supervisors.

C. Curriculum Committees

The Association, with the Superintendent or his/her designee, may establish Curriculum Committees which shall be generally representative of the professional staff covered by this Agreement.

D. Supplementary Purchase

The Curriculum Committees may, at any time, submit in writing to the Superintendent or his/her designee, requests and proposals for the supplementary purchase of books.
E. Superintendent Discussion

The Superintendent or his/her designee and such other staff members as he/she shall designate, will meet with members of any of the Curriculum Committees upon requests of said members.

ARTICLE VI
SUPPLIES AND MATERIALS

A. Standard

The Committee agrees to budget for and provide sufficient supplies and materials to insure that each pupil has available to him/her supplies and materials necessary for his/her continuous progress.

B. Solicitation of Needs

Principals and/or department chairmen shall solicit from professional employees their needs in the areas of supplies and instructional materials prior to the formulation of their budget request in these areas for the next school year.

C. Review of Needs

The principal and/or department chairman shall review his/her budget request in the areas of supplies and instructional materials with his/her professional employees prior to the submission of said request to the central administration.

D. Notice of Allocation and Accessibility

Each elementary professional employee shall be made aware by his/her principal of the school's total allocation for the year in the areas of supplies and instructional materials and shall have access to said supplies and instructional materials as the needs of their classes dictate.

E. Warehouse

A centralized warehouse shall be maintained for receiving supplies, materials, and books which have been ordered. The Committee shall have the supplies, materials and books delivered to the appropriate school within ten (10) days after being received at the warehouse, except in the case of emergency, where delivery shall be made on the same day as received. The Administrative Assistant for Business Services will consult with the Association concerning the warehouse inventory and the availability of supplies, upon request.
F. Requests

During the school year all professional employee requests for supplemental supplies shall be reduced to writing and forwarded to the principal who will forward said request to the Administrative Assistant for Business Services within three (3) school days of receipt of the written request.

ARTICLE VII
RESIGNATIONS AND/OR RETIREMENT

A. Notice

All professional employees are required to give notice to the Superintendent of resignation and/or retirement at least thirty (30) days in advance of its effective date. Notice of resignations and retirement effective in the month of September must be filed with the Superintendent at least sixty (60) days prior to their effective date. If a professional employee fails to give notice within the above time limits, he/she shall not receive sick leave severance pay under Article XV, Section F.

B. Incentive

1. The New Bedford School Committee agrees to provide a professional employee who has or will have at least ten (10) years of service with the New Bedford School Department and is on the maximum step of the Salary Schedule and has notified the Superintendent, in writing, of his/her intent to resign or retire at the end of the school year, with a lump-sum payment of $2,500 as additional compensation. The effective date of retirement or resignation must be no later than August 31st of the school year in which retirement or resignation is elected.

2. Such written notice must be made to the Superintendent of Schools on or before April 1st. Payment will be made to the professional employee on or before September 1st. If a professional employee fails to resign or retire at the end of the school year in June pursuant to his/her notice to the Superintendent and has been paid the lump-sum payment, the professional employee must repay the additional compensation in a lump sum as a condition of continued employment in the New Bedford School Department.
ARTICLE VIII

EVALUATION AND DISCIPLINE OF PROFESSIONAL EMPLOYEES

A. Monitoring

All monitoring or observation of the work performance of a professional employee will be conducted openly and with full knowledge of the professional employee.

B. Public Address Systems

Public address systems shall not be used for monitoring or observing the work performance of a professional employee.

C. Evaluation Reports

Professional employees will be given a dated copy of any evaluation report prepared by their evaluating supervisor, and professional employees will have the right to discuss such reports with their evaluating supervisors before they are submitted to Central Administration or put in their personnel files. The evaluation process for all tenured employees will be completed by March 15th of each school year for that school year, and said evaluations will be distributed to all tenured employees no later than March 25. (Effective in the 1991-92 school year.)

D. Review of Report

Professional employees wishing to discuss any report referred to in Section C above shall notify their supervisor, in writing, within fifteen (15) school days of notice of said report.

E. Complaints

Any complaints regarding a professional employee made to the administrator by any parent, student, or other person will be promptly called to the professional employee's attention. The concerned professional employee must be given notice as to any further meetings between the complainant and the administration on the next working day after the meeting, provided, however, that in the event a professional employee is required to attend a second meeting, he/she shall be provided with notice twenty-four (24) hours in advance of the meeting. The professional employee shall have the right to have representatives of the Association present.

F. Discipline

If a professional employee is to be disciplined by a member of the
administration, he/she will be entitled to have Association representation. Such disciplinary action shall be carried out in private.

G. Adverse Action

1. No adverse action, as hereinafter defined, shall be taken against any professional employee for disciplinary or other reasons without just cause. For the purposes of this Agreement, the term "adverse action" shall mean only the following types of action:

a. Admonishment: An admonishment is a disciplinary action taken against a professional employee by the appropriate supervisory official for some infraction which is not of a serious nature. An admonishment may be oral or in writing and shall be carried out in as much privacy as possible.

b. Reprimand: A reprimand is a statement of official censure in a formal letter to the professional employee from the School Committee and/or its agents for a serious violation.

c. Suspension: Suspension is an enforced temporary non-pay status and absence from duty of a professional employee directed by the Committee and/or its agents. The professional employee will be given written notice of his/her suspension and the reasons therefore prior to the effective date of such a suspension.

d. Demotion: Demotion, except as is otherwise provided herein, is a change from one position to another position lower in rank or compensation. The term "demotion", as used herein, shall not include any action taken by the Committee in not reappointing a professional employee to assignments and/or positions routinely made on a school year basis. The professional employee will be given written notice of his/her demotion and the reasons therefore prior to the effective date of said demotion.

e. Dismissal: Dismissal, except as is otherwise provided herein, is the dismissal of a professional employee from the employ of the Committee. The term "dismissal", as used herein, shall not include the dismissal of a non-tenured professional employee who has not been teaching in the New Bedford Public Schools for more than ninety (90) days. The professional employee will be given written notice of his/her dismissal and the reasons therefore prior to the effective date of said dismissal and shall not include the action of the Committee in not renewing the contract of a non-tenured professional employee. Said dismissal of a non-tenured professional employee and the action of the Committee in not renewing the contract for a non-tenured professional employee, shall not be considered as "adverse action", as defined herein.
2. It is recognized that Chapter 71 of the General Laws of Massachusetts provides specific procedures which must be adhered to for discipline and dismissal against employees. In any such case, the election of remedies procedures contained in Article XXV, Section D, Subsection 10, d shall apply.

H. Evaluation System of Professional Employees

1. The Committee and the Association recognize that Chapter 188 of the Massachusetts General Laws requires certain minimum standards which must be met in evaluating professional employees. These standards and any additional requirements are subject to collective bargaining under Chapter 150E of the Massachusetts General Laws. The present evaluation instrument shall remain in effect until such time as a new instrument is negotiated.

2. A professional employee's use of sick leave may be noted by an evaluator under remarks when it is a factor in determining the overall performance of such employee. Any reference to absence information on evaluation forms where such absence is not a factor in performance may not be used. The employee may note the reason for absence on the form.

ARTICLE IX
FILES OF PROFESSIONAL EMPLOYEES

All professional employees' files shall be maintained under the following circumstances:

1. No material derogatory to a professional employee's conduct, service, character, or personality shall be placed in the files unless the professional employee has been previously notified and given ten (10) school days to review the material. A copy of such notice shall be forwarded to the Association when it is provided to the professional employee. Such material shall be put in the file only with the professional employee's initials signifying that he/she has reviewed it or a statement signed by the Superintendent or his/her designee that the professional employee was notified and did not request to review it or refused to initial it. A professional employee's initials on such materials shall merely signify that he/she has reviewed it and does not necessarily indicate agreement with its contents.
2. No material pertaining to the conduct, service, character, or personality of a professional employee that is not substantiated shall be placed in the professional employee's file.

3. Within thirty (30) school days after the date a professional employee has reviewed or acknowledged reviewing the material pursuant to Section 1 above, a professional employee shall have the right to answer any material put in his/her personnel file and have the answer attached to the file copy.

4. The Superintendent or his/her designee shall, at the written request of a professional employee, permit the professional employee, by appointment, to inspect the contents of his/her personnel folder, files, cards, and records and make copies of such contents and records in the presence of the Superintendent or his/her designee, and if he/she so desires, a representative from the Association.

ARTICLE X

1. Professional employees in all schools shall have a duty-free lunch period of no less than thirty (30) minutes. Whenever possible, the administrator of each school will endeavor to schedule the duty-free lunch time for professional employees at the same time their students are eating lunch.

2. Professional employees in the elementary schools shall have one unassigned period in the morning of no less than fifteen (15) minutes, provided that arrangements are made by the professional employees to adequately supervise the class with the cooperation of the principal. If the principal determines the class is not adequately supervised, the unassigned period may be suspended until arrangements can be made by the professional employees, provided that no principal shall determine that all professional employees in his/her school shall not have an unassigned period in the morning.

G. Elementary Preparation Time

1. Elementary professional employees shall not be required to remain in the classroom while special subject professional employees are providing instruction. Every effort will be made to provide substitutes for art, music, and physical education professional employees so that the elementary professional employees will receive their preparation time as scheduled or the alternate week at the same scheduled time.

2. In order to provide additional elementary preparation time, students at the elementary level shall be dismissed on Fridays one and one-half (1 1/2) hours earlier than the normal dismissal time for students beginning the first Friday of the school year. Professional employees shall be required to remain in their schools until the normal dismissal time, (for most schools 2:30 p.m.). Administrative meetings will not be scheduled during this time period.

2. Existing teaching periods at the secondary level shall not be increased during the term of this Agreement.

3. The number of dissimilar class preparations per professional employee in the secondary schools will be kept to a minimum consistent with the implementation of a sound educational system. The Committee will
endeavor to limit dissimilar class preparations to three (3) per professional employee. Prior to assignment of a fourth dissimilar class preparation, the Association and the Superintendent or his/her designee will meet and review professional employee schedules to determine whether the additional dissimilar preparation can be avoided. The decision of the Superintendent or his/her designee shall be final, except that no professional employee shall be assigned more than five (5) dissimilar class preparations.

4. A professional employee may request a meeting with the Superintendent of Schools to review the distribution of class levels in his/her schedule by the administration. The decision of the Superintendent concerning the equitable distribution of class levels shall be final.

5. Schedules for the following school year will be delivered no later than five (5) school days prior to the last workday in June. It is understood that on occasion, unavoidable circumstances may require the altering of schedules after the close of the work year in June.

I. Regular Professional Employees Serving as Substitutes

1. The Administration shall make every effort to obtain substitute teachers to replace regular professional employees as necessary, and no regularly assigned professional employees shall be used as a substitute teacher except for the failure of the substitute to arrive on schedule, or the inability to secure a substitute. The Administration will attempt to obtain substitutes for all personnel including specialists.

2. At the beginning of each school year, the principal of each junior high school and the high school shall establish a list of professional employees who volunteer to substitute for absent professional employees. At the beginning of each term, a professional employee may remove his/her name from such list. A professional employee may add his/her name to the list at any time. The principal shall assign a regular professional employee from a list of volunteers at his/her school to substitute when necessary. There will be an equitable rotation of employees on the volunteer list.

3. In the event a substitute teacher cannot be obtained and there is no regular professional employee available on the volunteer list, then the principal of the junior high school and/or high school may assign any regular professional employee to substitute. There will be an equitable rotation of said professional employees.

4. It is understood that no professional employee shall be compensated for substitute pay for any failure to be assigned under the above Sections 2 or 3.
5. Regular professional employees serving as substitutes in the junior and senior high schools shall be paid additional compensation at the rate of thirteen dollars and seventy-five cents ($13.75) per class period or portion thereof served as a substitute.

6. Regular professional employees serving as substitutes in the elementary schools shall be paid sixty nine dollars ($69.00) per day, provided the class is not divided between two (2) or more professional employees. 7. Except in cases of emergency, no professional employee shall be assigned more than one (1) class to supervise as a substitute.

J. Instructional Media Center Representatives

1. To the extent permitted by the schools schedules to which the Instructional Media Representatives are assigned, the Committee will endeavor to minimize the assignments to non-teaching duties.

If the reassignments occur, the affected professional employees will have the right to remain with their primary assignments, or they may choose the newly resulting assignments. If more than one professional employee is involved, then the selection of the assignment shall be made on the basis of seniority. The assignments will not be made arbitrarily by the Directors.
2. If any professional employee is dissatisfied with the reassignment(s), he/she may request a meeting with the Superintendent of Schools to review his/her assignments and schedules. The decision of the Superintendent concerning the assignment(s) or the schedule(s) shall be final.

ARTICLE XII
TRANSFERS AND REASSIGNMENTS

A. Definitions

1. A transfer or reassignment is defined as a change in the grade and/or subject assignment and/or building assignment of a member of the bargaining unit.

2. Promotional positions, as defined in Article X of this Agreement, and vacancies, as defined in Article XIII of this Agreement, are excluded from coverage by this Article except in cases when an employee holding such position transfers or is transferred to another position which has the same job title and salary level as his/her current position.

B. New Personnel

The Superintendent shall assign all newly elected personnel to their specific positions which shall be within the type of service for which the professional employee has been elected by the Committee. The Superintendent shall give notice of assignments to new professional employees as soon after election as practicable.

C. Posting and Notice

1. No later than May 1st of each school year, the Assistant Superintendent for Personnel shall post in all school buildings a list of the known vacancies which will occur during the following school year.

2. Notices of involuntary transfer or reassignment shall be given to professional employees as soon as possible.

3. Professional employees who desire a voluntary transfer or reassignment shall file a statement of such desire with the Superintendent or his designee within two (2) weeks of the posting of the position. Such statement shall include the position and/or grade and/or subject to which the professional employee desires to be
assigned and the school or schools to which he/she desires to be transferred, in order of preference, and a separate statement shall be filed in applying for each vacancy.

4. As soon as practicable, and whenever possible, at least one week prior to the close of the school term, the Superintendent shall post in each school and deliver to the Association a system-wide schedule showing the names of all professional employees who have been reassigned or transferred and the nature of such reassignment or transfer.

If such schedule is not available before the close of the school term, it shall be posted on a Personnel Bulletin Board at the Administrative Office on County Street and sent to the Association as soon as it is available and posted in each school at the opening of school the next September. In addition, it shall be sent to any professional employee who leaves a self-addressed, stamped envelope with the Superintendent for that purpose.

5. All postings shall clearly set forth a description of and the qualifications for the position including the duties and salary. Such qualifications shall not be changed after having been posted without prior written notice to the Association and without the new amended notice having been posted. Such qualifications shall reflect the reasonable requirements of the job.

6. When school is in session, such notice shall be posted or included in the Personnel Bulletin as far in advance as practicable, ordinarily at least fifteen (15) school days before the final date when applications must be submitted and in no event less than five (5) school days before such date.

7. Professional employees who desire to receive notification of any vacancies which shall occur during the summer vacation period shall submit their names and addresses to the Superintendent or his/her designee. The Superintendent or his/her designee shall notify said professional employee of any vacancies including a description and duties thereof, and the qualifications for the position, and salary. Such notification shall be sent as far in advance as practicable, ordinarily at least fourteen (14) days prior to the final date of application, and in no event less than seven (7) days prior to such date. In addition, the Superintendent or his/her designee shall, within the same period, post a list of vacancies to be filled during the summer on a personnel bulletin board provided for such purposes at the Administration Office on County Street and shall send such list of positions to the Association.
8. The Association shall be provided with a copy of all positions issued pursuant to this Article within the time limits set forth in Sections 6 and 7 above.

D. Procedures

1. When an involuntary transfer or reassignment is necessary, qualified elementary professional employees within the building affected may volunteer to be transferred or reassigned and will assume involuntary transfer status. If there is more than one (1) volunteer, the most senior employee shall be transferred.

2. Procedures for In-building Transfers:

When vacancies occur in a building for the next school year, the principal of the building shall post the list of vacancies on the bulletin board. The following shall be the order in which vacancies are to be filled:

a. A professional employee in a building where a vacancy occurs who wishes to fill that vacancy shall be placed in that position provided the vacancy becomes known prior to the May 1st posting, and provided the professional employee is qualified in that teaching area.

b. If more than one professional employee applies for the same vacancy, the most senior professional employee shall fill the position.

c. Such transfers shall be completed by April 15th. (Date change effective in 1991-92 school year).

3. Procedures for System-Wide Transfers:

a. Vacancies on the May 1st posting shall be filled by a voluntary transferee based on seniority. No professional employee may transfer out of his/her present area of teaching at this time. Involuntary transferees shall retain the right to transfer voluntarily on the May 1st posting.

b. After the procedures in Paragraph (a) have been followed, all known vacancies shall be listed by the Assistant Superintendent for Personnel no later than June 1st. These vacancies shall be filled by involuntary transfers according to rules set up in Sections 5 and 6 below. An involuntary transferee may transfer out of his/her present area of teaching only if failure to do so would cause that professional employee to be laid off.
In the event of a decline in enrollment in the Bilingual Programs, and in the event that an involuntary transferee status exists, tenured professional employees in the Bilingual Programs will be given the option to bid into the mainstream on the basis of Seniority on the June 1st Listing.

Any professional employee may volunteer to be an involuntary transferee. Once a professional employee declares to be an involuntary transferee, his/her position will be added to the vacancies on the May 1st list. Declarations shall be made in writing to the Assistant Superintendent for Personnel and must be received no later than 4:00 p.m. on the last school day on or before April 1st. (Date change effective in the 1991-92 school year)

c. After involuntary transfers are completed, if there are any positions remaining vacant, these positions may be opened once more to voluntary transfers. At this time professional employees may elect to transfer out of their present area of teaching. In the event positions are opened under this paragraph, the posting for such openings shall be made on August 1st.

d. Only after all contracted professional employees have been satisfactorily placed in positions for which they are certified, can the remaining vacancies be filled through new appointments by the School Committee.

e. When Special Education Classes are redesignated, the professional employee owning the position in the redesignated class shall have the option of remaining with the class or becoming an involuntary transferee. If the Special Education Class must change buildings, the professional employee owning the position shall have the option of remaining with the class or becoming an involuntary transferee.

4. If more than one professional employee being involuntarily transferred or reassigned applies for the same vacancy, the most senior qualified professional employee as defined in this Agreement shall be appointed.

5. If there are no volunteers to be involuntarily transferred or reassigned as provided in Section D 1, the following procedure shall be followed at the elementary level:

a. The least senior professional employee within the affected building, as defined in this Agreement, shall be involuntarily transferred or reassigned. Additional professional employees to
be involuntarily transferred or reassigned shall be selected in inverse order of seniority. Professional employees remaining in the building whose assignments have been affected by said changes but who have not been transferred or reassigned out of the building as a result of their seniority status, shall fill those vacancies created by transfers or reassignments. If more than one professional employee so affected remains in the building he/she shall be allowed to select from vacancies in that building in order of seniority.

b. If there is to be an involuntary transfer or reassignment of professional employees who are assigned to more than one building, the least senior professional employee whose assignment is affected by the decision causing such involuntary transfer or reassignment shall be transferred first. Additional professional employees to be transferred or reassigned shall be selected in the inverse order of seniority.

c. If an elementary position is eliminated, the least senior professional employee in that building shall be considered an involuntary transference. If a vacancy does not exist to place this professional employee, then the least senior elementary professional employee system-wide in that same area of teaching shall be terminated or he/she placed on the involuntary transfer list as recommended by the Superintendent.

6. If there are no volunteers to be involuntarily transferred or reassigned as provided in Section 1, the following procedures shall be followed at the secondary level:

a. In selecting professional employees to be involuntarily transferred or reassigned at the secondary level, the least senior professional employee, as defined in this Agreement, teaching within the building and within the department and within the area of certification affected by the changes causing the involuntary transfer or reassignment, shall be transferred or reassigned first. Additional professional employees to be involuntarily transferred or reassigned from that department and that building and that area of certification shall be selected in the inverse order of seniority.

b. Professional employees remaining in the affected department, building, and area of certification whose assignments have been affected by said changes, but who have not been transferred or reassigned from the department, building, or area of certification because of their seniority status shall fill those vacancies created by the transfers or reassignments of the least senior professional employee in that department and area of
certification provided that they are qualified to fill such a vacancy. If there is more than one (1) professional employee so affected, they shall be allowed to select from vacancies for which they are qualified within that department, building, and area of certification in order of seniority.

c. If a secondary position is eliminated, the least senior professional employee in that department and that building shall be considered an involuntary transferee. If a vacancy does not exist to place this professional employee, then the least senior secondary professional employee system-wide in that department shall be terminated or be placed on the involuntary list as recommended by the Superintendent.

7. In the event that a professional employee's exercise of the transfer rights and procedures, as hereinbefore provided, shall act so as to cause the layoff of a member of the bargaining unit, such rights shall be abridged to the extent necessary to prevent the layoff. Said abridgment shall only occur with the mutual consent of the Committee and the Association.

8. No professional employee shall be involuntarily assigned or transferred to teach outside of his/her area of certification and major field of study without his/her consent.

9. No professional employee shall be involuntarily transferred or reassigned for disciplinary reasons.

10. In the determination of requests for voluntary reassignment and/or transfer, the wishes of the individual professional employee will be honored to the extent that they do not conflict with the instructional requirements and best interests of the school system. The Superintendent or his/her designee may request a written recommendation from the sending or receiving administrator on the request for transfer. If more than one professional employee has applied for the same position, seniority shall be a significant factor in determining which professional employee shall be given the position.

11. No openings shall be filled on a permanent basis during the school year in a position that has not been posted. All such openings filled during the school year or on an emergency basis shall be deemed open at the close of the school year. Any professional employee, except long-term substitutes, assigned to fill a non-posted opening shall retain all rights to their previous position. Said professional employees may bid on the job they held temporarily along with other voluntary transferees on the May 1st posting. Any positions created too late to appear on the May 1st posting shall be
filled by assignment and posted on the May 1st posting of the following school year.

12. If a professional employee is assigned for two (2) consecutive years to a federally or state funded position, his/her position shall be posted on the next May 1st posting. The professional employee assigned to a federally or state funded position shall be considered an involuntary transferee and may bid in accordance with the procedures outlined in this Article.

E. Superintendent Meeting

1. An involuntary transfer or reassignment shall be made only after a meeting between the professional employee involved and the Superintendent or his/her designee, at which time the professional employee will be notified of the reasons thereof, except that a temporary transfer or reassignment up to thirty (30) school days can be made in an emergency without such a meeting. In the event that a professional employee objects to the transfer or reassignment at this meeting, upon request of the professional employee, the Association will be notified, and the Superintendent or his/her designee will meet with the Association's representative to discuss the matter.

2. The Association, at its option, may count the initial time limit for filing grievances relative to involuntary transfers or reassignments from the day following the date upon which such meeting has taken place or from the date of the violation.

ARTICLE XIII

4. The Committee agrees to give due weight to the professional background and attainment of all applicants, the length of time each has been in the school system, and other relevant factors. In filling such vacancies, preference will be given to professional employees already employed by the Committee. Each professional employee or applicant not selected will receive written notification from the Superintendent or his/her designee that he/she was not selected within fifteen (15) days of the decision by the School Committee.

Such notification shall be sent as far in advance as practicable, ordinarily at least fourteen (14) days prior to the final date of application, and in no event less than seven (7) days prior to such date. In addition, the Superintendent or his/her designee shall, within the same time period, post a list of vacancies to be filled during the summer on a personnel bulletin board provided for such purposes at the Administration Office on County Street and shall send such list of positions to the Association.

The above allowance will apply for all travel done by School Adjustment Counselors and Secondary Guidance Counselors, excluding meetings called pursuant to Article XI, Section E.

2. In the event the City of New Bedford increases the per mile travel allowance, professional employees will be reimbursed at the higher rate per mile.

4. In the event an employee is required by subpoena to appear in court on matters not related to school business, the Superintendent may grant court leave, with pay, at his discretion.

ARTICLE XV

A. Annual Sick Leave

1. Annual sick leave with full pay shall be allowed all professional employees on annual salary at the rate of one and one-half (1 1/2) days for each month of teaching service, not to exceed fifteen (15) days in any one year. Unused sick leave may be accumulated from year to year, but not in excess of one hundred eighty (180) days.

2. 4. Professional employees will be allowed to use two (2) of their fifteen (15) days per year in cases of family illness of a spouse, child, or parent living in the household.

C. Independent Examination

The Committee, at its own expense, reserves the right to have an independent physician examine any professional employee taking sick leave whenever, in its opinion, the professional employee may not be entitled to sick leave benefits.

D. Use of Sick Leave

It is specifically agreed that any professional employee who does not have any accrued sick leave to his/her credit may, during any one school year, use that school year's sick leave prior to its actual accrual. In the event a professional employee borrows leave, as provided in this paragraph and terminates employment with the system prior to actually earning sick leave, as provided in Section 1 of this Article, the professional employee agrees that an amount equal to the number of used but unearned sick leave days multiplied by 1/182 of his/her annual basic salary will be deducted from his/her final paycheck.

E. Extended Illness

The School Committee agrees to provide tenured professional employees with the following extended illness plan:

1. In the event that a tenured professional employee shall be absent from school due to illness or accident of an extended nature, which is verified by a physician to be twenty (20) school days or longer in duration, the tenured professional employee shall be entitled to benefits under this extended illness plan.

2. Such tenured professional employee who complies with the above requirements shall be entitled to an additional number of sick days equal to the number of actual accumulated sick days at the inception of his/her extended illness.

Said days shall be compensated at the rate of pay calculated by multiplying his/her daily rate of pay times the ratio of actual accumulated sick days since his/her illness over the total possible accumulated sick days since his/her return to work.

5. Continuing treatments for the prolonged illnesses listed below shall qualify for extended sick leave even though the absences are not consecutive.

I. Sick Leave Abuse

1. A doctor’s verification of illness may be required by the Superintendent regardless of duration in cases when a pattern of sick leave indicates abuse of sick leave privileges after September 1, 1980. A requirement for a medical verification in substantiation of an absence due to illness, regardless of duration, will not be invoked without first advising the employee of his/her questionable sick leave record and giving him/her an opportunity to improve for a period of ninety (90) calendar days. At any meeting with the Superintendent dealing with this paragraph, the professional employee shall be entitled to Association representation. If there is no improvement, the employee may be advised in writing that future requests for sick leave may be supported by medical verification as a condition of sick leave payment for the next forty (40) school days. If a professional employee is absent due to illness during this period, he/she may call the Superintendent and notify the Superintendent of his/her illness. The Superintendent may at that time request a verification of said illness. If no call is made to the Superintendent regarding said sick day, medical verification must be provided for sick day payment. Expenses, if any, resulting from verification of illness will be the responsibility of the employee. The Superintendent shall not act in an arbitrary manner in regards to this Article.

2. The Association may request semi-annually in January and June, if the Superintendent has required a professional employee to provide medical verification as a condition of payment under this Section. Any grievances filed under this Section I shall be individual grievances, not group grievances.

If a professional employee is at maximum accumulation, the unused personal leave will be credited to sick leave for buy-back purposes only, under Article XV, Section F.

D. School Visitation

The Superintendent, without referral to the School Committee may grant permission to professional employees to visit schools in the city or elsewhere without loss of pay when, in the opinion of the Superintendent, the best interests of the New Bedford Public Schools will be advanced thereby. However, not more than two (2) such visiting days may be allowed any professional employee in one school year, and any expenses incurred shall be paid by the professional employee requesting the permission.
E. Religious Policy

Existing religious policy on leave will be continued.

F. Jury Duty

G. Assault Leave

When a professional employee is injured as the result of an assault in the performance of his/her duties and must be absent from school due to such injury, the School Committee shall pay the professional employee his/her full salary for the first five (5) days of absence, and the professional employee shall not suffer loss of any sick days for this period of time. After the first five (5) day period the School Committee shall, for the period up to thirty (30) days, pay the professional employee the difference of what Workers' Compensation pays and the amount the professional employee earns on a daily basis. During this period of time, the professional employee shall suffer no loss of sick days. After the thirty (30) day period, the School Committee shall pay the same difference in pay of what Workers' Compensation pays and what the professional employee earns on a daily basis, however, the professional employee will lose that percentage of what the School Committee pays in sick days. Example: Workers' Compensation pays 2/3, the School Committee pays 1/3, and the professional employee loses 1/3 of a sick day.

ARTICLE XVII
EXTENDED LEAVE OF ABSENCE

A. Volunteer Leave

A leave of absence without pay of up to two (2) years will be granted to any tenured professional employee who joins VISTA as a volunteer, serves as an exchange teacher, or serves in the Peace Corps, and is a full-time participant in any such program. Upon return from such leave, a professional employee will be considered as if he/she were actively employed by the Committee during the leave and will be placed on the salary schedule at the level he/she would have achieved if he/she had not been absent.
B. Military Leave

Military leave not to exceed four (4) years will be granted to any professional employee who is inducted or enlists in any branch of the armed forces of the United States in accordance with the Universal Military Act. Upon return from such leave, a professional employee will be placed on the salary schedule at the level which he/she would have achieved had he/she remained actively employed in the system.

C. Maternity Leave

1. A professional employee who is pregnant shall be entitled, upon request, to a leave without pay to begin at any time between the commencement of the pregnancy and one (1) year after the termination of her pregnancy. Said professional employee shall notify the Superintendent, in writing, of her desire to take such leave and, except in case of emergency, shall give such notice at least thirty (30) days prior to the date on which her leave is to begin. She shall include with such notice either a physician's statement certifying her pregnancy or a copy of the birth certificate of her child, whichever is applicable. A professional employee who is pregnant may continue in active employment as late into her pregnancy as she desires, provided she is able to properly perform her required functions.

A professional employee may alternatively request maternity leave without pay for two (2) school years provided that if the professional employee exercises this alternative she may not return during the two (2) year leave of absence without the approval of the Superintendent of Schools whose decision shall be final; and provided further that the professional employee will be assigned to as nearly as comparable a position as possible and will not be assured of the opportunity to return to her former position.

An employee who exercises the option to request maternity leave without pay for two (2) school years may request maternity leave for a second pregnancy during the two year maternity leave to begin at the expiration of the two (2) year period, but no leave will be granted for this second pregnancy for a period longer than the disability period, for the purpose of giving birth, in accordance with M.G.L. Chapter 151B, and Chapter 149, Section 105D. Maternity Leave for subsequent pregnancies shall not be affected by this paragraph.

2. A professional employee on maternity leave shall notify the Superintendent of Schools as soon as possible of her intent to return during the one (1) year period after the termination of the pregnancy and shall be entitled to return to her former position unless such
position has been eliminated in which case the professional employee shall be assigned to as nearly as comparable a position as possible.

3. Unless a professional employee returns to duty on the expiration of the one (1) year period, her employment shall be terminated, unless the leave is extended using the procedure as provided in Section G of this Article.

4. Upon written application of a professional employee, a maternity leave may, at the discretion of the Superintendent, be extended or curtailed if unusual conditions exist.

5. A professional employee who has been employed ninety-one (91) days of the school year will, upon her return, be given credit for a full year's work on the salary schedule; however, the professional employee will not earn sick leave while on maternity leave.

6. A professional employee shall be entitled to take paid sick leave to cover the period of the maternity leave during which she was actually physically disabled due to the pregnancy or the termination thereof, in accordance with the regulations issued by the Massachusetts Commission Against Discrimination under Massachusetts General Laws, Chapter 151B, Section 4, and Chapter 149, Section 105D. The inclusion of the Massachusetts Commission Against Discrimination regulations shall not act so as to create a six (6) month probationary period and/or to limit sick leave benefits to professional employees on maternity leave of eight (8) weeks or less.

7. A professional employee who has worked 150 days of the school year will, on her return, be given credit for a full year's work on the longevity schedule.

D. Leave for Family Illness

A leave of absence without pay or increment of up to one (1) year will be granted for the purpose of caring for a sick member of a tenured professional employee's immediate family.

E. Personal Illness

Any tenured professional employee whose personal illness extends beyond the period compensated by sick leave will be granted a leave of absence without pay for such time as is necessary for complete recovery from such illness not to exceed one (1) year. Upon return from such leave, every effort will be made to assure that the professional employee is assigned to the same position he/she had before taking the leave, if available.
F. Maintenance of Rights

All benefits to which a professional employee was entitled at the time his leave of absence commenced, including unused accumulated sick leave, will be restored to him/her upon his/her return, provided that the professional employee returned to service immediately upon the expiration of his/her leave.

G. Request for Leave

In unusual or grave personal circumstances or for the purpose of restoration of health, professional improvement, special educational service, or military service other than those cases specifically covered above, a tenured professional employee may, upon the recommendation of the Superintendent and confirmation by the Committee, be granted a limited leave of absence without pay when such leave seems to be in the best interests of the school system as well as of the individual professional employee.

H. Extension of Leave of Absence

All requests for extended leave will be applied for and granted in writing.

I. Child Rearing Leave

1. a. A tenured employee or a non tenured employee who has completed one (1) year of employment shall be entitled to an unpaid leave for a period not exceeding eight (8) weeks for the purpose of adopting a child under three (3) years of age, said period to be hereinafter called Maternity Leave. Said employee must give to the employer at least two (2) weeks' notice of the anticipated date of departure and intention to return.

b. In the alternative, a tenured employee who adopts a child of any age shall, upon request, be allowed an unpaid leave of absence of two (2) school years for the purpose of child rearing for the years immediately following the adoption, provided that if the professional employee exercises this alternative he/she may not return during the two (2) year leave of absence without the approval of the Superintendent of Schools whose decision shall be final; and provided further that the professional employee will be assigned to as nearly as comparable a position as possible and will not be assured of the opportunity to return to her former position. Said leave may be applied for in increments of one (1) year.

If the leave of absence does not coincide with the start of the school year in September, employees whose leave commence within
the first ninety-one (91) days of the school year will have that year count as the first full year of a leave of absence. If the employee's leave commences after the ninety-first (91st) day of the school year, the remainder of the year will not count toward the two-year leave of absence.

2. Special unpaid leave for the purpose of caring for a newborn infant shall be granted to a tenured professional employee, provided the professional employee is the parent of the child or has the legal responsibility for the care and/or support of the child. Such leave shall be for a period of two (2) school years, and begin on September 1. Said leave may be applied for in increments of one (1) year.

J. Presidency Leave

The President of the New Bedford Educators Association Inc. shall be granted a leave of absence, without pay, from his/her teaching position for the duration of the elected term (such leave not to exceed two [2] consecutive years). Upon leaving office, the professional employee shall return to his/her former position without loss of any benefits.

K. One Year Leave of Absence

The School Committee shall grant a request from Professional Employees for a one year leave of absence without pay.

1. The request shall be made no later than April 1 prior to the commencement of the leave of absence. This provision may be waived at the discretion of the School Committee.

2. The leave of absence shall be for one full school year and shall commence at the beginning of the school year.

3. No more than ten (10) requests may be granted for a school year. Requests may be granted in excess of ten (10) at the discretion of the School Committee.

4. No professional employee may be granted a one year leave under this mandatory provision more than once. The School Committee may waive this requirement at its discretion.

5. In the event more than ten (10) requests are made for one school year, the Superintendent shall recommend to the School Committee the names of those employees for approval based upon the needs of the school department. The decision of the School Committee, in this section K. 5 only, shall be final and not subject to grievance and/or arbitration.

D. Compensation

A professional employee on sabbatical leave shall be paid fifty percent (50%) of the annual salary which he/she would have received if he/she had remained on active duty with the Committee, exclusive of any supplementary compensation which he/she may have been receiving in addition to his/her regular salary. During the time a professional employee is on sabbatical leave, he/she shall continue to receive the same Blue Cross/Blue Shield benefits and group life insurance benefits he/she was receiving prior to going on said leave.

E. Requirement For Service Upon Return

Prior to the granting of the sabbatical leave, the professional employee shall enter into a written agreement with the Committee that, upon the termination of such leave, he/she will return to service in the New Bedford Public Schools for a period equal to twice the length of the sabbatical leave, and that, in default of completing such service, he/she will refund the City of New Bedford an amount equal to such proportion of salary received by him/her while on said leave, as the amount of service agreed to be rendered. ARTICLE XXV
GRIEVANCE PROCEDURE

A. Definition

A grievance is a claim based upon an event or condition which affects the welfare and condition of employment of any employee or group of employees and the interpretation, meaning or application of any term of this Agreement.

B. Time Limits

1. All time limits herein shall consist of calendar days exclusive of legal holidays. The time limits indicated hereunder shall be considered maximum limits unless extended by mutual agreement in writing. In the event a grievance is reported which cannot be resolved to the satisfaction of the Association using the time limits set out herein, prior to the termination of this Contract, and no succeeding contract has as yet been signed by the parties hereto, then the Association may submit the grievance directly to arbitration.

2. Failure at any step of this procedure to communicate the decision of a grievance within the specified time limits to the aggrieved employee and to the President of the Association shall permit the aggrieved party or parties to proceed to the next step.

3. Failure at any step of this procedure to appeal the grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.

4. When a grievance arises, the grievance must be filed within thirty (30) days from the day of the event upon which the grievance is based or from the date when the professional employee had or should have had knowledge that he/she is aggrieved.

C. Adjustment of Grievances

Level One

A professional employee with a grievance shall, with or without a representative of the Association, present it to his/her Principal and/or immediate supervisor within the time limit specified in Paragraph B.4. Should the grievance involve a decision of the Superintendent of Schools, or the School Committee, it may be commenced at Level Two of this procedure.
Level Two

In the event that the grievance shall not have been disposed of at Level One to the satisfaction of the aggrieved employee(s), or in the event that no decision has been reached within seven (7) days after presentation of the grievance to the immediate supervisor and/or principal, the grievance shall be reduced to writing and referred to the Superintendent of Schools within fourteen (14) days after the issuance of the unsatisfactory disposition or the expiration of the seven (7) day time limit provided herein, whichever comes first. Within fourteen (14) days after the receipt of the written grievance by the Superintendent, he/she or his/her designee shall meet with the aggrieved employee(s) and representatives of the Association in an effort to settle the grievance.

Level Three

In the event that the grievance shall not have been satisfactorily disposed of at Level Two, or in the event that no decision has been rendered within twenty-one (21) days after the Level Two meeting, the grievance shall be referred, in writing, to the School Committee within twenty-one (21) days after the issuance of the unsatisfactory disposition or the expiration of the twenty-one (21) day time limit provided herein, whichever comes first.

Within twenty-one (21) days after receipt of the written grievance, the School Committee or its designee will meet with representatives of the Association in an effort to settle the grievance. In the event that such a hearing is held by designees, the decision shall be in writing and approved by the School Committee prior to its issuance. The grievant shall be granted a hearing by the full School Committee at his/her request on any disciplinary matter.

Level Four

In the event that the grievance shall not have been satisfactorily disposed of at Level Three, or in the event that no decision has been rendered within twenty-one (21) days after the Level Three meeting, the Association may refer the grievance, in writing, to the American Arbitration Association for arbitration under their rules, within twenty-one (21) days after the written issuance of the unsatisfactory disposition, or the expiration of the twenty-one (21) day time limit provided herein, whichever comes first. The results of such arbitration shall be final and binding on both sides.

D. General Provisions

1. The Association shall have the right to use, in its presentation at any level of this grievance procedure, any representatives of its own choosing.
2. The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel and subsistence expenses will be borne equally by the School Committee and the Association.

3. The School Committee acknowledges the right of the Association to participate in the processing of a grievance at any level.

4. Provided the parties agree, Level One and/or Level Two of the Grievance Procedure may be by-passed and the grievance brought directly to Level Three.

5. No reprisals of any kind will be taken by the School Committee or the school administration against any professional employee because of his/her participation in this Grievance Procedure.

6. The School Committee and the administration will cooperate with the Association in its investigation of any grievance, and further, will furnish the Association with such information as is requested for the processing of any grievances.

7. All documents, communications and records dealing with the processing of a grievance will be filed separately from the personnel files of the participants.

8. If a grievance affects a substantial portion of the membership of a group or class of professional employees, the Association may submit such a grievance, in writing, to the School Committee directly, and the processing of such a grievance will be commenced at Level Three.

9. All decisions rendered at Levels One, Two and Three of the Grievance Procedure, will be in writing, setting forth the decision and the reasons therefor, and will be transmitted promptly to the grievant and/or the Association.

10. The powers of the Arbitrator are limited as follows:

   a. He/she shall have no power to add to or subtract from or modify any of the terms of the Agreement.

   b. He/she shall have no power to set standards or policy or to decide any questions which, under this Agreement, are within the responsibility of the Committee to decide.

   c. He/she shall confine his/her decision to the subjects submitted for arbitration.
d. Where arbitration is elected by the employee(s) as the method for resolving disputes involving suspension, dismissal, removal or termination, or any other disciplinary matter, it shall be the exclusive procedure for resolving any such dispute. However, once an action has begun under these arbitration procedures, the professional employee waives all rights to resolve the dispute under the statutory procedures set forth in Chapter 71. Such a waiver of the professional employee's rights under Chapter 71 must be in writing and is a condition precedent to filing for arbitration under this Article. Also, a professional employee may not file a grievance under this Article once he/she has initiated judicial review of a School Committee action made pursuant to Chapter 71.

11. Nothing contained in this Article shall be construed as limiting the right of any aggrieved employee(s) from discussing his/her grievance informally under the Grievance Procedure, and from having his/her grievance adjusted, without the intervention of the Association, provided any such adjustment is not inconsistent with the terms of this Agreement, and provided that the Association has been given the opportunity to be present at such adjustment to state its views. The Association may appeal any adjustments inconsistent with the terms of this Agreement made pursuant to this paragraph directly to binding arbitration pursuant to Level Four of the Grievance Procedure contained herein. Further, no dispute may be submitted to binding arbitration without consent of the Association.

CHAPTER I PROFESSIONAL EMPLOYEES

A. Credit on Salary Schedule

Chapter 1 professional employees who resigned from and/or were terminated from the New Bedford School System, and at a later date returned to the system, will be given credit on the salary schedule for all prior years back to 1978, which were worked in the New Bedford School System, and placed on the proper step of the salary schedule.

NOTE: If a Chapter 1 professional employee served ninety-one (91) days in any one (1) school year during the September 1975 through June 1978 period of time, an additional step on the salary schedule will be awarded.

B. Transfers

1. Professional employees who transfer into Chapter 1 will retain their present seniority and will be placed on the salary schedule commensurate with their number of years of service.

2. If Chapter 1 professional employees transfer out of Chapter 1, they shall retain their present seniority and will be placed on the salary step commensurate with their number of years of service.

C. Academic Areas

For purposes of transfer and RIF, Chapter 1 Preschool, Chapter 1 Elementary, and Elementary Positions will be considered one (1) area. Secondary Chapter 1 English and the English Department shall be considered one (1) area. Secondary Chapter 1 Math and the Math Department shall be considered one (1) area. Article XII will govern transfers, RIF's and reassignments.

ARTICLE XXXVIII

SENIORITY AND RECALL

A. Definitions

1. Whenever it is referred to in this Agreement, seniority is defined as a professional employee's length of service in years, months, and days from the initial date of employment as a professional employee in a position covered by the bargaining unit. In the event a professional employee has resigned and been reemployed, his/her

- 59 -
seniority shall be counted from the date of the most recent date of employment. Professional employees shall be credited, for seniority purposes, with all time spent on authorized leaves of absence provided for in this Agreement.

2. Beginning September 1, 1982, a long term substitute who has worked for more than 90 consecutive school days in a position during a school year and is hired under contract for a full time position at the beginning of the school year shall be placed on the seniority list with a seniority date effective with the 91st day of his or her employment as a long term substitute.

B. Cases of Identical Seniority

1. In cases involving professional employees who have identical seniority, the professional employee's date of appointment by the School Committee will serve as the first tie breaker. If there are still cases of professional employees who have identical seniority, the professional employees who have the higher level of education attainment, as recognized in Schedule A, shall be credited with the greatest seniority. If there are still cases of professional employees who have identical seniority, a name lottery shall be held. Order of seniority shall be the order drawn. The lottery shall be conducted jointly by the Association and the School Committee. Members of the bargaining unit may be present at any such lottery.

2. In the event a professional employee enters a salary column which represents the acquisition of additional academic credits after a lottery has established the seniority ranking of professional employees on that column causing an additional tie in seniority, the professional employee who enters the column after the lottery shall be ranked below the ranking of the professional employees whose seniority date has been previously established by a lottery.

C. Seniority List

A list specifying the seniority of each member of the bargaining unit shall be prepared by the Committee and forwarded to the President of the Association within 90 days following the execution of this Agreement. An updated seniority list shall be supplied by the Committee annually thereafter by October 15. No professional employee's seniority shall be altered between revisions in the seniority list except to correct an error. Data not supplied to the School Department on or before September 15 shall not be credited to the employee's seniority. New professional employees shall be added to the list upon entry into the bargaining Unit.
D. Seniority Carried from Unit B

Upon entering into this bargaining unit, Unit A personnel shall be fully credited with all seniority accrued while serving in positions covered by Unit B in addition to any Unit A seniority which such professional employees may have previously earned. Such professional employees may apply all seniority so earned and so credited in bidding on positions at the time of entry into Unit A.

E. Recall

1. Professional tenured employees laid off due to reduction in force will be placed on the Recall List for two (2) complete years from the effective date of layoff, provided the employee executes the waiver letter attached as Appendix B.

2. Professional tenured employees on the Recall List shall be deemed to be on an involuntary leave of absence from the New Bedford Public Schools for the duration of the recall period. In recognition of the fact that a layoff is treated as an involuntary leave of absence in this Article, a professional employee who accepts such leave in lieu of dismissal shall waive, in writing, any present or future rights to a dismissal hearing which he/she may have pursuant to Chapter 71, Sections 42 and 42(a). A professional employee may elect to have his/her layoff treated as a dismissal, in which case such employee shall be afforded any statutory rights which might apply.

3. Except as provided in paragraph 7 below, professional employees on the Recall List will be recalled to vacancies in the reverse order of layoff. Layoffs will be governed by the provisions of Article XII, Sections D 5 and D 6. Following the June 1st listing, before any new appointments are made, any vacancies that exist shall be offered to teachers on the Recall List as follows:

   a. Elementary teachers and Chapter I teachers shall be recalled only to either positions at the elementary level (K-6) or the Chapter I area.

   b. Secondary teachers shall be recalled only to vacancies in the same department from which they were laid off.

   c. Specialty teachers; e.g., bilingual, special education, physical education, music, art, etc., shall be recalled only to vacancies in the area and level from which they were laid off.

NOTE: Professional employees who are certified in discipline(s) other than the one from which they were RIF’d may, at the sole discretion of the Superintendent, be recalled in
another discipline if there are no professional employees awaiting recall from that other discipline. A decision of the Superintendent shall not be the subject of a grievance or arbitration.

For example: If an English vacancy occurs and there are no professional employees on the English Recall List but there is a teacher on the Social Studies Recall List who is certified in English, the Superintendent may recall the laid off Social Studies teacher to the English vacancy.

4. When a vacancy occurs to which a professional employee is entitled to be recalled, as set forth above, the appropriate employee on the Recall List will be notified, by Certified Mail, at his/her last recorded address. Failure to accept Certified Mail shall not be deemed reason for failing to meet the necessary response date. Failure to respond to the Superintendent of Schools with a letter of acceptance of the offered position within ten (10) calendar days of the mailing date of the recall notice shall be considered a rejection of such offer, and the professional employee shall be dropped from the Recall List and terminated. The recall notice will include the date when the employee is to commence work. The employee who accepts recall must commence work on the date set forth in the recall notice unless prevented from doing so by illness, injury, or disability from which the professional employee is expected to return to work. During the recall period, no professional employee shall be dropped from the Recall List unless that professional employee failed to accept a position which is in the bargaining unit and which provided equivalent hours of employment to the position held by said employee at the time of layoff. It shall be the responsibility of the personnel on the Recall List to inform the Office of the Superintendent of Schools, in writing, of changes of address.

5. Professional employees on the Recall List shall be entitled to membership in any group health and/or life insurance coverage in existence at the time of the effective date of the layoff, provided, however, that pursuant to Chapter 32B, the professional employee pays the entire cost of such insurance pursuant to the requirements of the insurance carrier, and there shall be no contribution by the Committee or the City for such professional employee.

6. Upon return to employment from the Recall List, professional employees will have restored to their accounts the same number of sick days which they had accumulated at the time of the layoff. Professional employees laid off during the school year, upon return, will be placed on the next step of the Salary Schedule if they had served for a minimum of ninety-one (91) days during the year of layoff.
7. Notwithstanding the procedures established in paragraph 3 regarding the order of recall by seniority, the New Bedford School Committee reserves the right to recall professional minority employees under its equal opportunity policy whenever, in the judgment of the Committee, a recall of a minority professional employee would be in the best interest of the New Bedford Public Schools. (Effective in the 1990-91 school year)

ARTICLE XXXIX
SICK LEAVE BANK

A. Establishment

A Sick Leave Bank shall be established for the purpose of making additional sick leave days available to professional employees who have exhausted their entire sick leave accumulation through prolonged illness, and who have a serious illness or injury. Participation in the Sick Leave Bank shall be voluntary. Any employee who voluntarily participates in the Sick Leave Bank shall be eligible to use the Bank after using sick leave under Article XV, Section E, Extended Illness. Payment under the Sick Leave Bank shall be at the same rate of pay as payment under Article XV, Section E; however, the Bank will be charged one (1) full day.

B. Funding

The Sick Leave Bank will be initially funded by deducting one (1) sick day from the accumulated sick leave days of each professional employee who has agreed to participate in the Bank, and contributing such day(s) to the Bank. When the Bank is depleted to twenty (20) sick leave days, an additional assessment of one (1) day of sick leave shall be made against the sick leave account of each professional employee who has agreed to continue to participate in the Bank.

C. Granting of Days

The initial grant of sick leave days from the Bank shall not exceed forty (40) days, after which the professional employee may reapply for no more than an additional twenty (20) days. Requests for Sick Leave Bank days shall be submitted, in writing, to the Sick Leave Bank Committee, and shall include a written statement from the professional employee's physician indicating the nature and the extent of the illness or injury and the estimated time that the professional employee will be absent from work.
D. Membership

Professional employees wishing to join the Bank must apply for membership on a form approved by the Sick Leave Bank Committee. Professional employees wishing to join the Bank must submit an application for membership by November 1, 1988. In subsequent school years, only new applicants must submit an application for membership by November 1st.

E. Administration

The Sick Leave Bank shall be administered by a Sick Leave Bank Committee comprised of five (5) persons, three (3) appointed by the Association, and two (2) by the Committee. The decisions of the Sick Leave Bank Committee shall be final and shall not be subject to the grievance procedure.

F. Workers' Compensation

Professional employees who are drawing on Workers' Compensation will not be eligible to draw from the Sick Leave Bank.

ARTICLE XL

DURATION

This Contract shall take effect as of the first day of September, 1992, and shall expire on the thirtieth day of June, 1994. Both parties agree to begin negotiations for a successor Contract commencing no later than November 1, 1993.

IN WITNESS WHEREOF, the parties hereto set their hands and seals this day of April.
MEMORANDUM OF AGREEMENT

Free tuition shall be granted to a child of a New Bedford teacher whose permanent address is outside of the City of New Bedford and desires to enter New Bedford High School. The School Committee shall allow six (6) such children to enter grades 9, 10, 11 and 12 for a total of twenty-four (24) students. The School Committee shall grant this privilege on a first come, first served basis.

APPENDIX B

EMPLOYEE LETTER

I have received the School Committee notice that it intends to take a vote on _______ (199 ), with respect to my dismissal, effective June 30, (199 ) pursuant to the provisions of MGL, c.71, s.42. I understand that I may have a right to request and be furnished by the School Committee a written statement of the charge or charges for which my dismissal is proposed; and a right to request and be given a hearing before the School Committee with representation of counsel of my own choosing. I also understand that I may have a right to appeal such a vote of the School Committee.

Since I desire to secure the benefits of the two year recall period, as set forth in the Collective Bargaining Agreement between the New Bedford School Committee and the New Bedford Education Association, Inc., and because I wish to retain my status as a tenured teacher in the New Bedford School System during such recall period, and in the event of my recall and return to active service, and since I admit that the School Committee has good cause for my dismissal, I hereby waive any written statement of the charge or charges, and waive any request for a hearing, and waive all rights of appeal which I may have, all as provided in Ch.71, ss.42 & 43(a) of the Massachusetts General Laws, all in consideration of the School Committee's agreement that because of such admissions and waivers the School Committee shall not vote on my dismissal effective at the end of the (199 - 199 ) school year, pursuant to the provisions of MGL c.71, s.42, but shall instead place me on an involuntary leave of absence without pay or increment as a result of layoff.

I understand that effective June 30, (199 ), I will, unless recalled and returned to effective service, be on an involuntary leave of absence without pay or increment as a result of layoff. If I am returned to active service during the two year recall period, the Committee agrees that any and all waivers and admissions which I have made in this letter shall not be applicable to any subsequent layoffs and/or dismissals. If I fail to accept recall to an appropriate position, as set forth in Section 4 above, during the recall period, I will be dropped from the recall list and terminated; and I understand that I have waived my rights to any statement of the charge or charges, and my rights to any statutory hearings or appeal with respect to that dismissal. If I am not returned to active service during the recall, I understand that the Committee will vote to dismiss me at the end of said period, and that I have waived my rights to any statement of the charge or charges, and my rights to any statutory hearings or appeal with respect to that dismissal.

I expressly do not waive any right I may have to contest, by grievance and arbitration, whether the School Committee has observed the recall provisions of the Collective Bargaining Agreement between the New Bedford School Committee and the New Bedford Educators Association, Inc.

- 76 -
The School Committee is in receipt of your letter of (199 ), requesting that, pursuant to the Collective Bargaining Agreement, you be granted an involuntary leave of absence without pay or increment as a result of layoff.

In order that you may receive the benefits of recall, and in order that you may retain your status as a tenured teacher in the New Bedford School System during such recall period, and in the event of your recall and return to active service, and because you admit that the School Committee has good cause for your dismissal, and in consideration of your having waived the following:

1. any written statement of the charge or charges for which your dismissal is proposed;
2. any request for a hearing before the School Committee under MGL. c.71, s.42;
3. all rights of appeal, as provided in MGL. c.71. ss.42 and 42(a);

therefore, the School Committee expressly agrees that because of your admissions and waivers, the Committee shall not vote on your dismissal effective June 30, of the (199 - 199 ) school year, pursuant to the provisions of MGL. c.71, s.42, but rather has placed you on an involuntary leave of absence without pay or increment as a result of layoff, pursuant to the Collective Bargaining Agreement.

The Committee agrees that if you are returned to active service during the recall period, any and all waivers and admissions to which you have agreed with respect to this initial layoff shall continue in full force and effect, but shall not be applicable to any subsequent layoffs and/or dismissals. If you are not returned to active service during the recall period, the Committee will vote to dismiss you at the end of said period; and in accordance with your waivers and admissions, there will be no requirement of any statement of the charge or charges or any statutory hearings, and no appeal from said dismissal vote.

The Committee further agrees that you expressly do not waive any right you may have to contest, by grievance and arbitration, whether the School Committee has observed the recall provisions of the Collective Bargaining Agreement in effect at the time of your layoff.

In the event you are not returned to active service in accordance with the recall provisions of the Collective Bargaining Agreement then, in such event, the Committee intends to vote on your dismissal on __________, (199 ), at its meeting at _____ p.m..
